Item 8.01 Other Events

As our company, Hemispherx Biopharma, continues to strive to commercialize its products through alliances, licenses, and supply agreements, company management believes that it must take measures to extend the period during which the company can complete the various critical goals that lie ahead. Accordingly, it will reduce its expenses while not jeopardizing its ability to operate fully, and at the same time it must provide substantive incentives to its key employees as well as to its supporting staff on whom the company relies for success in 2009 and beyond.

Toward that end, Hemispherx Biopharma is taking a series of actions:

1. It is planned that all senior staff will be paid as much as 50% of their compensation in stock starting no later than January 1, 2009.
2. Mr. Bonelli's contract as President and COO will not be renewed, but he will be included in a Goal Achievement Incentive Program. His operational responsibilities are being divided among other senior management members.
3. This Goal Achievement Incentive Program will also include Dr. William Carter, Chairman and CEO, Dr. Chaunce Bogard, Senior Vice President, and Hemispherx's strategic advisors, The Sage Group, Inc. This program will pay these individuals and group only as strategic alliances are executed. A copy of the Goal Achievement Incentive Program is attached.
4. It is also planned that all other employees and Board members (other than independent Board members), as a group, will be added to the Goal Achievement Incentive Program at the same level as the senior management, to be shared pro rata to their 2008 compensation but providing they are employees or Board members (other than independent Board members) when strategic alliances are executed.

The Company does not contemplate any layoffs, thereby preserving its full manufacturing, regulatory and medical services operations.

Additional cost reduction measures include suspending product liability insurance for Alferon™ N and Ampligen® until the Company receives regulatory clearance for Ampligen® and requiring third parties to indemnify the Company in conjunction with all overseas emergency sales of Ampligen® and Alferon™ LDO.

Goal Achievement Incentive Program

1. Employee/Consultant/Adviser will intensify his efforts to bring about strategic partnering agreements for Company with third parties.

2. The Company shall pay Employee an incentive bonus for each timely agreement (as hereinafter defined) entered into by the Company with any and all third parties in which the Company receives cash (as hereinafter defined) from such third parties as a result of the execution of such agreements (“Strategic Partnering Agreements”), provided, however, Strategic Partnering Agreements shall not include agreements whereby the Company receives cash as a result of (i) only the sale of Ampligen® or other Company products, (ii) the Company only being reimbursed for expenses, not including expenses for prior research conducted by the Company, incurred by the Company, (iii) an agreement in which the only economic benefit to the Company is a loan or loans to the Company, and (iv) an agreement, other than an agreement which results in a change of control of the Company, in which the only economic benefit to the Company is the sale of the Company’s equity or other securities. The incentive bonus shall be in an amount equal to one percent (1%) of the amount of all cash received by the Company pursuant to each such Strategic Partnering Agreement between the dates of the execution of each such Strategic Partnering Agreement and the first commercial sale of Ampligen® following the full commercial approval of the sale of Ampligen® in each jurisdiction. All incentive bonus payments shall be payable in readily available funds within ten (10) days following receipt by the Company of readily available funds as a result of the Company’s receipt of such first cash. For purposes hereof “timely agreements” shall be defined as all agreements entered into by the Company with any and all third parties (a) on or before June 30, 2009 and (b) on or before March 31, 2010 with third parties with which the Company had been in active negotiations on or before June 30, 2009.
