PLAN OF DISTRIBUTION

We are registering the shares on behalf of the selling stockholders. When we use the term "selling stockholders" in this prospectus, it includes donees, pledgees and other transferees who are selling shares received after the date of this prospectus from a selling stockholder whose name appears in "The Selling Stockholders."

Selling stockholders may sell shares from time to time in a number of ways, including:

- in block transactions;
- on the Nasdaq National Market or other national securities exchange on which the shares are traded;
- in the over-the-counter market;
- in negotiated transactions;
- through put or call option transactions relating to the shares;
- through short sales of shares (to extent required by law); or
- through a combination of these methods of sale, at market prices prevailing at the time of sale, at negotiated prices or at fixed prices.

The selling stockholders may sell shares in any manner permitted by law, including by selling shares directly to purchasers or to or through broker-dealers, which may act as agents or principals. These broker-dealers may receive compensation in the form of discounts, concessions or commissions from the selling stockholders and/or the purchasers of shares for whom such broker-dealers may act as agents or to whom they sell as principal, or both. The compensation paid to a particular broker-dealer might be in excess of customary commissions.

The selling stockholders and any broker-dealers who act in connection with the sale of shares may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act. Any commissions received by these broker-dealers and any profit on shares they resell while acting as principals may be deemed to be underwriting discounts or commissions under the Securities Act. Because selling stockholders may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act. We have informed the selling stockholders that the anti-manipulation provisions of Regulation M under the Exchange Act may apply to their sales in the market.

Selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided they meet the criteria and conform to the requirements of Rule 144.

If we are notified by a selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a supplement to this prospectus, if required, under Rule 424(b) under the Securities Act. The prospectus supplement will disclose:

- the names of the selling stockholder and the participating broker-dealer(s);
- the number of shares involved;
- the price at which the shares were sold;
- the commissions paid or discounts or concessions allowed to the broker-dealer(s), where applicable;
- that the broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus; and

Edgar Filing: ON ASSIGNMENT INC - Form S-3

- other facts material to the transaction.

In addition, if we are notified by a selling stockholder that a donee, pledgee or other transferee intends to sell more than 500 shares, we will file a supplement to this prospectus if required by law.

We will pay all costs, expenses and fees in connection with the registration of the shares. The selling stockholders will pay all brokerage commissions and similar selling expenses, if any, attributable to the sale of shares.

We have agreed to indemnify the selling stockholders against certain civil liabilities, including liabilities under the Securities Act. Such indemnification is included in the Agreement and Plan of Merger, dated January 3, 2007, as amended January 30, 2007.

Item 15. Indemnification of Officers and Directors.**Delaware Law**

Section 145 of the Delaware General Corporation Law, or the DGCL, permits a corporation, under specified circumstances, to indemnify its directors, officers, employees or agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties by reason of the fact that they were or are directors, officers, employees or agents of the corporation, if such directors, officers, employees or agents acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, i.e., one by or in the right of the corporation, indemnification may be made only for expenses actually and reasonably incurred by directors, officers, employees or agents in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they shall have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought shall determine upon application that the defendant directors, officers, employees or agents are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Our restated certificate of incorporation, as amended, provides that no director shall be personally liable to us or any of our stockholders for monetary damages resulting from breaches of their fiduciary duty as directors, except to the extent such limitation on or exemption from liability is not permitted under the DGCL. The effect of this provision of our certificate of incorporation is to eliminate our rights and those of our stockholders (through stockholders' derivative suits on our behalf) to recover monetary damages against a director for breach of the fiduciary duty of care as a director, including breaches resulting from negligent or grossly negligent behavior, except, as restricted by the DGCL:

- for any breach of the director's duty of loyalty to the company or its stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- in respect of certain unlawful dividend payments or unlawful stock purchases or redemptions; and
- for any transaction from which the director derives an improper personal benefit.

This provision does not limit or eliminate our rights or the rights of any stockholder to seek non-monetary relief, such as an injunction or rescission, in the event of a breach of a director's duty of care.

Edgar Filing: ON ASSIGNMENT INC - Form S-3

If the DGCL is amended to authorize corporate action further reducing or limiting the liability of directors, then, in accordance with our certificate of incorporation, the liability of our directors to us or our stockholders will be reduced or limited to the fullest extent authorized by the DGCL, as so amended. Any repeal or amendment of provisions of our restated certificate of incorporation, as amended, reducing or limiting the liability of directors, whether by our stockholders or by changes in law, will (unless otherwise required by law) be prospective only, except to the extent such amendment or change in law permits us to further reduce or limit the liability of directors on a retroactive basis.

Restated Certificate of Incorporation and Amended and Restated Bylaws

Our restated certificate of incorporation, as amended, provides that we are authorized, to the fullest extent permitted by applicable law, to indemnify our current and former directors or officers (and any other person to which the DGCL permits us to provide indemnification) through provisions in our bylaws, agreements with such directors, officers or other persons, the vote of stockholders or disinterested directors or otherwise, in each case, in excess of the indemnification and advancement rights otherwise permitted by Section 145 of the DGCL, subject only to limits created by applicable Delaware law (including the DGCL and case law), with respect to actions for breach of duty to the company, its stockholders and others.

Any repeal or modification of provisions of our certificate of incorporation affecting indemnification rights, whether by our stockholders or by changes in law, will (unless otherwise required by law) be prospective only, except to the extent such amendment or change in law permits us to provide broader indemnification rights on a retroactive basis, and will not in any way diminish or adversely affect any right or protection existing at the time of such repeal or modification with respect to any act or omission occurring prior to such repeal or modification.

The rights to indemnification and advancement of expenses shall not be deemed exclusive of any other rights which any person covered by our certificate of incorporation may have or hereafter acquire under law, our certificate of incorporation, our bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

Our amended and restated bylaws provide that we will, to the fullest extent authorized by applicable law, as such laws may be amended and supplemented from time to time, indemnify our current and former agents made, or threatened to be made, a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of being an agent of the company or a predecessor company or, at the company's request, a director or officer of corporation; provided, however, that the company shall indemnify any such agent in connection with a proceeding initiated by such agent only if such proceeding was authorized by the board of directors of the company. This right of indemnification shall (i) not be deemed exclusive of any other rights to which such indemnified parties may be entitled under any bylaw, agreement or vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such office, (ii) continue as to a person who has ceased to be an agent, and (iii) inure to the benefit of the heirs, executors and administrators of such a person. Our obligation to provide indemnification under our bylaws shall be offset to the extent of any other source of indemnification or any otherwise applicable insurance coverage under a policy maintained by the company or any other person.

Our amended and restated bylaws provide that expenses incurred by an agent of the company in defending a civil or criminal action, suit or proceeding by reason of the fact that he is or was an agent of the company (or was serving at the company's request as a director or officer of another corporation) shall be paid by the company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the company as authorized by relevant sections of the DGCL. Notwithstanding the foregoing, the company is not required to advance such expenses to an agent who is a party to an action, suit or proceeding brought by the company and approved by a majority of the members of the board of directors of the company which alleges willful misappropriation of corporate assets by such agent, disclosure of confidential information in violation of such agent's fiduciary or contractual obligations to the company or any other willful and deliberate breach in bad faith of such agent's duty to the company or its stockholders.

The foregoing right to indemnification conferred by our amended and restated bylaws is a contract right between the company and each agent who serves in such capacity at any time while the bylaws are in effect, and any repeal or modification thereof shall not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought based in whole or in part upon any such state of facts.

The board of directors, in its discretion, has the power on behalf of the company to indemnify any person, other than a director, made a party to any action, suit or proceeding by reason of the fact that he or she, his or her testator or intestate, is or was an officer or employee of the company.

To assure the indemnification under our amended and restated bylaws of all directors, officers and employees who are determined by the company or otherwise to be or to have been fiduciaries of any employee benefit plan of the corporation which may exist from time to time, Section 145 of the DGCL shall, for the purposes of our amended and restated bylaws, be interpreted as follows: (i) an other enterprise shall be deemed to include such an employee benefit plan, including, without limitation, any plan of the company which is governed by the Act of Congress entitled Employee Retirement Income Security Act of 1974, as amended from time to time; (ii) the company shall be deemed to have requested a person to serve an employee benefit plan where the performance by such person of his duties to the company also imposes duties on, or otherwise involves services by, such person to the plan or participants or beneficiaries of the plan; excise taxes assessed on a person with respect to an employee benefit plan pursuant to such Act of Congress shall be deemed fines.

Any repeal or modification of provisions of our amended and restated bylaws affecting indemnification rights, whether by our board of directors, stockholders or by changes in applicable law, will (unless otherwise required by law) be prospective only, except to the extent such amendment or change in law permits us to provide broader indemnification rights on a retroactive basis, and will not in any way diminish or adversely affect any right or protection existing thereunder with respect to any act or omission occurring prior to such repeal or modification.

Indemnification Agreements

We have entered into indemnification agreements with certain of our directors, officers and certain of our employees and/or agents pursuant to which we have agreed to indemnify and hold harmless such directors, officers, employees and/or agents to the fullest extent authorized or permitted by the DGCL. In addition, subject to certain exclusions set forth below, we have agreed to indemnify and hold harmless such directors, officers, employees and/or agents against any and all expenses (including attorneys fees), witness fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such indemnitee in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including an action by or in the right of the company) to which such indemnitee is, was or at any time becomes a party, or is threatened to be made a party, by reason of the fact that such indemnitee is, was or at any time becomes a director, officer, employee or agent of the company, or is or was serving or at any time serves at the request of the company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise; and otherwise to the fullest extent as may be provided under the non-exclusivity provisions of our Amended and Restated Bylaws and the DGCL.

Under these indemnification agreements, we are obligated under certain circumstances to advance expenses to certain of our directors, officers, employees and/or agents, subject to such directors, officers, employees and/or agents being required to repay such advances, if it is ultimately determined by a final and non-appealable judicial decision that such indemnitee was not entitled to such expenses under the DGCL, our amended and restated bylaws, the indemnification agreement or otherwise. All agreements to indemnify and hold harmless any such director, officer, employee or agent under such an indemnification agreement continues during the period in which such indemnitee is a director, officer, employee or agent of the company (or is or was serving at the company's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) and shall continue so long as such indemnitee shall be subject to any possible claim or threatened, pending or completed action, suit or proceeding, whether civil, criminal or investigative, by reason of the fact that such indemnitee was a director, officer, employee and/or agent of the company or serving in any other capacity contemplated by the indemnification agreement.

Notwithstanding the foregoing, we are not obligated to indemnify any of such directors, officers, employees and/or agents in connection with any claim made against such indemnitee: (i) except to the extent that the aggregate losses to be indemnified under such indemnification agreements exceeds the sum of such losses for which such indemnitee is entitled under his or her indemnification agreement or pursuant to any directors and officers insurance that we purchase and maintain on their behalf; (ii) in respect to remuneration paid to such indemnitee if it is determined by a final judgment or other final adjudication that such remuneration was in violation of law; (iii) on account of any suite in which judgment is rendered against such indemnitee for an accounting of profits made from the purchase or sale by such indemnitee of our securities pursuant to Section 16(b) of the Exchange Act, or similar provisions of any federal, state or local law; (iv) on account of such indemnitee's conduct which is finally adjudged

to have been knowingly fraudulent or deliberately dishonest, or which constitutes willful misconduct; (v) on account of such indemnitee's conduct which is the subject of action, suit or proceeding brought by the company and approved by a majority of our board of directors which alleges willful misappropriation of corporate assets by such indemnitee, disclosure of confidential information in violation of such indemnitee's fiduciary or contractual obligations or any other willful and deliberate breach in bad faith on such indemnitee's duty to the company or its shareholders; (vi) on account of any action, claim or proceeding (other than a successful proceeding by such indemnitee to enforce rights or collect moneys due under his or her indemnification agreement) initiated by such indemnitee unless such action, claim or proceeding was specifically authorized by our board of directors; and (vii) if a final decision by a court having jurisdiction in the matter shall determine that such indemnification is not lawful.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of

prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Edgar Filing: ON ASSIGNMENT INC - Form S-3

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

II-5

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than for the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
