Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the quarter ended June 30, 2007, the Registrant transferred certain intellectual property and other assets related to its flat-pack technology to Menicon Co., Ltd. (Menicon), pursuant to an Asset Purchase Agreement by and among 1-800 CONTACTS, ClearLab International Pte. Ltd., Stephen D. Newman, and Menicon (the Menicon Agreement). In addition, during the quarter ended June 30, 2007, the Registrant also transferred certain assets related to 1-800 CONTACTS international contact lens manufacturing, distribution, and related operations to Clearlab SG Pte. Ltd., a wholly-owned subsidiary of Mi Gwang Contact Lens Co., Ltd. (collectively, Mi Gwang), pursuant to a Purchase Agreement by and among 1-800 CONTACTS and Mi Gwang (the Mi Gwang Agreement). The Registrant previously disclosed the signing of both the Menicon Agreement and the Mi Gwang Agreement in a Current Report on Form 8-K filed with the Securities Exchange Commission (the SEC) on June 1, 2007, and disclosed the closing of the transactions contemplated by the Menicon Agreement and Mi Gwang Agreement in Current Reports on Form 8-K filed with the SEC on June 20, 2007 and July 6, 2007, respectively.

The Registrant anticipates recording a significant tax benefit as a consequence of these transactions. In addition, the Registrant will report income or loss from discontinued operations relating to its international segment as a consequence of these transactions. The Registrant has substantially completed its accounting and tax valuations relating to these transactions, but the Registrant s independent registered public accounting firm has not completed its review. As a result, the Registrant is unable to provide a reasonable estimate of either the tax benefit or the income or loss from discontinued operations at this time.

Other than as set forth above, the Registrant does not anticipate any significant change in results of operations from the corresponding period for the last fiscal year.
