NOTICE OF ANNUAL MEETING OF STOCKHOLDERS  
to be held August 19, 2010

Notice is hereby given that the Annual Meeting of Stockholders (the Annual Meeting ) of HKN, Inc., a Delaware corporation ( HKN ), will be held at the Warwick Denver Hotel, 1776 Grant Street, Denver, CO 80203 on August 19, 2010, beginning at 1:00 p.m. local time, for the following purposes:

- (1) To elect five directors to serve as members of HKN s Board of Directors until the next annual meeting of stockholders, or until their successors are duly elected and qualified;
- (2) To consider and act upon a proposal to amend HKN s Restated Certificate of Incorporation to effect a one-for-seven reverse stock split; and
- (3) To consider and act upon a proposed amendment to HKN s Restated Certificate of Incorporation to reduce HKN s aggregate authorized shares;
- (4) To ratify the appointment of Hein & Associates, LLP ( Hein ) as our independent registered public accounting firm for 2010; and
- (5) To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Board of Directors recommends that you vote in favor of the proposals described in the attached Proxy Statement.

The Board of Directors has fixed the close of business on July 1, 2010 as the date of record ( Record Date ) for determining the stockholders entitled to notice of and to vote, either in person or by proxy, at the Annual Meeting and any adjournment or postponement thereof.

This year, we are using the Notice and Access method of providing proxy materials via the Internet. On or about July 5, 2010, we are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and 2009 Annual Report and vote electronically via the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to receive a paper or e-mail copy of the proxy materials. Stockholders who previously elected to receive a paper or e-mail copy of the proxy materials will not receive a Notice of Internet Availability of Proxy Materials.

**WHETHER OR NOT YOU PLAN TO ATTEND, YOU ARE URGED TO DATE, SIGN AND PROMPTLY RETURN YOUR PROXY SO THAT YOUR SHARES MAY BE VOTED IN ACCORDANCE WITH YOUR WISHES AND SO THAT THE PRESENCE OF A QUORUM MAY BE ASSURED. YOUR VOTE IS IMPORTANT.** The giving of a proxy does not affect your right to revoke it later or vote your shares in person if you should attend the Annual Meeting.

**Note to Beneficial Owners.** Effective January 1, 2010, NYSE and SEC rule changes no longer permit a bank, broker or nominee to vote on behalf of beneficial owners with respect to uncontested elections of directors if you do not instruct your bank, broker or nominee on how to vote your shares in the manner set forth on your voting instruction card. Therefore, in particular, it is very important for you to vote your shares for the election of directors.

---

Edgar Filing: HKN, Inc. - Form PRE 14A

If you plan to attend the Annual Meeting, please note that this is a stockholders' meeting and attendance will be limited to stockholders of HKN or their qualified representatives. Each stockholder will be asked to present valid picture identification, such as a driver's license or passport. Stockholders holding stock in brokerage accounts (street name holders) will need to bring a copy of a brokerage statement reflecting stock ownership as of the Record Date. Qualified representatives of a stockholder must have identification as well as a properly executed proxy from the stockholder they are representing. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

**PROXY STATEMENT**

**FOR ANNUAL MEETING OF STOCKHOLDERS  
to be held August 19, 2010**

**SOLICITATION OF PROXIES**

The accompanying Proxy is solicited on behalf of the Board of Directors of HKN, Inc., a Delaware corporation ( "HKN" ), in connection with the Annual Meeting of Stockholders (the "Annual Meeting" ), which will be held at the Warwick Denver Hotel, 1776 Grant Street, Denver, CO 80203 on August 19, 2010 beginning at 1:00 p.m. local time, and any adjournments or postponements thereof, for the purposes set forth in the accompanying notice.

We will be using the notice and access process required by the Securities and Exchange Commission (the "SEC" ) to distribute proxy materials to stockholders. This process allows us to post proxy materials on a designated website and notify stockholders of the availability of such proxy materials on that website. Thus, for most stockholders, we are furnishing proxy materials, including this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2009, by providing access to such documents on the Internet instead of mailing paper copies. The Notice of Internet Availability of Proxy Materials (the "Notice" ), which is being mailed to most of our stockholders, describes how to access and review all of the proxy materials on the Internet. The Notice also describes how to vote electronically via the Internet. If you would like to receive a paper or electronic copy by e-mail of our proxy materials, you should follow the instructions for requesting such materials in the Notice. Your request to receive proxy materials in paper form by mail or electronically by e-mail will remain in effect until you revoke it. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting website. You cannot vote your shares by filling out and returning the Notice of Internet Availability of Proxy Materials. The Notice merely identifies the matters to be voted on at the Annual Meeting.

**ADVICE TO BENEFICIAL HOLDERS OF SHARES OF COMMON STOCK**

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY SHAREHOLDERS OF OUR COMPANY, AS A SUBSTANTIAL NUMBER OF SHAREHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Shareholders who do not hold their shares in their own name (referred to in this Proxy Statement as "beneficial shareholders" ) should note that only proxies submitted by shareholders whose names appear on the records of our Company as the registered holders of shares of common stock

## Edgar Filing: HKN, Inc. - Form PRE 14A

can be recognized and acted upon at our annual meeting. If shares of common stock are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares of common stock will not be registered in the shareholder's name on the records of our Company and are most likely registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for the Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee and custodian for many Canadian brokerage firms). Beneficial shareholders should ensure that instructions respecting the voting of their shares of common stock with respect to the election of directors are communicated to the appropriate person, as without specific instructions, brokers/nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial shareholders in advance of shareholders meetings, unless the beneficial shareholders have waived the right to receive meeting

---

materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial shareholders in order to ensure that their shares of common stock are voted at our annual meeting. The Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to the registered shareholders by our Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ( Broadridge ) (formerly, ADP Investor Communications in the United States and Independent Investor Communications Company in Canada). Broadridge typically applies a special sticker to proxy forms, mails those forms to the beneficial shareholders and the beneficial shareholders return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions regarding the voting of shares to be represented at our annual meeting. **A beneficial shareholder receiving a Broadridge proxy cannot use that proxy to vote shares of common stock directly at our annual meeting the proxy must be returned to Broadridge well in advance of our annual meeting in order to have the shares of common stock voted.**

Alternatively, a beneficial shareholder may request in writing that his or her broker send to the beneficial shareholder a legal proxy which would enable the beneficial shareholder to attend our annual meeting and vote his or her shares of common stock.

#### RECORD DATE AND VOTING SECURITIES

The Board of Directors has fixed the close of business on July 1, 2010 as the Record Date for determining the holders of common stock, \$.01 par value per share, of HKN ( Common Stock ) entitled to notice of and to vote, either in person or by proxy, at the Annual Meeting. The shares of Common Stock are the only shares of capital stock entitled to vote at the Annual Meeting. On June 11, 2010, HKN had 9,553,847 shares of Common Stock outstanding.

#### QUORUM AND VOTING

Each share of Common Stock is entitled to one vote. The presence, in person or represented by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes (*i.e.*, shares held by a broker for its customers that are not voted because the broker does not receive instructions from the customer or because the broker does not have discretionary voting power with respect to the proposal under consideration) are counted for purposes of determining whether a quorum is present.

On all matters submitted to a vote of the stockholders at the Annual Meeting or any adjournment thereof, each stockholder will be entitled to one vote for each share of Common Stock owned of record by such stockholder at the close of business on July 1, 2010.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked Withhold All with respect to the election of directors will not be voted with respect to any of the directors, although it will be counted for the purpose of determining whether there is a quorum. A properly executed proxy marked For All Except with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purpose of determining whether there is a quorum. Any proxy upon which no instructions have been indicated will be voted **FOR** election of the director nominees. Abstentions and broker non-votes will have no effect on the election of nominees to the Board of Directors.

## Edgar Filing: HKN, Inc. - Form PRE 14A

The affirmative vote of the holders of a majority of the shares having voting power, which are present in person or represented by proxy, shall decide Proposals 2, 3 and 4. Broker non-votes and abstentions will have the same effect as votes against Proposals 2 and 3. Please note that Proposal 3 is conditioned on approval of Proposal 2. Therefore, if Proposal 2 is not approved by the stockholders, Proposal 3 will automatically be deemed to have not been approved by the stockholders, regardless of the number of shares actually voted **FOR** Proposal 3.

The affirmative vote of the holders of a majority of the shares having voting power, which are present in person or represented by proxy, shall decide all other questions properly brought before the Annual Meeting.

If any other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At the date this Proxy Statement went to press, we did not know of any matters, other than the proposals disclosed in this proxy, to be presented at the Annual Meeting.

#### **ACTIONS TO BE TAKEN UNDER THE PROXY**

HKN knows of no other matters to be presented at the Annual Meeting other than as listed below:

1. To elect the five nominees named in this Proxy Statement to the Board of Directors of HKN to hold office until the next annual meeting of stockholders, or until their successors are duly elected and qualified.
2. To consider and act upon a proposal to amend HKN's Restated Certificate of Incorporation to effect a one-for-seven reverse stock split; and
3. To consider and act upon a proposed amendment to HKN's Restated Certificate of Incorporation to reduce HKN's aggregate authorized shares.
4. To ratify the appointment of Hein as our independent registered accounting firm for 2010.

If, however, other matters properly come before the Annual Meeting or any adjournments thereof, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their judgment on any such matters. The persons named in the accompanying proxy may also, if it is deemed advisable, vote such proxy to adjourn the Annual Meeting from time to time.

**RECOMMENDATIONS OF THE BOARD**

Unless a stockholder gives other instructions on the proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of the Board of Directors. The Board recommends a vote **FOR** all of the proposals presented for approval.

**PROXY SOLICITATION**

The expense of any solicitation of proxies will be borne by HKN. HKN will request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock held of record by such persons as of the Record Date, and HKN will reimburse such entities for their reasonable out-of-pocket expenses. HKN has retained Morrow & Co., LLC ( Morrow ) to act as proxy solicitor in connection with this Annual Meeting. HKN has agreed to pay Morrow a fixed fee of \$5,500 plus expenses for proxy solicitation services and a per call fee of \$5.00 for supplemental telephone solicitation calls handled by Morrow. Additionally, the original solicitation of proxies by mail may be supplemented by telephone, email, fax or personal solicitation by officers or regular employees of HKN. No additional compensation will be paid to officers and regular employees for such services.

You may revoke your proxy at any time before its exercise. You may also revoke your proxy by voting in person at the Annual Meeting. A beneficial shareholder is any owner who, directly or indirectly, has or shares voting or investment power. If you are a beneficial shareholder, you must contact your brokerage firm or bank to change your vote or obtain a proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

**OWNERSHIP OF COMMON STOCK**

**Security Ownership of Certain Beneficial Owners**

## CORPORATE GOVERNANCE

Dr. J. William Petty, Michael H. Ameen, Jr. and Hobart A. Smith have been determined by our Board of Directors to meet the requirements for independence under the listing standards of the NYSE Amex ( NYX ) and Securities and Exchange Commission ( SEC ) Rules, and financially literate or sophisticated as required by and in compliance with the listing standards of the NYX and the regulations of the SEC. Our Board of Directors based its conclusions regarding the independence of these directors on (i) the fact that none of such persons is an executive officer or employee of the Company; and (ii) its opinion that none of such persons has a relationship which will interfere with the exercise of independent judgment in carrying out the responsibilities of such director. Our Board of Directors intends to analyze the independence issue annually to promote arms-length oversight.

As of June 11, 2010, our largest shareholder, Lyford, beneficially owned 33.34% of the combined voting power of our Common Stock. Lyford is in a position to exercise significant influence over the election of our Board of Directors and other matters.

During 2009, our Board of Directors (the Board ) held three regularly scheduled meetings and acted through unanimous written consent on two separate occasions. During 2009, each member of our Board attended at least 88% of the total number of meetings of the Board and the Board Committee on which he served. Our independent directors meet in executive session at such times as they deem necessary, including on the dates of regularly scheduled meetings of the entire Board of Directors and meetings of the three standing committees of the Board of Directors, as determined by the independent directors. Our independent directors met in executive sessions eight times during the fiscal year ended December 31, 2009.

Our Chairman and CEO positions have been separate since 2003, although we do not have a specific policy to separate these positions. However, we believe that this separation of roles ensures a greater role for the non-employee directors in the oversight of the Company and in setting agendas and establishing priorities and procedures for the work of the Board than if these two positions were combined.

Our Board's policy is to encourage all of our directors to attend each annual meeting of stockholders. Such attendance allows for direct interaction between stockholders and members of our Board of Directors. Four of our five directors attended our 2009 Annual Meeting on June 12, 2009.

The Board is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Our Board of Directors has standing Audit, Compensation and Nominating Committees, which we describe below.

Nominating Committee. The Nominating Committee of our Board is comprised of Mr. Smith, who chairs the Nominating Committee, and Messrs. Ameen and Petty. Each of the members of the Nominating Committee is independent, as independence is defined in the listing standards of the NYX. The Nominating Committee adopted a written charter on October 15, 2004, which is available on our website at [www.hkninc.com](http://www.hkninc.com). During 2009, the Nominating Committee held no official meetings and acted by unanimous written consent one time. On February 16, 2010 the Nominating Committee held a meeting and determined its recommendations for director nominees for election at the 2010 Annual Meeting.

The Nominating Committee considers nominations for our Board, develops and reviews background information for candidates, and makes recommendations to our Board of Directors with respect to candidates for election as directors. The Nominating Committee identifies nominees for director through recommendations from directors, officers and stockholders. When evaluating nominees for director, the Nominating Committee considers several factors, including without limitation, the nominee's ability to devote adequate time to the duties and responsibilities of our Board, the nominee's independence under the requirements of the NYX and the rules and regulations of the SEC, and the nominee's education and professional experience. The Nominating Committee believes that the Board should be comprised of directors with varied, complementary backgrounds, and that directors should also possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of our stockholders. All of the nominees for director at the 2010 Annual Meeting are directors standing for re-election with one also serving as an executive officer of the Company.

Audit Committee. The Audit Committee of our Board (the Audit Committee) is composed entirely of independent directors who meet the independence, experience and other qualification requirements of the NYX, the Securities and Exchange Act of 1934 and the rules and regulations of the SEC. The Chairman of the Audit Committee, Dr. J. William Petty, has been determined by our Board of Directors to be an audit committee financial expert as defined by the NYX rules and the SEC rules and regulations, and financially sophisticated as required by the NYX listing standards.

Our Audit Committee's responsibilities are specified in the Audit Committee Charter (the Charter) which is available on our website at [www.hkninc.com](http://www.hkninc.com). As set forth in the Charter, the Audit Committee's responsibilities include appointing, compensating, retaining and overseeing the work of the independent auditors for the Company (the Auditors), for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attestation services for the Company. Our management retains the primary responsibility for the Company's financial reporting process, principles and internal controls as well as preparation of its financial statements. Our Audit Committee has implemented procedures to ensure that during the course of each fiscal year they devote the attention that they deem necessary or appropriate to each of the matters assigned to the Audit Committee under its Charter.

## Edgar Filing: HKN, Inc. - Form PRE 14A

The Audit Committee is responsible for oversight of the Company's risks related to accounting matters, financial reporting, and legal and regulatory compliance. To satisfy these overall responsibilities, the Committee separately meets regularly with the Company's management and our independent auditors. The Audit Committee also reviews the Company's financial statements and proposed audit adjustments.

In the discharge of its responsibilities and consistent with standing practices, the Audit Committee held four meetings during 2009. The Audit Committee also held a number of conference calls, informal meetings and communications among the various committee members, the Company's Auditors and/or members of Company management throughout 2009.

#### **AUDIT COMMITTEE REPORT**

The Audit Committee has reviewed and discussed with management and the Auditors the Company's audited financial statements as of and for the year ended December 31, 2009. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee oversees the Company's reporting process on behalf of the Board. The Company's management has primary responsibility for the financial statements and reporting process, including systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee has discussed with the Auditors the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, (AICPA Professional Standards, Vol. 1, AU section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. We have received and reviewed the written disclosures and the letter from the Auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and have discussed with the Auditors the Auditors independence. The Audit Committee has concluded that the Auditors are independent from the Company and its management.

Based on the reviews and discussions referred to above, we recommend to the Board that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009.

By: J. William Petty, Chair  
Michael M. Ameen, Jr.  
H. A. Smith

Compensation Committee. The Compensation Committee of our Board ( Compensation Committee ) is made up entirely of independent directors, as independence is defined in the listing standards of the NYX. Committee members are Michael M. Ameen, Jr., who chairs the committee, and Messrs. Ameen and Petty. Our Compensation Committee does not operate under a written charter. Our Compensation Committee is responsible for establishing base salaries, bonuses, and other compensation for our executive officers, including the CEO, and directors. Our Compensation Committee has no authority to delegate its authority; however, the members may retain the services of a compensation consultant and may consider recommendations of the CEO and Chairman of our Board during the process of establishing compensation for other executive officers. The Compensation Committee held no regular meetings during 2009, acted by unanimous written consent once, and also held several conference calls, informal meetings and communications throughout 2009.

#### **COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis ( CD&A ) with our management and, based on such review and discussion, has recommended the CD&A be included in our Proxy Statement for the 2010 Annual Meeting of Stockholders.

### COMMUNICATING WITH THE BOARD

The Board encourages stockholders to communicate with the Board by writing to:

Board of Directors

c/o The Chairman

HKN, Inc.

180 State Street, Suite 200

Southlake, Texas 76092

The Board has authorized our management to review and organize communications from our stockholders and/or interested parties and deliver them to the Board. We forward communications to all directors if they relate to substantive matters. In general, we are more likely to forward communications relating to corporate governance or long-term strategy than communications relating to personal grievances and less significant matters.

### DIRECTOR COMPENSATION

Alan G. Quasha	0	0	0	0	0	0	0
Mikel D. Faulkner (See 2009 Summary Compensation Table)							

Board members are paid an annual fixed per director fee of \$75,000, with no per meeting fee and no additional fee for a committee chairman.

Director performance is a key influence factor in organizational performance. Just as alignment of HKN's strategic objectives for management compensation are critical, so too is directors' compensation. To this end, directors' compensation is assessed annually to monitor and adjust it, as appropriate, in order to ensure alignment with HKN's strategic objectives.

The analysis and review of directors' compensation is the responsibility of our Compensation Committee and our Board of Directors. In undertaking this responsibility, our Compensation Committee may review compensation surveys of the oil and gas industry, and may also engage consultants who provide supplemental data considered in establishing the directors' compensation. The Compensation Committee also takes into consideration HKN's financial results for the previous fiscal year, as compared with internal objectives and targets, the business climate during the year and the oil and gas industry in general. After our Compensation Committee has reviewed the data, it formulates a recommendation for review by our Board of Directors.

### RELATED PARTY TRANSACTIONS

During 2009 to the time this Proxy Statement went to print, there was one related party transaction. There are currently no proposed transactions with related parties.

During June 2009, we entered into an Agreement under which we issued an aggregate of 1 million restricted shares of our common stock in exchange for 1,950 units (constituting 19.5% of the outstanding equity interests) of BriteWater International, LLC ( BWI ), formerly known as UniPureEnergy Acquisition Co., LLC. Under this Agreement, we also issued a put option and received a call option to exchange an additional 725,000 shares of HKN common stock for 3,050 units (or approximately 30.5% of the total units) of BWI. These options are only exercisable upon the satisfaction of certain conditions prior to June 30, 2012.

At this time we also entered into a Loan Agreement with BWI under which we may make secured loans to BWI up to a maximum amount of \$2.5 million. These loans are secured by all assets of BWI and are due and payable on or before June 30, 2012. As of June 11, 2010, we have made approximately \$1.3 million in aggregate secured loans to BWI, bearing interest at 8% per annum. Two of BWI's principal existing unitholders, Quadrant Management, Inc., ( Quadrant ) and UniPureEnergy Acquisition, Ltd. ( UEA ) are affiliates of the Quasha family. Alan G. Quasha is the Chairman of the Board of Directors of HKN.

The Audit Committee Charter authorizes our Audit Committee to review and approve all related party transactions in the absence of a separate committee being established by our Board for that purpose. The Audit Committee and a Special Committee composed of Messrs. Ameen, Smith and Petty both reviewed and approved this transaction prior to our investment in and loan to BWI. Other than as addressed in the Audit Committee Charter, we do not employ specific written procedures for the review, approval or ratification of related party transactions involving our directors, officers and employees or their family members, but we consider such transactions on a case-by-case basis.

**EXECUTIVE OFFICERS OF HKN**

The officers of HKN are elected annually by the Board on the date of each Annual Meeting of Stockholders, or as soon thereafter as practicable. Each officer holds office until the earlier of such time as his or her successor is duly elected and qualified, or his or her death, resignation or removal from office. Any officer elected or appointed by the Board may be removed by the Board whenever, in its judgment, the best interests of HKN will be served thereby.

The executive officers of HKN, their ages and positions held with HKN and their business experience for the past five years are:

**COMPENSATION DISCUSSION AND ANALYSIS**

**Overview**

The principal objective of our executive compensation program is to attract, motivate, retain and reward executives in a fiscally responsible manner. To meet this objective, we use a combination of base salary and performance based cash bonuses. Our compensation program is designed to reward each Executive based on his/her level of responsibility, his/her individual performance and to align executive performance with the enhancement of shareholder value.

Our executive compensation guidelines are developed and monitored by our Compensation Committee. The Compensation Committee bears principal responsibility for determining appropriate compensation for our Chief Executive Officer, Chief Financial Officer and our three other most highly compensated executive officers, (referred to as named executive officers or NEOs in this Proxy Statement). In fulfilling its role, our Compensation

Committee is responsible for establishing guidelines to be used to measure our overall performance and that of each NEO and the corresponding adjustments to each NEO's compensation levels. From time to time, our Compensation Committee will meet with our Chief Executive Officer to discuss executive compensation matters with regard to the other NEOs in general. The Compensation Committee also meets without our Chief Executive Officer present and evaluates his performance compared with previously established financial and non-financial goals and guidelines.

Our compensation program elements allow us to meet our objectives by linking individual performance and company performance in determining a compensation package for each NEO that both rewards and motivates.

### **Overall Program Objectives**

The principal objective of our executive compensation program is to attract, motivate, retain and reward executives in a fiscally responsible manner. To achieve this objective, we clearly communicate what is expected of executives with respect to performance goals. Compensation is designed to align actual compensation with performance results, delivering more compensation to executives when we achieve performance objectives and increased value to shareholders, with an inverse relationship occurring when we achieve lower performance results. Our Compensation Committee deliberates among its members to ensure guidelines and maximum performance goals are aggressive enough to warrant cash bonuses and adjustments to salary levels.

Achievement of our objectives is sought by providing the following primary executive compensation elements:

- A base salary that represents cash compensation based on internal equity and external industry-based competitiveness;
  
- A performance-based annual cash bonus that provides each NEO an opportunity to earn cash awards based upon the achievement of goals, performance targets and other guidelines during the course of a fiscal year;
  
- Benefit programs provided to all employees during 2009, including health care benefits, dental, life, vision and 401K programs.

We strive to provide a compensation opportunity for each NEO that is competitive with similar companies in the oil and gas industry. In doing so, we consider competitive market compensation data, including the compensation practices of peers, as well as broader industry compensation survey data.

Our Compensation Committee also reviews each NEO's skills, scope of responsibilities, performance and effectiveness in supporting our overall goals.

Our Compensation Committee is also tasked with evaluating the impact of compensation policies and practices for all employees on the Company's overall risk management. The Committee does not believe that its compensation policies and practices are reasonably likely to produce risks that would have a material adverse effect on the registrant. In reaching its conclusion, the Committee noted particularly that none of its business units have compensation which is structured significantly differently than other units within the Company and none of its business units have compensation expense as a significant portion of such unit's revenues.

### **Executive Compensation Elements**

#### **Base Salary**

***Purpose:*** The purpose of base salary is to reflect each executive's job responsibilities, individual performance and competitive compensation levels.

***Considerations:*** Our Compensation Committee reviews and determines, on an annual basis, the base salaries of each NEO. Individual base salary levels are based upon years of experience and individual performance. This amount is not generally at risk and may be adjusted annually based on merit and external market conditions.

### **Annual Incentive Bonus**

*Purpose:* The purpose of the annual cash incentive bonus is to align executive performance with annual strategic goals while enhancing shareholder value. To accomplish this objective we provide incentives in the form of an annual cash bonus upon the attainment of certain performance goals set out at the beginning of each year under general guidelines developed by our Compensation Committee.

*Considerations:* At the beginning of each year, our Compensation Committee establishes certain guidelines that can include financial and other performance targets. Cash bonus awards are considered annually through a discussion and determination of our Compensation Committee and our Board of Directors on key measures that drive performance. Our Board of Directors and management consider current performance, including strengths and performance gaps, to determine what areas need to be incented to achieve the strategic objectives for the year.

### **Equity and Long Term Compensation**

We do not currently have in place any stock option or equity-based compensation plans. In 2004, after our Board authorized us, we terminated all of our employee stock option plans; as of December 31, 2004, all of our previously issued and/or outstanding stock options had expired or been voluntarily cancelled. Since that time, our Compensation Committee has determined not to use equity awards both in response to increasing criticism of such awards and because of the complications of financial accounting for such awards.

We do not currently have any long-term incentive, pension, nonqualified defined contribution, or other nonqualified deferred compensation plans.

### **Additional Benefits**

Each NEO is entitled to participate in the broad-based benefit plans offered generally to all of our full-time employees (e.g., the 401(k) plan, health insurance and other employee benefits). Such participation in these benefit plans exists on the same terms for all of our employees.

In addition, our Compensation Committee has determined to furnish Mikel Faulkner, our President and CEO, with a company car. The responsibilities of Mr. Faulkner's position require frequent business travel within the State of Texas and the use of this company car is primarily for such business travel. The use of this company car is a cost saving measure to us, saving on airline travel, car rental and other transportation costs, while allowing Mr. Faulkner flexibility in the performance of the duties of his position.

### **Total Compensation**

Each element of compensation is independently set for each NEO. As a result, the allocation of each compensation component can vary by NEO.

**Year-end 2009 Cash Bonus Awards and 2010 Compensation**

In setting year-end 2009 cash bonuses and 2010 compensation levels, our Compensation Committee used internally developed guidelines, targeting certain performance goals. The Committee also assessed the competitiveness of each NEO's base salary.

**2010 Compensation**

Our Compensation Committee concluded that the base salary levels for each NEO should not be raised for 2010 due to the decreases in revenues and oil and gas commodity pricing during 2009. The table below shows the 2010 base salary for each NEO:

<b>Officer</b>	<b>2010 Salary</b>
Mikel D. Faulkner	\$ 365,000
Anna M. Williams	\$ 205,000
Richard O. Cottle	\$ 190,000
Rodger A. Ehrlish	\$ 170,000
Kris Hartmann	\$ 145,000

**Year-end 2009 Cash Bonus Awards**

The bonus determinations for the NEOs are based upon performance against financial performance targets and against functional performance measures. The financial performance for 2009 was negatively impacted by economic conditions beyond the control of HKN or its executive officers. Our Compensation Committee determined not to award year-end 2009 cash bonuses to our NEOs based on our financial performance for 2009. Our Compensation Committee determined to further review the cash bonus awards and 2010 compensation of the NEOs in 2010.

**Tax Considerations**

We have structured our compensation program to comply with Internal Revenue Code Sections 162(m) and 409A. Under Section 162(m) of the Internal Revenue Code, a limitation was placed on tax deductions of any publicly held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income. The Company has no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

**PROPOSAL ONE**

**TO ELECT FIVE DIRECTORS TO SERVE AS HKN'S BOARD OF DIRECTORS**

HKN's Board of Directors is composed of five directors. Directors are elected annually to serve until the next annual meeting of stockholders, or until their successors are elected and have been qualified. At the Annual Meeting, the five nominees named below are to be elected to serve until the 2010 Annual Meeting or until their successors have been elected and have been qualified. Each nominee is now a HKN director.

In evaluating its nominees for director, the Board expects that each of its members will:

- exhibit high standards of integrity, commitment, and independence of thought and judgment;
- use his or her skills and experiences to provide independent oversight to the business of the Company;
- participate in a constructive and collegial manner;
- be willing to devote sufficient time to carrying out their duties and responsibilities;
- devote the time and effort necessary to learn the business of the Company and the Board; and
- represent the long-term interests of all shareholders.

The Board of Directors has also determined that the Board as a whole must have the right diversity, mix of characteristics, and skills for the optimal functioning of the Board in its oversight of the Company. In addition to the targeted skill areas, the Board believes that each of its nominees should have demonstrated achievement in one or more of the following areas:

- Strategy knowledge of the Company's business model, the formulation of corporate strategies, and knowledge of key competitors and global markets;

## Edgar Filing: HKN, Inc. - Form PRE 14A

- Leadership the ability to assist the CEO and the executive officers in their development;
- Organizational Issues understanding of strategy implementation, change management processes, group effectiveness, and organizational design;
- Relationships understanding how to interact with governments, investors, financial analysts, and communities in which the Company operates; and
- Ethics the ability to identify and raise key ethical issues concerning the activities of the Company and senior management as they affect the business community and society.

The Company has not developed a specific policy regarding diversity. However, as part of its periodic self-assessment process, the Board determines the diversity of specific skills and characteristics necessary for the optimal functioning of the Board in its oversight of the Company over both the short and long-term.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED BELOW TO THE BOARD OF DIRECTORS.**

**Vote Required for Election of Directors**

To be elected as a director, each nominee must receive the affirmative vote of a plurality of the votes duly cast at the Annual Meeting. Abstentions and broker non-votes will have no effect on the election of nominees to the Board of Directors. Lyford and UEA, which as of June 11, 2010 owned 33.34% and 7.85%, respectively, of the shares entitled to vote at the Annual Meeting, have advised HKN that they intend to vote all of their shares for the five nominees named below.

**PROPOSAL TWO**

**TO AMEND HKN S RESTATED CERTIFICATE OF INCORPORATION**

**TO EFFECT A ONE-FOR-SEVEN REVERSE STOCK SPLIT**

The Board of Directors has adopted, and proposes that the stockholders of HKN approve, an amendment to the Certificate of Incorporation that would effect a one-for-seven reverse stock split of the outstanding shares of Common Stock, but maintain the par value of the Common Stock at \$0.01 per share collectively, (the Reverse Split ).

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL**

**OF THE AMENDMENT TO EFFECT THE REVERSE SPLIT**

**REASONS FOR THE REVERSE SPLIT**

Our Board of Directors believes that, if the Reverse Split results in an increase in HKN s stock price, such increase in the price per share and the reduction of total shares outstanding following the Reverse Split should provide a number of benefits to HKN and its stockholders.

Exchange Listing. The average market price of HKN s stock over the last 12 months places it near the minimum market price of \$3.00 per share required for listing on the NYX. The reverse split may allow HKN s shares to be trade at higher market prices and thereby ensure that HKN s share price falls well within the listing requirements of NYX. The NYX constantly reviews its listed stocks to determine their continuing qualification to be traded on that exchange and the Board of Directors believes that if HKN s shares are traded at higher market prices, any risk of being delisted will be reduced.

Broader Market. If the per share price of the Common Stock were to increase as a result of the Reverse Split, the Board of Directors believes that the Reverse Split may result in a broader market for the Common Stock than currently exists due to such increase of the per share price. The Board of Directors believes that the present level of the per share market price of the Common Stock impairs the acceptability of the stock by portions of the financial community and the investing public. Theoretically, the price per share of stock should not, of itself, affect the marketability of the stock, the type of investor who acquires the stock, or a company s reputation in the financial community. However, in practice, the price per share frequently affects the stock because many investors look upon low priced stock as unduly speculative in nature, and, as a matter of policy, avoid investment in such stocks. An increased price per share may encourage interest and trading in the Common Stock and possibly promote greater liquidity for HKN s stockholders.

Effect on Earnings Per Share. The Board of Directors believes that the total number of shares currently outstanding is disproportionately large relative to HKN s present market capitalization. Moreover, when such a large number of shares are outstanding, earnings per share ( EPS ) is only affected by a significant change in net earnings. With a reduced number of shares outstanding following a Reverse Split, HKN s revenue efforts and cost savings would be more meaningfully reflected in the disclosed EPS.

Commissions. In addition, the Board of Directors believes that the Reverse Split may improve the liquidity of HKN's Common Stock in another manner. Frequently, brokers charge trading commissions based upon the number of shares purchased. As a result, this trading commission per share is relatively higher as a percentage of the value of the shares of HKN's Common Stock purchased. The Board of Directors and management believe that the relatively high trading cost of HKN's Common Stock may adversely impact the liquidity of HKN's Common Stock by making it a less attractive investment than the stock of other companies in HKN's industry. If the Reverse Split is effected and the price of HKN's Common Stock rises correspondingly, the trading costs for HKN's Common Stock would decrease.

#### RISKS ASSOCIATED WITH REVERSE SPLIT

As a result of the volatility in the trading price of HKN's Common Stock, there can be no assurance that the Reverse Split will result in any change in the price of HKN's Common Stock or that, if the price of HKN's Common Stock does increase as a result of the Reverse Split, such increase will be proportionate to the decrease in the amount of outstanding shares of Common Stock resulting from the Reverse Split. There can be no assurance that a higher price per share level of the Common Stock immediately after the proposed Reverse Split will be maintained for any period of time. Liquidity could be adversely affected by the reduced number of shares outstanding after the proposed Reverse Split.

#### EFFECT OF REVERSE SPLIT ON STOCKHOLDERS

The proposed Reverse Split will not affect any stockholder's proportionate equity interest in HKN, except for those stockholders who would receive cash in lieu of fractional shares. Holders of Common Stock will continue to be entitled to receive such dividends as may be declared by the Board of Directors. Outstanding warrants and other securities convertible into Common Stock will be adjusted to reflect the ratio of the Reverse Split if such transaction is effected. HKN's reporting obligations under the Securities Exchange Act of 1934, as amended, will not be affected by the Reverse Split.

#### EFFECT OF REVERSE SPLIT ON CAPITAL STOCK

HKN's Certificate of Incorporation currently authorizes the issuance of 24,000,000 shares of Common Stock with a par value of \$0.01 per share and 1,000,000 shares of Preferred Stock with a par value of \$1.00 per share. Under Proposal 3, HKN's Certificate of Incorporation would be amended to reduce the authorized common shares to 3,000,000. At June 11, 2010, HKN had outstanding 9,553,847 shares of Common Stock, leaving a total of 14,446,153 authorized and unissued shares of Common Stock available for future issuances. Following the Reverse Split, based on common shares outstanding as of June 11, 2010, and assuming the approval of Proposal 3, HKN will have approximately 1,365,287 shares of Common Stock outstanding, leaving approximately 1,634,713 authorized but unissued shares of Common Stock available for issuance. The par value of the Common Stock would remain at \$0.01 per share. Because the number of issued shares of HKN would decrease but the par value would remain the same after the Reverse Split, HKN's stated capital would decrease by approximately \$82 thousand, and HKN's additional paid-in capital account would increase by a corresponding amount. This change in HKN's capital accounts would be reflected in HKN's financial statements, along with a notation of the change in outstanding shares of Common Stock, as a result of the Reverse Split.

If the stockholders approve Proposal 2, HKN will file a Certificate of Amendment (the "Certificate of Amendment") to its Restated Certificate of Incorporation with the Secretary of State of the State of Delaware promptly following the conclusion of the meeting. The proposed amendment would become effective on the date provided in the Certificate of Amendment (the "Effective Date"). On the Effective Date, without further action of HKN or its stockholders, (i) every seven shares of Common Stock outstanding will be exchanged for one share of outstanding Common stock and (ii) the par value of the Common Stock will remain at \$0.01 per share. Based on information as of June 11, 2010, HKN anticipates that the number of outstanding shares of Common Stock, after giving effect to the Reverse Split, will be approximately 1,365,287 shares. Upon filing the Certificate of Amendment, HKN will notify the stockholders that the Reverse Split has been effected.

#### EXCHANGE OF CERTIFICATES; NO FRACTIONAL SHARES

Edgar Filing: HKN, Inc. - Form PRE 14A

To effect the Reverse Split, HKN will issue certificates representing one share of Common Stock in exchange for each seven shares of Common Stock presently outstanding upon surrender of an existing certificate evidencing outstanding shares of Common Stock.

NO FRACTIONAL SHARES OF COMMON STOCK WILL BE ISSUED IN CONNECTION WITH THE PROPOSED REVERSE SPLIT. ASSUMING THE APPROVAL OF THE REVERSE SPLIT, A STOCKHOLDER WHO WOULD OTHERWISE BE ENTITLED TO RECEIVE A FRACTIONAL SHARE OF COMMON STOCK WILL RECEIVE, IN LIEU THEREOF, CASH IN A PROPORTIONAL AMOUNT EQUAL TO THE SAME FRACTION OF THE CLOSING PRICE OF THE COMMON STOCK ON NYX ON AUGUST 20, 2010.

Based on the aggregate number of shares owned by record holders as of June 11, 2010, HKN estimates that payments for fractional shares resulting from the Reverse Split will aggregate approximately \$10 thousand. HKN intends to use existing cash for such purpose. HKN currently has approximately 392 stockholders of record. HKN will appoint AMERICAN STOCK TRANSFER AND TRUST COMPANY as exchange agent ( Exchange Agent ) in connection with the Reverse Split. As soon as practicable after the Effective Date, the holders of the Common Stock will be notified and requested to surrender to the Exchange Agent any certificate(s) representing outstanding shares of Common Stock in exchange for certificate(s) representing the reduced number of shares of Common Stock that will result from the Reverse Split, together with cash in lieu of any fractional share. On the Effective Date, each certificate representing shares of Common Stock will be deemed for all purposes to represent the reduced number of shares of Common Stock that will result from the Reverse Split, whether or not the certificates representing the outstanding Common Stock are surrendered for exchange. Stockholders should not submit any stock certificates to the Exchange Agent until requested to do so. Persons who hold their shares in brokerage accounts or street name will not be required to take any further action to effect the exchange of their shares.

HKN will deposit with the Exchange Agent, as soon as practicable after the Effective Date, cash in an amount equal to the value of the estimated aggregate number of fractional shares that will result from the Reverse Split. Any portion of the cash deposited with the Exchange Agent to pay for fractional shares that is held by the Exchange Agent six months after the Effective Date will be returned to HKN, on demand. Thereafter, holders of post-split shares eligible for this cash settlement would be paid directly by HKN.

#### NO DISSENTER S RIGHTS

The DGCL does not give stockholders of a Delaware corporation dissenter s rights with respect to the Reverse Split.

#### RESALES OF RESTRICTED SECURITIES

The proposed amendment will not affect the transferability of shares of Common Stock or any present restriction on the sale thereof. Therefore, for purposes of determining the relevant holding period as prescribed by Rule 144 under the Securities Act of 1933, as amended, the shares of Common Stock to be issued to each stockholder after the Effective Date will be deemed to have been acquired on the date on which the stockholder acquired the shares of Common Stock held immediately prior to the Effective Date.

#### FEDERAL INCOME TAX CONSEQUENCES

The following discussion is a summary of the federal income tax consequences of the Reverse Split. The discussion is based on the present federal income tax law. The discussion is not, and should not be relied on as, a comprehensive analysis of the tax issues arising from or relating to the proposed amendment. Accordingly, stockholders are urged to consult their personal tax advisors for an analysis of the effect of the Reverse Split on their respective tax situations, including consequences under applicable state tax laws.

The Reverse Split will be deemed to be a tax-free recapitalization to HKN and its stockholders to the extent that outstanding shares of Common Stock are exchanged for a reduced number of shares of Common Stock. Therefore, neither HKN nor its stockholders will recognize any gain or loss for federal income tax purposes as a result thereof. However, if a stockholder receives cash in lieu of any fractional share interest in the Common Stock, such stockholder will be treated as having received the cash in redemption of his or her fractional share interest. Depending on the stockholder's retained stock interest, such cash redemption will be treated as either (i) a dividend to the extent of HKN's current and accumulated earnings and profit with any excess first applied against the stockholder's adjusted tax basis allocable to the fractional share interest (Basis) and the remainder treated as gain from the sale or exchange of the fractional shares or (ii) gain or loss from the sale or exchange of the fractional shares in an amount equal to the difference, if any, between the cash received and the stockholder's Basis.

The shares of Common Stock to be issued to each stockholder will have an aggregate basis, for computing gain or loss, equal to the aggregate basis of the shares of Common Stock held by such stockholder immediately prior to the Effective Date, less any basis allocable to the fractional shares redeemed (if any) to the extent such redemption is treated as a sale or exchange under the preceding paragraph. A stockholder's holding period for the shares of Common Stock to be issued will include the holding period for shares of Common Stock exchanged therefore, provided, that such outstanding shares of Common Stock were held by the stockholder as capital assets on the Effective Date.

#### PROPOSED AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION

If the Reverse Split and Proposal 3 are approved, the Restated Certificate of Incorporation will be amended by deleting the first five paragraphs of Article Four in their entirety and inserting in their place the following five paragraphs:

#### ARTICLE FOUR

The aggregate number of shares which the Corporation shall have authority to issue is 4,000,000, of which 3,000,000 shall be designated as Common Stock of the par value of One Cent (\$0.01) per share and 1,000,000 shall be designated as Preferred Stock of the par value of One Dollar (\$1.00) per share.

The Corporation does, by Amendment to the Restated Certificate of Incorporation effective August 23, 2010 (the Effective Date), reclassify its shares of Common Stock, par value \$0.01 per share (the Old Common Stock) issued and outstanding immediately before the Effective Date and cancel its unissued shares of Old Common Stock unissued before the Effective Date.

All of the shares of Old Common Stock that were authorized but unissued immediately before the Effective Date shall be canceled. The authorized but unissued shares of Common Stock, \$0.01 par value of the Corporation, shall supersede the Old Common Stock.

Each seven shares of Old Common Stock outstanding immediately before the Effective Date, and each seven shares of Old Common Stock issuable pursuant to an instrument exercisable for shares of Old Common stock (including, but not limited to, all outstanding warrants to acquire Old Common Stock and all outstanding Convertible Preferred Stock convertible into Old Common Stock), shall, on the Effective Date, be reclassified and converted into, and become a right to receive, and the holders of the outstanding Old Common Stock or instruments exercisable for such Old Common Stock shall be entitled to receive therefore upon surrender of the certificates representing such shares of Old Common Stock to the Corporation, or upon exercise of such instrument, one share of Common Stock, \$0.01 par value of the Corporation, subject to the treatment of fraction shares set forth herein.

No scrip or fraction certificates will be issued. In lieu of fractional shares, the Corporation will pay a cash adjustment in respect of such fraction of a share in an amount equal to the same fraction of the closing sale price of the Common Stock as quoted on the NYSE Amex, or such other representative price as determined by the officers of the Corporation, as of the closing of business on August 20, 2010.

#### APPROVAL OF REVERSE SPLIT

The affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote on the Record Date is required to approve the Reverse Split. Lyford and UEA, which as of June 11, 2010, owned 33.34% and 7.85%, respectively, of the shares entitled to vote at the Annual Meeting, have advised HKN that they intend to vote all of their shares for Proposal Two to effect a one-for-seven reverse stock split.

**PROPOSAL THREE**

**TO AMEND HKN S RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE  
AGGREGATE NUMBER OF AUTHORIZED SHARES TO 4,000,000**

The Board of Directors has unanimously approved and recommended that, subject to the adoption of the reverse split described in Proposal Two above, the stockholders consider and approve an amendment to ARTICLE FOUR of HKN s Restated Certificate of Incorporation that would reduce the aggregate number of authorized shares from Twenty-Five Million (25,000,000) shares to 4,000,000 shares and to designate 3,000,000 shares as Common Stock with a par value of One Cent (\$0.01) and 1,000,000 shares as Preferred Stock with a par value of One Dollar (\$1.00). To be adopted, this proposal requires the affirmative vote of the holders of the majority of the outstanding shares of HKN s Common Stock entitled to vote thereon at the Annual Meeting. Lyford and UEA, which as of June 11, 2010 owned 33.34% and 7.85% of the shares entitled to vote at the Annual Meeting, have advised HKN that they intend to vote all of their shares for Proposal Three to reduce HKN s aggregate number of authorized shares. The Board of Directors believes that it is in the best interest of HKN and its stockholders to amend the Restated Certificate of Incorporation to give effect to the proposed amendment.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE AMENDMENT TO THE  
RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE AGGREGATE NUMBER OF AUTHORIZED SHARES**

The Board of Directors considers the proposed reduction in aggregate authorized shares desirable to conform HKN s capital structure if the reverse stock split in Proposal Two is passed by a majority of our shareholders. If Proposal Two is not approved by the shareholders, the proposed amendment to our restated certificate of incorporation will not be presented for approval at the Annual Meeting. If approved by the shareholders, the amendment to the aggregate authorized shares of capital stock of HKN will be effected by the filing of an amendment to the Restated Certificate of Incorporation with the Secretary of the State of Delaware at the earliest possible time after stockholder approval. The reduction of the aggregate authorized shares will be accomplished by amending ARTICLE FOUR of the Restated Certificate of Incorporation to read substantially as described under Proposal 2.

**PROPOSAL FOUR**

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2010**

In accordance with applicable law, the Audit Committee has ultimate authority and responsibility to appoint, compensate, evaluate and, when appropriate, replace our independent registered public accounting firm

As the Audit Committee has the responsibility for the appointment of our independent registered public accounting firm, your ratification of the appointment of Hein is not necessary. However, the Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. Even if the shareholders ratify the appointment of Hein, the Audit Committee may in its sole discretion terminate the engagement of Hein and direct the appointment of another independent auditor at any time during the year, although it has no current intent to do so.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

Hein & Associates LLP served as HKN's independent registered public accounting firm for the years ended December 31, 2009 and 2008, and has been selected as the independent registered public accounting firm for 2010.

Edgar Filing: HKN, Inc. - Form PRE 14A

The following table sets forth information concerning the fees billed by HKN's independent registered public accountants during the last two fiscal years.

	<b>2009 Hein</b>	<b>2008 Hein</b>
<b>Audit Fees</b>	\$ 211,080	\$ 275,843
<b>Audit Related Fees</b>	\$ 0	\$ 0
<b>Tax Fees</b>	\$ 0	\$ 0
<b>All Other Fees</b>	\$ 0	\$ 0

*Audit Fees* include fees billed for the audit of the consolidated financial statements and quarterly reviews of unaudited financial statements. The Audit Fees billed by Hein for 2009 and 2008 also include fees for the internal control audit included in the Form 10-K for the years ended December 31, 2009 and 2008.

The Audit Committee, or a designated member thereof, pre-approves audit and non-audit services rendered by its independent registered public accounting firm to HKN and its subsidiaries. If pre-approval authority is delegated, the delegate must report back to the Audit Committee at the first Audit Committee meeting following any approval. For fiscal 2009, 100% of all audit and non-audit services were pre-approved by the Audit Committee, which concluded that the provision of such services by HKN's independent registered public accounting firm was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. All persons involved in the services performed by Hein during 2009 were permanent, full-time employees of Hein.

Representatives of Hein are not expected to be present at the Annual Meeting, and are not expected to make a statement or be available to respond to questions.

## ANNUAL MEETING ADVANCE NOTICE REQUIREMENTS

### Stockholder Proposals

HKN's bylaws provide that stockholder proposals and director nominations by stockholders may be made in compliance with certain ownership, advance notice, informational and other applicable requirements. With respect to stockholder proposals (concerning matters other than the nomination of directors), the individual submitting the proposal must file a written notice with the Corporate Secretary of HKN at 180 State Street, Suite 200, Southlake, Texas 76092 setting forth certain information, including the following:

- a brief description of the business desired to be brought before the meeting and the reasons for conducting that business at the meeting;
- the name and address of the proposing stockholder;
- the number of shares of Common Stock beneficially owned by the proposing stockholder;
- the length of time such shares of Common Stock have been beneficially owned by the proposing stockholder; and
- any material interest of the proposing stockholder in such business.

The notice must be delivered to the Corporate Secretary (a) at least 60, but not more than 90, days before any scheduled meeting or (b) if less than 70 days' notice or prior public disclosure of the meeting is given, by the close of business on the 10th day following the giving of notice or the date public disclosure was made, whichever is earlier. Any such recommendation received by the Secretary of HKN will be presented to the Nominating Committee for consideration, based upon the criteria and process described in Corporate Governance and Nominating Committee.

### Board Nominations

A stockholder may recommend a nominee to become a director of HKN by giving the Secretary of HKN (at the address set forth above) a written notice setting forth the following information concerning each person the stockholder proposes to nominate (a Proposed Nominee):

- The name, age, business address and residence of the Proposed Nominee;
- The principal occupation or employment of the Proposed Nominee;
- The number of shares of Common Stock beneficially owned by the Proposed Nominee; and
- Any other information relating to the Proposed Nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to the rules of the SEC.

The stockholder's notice must also contain the following information concerning the proposing stockholder:

- The name and record address of the proposing stockholder;
- The number of shares of Common Stock beneficially owned by the proposing stockholder; and
- The length of time such shares of Common Stock have been beneficially owned by the proposing stockholder

Such nominations must be made pursuant to the same advance notice requirements, including deadlines for receipt, for stockholder proposals set forth above. In addition, any such recommendation must be accompanied by a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

#### **General Information**

HKN's annual meetings are held each year at a time and place designated by HKN's Board of Directors in the notice of the meeting. Copies of HKN's bylaws are available upon written request made to the Secretary of HKN at the above address. The requirements described above do not supersede the requirements or conditions established by the SEC for stockholder proposals to be included in HKN's proxy materials for a meeting of stockholders. The chairman of the meeting may refuse to bring before a meeting any business not brought in compliance with applicable law and HKN's bylaws.

**STOCKHOLDER PROPOSALS FOR INCLUSION IN PROXY MATERIALS FOR**

**2011 ANNUAL MEETING**

Under the SEC's proxy rules, stockholder proposals that meet certain conditions may be included in HKN's proxy statement and form of proxy for a particular annual meeting. Stockholders that intend to present a proposal at HKN's 2011 Annual Meeting of Stockholders must send the proposal to HKN so that it is received at HKN's principal executive offices no later than December 31, 2010 to be considered for inclusion in the proxy statement and form of proxy related to the 2011 Annual Meeting of Stockholders. If HKN chooses to accelerate the date of its 2011 Annual Meeting, the deadline for receipt of stockholder proposals to be considered for inclusion in HKN's proxy materials will change and HKN will notify stockholders of the changed deadline in a Quarterly Report on Form 10-Q, Current Report on Form 8-K or press release. Stockholders that have an intention to present a proposal that will not be included in the proxy statement and the form of proxy must give notice to HKN by the deadline set forth under Annual Meeting Advance Notice Requirements Stockholder Proposals above. Any and all such proposals and notices should be sent to the attention of the Secretary of HKN. Any and all such proposals must comply with applicable SEC regulations in order to be included in HKN's proxy materials or to be presented at the Annual Meeting.

**OTHER INFORMATION**

HKN will provide to each person solicited, without charge except for exhibits, upon request in writing, additional copies of HKN's Annual Report on Form 10-K for the year ended December 31, 2009. Requests should be directed to the Secretary of HKN, Inc., 180 State Street, Suite 200, Southlake, Texas 76092, (817) 424-2424. HKN's Annual Report on Form 10-K is also on file with the SEC, Washington, D.C. 20549.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for shareholders and cost savings for HKN. Under this procedure, multiple shareholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify HKN that they wish to continue receiving multiple copies. HKN has undertaken householding to reduce its printing costs and postage fees. If shareholders wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, a shareholder may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in April of each year, by notifying HKN in writing at 180 State Street, Suite 200, Southlake, TX 76092 or by contacting HKN at 817-424-2424. Shareholders also may request additional copies of the proxy materials by notifying HKN in writing at the above-referenced address or contacting HKN at the above-referenced telephone number, and HKN will undertake to deliver such additional copies promptly.
