2.2 Title. The Seller owns all right, title, and interest in and to the Shares, free and clear of all liens, claims, charges, security interests, options, encumbrances, or restrictions whatsoever, except for restrictions imposed by applicable federal and state securities laws.

2.7 Litigation. There is no litigation, suit, proceeding, arbitration, or similar action pending or overtly threatened against the Seller in respect of the consummation of the transactions contemplated hereby.

2.8 Exemption from Securities Registration. The sale of the Shares to the Buyer is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act").

2.9 Disclosure. Subject to Section 3.3 of this Agreement, no representation or warranty by the Seller contained herein, nor any document furnished or to be furnished to the Buyer by Seller in connection herewith or with the transactions contemplated hereby contains any untrue statement of a material fact. The Seller acknowledges that both the Seller and the Buyer have received from the Company a draft copy of the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2007.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer hereby represents and warrants to the Seller, which representations and warranties will survive Closing, as follows:

3.1 **Authorization.** The Buyer is at least 21 years of age, has adequate means of providing for all of his current and foreseeable needs and personal contingencies and has no need for liquidity in this investment. The Buyer has the right, power and capacity to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Buyer, constitutes the legal, valid and binding obligation of the Buyer and is enforceable against him in accordance with its provisions, except to the extent limited by bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting creditors' rights generally or by general principles of equity. The execution, delivery and performance by the Buyer of this Agreement and the consummation of the transactions contemplated hereby will not, with or without the giving of notice or the lapse of time, or both, (i) conflict with, violate, or result in a breach or acceleration of any of the terms or provisions of any agreement to which the Buyer is a party or by which the Buyer is bound, (ii) violate any provision of law, statute, rule or regulation to which the Buyer is subject or (iii) violate any order, judgment or decree applicable to the Buyer.

3.2 **"Big Boy" Provision.**

(a) The Buyer hereby acknowledges that the Seller may possess material, non-public information about the Company which is not known to the Buyer, including without limitation, information received on a confidential basis (the "Information"), and that Buyer wishes to proceed with the transactions contemplated hereby without disclosure to Buyer of such Information by Seller. The Buyer also hereby acknowledges and agrees that the Seller shall not have any obligation to disclose any of such Information to the Buyer.

(b) The Buyer further acknowledges, agrees and represents that he has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the purchase of the Seller's Shares and has independently and without reliance upon either the Seller or its agents made his own analysis and decision to purchase, or cause the purchase of, the Seller's Shares. The Buyer hereby waives, releases, acquits and forever discharges, to the fullest extent permitted by law, any and all claims and causes of action he has or may have as of the Closing Date against the Seller and/or its respective employees, representatives and agents (collectively, "Related Persons"), relating either directly or indirectly or arising out of Seller not disclosing Information, including, without limitation, any claims of detrimental reliance on such non-disclosure of Information, the financial condition or prospects of the Company or the value of the Shares.

3.3 **Exemption from Securities Registration.** The Buyer understands that the Shares are not registered under the Securities Act, the Tennessee Securities Act of 1980, as amended (the "Tennessee Act"), or other applicable state securities laws on the grounds that the sale provided for in this Agreement is exempt from registration under the Securities Act, the Tennessee Act and other applicable state securities laws. The Buyer is acquiring the Shares for his own account, for investment purposes only, and not with a view towards their distribution within the meaning of Section 2(a)(11) of the Securities Act in any manner that would be in violation of the Securities Act. The Buyer has had reasonable access to, and has had sufficient opportunity to carefully review and analyze, all material information about the Company's business, financial condition, operations and value that the Buyer believes to be relevant to his purchase of the Shares. The Buyer is an "accredited investor" within the meaning of Securities and Exchange Commission Rule 501(a) and is sophisticated and experienced in evaluating the merits and risks involving an investment in the Company's securities and the particulars of the purchase of the Shares. The Buyer has the ability to bear the economic risks of his purchase of the Shares and has been able to obtain all information and to ask and receive satisfactory answers to all questions required in making an informed decision regarding his investment from the Company. The foregoing, however, does not limit or modify the representations and warranties of the Seller in

Section 2 of this Agreement or the right of the Buyer to rely thereon.

3.4 Restrictions on Resale. The Buyer understands that the Shares may not be sold, transferred or otherwise disposed of without registration under the Securities Act and applicable state securities laws or an exemption therefrom, and that in the absence of an effective registration statement covering the Shares or an available exemption from registration under the Securities Act and applicable state securities laws, the Shares must be held indefinitely.

3.5 No Brokers' Fees. The Buyer has not authorized any person to act as broker, finder or in any other similar capacity in connection with the transactions contemplated by this Agreement.

3.6 Consents and Approvals. No consent, approval, authorization of or declaration, filing, registration or similar action with any third party or any Regulatory Authority having jurisdiction over the Buyer is required in connection with the execution, delivery, and performance by the Buyer of this Agreement or the consummation of the transactions contemplated hereby.

3.7 Litigation. There is no litigation, suit, proceeding, arbitration, or similar action pending or overtly threatened, against the Buyer in respect of the consummation of the transactions contemplated hereby.

ARTICLE IV **ADDITIONAL COVENANT OF THE PARTIES**

The Seller and the Buyer hereby covenant to and agree with one another that, subject to the terms and conditions herein provided, each will attempt reasonably and in good faith to take, or cause to be taken, all actions reasonably within their control that are necessary, proper or advisable under applicable laws and regulations to consummate the transactions contemplated by this Agreement.

ARTICLE V **CONDITIONS TO THE SELLER'S OBLIGATIONS**

The obligation of the Seller to sell the Shares at the Closing shall be subject to the satisfaction (or waiver by the Seller) at or prior to the Closing Date of each of the following conditions:

5.1 Representations and Warranties True at Closing Date. The Buyer's representations and warranties contained in this Agreement shall be true and correct in all material respects on and as of the Closing Date with the same force and effect as though made on and as of such date. The Buyer shall have complied with the covenants and agreements set forth herein to be performed by him on or before the Closing Date.

5.2 Purchase Price. The Buyer shall have tendered payment to the Seller of the Purchase Price for the Shares being purchased.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer hereby represents and warrants to the Seller, which representations and warranties will survive Closing, as follows:

3.1 **Organization and Qualification.** The Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Tennessee. The Buyer is duly qualified and in good standing as a foreign corporation in each of the jurisdictions where such qualification is required by law, except where the failure to so qualify would not have a material adverse effect on the Buyer.

3.2 **Power and Authority.** The Buyer has the right, power and capacity to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby. This Agreement has been approved by all necessary limited liability company action by the Buyer. This Agreement has been duly and validly executed and delivered by the Buyer, constitutes the legal, valid and binding obligation of the Buyer and is enforceable against it in accordance with its provisions, except to the extent limited by bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting creditors' rights generally or by general principles of equity. The execution, delivery and performance by the Buyer of this Agreement and the consummation of the transactions contemplated hereby will not, with or without the giving of notice or the lapse of time, or both, (i) conflict with, violate, or result in a breach or acceleration of any of the terms or provisions of any agreement to which the Buyer is a party or by which the Buyer is bound, (ii) violate any provision of law, statute, rule or regulation to which the Buyer is subject, (iii) violate any order, judgment or decree applicable to the Buyer, or (iv) violate any provision of the articles or organization or limited liability company agreement of the Buyer, as each may be amended.

3.3 **"Big Boy" Provision.**

(a) The Buyer hereby acknowledges that the Seller may possess material, non-public information about the Company which is not known to the Buyer, including without limitation, information received on a confidential basis (the "Information"), and that Buyer wishes to proceed with the transactions contemplated hereby without disclosure to Buyer of such Information by Seller. The Buyer also hereby acknowledges and agrees that the Seller shall not have any obligation to disclose any of such Information to the Buyer.

(b) The Buyer further acknowledges, agrees and represents that it has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the purchase of the Seller's Shares and has independently and without reliance upon either the Seller or its agents made its own analysis and decision to purchase, or cause the purchase of, the Seller's Shares. The Buyer hereby waives, releases, acquits and forever discharges, to the fullest extent permitted by law, any and all claims and causes of action it has or may have as of the Closing Date against the Seller and/or its respective employees, representatives and agents (collectively, "Related Persons"), relating either directly or indirectly or arising out of Seller not disclosing Information, including, without limitation, any claims of detrimental reliance on such non-disclosure of Information, the financial condition or prospects of the Company or the value of the Shares.

3.4 Exemption from Securities Registration. The Buyer understands that the Shares are not registered under the Securities Act, the Tennessee Securities Act of 1980, as amended (the “Tennessee Act”), or other applicable state securities laws on the grounds that the sale provided for in this Agreement is exempt from registration under the Securities Act, the Tennessee Act and other applicable state securities laws. The Buyer is acquiring the Shares for its own account, for investment purposes only, and not with a view towards their distribution within the meaning of Section 2(a)(11) of the Securities Act in any manner that would be in violation of the Securities Act. The Buyer has had reasonable access to, and has had sufficient opportunity to carefully review and analyze, all material information about the Company’s business, financial condition, operations and value that the Buyer believes to be relevant to its purchase of the Shares. The Buyer is an “accredited investor” within the meaning of Securities and Exchange Commission Rule 501(a) and is sophisticated and experienced in evaluating the merits and risks involving an investment in the Company’s securities and the particulars of the purchase of the Shares. The Buyer has the ability to bear the economic risks of its purchase of the Shares and has been able to obtain all information and to ask and receive satisfactory answers to all questions required in making an informed decision regarding its investment from the Company. The foregoing, however, does not limit or modify the representations and warranties of the Seller in Section 2 of this Agreement or the right of the Buyer to rely thereon.

3.5 Restrictions on Resale. The Buyer understands that the Shares may not be sold, transferred or otherwise disposed of without registration under the Securities Act and applicable state securities laws or an exemption therefrom, and that in the absence of an effective registration statement covering the Shares or an available exemption from registration under the Securities Act and applicable state securities laws, the Shares must be held indefinitely.

3.6 No Brokers’ Fees. The Buyer has not authorized any person to act as broker, finder or in any other similar capacity in connection with the transactions contemplated by this Agreement.

3.7 Consents and Approvals. No consent, approval, authorization of or declaration, filing, registration or similar action with any third party or any Regulatory Authority having jurisdiction over the Buyer is required in connection with the execution, delivery, and performance by the Buyer of this Agreement or the consummation of the transactions contemplated hereby.

3.8 Litigation. There is no litigation, suit, proceeding, arbitration, or similar action pending or overtly threatened, against the Buyer in respect of the consummation of the transactions contemplated hereby.

ARTICLE IV **ADDITIONAL COVENANT OF THE PARTIES**

The Seller and the Buyer hereby covenant to and agree with one another that, subject to the terms and conditions herein provided, each will attempt reasonably and in good faith to take, or cause to be taken, all actions reasonably within their control that are necessary, proper or advisable under applicable laws and regulations to consummate the transactions contemplated by this Agreement.
