Item 8.01 Other Events

At its meeting held on April 27, 2009, the Compensation Committee of the Board of Directors of the Company approved the award of such number of shares of restricted stock to each of its directors equal to \$20,000 divided by the Company's closing stock price on April 27, 2009 of \$0.88, for an award to each member of the Board of Directors of 22,727 shares of Common Stock. These shares vest in equal annual installments over three years on the anniversary of the date of grant. Although the Compensation Committee had previously adopted a policy providing for an annual award of shares of restricted stock to members of the Board of Directors consisting of such number of shares of restricted stock valued at \$25,000, based upon the closing stock price on the date of the grant, the Compensation Committee determined to reduce the 2009 annual award as described above given the Company's current stock price.
