settlement being referred to as T+5). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade New Notes on the date of the prospectus supplement or the next succeeding business day will be required, by virtue of the fact that the New Notes initially settle in T+5, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the New Notes who wish to trade the New Notes on the date of the prospectus supplement of the next succeeding business day should consult their advisors.
