## SEACOAST BANKING CORPORATION OF FLORIDA

## INFORMATION TO BE INCLUDED IN REPORT

Item 8.01 Other Events

Seacoast Banking Corporation of Florida (Seacoast) is filing this information on Form 8-K/A to update certain financial information included in its earnings release filed on a Form 8-K dated May 4, 2016. The correction is being made to reflect amounts that were reported as an expense taken during the first quarter 2016 which, when corrected, should be recorded as a component of the fair value of the net assets acquired, impacting goodwill created during the acquisition of Floridian Financial Group, Inc. The impact of this change results in a decrease of approximately \$1.3 million in compensation expense (\$779,000 after tax) and a corresponding increase in goodwill net of deferred tax. As a result, reported diluted earnings per share will increase \$0.02 from the figure previously reported. This adjustment does not impact Seacoast's adjusted earnings as they are non-recurring merger related items. Management does not believe the correction is material and is making this correction as the error was detected prior to filing of the SEC Form 10-Q.

The table, below reflects certain corrected information and compares this information to the previously-reported figures.

FINANCIAL STATISTIC (Dollars in thousands except per share data)	1Q 2016 Initially Reported	1Q 2016 Corrected		
Salaries and Wages	\$ 14,668	\$ 13,399		
Total Noninterest Expenses	33,610	32,341		
Net Income	3,186	3,966		
Diluted Earnings Per Share	0.09	0.11		
Return on Average Assets	0.36	%	0.44	%
Return on Average Tangible Common Equity	4.2		5.1
