Exhibit Number	Description
The following exh	nibit is filed herewith:
Item 9.01	Financial Statements and Exhibits
selling, general changes becauservices, and we The impact of	ent of certain information technology (IT) infrastructure costs from administrative expenses, a subset of and administrative expenses, to cost of sales and research and development expenses. We made these se our general ledger integration has provided us increased visibility to the functional areas utilizing IT we believe that this new representation better aligns the IT costs with the functional areas they support, these movements is a reduction of gross margins, offset by an equal reduction of operating expenses, a line impact to the segments.
we have reflect	of certain fiscal 2005 organizational realignments. To provide improved visibility and comparability, ted these realignments in prior periods on an as-if basis. In any given quarter, no segment s operating more than \$8 million as a result of these realignments, with typical movements ranging from \$3 million
(IPG). This ad January the hea (IPSG) that is it reporting of IP	n of a new subtotal aggregating HP s Personal Systems Group (PSG) and Imaging and Printing Group Idition results from HP s January announcement that Vyomesh Joshi, Executive Vice President and until ad of IPG, now will manage both PSG and IPG in an organization called Imaging and Personal Systems intended to help drive common goals and processes across these two segments. The supplementary SG parallels HP s presentation of its Technology Solutions Group, which consists of the Enterprise ervers, HP Services and Software segments.
The new informat	ion reflected in the revised financial statements includes primarily the following:
HP s reporting to consolidated states 99.1 and reflect ch	of each fiscal year, HP conducts a review of its financial reporting structure and determines whether changes should be made to align financial reporting better with HP s business structure. Today, HP is releasing modified quarterly and year-to-date ments of operations, segment results and business unit revenue for fiscal 2003 and 2004, which are attached hereto as Exhibit ranges resulting from this review. None of the changes reflected in these modified financial statements impacts HP s and consolidated net revenue, earnings from operations or net earnings, or net earnings per share.
Item 2.02	Results of Operations and Financial Condition

99.1 Segment results, business unit revenue and consolidated statements of operations of Hewlett-Packard Company for fiscal 2003 and 2004.
