Represents grant of performance stock units under Issuer's 2007 Stock Plan. The award is eligible to vest following a two year performance period (from January 1, 2014 through December 31, 2015) as follows: (1) 70% of the award is eligible to vest upon achievement of certain performance criteria based on EBIT growth, and (2) 30% of the award is eligible to vest upon achievement of certain performance criteria based on return on invested capital. Subject to certain continued employment conditions and subject to accelerated vesting in certain circumstances, the actual number of shares earned will be determined following the two year performance period and will vest on the third anniversary of the original grant date.
