PROXY STATEMENT

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

To Be Held On February 1, 2005

THE ANNUAL MEETING

Our Board of Directors is soliciting proxies for use at the Annual Meeting of Stockholders to be held at our offices at 61 Mooney Street, Cambridge, Massachusetts 02138 on Tuesday, February 1, 2005 and at any adjournment of the Annual Meeting. This proxy statement explains the agenda, voting information and procedures. Please read it carefully.

At the Annual Meeting, a proposal to elect Messrs. Sheldon L. Bloch, Jerome Goldstein and Mark Skaletsky and Drs. Michael D. Loberg, Brian J.G. Pereira, Edward B. Roberts and Theodore I. Steinman as directors will be subject to a vote of stockholders.

In this proxy statement, references to "the Company," "Advanced Magnetix," "we," "us," or "our" mean Advanced Magnetix, Inc.

WHO IS ENTITLED TO ATTEND AND VOTE AT THE ANNUAL MEETING?

December 8, 2004 was the record date, the Record Date, for the determination of stockholders entitled to attend and vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of common stock held by such stockholder on the Record Date.

WHAT MATERIALS SHOULD I BE RECEIVING IN CONNECTION WITH THE MEETING?

Our Annual Report, including audited financial statements for the fiscal year ended September 30, 2004, is being mailed to you along with this proxy statement. This proxy statement and accompanying form of proxy will first be mailed to stockholders on or about December 20, 2004.

In order to reduce printing and postage costs, ADP Investor Communication Services has undertaken an effort to deliver only one Annual Report and one proxy statement to multiple stockholders sharing an address. This delivery method, called "householding," is not being used, however, if ADP has received contrary instructions from one or more of the stockholders sharing an address. We do not provide for householding directly for stockholders of record. If your household has received only one Annual Report and one proxy statement, Advanced Magnetix will deliver promptly a separate copy at no charge of the Annual Report and the proxy statement to any stockholder who sends a written request to Investor Relations, Advanced Magnetix, Inc., 61 Mooney Street, Cambridge, MA 02138-1038 or calls our Investor Relations Department at (617) 497-2070 and requests a separate copy. You may also notify ADP that you would like to receive separate copies of Advanced Magnetix' Annual Report and proxy statement in the future by writing or calling your bank or broker. Even if your household has received only one Annual Report and one proxy statement, a separate proxy card should have been provided for each stockholder account. Each proxy card should be signed, dated, and returned in the enclosed self-addressed envelope. If your household has received multiple copies of Advanced Magnetix' Annual Report and proxy statement, you may request the delivery of single copies in the future by completing the enclosed consent, if applicable, or writing or calling ADP directly.

WHAT CONSTITUTES A QUORUM AT THE MEETING?

The representation in person or by proxy of at least a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business. As of the Record Date, there were 7,992,054 shares of our common stock outstanding. For purposes of determining whether a quorum exists, votes withheld from any nominee, abstentions and broker "non-votes" (described below) are counted as present or represented.

HOW DO I VOTE BY PROXY?

Your vote is very important to us. Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign and date the enclosed proxy card and return it in the envelope provided. No postage is required if your proxy card is mailed in the United States.

Where you have specified a choice on the accompanying proxy card with respect to the proposals, your shares will be voted in accordance with your specifications. If you sign the proxy card but do not make specific choices, your shares will be voted in favor of the proposals.

If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, your shares will be voted in accordance with the judgment of the persons named in your proxy. At present, the Board of Directors knows of no other matters to be presented at the Annual Meeting.

WHAT IF I GET MORE THAN ONE PROXY CARD?

This means that you have more than one account at the transfer agent and/or with a broker. Please sign and return all proxy cards to be sure that all of your shares are voted.

CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?

A large number of banks and brokerage firms are participating in the ADP Investor Communication Services online program. This program provides eligible stockholders the opportunity to vote via the Internet or by telephone. If your bank or brokerage firm is participating in ADP's program, your voting form will provide instructions. If your voting form does not reference Internet or telephone information, please complete and return the paper proxy card in the self-addressed, postage-paid envelope provided.

HOW DO I VOTE IF MY SHARES ARE HELD BY MY BROKER?

If your shares are held by your broker in "street name," you will need to instruct your broker how to vote your shares in the manner provided by your broker. Your broker may also offer electronic or telephonic voting, as described above.

WHAT DISCRETION DOES MY BROKER HAVE TO VOTE MY SHARES HELD IN "STREET NAME"?

Most brokers would be permitted to vote your shares with respect to the election of directors even if they do not receive instructions from you in a timely manner, so long as they hold your shares in their name and have requested your instructions. There are, however, certain matters with respect to which brokers do not have such discretionary authority. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because it did not have discretionary authority to do so and did not receive specific voting instructions from the beneficial owner. Such "non-votes" will be counted in determining whether there is a quorum.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You may change your vote at any time before the proxy is exercised by delivering written notice to the Secretary of the Company "revoking" your earlier vote, submitting to our transfer agent a properly completed and signed proxy card with a later date or voting in person at the Annual Meeting.

HOW DO I VOTE IN PERSON?

If you plan to attend the Annual Meeting and vote in person, we will give you a ballot or a new proxy card when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on December 8, 2004, the Record Date for voting at the Annual Meeting. Positive identification will be required to vote your shares in person.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

For the election of directors. Our directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Annual Meeting. If you do not vote for a particular nominee, or you withhold authority for one or all nominees, your vote will not count either "for" or "against" the nominee, although it will be counted for purposes of determining whether there is a quorum.

For other matters. The affirmative vote of the holders of a majority of the shares of common stock present or represented, and voting, at the Annual Meeting is required for approval of all other matters, if any, to be submitted to stockholders at the Annual Meeting. Abstentions and broker "non-votes" are not considered to have been voted on any matter and have the practical effect of reducing the number of affirmative votes required to achieve a majority for such matter. At present, the Board of Directors knows of no other matters to be presented for stockholder action at the Annual Meeting.

HOW IS THE COMPANY SOLICITING PROXIES AND COUNTING VOTES?

We will bear all costs of solicitation of proxies. In addition, we have retained Georgeson Shareholder to act as a proxy solicitor in connection with the Annual Meeting. We have agreed to pay approximately \$1,500 to Georgeson Shareholder for proxy solicitation services. In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone and personal interviews. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and we will reimburse them for their out-of-pocket expenses in connection with this process.

Votes will be tabulated by American Stock Transfer and Trust Company as Transfer Agent/Registrar of the Company.

WHAT IS THE DEADLINE FOR SUBMISSION OF STOCKHOLDER PROPOSALS?

If you wish to submit proposals to be included in our fiscal year 2005 proxy statement, we must receive such proposals at our principal executive offices not later than August 21, 2005. Proposals must satisfy the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934, or the Exchange Act. The deadline for providing us with timely notice of matters that you otherwise desire to introduce at our next annual meeting of stockholders is November 4, 2005. Under the rules of the Securities and Exchange Commission, or SEC, the persons chosen by us to serve as proxies will be permitted to exercise their discretionary voting authority to direct the voting of proxies on any matter submitted for a vote at the next annual meeting of stockholders if notice concerning proposal of such matter was not received on or prior to November 4, 2005. In order to curtail any controversy as to the date on which a proposal was received by us, we suggest that you submit your proposals by registered mail, return receipt requested.

INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

THE BOARD OF DIRECTORS

HOW OFTEN DID THE BOARD MEET IN FISCAL YEAR 2004 AND HOW MANY OF THE DIRECTORS ARE INDEPENDENT?

The Board of Directors met five times during the fiscal year ended September 30, 2004 and took action by written consent four times. With the exception of Dr. Pereira, who did not serve as a director of the Company during the entire fiscal year ended September 30, 2004, each director attended at least 75% of the meetings of the Board and of the committees of the Board on which he served. Dr. Pereira attended all of the meetings during the fiscal year ended September 30, 2004 that occurred since he joined the Board in July 2004 to fill the vacancy created by the retirement of Dr. George Whitesides. It is our policy that our directors are expected to attend each annual meeting of stockholders. All of our directors attended the annual meeting for the fiscal year ended September 30, 2003. Other than Mr. Goldstein, each director is "independent" as such term is defined in the listing standards of the American Stock Exchange. The Board has affirmatively determined that no independent director has any material relationship with us that would interfere with the exercise of independent judgment.

In addition, our independent directors meet regularly and at least annually in executive session without the presence of non-independent directors and management.

WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

Under our by-laws, our Board of Directors may designate committees composed of members of the Board to exercise the power and authority of the Board in the management of the business and affairs of the Company, subject to limitations imposed by law. Our Board has a standing Audit Committee, composed of Sheldon L. Bloch, Michael D. Loberg and Edward B. Roberts, each of whom is "independent" as such term is defined in the listing standards of the American Stock Exchange and the rules of the SEC. Our Board has adopted a charter for the Audit Committee and it is available on our website at www.advancedmagnetics.com, under the heading "Investors"; however, information found on our website is not incorporated by reference into this proxy statement. Our Board has determined that each of Mr. Bloch, Dr. Loberg and Dr. Roberts qualifies as an "audit committee financial expert" as defined by SEC regulations. Among other duties, the Audit Committee evaluates and selects our independent auditors, reviews the audited financial statements and discusses the adequacy of our internal control over financial reporting with management and the auditors. The Audit Committee also supervises the relationship between the Company and our outside auditors, reviews the scope of both audit and non-audit services and related fees, and evaluates the independence of the outside auditors. The Audit Committee conducted seven formal meetings during the fiscal year ended September 30, 2004 and took action by written consent one time.

In November 2003, our Board established a "Qualified Legal Compliance Committee" within the meaning of the rules of the SEC that is responsible for the receipt, retention and consideration of reports from our legal counsel of material violations of law by the Company's directors, officers, employees or agents. The committee, which is composed of Messrs. Bloch and Skaletsky and Drs. Loberg, Roberts, Pereira and Steinman, did not meet during the fiscal year ended September 30, 2004.

Our Board did not have standing nomination or compensation committees or committees performing similar functions during the fiscal year ended September 30, 2004. Nominations for the election of directors at the Annual Meeting were made by our Board based upon the unanimous recommendation of our independent directors.

On November 9, 2004, our Board established a Nominating Committee composed of Messrs. Bloch and Skaletsky and Drs. Loberg, Roberts, Pereira and Steinman, each of whom is "independent" as such term is defined in the listing standards of the American Stock Exchange. Our Board has adopted a

charter for such committee and it is available on our website at www.advancedmagnetics.com, under the heading "Investors"; however, information found on our website is not incorporated by reference into this proxy statement. The responsibilities of our Nominating Committee include the identification of individuals qualified to become members of our Board and selecting or recommending the director nominees for each annual meeting of stockholders or when vacancies occur.

In considering candidates to serve as directors, the Nominating Committee will consider all factors it deems relevant, including: intelligence; personal integrity and sound judgment; business and professional skills and experience; familiarity with our business and the industry in general; independence from management; ability to devote sufficient time to Board business; commitment to regularly attend and participate in meetings of our Board and its committees; and concern for the long-term interests of the stockholders. In seeking candidates for directors, members of our Nominating Committee may (1) use their business, professional and personal contacts; (2) accept the recommendations from other Board members, stockholders or management; and/or (3) engage a professional search firm.

CAN STOCKHOLDERS MAKE RECOMMENDATIONS FOR NOMINEES AS DIRECTORS?

Our Nominating Committee will consider candidates for nominees as directors who are recommended by stockholders. Previously we did not have a formal procedure for stockholders to make recommendations of nominees to our Board of Directors. A stockholder wishing to make a recommendation of a nominee should write to our General Counsel, c/o Advanced Magnetics, Inc. at our principal executive offices at 61 Mooney Street, Cambridge, MA 02138 no later than November 4, 2005. Such communication should (1) describe why the candidate meets the Board's criteria described above; (2) include the candidate's and recommender's names and addresses and provide biographical information about the recommended candidate that would be required if the candidate were to be nominated; and (3) include the proposed nominee's written consent to serve as a nominee, if nominated, and as a director, if elected. The Board may request additional information from either the stockholder making the recommendation or the person recommended. Stockholder recommendations that meet the requirements set forth above will be considered using the same criteria as other candidates considered by our Nominating Committee.

We have not received any stockholder recommendations or nominations with respect to the Annual Meeting, except the nominations made by our Board, which includes members who are stockholders. We did not pay any third party to identify or assist in the evaluation of any candidate for election to our Board.

HOW CAN I COMMUNICATE WITH THE BOARD?

Our Board believes it is important for security holders to send communications to the Board of Directors. Accordingly, any security holder who desires to communicate with our independent directors or any other directors, individually or as a group, may do so by e-mailing the party to whom the communication is intended at contactus@advancedmagnetics.com or by writing to the party for whom the communication is intended, care of our General Counsel, Advanced Magnetics, Inc., 61 Mooney Street, Cambridge, Massachusetts 02138. Our General Counsel will then deliver any communication to the appropriate party or parties.

HOW ARE THE COMPANY'S DIRECTORS COMPENSATED?

During the fiscal year ended September 30, 2004, we paid cash compensation to the non-employee members of the Board for each member's service as follows: (1) a retainer of \$2,000 per quarter for service as a director; (2) a fee of \$1,000 for participation in each committee meeting; and (3) an additional fee of \$1,000 annually for service as the Chairman of the Audit Committee.

On November 2, 2004 and November 4, 2003, each non-employee member of the Board of Directors was granted an immediately exercisable option to purchase 8,000 shares of our common stock under the terms of our 2000 Stock Plan. Non-employee directors then in office will also receive an immediately exercisable option to purchase 8,000 shares of common stock on the first Tuesday in November of 2005 and 2006, provided that sufficient shares remain under the 2000 Stock Plan for such grants. The exercise price of options granted under the 2000 Stock Plan is the fair market value of our common stock on the close of business on the date the option was granted (subject to adjustment for any dividend, stock split or other relevant change in our capitalization). In addition, on July 26, 2004, the date of his appointment to our Board, Dr. Pereira was granted an option to purchase 15,000 shares of common stock under the terms of our 2000 Stock Plan, 3,000 of which were exercisable immediately with the remainder exercisable in four equal installments on each of the first four anniversaries of the date of his appointment to the Board.

Directors are also eligible for additional discretionary option and other equity-based grants under the terms of our 2000 Stock Plan.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock, referred to herein as "Reporting Persons", to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock. Such persons are required by regulations of the SEC to furnish us with copies of all such filings. Except for Marlene Kaplan Goldstein who filed a late Form 3, based on our review of the copies of such filings received by us with respect to the fiscal year ended September 30, 2004, and written representations from our directors and executive officers who served in such capacity during the fiscal year ended September 30, 2004, we believe that all Reporting Persons complied with all Section 16(a) filing requirements for the fiscal year ended September 30, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Rachel Konforty, the daughter of Jerome Goldstein, our Chairman of the Board, Chief Executive Officer, President and Treasurer, is employed by us as General Counsel and Lisa Gordon, also the daughter of Mr. Goldstein, is employed by us as Vice President of Business Development. Ms. Konforty and Ms. Gordon are currently being paid an annual salary of \$120,000 and \$148,000, respectively, and are eligible for employee benefits plans and programs available generally to all salaried employees, including option grants.

During 1991, a split-dollar life insurance policy on the lives of Jerome Goldstein, our Chairman of the Board, Chief Executive Officer, President and Treasurer, and his wife Marlene Kaplan Goldstein, our Secretary, was established with a trust for the benefit of the family members of our Chief Executive Officer and his spouse as beneficiary. The intent of the policy was to provide liquidity to the estates of the Chief Executive Officer and his spouse, whose primary assets at the time were holdings of common stock in the Company, which represented approximately 24% of the shares outstanding at the time, so that the trust would not be forced to sell shares, potentially creating downward pressure on the share price. We paid the premiums related to the life insurance policy, excluding the pure term life protection portion of the premiums, which was paid by the trust. In September 2003, we decided to terminate the policy, whose cash surrender value at the time was \$1,004,137. In October 2003, we received \$761,747 of this amount as a reimbursement for the premiums we paid and the remainder was remitted to the trust.

LIMITATION OF LIABILITY AND INDEMNIFICATION

Our certificate of incorporation provides that we shall indemnify our directors and officers to the fullest extent that Delaware law permits. Delaware law permits a corporation to indemnify any director, officer, employee or agent made or threatened to be made a party to any pending or completed proceeding if the person acted in good faith and in a manner that the person reasonably believed to be in the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe that his or her conduct was unlawful. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law. Delaware law provides that directors will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except liability for:

any breach of their duty of loyalty to the corporation or its stockholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions; or

any transaction from which the director derived an improper personal benefit.

This provision has no effect on any non-monetary remedies that may be available to us or our stockholders, nor does it relieve us or our officers or directors from compliance with federal or state laws.

In addition, our directors are parties to indemnification agreements that provide specific contractual assurance that the indemnification protection promised by our certificate of incorporation and by-laws will be available.

Also, as permitted by our certificate of incorporation, we have purchased and maintain insurance on behalf of our directors and officers for any liability arising out of their actions in that capacity, regardless of whether our certificate of incorporation would otherwise permit indemnification for that liability.

CODE OF ETHICS

Our Board of Directors has adopted a Code of Ethics applicable to all of our employees and directors and it is available on our website at www.advancedmagnetics.com, under the heading "Investors"; however, information found on our website is not incorporated by reference into this proxy statement. Any amendments to or waivers of the Code of Ethics that apply to the Company's principal executive officer, principal financial officer or principal accounting officer and that relates to any element of the definition of the term "code of ethics," as that term is defined by the SEC, will be posted on our website at the address above.

- (1) Excludes perquisites and other personal benefits, the aggregate annual amount of which for each officer was less than the lesser of \$50,000 or 10% of the total salary and bonus reported.
- (2) We did not grant any restricted stock awards or stock appreciation rights or make any long-term incentive plan payouts during the fiscal years ended September 30, 2004, 2003 and 2002.
- (3) Represents amount contributed by the Company for the benefit of such individual to our 401(k) plan.

401(k) Plan

We have adopted a 401(k) plan. Participants in our 401(k) plan may contribute a portion of their total annual compensation, not to exceed the specified statutory limit. The 401(k) plan permits, but does not require, us to make contributions to the 401(k) plan on behalf of our employees. Our current practice is to match every dollar of an employee's contributions up to the first 6% of an employee's compensation with a total maximum matching contribution of \$2,000. All contributions to the 401(k) plan by or on behalf of employees are subject to the aggregate annual limits prescribed by the Internal Revenue Service.

Option Grants in the Last Fiscal Year

The following table sets forth grants to the Named Executive Officers of stock options during the fiscal year ended September 30, 2004:

(1) No stock appreciation rights, referred to in the above table as SARs, were granted in the fiscal year ended September 30, 2004.

(2) Amounts reported in these columns represent amounts that may be realized upon exercise of the options immediately prior to the expiration of their term assuming the specified compounded rates of appreciation (5% and 10%) on our common stock over the term of the options. These numbers are calculated based on rules promulgated by the SEC and do not reflect our estimate of future stock price growth. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the timing of such exercise and the future performance of our common stock. The rates of appreciation assumed in this table are illustrative only and may not be achieved. The amounts reflected may not be received by the individuals.

(3) Options granted under our 2000 Stock Plan at an exercise price equal to the fair market value of our common stock on the date of grant. The options have a term of ten years from the date of grant and become exercisable as to 25% of the shares on each of the first four anniversaries of the date of grant until such options are fully exercisable.

Option Exercises and Fiscal Year-End Values

The following table sets forth information with respect to options to purchase our common stock held by each Named Executive Officer, including (i) the number of shares of common stock purchased upon exercise of options in fiscal year 2004, (ii) the net value realized upon such exercise, (iii) the number of unexercised options outstanding at September 30, 2004 and (iv) the value of such unexercised options at September 30, 2004:

**AGGREGATED OPTION/SAR EXERCISES IN LAST FISCAL YEAR AND
SEPTEMBER 30, 2004 OPTION/SAR VALUES**

Name	Shares Acquired on Exercise(#)	Value Realized \$(1)	Number of Securities Underlying Unexercised Options/SARs at September 30, 2004 (#)		Value of Unexercised In-The-Money Options/SARs at September 30, 2004 \$(2)	
			Exercisable	Unexercisable	Exercisable	Unexercisable

Rachel Konforty.	0	0	2,000	28,000	17,640	164,830

(1)

Amounts disclosed in this column do not reflect amounts actually received by the Named Executive Officers but are calculated based on the difference between the fair market value of the Company's common stock on the date of exercise and the exercise price of the options. The Named Executive Officers will receive cash only if and when they sell the common stock issued upon exercise of the options, and the amount of cash received by such individuals is dependent on the price of the Company's common stock at the time of such sale.

(2)

Value is based on the difference between the option exercise price and the fair market value at September 30, 2004 (\$13.96 per share as quoted on the American Stock Exchange) multiplied by the number of shares underlying the option.

REPORT ON EXECUTIVE COMPENSATION BY THE BOARD OF DIRECTORS**WHAT IS OUR EXECUTIVE COMPENSATION PHILOSOPHY?**

During the fiscal year ended September 30, 2004, the Board of Directors was responsible for establishing and administering the Company's executive compensation programs. The Company's executive compensation policies rely on regular cash salaries and significant equity incentives in the form of stock options. Determinations of compensation of our executive officers for the fiscal year ending September 30, 2005 will be made by our independent directors, and Mr. Goldstein will not be present during deliberations about, nor determinations of, his compensation.

Salaries of the highest paid executive officers who served the Company during the fiscal year ended September 30, 2004 are listed on the Summary Compensation Table found on page 13. On an annual basis, the Board of Directors reviews the salaries of the Company's executive officers and, while it is not required to, the Board may in its discretion increase their salaries. The Board has typically adjusted the compensation of each of the executives by the same percentage amount. The amount of the annual increases has historically reflected the Board's subjective assessment of the salary level necessary for the Company to remain at the approximate median in compensation levels when compared to other biopharmaceutical companies of comparable size and geographical location (which together comprise a subset of the Company's Peer Group Indexes referred to in the Stock Performance Graph below), and the Board's subjective judgment as to Company performance. In fiscal year 2004, the Board determined the Company's performance primarily by reference to the progress of the

Company's product development efforts, including efforts toward obtaining approval for one of the Company's product candidates and the progression of clinical trials for another of the Company's product candidates in two indications. The Board determined to grant the Named Executive Officers the compensation disclosed in the Summary Compensation Table found on page 13.

In order to align the interests of executives and other employees with stockholders and motivate them to work for the long-term growth of the Company, the Company provides significant stock option grants to its employees. Executives are typically considered once a year for stock option grants, and it is the Company's policy to weight total compensation heavily toward equity compensation through stock options. Options are generally granted at fair market value and become exercisable ratably over a four-year period. The actual number of stock options granted to executives is not determined pursuant to a formula, but rather they are awarded subjectively by the Board in its discretion. The Board determined to grant the Named Executive Officers the number of options disclosed in the Option/SAR Grants in Last Fiscal Year table found on page 14.

Section 162(m) of the Internal Revenue Code prohibits the Company from deducting compensation paid in any year to certain executives in excess of \$1 million but does not subject performance-based compensation to this limit. While the Board of Directors intends to design certain components of executive compensation to preserve deductibility under Section 162(m) of the Internal Revenue Code, it believes that stockholder interests are best served by not restricting the Board's or independent directors' discretion and flexibility in crafting compensation programs, even though such programs may result in certain non-deductible compensation expenses. Accordingly, the Board has from time to time approved, and the Board or the Company's independent directors may in the future approve, compensation arrangements for certain officers, including the grant of stock options, that may not be fully deductible for federal corporate income tax purposes in the future due to the valuation of such compensation at the time of realization.

HOW WAS THE COMPANY'S CHIEF EXECUTIVE OFFICER COMPENSATED IN FISCAL YEAR 2004?

The compensation of the Chief Executive Officer has typically been adjusted annually by a percentage within the range of percentage increases for all of the Company's employees. In exercising its discretion, the Board takes into consideration, among other things, the Company's progress in achieving the goals of the Board of Directors (focusing in recent periods on the Company's product development, clinical trial progress and marketing strategies), and the compensation packages of executive officers of comparable companies of similar size in the biopharmaceutical industry.

As a result of the Company's performance and his individual contribution, Jerome Goldstein was awarded the amounts reflected in the Summary Compensation Table on page 13 in fiscal year 2004.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

We do not have a compensation committee. Our Board was responsible for determining compensation of our executive officers. During the fiscal year ended September 30, 2004, Jerome Goldstein, our Chairman of the Board of Directors, Chief Executive Officer, President and Treasurer,

participated in the establishment and administration of our executive compensation programs. No other officer or employee participated in our Board's deliberations regarding executive officer compensation. Mr. Goldstein abstained from voting with respect to decisions concerning his compensation as an executive officer of the Company. As discussed above, determinations of compensation of our executive officers for the fiscal year ending September 30, 2005 will be made by our independent directors, and Mr. Goldstein will not be present during deliberations about, nor determinations of, his compensation.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of Sheldon L. Bloch, Michael D. Loberg and Edward B. Roberts. No member of the Audit Committee is an officer or employee of the Company, and aside from being a director and stockholder of the Company, each is otherwise "independent" of the Company as such term is defined in the listing standards of the American Stock Exchange and the rules of the SEC. In addition, each member of the Audit Committee is an "audit committee financial expert" as defined by SEC regulations and at least one member has accounting or financial employment experience or other comparable experience or background, as required by the American Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors and it is available on our website at www.advancedmagnetics.com, under the heading "Investors"; however, information found on our website is not incorporated by reference into this proxy statement.

The Audit Committee has reviewed the Company's audited financial statements at September 30, 2004 and September 30, 2003 and for each of the three fiscal years ended September 30, 2004, and has discussed them with both management and PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. The Audit Committee has reviewed and discussed with PricewaterhouseCoopers LLP, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, their judgments as to matters related to the conduct of the audit of the Company's financial statements and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, "Communications with Audit Committees," as currently in effect. The Audit Committee has met with PricewaterhouseCoopers LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. The Audit Committee has received the written disclosures and the letter from the PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as currently in effect. The Audit Committee has discussed with PricewaterhouseCoopers LLP that firm's independence from management and the Company and considered the compatibility of the firm's provision of non-audit services with maintaining the firm's independence and found the provision of such services to be compatible with the firm's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2004 for filing with the SEC.

STOCK PERFORMANCE GRAPH

The following graph compares the yearly percentage change in the cumulative total stockholder return on our common stock during the five fiscal years ended September 30, 2004 with the cumulative total return on the American Stock Exchange Market Value Index and our Peer Groups based on SIC Code 2834 (pharmaceutical preparations) and SIC Code 2835 (in vitro and in vivo diagnostic substances). The comparisons assume \$100 was invested on September 30, 1999 in our common stock, in the American Stock Exchange Market Value Index and with our Peer Groups, and assumes reinvestment of dividends, if any. This is the first time we have included a Peer Group based on SIC Code 2835. We believe the Peer Groups based on both SIC 2835 and SIC 2834 more accurately reflect the business markets in which we currently operate. The Peer Group used in our proxy statement relating to the 2003 annual meeting was based on SIC Code 2834.

No further grants may be made under the 1993 Stock Plan, the 1992 Non-Employee Director Stock Option Plan or the 1993 Non-Employee Director Stock Option Plan.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has selected the firm of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the 2005 fiscal year. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since our inception in November 1981. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

The fees billed during the 2003 and 2004 fiscal years by PricewaterhouseCoopers LLP for services provided to us were as follows:

	2003	2004
Audit Fees(1):	\$ 96,500	\$ 89,200
Audit-Related Fees:	0	0
Tax Fees(2):	25,625	9,875
All Other Fees:	0	0
Total	\$ 122,125	\$ 99,075

- (1) Audit fees consisted of audit work performed in the preparation of financial statements, as well as work generally only our independent registered public accounting firm can reasonably be expected to provide, such as statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.
- (2) Tax fees consisted of fees related to tax compliance, tax planning and tax advice. This includes preparation of tax returns for the Company, refund claims, payment planning and tax audit assistance.

All services to be rendered by PricewaterhouseCoopers LLP in fiscal year 2005 are permissible under applicable laws and regulations, and were pre-approved by the Audit Committee. The Audit Committee has approved the performance by PricewaterhouseCoopers LLP of certain non-audit services for fiscal year 2005. In addition, each member of the Audit Committee has the authority to approve any additional audit services and permissible non-audit services provided that such member informs the Audit Committee of such approval at its next regularly scheduled meeting. Pursuant to the rules of the SEC, the fees billed by PricewaterhouseCoopers LLP for services during fiscal years 2003 and 2004 are disclosed in the table above.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Consistent with policies of the SEC regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. The Audit Committee has approved the engagement of PricewaterhouseCoopers LLP on the specific terms set forth in an engagement letter and has approved the provision of certain other specific services, but has not implemented a pre-approval policy. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval by one or more of its members before engaging the independent registered public accounting firm.
