- 1) approve the adoption of the Amended and Restated Articles of Incorporation, which would (i) increase the number of our authorized shares of common stock, par value \$0.125 per share (“Common Stock”), from 175,000,000 shares to 275,000,000 shares, (ii) authorize 1,000 shares of preferred stock, no par value (“Preferred Stock”), and authorize our Board of Directors to create one or more series of Preferred Stock and to establish the voting rights, designations, preferences, limitations, and special rights of such series, and (iii) permit our shareholders to take action by partial written consent; and

The proposed new Amended and Restated Articles of Incorporation are set forth in Annex A of the accompanying proxy statement, and the terms of the Preferred Stock we intend to issue, if the adoption of the proposed new Amended and Restated Articles of Incorporation is approved at the special meeting, are set forth in the Statement with Respect to Shares, attached as Annex B of the accompanying proxy statement, and the descriptions thereof are qualified in their entirety by such Annexes.

If the Amended and Restated Articles of Incorporation are approved by the shareholders, the Preferred Stock will have the terms of the Series A Preferred Stock described in “Discussion of Matters for Voting – Proposal to Approve the Adoption of the Amended and Restated Articles of Incorporation – Effects of the New Articles” in the accompanying proxy statement. The Series A Preferred Stock will be issued to OCM PE Holdings, L.P. immediately following approval of the amendment by the shareholders pursuant to the Company’s obligations under the Investment Agreement described in the accompanying proxy statement and the terms of which are set forth in greater detail in the Statement With Respect to Shares attached to the accompanying proxy statement as Annex B.

If you were a shareholder at the close of business on December 10, 2012, you may vote at the special meeting.

If the special meeting is adjourned because a quorum is not present, those shareholders who attend the reconvened adjourned meeting shall constitute a quorum for the purpose of acting upon the matters presented at the adjourned meeting as described in “Introduction - Frequently Asked Questions - Q: What constitutes a quorum?” in the accompanying proxy statement.

The meeting is scheduled for Monday, January 21, 2013, at 5:00 p.m. (PST). If necessary, the meeting may be continued at a later time.

Frequently Asked Questions

The following section includes answers to questions that are frequently asked about the voting process.

Q: How many votes can I cast?

A: Holders of shares of our common stock, par value \$0.125 per share (the “Common Stock”) as of December 10, 2012 are entitled to one vote per share on any proposal considered at the special meeting.

Q: How do I vote?

A: You may vote by telephone at (877) 265-5128, over the Internet at [www.rtcoproxy.com/puls](http://www.rtcoproxy.com/puls) or by signing, dating and returning your proxy card in the postage-paid envelope provided. If you are a registered shareholder or have a legal proxy from your custodian, you may vote in person at the special meeting. If you choose to vote via telephone or internet, we must receive your vote no later than 3 a.m. (EST) January 21, 2013 in order for your vote to be counted at the special meeting. If you choose to vote via mailing the enclosed proxy card, we must receive your vote no later than 3 p.m. (PST) January 21, 2013 in order for your vote to be counted at the special meeting.

Q: How do I vote if I hold shares in the Pulse Electronics 401(k) plan?

A: If you are a participant in our 401(k) plan, the enclosed proxy card will serve to direct Fidelity Management Trust Company, as trustee of our 401(k) plan, how to vote the shares of our Common Stock attributable to your individual account. Fidelity will vote shares as instructed by participants. If you do not provide voting directions to Fidelity by 3 a.m. (EST) on January 16, 2013, the shares attributable to your account will not be voted.

Table of Contents

Q: What vote is necessary to approve the proposal?

A: Approval of the proposal to adopt the Amended and Restated Articles of Incorporation (the “New Articles”) requires the affirmative vote of a majority of shares represented in person or by proxy at the special meeting and entitled to vote, assuming a quorum is present.

We entered into a Voting and Support Agreement dated November 7, 2012 (the “Voting Agreement”) with substantially all of our officers and directors in which they, in their capacity as shareholders, agreed to vote any and all shares held by them (i) in favor of the proposal to approve the adoption of the New Articles and (ii) against any shareholder proposal that would reasonably be likely to result in our breach of the Investment Agreement dated as of November 7, 2012 (the “Investment Agreement”) by and among us, Technitrol Delaware, Inc. (“Technitrol”), Pulse Electronics (Singapore) Pte. Ltd, and certain affiliates of investment funds managed by Oaktree Capital Management, L.P. (such affiliates of such investment funds collectively, “Oaktree”), or impair our ability to consummate our recapitalization, which is summarized below. See “BACKGROUND OF OUR RECAPITALIZATION WITH OAKTREE.” In the aggregate, these officers and directors beneficially owned approximately 2% of our outstanding Common Stock as of November 21, 2012. Furthermore, we expect OCM PE Holdings, L.P. (the “Oaktree Owner”) to vote all shares of Common Stock that it beneficially owns in favor of the proposal. According to a Schedule 13D filed by the Oaktree Owner on November 21, 2012, the Oaktree Owner beneficially owned 38,446,588 shares of Common Stock, representing approximately 48% of our outstanding Common Stock. Therefore, we believe that it is likely that the proposal to adopt the New Articles will be approved by our shareholders at the special meeting.

Q: Are proxy materials available on the Internet?

A: Yes. Please see the notice below:

Important notice regarding the availability of proxy materials  
for the special shareholder meeting to be held on January 21, 2013.

Our Proxy Statement is available on our Web site at  
<http://phx.corporate-ir.net/phoenix.zhtml?c=83040&p=proxy>

Q: How will the proxies be voted?

A: Proxies signed and received in time will be voted in accordance with your directions. Unless otherwise directed, the shares will be voted for the proposal to approve the adoption of the New Articles. The proposed New Articles are set forth in Annex A of the proxy statement and the terms of the Series A Preferred Stock we intend to issue (the “Series A Preferred Stock”), if the adoption of the proposed New Articles are approved at the special meeting, are set forth in the Statement with Respect to Shares, attached as Annex B of the proxy statement and the descriptions thereof are qualified in their entirety by such Annexes. If the New Articles are approved by the shareholders, the Series A Preferred Stock will be issued to the Oaktree Owner immediately following approval pursuant to the Company’s obligations under the Investment Agreement described in the proxy statement.

If you later wish to revoke your proxy, you may do so by notifying our Corporate Secretary in writing prior to the vote at the special meeting. If you timely revoke your proxy by notifying our Corporate Secretary in writing, you can still vote in person at the special meeting.

Table of Contents

Q: What constitutes a quorum?

A: The holders of a majority of our issued and outstanding shares entitled to vote, present in person or represented by proxy, constitute a quorum for the conduct of business at the special meeting. Abstentions are counted as present for establishing a quorum so long as the shareholder has executed a valid proxy or is physically present at the special meeting. If the special meeting is adjourned for one or more periods aggregating at least 15 days due to the absence of a quorum, shareholders who are entitled to vote and who attend the special meeting that has previously been adjourned because of an absence of a quorum, even though they do not constitute a quorum as described above, will constitute a quorum for the purpose of acting on the proposal to approve the adoption of the New Articles at such meeting.

Q: What is the impact of broker non-votes and abstentions?

A: Broker nonvotes occur on a matter when a bank, brokerage firm or other nominee is not permitted by applicable regulatory requirements to vote on that matter without instruction from the owner of the shares and no instruction is given. Under the rules of the New York Stock Exchange, LLC (“NYSE”) that govern brokers and nominees who have record ownership of shares that are held in “street name” for account holders (who are the beneficial owners of the shares), brokers typically have the discretion to vote such shares on routine matters, but not on non-routine matters. We believe that the proposal to approve the adoption of the New Articles is a non-routine matter under NYSE rules, and therefore, that brokers will not have discretionary authority to vote on that proposal. Accordingly, if an account holder does not provide its broker with voting instructions, a broker non-vote will occur on the proposal. Broker non-votes and abstentions are not counted as votes against the proposal. For purposes of a quorum, a broker non-vote will not be present unless its proxy casts a vote on some matter.

Q: How many shares are outstanding?

A: There are 79,888,047 shares of Common Stock entitled to vote at the special meeting. This was the number of shares outstanding on December 10, 2012. There are no other classes of stock outstanding and entitled to vote.

Q: Who pays for soliciting the proxies?

A: We will pay the cost of soliciting proxies for the special meeting, including the cost of preparing, assembling and mailing the notice, proxy card and proxy statement. We may solicit proxies by mail, over the Internet, telephone, facsimile, through brokers and banking institutions, or by our officers and regular employees.

Q: Why am I being asked to vote on the proposal?

A: We believe the proposal is in the best interests of our company and are required to submit it to our shareholders under the terms of the Investment Agreement in order to effectuate the terms of the recapitalization. See “BACKGROUND OF OUR RECAPITALIZATION WITH OAKTREE,” and “Discussion of Matters for Voting – Proposal to Approve the Adoption of the Amended and Restated Articles of Incorporation – Reasons for the New Articles.”

Table of Contents

Q: How does our Board of Directors recommend that I vote?

A: Our Board recommends that shareholders vote “FOR” for the proposal. The form of the New Articles is set forth in Annex A to this Proxy Statement, and the descriptions of the New Articles and the Statement with Respect to Shares in this proxy statement are qualified in their entirety by the forms of the New Articles and the Statement with Respect to Shares in Annexes A and B, respectively.

If the New Articles are approved by the shareholders, the Preferred Stock will have the terms of the Series A Preferred Stock described in “Discussion of Matters for Voting – Proposal to Approve the Adoption of the Amended and Restated Articles of Incorporation – Effects of the New Articles” in the proxy statement. The Series A Preferred Stock will be issued to the Oaktree Owner immediately following approval of the New Articles by the shareholders pursuant to the Company’s obligations under the Investment Agreement described in the proxy statement and set forth in greater detail in the Statement With Respect to Shares on Annex B.

BACKGROUND OF OUR RECAPITALIZATION WITH OAKTREE

Since 2008, our revenues and earnings have decreased significantly due to a variety of factors, including recessionary economic conditions, weaknesses in our specific markets, and the negative effects of leverage and debt service costs, including interest expense. As a result, we have been facing liquidity and capital resource difficulties, and have also suffered a progressive decline in the market capitalization of our Common Stock.

In response to the aforementioned liquidity and capital resource difficulties and the progressive decline of our market capitalization, we entered into agreements with Oaktree to recapitalize our company. The issuance of shares of Common Stock in connection with the recapitalization transactions described below would normally require approval of our shareholders according to the shareholder approval policy of the NYSE. The audit committee of our Board of Directors determined that the delay necessary to obtain shareholder approval prior to securing the arrangements with Oaktree would seriously jeopardize the financial viability of our company due to its liquidity constraints. Therefore, the audit committee pursued an exception provided in the NYSE's shareholder approval policy and applied to the NYSE to waive the shareholder approval requirement. The NYSE accepted our application for the exception. In reliance on the exception, we consummated the first phase of the recapitalization with Oaktree on November 20, 2012. We believe it is useful to summarize the material terms of the recapitalization in the discussion below.

Recapitalization Transactions

On November 20, 2012 (the "Closing Date"), we consummated the first phase of a recapitalization with Oaktree, pursuant to which Oaktree invested \$75 million in cash and exchanged approximately \$27.7 million in principal amount of our company's \$50 million in outstanding 7% Convertible Senior Notes due 2014 (our "Senior Convertible Notes") held by Oaktree. We expect to close the second phase of the recapitalization during 2013. We are required to submit the proposal contained in this proxy statement to our shareholders under the terms of the Oaktree recapitalization.

The recapitalization was effected pursuant to the terms of the Investment Agreement and an amended and restated Credit Agreement (the "Credit Agreement") dated as of November 7, 2012, by and among us, Pulse Electronics (Singapore) Pte Ltd (the "Singapore Borrower"), certain affiliates of Oaktree, as lenders, and JPMorgan Chase Bank, N.A., as administrative agent (the "Agent") (as such Credit Agreement was amended by that certain Letter Agreement, dated as of November 19, 2012, among us, the Singapore Borrower, the Agent and the lenders). Summaries of material terms of the Investment Agreement and the Credit Agreement are set forth below, and the Investment Agreement, which requires us to seek shareholder approval for the adoption of the New Articles, is attached to this proxy statement as Annex C.

The initial phase of the recapitalization consisted of (1) a \$75 million senior secured Term A Loan, of which we used approximately \$55 million to retire outstanding debt under our existing senior secured credit facility and will use approximately \$20 million for working capital, transaction fees and general business purposes; (2) an approximately \$28.5 million secured Term B Loan, issued in exchange for approximately \$27.7 million principal amount of our outstanding Senior Convertible Notes previously held by Oaktree (on which Senior Convertible Notes approximately \$0.8 million of unpaid interest had accrued); (3) the issuance to the Oaktree Owner of 36,729,182 shares of our Common Stock; and (4) the issuance to the Oaktree Owner of a warrant (the "Technitrol Warrant") to purchase 19.9% of the common stock of our wholly-owned subsidiary, Technitrol. Technitrol is the direct or indirect parent of all of our other subsidiaries and therefore directly or indirectly owns substantially all of our assets. The Technitrol Warrant will terminate if the proposal to adopt the New Articles is approved and we issue 1,000 shares of Preferred Stock to the Oaktree Owner, as described below.

Table of Contents

If the adoption of the New Articles is approved by our shareholders, the Preferred Stock will have the terms of the Series A Preferred Stock described in “Discussion of Matters for Voting – Proposal to Approve the Adoption of Amended and Restated Articles of Incorporation – Effects of the New Articles” below. The Series A Preferred Stock will be issued to the Oaktree Owner immediately following approval of the New Articles by the shareholders pursuant to the Company’s obligations under the Investment Agreement. In the event that the indenture for our Senior Convertible Notes is discharged or the conversion of the Series A Preferred Stock would not otherwise constitute a “change in control” under the terms of that indenture, the Series A Preferred Stock will automatically convert into an additional number of shares of Common Stock that would result in the Oaktree Owner having received 64.3795% of our equity under the Investment Agreement (on a pro-forma fully diluted basis as of immediately following the Closing Date and without giving effect to shares of Common Stock and warrants owned by Oaktree prior to the Closing Date).

Subject to shareholder approval of the proposal to adopt the New Articles, we will issue the Series A Preferred Stock to the Oaktree Owner. If our shareholders do not approve the proposal, the Oaktree Owner will be entitled to exercise the Technitrol Warrant and purchase 19.9% of the outstanding common stock of Technitrol for an aggregate exercise price of \$2.48 for a period beginning on the earlier of (i) five business days following this special meeting, if the proposal to adopt the New Articles is not approved by the shareholders, or (ii) March 1, 2013 (or, in either case, such later date as shall be specified in writing by Oaktree in their sole discretion, at least three business days prior to the applicable date), and ending on March 1, 2023. However, if the proposal is approved and the Series A Preferred Stock is issued to the Oaktree Owner, the Technitrol Warrant will terminate.

In the second phase of the recapitalization, we intend to offer each holder of our outstanding Senior Convertible Notes the option to receive, in exchange for their Senior Convertible Notes, (i) new Term B Loan debt in a principal amount equaling up to 80% of the principal amount of such holder’s Senior Convertible Notes and (ii) shares of Common Stock (the “Exchange Offer”). To the extent, following the completion of the Exchange Offer, the holders of 90% or more of the Senior Convertible Notes, including those already exchanged by the Oaktree Owner in the initial phase, have exchanged their Senior Convertible Notes for Term B Loans and Common Stock, then the approximately \$28.5 million portion of the Oaktree Owner’s Term B Loan will be reduced by 20%. If all the Senior Convertible Notes are retired, following completion of the Exchange Offer, the former holders of such Senior Convertible Notes would hold 15.6205% of our equity (on a pro-forma fully diluted basis as of immediately following the Closing Date and without giving effect to any shares of Common Stock or warrants owned by such holders prior to and independent of the Exchange Offer).

Following the completion of the Exchange Offer and, assuming the issuance of the Series A Preferred Stock, prior to the automatic conversion of the Series A Preferred Stock into Common Stock, in the event the Oaktree Owner’s percentage ownership of outstanding shares of Common Stock falls below 49%, we have agreed to issue to the Oaktree Owner additional shares of our Common Stock to maintain the Oaktree Owner’s ownership of our then outstanding Common Stock at 49%, until such time as it has received all shares of Common Stock it is ultimately entitled to receive in the recapitalization.

## Table of Contents

### Investment Agreement

In addition to the recapitalization transactions described above, the Investment Agreement contains the following important provisions. The foregoing and following description of the Investment Agreement is qualified in its entirety by the Investment Agreement set forth in Annex C.

### Directors

The Investment Agreement gives Oaktree the right to designate (i) up to three individuals to our slate of director nominees at any shareholder meeting so long as Oaktree owns at least 50% of the stock which it receives in the recapitalization, (ii) up to two individuals to our slate of director nominees at any shareholder meeting so long as Oaktree owns less than 50% but more than 25% of the stock it receives in the recapitalization, and (iii) one individual to our slate of director nominees at any shareholder meeting so long as Oaktree owns less than 25% but greater than 5% of the stock it receives in the recapitalization. Prior to Oaktree's exercise of these rights in connection with a shareholders meeting, we have agreed to take such action as may be necessary to appoint Oaktree designees to our Board of Directors (in the same numbers based upon the same levels of Oaktree's stock ownership), in the event Oaktree requests that we do so.

### Top-Up

The Investment Agreement gives Oaktree a five-year irrevocable option to purchase capital stock on the same terms and amounts following any sale of capital stock to third-parties (subject to customary exceptions) in order for Oaktree to maintain a 64.3795% equity interest in our equity on a fully-diluted basis. However, prior to the conversion of our Series A Preferred Stock into shares of Common Stock, the exercise of this option cannot result in Oaktree beneficially owning more than 49% of our outstanding Common Stock.

### Registration Rights

Pursuant to the Investment Agreement, we entered into a Registration Rights Agreement, dated November 19, 2012, with the Oaktree Owner (the "Registration Rights Agreement"). Subject to other limitations set forth in the Registration Rights Agreement, we granted (i) to the Oaktree Owner unlimited demand and piggy-back registration rights to register the securities issued in connection with the recapitalization and (ii) to our 10% or greater stockholders other than the Oaktree Owner (the "Major Shareholders"), (a) one demand registration right on Form S-1 in the aggregate, (b) two demand registration rights on Form S-3 in the aggregate and (c) unlimited piggy-back registration rights. Each registration right granted the Major Shareholders is exercisable only after six months following our next public offering.

### Negative Covenants

We agreed in the Investment Agreement that, for so long as Oaktree owns at least 50% of the stock which it received as part of the recapitalization, we would not, without Oaktree's prior written consent, take any of the following actions:

- amend or alter the terms of the Preferred Stock or take any action that would have an adverse effect on the rights, privileges or preferences of such Preferred Stock;
- other than pursuant to certain other customary exceptions, increase the authorized number of shares of Common Stock or issue any shares of our capital stock, other than the issuance of authorized Common Stock;

Table of Contents

- authorize, designate or issue or obligate us to issue, whether by reclassification or otherwise, any class of stock other than Common Stock;
- incur any indebtedness or any indebtedness on our subsidiaries on a consolidated basis having an aggregate principal amount of more than \$5 million; except for (x) the incurrence of any indebtedness existing as of November 7, 2012 or contemplated by the recapitalization or that is otherwise permitted under the Credit Agreement, or (y) the refinancing of indebtedness under the Credit Agreement (1) in a principal amount not to exceed the aggregate amount of all loans and commitments then outstanding under the Credit Agreement (at the time of such refinancing) and (2) on terms no less favorable us and/or any of our subsidiaries with respect to interest expense on such refinanced indebtedness than are then in effect under the Credit Agreement (at the time of such refinancing);
- create any pledges, liens, charges, mortgages, encumbrances or security interests of any kind or nature upon any of our material assets or any of our subsidiaries;
- sell, assign, transfer, convey or otherwise dispose of material assets (including material equity of any subsidiary) or permit any subsidiary to do any of the foregoing;
- engage in any (x) transaction or a series of related transactions that results in the Common Stock and the Preferred Stock on an as-converted basis being converted into less than a majority of the combined voting stock of the surviving entity or a sale of all or substantially all of our assets, or (y) any other merger, consolidation, reclassification, recapitalization or similar transaction by us or any of our subsidiaries;
- (x) acquire any business or entity, by merger, consolidation or other purchase of substantial assets of any person or entity or equity interests of any entity, in a single transaction or a series of related transactions, other than assets with a fair market value as determined in good faith by our Board of less than \$5 million or (y) invest in any person or entity other than us or any subsidiary of ours in which we, directly or indirectly, own at least 80% of each class of equity securities and other than investments with a fair market value as determined in good faith by our Board of less than \$5 million;
  - increase the number of directors of our Board beyond seven directors;
- make any offer to the holders of Senior Convertible Notes in respect of the acquisition or exchange of their Senior Convertible Notes except as contemplated by the terms of the Exchange Offer or the payout of such Senior Convertible Notes in accordance with the indenture in respect of such notes; or
  - engage in related party transactions, subject to customary exceptions.

Voting and Support Agreement

Pursuant to the Investment Agreement, we entered into the Voting and Support Agreement with substantially all of our officers and directors in which they, in their capacity as shareholders, agreed among other things to vote any and all shares held by them (i) in favor of the proposal to approve the adoption of the New Articles and (ii) against any shareholder proposal that would reasonably be likely to result in our breach of the Investment Agreement or impair our ability to consummate the recapitalization.

Table of Contents

In the aggregate, these officers and directors beneficially owned approximately 2% of our outstanding Common Stock as of November 21, 2012. Furthermore, we expect the Oaktree Owner to vote all shares of Common Stock that it beneficially owns in favor of the proposal. According to a Schedule 13D filed by the Oaktree Owner on November 21, 2012, the Oaktree Owner beneficially owned 38,446,588 shares of Common Stock, representing approximately 48% of our outstanding Common Stock. Therefore, we believe that it is likely that the proposal to adopt the New Articles will be approved by our shareholders.

Credit Agreement

Our new Term A Loan and Term B Loan credit facilities were created pursuant to the Credit Agreement. The interest rate on the Term A Loan is 12% per annum, and the interest rate on the Term B Loan is 10% per annum. Interest on each term loan may, at our election, be paid in cash or paid in kind (in the form of additional principal) for the first three years, but can only be paid in cash thereafter. These new term loans mature five years after the Closing Date and are (or will be) secured by a first lien on the collateral that secured our pre-existing senior secured credit facility and on our available unencumbered assets. The term loans are non-amortizing and may be prepaid without any penalty. While the Term B Loan is not junior in relative lien priority to the Term A Loan, the Term B Loan may not be repaid until the Term A Loan is paid in full.

Outstanding borrowings are subject to continuing compliance with certain leverage ratio covenants (computed on a quarterly basis as of the most recent quarter end), including, a secured leverage ratio covenant and a total net debt leverage ratio covenant. The secured leverage ratio is calculated based upon the ratio of (i) the total amount of qualifying secured indebtedness we owe, to (ii) consolidated EBITDA for the most recently ended four consecutive quarters. The total net debt leverage ratio is calculated based upon the ratio of (i) the total amount of qualifying indebtedness we owe (minus, certain amounts of qualifying cash and cash equivalents that we own), to (ii) consolidated EBITDA for the most recently ended four consecutive quarters. Each of the leverage ratio covenants imposes varying (and descending) ratio levels (to be tested, through the end of the facility, as of the last day of each specified test period, commencing on December 31, 2012), which we may not at any time exceed.

The Credit Agreement also contains other customary provisions, including representations and warranties, negative and affirmative covenants and events of default. We and certain of our subsidiaries, both domestic and international, have guaranteed the obligations of the Singapore Borrower. Also, to secure the performance of such loan and guarantee obligations, we, the Singapore Borrower and certain other domestic and international subsidiaries have pledged their shares, as well as selected accounts receivable, inventory, machinery and equipment and other assets as collateral. If we, the Singapore Borrower or any of our other subsidiary guarantors default on our obligations, Oaktree may (subject to the terms of the applicable loan and security documents) take possession of the collateral and may license, sell or otherwise dispose of those related assets in order to satisfy the obligations under the Credit Agreement and the other loan documents.

The descriptions of the Credit Agreement are qualified in their entirety by the Form 8-K dated November 16, 2012 and the relevant exhibit on file with the SEC.

DISCUSSION OF MATTERS FOR VOTING

PROPOSAL TO APPROVE THE ADOPTION OF THE AMENDED AND RESTATED  
ARTICLES OF INCORPORATION

Our Board of Directors has unanimously approved and recommends that shareholders vote FOR the adoption of the New Articles in the form set forth in Annex A to this Proxy Statement.

Changes Made by the New Articles

The proposed New Articles would make the following changes to our existing Amended and Restated Articles of Incorporation (the “Existing Articles”).

Increase the Number of Shares of Common Stock We May Issue

The New Articles would increase the number of shares of Common Stock we are authorized to issue from 175,000,000 to 275,000,000.

Authorize the Issuance of Preferred Stock and Authorize our Board of Directors to Establish the Terms of the Preferred Stock

Our Existing Articles authorize the issuance of shares of Common Stock. The New Articles would authorize the issuance of up to 1,000 shares of Preferred Stock. The New Articles would also authorize our Board of Directors to establish the series and the number of the shares of each series of Preferred Stock and the voting powers, designations, preferences, limitations, restrictions and relative rights of the shares of each series of Preferred Stock. If the proposal to approve the adoption of the New Articles is approved at the special meeting, the Investment Agreement requires us to have our Board of Directors designate all 1,000 shares of Preferred Stock as Series A Preferred Stock having the terms described under “Effects of the New Articles” below and set forth in the Statement With Respect to Shares attached to this proxy statement as Annex B. The Series A Preferred Stock would be issued to the Oaktree Owner immediately following approval of the proposal by the shareholders pursuant to the Company’s obligations under the Investment Agreement.

Our Existing Articles authorize our Board of Directors to create one or more additional series or classes of Common Stock and to establish the voting rights, preferences, limitations and special rights of the shares of such class or series of Common Stock. The Existing Articles require that in exercising this authority, our Board of Directors determine that the sole purpose for the designation and issuance of such class or series of Common Stock is to raise capital necessary for a proper business purpose and not for a takeover defense or other anti-takeover measure. Under the New Articles, the Board would no longer have the authority to create one or more additional series or classes of Common Stock. Rather, the Board would have the authority to establish new series of Preferred Stock within the 1,000 shares that would be authorized as described above. In addition, in exercising its authority to create series of Preferred Stock under the New Articles, our Board of Directors would not be required to make any determination with respect to the purpose for exercising that authority. The Board intends to issue all 1,000 Shares of Series A Preferred Stock to the Oaktree Owner

Table of Contents

Authorize Shareholder Action by Partial Written Consent

The New Articles would provide shareholders with the ability to take any action required or permitted to be taken at a shareholders meeting by the written consent of shareholders entitled to cast the minimum number of votes required to authorize the action at a meeting.

Reasons for the New Articles

We are obligated to seek shareholder approval for the adoption of the New Articles under the terms of the Investment Agreement and we believe the adoption of the New Articles is in the best interest of our company. We need the authority which would be provided by the New Articles to issue up to 1,000 shares of Preferred Stock and to issue additional shares of Common Stock to be able to complete the recapitalization.

In the event we are unable to issue the Series A Preferred Stock to the Oaktree Owner, it would be entitled to exercise its warrant to purchase 19.9% of the common stock of Technitrol, our wholly-owned subsidiary, for an exercise price of \$2.48. Technitrol is the direct or indirect parent of all of our other subsidiaries and therefore directly or indirectly owns substantially all of our assets. The Technitrol Warrant will terminate upon issuance of the Series A Preferred Stock to the Oaktree Owner, assuming we obtain shareholder approval for the adoption of the New Articles as expected.

We also need to increase the number of additional shares of Common Stock we are authorized to issue to be able to issue shares in the Exchange Offer and upon the conversion of the Series A Preferred Stock in accordance with its terms. Our Existing Articles currently authorize us to issue 175,000,000 shares of Common Stock. As of November 21, 2012, a total of 79,888,047 shares of Common Stock were issued and outstanding and we had 6,759,636 shares of Common Stock reserved for issuance pursuant to our equity plans and outstanding warrants. Furthermore, we have reserved 4,336,578 shares of Common Stock for the conversion of our outstanding Senior Convertible Notes. If all the Senior Convertible Notes are retired in the Exchange Offer, we would be required to issue 35,004,928 shares of Common Stock to the holders of the Senior Convertible Notes in connection with the Exchange Offer, and 107,542,753 shares of Common Stock to Oaktree for the conversion of the Series A Preferred Stock.

Furthermore, we believe that an increase to 275,000,000 shares of authorized Common Stock is in the best interests of our company because such an increase would permit us to issue approximately 45,804,636 additional shares of Common Stock for purposes other than the recapitalization, assuming all the Senior Notes are retired in the Exchange Offer. These extra shares of authorized Common Stock would be available for issuance from time to time as our Board of Directors determine for any proper corporate purpose. Such purposes might include, without limitation, issuance in public or private sales for cash as a means of obtaining additional working capital and issuance under our an incentive plan for our employees, executives and directors.

We have included new Article TENTH in the New Articles, providing for shareholder action by partial written consent, to more effectively provide for that right approved by our shareholders at our 2010 annual meeting. At that earlier meeting, our shareholders approved an amendment to our bylaws to provide for shareholder action by partial written consent. However, since we are a “registered corporation” under the Pennsylvania Business Corporation Law, shareholder action by partial written consent can only be authorized in our Articles of Incorporation.

### Effects of the New Articles

The authority provided by the New Articles to issue up to 1,000 shares of Preferred Stock and to issue additional shares of Common Stock would permit us to complete the Oaktree recapitalization, and provide us with the ability to issue additional shares of Common Stock for other purposes in the future. The issuance of the Preferred Stock and Common Stock in connection with the recapitalization will substantially dilute the earnings per share of the Common Stock and the equity and voting rights of our existing holders of Common Stock. The Company has opted out of certain provisions of the Pennsylvania Business Corporation Law that would provide preemptive rights to existing shareholders under certain circumstances, and as such, other than the Oaktree Owner pursuant to the Investment Agreement, no existing shareholder has a right to receive the Shares contemplated to be issued in connection with the adoption of the New Articles or the recapitalization.

If the adoption of the New Articles is approved by our shareholders, our Board of Directors will have the authority to issue the Series A Preferred Stock to the Oaktree Owner, which will result in the termination of the Technitrol Warrant. The issuance of the Series A Preferred Stock to Oaktree pursuant to the Investment Agreement would utilize all of the Preferred Stock we would be authorized to issue under the New Articles. If issued, the Series A Preferred Stock would rank, with respect to any matter, including any dividend, distribution rights or redemption rights, equally in priority and preference to all of our Common Stock, except that (i) in the event of any voluntary or involuntary liquidation, dissolution or winding up, the holders of the Series A Preferred Stock would be entitled to be paid out of the assets of the Corporation available for distribution to its shareholders, before any payment is made to the holders of any other shares of our capital stock, in an amount per share equal to ten (10) cents, and (ii) the holders of the Series A Preferred Stock will have the limited voting rights with respect to matters affecting the rights of the Preferred Stock summarized below and set forth in more detail in the Statement with Respect to Shares attached as Annex B to this proxy statement.

At any time that the shares of our Series A Preferred Stock are outstanding, any of the following actions would require the affirmative vote or prior consent of the holders of a majority of the shares of Series A Preferred Stock:

- amending, altering, or repealing any provision of the Series A Preferred Stock;
- adopting, amending, altering or repealing our Articles of Incorporation or Bylaws, or any board resolution or other instrument creating common or preferred stock or any other class of stock if such action would have an adverse effect on the rights, privileges, or preferences of the Series A Preferred Stock;
- increasing the authorized number of shares of our Common Stock or issuing any capital stock other than Common Stock, except pursuant to the Investment Agreement, a benefit or compensation plan, or a stock split; or
- authorizing or designating any capital stock that is senior to or on par with our Preferred Stock other than our Common Stock.

The holders of the Series A Preferred Stock would have no other voting rights, except as may be provided by the provisions of the Pennsylvania Business Corporation Law. The holders of the Series A Preferred Stock will not be entitled to vote generally in the election of our directors.

In the event that the indenture for our Senior Convertible Notes is discharged or the conversion of the Preferred Stock would not otherwise constitute a “change in control” under the terms of that indenture, the Series A Preferred Stock would automatically convert into such number of shares of our Common Stock that would result in the Oaktree Owner having received 64.3795% of our equity under the Investment Agreement (on a pro-forma fully diluted basis as of immediately following the Closing Date and without giving effect to shares of Common Stock and warrants owned by

Oaktree prior to the Closing Date).

Table of Contents

Although holders of our Preferred Stock will have a liquidation preference over the holders of our Common Stock, we believe that the liquidation preference is immaterial to the holders of our Common Stock because the liquidation preference is \$0.10 per share, and only 1,000 shares of Preferred Stock would authorized for issuance under the New Articles.

Effectiveness of New Articles

If the adoption of the New Articles is approved at the special meeting, they will become effective upon the filing of articles of amendment with the Pennsylvania Department of State. The shares of Series A Preferred Stock will be issued pursuant to, and effective upon, the filing of the Statement with Respect to Shares with the Pennsylvania Department of State. If approved, the Company expects to file both the New Articles and the Statement with Respect to Shares promptly following the approval of the New Articles at the special meeting.

No Dissenters Rights

The provisions of the Pennsylvania Business Corporation Law which provide shareholders with dissenters rights with respect to certain corporate actions do not apply to the proposal to approve the adoption of the New Articles.

The proposed new Amended and Restated Articles of Incorporation are set forth in Annex A of the proxy statement and the terms of the Preferred Stock we intend to issue, if the adoption of the proposed new Amended and Restated Articles of Incorporation are approved at the special meeting, are set forth in the Statement with Respect to Shares, attached as Annex B of the proxy statement, and the descriptions thereof are qualified in their entirety by such Annexes.

OTHER MATTERS

Our Board of Directors does not know of any other matters that may come before the special meeting. However, if any other matters are properly presented to the special meeting, then, to the extent permitted by applicable law, the persons named as proxies may vote, or otherwise act, in accordance with their judgment on such matters.

We do not expect representatives of our independent accounting firm, KPMG LLP, to be present at the special meeting, and therefore, we do not expect them to make a statement or be available to respond to questions at the meeting.

CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS

To the extent that statements in this proxy statement are not strictly historical, including statements about the future steps in our recapitalization (including, without limitation, the Exchange Offer), objectives, plans, intentions, goals or otherwise as to future events, such statements are forward-looking, and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The forward-looking statements contained in this proxy statement are subject to certain risks and uncertainties that could cause actual results to differ materially from the statements made. These forward-looking statements involve risks and uncertainties, which include, without limitation the expected or potential benefits of the authorization and issuance of the Preferred Stock and the increase in the authorized shares of Common Stock and the possibility that these benefits may not occur; the risk that the planned recapitalization may not be completed or may not improve our financial condition; our ability to designate and issue the Preferred Stock and increase the authorized shares of Common Stock; and the consequences of the planned recapitalization, including the dilution of current shareholders and a single shareholder holding a significant amount of our outstanding shares. Such risks and others are further described in our filings with the Securities and Exchange Commission including the most recent reports on Forms 10-K, 10-Q and 8-K, and any amendments thereto.

## PERSONS OWNING MORE THAN FIVE PERCENT OF OUR STOCK

The following table describes persons we know to have beneficial ownership of more than 5% of our Common Stock at December 10, 2012. Our knowledge is based on reports filed with the Securities and Exchange Commission by each person or entity listed below. Beneficial ownership refers to shares of Common Stock that are held directly or indirectly by the owner. No other classes of stock are outstanding.

Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percent of Class
OCM PE Holdings, L.P. 333 South Grand Avenue, 28th Floor Los Angeles, California 90071	39,145,143(1)	49.0%

(1)Of the 39,145,143 shares reported as beneficially owned by OCM PE Holdings, L.P. and its affiliates, OCM PE Holdings, L.P. has both sole voting power and sole dispositive power over all 39,145,143 shares (which includes currently exercisable warrants to purchase shares). This information is based on a Schedule 13D filed on November 21, 2012.

In the event that the indenture for our Senior Convertible Notes is discharged or the conversion of the Preferred Stock would not otherwise constitute a “change in control” under the terms of that indenture, the Series A Preferred Stock would automatically convert into such number of shares of our Common Stock that would result in the Oaktree Owner having received 64.3795% of our equity under the Investment Agreement (on a pro-forma fully diluted basis as of immediately following the Closing Date and without giving effect to shares of Common Stock and warrants owned by Oaktree prior to the Closing Date). The issuance of Common Stock upon conversion of the Series A Preferred Stock could result in a future change in control of our company.

SHAREHOLDER PROPOSALS FOR 2013 ANNUAL MEETING

Under the rules of the SEC, eligible shareholders may submit proposals for inclusion in the proxy statement for our 2013 annual meeting. Shareholder proposals needed to be submitted in writing and must have been received by the Corporate Secretary at the address provided previously in the proxy statement for our 2012 annual meeting by December 8, 2012 for them to be considered for inclusion in the proxy statement for our 2013 annual meeting.

Under our bylaws, you may present proposals in person at the 2013 annual meeting if you are a shareholder entitled to vote. The Corporate Secretary must receive any proposals to be presented, which will be included in next year's proxy statement, no earlier than January 18, 2013 and not later than February 17, 2013; provided, however, if next year's annual meeting is held before April 18, 2013 or after July 17, 2013, any such proposals may be submitted no later than the 10th day following the date on which notice of the 2013 annual shareholders meeting is mailed or the public disclosure of the date of the annual shareholders' meeting was made, whichever occurs first. Proposals received after the deadline, including any proposal nominating a person as a director, may not be presented at the 2013 annual meeting. Any shareholder submitting a proposal must also comply with the notice requirements contained in our bylaws.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement/prospectus and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies. A number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single proxy statement/prospectus will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement/prospectus, please notify your broker, direct your written request to us at Pulse Electronics Corporation, 12220 World Trade Drive, San Diego, CA 92128, Attn: Corporate Secretary. Stockholders who currently receive multiple copies of the proxy statement/prospectus at their address and would like to request "householding" of their communications should contact their broker.

WHERE YOU CAN FIND MORE INFORMATION

This means that we can disclose important information by referring to another document filed separately with the SEC. Information incorporated by reference is considered to be part of this proxy statement. This proxy statement and the information we later file with the SEC may update and supersede the information incorporated by reference. Similarly, the information that we later file with the SEC may update and supersede the information in this proxy statement. Table of Contents

1. The Board of Directors is hereby expressly authorized, at any time or from time to time, to divide any or all of the shares of Preferred Stock into one or more other series, and in the resolution or resolutions establishing a particular series, before issuance of any of the shares thereof, to fix and determine the number of shares and the designation of such series, so as to distinguish it from the shares of all other series and classes, and to fix and determine the voting rights, designations, preferences, limitations, and special rights (including, without limitation, qualifications, privileges, options, conversion rights, restrictions, and other rights) of such series. - (a) The number of shares to constitute the series and the distinctive designation thereof;
- (b) the annual dividend or dividend rate, if any, for such series, and the date or dates from which dividends shall commence to accrue;

- (h) the relative seniority, priority or junior rank of such series as to dividends or assets with respect to any other classes or series of capital stock then or thereafter to be issued; and
- (i) such other voting rights, designations, preferences, privileges, qualifications, limitations, restrictions, and special or relative rights, if any, of shares of such series as the Board of Directors may, at the time of such resolution or resolutions, lawfully fix or determine under the laws of the Commonwealth of Pennsylvania;

such authority of the Board of Directors shall be subject to compliance with any shareholder approval required under the express terms of any series of Preferred Stock set forth in these Articles of Incorporation, as amended from time to time, or in a resolution or resolutions establishing any particular series of Preferred Stock.

Table of Contents

2. The holders of Common Stock shall have one vote per share.
3. The Common Stock shall be subject to the prior rights of holders of any series of Preferred Stock outstanding, according to the preferences, if any, of such series.
4. Shares of the Corporation may be certificated or uncertificated, as provided under Pennsylvania law, and this Article FIFTH shall not be interpreted to limit the authority of the Board of Directors to issue any or all classes or series of shares of the Corporation, or any part thereof, without certificates. To the extent certificates for shares are issued, such certificates shall be in the form as set forth in the By-Laws of the Corporation. In the case of shares issued without certificates, the Corporation will, or will cause its transfer agent to, within a reasonable time after such issuance, send the holders of such shares a written statement containing the information required to be set forth on certificates by the By-Laws of the Corporation, by these Articles of Incorporation, or otherwise by applicable law or regulation. At least annually thereafter, the Corporation shall, or shall cause its transfer agent to, provide to its shareholders of record a written statement confirming the information contained in the informational statement sent pursuant to the preceding sentence.

SIXTH: The directors of the Corporation shall be divided into three classes, namely, Classes I, II and III, with each class consisting of not less than one nor more than three directors, as determined in accordance with the By-Laws of the Corporation. At the annual shareholders meeting in 2012 and each annual meeting of shareholders thereafter, the terms of all directors previously elected shall expire and their successors shall be elected to serve one year terms. Directors elected as hereinbefore provided may not be removed prior to the expiration of their respective terms of office without cause.

NINTH: Each director shall be elected by the vote of the majority of the votes cast with respect to the director at any meeting for the election of directors at which a quorum is present, provided that if the number of nominees exceeds the number of directors to be elected, then the nominees receiving the highest number of votes up to the number of directors to be elected shall be elected. For purposes of this Article, a majority of the votes cast means that the number of shares voted "for" a director nominee must exceed the number of votes cast "against" that director nominee (excluding abstentions).

TENTH: Any action required or permitted to be taken at a meeting of the shareholders or of a class of shareholders may be taken without a meeting upon the consent of shareholders who would have been entitled to cast the minimum number of votes that would be necessary to authorize the action at a meeting at which all shareholders entitled to vote thereupon were present and voting.

FORM OF STATEMENT WITH RESPECT TO SHARES OF

PULSE ELECTRONICS CORPORATION

Pursuant to Section 1522 of the Pennsylvania Business Corporation Law

---

SERIES A PREFERRED STOCK

Pulse Electronics Corporation, a Pennsylvania corporation (the “Corporation”), hereby certifies that the following resolution has been duly adopted by the Board of Directors of the Corporation:

WHEREAS, pursuant to the Articles of Incorporation, the Corporation is authorized to issue up to 275,000,000 shares of common stock, par value \$0.125 per share (the “Common Stock”) and 1,000 shares of Preferred Stock, without par value (the “Preferred Stock”), the authorized and unissued shares of which may be divided into one or more series, with such voting rights, designations, preferences, limitations, and special rights (including, without limitation, qualifications, privileges, options, conversion rights, restrictions, and other rights) of such series, as may be determined by the Board from time to time;

NOW, THEREFORE, it is hereby

RESOLVED, that pursuant to the authority expressly granted to and vested in the Board by the provisions of the Articles of Incorporation, there hereby is created out of 1,000 shares of Preferred Stock authorized by Article FIFTH(1) of the Articles of Incorporation a series of Preferred Stock consisting of 1,000 shares, which series shall have the following powers, voting, preferences, limitations and special rights and the following qualifications and restrictions:

1. Designation. This series of Preferred Stock shall be designated as “Series A Preferred Stock”.
2. Authorization. The Corporation shall have the authority to issue 1,000 shares of the Series A Preferred Stock, without par value, of the Corporation (the “Series A Preferred Stock”).
3. Rank.
  - (a) Other than as set forth in Sections 3(b), 4 and 5, the Series A Preferred Stock shall, with respect to any matter, including any dividend, distribution rights or redemption rights, rank equally (on an as converted to Common Stock basis, assuming for such purpose 100% participation by the Other Noteholders in the Exchange Offer (as such terms are defined in the Investment Agreement) if the distribution shall occur prior to the consummation of the Exchange Offer) in preference and priority with all Common Stock.

Table of Contents

(b) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its shareholders, before any payment shall be made to the holders of any other shares of Capital Stock of the Corporation, in an amount per share equal to ten (10) cents. If upon any such liquidation, dissolution or winding up of the Corporation, the assets of the Corporation available for distribution to its shareholders shall be insufficient to pay the holders of shares of Series A Preferred Stock the full amount to which they shall be entitled pursuant to this Section 3(b), the holders of shares of Series A Preferred Stock shall share pro rata in any distribution of the assets available for distribution in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full. After the payment of all amounts required to be paid to the holders of Series A Preferred Stock pursuant to this Section 3(b), upon the voluntary or involuntary liquidation, dissolution or winding up of the Corporation, any remaining assets and funds of the Corporation available for distribution shall be distributed among the holders of the then outstanding Common Stock and the holders of the then outstanding Series A Preferred Stock (on an as converted to Common Stock basis, assuming for such purpose 100% participation by the Other Noteholders in the Exchange Offer if the distribution shall occur prior to the consummation of the Exchange Offer), pro rata according to the number of shares of Common Stock held by such holders (or, in the case of the Series A Preferred Stock, on an as converted to Common Stock basis).

4. Voting. Except as set forth in this Section 4 or as otherwise required by applicable law, the holders of shares of Series A Preferred Stock shall have no voting rights. Notwithstanding the foregoing, the Corporation shall not take, or agree to take, directly or indirectly, any of the following actions (including by means of merger, consolidation, reorganization, recapitalization, subdivision or split of the Capital Stock of the Corporation or otherwise) without (in addition to any other vote or consent required herein, by the Articles of Incorporation or by applicable law) the prior affirmative vote or written consent of the Majority Holders:

(A) (x) amend, alter or repeal any provision of this resolution or any other instrument establishing and designating the Series A Preferred Stock, or (y) adopt, amend, alter or repeal the Articles of Incorporation or By-laws, any resolution of the Board or any other instrument establishing and designating common or preferred shares of the Corporation or any other class or series of shares or Capital Stock of the Corporation whether now existing or hereafter created and determining the relative rights, privileges and preferences thereof, if, in the case of clause (y), such action would have an adverse effect on the rights, privileges or preferences of the Series A Preferred Stock;

(B) increase the authorized number of shares of Common Stock (including indirectly by effecting a reverse stock split or similar action without a proportionate reduction in the number of authorized shares of Common Stock) or issue any shares of Capital Stock of the Corporation, including any Series A Preferred Stock (other than: (i) the issuance of authorized Common Stock; (ii) issuances of Series A Preferred Stock pursuant to the Investment Agreement, (iii) pursuant to any present or future employee, director or consultant benefit or incentive compensation plan, agreement or program of or assumed by the Corporation or any of its Subsidiaries, or (iv) the issuance of shares of Capital Stock of the Corporation in connection with a subdivision or split (excluding a reverse stock split without a proportionate reduction in the number of authorized shares of Common Stock) of the Capital Stock of the Corporation), after the date hereof; or

Table of Contents

(C) authorize, designate or issue or obligate itself to issue, whether by reclassification or otherwise, any Senior Stock or Parity Stock, other than Common Stock.

(b) Any action as to which a vote of the holders of Series A Preferred Stock is required pursuant to the terms of this resolution may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding Series A Preferred Stock having not less than the minimum number of votes of Series A Preferred Stock that would be necessary to authorize or take such action at a meeting at which all shares of Series A Preferred Stock entitled to vote thereon were present and voted and shall be delivered to the Corporation.

5. Conversion.

(a) Immediately following such time as either (x) the applicable provisions of the Indenture have been amended, modified or waived in accordance with the terms of the Indenture such that the conversion of the Series A Preferred Stock would not cause a Change in Control, as determined by the Corporation and the holders of the Series A Preferred Stock, or (y) all of the Corporation's obligations under the Indenture have been satisfied and discharged and cease to be of further effect in accordance with Article 8 of the Indenture (notwithstanding the survival of the sections of the Indenture referred to in the last paragraph of Section 8.01 of the Indenture following the payment for, acquisition or exchange of all of the Convertible Notes) (either such time, the "Mandatory Conversion Time"), the outstanding shares of Series A Preferred Stock shall automatically convert into the number of shares of Common Stock (the "Conversion Shares") equal to the number of shares of Common Stock to which the Investors are entitled under Sections 1.01 and 1.02 of the Investment Agreement and not actually delivered at the Closing or thereafter pursuant to Section 1.03(c) of the Investment Agreement. The Conversion Shares shall be allocated amongst the holders of Series A Preferred Stock pro rata in accordance with their respective aggregate holdings of Series A Preferred Stock. No fractional shares of Common Stock shall be issued upon conversion of the Series A Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the closing price of the Common Stock on the trading day immediately preceding the date that the conversion of the Series A Preferred Stock occurs, or, if the Common Stock is not listed or admitted to trading on any national securities exchange or its bid ask prices are not published in an automated transaction reporting system, as determined in good faith by the Board.

(b) All holders of record of shares of Series A Preferred Stock shall be sent written notice of the Mandatory Conversion Time. As soon as practicable following receipt of such notice, each holder of shares of Series A Preferred Stock shall surrender his, her or its shares of Series A Preferred Stock in the manner set forth in the Corporation's written notice of the Mandatory Conversion Time, which shall contain customary instructions for the surrender of such shares. As soon as practicable after the Mandatory Conversion Time and the surrender of the Series A Preferred Stock, the Corporation shall issue and deliver to such holder, or to his, her or its nominees, the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof, either (x) in certificated form, or (y) at such holder's election, in electronic form via book entry transfer (free delivery) to the account(s) maintained by such holder's broker at the Depository Trust Company as set forth in a written notice by such holder to the Corporation, in either case together with cash as provided in Section 5(a) in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and the payment of any declared but unpaid dividends on the shares of Series A Preferred Stock converted. Such converted Series A Preferred Stock shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for shareholder action) as may be necessary to reduce the authorized number of shares of Series A Preferred Stock accordingly. All rights with respect to the Series A Preferred Stock converted pursuant to Section 5(a), including the rights, if any, to receive notices and vote (other than as a holder of Common Stock) will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender the shares of Series A Preferred Stock at or prior to such time), except only the rights of the holders thereof, upon surrender of their shares of Series A Preferred Stock, to receive the items provided for in this Section 5(b).

(c) The Corporation shall at all times when any shares of Series A Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Series A Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred Stock.

6. Amendments. The terms, conditions, rights, powers, voting rights, preferences, limitations, special rights, qualifications and restrictions contained in this resolution may be amended, modified, waived, or replaced in its entirety upon the approval of the Board with the consent of the Majority Holders.

7. Severability. If any right, preference or limitation of the Series A Preferred Stock set forth in this resolution is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other rights, preferences and limitations set forth in this resolution which can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall, nevertheless, remain in full force and effect, and no right, preference or limitation herein set forth shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.

8. Remedies. The remedies provided to a holder of Series A Preferred Stock in this resolution shall be cumulative and in addition to all other remedies available to such holder of Series A Preferred Stock under this resolution at law or in equity (including without limitation a decree of specific performance and/or other injunctive relief). No remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy and nothing contained herein shall limit such holder's right to pursue actual damages for any failure by the Corporation to comply with the terms of this resolution. The Corporation acknowledges that a breach by it of its obligations hereunder would cause irreparable harm to the holders of Series A Preferred Stock and that the remedy at law for any such breach would be inadequate. In the event of any such breach or threatened breach, each holder of Series A Preferred Stock shall be entitled, in addition to all other available remedies, to specific performance and other equitable relief to prevent breaches of this resolution, without the necessity of showing economic loss and without any bond or other security or indemnity being required.

Table of Contents

WHEREAS the Company desires to give the holders of the Convertible Notes other than the Investors (the “Other Noteholders”) the option to exchange their Convertible Notes for Term B Loans and Common Stock (the “Exchange Offer”), to be conducted by the Company.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in this Agreement, and subject to the conditions set forth herein, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I

Closing

Section 1.01. Purchase of Term A Notes and Warrant for Term A Loans. On the terms and subject to the conditions set forth in this Agreement and the Credit Agreement, at the Closing, (a) the Company shall cause to be delivered notes in respect of the Term A Loans, to the extent required under the terms of the Credit Agreement, and (b) Technitrol shall issue and deliver, or the Company shall cause Technitrol to issue and deliver, the Warrant, all in exchange for Term A Loans. Following the Closing, assuming the termination of the Warrant upon issuance and delivery of 1,000 shares of Parent Preferred Stock to the Investors in accordance with Section 3.02(a)(ii), such shares of Parent Preferred Stock, taken together with the shares of Common Stock to be issued and delivered to the Investors in accordance with Section 1.02, shall equal, assuming conversion of the Parent Preferred Stock, 64.3795% of the Company’s Common Stock on a Pro Forma Fully Diluted Basis. For illustrative purposes only, assuming 100% participation by the Other Noteholders in the Exchange Offer, the Parent Preferred Stock issued to the Investors shall be convertible into shares of Common Stock at a ratio which results in the issuance of a number of shares of Common Stock equal to 100,843,236 and that, when added to the shares of Common Stock actually issued at the Closing to the Investors pursuant to Section 1.02, would result in the issuance of 144,271,936 shares of Common Stock to the Investors.

Section 1.02. Purchase of Term B Notes and Common Stock for Term B Loans and Convertible Notes. On the terms and subject to the conditions set forth in this Agreement and the Credit Agreement, at the Closing, the Company shall (a) cause to be delivered notes in respect of the Term B Loans, to the extent required under the terms of the Credit Agreement, and (b) issue and deliver to the Investors 36,729,182 shares of Common Stock in the aggregate, divided amongst the Investors as shall be notified to the Company by the Investors prior to the Closing, in exchange for the surrender of an aggregate of \$27,685,000 principal amount of the Convertible Notes (the “Exchanged Convertible Notes”) held by the Investors. It is understood and agreed that (x) the shares of Common Stock to be issued and delivered to the Investors in accordance with this Section 1.02, when taken together with the shares of Common Stock beneficially owned by the Investors (as the term “beneficial ownership” is defined in the Indenture) as of the time immediately prior to the Closing (but, for the avoidance of doubt, disregarding shares of Common Stock issuable to the Investors upon conversion of the Convertible Notes held by the Investors), shall equal 49.0% of the Company’s outstanding Common Stock immediately following the Closing and (y) the number of shares of Common Stock of the Company (rounded to the nearest whole share) ultimately issuable to the Investors pursuant to this Section 1.02 upon conversion of the Parent Preferred Stock shall equal the product of (i) a fraction, the numerator of which is the principal amount of the Exchanged Convertible Notes and the denominator of which is the principal amount of all Convertible Notes outstanding immediately prior to the Closing and (ii) 35.0% of the outstanding shares of Common Stock of the Company on a Pro Forma Fully Diluted Basis assuming 100% participation by the Other Noteholders in the Exchange Offer, subject to a pro rata reduction of 35.0% of the outstanding shares of Common Stock of the Company if there is less than 100% such participation. For illustrative purposes only, assuming 100% participation by the Other Noteholders in the Exchange Offer, the foregoing product would result in an additional 6,669,517 shares of Common Stock, or 43,428,700 such shares in the aggregate, being issuable to the Investors in accordance with this Section 1.02.

it being understood that if any non-Investor Director declines to resign from the Board so as to allow for the appointment of an Investor Director in accordance with this Section 3.07(a), the Company will, (I) subject to Section 3.06(a)(I), at the election of the Investor, increase the number of directors of the Board to give effect to the rights of the Investors set forth in this Section 3.07(a), and, (II) at the next annual meeting of the shareholders of the Company or special meeting of the shareholders of the Company at which directors are to be elected, decrease the number of directors of the Board to seven (7) directors and include on the Company’s slate of director nominees such number of individuals proposed by the Investors as may be permitted under Section 3.07(c).

In the event any Investor Director is removed, resigns or is unable to serve as a member of the Board, the Investors shall have the right to fill such vacancy. The obligations of the Company under this Section 3.07(c) are conditioned upon the Investors timely providing to the Company such information about the individuals proposed by the Investors as may be reasonably required by the Company to comply with the Company's obligations under the Exchange Act with respect to the solicitation of proxies or consents for an annual or special meeting of shareholders, together with the consent of each such individual to serve as a director of the Company, if elected.

Section 3.10. Tax Reporting and Cooperation. The Company and the Investors shall cooperate in good faith with respect to tax reporting and the filing of Tax Returns with respect to transactions contemplated pursuant to this Agreement, the Credit Agreement, and related transaction documents, including with respect to (i) the determination of the issue price and amount of original issue discount (if any), in each case, for U.S. federal income tax purposes of the Term A Loan and the Term B Loan, (ii) the allocation of purchase price or basis to the Common Stock, the Warrant, Parent Preferred Shares, and the Warrant Shares, as applicable, (iii) the treatment of the repayment of the existing loans under the Credit Agreement (before such agreement is amended as contemplated herein), (iv) the treatment of the exchange of Convertible Notes, (v) the treatment of the exercise or termination of the Warrant, and (vi) the treatment of the conversion of the Parent Preferred Stock. The Company shall deliver (or cause to be delivered) any Tax Return that includes tax reporting for the foregoing transactions (or the relevant portions of such Tax Returns) to the Investors, for review at least thirty (30) days prior to the date on which such Tax Return is required to be filed. If Investors dispute any item on such Tax Return, Investors shall notify the Company of such disputed item (or items) and the basis for its objection. The parties shall act in good faith to resolve any such dispute prior to the date on which the relevant Tax Return is required to be filed. If the parties cannot resolve any disputed item, the item in question shall be resolved by an independent accounting firm mutually acceptable to Company and Investors. The fees and expenses of such accounting firm shall be borne equally by the Company and the Investors. The Company shall cause its Affiliates to comply with the obligations pursuant to this Section 3.10.

Section 3.11. Top-Up Option.

(a) Without limiting Section 3.06(a), and subject to the limitations set forth in Section 3.11(e), following the Closing, until November 19, 2017, the Company grants to the Investors an irrevocable option (the “Top-Up Option”) to purchase from the Company, following the consummation of any sale by the Company of any Capital Stock of the Company (other than: (i) pursuant to any present or future employee, director or consultant benefit or incentive compensation plan or program of or assumed by the Company or any of its Subsidiaries, (ii) in connection with any merger, consolidation, business combination or any similar extraordinary transaction, or (iii) for the avoidance of doubt, the issuance of shares of Capital Stock in connection with a subdivision or split of the Capital Stock), the number of shares of Common Stock (or, at any time prior to the conversion of the Parent Preferred Stock in accordance with its terms, if the exercise of such Top-Up Option would result in the Investors beneficially owning (as the term “beneficial ownership” is defined in the Indenture) greater than 49.0% of the Common Stock outstanding as of the time immediately following such exercise, such number of shares of Common Stock which, together with the other shares of Common Stock then beneficially owned by the Investors, as would equal 49.0% of the Common Stock outstanding as of the time immediately following such exercise, together with such number of shares of Parent Preferred Stock as shall be agreed between the Investors and the Company) equal to the difference between the number of shares of Capital Stock then held by the Investors and 64.3795% of the Common Stock of the Company on a fully diluted basis (the aggregate amount of such securities offered to all Investors, the “Top-Up Option Shares”). For the avoidance of doubt, the Investors may, at their election, exercise the Top-Up Option exclusive of or in combination with the exercise of their rights under Section 1.03(c). The Company agrees to take all actions necessary to give effect to the Top-Up Option, including filing applicable proxy materials with the SEC and calling and holding shareholder meetings, as applicable, to approve the issuance to the Investors of the Top-Up Option Shares, and, to the extent not prohibited by applicable Law, further agrees that the Investors will have the right to vote the shares of Common Stock held by them as of the record date for any such meeting at such meeting in favor of the issuance of the Top-Up Option Shares to the Investors. For the avoidance of doubt, without the prior written consent of the Investors, the Company shall not consummate any transaction that would give rise to the Top-Up Option unless, following the consummation of such transaction, the Company would have such number of authorized and unissued shares of Common Stock and, if necessary, Parent Preferred Stock, equal to or greater than the Top-Up Option Shares. Notwithstanding the foregoing, the Company may elect not to extend the Top-Up Option under this Section 3.11 to any Investor that is not an “accredited investor” within the meaning of Regulation D under the Securities Act or whose participation in the offering or sale of Top-Up Option Shares would, in and of itself, in the reasonable good

faith judgment of the Company or its counsel, require registration or qualification under any U.S. federal, state or non-U.S. securities law (assuming any such registration and/or qualification would not be required but for such Investor's participation) and, if it does so, the Investor so excluded shall not be entitled to the rights provided under this Section 3.11; provided, that in such case, any other Investor not so excluded shall be entitled to exercise the rights of the Investor so excluded, with such rights to be reallocated among the Investors as determined by those of them holding a majority of the shares of Common Stock beneficially owned by all of them. Promptly following the consummation of the sale giving rise to the Top-Up Option, the Company shall give or cause to be given to the Investors a written notice (the "Sale Notice"), which Sale Notice shall disclose in reasonable detail the aggregate amount of securities issued in connection with such sale and the other material terms and conditions of such issuance, including the sale price (which shall be the sale price for each security subject to the Top-Up Option) of the securities sold in the offering giving rise to the Top-Up Option.

(b) Subject to applicable law, each Investor (a “Top-Up Rightholder”) shall have the right for a period of fifteen (15) Business Days after the Top-Up Rightholder shall have received the Sale Notice (the “Top-Up Rightholder Option Period”) to purchase its Top-Up Sale Pro Rata Portion of the Top-Up Option Shares. If any Top-Up Rightholder does not fully subscribe for the number of Top-Up Option Shares it is entitled to purchase, then each other participating Top-Up Rightholder shall be allocated that percentage of the remaining Top-Up Option Shares not so subscribed for (up to the maximum number of Top-Up Option Shares that such Top-Up Rightholder is willing to purchase as set forth in the notice provided pursuant to Section 3.11(c)) determined by dividing (x) the number of shares of Common Stock held by such Top-Up Rightholder at such time by (y) the number of shares of Common Stock held by all of the Top-Up Rightholders who elected to purchase such remaining Top-Up Option Shares. The procedure described in the preceding sentence shall be repeated until there are no remaining Top-Up Option Shares to be allocated, notwithstanding any expiration of the Top-Up Rightholder Option Period prior to the completion of such procedure.

(c) The right of each Top-Up Rightholder to purchase Top-Up Option Shares under this Section 3.11 shall be exercisable by delivering written notice of the exercise thereof, prior to the expiration of the Top-Up Rightholder Option Period, to the Company. Each such notice shall state (x) the number of shares of Common Stock held by such Top-Up Rightholder and (y) the maximum number of shares of Proposed Sale Shares that such Top-Up Rightholder is willing to purchase pursuant to this Section 3.11. The failure of a Top-Up Rightholder to respond within the Top-Up Rightholder Option Period to the Company shall be deemed to be a waiver of such Top-Up Rightholder's rights under this Section 3.11. Each Top-Up Rightholder may waive its rights under this Section 3.11 prior to the expiration of the Top-Up Rightholder Option Period by giving written notice to the Company.

(d) Subject to Section 3.11(e), if the Top-Up Rightholders have agreed to purchase all or a portion of the Top-Up Option Shares set forth in the Sale Notice, the closing of such purchase shall occur on the fifteenth (15th) Business Day following the date the most recent notice regarding such election to purchase was delivered to the Company (or on such other date as agreed by the Company and the Top-Up Rightholders acquiring a majority of the Top-Up Option Shares being purchased by all Top-Up Rightholders). At such closing, if the Top-Up Option Shares will be represented by certificates, the Company shall deliver certificates representing the purchased Top-Up Option Shares, which will, upon issuance by the Company, be duly and validly authorized, issued, fully paid and nonassessable, not issued in violation of any preemptive or similar rights arising under law or contract and free from all taxes, liens and charges with respect to the issuance thereof. At the closing, each Top-Up Rightholder shall deliver payment in full in immediately available funds for the Top-Up Option Shares purchased by it.

(e) Notwithstanding the foregoing, the sale of Top-Up Option Shares to any Investor may be delayed or conditioned as reasonably necessary to obtain any required clearance, consent or approval of any governmental authority, including the passage or termination of any waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or any comparable applicable non-U.S. competition or antitrust law, rule or regulation, it being understood that, with respect to any such required clearance, consent or approval, the Company shall reasonably cooperate with the Investors. The exercise by any Investor of its purchase rights under this Section 3.11 shall be subject to receipt of any required shareholder approval, to the extent required therefor, including pursuant to the law of the Commonwealth of Pennsylvania.

Section 3.12. Indenture. As soon as practicable following the date on which all of the Convertible Notes have been acquired, directly or indirectly, by the Company or funds or securities necessary to satisfy and discharge the obligations of the Company under the Indenture have been deposited or delivered with the Trustee (as defined in the Indenture), the Company shall take all action necessary to cause its obligations under the Indenture to be satisfied and discharged and cease to be of further effect in accordance with Article 8 of the Indenture.

Section 8.01. Amendments, Waivers, etc. This Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed by the party against whom such amendment or waiver shall be enforced. The failure of any party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party hereto with its obligations hereunder, shall not constitute a waiver by such party of its right to exercise any such other right, power or remedy or to demand such compliance.

Section 8.02. Counterparts and Facsimile. This Agreement may be executed in two or more identical counterparts (including by facsimile), each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (by telecopy or otherwise) to the other parties.

(b) SUBMISSION TO JURISDICTION. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN THE COUNTY OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(c) WAIVER OF VENUE. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN SUBSECTION (B) ABOVE. IT IS ACCORDINGLY AGREED THAT THE PARTIES SHALL BE ENTITLED TO AN INJUNCTION OR INJUNCTIONS TO PREVENT BREACHES OR THREATENED BREACHES OF THIS AGREEMENT AND TO ENFORCE SPECIFICALLY THE TERMS AND PROVISIONS OF THIS AGREEMENT IN ANY COURT OF COMPETENT JURISDICTION, IN EACH CASE WITHOUT PROOF OF DAMAGES OR OTHERWISE (AND EACH PARTY HEREBY WAIVES ANY REQUIREMENT FOR THE SECURING OR POSTING OF ANY BOND IN CONNECTION WITH SUCH REMEDY), THIS BEING IN ADDITION TO ANY OTHER REMEDY TO WHICH THEY ARE ENTITLED AT LAW OR IN EQUITY. (iii) THE PARTIES ACKNOWLEDGE THAT THE AGREEMENTS CONTAINED IN THIS SECTION 8.03(F) ARE AN INTEGRAL PART OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, THAT WITHOUT THESE AGREEMENTS THE PARTIES WOULD NOT ENTER INTO THIS AGREEMENT, AND THAT THE DAMAGES SUFFERED BY THE PARTIES AS A RESULT OF THE EVENTS GIVING RISE TO SUCH DAMAGES AND RESULTANT TERMINATION OF THIS AGREEMENT WOULD BE DIFFICULT TO QUANTIFY AND THAT THE AMOUNTS SET OUT IN THIS SECTION 8.03(F) REPRESENT LIQUIDATED DAMAGES WHICH ARE A GENUINE PRE-ESTIMATE OF THE DAMAGES, INCLUDING OPPORTUNITY COSTS, WHICH THE COMPANY OR THE INVESTORS WILL SUFFER OR INCUR AS A RESULT OF THE EVENTS GIVING RISE TO SUCH DAMAGES AND RESULTANT TERMINATION OF THIS AGREEMENT, AND ARE NOT PENALTIES. EACH PARTY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO RAISE AS A DEFENSE THAT ANY SUCH LIQUIDATED DAMAGES ARE EXCESSIVE, PUNITIVE OR OTHERWISE NOT ENFORCEABLE IN ANY WAY. EACH PARTY AGREES THAT THE TERMINATION FEE SHALL BE THE SOLE AND EXCLUSIVE REMEDY FOR ANY LOSS SUFFERED BY SUCH PARTY AS A RESULT OF ANY TERMINATION OF THIS AGREEMENT DUE TO THE WILLFUL BREACH OF THIS AGREEMENT BY ANY OTHER PARTY, AND UPON PAYMENT OF SUCH AMOUNT NO PERSON SHALL HAVE ANY RIGHTS OR CLAIMS AGAINST THE PAYING PARTY OR ANY OF ITS AFFILIATES UNDER THIS AGREEMENT OR IN RESPECT OF THE TRANSACTIONS CONTEMPLATED HEREBY.
