Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares for investment purposes in the ordinary course of their business of investing in securities for their own accounts or for more accounts over which the Reporting Persons have investment or voting power.

The Reporting Persons have maintained an ongoing dialogue with the Issuer's management regarding performance, allocation of capital and structural issues. The Reporting Persons expect to continue such dialogue with the Issuer, and with other interested persons, and in particular to address options available to the Issuer related to its global mortgage insurance assets, its U.S. mortgage insurance assets and its retirement and protection businesses. The Reporting Persons expect such discussions will address risk mitigation strategies, possible sale or spin of assets, and similar matters.

Depending on such discussions, market conditions and further developments or actions of the Issuer, the Reporting Persons may change their intentions or Share ownership stated herein, or propose actions that may affect the capital structure, management or ownership or control of the Issuer.

Nothing herein should be construed as limiting the Reporting Persons' ability and intention to further purchase, sell, lend, vote, dispose or otherwise deal in the Issuer's securities at times and in such manner as they deem advisable in pursuit of their investment purposes, including to benefit from changes in Share market prices resulting from actual or perceived developments in the Issuer's operations and management of the Issuer or its affiliates. To evaluate such alternatives, the Reporting Persons will perform ongoing analysis of the Issuer and may discuss such analysis with the Issuer's management or directors, other shareholders, industry analysts, investment and financing professionals, existing or potential strategic partners, competitors, sources of credit or investment banking firms. Such analysis and discussions may result in the Reporting Persons' modifying their ownership of Shares, exchanging information with

the Issuer or other persons, including pursuant to appropriate confidentiality or similar agreements, or holding discussions with third parties or with management in which the Reporting Persons may recommend or take a position with respect to potential changes in the Issuer's operations, management, governance or capital structure.

The Reporting Persons reserve the right to formulate, plan and/or make proposals, and take such actions with respect to their investment in the Issuer, including, subject to applicable law, (i) to hold its Shares as a passive investor or as an active investor (whether as a member of a group with other beneficial owners of Shares or otherwise), (ii) to acquire beneficial ownership of additional Shares in the open market, in privately negotiated transactions, or otherwise, (iii) to dispose of all or part of its holdings of Shares, or (iv) to change its intention with respect to any or all of the matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer.

(a) and (b) As of June 28, 2012, Highfields I, Highfields II and Highfields III owned beneficially 1,319,833, 4,384,722, and 19,655,885 Shares, respectively, representing approximately 0.3%, 0.9% and 4.0% respectively, of the 491,502,704 Shares of the Issuer's Class A common stock outstanding as reported in publicly available information.

As of the date hereof, Highfields Capital Management, Highfields GP, Highfields Associates and Mr. Jacobson, through their respective capacities in which they directly or indirectly control the Funds, have sole voting and dispositive power with respect to all 25,360,440 Shares, representing approximately 5.2% of the 491,502,704 Shares of the Issuer's Class A common stock outstanding as reported in publicly available information.

(c) Information with respect to all transactions in the Shares beneficially owned by the Reporting Persons which were effected during the past sixty days is set forth in Exhibit B attached hereto and incorporated herein by reference.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to the Securities of the Issuer.

Except as otherwise set forth in this Schedule 13D, none of the Reporting Persons has any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of the Issuer, including, but not limited to, any contract, arrangement, understanding or relationship concerning the transfer or voting of any securities of the Issuer, finder's fees, joint ventures, loan or option arrangements, puts or calls, guaranties of profits, division of profits or loss or the giving or withholding of proxies.

Each of the Funds holds a portion of its assets, which may include the Issuer's securities, in prime brokerage accounts at various institutions, which accounts provide the Funds with access to margin or other financing. The customer and related agreements governing such accounts generally provide the broker counterparty with security, collateral or similar rights of possession, sale or offset with respect to such account assets in the event of a customer default. Such agreements generally also provide the counterparty with rights to lend assets held in such account, in some cases without advance or other notification to the customer. To the extent the Issuer's securities owned by the Funds are held from time to time in such prime broker accounts they may be subject to such counterparty rights.

Each of the Funds has entered into cash settled equity swap and other similar derivatives transactions and contracts with one or more counterparties, the value of which is based in whole or in part on the value of the Issuer's securities. Each of the Funds has modified, added to and/or unwound certain of such contracts, and expects to do so in the future, including at times when it may be purchasing or selling Issuer securities which the Funds beneficially own. The profit and loss on such contracts is wholly or partially referenced to, and therefore calculated based on, the market value of the Issuer's securities, the relative value of such securities in comparison to one or more other financial instruments, indexes or securities, a basket or group of securities in which the Issuer's securities may be included, or a combination of any of the foregoing.

The equity swap contracts described above do not, and will not at any time, give the Reporting Persons voting or investment power over any Issuer securities referenced therein. Accordingly, the Reporting Persons disclaim beneficial ownership in any Issuer securities that may be referenced in such contracts or that may be held from time to time by any counterparties to such contracts. Based upon the relationships described herein, the Reporting Persons may be deemed to comprise a "group" within the meaning of Section 13(d)(3) of the Exchange Act, although neither the fact of this filing nor any of the information contained herein shall be deemed to be an admission by the Reporting

Persons that a group exists. Each Reporting Person disclaims beneficial ownership of the Shares beneficially owned by the other Reporting Persons.
