TEMPORARY REDUCTION IN EXERCISE PRICE OF OUTSTANDING WARRANTS AND ISSUANCE OF SHARES OF COMMON STOCK IN ACCORDANCE THEREWITH

Our board of directors and the holders of a majority of our outstanding shares of common stock have approved a temporary reduction in the exercise price of our outstanding warrants to purchase shares of our common stock, to \$0.15 per share, in effect from June 17, 2009 through June 26, 2009 (the “Special Warrant Offer”), and the issuance of shares of the Company’s common stock in accordance therewith. We will issue shares of our common stock in accordance with the Special Warrant Offer approximately (but not less than) 20 days after this Information Statement is mailed to stockholders.

Issuance of the Warrants

March 2008 Private Placement

On March 26, 2008, the Company entered into a Securities Purchase Agreement (the “March 2008 Purchase Agreement”), by and among the Company, Jay Weil as collateral agent, and the purchasers named on the signature pages thereto (the “March 2008 Purchasers”).

Pursuant to the March 2008 Purchase Agreement, the Company issued and sold to the March 2008 Purchasers, all of whom are accredited investors, \$2,775,000 in principal amount of secured convertible notes (the “March 2008 Purchaser Notes”) (including \$600,000 in March 2008 Purchaser Notes that was rolled over from bridge loans), and warrants to purchase 5,045,454 shares of the Company’s common stock (“March 2008 Purchaser Warrants”). The March 2008 Purchaser Notes are convertible into shares of the Company’s common stock at a conversion price of \$0.55 per share, subject to adjustment in the event of stock splits, stock dividends, and similar transactions. The March 2008 Purchaser Notes bear interest at the rate of 8% per annum compounded on each July 15 and January 15. Upon issuance, the March 2008 Purchaser Notes had a maturity date of March 26, 2010. In April 2009, the maturity date of the March 2008 Purchaser Notes was extended to August 26, 2010. Each March 2008 Purchaser was issued March 2008 Purchaser Warrants, with an initial exercise price of \$0.55 per share, equal to the total number of shares of common stock initially issuable upon conversion of the related March 2008 Purchaser Note. Upon issuance, the March 2008 Purchaser Warrants had a term of three years. In February 2009, the termination date of the March 2008 Purchaser Warrants was extended to March 26, 2012.

We issued the placement agent for the March 2008 private placement, a note in the amount of \$210,000 (the “March 2008 Broker Note”, and together with the March 2008 Purchaser Notes, the “March 2008 Notes”), and warrants to purchase 451,193 shares of our common stock (the “March 2008 Broker Warrants”, and together with the March 2008 Purchaser Warrants, the “March 2008 Warrants”). The March 2008 Broker Notes and March 2008 Broker Warrants have the same terms as the March 2008 Purchaser Notes and March 2008 Purchaser Warrants.

The issuance and sale of the March 2008 Notes and March 2008 Warrants was made in reliance upon the exemption provided in Section 4(2) of the Securities Act and/or Regulation D promulgated under the Securities Act. No form of general solicitation or general advertising was conducted in connection with the issuance. Each of the March 2008 Notes and March 2008 Warrants contain restrictive legends preventing the sale, transfer or other disposition of such March 2008 Notes and March 2008 Warrants, unless registered under the Securities Act, or pursuant to an exemption therefrom.

February 2009 Private Placement

On February 12, 2009 we entered into a Securities Purchase Agreement (the “February 2009 Purchase Agreement”), by and among the Company, Jay Weil as collateral agent, and the purchasers named on the signature pages thereto (the “February 2009 Purchasers”).

Pursuant to the February 2009 Purchase Agreement, the Company issued and sold to the February 2009 Purchasers, all of whom are accredited investors, \$1,000,000 in principal amount of secured convertible notes (the “February 2009 Purchaser Notes”), and warrants to purchase 5,774,194 shares of the Company’s common stock (“February 2009 Purchaser Warrants”). The February 2009 Purchaser Notes are convertible into shares of the Company’s common stock at a conversion price of \$0.31 per share, subject to adjustment in the event of stock splits, stock dividends, and similar transactions. The Purchaser Notes bear interest at the rate of 12% per annum compounded on each July 15 and January 15. Upon issuance, the February 2009 Purchase Notes had a maturity date of March 26, 2010. In April 2009, the maturity date of the February 2009 Purchaser Notes was extended to August 26, 2010. Each February 2009 Purchaser was issued February 2009 Purchaser Warrants, with an initial exercise price of \$0.31 per share, equal to the difference between: (A) the sum of: (i) the total number of conversion shares which would have been be issuable upon full conversion of the February 2009 Purchaser Note determined by dividing the aggregate principal amount of the February 2009 Purchaser Notes by an assumed conversion rate of \$.25 (such quotient is referred to as the “Assumed Note Conversion Shares”), plus (ii) 125% of the Assumed Note Conversion Shares, and (B) the number of conversion shares which are issuable upon conversion of the entire original principal amount of the February 2009 Purchaser Notes based on the actual conversion price of such February 2009 Purchaser Notes which is equal to the closing price per share of the Company’s common stock at closing plus \$.01.

We issued the placement agent for the February 2009 private placement warrants to purchase 129,032 shares of our common stock (the “February 2009 Broker Warrants”, and together with the February 2009 Purchaser Warrants, the “February 2009 Warrants”). The February 2009 Broker Warrants have the same terms as the February 2009 Purchaser Warrants.

The issuance and sale of the February 2009 Notes and February 2009 Warrants was made in reliance upon the exemption provided in Section 4(2) of the Securities Act and/or Regulation D promulgated under the Securities Act. No form of general solicitation or general advertising was conducted in connection with the issuance. Each of the February 2009 Notes and February 2009 Warrants contain restrictive legends preventing the sale, transfer or other disposition of such Notes and Warrants, unless registered under the Securities Act, or pursuant to an exemption therefrom.

The Special Warrant Offer

From July 17, 2009 through July 26, 2009, pursuant to the Special Warrant Offer, the Company temporarily reduced the exercise price of the March 2008 Warrants and the February 2009 Warrants (collectively, the “Warrants”) from \$0.55 and \$0.31 per share, respectively, to \$0.15 per share. In response to the Special Warrant Offer, the Company received an aggregate of \$690,395.85 (the “Funds”) from holders (the “Holders”) of the Warrants seeking to exercise an aggregate of 4,602,639 Warrants (including 3,159,091 March 2008 Warrants and 1,443,548 February 2009 Warrants) pursuant to the Special Warrant Offer. The Company obtained shareholder approval for the Special Warrant Offer in accordance with the rules and regulations of the NYSE Amex, where the Company’s common stock is listed. The shareholder approval will become effective 20 days after this Information Statement to shareholders. At such time as the shareholder approval becomes effective, the Company will issue an aggregate of 4,602,639 shares of its common stock to the Holders in accordance with the Special Warrant Offer. In accordance with the rules and regulations of the NYSE Amex, no shares of common stock have been or will be issued pursuant to the Special Warrant Offer prior to the effectiveness of the shareholder approval.

The Letter Agreements

From July 13, 2009, through July 20, 2009, the Company entered into a series of identical letter agreements (the “Letter Agreements”) with the Holders. Pursuant to the Letter Agreements, the parties agreed that the Funds, in the aggregate amount of \$690,395.85, received by the Company from the Holders in response to the Special Warrant Offer, will be deemed loans (the “Loans”) to the Company, until such time as Shareholder Approval (defined below) is obtained.

Pursuant to the Letter Agreements, the Company agreed to obtain shareholder approval, and have such shareholder approval become effective in accordance with applicable law (including, without limitation, Section 14 of the Securities Exchange Act of 1934, as amended) (the “Shareholder Approval”), by October 31, 2009 (the “Approval Date”), for the Special Warrant Offer, and the issuance of shares of the Company’s common stock in accordance therewith. Upon Shareholder Approval, provided Shareholder Approval has been received by the Approval Date, the Funds will be deemed an exercise of the Special Warrant Offer, the Company will issue shares of its common stock in accordance therewith, and no interest or other payments shall be due on the Loans. If the Shareholder Approval is not received by the Approval Date, the Loans shall become due and payable on the Approval Date, together with accrued interest thereon. The Loans shall accrue interest at the rate of 12% per annum and may not be prepaid without the written consent of the Holders.

Reasons for the Special Warrant Offer

The Company instituted the Special Warrant Offer to encourage the Holders to exercise the Warrants. The Company sought to encourage the Holders to exercise the Warrants to obtain working capital.

Effect of Special Warrant Offer and Issuance of Shares of Common Stock Thereunder

As noted above, the Company is using the Funds, in the aggregate amount of \$690,395.85, received in response to the Special Warrant Offer, for working capital purposes. Approximately (but not less than) 20 days after this Information Statement is mailed to stockholders, the Company will issue an aggregate of 4,602,639 shares of common stock in accordance with the Special Warrant Offer. Upon issuance of these shares, there will be an aggregate of 17,309,789 shares of the Company's common stock issued and outstanding. Accordingly, upon issuance, the shares of common stock issued pursuant to the Special Warrant Offer will represent approximately 27% of the Company's issued and outstanding common stock. Thus, the issuance of shares of the Company's common stock pursuant to the Special Warrant Offer will have a substantial dilutive effect on existing shareholders, which may have a negative effect on the price of our common stock. As of July 17, 2009, the last closing price of the Company's common stock on the NYSE Amex was \$0.29.

The Holders may not sell the shares issued pursuant to the Special Warrant Offer except pursuant to an effective registration statement or an available exemption therefrom. A portion of the shares of common stock issuable upon exercise of the March 2008 Warrants have been registered with the Securities and Exchange Commission. The Company intends to file a post-effective amendment to the registration statement.
