FOR IMMEDIATE RELEASE

ONCOLYTICS BIOTECH CLOSES \$6.36 MILLION PRIVATE PLACEMENT

CALGARY, AB, June 20, 2003 Oncolytics Biotech Inc. (Oncolytics) (TSX:ONC, NASDAQ:ONCY) announced today that it has closed its previously announced private placement. Oncolytics issued 2,120,000 units at an issue price of \$3.00 per unit with each unit consisting of one common share and one-half of one common share purchase warrant. Each whole common share purchase warrant entitles the holder to acquire one common share of Oncolytics upon payment of \$4.00 per share until December 19, 2004. All of the securities issued in connection with this private placement are subject to a four-month hold provision.

Certain registered dealers received a commission of 7.5% of the gross proceeds and a warrant entitling them to acquire a number of common shares of Oncolytics equal to 10% of the number of units issued. Each warrant is exercisable into one common share of Oncolytics upon payment of \$4.00 per warrant until December 19, 2004. Oncolytics will use the proceeds from this financing for general corporate purposes.

After giving effect to this transaction, Oncolytics has 24,511,960 common shares issued and outstanding.

About Oncolytics Biotech Inc.

Oncolytics is a Calgary-based biotechnology company focused on the development of REOLYSIN®, its proprietary formulation of the human reovirus, as a potential cancer therapeutic. Oncolytics' researchers have demonstrated that the reovirus is able to selectively kill human cancer cells *in vitro* that are derived from many types of cancer, including breast, prostate, pancreatic and brain tumours, and have also demonstrated successful cancer treatment results in a number of animal models. Phase I clinical trial results have indicated that there were no toxicology-related issues with the administration of the reovirus, and that the reovirus demonstrated activity in tumours injected with REOLYSIN®.

The securities issued by Oncolytics have not and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or the securities laws of any state of the United States, and may not be offered or sold in the United States absent registration or an applicable exemption therefrom under the 1933 Act and the securities laws of all applicable states.

This press release contains forward-looking statements, within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements, including the Company's expectations related to progress in the clinical trial program and the Company's belief as to the potential of REOLYSIN® as a cancer therapeutic, involve known and unknown risks and uncertainties, which could cause the Company's actual results to differ materially from those in the forward-looking statements. Such risks and uncertainties include, among others, the availability of funds and resources to pursue Research and Development projects, the efficacy of REOLYSIN® as a cancer treatment, the success and timely completion of clinical studies and trials, the Company's ability to successfully commercialize REOLYSIN®, uncertainties related to the research and development of pharmaceuticals, uncertainties related to the regulatory process and general changes to the economic environment. Investors should consult the Company's quarterly and annual filings with the Canadian and U.S. securities commissions for additional information on risks and uncertainties relating to the forward looking statements. Investors are cautioned against placing undue reliance on forward-looking statements. The Company does not undertake to update these forward-looking statements.
