-

Item 1.01

Entry into a Material Definitive Agreement

On January 10, 2012, Royal Gold, Inc. ("Royal Gold") entered into an underwriting agreement (the "Underwriting Agreement") with Goldman, Sachs & Co. The Underwriting Agreement relates to the issuance and sale by Royal Gold of 4,000,000 shares (the "Shares") of its common stock, par value \$0.01 per share to Goldman, Sachs & Co. in an underwritten at-the-market public offering. Goldman, Sachs & Co. has agreed to purchase the Shares from us at a price of \$67.10 per Share. The offering of the Shares was made under Royal Gold's shelf registration statement on Form S-3 (Registration No 333-178691), including a prospectus dated December 22, 2011, as supplemented by a prospectus supplement dated January 10, 2012 filed with the Securities and Exchange Commission on January 12, 2012. The Shares are expected to be delivered to Goldman, Sachs & Co. on or about January 13, 2012.

The Underwriting Agreement contains customary representations, warranties and covenants by Royal Gold, conditions to closing and indemnification provisions. The assertions embodied in the representations and warranties were made or will be made solely for the purpose of the Underwriting Agreement, which governs the contractual rights and relationships, and allocates risks, among the parties thereto, and may be subject to important qualifications and limitations agreed to by Royal Gold and Goldman, Sachs & Co. in connection with negotiating their respective terms. Moreover, the representations and warranties may be subject to a contractual standard of materiality that may be different from that which may be viewed as material to stockholders. For the foregoing reasons, no person should rely on the representations and warranties made by the parties to the Underwriting Agreement as statements of factual information at the time they were made or otherwise. This summary of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement filed herewith as Exhibit 1.1 and incorporated into this Item 1.01 by reference.
