### INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided to stockholders to explain the use of this Proxy Statement for this Meeting:

#### RECORD DATE

Only stockholders of record at the close of business on January 2, 2002 are entitled to vote at the Meeting. The Company's Common Stock is its only class of voting securities. As of January 2, 2002, the Company had issued and outstanding 3,408,331 shares of Common Stock of record.

4

#### REVOCABILITY OF PROXIES

A PROXY FOR USE AT THE MEETING IS ENCLOSED. ANY STOCKHOLDER WHO EXECUTES AND DELIVERS A PROXY HAS THE RIGHT TO REVOKE IT AT ANY TIME BEFORE ITS EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY AN INSTRUMENT REVOKING IT OR A DULY EXECUTED PROXY BEARING A LATER DATE. IN ADDITION, A STOCKHOLDER MAY REVOKE A PROXY PREVIOUSLY EXECUTED BY HIM BY ATTENDING THE MEETING AND ELECTING TO VOTE IN PERSON.

#### VOTING AND SOLICITATION

Proxies are being solicited by the Board of Directors of the Company. The cost of this solicitation will be borne by the Company. Solicitation will be primarily by mail, but may also be made by telephone, fax transmission or personal contact by certain officers and directors of the Company, who will not receive any compensation therefore. Shares of Common Stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. IN THE ABSENCE OF SPECIFIC INSTRUCTIONS TO THE CONTRARY, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR EACH OF THE PROPOSALS DESCRIBED ABOVE. No business other than that set forth in the accompanying Notice of Annual Meeting of Stockholders is expected to come before the Meeting. Should any other matter requiring a vote of

## Edgar Filing: SIMULATIONS PLUS INC - Form DEF 14A

stockholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

Each share of Common Stock is entitled to one vote for each share held as of record, and there are no preemptive rights. The law of the state of California and the Company's current Certificate of Incorporation (the "Certificate of Incorporation") and Bylaws do provide for cumulative voting for the election of directors or any other purpose.

The effect of cumulative voting is that the holders of a majority of the outstanding shares of Common Stock may not be able to elect all of the Company's directors. No shareholder will be entitled to cumulate votes for a candidate, however, unless that candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting, prior to the voting, of an intention to cumulate votes. A favorable vote consists of a simple majority of the shares entitled to vote at the meeting. The Company believes that as of January 2, 2002 the approximate number of shareholders of record of its common stock was 60 and that there were approximately 800 beneficial owners. This includes shares held in nominee or "street" accounts.

Only shareholders of record at the close of business on January 2, 2002, will be entitled to vote at the meeting. On January 2, 2002, there were 3,408,331 shares of the Common Stock issued and outstanding. Shareholders are entitled to one vote per share on all matters being submitted to shareholders at the meeting, other than with respect to the election of directors, for which cumulative voting is currently required under certain circumstances by applicable provisions of California Law. Under cumulative voting, each shareholder may give any one candidate whose name is placed in nomination prior to the commencement of voting a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shareholder's shares are normally entitled, or distribute such number of votes among as many candidates as the shareholder sees fit.

The Board of Directors knows of only two shareholders who owned more than five percent of the outstanding voting securities of the Company as of the record date: Walter S. Woltosz and Virginia E. Woltosz. See "Beneficial Ownership of Common Stock."

5

### QUORUM; ABSTENTIONS; BROKER NON-VOTES

Shares representing 50% of the voting power of the 3,408,331 shares of Common Stock outstanding on the Record Date, which have voting rights, must be represented at the Meeting to constitute a quorum for conducting business. In the absence of a quorum, the stockholders present in person or by proxy, by majority vote and without further notice, may adjourn the meeting from time to time until a quorum is attained. At any reconvened meeting following such adjournment at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified.

The required quorum for the transaction of business at the Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

## Edgar Filing: SIMULATIONS PLUS INC - Form DEF 14A

The Company will count abstentions for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). Accordingly, abstentions will have the same effect as a vote against the proposal.

Further, the Company intends to count broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business, although broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a proposal.

### DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company's next Annual Meeting of Stockholders for the fiscal year ending August 31, 2002 must be received by the Company no later than August 20, 2002, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

### COMPANY STOCK PRICE PERFORMANCE

The stock price performance graph below is required by the SEC and shall not be deemed to be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed soliciting material or filed under such Acts.

The graph below compares the cumulative total shareholder return on the Common Stock of the Company from the last day of the first month of trading of the Company's Common Stock upon the Company's initial public offering (June 30, 1997) to August 31, 2001 with the cumulative total return on the Russell 2000 Index, and the S&P 600 Small Cap Index (assuming the investment of \$100 in the Company's Common Stock and in each of the indices on June 30, 1997, and reinvestment of all dividends).

PROPOSAL 2: TO RATIFY THE SELECTION OF SINGER, LEWAK, GREENBAUM & GOLDSTEIN LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS

The Board has selected Singer, Lewak, Greenbaum & Goldstein LLP, independent public accountants, as independent auditors for the Company for 2002. A resolution is being submitted to shareholders at the meeting for ratification of such selection and the accompanying proxy will be voted for such ratification, unless instructions to the contrary are indicated therein. Although ratification by shareholders is not a legal prerequisite to the Board's selection of Singer, Lewak, Greenbaum & Goldstein LLP as the Company's independent public accountants, the Company believes such ratification to be appropriate. If the shareholders do not ratify the selection of Singer, Lewak, Greenbaum & Goldstein LLP, the selection of independent public accountants will be reconsidered by the Board; however, the Board may select Singer, Lewak, Greenbaum & Goldstein LLP, notwithstanding the failure of the shareholders to ratify its selection.

The Board expects that representatives of Singer, Lewak, Greenbaum & Goldstein LLP will be present at the meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Singer, Lewak, Greenbaum & Goldstein LLP has been the Company's independent public accountants since 1996. For the fiscal year ended August 31, 2000, Singer, Lewak, Greenbaum & Goldstein LLP performed audit and other services for the Company including consultations during the year on matters related to accounting, financial reporting and the review of financial and related information that was included in filings with the Securities and Exchange Commission.

Edgar Filing: SIMULATIONS PLUS INC - Form DEF 14A

The appointment of auditors is approved annually by the Board.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters to be presented at the annual meeting other than those described above. However, if any other matters properly come before the meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board of Directors.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 as amended (the "Exchange Act") requires the Company's officers and directors, and persons who own more than ten percent of its Common Stock to file reports of ownership and changes of ownership with the Securities and Exchange Commission and NASDAQ. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from such persons that no Forms 5 were required to be filed, the Company believes that all Section 16(a) filing requirements for the fiscal year ended August 31, 2001 were met, except that the Company's directors Richard R. Weiss and David Z. D'Argenio inadvertently failed to file a Form 4 on a timely basis with respect to the grant of options to purchase shares of Common Stock representing one transaction.

By Order of the Board of Directors

Secretary

AUDIT COMMITTEE CHARTER

ORGANIZATION:  
-----

The audit committee shall be composed of directors, the majority of whom are independent of the management of the corporation and are free of any relationship that, in the opinion of the board of directors, would interfere with their exercise of independent judgment as a committee member.

STATEMENT OF POLICY:  
-----

## Edgar Filing: SIMULATIONS PLUS INC - Form DEF 14A

The audit committee shall provide assistance to the corporate management in fulfilling their responsibility to the shareholders, potential shareholders, and investment community on matters relating to corporate finances. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent auditors, and the financial management of the corporation.

### RESPONSIBILITIES:

-----

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of high quality.

In carrying out these responsibilities, the audit committee will:

- o Review and recommend to the management the independent auditors to be selected to audit the financial statements of the corporation and its subsidiaries.
- o Review with the independent auditors, the company's management, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Further, the committee periodically should review company policy.
- o Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.
- o Provide sufficient opportunity for independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
- o Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
