PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about April 5, 2010, in connection with the solicitation of proxies by the Board of Directors of Gaming Partners International Corporation (the Company or GPIC), to be used at the Annual Meeting of Stockholders (the Annual Meeting) on May 5, 2010, at 1700 Industrial Road, Las Vegas, Nevada 89102-2620, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

**QUESTIONS AND ANSWERS ABOUT THE MEETING
AND VOTING**

What am I being asked to vote on?

The election of seven nominees to serve on our Board of Directors for terms expiring in 2011.

The ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

Any other matters that may properly come before the Annual Meeting.

What are the board's voting recommendations?

Our Board of Directors recommends a vote **FOR** each of the seven director nominees.

Our Board of Directors recommends a vote **FOR** the ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

What is the vote required for each proposal?

Once a quorum has been established, the following votes are required for approval of the respective matters:

Directors are elected by a plurality of the votes cast by holders of shares entitled to vote at the Annual Meeting. This means that the seven individuals receiving the largest number of votes will be elected as directors.

The proposal to ratify the appointment of Moss Adams LLP as our independent registered public accounting firm will be approved by the stockholders if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

Who is entitled to vote?

Common stockholders of record as of the close of business on the record date are entitled to vote. The record date for the Annual Meeting is March 19, 2010. Each outstanding share of our common stock is entitled to one vote upon the proposals presented.

How do I vote?

If you are the record holder of your shares, there are two ways to vote:

By completing and mailing the enclosed proxy card.

By written ballot at the Annual Meeting.

If your shares are held by a broker, bank or other nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares or obtain an authorization from your

TABLE OF CONTENTS

broker allowing you to vote your shares at the Annual Meeting in person or by proxy. If you do not give instructions to your broker, your broker can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine under the rules of the NASDAQ Stock Market, Inc. (NASDAQ) on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. Proposal 1 Election of Directors is considered non-routine. Accordingly, brokers do not have discretion to vote on this proposal without your instruction. Because the Company has a plurality voting standard, however, broker non-votes will not affect the outcome of the vote on this proposal. Proposal 2 Ratification of Independent Registered Public Accounting Firm is considered routine and therefore may be voted upon by your broker if you do not give instructions to your broker.

What does it mean if I get more than one proxy?

It means your shares are held in more than one account. Please vote all proxies to ensure all your shares are voted.

What constitutes a quorum?

As of the record date, March 19, 2010, there were 8,199,016 shares of our common stock outstanding. In order to conduct the Annual Meeting, a majority of the outstanding shares entitled to vote must be represented in person or by proxy. This is known as a quorum. Abstentions and shares which are the subject of broker non-votes will count toward establishing a quorum.

Can I change my vote?

If you are the record holder of your shares, you can change your vote or revoke your proxy at any time prior to the closing of the polls, by:

returning a later-dated proxy card; or
attending the meeting and voting your shares in person; or
notifying our Secretary by written revocation letter.

Our Secretary is Gay A. Nordfelt. Any changed vote or revocation should be filed with her at our corporate headquarters at 1700 Industrial Road, Las Vegas, Nevada, 89102-2620.

If your shares are held in street name and you previously instructed your broker, bank or other nominee on how to vote your shares, you will need to contact your broker, bank or other nominee in order to change your vote.

Attendance at the Annual Meeting will not in itself constitute revocation of a proxy. All shares entitled to vote and represented by properly completed proxies timely received and not revoked will be voted as you directed. If no direction is given, the proxies will be voted as our Board of Directors recommends.

Who conducts the proxy solicitation?

Our Board of Directors is soliciting these proxies. We will bear the cost of the solicitation of proxies. Our regular employees may solicit proxies by mail, by telephone, personally or by other communications, without compensation apart from their normal salaries.

Who will count the votes?

Our Board of Directors will appoint one or more employees to serve as an Inspector of Elections to tabulate the voted proxies.

TABLE OF CONTENTS

Our Board of Directors has proposed the election of the following nominees for a one-year term expiring at the 2011 Annual Meeting and until their respective successors have been duly elected and qualified. Each of the nominees listed below has consented to being nominated and to serve if elected. In the event that any director nominee becomes unable to serve for any reason, the persons named as proxyholders reserve full discretion to vote for any other person who may be nominated or for the balance of the nominees, leaving a vacancy unless our Board of Directors chooses to reduce the number of directors serving on our Board of Directors.

Mr. Thieffry holds Masters of Law and Business Administration and the equivalent of a CPA license in France.

Board Leadership Structure

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting our strategic direction and our day to day leadership and performance, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board.

Risk Oversight

The Board of Directors has the ultimate oversight responsibility for the risk management process and regularly reviews issues that present particular risks to us, including those involving competition, customer demands, economic conditions, planning, strategy, finance, sales and marketing, products, information technology, facilities and operations, supply chain, legal and environmental matters, and insurance. The Board of Directors further relies on its Audit Committee for oversight of certain areas of risk management. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management and the independent registered public accountants the Company's policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance. The Board believes that this approach, supported by the separation of our senior leadership, provides appropriate checks and

balances against undue risk-taking.

Board of Directors and Committees of the Board

Our business affairs are conducted under the direction of our Board of Directors. The role of our Board of Directors is to effectively govern our affairs for the benefit of our stockholders and, to the extent appropriate under governing law, of other constituencies, which include our employees, customers, suppliers and creditors. Our Board of Directors strives to ensure the success and continuity of our business through the selection of a qualified management team. It is also responsible for ensuring that our activities are conducted in a responsible and ethical manner. During 2009, our Board of Directors held 10 meetings. Each director

4

TABLE OF CONTENTS

attended at least 75% of the board meetings and committee meetings during the period he/she served as a member, except for Elisabeth Carrette. Our independent directors met four times during 2009. We encourage our directors to attend our annual meetings of stockholders. Six of our seven directors attended our 2009 annual meeting of stockholders.

The framework for our corporate governance is provided by: (a) Nevada corporate law, (b) our articles of incorporation and our bylaws, (c) charters of our board committees, and (d) our codes of ethics and conduct. In addition, we are governed by all applicable laws, rules and regulations, including the gaming laws and rules of every jurisdiction in which we or our products are licensed, the federal securities laws and the rules of the Securities and Exchange Commission (SEC), and the listing requirements and rules of NASDAQ, where our common stock is listed.

Mrs. Carrette and Mr. Endy have determined that as a result of the first right of refusal between them in connection with the holding of our equity securities, they are acting as a group within the meaning of Section 13(d)(3) of the Securities Act of 1933, as amended (the Securities Act). Mrs. Carrette and Mr. Endy each have publicly filed Schedules 13D reporting the existence of a group between them. In addition, excluding the shares beneficially owned by Mr. Endy, Mrs. Carrette beneficially owns more than 50% of our voting power. As a result, our Board of Directors has determined that we are a controlled company and are therefore exempt from certain of the NASDAQ rules, including requirements for a majority independent board and independent compensation and nominating committees.

Under applicable SEC and NASDAQ rules, the existence of certain related party transactions above certain thresholds between a director and the company are required to be disclosed and preclude a finding by the Board of Directors that the director is independent. The Board of Directors has determined that the following directors meet the standards of independence under the applicable NASDAQ listing standards: Martin A. Berkowitz, Charles R. Henry and Robert J. Kelly.

Our Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Compliance Committee and the Nominating and Governance Committee. The charter for each committee, as well as our Code of Ethics and Code of Conduct, are available on our website at www.gpigaming.com. These documents are also available in print, free of charge, to any stockholder upon request. We may revise these policies from time to time and will promptly post revisions on our website. No charter has been adopted for our Compliance Committee.

The **Audit Committee**, a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act), assists our Board of Directors in overseeing the accounting and financial reporting processes of the Company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, and such other duties as may be directed by our Board of Directors. The Audit Committee Charter requires that the Audit Committee consist of three or more board members who satisfy the independence requirements of the SEC and NASDAQ for audit committee members. The current members of the Audit Committee are Mr. Kelly, who is the committee chair, Mr. Henry and Mr. Berkowitz. The Board of Directors has determined that each of the current members of the Audit Committee satisfies the above-referenced independence requirements. Our Board of Directors believes that each member of the Audit Committee is able to read and understand financial statements, and that at least one of the members has past employment experience or background which results in his financial sophistication. The Board of Directors believes that Mr. Berkowitz qualifies as an audit committee financial expert as defined in Item 407(d)(5)(ii) of SEC Regulation S-K. Our Audit Committee met seven times in fiscal 2009.

The **Compensation Committee** discharges the responsibilities of our Board of Directors relating to compensation of the Company's executive officers and directors. The Compensation Committee's responsibilities include:

establishing and reviewing the overall corporate policies, goals and objectives for the compensation of the Company's chief executive officer and other executive officers, including a review of the

5

TABLE OF CONTENTS

relationship of executive compensation to corporate performance and relative stockholder return, compensation at comparable companies, past years compensation to executives, tax and accounting treatment and other relevant factors;

evaluating the performance of the Company's chief executive officer and other executive officers in light of the corporate goals and objectives and, based on that evaluation, determining the compensation of the chief executive officer and other executive officers, including individual elements of salary, bonus, supplemental retirement, incentive and equity compensation, and determine the appropriate allocation among individual elements in light of the corporate goals and the performance evaluation; and

making recommendations to the Company's Board of Directors regarding the salaries, benefits and other compensation of the Company's non-employee directors, committee chairpersons, and committee members.

The Compensation Committee administers the 1994 Directors' Stock Option Plan, as amended (Directors' Plan), but it has no discretion to determine or vary any matters which are fixed under the terms of the Directors' Plan. All actions and decisions of the Compensation Committee under the Directors' Plan (other than grants of non-discretionary options) are subject to approval by our Board of Directors. The current members of the Compensation Committee are Mr. Thieffry, who is the committee chair, Mr. Kelly and Mr. Berkowitz. Our Compensation Committee met one time in fiscal 2009. No interlocking relationship exists, or in the past has existed, between any member of our Compensation Committee and any member of any other company's board of directors or compensation committee.

The **Compliance Committee** is responsible for identifying and evaluating any situations involving us or our affiliates which may have a negative effect upon the objectives of gaming control. The Compliance Committee currently consists of Mr. Gerard P. Charlier, who is the committee chair, Mr. Kelly, and Ms. Laura McAllister Cox, our Executive Vice President and General Counsel. The Board of Directors expects that, upon his election to the Board of Directors at the Annual Meeting, Mr. Gronau will serve on the Compliance Committee in place of Mr. Charlier. The Compliance Committee held one meeting during fiscal 2009. The Compliance Committee reports to our Board of Directors and advises our Board of Directors, after investigation, of activities that might be inappropriate. Among other things, our Executive Vice President and General Counsel determines that all transactions involving gaming supplies and gaming equipment are with appropriately licensed casinos, distributors and vendors and reports to the committee regarding matters which may include, but are not limited to, material litigation, material loans or extensions of credit, transactions meeting certain thresholds, and material loans made by us or our affiliates other than for our or the affiliate's benefits. Additionally, the committee requires that appropriate background checks be conducted on several categories of persons, including, but not limited to, stockholders holding a 5% or more beneficial ownership interest, officers, directors, lenders, vendors, customers, partners, joint ventures and lobbyists.

The committee reviews political contributions as to compliance with law, annually reviews the list of our stockholders, and may require review of foreign entities with which we do business.

The **Nominating and Governance Committee**, which currently consists of Messrs. Kelly, who is the committee chair, Henry and Berkowitz, is responsible for identifying qualified candidates to be presented to our Board of Directors for nomination as directors, selecting, or recommending that the Board of Directors select, director nominees for the next annual meeting, and assisting our Board of Directors in carrying out its responsibilities relating to our corporate governance practices. Our Nominating and Governance Committee met two times in fiscal 2009. Each of the current members of the Nominating and Governance Committee qualifies as an independent director as defined in Rule 4200(a)(15) of the NASDAQ listing standards.

The Nominating and Governance Committee will consider nominees for our Board of Directors recommended by stockholders. Notice of proposed stockholder nominations for directors must be delivered not less than 90 days or more than 120 days prior to the first anniversary of the date of the prior year's annual meeting of stockholders. Nominations shall set forth (i) the name and address of the stockholder and/or beneficial owner proposing the nomination, (ii) the number of shares of stock held of record and beneficially by such stockholder, (iii) a

representation that the stockholder is a beneficial or record owner of our stock entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to propose such nomination,

6

TABLE OF CONTENTS

(iv) the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected, (v) a brief description of the proposed nominee's business experience for the previous five years and all other information regarding such proposed nominee that would be required to be set forth in a definitive proxy statement filed with the SEC pursuant to Section 14 of the Exchange Act, and (v) all other information that would be required to be filed with the SEC if the person proposing such nomination were a participant in a solicitation subject to Section 14 of the Exchange Act. Nominations should be delivered to the Nominating and Governance Committee at the following address:

Gaming Partners International Corporation
c/o Corporate Secretary
1700 Industrial Road
Las Vegas, Nevada 89102-2620

In considering possible candidates for election as a director, the Nominating and Governance Committee will consider such factors as overall business experience, experience in technology, finance, marketing, international business, financial reporting and other areas that are expected to contribute to an effective Board of Directors, as well as a candidate's integrity, commitment, diligence, conflicts of interest and the ability to act in the interests of all stockholders. While the Committee seeks a diversity of experience, viewpoints and backgrounds on the Board, it has not established a formal policy regarding diversity in identifying director nominees.

The Nominating and Governance Committee will review the qualifications and backgrounds of directors and nominees, as well as the overall composition of the Board of Directors, and recommend the slate of directors to be nominated for election at the Annual Meeting. We do not currently employ or pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential director nominees.

We have adopted a **Code of Ethics**, which applies to our Chief Executive Officer, Chief Financial Officer and Corporate Controller, and a **Code of Conduct**, which applies to all of our directors and employees, to the fullest extent permitted under the applicable laws of the country where such employees are domiciled. If we make any amendments to the Code of Ethics or the Code of Conduct or grant any waiver, including any implicit waiver, from a provision of the codes to our directors or executive officers, we will disclose the nature of such amendment or waiver on our website at www.gpigaming.com.

We have no related party transactions as defined by Item 404 of Regulation S-K.

Communications with the Board of Directors

You can contact our Board of Directors or any of our directors by writing to them at the same mailing address provided above for delivery of director nominations. At each Audit Committee meeting, the Secretary will present a summary of stockholder communications received since the last meeting, and will make the communications available to the applicable director or committee upon request. Employees and others who wish to contact the Board of Directors or any member of the Audit Committee anonymously to report complaints or concerns with respect to accounting, internal accounting controls or auditing matters, may do so anonymously by using the same mailing address listed above. All communications are confidential.

Non-Employee Director Compensation

Non-employee directors receive an annual fee of \$18,000, plus \$1,400 for attending in person (or \$750 for participating by telephone) for each regular Board of Directors meeting and each Audit Committee meeting (so long as they are a member of such committee), and \$500 for attending (either in person or by telephone) each other

non-regular or special board or committee meeting. Each director may be reimbursed for certain expenses incurred in connection with attendance at Board of Directors and committee meetings. Each non-employee director also receives non-qualified stock options under the Directors Plan.

The Directors Plan provides for the grant of discretionary and non-discretionary stock option grants to non-employee directors. The aggregate number of shares issuable under the Directors Plan is 450,000, of which up to 100,000 shares may be subject to discretionary stock options. Eligible non-employee directors initially receive a one-time stock option to purchase 6,000 shares of common stock following such director's election to the Board of Directors. Thereafter, each such director receives a non-discretionary stock option to purchase 2,000 shares of common stock each year at the beginning of such director's fourth year of service. In addition, on the anniversary of each such director's election or appointment to the Board of Directors such

director also receives non-discretionary stock options to purchase 1,500 shares of common stock for serving on the Audit Committee, the Compliance Committee or the Compensation Committee for at least six months during the twelve months prior to the date of grant. The Board of Directors may also grant discretionary options from time to time to non-employee directors, subject to and consistent with the provisions of the Directors' Plan. The initial non-discretionary stock option vests in equal installments over a three-year period. Annual non-discretionary stock options and discretionary stock options are fully-vested on the date of grant, but are not exercisable for six months and the day after the date of grant. Unless special circumstances exist, each stock option expires on the earlier of the tenth anniversary of the date of its grant or nine months after the non-employee director ceases to be a director for any reason other than death or two years after the non-employee director ceases to be a director due to his or her death. The stock option exercise price is the closing price of the Company's common stock on the date such stock option is granted.

Our non-employee directors who are currently eligible to participate in the Directors' Plan are Martin A. Berkowitz, Elisabeth Carrette, Eric P. Endy, Charles R. Henry, Robert J. Kelly and Alain Thieffry, and, upon his election to the Board of Directors at the Annual Meeting, Jean-Francois Lendais. Directors who are also employed as regular salaried officers or employees do not receive any fees or additional remuneration to serve on our Board of Directors or its committees.

The directors realize value from their stock options only when exercised, and only to the extent that the price of our common stock on the exercise date exceeds the price of our common stock on the grant date.

Recommendation of Our Board of Directors

Directors will be elected by a plurality of the votes cast by the shares entitled to vote, as long as a quorum is present.

Plurality means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be chosen. Therefore, shares not voted, whether by withheld authority or otherwise, and broker non-votes have no effect in the election of directors.

Our Board of Directors recommends that you vote **FOR** all the director nominees.
