OUTSTANDING SHARES AND VOTING RIGHTS

RECORD DATE; OUTSTANDING SHARES

Only stockholders of record at the close of business on May 8, 2009, the record date, are entitled to receive notice of, and vote at the annual meeting. As of the record date, the number and class of stock outstanding and entitled to vote at the meeting was 85,127,002 shares of common stock, par value \$.001 per share. Each share of common stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The five nominees receiving the highest number of votes cast by the holders of common stock represented and voting at the meeting will be elected as Hemispherx’s Directors and constitute the entire Board of Directors of Hemispherx. The affirmative vote of at least a majority of the shares represented and voting at the annual meeting at which a quorum is present is necessary for approval of Proposal No. 2 and Proposal No. 4. The affirmative vote of at least a majority of the outstanding shares entitled to vote at the annual meeting at which a quorum is present is necessary for approval of Proposal No. 3.

ADMISSION TO THE MEETING

Stockholders (or their authorized representatives) and our invited guest may attend the meeting. Verification of stock ownership will be required. If you own shares in your name or hold them through a broker (and can provide documentation showing ownership as of the end of day on May 8, 2009, the record date), you will be permitted to attend. Stockholders will be admitted to the meeting beginning at 9:30 am EST. Seating is limited.

REVOCABILITY OF PROXIES

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with the corporate secretary of Hemispherx at its principal offices, 1617 JFK Boulevard, Suite 660, Philadelphia, PA 19103, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

VOTING AND SOLICITATION

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize William A. Carter and Thomas K. Equels and each of them to represent you and vote your shares at the meeting in accordance with your instructions. Messrs. Carter and Equels and each of them may also vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournment or postponement of the meeting.

Hemispherx has borne the cost of preparing, assembling and mailing this proxy solicitation material. The total cost estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of stockholders is approximately \$50,000. Hemispherx may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to beneficial owners. Proxies may be solicited by certain of Hemispherx's directors, officers and employees, without additional compensation, personally, by telephone or by facsimile.

We have hired the firm of Morrow & Company LLC to assist in the solicitation of proxies on behalf of the Board of Directors. Morrow & Company LLC has agreed to perform this service for a proposed fee of \$9,000 plus out-of-pocket expenses.

Internet and Telephone Voting

If you have Internet access, you may submit your proxy from any location in the world by following the Internet voting instructions on the proxy card or voting instructions card sent to you. If you submit your proxy via the Internet, you should not return your proxy card.

You may submit your proxy by following the telephone voting instructions on the proxy card or voting instruction card sent to you. If you submit your proxy by telephone, you should not return your proxy card.

ADJOURNED MEETING

The Chair of the meeting may adjourn the meeting from time to time to reconvene at the same or some other time, date and place. Notice need not be given of any such adjournment meeting if the time, date and place thereof are announced at the meeting at which the adjournment is taken. If the time, date and place of the adjournment meeting are not announced at the meeting which the adjournment is taken, then the Secretary of the Company shall give written notice of the time, date and place of the adjournment meeting not less than ten (10) days prior to the date of the adjournment meeting. Notice of the adjournment meeting also shall be given if the meeting is adjourned in a single adjournment to a date more than 30 days or in successive adjournments to a date more than 120 days after the original date fixed for the meeting.

TABULATION OF VOTES

The votes will be tabulated and certified by Continental Stock Transfer & Trust Company our transfer agent.

VOTING BY STREET NAME HOLDERS

If you are the beneficial owner of shares held in “street name” by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to “discretionary” items but will not be permitted to vote the shares with respect to “non-discretionary” items (in which case, the shares will be treated as “broker non-votes”).

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the annual meeting normally is a majority of the shares of common stock entitled to vote at the annual meeting, in person or by proxy. However, with a majority of our shares being held by persons or organizations in Europe, we had to repeatedly reschedule our 2008 Annual Meeting in an attempt to attain a quorum of voters. Finally, the Board amended our By-Laws to reduce the quorum for that meeting to 44% in voting power of the outstanding shares of stock and the meeting was held. Facing the same issue for the 2009 Annual Meeting, our Board of Directors again amended our By-Laws to reduce the quorum, solely for the 2009 Annual Meeting, from a majority to 40% in voting power of the outstanding shares of stock entitled to vote. With a reduced quorum it is possible that the meeting will be held but certain resolutions, such as the amendment to our certificate of incorporation to increase the number of our authorized shares of common stock, requiring the vote of a majority of the outstanding shares entitled to vote at the annual meeting may not pass, even if all votes present at the meeting vote for the proposal. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the annual meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, Hemispherx believes that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, Hemispherx intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Under current Delaware case law, while broker non-votes (see “Voting By Street Name Holders” above) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Hemispherx intends to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders to be considered for inclusion in the Proxy Statement and proxy card for the 2010 Annual Meeting of Stockholders must be received by the Company’s Secretary, at Hemispherx Biopharma, Inc., 1617 JFK Boulevard, Philadelphia, PA 19103 no later than January 25, 2010.

Pursuant to the Company's Restated and Amended Bylaws, all stockholder proposals may be brought before an annual meeting of stockholders only upon timely notice thereof in writing having been given the Secretary of the Company. To be timely, a stockholder's notice, for all stockholder proposals other than the nomination of candidates for director, shall be delivered to the Secretary at the principal executive offices of the Company not less than sixty (60) nor more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, the stockholder's notice in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs. To be timely, a stockholder's notice, with respect to a stockholder proposal for nomination of candidates for director, shall be delivered to the Secretary at the principal executive offices of the Company not less than ninety (90) nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, the stockholder's notice in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs. Provided, however, in the event that the stockholder proposal relates to the nomination of candidates for director and the number of directors to be elected to the Board of Directors of the Company at an annual meeting is increased and there is no public announcement by the Company naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth day following the day on which such public announcement is first made by the Company. All stockholder proposals must contain all of the information required under the Company's Bylaws, a copy of which is available upon written request, at no charge, from the Secretary. The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

INFORMATION CONCERNING BOARD MEETINGS

The Board of Directors is responsible for the management and direction of Hemispherx and for establishing broad corporate policies. A primary responsibility of the Board is to provide effective governance over the Company's affairs for the benefit of its stockholders. In all actions taken by the Board, the Directors are expected to exercise their business judgment in what they reasonably believe to be the best interests of the Company. In discharging that obligation, Directors may rely on the honesty and integrity of the Company's senior executives and its outside advisors and auditors.

The Board of Directors and various committees of the Board meet periodically throughout the year to receive and discuss operating and financial reports presented by the Chief Executive Officer and Chief Financial Officer as well as reports by experts and other advisors. Corporate review sessions are also offered to Directors to help familiarize them with Hemispherx's technology and operations. Members of the Board are encouraged to attend Board meetings in person, unless the meeting is held by teleconference. The Board held four meetings in 2008 and executed fourteen unanimous consents. All Directors attended these meetings. Directors are expected to attend the Annual Meeting absent unusual circumstances, although we have no formal policy on the matter. In 2008, due to the multiple adjournments of the Annual Meeting, only the Chairman of the Board was able to attend the meeting.

In 2008, the non-employee members of the Board of Directors met one time in executive session, i.e. with no employee Directors or management personnel present. Richard Piani is the Lead Director to preside over meetings. Interested persons may contact the Lead Director or the non-employee Directors by sending written

comments through the Office of the Secretary of the Company. The Office will either forward the original materials as addressed or provide Directors with summaries of the submissions, with the originals available for review at the Directors' request.

INFORMATION CONCERNING COMMITTEES OF THE BOARD

The Board of Directors maintains the following committees:

Executive Committee.

The Executive Committee is composed of William A. Carter, Chief Executive Officer and Chairman of the Board, Richard Piani, Lead Director, and Thomas Equels, Secretary and Director. The Executive Committee had two meetings in 2008. All committee members attended these meetings. The Committee assists the Board by making recommendations to management regarding general business matters of Hemispherx.

Compensation Committee.

The Compensation Committee is composed of Dr. William M. Mitchell, Director, Richard C. Piani, Director, and Dr. Iraj-Eqhbali Kiani, Director. The Compensation Committee makes recommendations concerning salaries and compensation for officers, employees of and consultants to Hemispherx. The full text of the Compensation Committee Charter, as approved by the Board, is available on our website: www.hemispherx.net. This committee met one time in 2008 and all committee members were in attendance.

Corporate Governance and Nomination Committee.

In 2008, the Corporate Governance and Nomination Committee had two meetings and all members were present.

The Corporate Governance and Nomination Committee consists of Dr. William M. Mitchell, Committee Chair, Richard Piani and Iraj-Eqhbali Kiani, Ph.D. All of the members of the Committee meet the independence standards contained within the NYSE Amex Company Guide and the Hemispherx Corporate Governance Guidelines. The full text of the Corporate Governance and Nomination Committee Charter as well as the Corporate Governance Guidelines, as approved by the Board, are available on our website: www.hemispherx.net.

As discussed below, the Committee is responsible for recommending candidates to be nominated by the Board for election by the stockholders or to be appointed by the Board of Directors to fill vacancies consistent with the criteria approved by the Board. It also is responsible for periodically assessing Hemispherx's Corporate Governance Guidelines and making recommendations to the Board for amendments, recommending to the Board the compensation of Directors, taking a leadership role in shaping corporate governance, and overseeing an annual evaluation of the Board.

The Corporate Governance and Nomination Committee is responsible for identifying candidates who are eligible under the qualification standards set forth in Hemispherx's Corporate Governance Guidelines to serve as members of the Board. The Hemispherx qualification standards, inter alia, provide that no member of the Board of Directors may serve on more than six public company boards and that no member of the Board of Directors who also serves as a Chief Executive Officer of a public company may serve on more than three public company boards. The Committee is authorized to retain search firms and other consultants to assist it in identifying candidates and fulfilling its other duties. The Committee is not limited to any specific process in identifying candidates and will consider candidates suggested by stockholders. Candidates are recommended to the Board after consultation with the Chairman of the Board. In recommending Board candidates, the Committee considers a candidate's: (1) general understanding of elements relevant to the success of a publicly traded company in the current business environment, (2) understanding of Hemispherx's business, and (3) educational and professional background. The Committee also gives consideration to a candidate's judgment, competence, anticipated participation in Board activities, experience, geographic location and special talents or personal attributes. Stockholders who wish to suggest qualified candidates should write to the Corporate Secretary, Hemispherx Biopharma, Inc., 1617 JKF Blvd., Ste. 660, Philadelphia, PA 19103, stating in detail the qualifications of such persons for consideration by the Committee.

The Company aspires to the highest standards of ethical conduct; reporting results with accuracy and transparency; and maintaining full compliance with the laws, rules and regulations that govern the Company's business. Hemispherx's Corporate Governance Guidelines embody many of our policies and procedures which are the foundation of our commitment to best practices. The guidelines are reviewed annually, and revised as necessary to continue to reflect best practices.

Audit Committee and Audit Committee Expert.

Hemispherx's Audit Committee of the Board of Directors consists of Richard Piani, Committee Chairman, William M. Mitchell, M.D and Iraj-Eqbal Kiani, Ph.D. The Audit Committee operates under a written charter approved by the Board of Directors and available on our website: www.hemispherx.net. Dr. Iraj-Eqbal Kiani, Dr. Mitchell, and Mr. Piani are all determined by the Board of Directors to be independent directors as required under Section 121B(2)(a) of the NYSE Amex Company Guide. We do not have a financial expert as defined in the SEC rules on the committee in the true sense of the description. However, Mr. Piani has 40 years experience in business and has served in senior level and leadership positions for International Business. His working experience includes reviewing and analyzing financial statements and dealing with financial institutions. Hemispherx believes Dr. Kiani, Dr. Mitchell, and Mr. Piani to be independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of this committee. The principal functions of the Audit Committee are to (i) assist the Board in fulfilling its oversight responsibility relating to the annual independent audit of Hemispherx's consolidated financial statements and internal control over financial reporting, the engagement of the independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications, independence and performance; (ii) prepare the reports or statements as may be required by NYSE Amex or the securities laws; (iii) assist the Board in fulfilling its oversight responsibility relating to the integrity of Hemispherx's financial statements and financial reporting process and Hemispherx's system of internal accounting and financial controls; (iv) discuss the financial statements and reports with management, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management; and (v) review disclosures by Hemispherx' independent registered public accounting firm concerning relationships with Hemispherx and the performance of Hemispherx's independent registered public accounting firm.

Audit Committee Report.

The primary responsibility of the Audit Committee (the "Committee") is to assist the Board of Directors in discharging its oversight responsibilities with respect to financial matters and compliance with laws and regulations. The primary methods used by the Committee to fulfill its responsibility with respect to financial matters are:

- To appoint, evaluate, and as the Committee may deem appropriate, terminate and replace the Company's independent registered public accountants;
 - To monitor the independence of the Company's independent registered public accountants;
 - To determine the compensation of the Company's independent registered public accountants;
- To pre-approve any audit services, and any non-audit services permitted under applicable law, to be performed by the Company's independent registered public accountants;
- To review the Company's risk exposures, the adequacy of related controls and policies with respect to risk assessment and risk management;
- To monitor the integrity of the Company's financial reporting processes and systems of control regarding finance, accounting, legal compliance and information systems;
- To facilitate and maintain an open avenue of communication among the Board of Directors, management and the Company's independent registered public accountants.

The Audit Committee is composed of three Directors, and the Board has determined that each of those Directors is independent as that term is defined in Sections 121(B)(2)(a) of the NYSE Amex Company Guide.

The Committee met two times in 2008. All committee members were present at the meetings. In addition, the Committee conducted four teleconference calls. All Committee members were present, except for one call when one Committee member was not available.

In discharging its responsibilities relating to internal controls, accounting and financial reporting policies and auditing practices, the Committee discussed with the Company's independent registered public accountants, McGladrey & Pullen, LLP, the overall scope and process for its audit. The Committee regularly meets with McGladrey & Pullen, LLP, with and without management present, to discuss the results of its examinations, the evaluations of our internal controls and the overall quality of the Company's financial reporting.

The Committee also discussed with has discussed with McGladrey & Pullen, LLP during the 2008 fiscal year the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, and other standards of the Public Company Accounting Oversight Board, rules of the SEC and other applicable regulations.

The Committee received from McGladrey & Pullen, LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding McGladrey & Pullen, LLP 's communications with the Audit Committee concerning independence and discussed with McGladrey & Pullen, LLP the independence of their firm.

The Committee has met and held discussions with management. The Committee has reviewed and discussed with management Hemispherx's audited consolidated financial statements as of and for the fiscal year ended December 31, 2008, as well as the internal control requirements of the Sarbanes-Oxley Act of 2002.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report for the year ended December 31, 2008.

This report is respectfully submitted by the members of the Audit Committee of the Board of Directors.

to our Office Administrator at 1617 JFK Boulevard, Suite 660, Philadelphia, PA 19103. Stock Ownership Guidelines

In April 2005, the Board of Directors adopted a set of stock ownership guidelines for Directors and officers. The Board believes that Directors and officers more effectively represent the interest of Hemispherx's stockholders if they are stockholders themselves. At this time, all of our Directors and officers are stockholders and this guideline was adopted to assure that the present Directors and officers continue to participate as well as future Directors and officers. The full text of the Stock Ownership Guidelines, as approved by the Board, are available on our website: www.hemispherx.net.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review, Approval or Ratification of Transactions with Related Persons

Our policy is to require that any transaction with a related party required to be reported under applicable Securities and Exchange Commission (“SEC”) rules, other than compensation related matters and waivers of our code of business conduct and ethics, be reviewed and approved or ratified by a majority of independent, disinterested directors. We have not adopted procedures for review of, or standards for approval of, these transactions, but instead review such transactions on a case by case basis. Our policy is to require that all compensation related matters be recommended for Board approval by the Compensation Committee and that any waiver of our code of business conduct and ethics be reviewed and approved by the Corporate Governance and Nominating Committee and be reported under applicable SEC rules.

We have employment agreements with certain of our executive officers and have granted such officers and directors options and warrants to purchase our common stock, as discussed below under the heading, “Compensation of Executive Officers and Directors”.

Ransom W. Etheridge, our General Counsel and a former director, is an attorney in private practice, who renders corporate legal services to us from time to time, for which he has received fees totaling approximately \$105,400 in 2008. In addition, Mr. Etheridge served on the Board of Directors until November 2008. For his service as a Director in 2008, he received Director’s Fees of \$112,500 in cash and stock.

We use the property acquired in late 2004 by Retreat House, LLC, an entity in which the children of William A. Carter have a beneficial interest. We paid Retreat House, LLC \$41,200 in 2008, for the use of the property at various times.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Objectives and Philosophy of Executive Compensation

The primary objectives of the compensation committee of our board of directors with respect to executive compensation are to attract and retain the most talented and dedicated executives possible, to tie annual and long-term cash and stock incentives to achievement of measurable performance objectives, and to align executives' incentives with stockholder value creation. To achieve these objectives, the compensation committee expects to implement and maintain compensation plans that tie a substantial portion of executives' overall compensation to key strategic financial and operational goals such as the establishment and maintenance of key strategic relationships, the development of our products, the identification and advancement of additional product and the performance of our common stock price. The compensation committee evaluates individual executive performance with the goal of setting compensation at levels the committee believes are comparable with executives in other companies of similar size and stage of development operating in the biotechnology industry while taking into account our relative performance and our own strategic goals.

Our compensation plans are developed by utilizing publicly available compensation data and subscription compensation survey data for national and regional companies in the biopharmaceutical industry. We believe that the practices of this group of companies provide us with appropriate compensation benchmarks, because these companies have similar organizational structures and tend to compete with us for executives and other employees. For benchmarking executive compensation, we typically review the compensation data we have collected from the complete group of companies, as well as a subset of the data from those companies that have a similar number of employees as our company. In past years, we had engaged independent outside consultants to help us analyze this data and to compare our compensation programs with the practices of the companies represented in the compensation data we review. However given the current harsh economic conditions and our efforts to conserve cash, we did not undertake an analysis of any compensation nor offer any incremental or performance salary increases for the year-end 2008. Additionally, the Board did not approve the award of any bonus for 2008.

Elements of Executive Compensation

Executive compensation consists of the following elements:

Base Salary

Base salaries for our executives are established based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies for similar positions. Generally, we believe that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions with similar responsibilities at comparable companies, in line with our compensation philosophy. Base salaries are reviewed annually, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience. This review normally occurs in the fourth quarter of each year.

Annual Bonus

Our compensation program includes eligibility for an annual performance-based cash bonus in the case of all executives and certain senior, non-executive employees. The amount of the cash bonus depends on the level of achievement of the stated corporate, department, and individual performance goals, with a target bonus generally set as a percentage of base salary. As provided in his employment agreement, our Chief Executive Officer is eligible for

an annual performance-based bonus up to 25% of their salaries, the amount of which, if any, is determined by the board of directors in its sole discretion based on the recommendation of the compensation committee.

The Compensation Committee utilizes annual incentive bonuses to compensate officers for achieving financial and operational goals and for achieving individual annual performance objectives. These objectives will vary depending on the individual executive, but will relate generally to strategic factors such as establishment and maintenance of key strategic relationships, development of our product, identification and research and development of additional products, and to financial factors such as raising capital and improving our results of operations.

The Compensation Committee and the Board of Directors declined to awarded bonuses for 2008 to any of our executives, senior or non-executive employees.

Long-Term Incentive Program

We believe that long-term performance is achieved through an ownership culture that encourages such performance by our executive officers through the use of stock and stock-based awards. Our stock plans have been established to provide our employees, including our executive officers, with incentives to help align those employees' interests with the interests of stockholders. The Compensation Committee believes that the use of stock and stock-based awards offers the best approach to achieving our compensation goals. We have historically elected to use stock options as the primary long-term equity incentive vehicle. We have adopted stock ownership guidelines and our stock compensation plans have provided the principal method, other than through direct investment for our executive officers to acquire equity in our Company. We believe that the annual aggregate value of these awards should be set near competitive median levels for comparable companies. However, in the early stage of our business, we provided a greater portion of total compensation to our executives through our stock compensation plans than through cash-based compensation.

Stock Options

Our stock plans authorize us to grant options to purchase shares of common stock to our employees, directors and consultants. Our Compensation Committee oversees the administration of our stock option plan. The Compensation Committee reviews and recommends approval by our Board of Directors of stock option awards to executive officers based upon a review of competitive compensation data, its assessment of individual performance, a review of each executive's existing long-term incentives and retention considerations. Periodic stock option grants are made at the discretion of the Board of Directors upon recommendation of the Compensation Committee to eligible employees and, in appropriate circumstances, the compensation committee considers the recommendations of members of management. In 2008, the Compensation Committee and the Board authorized the renewal of expiring options for certain named executives in the amounts indicated in the section entitled "Stock Option Grants to Executive Officers." Grants were made to certain of our employees based on past performance, particularly, those who worked hard and diligently on the preparation of our NDA. Stock options granted by us have an exercise price equal to the fair market value of our common stock on the day of grant and typically vest over a period of years based upon continued employment, and generally expire ten years after the date of grant. Incentive stock options also include certain other terms necessary to assure compliance with the Internal Revenue Code of 1986, as amended, or Internal Revenue Code.

We expect to continue to use stock options as a long-term incentive vehicle because: (1) Stock options align the interests of executives with those of the stockholders, support a pay-for-performance culture, foster employee stock ownership, and focus the management team on increasing value for the stockholders, (2) Stock options are performance based. All the value received by the recipient of a stock option is based on the growth of the stock price, (3) Stock options help to provide a balance to the overall executive compensation program as base salary and our discretionary annual bonus program focus on short-term compensation, while the vesting of stock options increases shareholder value over the longer term, and (4) the vesting period of stock options encourages executive retention and the preservation of shareholder value.

In determining the number of stock options to be granted to executives, we take into account the individual's position, scope of responsibility, ability to affect profits and shareholder value and the individual's historic and recent performance and the value of stock options in relation to other elements of the individual executive's total compensation.

Options granted under the 2004 plan include 1,345,742 in 2006, 3,232,870 in 2007 (including 2,970,000 issued for expiring options) and 687,000 in 2008 (302,000 issued for unexercised and expired options). Unless sooner terminated, the Equity Incentive Plan will continue in effect for a period of 10 years from its effective date.

Our 2004 Equity Compensation Plan authorizes us to grant restricted stock and restricted stock units. In 2008, we issued 755,829 shares to consultants and vendors for services rendered in lieu of cash.

As of December 31, 2008 we had 18,081 shares for future use under the 2004 plan.

On June 30, 2007 the stockholders adopted the 2007 Equity Incentive Plan which authorizes the issuance of up to 8,000,000 stock options to acquire common stock pursuant to the terms of the plan. This Plan also authorizes us to grant restricted stock and restricted stock units. 1,450,000 options (all were issued for expiring and unexercised options) were granted pursuant to the 2007 plan. In addition, we issued 201,010 shares of unrestricted stock and 2,434,177 shares in restricted stock to consultants and other vendors for services performed in lieu of cash.

Other Compensation

Our Chief Executive Officer, Chief Financial Officer and General Counsel have employment, and/or engagement contracts that will remain in effect until they are terminated, expire, or are renegotiated. Each contract is different with respect to specific benefits or other compensation. We maintain a broad-based benefits program that is provided to all employees including vacation, sick leave and health insurance. Details of these agreements is are as follows:

Dr. Carter's employment as our Chief Executive Officer and Chief Scientific Officer expires December 31, 2010 unless sooner terminated for cause or disability. The agreement automatically renews for successive one year periods after the initial termination date unless we or Dr. Carter give written notice otherwise at least ninety days prior to the termination date or any renewal period. Dr. Carter has the right to terminate the agreement on 30 days' prior written notice. The base salary is subject to adjustments and the average increase or decrease in the Consumer Price Index for the prior year. In addition, Dr. Carter could receive an annual performance bonus of up to 25% of his base salary, at the sole discretion of the Compensation Committee of the board of directors, based on his performance or our operating results. Dr. Carter will not participate in any discussions concerning the determination of his annual bonus. Dr. Carter is also entitled to an incentive bonus of 0.5% of the gross proceeds received by us from any joint venture or corporate partnering arrangement. Dr. Carter's agreement also provides that he be paid a base salary and benefits through the last day of the then term of the agreement if he is terminated without "cause", as that term is defined in agreement. In addition, should Dr. Carter terminate the agreement or the agreement be terminated due to his death or disability, the agreement provides that Dr. Carter be paid a base salary and benefits through the last day of the month in which the termination occurred and for an additional twelve month period. On January 1, 2009, Dr. Carter's compensation as an employee was changed pursuant to our "Employee Wage Or Hours Reduction Program" (discussed below) consistent with an employee earning over \$200,000 per annum to receive 50% of his wages in Incentive Rights on a three-to-one conversion basis.

Our engagement of Dr. Carter as a consultant related to patent development, as one of our directors and as chairman of the Executive Committee of our Board of Directors expires December 31, 2010 unless sooner terminated for cause or disability. The agreement automatically renews for successive one year periods after the initial termination date or any renewal period. Dr. Carter has the right to terminate the agreement on 30 days' prior written notice. The base fee is subject to annual adjustments equal to the percentage increase or decrease of annual dollar value of directors' fees provided to our directors during the prior year. The annual fee is further subject to adjustment based on the average increase or decrease in the Consumer Price Index for the prior year. In addition, Dr. Carter could receive an annual performance bonus of up to 25% of his base fee, at the sole direction of the Compensation Committee of the board of directors, based on his performance. Dr. Carter will not participate in any discussions concerning the determination of

this annual bonus. Dr. Carter's agreement also provides that he be paid his base fee through the last day of the then term of the agreement if he is terminated without "cause", as that term is defined in the agreement. In addition, should Dr. Carter terminate the agreement or the agreement be terminated due to his death or disability, the agreement provides that Dr. Carter be paid fees due him through the last day of the month in which the termination occurred and for an additional twelve month period. On January 1, 2009, Dr. Carter's compensation as a consultant was changed pursuant to our "Employee Wage Or Hours Reduction Program" consistent with an employee earning over \$200,000 per annum to receive 50% of his fee in Incentive Rights on a three-to-one conversion basis.

An Engagement Agreement with Charles T. Bernhardt, CPA as Chief Financial Officer (interim) was finalized on December 1, 2008 and effective January 1, 2009. The agreement calls for an initial salary of \$160,000 per annum and eligibility for the Goal Achievement Incentive Program. Additionally, the agreement is based on an employment "at will" basis in which either party may cancel upon two weeks written notice. Consistent with the Company's "Employee Wage Or Hours Reduction Program", Mr. Bernhardt has elected to receive 50% of his wages in Incentive Rights on a three-to-one conversion basis.

Our agreement with Ransom W. Etheridge provides for Mr. Etheridge's engagement as our General Counsel until December 31, 2009 unless sooner terminated for cause or disability. The agreement automatically renews for successive one year periods after the initial termination date unless we or Mr. Etheridge give written notice otherwise at least ninety days prior to the termination date or any renewal period. Mr. Etheridge has the right to terminate the agreement on 30 days' prior written notice. The initial annual fee for services is \$105,408 and is annually subject to adjustment based on the average increase or decrease in the Consumer Price Index for the prior year. Mr. Etheridge's agreement also provides that he be paid all fees through the last day of then current term of the agreement if he is terminated without "cause" as that term is defined in the agreement. In addition, should Mr. Etheridge terminate the agreement or the agreement be terminated due to his death or disability, the agreement provides that Mr. Etheridge be paid the fees due him through the last day of the month in which the termination occurred and for an additional twelve month period. Mr. Etheridge will devote approximately 85% of his business time to our business. Effective January 1, 2009, one-half of the monthly fee compensation to be paid to Ransom W. Etheridge pursuant to the terms of his Engagement Agreement with us as our General Counsel will be paid in shares of the Company's common stock ("Etheridge Share Compensation"). The number of shares issued as Etheridge Share Compensation shall be calculated based on a value equal to three times one-half of the monthly fee compensation to be paid to Mr. Etheridge pursuant to the terms of his Engagement Agreement with us, with the value of the shares being determined by the average of the closing share price of our common stock on the NYSE Amex for the month for which compensation is due.

On December 31, 2008, we entered into a severance/consulting agreement with retiring Chief Financial Officer, Robert E. Peterson. This agreement provide a monthly fee of \$4,000 plus travel expenses and Options to purchase 20,000 shares of the our common stock at the end of each calendar quarter through year-end 2011 in return for consulting services. The exercise price of the Options is to be equal to 120% of the closing price of the our stock on the NYSE Amex on the last trading day of the calendar quarter for which the Options are being issued. Mr. Peterson may terminate the Advisory Services at any time upon giving us 60 days notice in writing of the intention to terminate the Advisory Services. Mr. Peterson also is entitled to certain change of control benefits and an incentive fee if and when we execute a financing transaction.

Our January 1, 2007 employment agreement with Wayne Springate, our Vice President of Operations, expires April 30, 2009, unless sooner terminated for cause or disability. The agreement automatically renews for successive one year periods after the initial termination date unless we or Mr. Springate give written notice otherwise at least 60 days prior to the termination date or any renewal period. In addition, should Mr. Springate terminate the agreement or the agreement be terminated due to his death or disability, the agreement provides that he be paid the fees due him through the last day of the month in which the termination occurred.

Goal Achievement Incentive Program

On November 17, 2008 the Board of Directors authorized the Goal Achievement Incentive Program. This program is designed to intensify the efforts of the parties involved in securing strategic partnering agreements with third parties. Pursuant to the Goal Achievement Program, we will pay the parties participating in the Program an incentive bonus for each timely agreement (as defined below) entered into by us with any and all third parties in which we receive cash (as defined below) from such third parties as a result of the execution of such agreements (“Strategic Partnering Agreements”), provided, however, Strategic Partnering Agreements do not include agreements whereby we receive cash as a result of (i) only the sale of Ampligen® or other of our products, (ii) we only being reimbursed for expenses, not including expenses for prior research conducted by us, incurred by us, (iii) an agreement in which the only economic benefit to us is one or more loans, and (iv) an agreement, other than an agreement which results in a change of control of the Hemispherx, in which the only economic benefit to us is the sale of our equity or other securities. The incentive bonus will be in an amount equal to one percent (1%) of the amount of all cash received by us pursuant to each such Strategic Partnering Agreement between the dates of the execution of each such Strategic Partnering Agreement and the first commercial sale of Ampligen® following the full commercial approval of the sale of Ampligen® in each jurisdiction. All incentive bonus payments will be payable in readily available funds within ten (10) days following receipt by us of readily available funds as a result of our receipt of such first cash. For purposes hereof “timely agreements” means all agreements entered into by us with any and all third parties (a) on or before June 30, 2009 and (b) on or before March 31, 2010 with third parties with which we had been in active negotiations on or before June 30, 2009. For purposes of the Goal Achievement Program “cash” means any asset which is either (a) readily available funds or (b) capable of being converted into readily available funds in value equal to the value ascribed to such asset in the Strategic Partnering Agreement within six months of the receipt of such asset by us. The Goal Achievement Program presently includes Dr. William Carter, CEO, Dr. Chaunce Bogard, consultant and acting Senior Vice President, The Sage Group (one of our strategic advisors) and Anthony Bonelli, our former President and COO, Dr. David R. Strayer, Medical Director and all of our active employees as of January 1, 2009.

Employee Wage Or Hours Reduction Program

In an effort to conserve Company cash, the Employee Wage Or Hours Reduction Program (the “Program”) was ratified by the Board effective January 1, 2009. In a mandatory program that is estimated to be in effect for up to six months, compensation of all active full-time employees as of January 1, 2009 (“Participants”) were reduced through a reduction in their wages for which they would be eligible to receive shares of our common stock (“Stock”) six months after the shares were earned. While all employees were also offered the option to reduce their work hours with a proportional decrease in wages, none elected this alternative.

On a semi-monthly basis, Participants receive rights to Stock (“Incentive Rights”) that cannot be traded. Six months after the date the Incentive Rights are awarded, we will undertake a process to have Incentive Rights converted into Stock and issued to each Participant on a monthly basis. We will establish and maintain a record for the number of Incentive Rights awarded to each Participant. At the end of each semi-monthly period, we will determine the number of Incentive Rights by converting the proportionate incentive award to the value of the Stock by utilizing the closing price of the Stock on the NYSE Amex based on the average daily closing price for the period.

The Plan is being administered for full-time employees as follows:

- o Twenty-three employees earning \$90,000 or less per year elected a wage reduction of 10% per annum and are receiving an incentive of two times the value in Stock;
- o Four employees earning \$90,001 to \$200,000 per year elected a wage reduction of 25% per annum are receiving an incentive of two times the value in Stock;
- o

Two employees earning over \$200,000 per year elected a wage reduction of 50% per annum and are receiving an incentive of three times the value in Stock;

o Any employee could elect a 50% per annum wage reduction which would allow them to be eligible for an incentive award of three times the value in Stock. This option was elected by three employees.

Prior to the Stock being issued, we will establish a trading account with an independent brokerage firm for each Participant. Incentive Rights will constitute income to the Participants and be subject to payroll taxes upon Stock issuance. At a brokerage firm selected by us, we will bear all expenses related to selling the Stock (i.e.; broker fees, transaction costs, commissions, etc.) for payroll withholding taxes purposes. Thereafter, for each Participant during the period that they remain an active employee, we will continue to bear such costs from this designated brokerage firm for the maintenance of this account and all expenses related to selling our Stock. Participants leaving us or voluntarily separating from the Plan will receive the Stock earned upon the six month conversion of their Incentive Rights. The Plan benefits for individuals that are no longer Participants will become fixed and we will not continue to bear such costs from the designated brokerage firm for the maintenance of an account nor any expenses related to selling the Stock except for the initial costs associated to the selling of Stock for payroll withholding taxes purposes.

Employee Bonus Pool Program

An element of the Employee Wage Or Hours Reduction Program was the establishment of a Bonus Pool (the "Pool") in the case of FDA Approval ("Approval") of Ampligen®. This bonus is to award to each employee of record at January 1, 2009 a pretax sum of 30% in wages, calculated on their base per annum compensation at the time of the Approval, and awarded within three months of Approval. Participants who terminate their employment prior to the Approval will not qualify for this bonus.

Key Employee Retention

The Board of Directors, deeming it essential to the best interests of our shareholders to foster the continuous engagement of key management personnel and recognizing that, as is the case with many publicly held corporations, a change of control might occur and that such possibility, and the uncertainty and questions which it might raise among management, might result in the departure or distraction of management personnel to our detriment and our shareholders, determined to reinforce and encourage the continued attention and dedication of members of our management to their engagement without distraction in the face of potentially disturbing circumstances arising from the possibility of a change in control of Hemispherx and entered into identical agreements regarding change in control with William A. Carter, our Chief Executive Officer and Chief Scientific Officer, and Ransom W. Etheridge, our General Counsel. Each of the agreements regarding change in control became effective March 11, 2005 and continue through December 31, 2008 and extend automatically to the third anniversary thereof unless we give notice to the other party prior to the date of such extension that the agreement term will not be extended. Notwithstanding the foregoing, if a change in control occurs during the term of the agreements, the term of the agreements will continue through the second anniversary of the date on which the change in control occurred. Each of the agreements entitles William A. Carter and Ransom W. Etheridge, respectively, to change of control benefits, as defined in the agreements and summarized below, upon their respective termination of employment/engagement with us during a potential change in control, as defined in the agreements or after a change in control, as defined in the agreements, when their respective terminations are caused (1) by us for any reason other than permanent disability or cause, as defined in the agreement (2) by William A. Carter and/or Ransom W. Etheridge, respectively, for good reason as defined in the agreement or, (3) by William A. Carter, and Ransom W. Etheridge, respectively for any reason during the 30 day period commencing on the first date which is six months after the date of the change in control.

The benefits for each of the foregoing executives would be as follows:

- o A lump sum cash payment of three times his base salary and annual bonus amounts; and
- o Outplacement benefits.

Each agreement also provides that the executive is entitled to a "gross-up" payment to make him whole for any federal excise tax imposed on change of control or severance payments received by him.

Dr. Carter's agreement also provides for the following benefits:

- o Continued insurance coverage through the third anniversary of his termination; and
- o Retirement benefits computed as if he had continued to work through the third anniversary of his termination.

401(k) Plan

In December 1995, we established a defined contribution plan, effective January 1, 1995, entitled the Hemispherx Biopharma employees 401(K) Plan and Trust Agreement. All of our full time employees are eligible to participate in the 401(K) plan following one year of employment. Subject to certain limitations imposed by federal tax laws, participants are eligible to contribute up to 15% of their salary (including bonuses and/or commissions) per annum. Through March 14, 2008, Participants' contributions to the 401(K) plan were matched by Hemispherx at a rate determined annually by the board of directors. Each participant immediately vests in his or her deferred salary contributions, while our contributions will vest over one year.

Effective March 15, 2008, we ended our 100% matching of up to 6% of the 401(k) contributions provided to the account for each eligible participant. Our 401(k) Plan contribution cost for the twelve months ended December 31, 2008 is \$20,421 and it is required for payment prior to the final filing of our 2008 Federal Corporate Tax filing. There has not been any additional Company matching costs since March 15, 2008 and none is projected for calendar year 2009.

Severance

Upon termination of employment, most executive officers are entitled to receive severance payments under their employment and/or engagement agreements. In determining whether to approve and setting the terms of such severance arrangements, the compensation committee recognizes that executives, especially highly ranked executives, often face challenges securing new employment following termination. The employment agreement with our CEO, which expires on December 31, 2010, provides that we pay him an annual salary through the term of the agreement if terminated without cause.

We believe that our Executive Officers' severance package is generally in line with severance packages offered to chief executive officers of the companies of similar size to us represented in the compensation data we reviewed.

Compensation of Directors

Non-employee Board member compensation consists of an annual retainer ("Directors' fees") of \$150,000, which in 2008 was paid two thirds in cash and one third in our common stock. On September 9, 2003, the Directors approved a 10 year plan which authorizes up to 1,000,000 shares for use in supporting this compensation plan. The number of shares paid shall have a value of \$12,500 with the value of the shares being determined by the closing price of our common stock on the NYSE Amex on the last day of the calendar quarter. Director's fees are paid quarterly at the end of each calendar quarter.

On November 28, 2009, Thomas K. Equels joined our Board of Directors as a non-employee Board member in which his compensation of \$150,000 for all director fees were agreed to be paid in the form of our common stock.

All Directors have been granted options to purchase common stock under our Stock Option Plans and/or Warrants to purchase common stock. We believe such compensation and payments are necessary in order for us to attract and retain qualified outside directors.

Commencing as of January 1, 2009, the ratio of stock to cash being paid as Director's fees ("Annual Compensation") was changed. The Annual Compensation for each of the directors then serving, other than Thomas Equels, consists of \$25,000 and shares of common stock having a value of \$125,000 ("Share Compensation"). The Annual Compensation for Thomas Equels consists of shares of common stock having a value of \$150,000 ("Share Compensation").

To the extent that Share Compensation would exceed 1,000,000 shares in the aggregate for the ten year period commencing January 1, 2003 as previously approved by Resolution of the Board of September 9, 2003, shares for Share Compensation shall be issued under the our 2007 Equity Incentive Plan.

Conclusion

Our compensation policies are designed to retain and motivate our senior executive officers and to ultimately reward them for outstanding individual and corporate performance.

Compliance With Internal Revenue Code Section 162(m).

One of the factors the Compensation Committee considers in connection with compensation matters is the anticipated tax treatment to Hemispherx and to the executives of the compensation arrangements. The deductibility of certain types of compensation depends upon the timing of an executive's vesting in, or exercise of, previously granted rights. Moreover, interpretation of, and changes in, the tax laws and other factors beyond the Compensation Committee's control also affect the deductibility of compensation. Accordingly, the Compensation Committee will not necessarily limit executive compensation to that deductible under Section 162(m) of the Code. The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent consistent with its other compensation objectives.

Post-Employment Compensation

We have agreements with the following Named Executive Officers (each, an "Officer" and all together "Officers") who have benefits upon termination: an employment and an engagement agreement with Dr. William Carter, our Chairman and Chief Executive Officer; an engagement agreement with Charles T. Bernhardt, our current Chief Financial Officer; an engagement agreement with Ransom Etheridge, our general counsel; a severance and consulting agreement with Robert Peterson, our former Chief Financial Officer; and an employment agreement with Wayne Springate, our Vice President of Operations. Please see "Other Compensation" above for detailed information about these agreements.

Dr. Carter, Mr. Etheridge, Dr. Strayer and Mr. Springate have agreed to modify their arrangements with us pursuant to the Employee Wage Or Hours Reduction Program (please see "Compensation Of Executive Officers And Directors; Compensation Discussion and Analysis; Other Compensation; Employee Wage Or Hours Reduction Program" above).

The following is a description of post-employment compensation payable to the Officers. If an Officer does not have a specific benefit, he is not mentioned in the subsection. In such event, the Officer does not have any such benefits upon termination unless otherwise required by law.

Termination Without Cause

Dr. Carter, Mr. Etheridge and Mr. Springate are entitled to the compensation and benefits otherwise due and payable to them through the last day of the then current term of their agreements.

Termination For Cause

Dr. Carter and Mr. Etheridge can be terminated for cause. "Cause" means the willful engaging in illegal conduct or gross misconduct which is demonstrably and materially injurious to us. No act, or failure to act by the Officer is "willful" unless done, or omitted to be done, by him not in good faith and without reasonable belief that his action or omission was in our best interest. Notwithstanding the foregoing, the Officer shall not be deemed to have been terminated for Cause unless and until we deliver to him a copy of a resolution duly adopted by the affirmative vote of not less than three-quarters of our Board (after the Officer has been afforded the opportunity to be heard before the Board) finding that, in the good faith opinion of the Board, the Officer was guilty of conduct set forth above and specifying the particulars thereof in detail. If the Officer is terminated for cause, he is entitled to only the compensation and benefits otherwise due and payable to him through the last day of his actual employment/engagement by us.

Mr. Springate can be terminated for cause. "Cause" means his failure, other than by reason of disability, to perform his services under his employment agreement or his willful engaging in illegal conduct or gross misconduct which is injurious to Hemispherx. If he is terminated for cause, he is entitled to only the fees due and payable to him through the date of the termination of his employment agreement.

Death or Disability

Dr. Carter and Mr. Etheridge can be terminated for death or disability. "Disability" means the inability of the Officer to effectively carry out substantially all of his duties by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. If the Officer is terminated due to his death or disability, he (or his estate as the case may be) is entitled to the compensation and benefits otherwise due and payable to him through the last day of the month in which such termination occurs and for an additional twelve month period.

Mr. Springate can be terminated for death or for disability which has lasted for a continuous period of not less than three months. If he is terminated due to his death or disability, he (or his estate as the case may be) is entitled to the fees due him through the last day of the month in which such termination occurs.

Termination by Employee/Consultant

Dr. Carter and Mr. Etheridge can terminate their agreements upon 30 days' prior written notice. In such event, they are entitled to the compensation and benefits otherwise due and payable to them through the last day of the month in which such termination occurs and for an additional 12 month period.

Mr. Springate can terminate his agreement upon 30 days' prior written notice. In such event, he is entitled to the fees due to him through the last day of the month in which such termination occurs.

Change in Control

Dr. Carter and Mr. Etheridge (each, an "Executive") and, to a more limited extent, Mr. Peterson, have agreements with us pursuant to which they are entitled to Change of Control Benefits. For Dr. Carter and Mr. Etheridge, these

Agreements currently run through December 31, 2011 and automatically renew for three year periods thereafter, unless the Company notifies the executive prior to any extension date that the agreement term is not being extended. In the event that a "Change Of Control" occurs during the Agreement term the Agreements run through the second anniversary of the date on which the Change Of Control occurs.

Mr. Peterson is entitled to certain Change Of Control Benefits until the later of December 31, 2011 or the date he terminates his severance and consulting agreement.

A Change Of Control is generally defined as:

1. The date any person acquires beneficial ownership of 20% or more, directly or indirectly, of the combined voting power of the then outstanding securities of Hemispherx entitled to vote; or
2. The date on which the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on the date of the Change In Control Agreement, constitute the Board and any new director (other than one whose initial assumption of office in connection with an actual or threatened election contest) whose appointment or election by the Board or nomination for election by our stockholders was approved or recommended by a vote of at least 2/3 of the directors then still in office who either were directors on the date of the Change In Control Agreement or whose appointment, election or nomination for election was previously so approved or recommended; or
3. The date on which there is consummated a merger or consolidation of Hemispherx or any of its direct or indirect subsidiaries with any other corporation or other entity, other than (i) a merger or consolidation (A) immediately following which the individuals who comprise the Board immediately prior thereto constitute at least a majority of our board of directors, the entity surviving such merger or consolidation or, if us or the entity surviving such merger or consolidation is then a subsidiary, the ultimate parent thereof and (B) which results in our voting securities outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof), in combination with the ownership of any trustee or other fiduciary holding securities under one of our employee benefit plans or any of our subsidiaries, at least 50% of the combined voting power of our securities or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, or (ii) a merger or consolidation effected to implement a recapitalization of Hemispherx (or similar transaction) in which no Person, as defined in the agreements is or becomes the beneficial owner, directly or indirectly, of our securities representing 20% or more of the combined voting power of our then outstanding securities; or
4. The date on which our stockholders approve a plan of complete liquidation or dissolution of Hemispherx or there is consummated an agreement for the sale or disposition by us of all or substantially all of our assets, other than a sale or disposition by us of all or substantially all of our assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by our stockholders, in combination with the ownership of any trustee or other fiduciary holding securities under one of our employee benefit plans or any of our subsidiaries, in substantially the same proportions as their ownership of Hemispherx immediately prior to such sale.

Change of Control Benefits

Each Executive shall be entitled to Change of Control Benefits if his engagement by Hemispherx is terminated during his applicable agreement term but after a Change in Control (i) by us for any reason other than permanent disability or cause, (ii) by the Executive for good reason or (iii) by the Executive for any reason during the 30-day period commencing on the first date which is six months after the date of the Change in Control. We define good reason as any of the following without the Executive's prior consent: (a) a significant adverse change in the nature, scope or status of the Executive's position, authorities or services from those in effect immediately prior to the Change in Control; (b) the failure by us to pay the Executive any portion of his current compensation; (c) a reduction in his annual base compensation (or a material change in the frequency of payment) as in effect immediately prior to the Change in Control; (d) our failure to award the Executive an annual bonus in any year which is at least equal to the annual bonus awarded to the Executive for the year immediately preceding the year of the Change in Control; (e) our

failure to award the Executive equity-based incentive compensation (such as stock options, shares of restricted stock, or other equity-based compensation) on a periodic basis consistent with our practices with respect to timing, value and terms prior to the Change in Control; (f) our failure to award the Executive incentive compensation of any nature based on attained milestones when such milestones are attained; or (g) our failure to obtain a satisfactory agreement from any successor to Hemispherx to assume and agree to perform the Change In Control Agreement.

Mr. Peterson is entitled to certain Change In Control benefits upon the occurrence of a Change In Control.

If an Executive is eligible for termination benefits under the Change of Control provisions within his agreement(s), the Executive is entitled to, in addition to any amounts he is entitled to under his employment/engagement agreement:

- an amount equal to three times the Executive's annual compensation in effect on the date of the Change in Control or, if greater, as in effect immediately prior to the date of termination;
- an amount equal to three times the Executive's bonus award for the year immediately preceding the year of the Change in Control;
- outplacement services and tax and financial counseling suitable to his position through the third anniversary of the date of his termination (or earlier if he gains employment); and
 - certain gross-up payments for excise taxes on the Change Of Control payments.

Dr. Carter's Change Of Control Agreements apply to his employment and engagement agreements; and provide him with the following additional Change Of Control Benefits: continued insurance coverage through the third anniversary of his termination and retirement benefits computed as if he had continued to work for the that period. These agreements also provide that "good reason" for Dr. Carter's ability to terminate his agreements and receive Change of Control Benefits include: (i) our failure to continue to provide him with the welfare benefits, fringe benefits and perquisites enjoyed by him immediately prior to the Change in Control; and (ii) the relocation of our principal executive offices to a location more than thirty-five miles from the location of such offices immediately prior to the Change in Control or our requiring him to be based anywhere other than our principal executive offices.

If Mr. Peterson is eligible for termination benefits under the Change of Control provisions within his agreement, he is entitled to an amount equal to three times the compensation that we paid to him during calendar year 2008.

The following tables describe the estimated potential payments upon termination or change of control of Hemispherx for each Officer. The amounts shown assume that the termination or change in control occurred on December 31, 2008. The actual amounts to be paid can only be determined at the time of such Officer's separation from Hemispherx.

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of McGladrey & Pullen, LLP (“McGladrey”) as independent registered public accountants of Hemispherx for the fiscal year ending December 31, 2009 subject to ratification by the stockholders. McGladrey has served as Hemispherx’s independent registered public accountant since November 2006.

On November 7, 2006, the Audit Committee of our Board of Directors approved the appointment of McGladrey as our independent registered public accounting firm, effective immediately. McGladrey replaced BDO Seidman, LLP (“BDO”) as our independent registered public accounting firm.

All audit and professional services are approved in advance by the Audit Committee to assure such services do not impair the auditor’s independence from us. The total fees by McGladrey & Pullen, LLP (“McGladrey”) for 2007 and 2008 were \$280,000 and \$315,000, respectively. The following table shows the aggregate fees for professional services rendered during the year ended December 31, 2008.

Description of Fees	Amount (\$)	
	2007	2008
Audit Fees	\$ 280,000	\$ 315,000
Audit-Related Fees	-0-	-0-
Tax Fees	-0-	-0-
All Other Fees	-0-	-0-
Total	\$ 280,000	\$ 315,000

Audit Fees

Represents fees for professional services provided for the audit of our annual financial statements, audit of the effectiveness of internal control over financial reporting, services that are performed to comply with generally accepted auditing standards, and review of our financial statements included in our quarterly reports and services in connection with statutory and regulatory filings.

Audit-Related Fees

Represents the fees for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements.

The Audit Committee has determined that McGladrey’s rendering of these audit-related services was compatible with maintaining auditor’s independence. The Board of Directors considered McGladrey to be well qualified to serve as our independent public accountants. The committee also pre-approved the charges for services performed in 2007 and 2008.

The Audit Committee pre-approves all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwriting) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provisions of non-audit services for us if the “de minimus” provisions of Section 10A

(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

Representative(s) of McGladrey & Pullen, LLP will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

PROPOSAL NO. 3

APPROVAL OF THE PROPOSAL TO AMEND OUR
CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER
OF AUTHORIZED SHARES OF COMMON STOCK

Our Board of Directors is proposing the approval and adoption of an amendment to our Certificate of Incorporation, which increases the number of shares of common stock authorized for issuance. The complete text of the proposed Amendment to the Certificate of Incorporation is attached as Appendix A to this Proxy Statement.

Our Certificate of Incorporation currently authorizes the issuance of 200,000,000 shares of common stock, \$.001 par value and 5,000,000 shares of preferred stock, \$0.01 par value per share. In May 2009, the Board of Directors adopted a resolution proposing that the Certificate of Incorporation be amended to increase the authorized number of shares of common stock to 350,000,000 subject to stockholder approval of such amendment. The Board of Directors has determined that adoption of the Amendment is in Hemispherx's best interest and unanimously recommends approval by the stockholders.

As of May 21, 2009, we had 110,670,341 shares of common stock outstanding and 46,373,937 shares of common stock reserved for future issuance under our existing stock option plans, outstanding options, warrants and convertible debentures, and the Common Stock Purchase Agreement with Fusion Capital Fund II, LLC. As of that date, there were 42,955,722 shares of common stock available for future issuances.

The Board of Directors believes that the proposed increase in authorized shares of common stock will benefit Hemispherx by providing flexibility to issue shares of common stock for general and corporate purposes, including a variety of business and financial objectives in the future without the necessity of delaying such activities for further stockholder approval, except as may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or national securities association trading system on which our securities may be listed or quoted. In addition, our Board of Directors could issue large blocks of shares of common stock to fend off unwanted tender offers or hostile takeovers without further stockholder approval.

At present and for the near future, we are issuing our shares of Common Stock under our Employee Wage Or Hours Reduction Program, to certain vendors and service providers who agree to accept stock in lieu of cash for their services, upon closing of the May 2009 Placement, upon exercise of outstanding warrants (including those to be issued in the May 2009 Placement) and to Fusion Capital Fund II, LLC under the Common Stock Purchase Agreement. We believe that we have a sufficient number of authorized, but unissued and unreserved shares of Common Stock for these purposes; however, it is possible that some of the shares that would be authorized should this proposal no. 3 be approved by our stockholders will be used for the foregoing purposes.

We anticipate that, in the future, we most likely will (i) attempt to raise capital through the sale of shares of our common stock or securities convertible into or exercisable for shares of our common stock, (ii) acquire additional assets with our common stock, and/or (iii) facilitate an agreement with a potential partner regarding the marketing, distribution or manufacturing of our products Ampligen® or Alfernon® in part through the issuance of our common stock. However, we have no current plans to issue any of the shares that would be authorized should this proposal no. 3 be approved by our stockholders for any of these or other purposes.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 3 TO BE IN THE BEST INTERESTS OF HEMISPHERX AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL NO. 4

APPROVAL OF THE HEMISPHERx 2009 EQUITY INCENTIVE PLAN

We are submitting the Hemispherx 2009 Equity Incentive Plan (the "Equity Incentive Plan") to our stockholders for approval at the annual meeting. The Equity Incentive Plan is intended to conserve cash as well as attract and retain individuals of experience and ability, to provide incentive to our employees, consultants, non-employee directors and vendors of the Company to obtain a proprietary interests in the Company, and to encourage employees to remain in the our employ. The Equity Incentive Plan is conditioned upon stockholders' approval. The purposes of obtaining stockholder approval include qualifying the Equity Incentive Plan under the Internal Revenue Code (the "Code") for the granting of incentive stock options; meeting the requirements for tax-deductibility of certain compensation items under Section 162(m) of the Code; and meeting the requirements of the NYSE Amex applicable to the Equity Incentive Plan.

The following general description of certain features of the Equity Incentive Plan is qualified in its entirety by reference to the Equity Incentive Plan, which is attached as Appendix B. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Equity Incentive Plan.

The Board of Directors adopted the Equity Incentive Plan effective April 29, 2009, subject to the approval of the Company's stockholders. The Equity Incentive Plan authorizes the grant of non-qualified and incentive stock options, stock appreciation rights, restricted stock and other stock awards. A maximum of 15,000,000 shares of common stock is reserved for potential issuance pursuant to awards under the Equity Incentive Plan. Unless sooner terminated, the Equity Incentive Plan will continue in effect for a period of 10 years from its effective date.

The Equity Incentive Plan is administered by the Board of Directors. The Equity Incentive Plan provides for awards to be made to such officers, employees, non-employee directors, consultants and advisors of the Company and its subsidiaries as the Board may select. No awards have been granted under the Equity Incentive Plan.

Stock options awarded under the Equity Incentive Plan may be exercisable at such times (not later than 10 years after the date of grant) and at such exercise prices (not less than fair market value at the date of grant) as the Board may determine. The Board may provide for options to become immediately exercisable upon a "change in control," which is defined in the Equity Incentive Plan to occur upon any of the following events: (a) the acquisition by any person or group, as beneficial owner, of 20% or more of our outstanding shares or the voting power of our outstanding securities; (b) either a majority of our directors at the annual stockholders meeting has been nominated other than by or at the direction of the incumbent directors of the Board, or the incumbent directors cease to constitute a majority of our Board; (c) our stockholders approve a merger or other business combination pursuant to which our outstanding common stock no longer represents more than 50% of the combined entity after the transaction; (d) our stockholders approve a plan of complete liquidation or an agreement for the sale or disposition of all or substantially all of our assets; or (e) any other event or circumstance determined by our Board to affect control of Hemispherx and designated by resolution of the Board as a change of control.

The exercise price of an option may be paid with cash, common stock, or such other consideration as the Board may specify. No options may be granted under the Equity Incentive Plan after the tenth anniversary of its effective date. Unless the Board determines otherwise, options will be transferable only by will or the laws of descent and distribution.

Stock appreciation rights awarded under the Equity Incentive Plan may be granted as related rights, either in connection with and at the same time as an option is granted, or by amendment of an outstanding non-qualified option. A related stock appreciation right may be granted with respect to all or some of the shares covered by the related option. Related stock appreciation rights generally become exercisable at the same times as the related options become exercisable, but may be limited so as to become exercisable only upon certain events, such as a change in control. Upon exercise of a related right, the grantee would receive, in lieu of purchasing stock, either stock or cash equal to the difference between the fair market value on the date of exercise of the underlying shares of common stock subject to the related option and the exercise price of the option. Stock appreciation rights may also be granted independently of any option, to become exercisable at such times as the Board may determine. Upon exercise of such a right, the grantee would receive either stock or cash equal to the difference between the fair market value on the date of exercise of the shares of common stock subject to the right and the fair market value of the shares on the date of grant of the right.

Restricted stock awarded under the Equity Incentive Plan may be granted on such terms and conditions as the Board may determine, including provisions that govern the lapse of restrictions and voting dividend, distribution and other stockholder rights with respect to the restricted stock. If a grantee of restricted stock terminates service with us for any reason, the grantee will forfeit to us any restricted stock on which the restrictions have not lapsed or been removed on or before the date of termination of service.

Other stock awards under the Equity Incentive Plan may provide for common stock to be issued to grantees in exchange for consideration specified by the Board that is either the grantee's cash or other direct payment to us or the grantee's past services rendered to us or a subsidiary on or before issuance. In this regard, we plan to issue shares to certain vendors and service providers who agree to accept stock in lieu of cash for their services to us.

The following is a brief summary of certain of the U.S. federal income tax consequences of certain transactions under the Equity Incentive Plan based on federal income tax laws in effect on January 1, 2009. This summary applies to the Equity Incentive Plan as normally operated and is not intended to provide or supplement tax advice to eligible employees. The summary contains general statements based on current U.S. federal income tax statutes, regulations and currently available interpretations thereof. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences or the effect, if any, of gift, estate and inheritance taxes.

Grants of options or stock appreciation rights are not taxable income to the grantees or deductible for tax purposes by us at the time of the grant. In the case of non-qualified stock options, a grantee will be deemed to receive ordinary income upon exercise of the stock option, and we will be entitled to a corresponding deduction, in an amount equal to the amount by which the fair market value of the common stock purchased on the date of exercise exceeds the exercise price. The exercise of an incentive stock option will not be taxable to the grantee or deductible by us, but the amount of any income deemed to be received by a grantee due to premature disposition of common stock acquired upon the exercise of an incentive stock option will be a deductible expense of Hemispherx for tax purposes. In the case of stock appreciation rights, a grantee will be deemed to receive ordinary income upon exercise of the right, and we will be entitled to a corresponding deduction, in an amount equal to the cash or fair market value of shares payable to the grantee. Grantees of restricted stock awards generally will recognize ordinary income in an amount equal to the fair market value of the shares of common stock granted to them at the time that the restrictions on the shares lapse and the shares become transferable. At that time, we will be entitled to a corresponding deduction equal to the amounts recognized as income by the grantees in the year in which the amounts are included in the grantees' income. Grantees of stock issued pursuant to other stock awards will generally receive ordinary income, and we will be entitled to a corresponding deduction, in an amount equal to the amount by which the fair market value of the common stock on the date of issuance exceeds the grantee's cash or other payment to us, if any.

Section 162(m) of the Code generally disallows a publicly held corporation's tax deduction for certain compensation in excess of \$1 million per year paid to each of the five most highly compensated executive officers, exclusive of compensation that is "performance-based." We have designed the Equity Incentive Plan in a manner that is intended to qualify the options and any stock appreciation rights granted under the Equity Incentive Plan as performance-based compensation that will not be subject to the deduction limitation of Section 162(m). Any grant of restricted stock or other stock award could (but is not required to) be designed to avoid any such deduction limitation.

The Board has the general power to amend the Equity Incentive Plan in any respect. However, if the Equity Incentive Plan is approved by the stockholders at the annual meeting, the Board may not, without further approval of our stockholders, amend the Plan so as to increase the aggregate number of shares of common stock that may be issued under the Equity Incentive Plan, modify the requirements as to eligibility to receive awards, or to increase materially the benefits accruing to participants. In addition, the Board is permitted to modify, extend or renew outstanding stock options or stock appreciation rights, and to authorize the granting of new options or stock appreciation rights in substitution for existing options and rights. However, existing options or rights may not be repriced, directly or indirectly, so as to provide for modified or new options or rights with an exercise price lower than the exercise price provided for the outstanding stock options and stock appreciation rights. The Board is also authorized to accelerate the lapse of restrictions on restricted stock awards or to remove any or all restrictions at any time.

Because Awards under the 2009 Equity Incentive Plan will be granted at the discretion of the Board, the type, number, recipients, and other terms of such Awards cannot be determined at this time. However, it is anticipated that Awards will be made pursuant to our “Employee Wage Or Hour Reduction Program”. Under this program, shares are to be issued six months after the Incentive Rights have been issued. It is anticipated that a portion of these shares may come from the 2009 Equity Incentive Plan. Please see “Employee Or Hour Reduction Program” in “Other Compensation Discussion And Analysis” above.

The following table gives information about our Common Stock that may be issued upon the exercise of options, warrants and rights under all of our equity compensation plans as of December 31, 2008.

- (iii) to provide for satisfaction of a Participant's tax liabilities arising in connection with the Plan under such terms and conditions as the Board deems appropriate, including requirements in the event of a disqualifying disposition of shares of Common Stock acquired by a Participant pursuant to exercise of an Incentive Stock Option; and
- (iv) to make all other determinations and take all other actions necessary or advisable for the administration of the Plan.

3.3 Agreements shall be executed on behalf of the Corporation by the Chairman of the Board.

3.4 Any determinations or actions made or taken by the Board pursuant to this Article shall be binding and final.

4. Eligibility

Awards may be granted to those directors, officers, other key employees, consultants, vendors and advisors of the Corporation or a Subsidiary who are selected for Awards by the Board. Only individuals who are employees of the Corporation or a Subsidiary shall be eligible for the grant of Incentive Stock Options.

5. Stock Subject to the Plan

5.1 15,000,000 Shares is (i) the maximum number of Shares that may be issued under the Plan; and (ii) 3,000,000 is the maximum number of Shares with respect to which Awards may be granted to any Participant during the period that the Plan is in effect. The limitation in clause (ii) of the preceding sentence is imposed to comply with the requirements for the exception for qualified performance-based compensation under Section 162(m) of the Code and any applicable regulations.

5.2 If an Award expires or terminates for any reason (other than termination by virtue of the exercise of a Related Option or Related Right, as the case may be) in whole or in part, the shares of Common Stock (or applicable portion thereof) which had been subject to the Agreement relating thereto shall become Shares that are available for the grant of other Awards.

5.3 Shares of Common Stock issued upon the exercise of a Right (or if cash is payable in connection with the exercise, that number of Shares having a Fair Market Value equal to the cash payable upon exercise) shall be charged against the number of Shares issuable under the Plan and shall not become available for the grant of other Awards. If the Right referred to in the preceding sentence is a Related Right, the Shares subject to the Related Option, to the extent not charged against the number of Shares subject to the Plan in accordance with this Section 5.3, shall become available for the grant of other Awards.

5.4 The shares of Common Stock issued under the Plan may be authorized but unissued shares, treasury shares or shares purchased by the Corporation on the open market or from private sources for use under the Plan.

6.2 The Option Period shall be determined by the Board and specifically set forth in the Agreement, provided however, that an Option shall not be exercisable after ten years from the Date of Grant.

6.3 All Incentive Stock Options granted under the Plan shall comply with the provisions of the Code governing incentive stock options and with all other applicable rules and regulations.

6.4 No Option shall be granted with an Option Price that is less than the Fair Market Value of the Shares covered by the Option on the Date of Grant.

6.5 Tax obligations of a Participant resulting from the exercise of an Option shall be withheld or provided for pursuant to any methods approved by the Board. The amount of taxes paid pursuant to this Section at the time of the exercise of the Option shall not be less than the statutory minimum withholding obligations that result from the exercise of the Option and shall not exceed the Participant's total estimated federal, state and any local tax obligations that result from the exercise of the Option, except that the Corporation shall not retain shares of Common Stock otherwise issuable following the exercise of the Option in excess of the number required to meet the statutory minimum withholding obligations.

6.6 All other terms of Options granted under the Plan shall be determined by the Board in its sole discretion.

7. Rights

7.1 A Right may be granted under the Plan:

- (i) in connection with, and at the same time as, the grant of an Option;
- (ii) by amendment of an outstanding Nonstatutory Stock Option granted under the Plan; or
- (iii) independently of any Option granted under the Plan.

A Right granted under clause (i) or (ii) of the preceding sentence is a Related Right. A Related Right may, in the Board's discretion, apply to all or a portion of the Shares subject to the Related Option.

7.2 A Right may be exercised in whole or in part as provided in the Agreement, and subject to the provisions of the Agreement, entitles its Participant to receive, without any payment to the Corporation (other than required tax withholding amounts) either cash or that number of Shares (equal to the highest whole number of Shares), or a combination thereof, in an amount or having a Fair Market Value determined as of the Date of Exercise not to exceed the number of Shares subject to the portion of the Right exercised multiplied by an amount equal to the excess of (i) the Fair Market Value per Share on the Date of Exercise of the Right over (ii) either (A) the Fair Market Value per Share on the Date of Grant of the Right if it is not a Related Right, or (B) the Option Price as provided in the Related Option if the Right is a Related Right.

7.3 The Right Period shall be determined by the Board and specifically set forth in the Agreement, provided, however, that:

- (i) a Right will expire no later than the earlier of (A) ten years from the Date of Grant or (B) in the case of a Related Right, the expiration of the Related Option;
- (ii) a Right may be exercised only when the Fair Market Value of a Share exceeds either (A) the Fair Market Value per Share on the Date of Grant of the Right if it is not a Related Right, or (B) the Option Price as provided in

the Related Option if the Right is a Related Right; and

(iii) a Right that is a Related Right to an Incentive Stock Option may be exercised only when and to the extent the Related Option is exercisable.

5

7.4 The exercise, in whole or in part, of a Related Right shall reduce the number of Shares subject to the Related Option by the number of Shares with respect to which the Related Right is exercised. Similarly, the exercise, in whole or in part, of a Related Option shall reduce the number of Shares subject to the Related Right by the number of Shares with respect to which the Related Option is exercised.

7.5 Tax obligations of a Participant resulting from the exercise of a Right shall be withheld or provided for pursuant to any methods approved by the Board. The amount of taxes paid pursuant to this Section at the time of the exercise of the Option shall not be less than the statutory minimum withholding obligations that result from the exercise of the Option and shall not exceed the Participant's total estimated federal, state and any local tax obligations that result from the exercise of the Option, except that the Corporation shall not retain shares of Common Stock otherwise issuable following the exercise of the Option in excess of the number required to meet the statutory minimum withholding obligations.

8. Exercise

An Option or Right may, subject to the provisions of the Agreement under which it was granted, be exercised in whole or in part by the delivery to the Corporation of written notice of the exercise, in such form as the Board may prescribe, accompanied, in the case of an Option, by full payment for the Shares with respect to which the Option is exercised. A Participant may pay the purchase price either (i) in cash; (ii) with previously acquired shares of Common Stock (valued at Fair Market Value on the Date of Exercise of the Option) that have either been purchased in open market transactions or issued by the Corporation pursuant to a plan thereof or of a Subsidiary; (iii) by payment of such other consideration as the Board may specify; or (iv) a combination thereof.

9. Restricted Stock

9.1 The Board may cause the Corporation to issue Restricted Stock from time to time. Whenever the Board deems it appropriate to grant Restricted Stock to a Participant, notice shall be given to the Participant stating the number of Shares granted as Restricted Stock and the terms and conditions to which the Restricted Stock is subject. That notice shall become an Agreement upon written acceptance by the Participant, and certificates representing the Restricted Stock shall be issued and delivered to the Participant as soon as practicable after execution and return of the Agreement. Restricted Stock may be granted with or without cash consideration.

9.2 Restricted Stock issued pursuant to the Plan shall be subject to the following restrictions:

(i) No Restricted Stock may be sold, assigned, transferred, pledged, hypothecated, or otherwise encumbered or disposed of until the restrictions set forth in the applicable Agreement have lapsed or been removed pursuant to Section 9.3 or Section 9.4.

(ii) In the case of a Participant's Termination of Service for any reason (whether voluntarily or involuntarily, with or without cause), the Participant shall forfeit to the Corporation any Restricted Stock on which the restrictions have not lapsed or been removed pursuant to Section 9.3 or Section 9.4 below on the date of the Termination of Service, and the Corporation shall have no obligation to pay any amounts with respect to such Restricted Stock, unless the Board determines to the contrary.

9.3 The Board shall establish as to each Award of Restricted Stock (i) the terms and conditions upon which the restrictions set forth in Section 9.2 above shall lapse, and (ii) the extent, if any, to which the Participant shall have the voting, dividend, distribution and other rights of a stockholder with respect to the Restricted Stock. Certificates representing Restricted Stock shall bear a legend referring to the restrictions set forth in the Plan and the Participant's Agreement. Those terms and conditions may include, without limitation, the lapsing of restrictions as a result of the

death, Permanent Disability or Retirement of the Participant or the occurrence of a Change in Control.

9.4 Notwithstanding Section 9.2(i) and Section 9.2(ii) above, the Board may at any time, in its sole discretion, accelerate the time at which any or all restrictions on Restricted Stock will lapse or remove any and all such restrictions.

9.5 Tax obligations of a Participant resulting from the Participant's earning Restricted Stock hereunder shall be withheld or provided for pursuant to any methods approved by the Board and set forth in the Agreement. The amount of taxes so paid shall not be less than the statutory minimum withholding obligations that result when the Restricted Stock is earned and shall not exceed the Participant's total estimated federal, state and any local tax obligations that result when the Restricted Stock is earned, except that the Corporation shall not retain shares of Common Stock otherwise issuable in excess of the number required to meet the statutory minimum withholding requirements.

10. Other Stock Awards

The Board may cause the Corporation to issue Common Stock from time to time pursuant to an Other Stock Award in exchange for consideration from the Participant specified by the Board that is either the Participant's cash or other direct payment to the Corporation or the Participant's past services rendered to the Corporation or a Subsidiary on or before the date of issuance. Whenever the Board deems it appropriate to grant an Other Stock Award to a Participant, notice shall be given to the Participant stating the number of Shares to be issued pursuant to the Other Stock Award and the other terms and conditions of the Other Stock Award. That notice shall become an Agreement upon written acceptance by the Participant. Tax obligations of a Participant resulting from the Participant's Other Stock Award shall be withheld or provided for pursuant to any methods approved by the Board and set forth in the Agreement. The amount of taxes so paid shall not be less than the applicable statutory minimum withholding obligations that result when the Common Stock is earned and shall not exceed the Participant's total estimated federal, state and any local tax obligations that relate to the Other Stock Award, except that the Corporation shall not retain shares of Common Stock otherwise issuable in excess of the number required to meet the statutory minimum withholding requirements.

11. Nontransferability of Options and Rights

Unless otherwise determined by the Board, Options and Rights granted under the Plan shall not be transferable other than by will or the laws of descent and distribution, and an Option or Right may be exercised during the Participant's lifetime only by him or in the event of his legal disability, by his legal representative. A Related Right is transferable only when the Related Option is transferable and only with the Related Option and under the same conditions.

12. Capital Adjustments

The number and class of Shares subject to each outstanding Award, the Option Price and the aggregate number and class of Shares for which Awards thereafter may be made shall be adjusted by the Board, as appropriate and equitable, to reflect such events as stock dividends, dividends payable other than in cash or other extraordinary dividends, stock splits, recapitalizations, mergers, consolidations or reorganizations of or by the Corporation.

13. Termination or Amendment

The Board shall have the power to terminate the Plan and to amend it in any respect, provided that, after the Plan has been approved by the stockholders of the Corporation, the Board may not, without the approval of the stockholders of the Corporation, amend the Plan so as to increase the aggregate number of Shares that may be issued under the Plan (except as provided in Article 12), to modify the requirements as to eligibility to receive Awards, or to increase materially the benefits accruing to Participants. Notwithstanding the preceding sentence, no termination or amendment of the Plan shall, without his or her consent, adversely affect the rights or obligations of a Participant with respect to any Award previously granted except as reasonably required for compliance with Rule 16b-3 under the Exchange Act or with the provisions of the Code and other applicable rules and regulations thereunder governing incentive stock options.

14. Modification, Extension and Renewal of Options and Rights

Subject to the terms and conditions and within the limitations of the Plan, the Board may modify, extend or renew outstanding Awards; provided, however, that no Option or Right shall be repriced, whether by the reduction of the Option Price (or the Fair Market Value per Share on the Date of Grant in the case of a Right that is not a Related Right) or by the cancellation of an Option or Right and the issuance of a substitute Option or Right with a lower Exercise Price (or the Fair Market Value per Share on the Date of Grant in the case of a Right that is not a Related Right).

15. Term of the Plan

Unless sooner terminated by the Board pursuant to Article 13, the Plan shall terminate on the date ten years after its adoption by the Board, and no Awards may be granted or awarded after termination. The termination shall not affect the validity of any Award outstanding on the date of termination.

16. Indemnification of Board

In addition to any other indemnification rights they may have as directors, the members of the Board shall be indemnified by the Corporation against the reasonable expenses, including attorneys' fees, actually incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner which they believed to be in, and not opposed to, the best interests of the Corporation.

17. General Provisions

17.1 The establishment of the Plan shall not confer upon any director, officer, other employee, consultant, vendor or advisor of the Corporation any legal or equitable right against the Corporation, any Subsidiary or the Board, except as expressly provided in the Plan.

17.2 The Plan does not constitute inducement or consideration for the employment of officer or other employee of the Corporation, nor is it a contract between the Corporation or any Subsidiary and any director, officer, other employee, consultant or advisor of the Corporation. Participation in the Plan shall not give a director, officer, other employee, consultant, vendor or advisor of the Corporation any right to be retained in the service of the Corporation or any Subsidiary.

17.3 The interests under the Plan of any Participant under the Plan are not subject to the claims of creditors and may not, in any way, be assigned, alienated or encumbered.

17.4 The Plan shall be governed, construed and administered in accordance with the laws of the state of Delaware and the intention of the Corporation that Incentive Stock Options granted under the Plan qualify under Section 422 of the Code.
