PONTE NOSSA ACQUISITION CORP.
Notes to Unaudited Financial Statements
June 30, 2002

NOTE 1 - BASIS OF PRESENTATION

The accompanying unaudited financial statements of Ponte Nossa Acquisition Corp. (the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and the instructions to form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments, consisting of normal recurring items, necessary for a fair presentation have been included. Operating results for the three and six months ended June 30, 2002 are not necessarily indicative of the results for any future period. These statements should be read in conjunction with the Company's financial statements and footnotes thereto included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2001.

NOTE 2 - BASIC AND DILUTED NET LOSS PER SHARE

Net loss per share is calculated in accordance with Statement of Financial Accounting Standards 128, Earnings Per Share ("SFAS 128"), which superseded Accounting Principles Board Opinion 15 ("APB 15"). Basic earnings per share is calculated using the weighted-average number of outstanding common shares during the period. Diluted earnings per share is calculated using the weighted-average number of outstanding common shares and dilutive common equivalent shares outstanding during the period, using either the as-if-converted method for convertible notes and convertible preferred stock or the treasury stock method for options and warrants. At June 30, 2002 and 2001 there were no dilutive convertible shares, stock options or warrants.

NOTE 3 - NOTES RECEIVABLE

The notes receivable balance includes a \$236,000 senior promissory note plus accrued interest of \$1,180 from VisiJet Inc., ("VisiJet"), a privately held ophthalmic device company. The note was received in May 2002 in exchange for providing working capital funding to VisiJet. The note plus accrued interest, which matures in May 2003, is payable upon the earlier of i) the date on which the closing of the transactions of the merger agreement by and between the Company and VisiJet, ii) termination of the merger agreement, iii) sale of the Company or iv) the maturity date. The recoverability of the note is evaluated at

Edgar Filing: PONTE NOSSA ACQUISITION CORP - Form 10QSB

least annually considering the projected future cash flow of the VisiJet.

NOTE 4 - NOTES PAYABLE

In May 2002, the Company issued a senior secured promissory note in the aggregate principal amount of \$236,000, receiving net proceeds of \$236,000. Interest on the note is stated at 3% per annum. The net proceeds from the note issuance were subsequently loaned to VisiJet in order to fund the working capital requirements of VisiJet as set forth in VisiJet's budget (see Note 3). Principal and accrued interest are payable on the earlier of i) the date on which the closing of the transactions of the merger agreement by and between the Company and VisiJet, ii) termination of the merger agreement, iii) sale of the Company or iv) the maturity date in May 2003. The note is collateralized by a security interest in certain assets and common stock of the Company. As of June 30, 2002 senior secured promissory notes payable amounts to \$237,180, including accrued interest of \$1,180.

NOTE 5 - RELATED PARTY TRANSACTIONS

The Company's largest shareholder, Financial Entrepeneurs Incorporated ("FEI"), has funded certain expenditures of the Company. On April 14, 2002, the Company entered into a Promissory Note with FEI for amounts loaned to the Company bearing an interest rate of 7.5% per annum. As of June 30, 2002, current due to related parties in the Company's balance sheet amounts to \$196,589, including accrued interest of \$3,389.

NOTE 6 - GOING CONCERN

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate continuation of the Company as a going concern. Additional capital infusion is necessary in order to fund current expenditures, acquire business opportunities and achieve profitable operations. This factor raises substantial doubt about the Company's ability to continue as a going concern.

The Company's management intends to continue funding current expenditures by means of contributions to capital and to raise additional funds through equity offerings. However, there can be no assurance that management will be successful in this endeavor.

Ponte Nossa Acquisition Corp., a Delaware corporation (the "Company") was formed on April 21, 1997. The Company has been inactive and has had no significant operations. and warrants for \$150,000 with a single investor. The investor received 135,000 shares of common stock, and warrants for an additional 135,000 shares, exercisable over a five year term. The initial exercise price of the warrants is \$2.50 per share, which escalates at the rate of \$0.50 per year.

The Company used the proceeds for general working capital, administrative expenses, legal and accounting fees.

Additionally in May 2002, the Company announced it received \$236,000 in a bridge loan in connection with the completion of its proposed merger with Visijet, Inc., a privately held ophthalmic device company. This initial funding of \$236,000 was provided through Wharton Equity Partners, a New York based company specializing in emerging growth investments.
