1.a.

Effective February 6, 2012, pursuant to an Advisor Agreement with GVC Capital, LLC (GVC) the Company sold and issued warrants exercisable to purchase an aggregate of 143,000 shares of common stock, \$.0001 par value (the Warrants) at an exercise price of \$0.25 per share at any time within five years of the date of their issuance (the Securities) in consideration of \$100.

We did not engage in any public advertising or general solicitation in connection with this transaction, and we provided the investor with disclosure of all aspects of our business, including providing the investors with our reports filed with the Securities and Exchange Commission and other financial, business and corporate information. Based on our investigation, we believed that the accredited investors obtained all information regarding the Company that was requested, received answers to all questions posed and otherwise understood the risks of accepting our Securities for investment purposes.
