Peace Arch Entertainment Reports Record Revenue Growth for Fiscal 2007

\$61.8 Million in Revenues, a 191% Increase Over 2006, Underscores Success of Strategic Initiatives to Transition into a Fully Integrated Entertainment Company

KEY HIGHLIGHTS:

Company:

Concludes fiscal 2007 with record \$61.8 million in revenues, a 191% increase over 2006.

Reports record year of production with delivery of 12 feature films, 43 episodes of television programming and 9 made-for-TV movies

Announces strategic initiatives to accelerate gains in overall performance and growth

TORONTO--(MARKET WIRE)--Peace Arch Entertainment Group Inc. (Toronto: [PAE.TO](#) - [News](#)) (AMEX:[PAE](#) - [News](#)), an integrated global entertainment company, today announced operating results for the year ended August 31, 2007. The results include record revenues of \$61.8 million, a \$40.5 million or 191% increase over the previous year's revenues of \$21.3 million, demonstrating the success of the Company's initiatives to increase global distribution of its films, television programming and home entertainment products.

Peace Arch reported a net loss of \$(5.7) million, or \$(0.17) per diluted share in fiscal 2007, compared to a net loss of \$(4.6) million, or \$(0.21) per diluted share for fiscal 2006. Included in the results for the year is a \$6.3 million write down in programming in the motion picture segment, attributable almost entirely to film projects produced or developed by Peace Arch prior to fiscal 2005. Excluding this write down, earnings from operations were \$3.5 million and earnings before income taxes were \$1.6 million, which reflects the positive results from both acquisitions and organic growth executed as part of the Company's business plan.

It took longer than we expected to release our year-end statements because of circumstances we previously disclosed, said Jeff Sagansky, Chairman and Chief Executive Officer of Peace Arch Entertainment. While we understand the uncertainty this delay has caused, in light of those circumstances management wanted to assure our Board, our shareholders and the financial community that our review was thorough, accurate, and complete. Now that we have reached the end of that process, we can focus on the story behind fiscal 2007, which is the success of the Peace Arch team in increasing the volume and improving the quality of our product supply while expanding our worldwide distribution and sales capabilities.

During fiscal 2007, the Company increased productivity to deliver 12 new feature films, and had 12 additional features in production at year-end. The Company delivered nine made for television movies and 43 episodes of television programming during the year, including ten hours of its award winning series *the Tudors*. The Company had five television series and one television movie in production at year-end. This rate of production shows significant growth over fiscal 2006, when Peace Arch delivered 10 feature films, 10 episodes of television programming and three made-for-television movies.

Overall, during 2007 Peace Arch filled its sales and distribution pipeline with a diverse array of highly commercial content, and the Company expects to see the financial results of those efforts as these projects are brought to market in fiscal 2008 and 2009, said Mr. Sagansky. We also diversified our revenue streams and enhanced our asset base by acquiring the Castle Hill/Dream film library, the Trinity Home Entertainment U.S. DVD distribution business and Dufferin Gate Productions production services operation and facility. Our investment in 2007 provided a solid groundwork for a strong 2008, during which we expect to further improve our business model by increasing our North American theatrical distribution capabilities and expanding our television production activities while continuing to look for accretive acquisitions of content and distribution channels.

On February 28, Peace Arch announced its intention to restate its audited financial statements for the year ended August 31, 2006 and its unaudited results for the first three quarters of 2007. The impact of these adjustments on the Company's net earnings for the year ended August 31, 2006 amounts to a decrease of \$499,000. For the periods ended November 30, 2006, February 28, 2007 and May 31, 2007, these adjustments result in decreases in net earnings of \$459,000, \$1,003,000 and \$775,000, respectively.

As a result of various audit adjustments relating to the year ended August 31, 2007 and restatement relating to fiscal 2006, the Company has also determined that there were a number of control deficiencies that amounted to material weaknesses in internal control over financial reporting as at August 31, 2007. These deficiencies and the steps the Company is taking to improve its internal controls and remediate those material weaknesses are identified in the Company's MD&A and Item 15 of the 20F.

The Company's MD&A together with its full Financial Statements and Note Disclosure, which are an integral part of those statements, can be found at www.sedar.com <<http://www.sedar.com>>.

Peace Arch has not yet filed its financial statements for the first quarter of fiscal 2008, which is the period ending November 30, 2007. On December 13, 2007 the Ontario Securities Commission (OSC) issued a Management Cease Trade Order that will remain in place until such time as the Company files its first quarter statements. The Company intends to continue complying with the alternative information guidelines of the OSC until such time as it becomes current with its filing obligations.
