**PRELIMINARY SUBJECT TO COMPLETION DATED
JANUARY 24, 2017**

**PROPOSED MERGER YOUR VOTE IS VERY
IMPORTANT**

Dear Stockholder:

On October 22, 2016, the board of directors of Merchants Bancshares, Inc. (Merchants) unanimously approved an Agreement and Plan of Merger (the Merger Agreement) between Merchants and Community Bank System, Inc. (Community Bank System). Merchants is holding a special meeting of stockholders on [], at [], Eastern time, at [], for its stockholders of record on [], to vote on the proposals necessary to complete the merger. If Merchants stockholders adopt the Merger Agreement and the merger is subsequently completed, Merchants will merge with and into Community Bank System (the Merger), with Community Bank System continuing as the surviving company.

If the Merger Agreement proposal is approved and the Merger is subsequently completed, Merchants stockholders may elect to receive, in exchange for each outstanding share of Merchants common stock they hold, either: (i) \$40.00 in cash (which we refer to as the cash election consideration); (ii) 0.9630 shares of common stock of Community Bank System (which we refer to as the stock election consideration); or (iii) a combination of \$12.00 in cash and 0.6741 shares of common stock of Community Bank System (which we refer to as the mixed election consideration).

Both the cash election consideration and the stock election consideration are subject to proration and adjustment procedures to ensure that the total amount of cash paid, and the total number of shares of Community Bank System common stock issued, in the Merger to Merchants stockholders, as a whole, will equal as nearly as practicable the total amount of cash and number of shares that would have been paid and issued if all of the Merchants stockholders received the mixed election consideration. Merchants stockholders who fail to make a timely election or who make no election will receive the mixed election consideration. For more information, see Proposal I The Merger and The Merger Agreement.

The precise consideration that Merchants stockholders will receive if they elect the cash election consideration or the stock election consideration will not be known at the time that Merchants stockholders vote on the proposal to adopt the Merger Agreement or make an election as to the type of consideration that they would like to receive in the Merger. On October 21, 2016, which was the last trading date on the New York Stock Exchange (NYSE) preceding the public announcement of the Merger, the closing price of Community Bank System common stock was \$47.50 per share, valuing the mixed election consideration at approximately \$44.02 per share. On [], the most recent practicable date prior to the mailing of this Proxy Statement/Prospectus, the closing price of Community Bank System common

stock on the NYSE was \$[], valuing the mixed election consideration at approximately \$[] per share. Based on [] shares of Merchants common stock issued and outstanding, Community Bank System expects to issue in the Merger approximately [] shares of its common stock before taking into account any adjustment for the issuance of cash in lieu of fractional shares.

The market prices of Community Bank System common stock and Merchants common stock will fluctuate before the completion of the Merger. **You should obtain current stock price quotations for Community Bank System and Merchants common stock before you vote.** Community Bank System common stock is listed on the NYSE under the symbol CBU. Merchants common stock is traded on the NASDAQ Global Select Market (NASDAQ) under the symbol MBVT.

Under the terms of the Merger Agreement, in the event that the volume-weighted average trading price of Community Bank System common stock for a specified period prior to the closing is less than \$35.77 per share and the decrease in the price of Community Bank System's common stock is more than 20% greater than the decrease in the SNL Midcap U.S. Bank Index over the same period, Merchants has the right to terminate the Merger Agreement, Community Bank System has the option to increase the amount of Community Bank System common stock issuable to Merchants stockholders by a formula-based amount set forth in the Merger Agreement to prevent such termination.

The Merchants board of directors has unanimously determined that the Merger and the Merger Agreement are advisable and in the best interests of Merchants and its stockholders and unanimously recommends that you vote FOR the adoption of the Merger Agreement, FOR approval, on an advisory basis, of the Merger-related executive compensation payable to the Merchants named executive officers in connection with the Merger, and FOR the proposal to adjourn the Merchants special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to adopt the Merger Agreement.

The Merger cannot be completed unless at least two-thirds of the issued and outstanding shares of Merchants common stock entitled to vote at the special meeting vote in favor of the Merger. Whether or not you plan to attend the special meeting of stockholders, please take the time to vote by using the Internet, by telephone or by completing the enclosed proxy card and mailing it in the enclosed envelope. If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote FOR each of the proposals being voted on at Merchants' special meeting. If you fail to vote, or you do not instruct your broker how to vote any shares held for you in street name, it will have same effect as voting AGAINST the Merger Agreement, but it will have no impact on the advisory, non-binding proposal to approve the Merger-related executive compensation or the proposal to approve an adjournment of the special meeting.

The accompanying document is being delivered to Merchants stockholders as Community Bank System's Prospectus for its offering of Community Bank System common stock in connection with the Merger, and as Merchants' Proxy Statement for the solicitation of proxies for the special meeting.

This Proxy Statement/Prospectus provides you with detailed information about the proposed Merger. It also contains or references information about Merchants, Community Bank System and related matters. You are encouraged to read this document carefully. **In particular, you should read the Risk Factors section beginning on page 15 of this Proxy Statement/Prospectus for a discussion of the risks you should consider in evaluating the proposed Merger and how it will affect you.**

On behalf of our board of directors, I thank you for your prompt attention to this matter.

Sincerely,

Jeffrey L. Davis
Chairman of the Board of Directors

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following are answers to certain questions that you may have regarding the merger and the special meeting. We urge you to read carefully the remainder of this Proxy Statement/Prospectus because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the annexes to, and the documents incorporated by reference in, this Proxy Statement/Prospectus.

Q: Why am I receiving this document?

Community Bank System, Inc. (Community Bank System) and Merchants Bancshares, Inc. (Merchants) have agreed to combine under the terms of an Agreement and Plan of Merger by and between Community Bank System and Merchants, dated as of October 22, 2016 (the Merger Agreement), that is described in this Proxy Statement/Prospectus. A copy of the Merger Agreement is attached to this Proxy Statement/Prospectus as **Annex A**. In order to complete the merger of Merchants with and into Community Bank System (the Merger), the stockholders of Merchants must vote to adopt the Merger Agreement. Merchants will hold a special meeting of its stockholders to solicit this approval, as well as the non-binding advisory approval of the Merger-Related Executive Compensation and, if necessary, the approval of the adjournment proposal. We are delivering this Proxy Statement/Prospectus to you as both a Proxy Statement of Merchants and a Prospectus of Community Bank System. It is a Proxy Statement because the Merchants board of directors is soliciting proxies from its stockholders. It is a Prospectus because Community Bank System will issue Community Bank System common stock to the Merchants stockholders who receive stock consideration in the Merger, and this Prospectus contains information about Community Bank System common stock. This Proxy Statement/Prospectus contains important information about the Merger, the Merger Agreement, the special meeting of Merchants stockholders, and other related matters, and we encourage you to read it carefully.

Q: What will happen to Merchants as a result of the Merger?

If the Merger is completed, Merchants will cease to exist and Merchants Bank, the wholly-owned subsidiary of Merchants, will become a direct, wholly-owned subsidiary of Community Bank System. Immediately following completion of the Merger, Merchants Bank will then merge with and into Community Bank, N.A. (Community Bank), the wholly-owned subsidiary of Community Bank System, with Community Bank being the surviving bank.

Q: Who is being asked to approve matters in connection with the Merger?

Only Merchants stockholders are being asked to vote to approve the Merger-related proposals. Community Bank System is not required to obtain Community Bank System stockholder approval of the Merger or the Merger Agreement.

Q: What will I receive in the Merger?

If the Merger Agreement proposal is approved and the Merger is subsequently completed, each outstanding share of Merchants common stock will be converted into the right to receive either:

\$40.00 in cash, without interest (the cash election consideration);
0.9630 shares of Community Bank System common stock, plus cash in lieu of fractional shares (the stock election consideration); or
a combination of both \$12.00 in cash and 0.6741 shares of Community Bank System common stock, plus cash in lieu of fractional shares (the mixed election consideration).

The above consideration is subject to proration procedures that are designed to ensure that the total amount of cash paid, and the total number of shares of Community Bank System common stock issued, in the Merger will equal as nearly as practicable the total amount of cash and number of shares that would have been paid and issued if all of the Merchants stockholders received the mixed election consideration.

TABLE OF CONTENTS

You may elect to receive the cash election consideration, the stock election consideration, or the mixed election consideration. However, the ability to receive the consideration of your choice will depend on the elections of other Merchants stockholders. The proration of the consideration payable to Merchants stockholders in the Merger will not be known until Community Bank System tallies the results of the elections made by Merchants stockholders, which will not occur until near or after the closing of the Merger.

Q: Will I receive the form of consideration that I elect?

A: If you elect to receive the mixed election consideration, you will receive the mixed election consideration. If you elect to receive the cash election consideration or stock election consideration, you may not receive the exact form of consideration that you elect. If you make no election with respect to your shares of Merchants common stock (and do not exercise appraisal rights), you will receive the mixed election consideration.

It is currently estimated that, if the Merger is completed, Community Bank System will issue, in the aggregate, approximately [] million shares of Community Bank System common stock and pay approximately \$[] million in cash to Merchants stockholders. Under the proration procedures in the Merger Agreement, the total amount of cash paid, and the total number of shares of Community Bank System common stock issued, in the Merger to the holders of shares of Merchants common stock (other than excluded shares), as a whole, will equal as nearly as practicable the total amount of cash and number of shares that would have been paid and issued if all of such shares of Merchants common stock were converted into the mixed election consideration.

Whether you receive the amount of cash and/or stock you request in your election form will depend in part on the elections of other Merchants stockholders. You may not receive the form of consideration that you elect in the Merger, and you may instead receive a pro-rata amount of cash and/or Community Bank System common stock.

The greater the oversubscription of the stock election consideration, the less stock and more cash a Merchants stockholder making the stock election will receive. Reciprocally, the greater the oversubscription of the cash election consideration, the less cash and more stock a Merchants stockholder making the cash election will receive. However, in no event will a Merchants stockholder who makes the cash election or the stock election receive less cash and more shares of Community Bank System common stock, or fewer shares of Community Bank System common stock and more cash, respectively, than a stockholder who elects the mixed election consideration. See The Merger Agreement Election and Proration Procedures beginning on page 63 of this Proxy Statement/Prospectus.

The proration of the consideration payable to Merchants stockholders who elect to receive the cash election consideration and/or the stock election consideration will not be known until Community Bank System tallies the results of the elections, which will not occur until near or after the closing of the Merger.

Q: How will Merchants stock options be treated in the Merger?

A: Each Merchants stock option outstanding and unexercised immediately prior to the effective time of the Merger, whether or not then vested or exercisable, will be cancelled and automatically converted into the right to receive a cash amount equal to the aggregate number of Merchants shares subject to such option *multiplied by* the excess of the value of the mixed election consideration over the exercise price of such option.

Q: How will shares of Merchants common stock subject to vesting or forfeiture restrictions be treated in the Merger?

Each share of Merchants common stock subject to vesting or forfeiture restrictions and granted under any Merchants benefit plan that is outstanding immediately prior to the effective time, whether or not then vested, will automatically vest in full, and any restrictions thereon will lapse, and such

TABLE OF CONTENTS

stock will be converted into the right to receive an amount of cash equal to the value of the mixed election consideration plus dividends, if any, accrued but unpaid as of the effective time with respect to such restricted share.

Q: How will warrants to purchase Merchants common stock be treated in the Merger?

A: Each warrant that was originally issued on April 25, 2008 by NUVO Bank & Trust Company (with respect to which Merchants issued replacement warrants on December 4, 2015), which we refer to as organizers warrants, to purchase Merchants common stock outstanding as of the effective time will be converted at the effective time into a warrant to acquire, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, the number of shares of Community Bank System common stock determined by *multiplying* (i) the number of shares of Merchants common stock which may be acquired upon exercise of such organizers warrant immediately prior to the effective time by (ii) the stock election consideration of 0.9630.

Each warrant that was originally issued on April 30, 2013 by NUVO Bank & Trust Company (with respect to which Merchants issued replacement warrants on December 4, 2015), which we refer to as 2013 warrants, to purchase Merchants common stock outstanding as of the effective time will be converted into the right to receive, at the holder's election, either (i) a cash payment in cancellation of such 2013 warrant equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant *multiplied by* the excess, if any, of the cash election consideration of \$40.00 over the per share 2013 warrant exercise price immediately prior to the effective time or (ii) a replacement 2013 warrant certificate issued by Community Bank System and representing the right to acquire prior to the expiration date of the original 2013 warrant, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, that number of shares of Community Bank System common stock equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant immediately prior to the effective time *multiplied by* the stock election consideration of 0.9630.

Q: Could you tell me more about Community Bank System?

A: Community Bank System is the parent company of Community Bank and is a financial holding company registered under the Bank Holding Company Act of 1956, as amended. Community Bank is a commercial banking franchise headquartered in Upstate New York, with more than 200 customer facilities and 202 ATMs ranging diagonally from Northern New York to the Southern Tier and west to Lake Erie, and in Northeastern Pennsylvania. TABLE OF CONTENTS

Q: When is the Merger expected to be completed?

The parties are working to complete the Merger during late second quarter or early third quarter of 2017. Merchants and Community Bank System must first obtain the necessary regulatory approvals and the approval of the A: Merchants stockholders at the special meeting and satisfy other customary closing conditions. Merchants and Community Bank System cannot assure you as to when or if all the conditions to the Merger will be met, and it is possible that the parties will not complete the Merger at all.

Q: What happens if the Merger is not completed?

If the Merger is not completed, Merchants will remain an independent company. If the Merger Agreement is A: terminated under certain specified circumstances, Merchants may be required to pay to Community Bank System a termination fee of \$10.72 million.

Q: Does the board of directors of Merchants have a recommendation on how I should vote on the Merger Agreement?

Yes. The board of directors of Merchants unanimously determined that the Merger Agreement and the Merger are A: advisable and in the best interests of Merchants and its stockholders, and unanimously recommends that the stockholders of Merchants vote FOR the adoption of the Merger Agreement.

Q: Why am I being asked to cast a non-binding, advisory vote to approve the Merger-Related Executive Compensation?

The Securities and Exchange Commission (SEC), in accordance with the Dodd-Frank Wall Street Reform and A: Consumer Protection Act (Dodd-Frank Act), adopted rules that require Merchants to seek a non-binding, advisory vote with respect to certain payments that will or may be made to Merchants named executive officers in connection with the Merger.

Q: What will happen if Merchants stockholders do not approve the Merger-Related Executive Compensation proposal at the special meeting?

Approval of the proposal related to the Merger-Related Executive Compensation is not a condition to completing the Merger. The vote with respect to the Merger-Related Executive Compensation is an advisory vote and will not A: be binding on Merchants regardless of whether the Merger Agreement is adopted. Accordingly, as the compensation to be paid to the Merchants executives in connection with the Merger is contractual, such compensation will or may be payable if the Merger is completed regardless of the outcome of the advisory vote.

Q: Are there any stockholders already committed to voting in favor of the Merger Agreement?

Yes. All of the directors of Merchants and another principal stockholder of Merchants have entered into voting A: agreements with Community Bank System requiring them to vote all of their shares in favor of adoption of the Merger Agreement. As of the record date for the special meeting, these stockholders held approximately []% of the outstanding shares of Merchants common stock.

Q: What risks should I consider before I vote on the Merger and make my election as to the form of merger consideration?

You should read and carefully consider the risk factors set forth in section entitled Risk Factors beginning on page A: 15 of this Proxy Statement/Prospectus as well as the other information contained or incorporated by reference into this Proxy Statement/Prospectus, including the matters addressed in the section of this Proxy Statement/Prospectus titled Cautionary Statement Regarding Forward-Looking Statements on page 21.

Q: Is there other information I should consider?

Yes. Much of the business and financial information about each of the companies that may be important to you is A: not included in this document. Instead, that information is incorporated by

vii

reference to documents Merchants and Community Bank System separately filed with the SEC. This means that Merchants and Community Bank System can satisfy their disclosure obligations to you by referring you to one or more documents separately filed by Community Bank System or Merchants with the SEC. Q: When and where will Merchants stockholders meet?

A: Merchants will hold a special meeting of its stockholders on [], at [], Eastern time, at [].

Q: Who can vote at the Merchants special meeting?

A: Holders of record of Merchants common stock at the close of business on [], which is the record date for the Merchants special meeting, are entitled to vote at the special meeting.

Q: How many votes must be represented in person or by proxy at the Merchants special meeting to have a quorum?

A: A majority of the shares of Merchants common stock outstanding and entitled to vote at the special meeting, present in person or represented by proxy, constitutes a quorum at the special meeting.

Q: What vote by Merchants stockholders is required to adopt the Merger Agreement?

A: Assuming a quorum is present at the Merchants special meeting, adoption of the Merger Agreement will require the affirmative vote of the holders of at least two-thirds of the outstanding shares of Merchants common stock entitled to vote. Abstentions and broker non-votes will have the same effect as shares voted AGAINST adoption of the Merger Agreement, but they will have no impact on the advisory, non-binding proposal to approve the Merger-Related Executive Compensation or the proposal to approve an adjournment of the special meeting.

Q: What do I need to do now?

A: After you have carefully read and considered the information contained or incorporated by reference into this Proxy Statement/Prospectus, please vote your shares promptly. If you hold common stock in your name as a stockholder of record, please complete, sign, date and mail your proxy card in the enclosed postage paid return envelope as soon as possible. You may also vote by telephone or through the Internet as instructed on the enclosed proxy card. If you hold your shares in street name through a bank, broker or other fiduciary, you must direct your bank or broker to vote in accordance with the instructions you receive from your bank, broker or other fiduciary. If you sign and send in your proxy and do not indicate how you want to vote, your proxy will be voted in favor of the Merger Agreement, the approval, on an advisory basis, of the Merger-Related Executive Compensation, and, if necessary, the adjournment proposal.

Q: If my shares are held in street name by my broker, will the broker vote my shares for me?

A: No. Your broker WILL NOT vote your shares unless you provide instructions on how to vote. It is important that you provide timely instruction to your broker or bank to ensure that all shares of Merchants common stock that you own are voted at the special meeting. You should instruct your broker how to vote your shares, following the directions your broker provides.

Q: What if I fail to instruct my broker?

A: If you do not provide your broker with instructions and your broker submits an unvoted proxy, referred to as a broker non-vote, the broker non-vote will have the same effect as a vote against the adoption of the Merger Agreement. Broker non-votes will have no impact on the advisory, non-binding proposal to approve the Merger-Related Executive Compensation or the proposal to approve an adjournment of the special meeting.

TABLE OF CONTENTS

Q: Can I attend the special meeting and vote my shares in person?

Yes. Although the Merchants board of directors requests that you vote your shares by mail, by telephone, or through the Internet in advance of the special meeting, all Merchants stockholders are invited to attend the special meeting. Stockholders of record on [] may vote in person at the special meeting. If your shares are held by a broker, bank or other nominee, then you are not the stockholder of record and you must bring to the special meeting appropriate documentation from your broker, bank or other nominee to enable you to vote at the special meeting.

Q: Can I change my vote?

Yes. If you do not hold your shares in street name, there are three ways you can change your vote at any time after you have sent in your proxy card and before your proxy is voted at the special meeting: (i) you may give written notice of revocation to Merchants corporate secretary; (ii) you may submit a new signed proxy card bearing a later date or vote again by telephone or the Internet (any earlier proxies will be automatically revoked); or (iii) you may attend the special meeting and vote in person (however, the mere presence of a stockholder at the special meeting will not constitute revocation of a previously given proxy). If you hold your shares in street name through a bank, broker or other fiduciary, you should contact your bank, broker or other fiduciary to revoke your proxy. Any written notices of revocation and other communications with respect to revocation of proxies should be addressed to Merchants as follows: Merchants Bancshares, Inc., Corporate Secretary, 275 Kennedy Drive, South Burlington, Vermont, 05403, which must be received by [], Eastern time, on [].

Q: How do I make an election as to the form of merger consideration I wish to receive in the Merger?

Community Bank System will mail to each Merchants stockholder an election form/letter of transmittal which will contain instructions for making a selection of merger consideration and for surrendering your stock certificates in exchange for the merger consideration. American Stock Transfer & Trust Company (American Stock Transfer), the exchange agent for the Merger, must receive your properly completed election form/letter of transmittal and your stock certificates, or suitable guarantee of delivery, by no later than the election deadline in order for your choice as to the form of merger consideration to be considered with those made by the other Merchants stockholders. Merchants and Community Bank System expect the election deadline will be 5:00 p.m., Eastern time, on [], but they will notify you if this date changes.

Q: What happens if I don't make a valid election as to the form of merger consideration before the election deadline?

If you do not make a valid election as to the form of merger consideration before the election deadline, each share of Merchants common stock held by you will be converted into the right to receive a combination of \$12.00 in cash and 0.6741 shares of Community Bank System common stock. If the Merger is completed, the exchange agent will send any stockholder who does not make a valid election a new letter of transmittal that such stockholder can use to surrender his or her shares of Merchants common stock in exchange for the merger consideration.

Q: Can I change my election as to the form of merger consideration?

Yes. You can change your election as to the form of merger consideration by submitting a new election form/letter of transmittal. For a change to be effective, the exchange agent must receive your election form/letter of transmittal before the election deadline.

Q: What are the material U.S. federal income tax consequences of the Merger to me?

It is a condition to the obligation of Merchants to complete the Merger that Merchants receives a legal opinion to the effect that the Merger qualifies as reorganization within the meaning of Section 368(a) of the Internal Revenue Code, as amended, which we refer to as the Code . If, as

TABLE OF CONTENTS

expected, the Merger qualifies as a reorganization, the specific tax consequences to a U.S. holder (as defined in Material U.S. Federal Income Tax Consequences of the Merger beginning on page 54 of this Proxy Statement/Prospectus) exchanging Merchants common stock in the Merger will generally depend upon the form of consideration such U.S. holder receives in the Merger.

A U.S. holder exchanging all of its shares of Merchants common stock for solely Community Bank System common stock (and cash instead of fractional shares of Community Bank System common stock) pursuant to the Merger Agreement will generally not recognize gain or loss, except with respect to cash received instead of fractional shares of Community Bank System common stock.

A U.S. holder exchanging all of its shares of Merchants common stock for solely cash pursuant to the Merger Agreement will generally recognize gain or loss equal to the difference between the amount of cash it receives and its cost basis in its Merchants common stock.

A U.S. holder exchanging all of its shares of Merchants common stock for a combination of Community Bank System common stock and cash pursuant to the Merger Agreement will generally recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash treated as received in exchange for Merchants common stock in the Merger and (ii) the excess of the amount realized in the transaction (i.e., the fair market value of the Community Bank System common stock at the effective time of the Merger plus the amount of cash treated as received in exchange for Merchants common stock in the Merger) over its tax basis in its surrendered Merchants common stock.

The U.S. federal income tax consequences described above may not apply to all holders of Merchants common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your own tax advisor to determine the particular tax consequences of the Merger to you.

Q: Are Merchants stockholders entitled to seek appraisal or dissenters' rights if they do not vote in favor of the adoption of the Merger Agreement?

Yes. As a holder of Merchants common stock, you are entitled to seek appraisal or dissenters' rights under the A: Delaware General Corporation Law in connection with the Merger. Failure to follow precisely any of the statutory requirements could result in the loss of your appraisal rights.

Q: Should Merchants stockholders send in their stock certificates with the enclosed proxy?

A: No. Merchants stockholders SHOULD NOT send in any stock certificates now. You will receive separate written instructions for making your election and surrendering your shares of Merchants common stock.

Approval of the adjournment proposal, if necessary to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement, requires the affirmative vote of a majority of the votes cast on the proposal.

TABLE OF CONTENTS

The Merger

Structure of the Merger (Page 62)

Merchants and Community Bank System are proposing a merger of Merchants with and into Community Bank System, with Community Bank System as the surviving company. Immediately following the Merger, the parties will merge Merchants Bank, a wholly-owned banking subsidiary of Merchants, with and into Community Bank, a wholly-owned banking subsidiary of Community Bank System, with Community Bank as the surviving entity (the Bank Merger).

The Merger Agreement is attached to this document as **Annex A**. We encourage you to read the Merger Agreement carefully and in its entirety as it is the legal document that governs the Merger and your rights in it. You are also encouraged to read the risk factors beginning on page 15.

Merger Consideration (Page 62)

If the Merger proposal is approved and the Merger is subsequently completed, you may elect to receive (subject to the proration procedures described below), in exchange for each outstanding share of Merchants common stock that you own, either:

\$40.00 in cash, without interest (the cash election consideration);
0.9630 shares of Community Bank System common stock, plus cash in lieu of fractional shares (the stock election consideration); or
a combination of 0.6741 shares of Community Bank System common stock and \$12.00 in cash, plus cash in lieu of fractional shares (the mixed election consideration).

Election Procedures (Page 63)

Community Bank System will mail separately an election form/letter of transmittal. Please read the instructions to the election form/letter of transmittal, and complete, sign and return it with your Merchants stock certificates or appropriate guarantee of delivery before the election deadline. Merchants and Community Bank System expect the election deadline will be 5:00 p.m., Eastern time, on [], but they will notify you if this date changes. If you do not make a valid election as to the form of merger consideration before the election deadline, all of your shares of Merchants common stock will be converted into the right to receive the mixed election consideration.

Proration Procedures (Page 63)

The merger consideration to be paid to Merchants stockholders is subject to allocation procedures that are designed to ensure that the total amount of cash paid, and the total number of shares of Community Bank System common stock issued in the Merger, as a whole, will equal as nearly as practicable the total amount of cash and number of shares that would have been paid and issued if all of the Merchants stockholders received the mixed election consideration.

Whether you receive the amount of cash and/or stock you request in your election form will depend in part on the elections of other Merchants stockholders. You may not receive the form of consideration that you elect in the Merger, and you may instead receive a pro-rata amount of cash and/or Community Bank System common stock.

The greater the oversubscription of the stock election, the less stock and more cash a Merchants stockholder making the stock election will receive. Reciprocally, the greater the oversubscription of the cash election, the less cash and more stock a Merchants stockholder making the cash election will receive. However, in no event will a Merchants stockholder who makes the cash election or the stock election receive less cash and more shares of Community Bank System common stock, or fewer shares of Community Bank System common stock and more cash, respectively, than a stockholder who makes the mixed election.

For additional detail and for illustrative examples, see The Merger Agreement Election and Proration Procedures beginning on page 63 of this Proxy Statement/Prospectus.

TABLE OF CONTENTS

Treatment of Merchants Equity Awards and Warrants (Page 67)

At the effective time of the Merger, each option granted under Merchants' equity plans outstanding and unexercised, whether or not then vested or exercisable, will be cancelled and converted into the right to receive a cash payment in an amount equal to the product of the number of shares of Merchants common stock underlying the option and the excess of the value of the mixed election consideration over the exercise price of the option.

At the effective time of the Merger, each restricted stock award granted under Merchants' equity plans will automatically vest in full, and any restrictions thereon will lapse, and such stock will be cancelled and converted into the right to receive a cash payment equal to the value of the mixed election consideration, plus all dividends, if any, accrued but unpaid as of the effective time of the Merger with respect to such restricted share.

At the effective time of the Merger, each organizers' warrant will be converted into a warrant to acquire, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, the number of shares of Community Bank System common stock determined by *multiplying* (i) the number of shares of Merchants common stock which may be acquired upon exercise of such organizers' warrant immediately prior to the effective time by (ii) the stock election consideration of 0.9630.

At the effective time of the Merger, each 2013 warrant will be converted into the right to receive, at the holder's election, either (i) a cash payment in cancellation of such 2013 warrant equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant *multiplied* by the excess, if any, of the cash election consideration of \$40.00 over the per share 2013 warrant exercise price immediately prior to the effective time or (ii) a replacement 2013 warrant certificate issued by Community Bank System representing the right to acquire prior to the expiration date of the original 2013 warrant, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, that number of shares of Community Bank System common stock equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant immediately prior to the effective time *multiplied* by the stock election consideration of 0.9630.

Opinion of Merchants' Financial Advisor (Page 38)

In connection with the Merger, Merchants' financial advisor, Piper Jaffray & Co. ("Piper"), delivered a written opinion to the Merchants board of directors, dated October 22, 2016, that, as of such date, and based upon and subject to the various factors, assumptions and limitations set forth in its opinion, the consideration offered in the Merger was fair, from a financial point of view, to the holders of Merchants common stock. The full text of Piper's written opinion dated October 22, 2016, which sets forth, among other things, the procedures followed, assumptions made, matters considered and qualifications and limitations on the scope of review undertaken in rendering its opinion, is attached as **Annex B** to this Proxy Statement/Prospectus and is incorporated herein by reference. **Piper's opinion was addressed to, and provided for the information and benefit of, the Merchants board of directors (in its capacity as such) in connection with its evaluation of the fairness of the merger consideration from a financial point of view, and did not address any other aspects or implications of the Merger. The opinion does not constitute a recommendation to the Merchants board of directors or to any other persons in respect of the Merger, including as to how any holder of Merchants common stock should vote at any stockholders' meeting held in connection with the Merger or take, or not to take, any action in respect of the Merger. Piper's opinion does not address the relative merits of the Merger as compared to any other business or financial strategies that might be available to Merchants, nor does it address the underlying business decision of Merchants to engage in the Merger.**

Neither Merchants nor Community Bank System having experienced a material adverse effect.

Fees and Expenses; Termination Fee (Page 80)

Merchants and Community Bank System will each pay its own expenses in connection with the Merger, except that the parties will share equally all costs associated with the printing and mailing of this document. If, however, the Merger Agreement is terminated under certain circumstances, Merchants must pay a termination fee of \$10.72 million as set forth in the Merger Agreement. Generally, the termination fee will become payable in connection with Merchants accepting a competing third party acquisition offer.

Terminating the Merger Agreement (Page 78)

Either Merchants or Community Bank System may terminate the Merger Agreement under certain circumstances, including if:

both companies consent in writing to the termination; the Merger is not completed by July 22, 2017; however, neither party has the right to terminate the Merger Agreement if such party was in breach of its obligations under the Merger Agreement and such breach was the cause of the failure of the Merger to be consummated by such date (if on such expiration date all conditions to the Merger have been satisfied or waived or are capable of being satisfied by the closing other than the condition relating to the receipt of required regulatory approvals, then either party has the right to extend the expiration date by an additional three month period);

any governmental entity issues a final order prohibiting the completion of the Merger; Merchants stockholders do not approve the Merger Agreement at the special meeting; and the other party materially breaches, and does not cure within 30 days of notice of such breach from the other party, any of the representations, warranties or covenants it has made under the Merger Agreement, which would constitute a failure of a condition to closing of such breaching party.

Merchants may terminate the Merger Agreement (i) if Community Bank System's stock price falls below thresholds set forth in the Merger Agreement and Community Bank System does not increase the stock consideration in the Merger pursuant to a prescribed formula in the Merger Agreement, or (ii) in order to enter into a definitive agreement with respect to a superior proposal, as defined in the Merger Agreement, subject to payment of a \$10.72 million termination fee to Community Bank System.

Community Bank System may terminate the Merger Agreement if the Merchants board of directors effects an adverse recommendation change (*i.e.*, (i) withdrawing, modifying or qualifying in a manner adverse to Community Bank System the approval, recommendation or declaration of advisability by the Merchants board of directors set forth in this Proxy Statement/Prospectus that the Merchants stockholders vote to adopt the Merger Agreement, (ii) recommending, endorsing or otherwise declaring as advisable the adoption of any acquisition proposal, (iii) resolving, agreeing or proposing to take any such actions or (iv) submitting the Merger Agreement to Merchants stockholders without recommendation).

Community Bank System may terminate the Merger Agreement if any governmental authority has denied or rescinded any required regulatory approval or imposed a materially burdensome regulatory condition on Community Bank System in connection with granting any regulatory approval.

Termination Fee (Page 80)

Merchants will owe Community Bank System a \$10.72 million termination fee if:

(i)(a) either party terminates the Merger Agreement in the event that approval by the stockholders of Merchants is not obtained at the Merchants special meeting or in the event that the Merger is not consummated by the expiration date; or (b) Community Bank System terminates the Merger Agreement as a result of any breach of any representation, warranty, covenant or agreement by Merchants that cannot or has not been cured within 30 days of notice of such breach; (ii) a third party acquisition proposal has been made prior to such termination; and (iii) within 12 months of such termination, Merchants enters into a definitive agreement with respect to an acquisition proposal or consummates an acquisition proposal; or
Community Bank System terminates the Merger Agreement as a result of the Merchants board of directors or any committee thereof effecting an adverse recommendation change; or
Community Bank System terminates the Merger Agreement as a result of Merchants' failure to comply in all material respects with its obligations under the Merger Agreement with respect to third party acquisition proposals or its failure to call, give notice of, convene and hold the special meeting; or
Community Bank System terminates the Merger Agreement as a result of (i) a tender offer or exchange offer for 15% or more of the outstanding shares of Merchants common stock being commenced and Merchants not providing to its stockholders, within ten business days after the commencement of such tender or exchange offer, a statement that the Merchants board of directors recommends rejection of such tender or exchange offer, or (ii) an acquisition proposal (other than a tender or exchange offer covered by clause (i) above) with respect to Merchants being publicly announced and, upon Community Bank System's request, Merchants failing to issue a press release announcing its opposition to such acquisition proposal and reaffirming the Merchants board of directors' recommendation that Merchants stockholders vote to adopt the Merger Agreement within five business days after such request; or

Merchants receives a superior proposal and enters into a definitive agreement with respect thereto.

The payment of the termination fee will fully discharge Merchants from any losses that may be suffered by Community Bank System based upon, resulting from or arising out of the termination of the Merger Agreement.

Interests of Merchants Directors and Executive Officers in the Merger (Page 48)

Merchants' stockholders should be aware that some of Merchants' directors and executive officers have interests in the Merger and have arrangements that are different from, or in addition to, those of Merchants stockholders in general.

These interests include:

Election of two Merchants directors to the boards of directors of Community Bank System and Community Bank upon the consummation of the Merger.

The acceleration of vesting of all unvested equity awards, which will automatically vest in full, with any restrictions thereon to lapse, and will be cancelled in exchange for a cash payment.

Payment with respect to outstanding stock options held by a director.

Payment of retention incentives to executive officers.

Payment of severance benefits under existing employment agreements with Merchants' executive officers of approximately \$[] in the aggregate, assuming each executive officer has a qualifying termination event in connection with the Merger.

New employment agreements between certain executive officers of Merchants and Community Bank System that will become effective upon the closing of the Merger, that, among other things, entitle

each such executive to receive a cash bonus as of the effective time of the Merger and include a waiver of the executive's rights under his or her existing employment agreement with Merchants and an agreement to certain non-competition and non-solicitation covenants.

Payment of a pro-rata bonus to certain executive officers at the effective time of the Merger in a lump sum under the Merchants and Merchants Bank non-equity incentive plans.

Continued indemnification and liability insurance coverage for directors and executive officers with respect to acts or omissions occurring before the Merger.

The Merchants board of directors was aware of these interests and considered them in recommending that Merchants stockholders approve the Merger Agreement.

Differences Between Rights of Holders of Community Bank System and Merchants Stock (Page 96)

Both Merchants and Community Bank System are Delaware corporations. The rights of Merchants stockholders are currently governed by Merchants' certificate of incorporation and bylaws. If the Merger is completed, certain Merchants stockholders will become stockholders of Community Bank System and their rights will be governed by Community Bank System's certificate of incorporation and bylaws. Merchants stockholders will have different rights when they become holders of Community Bank System common stock than they currently have as holders of Merchants common stock.

Material U.S. Federal Income Tax Consequences of the Merger (Page 54)

It is a condition to the respective obligations of Merchants and Community Bank System to complete the Merger that each of Merchants and Community Bank System receives a legal opinion to the effect that the Merger qualifies as a reorganization within the meaning of Section 368(a) of the Code. If, as expected, the Merger qualifies as a reorganization, the specific tax consequences to a U.S. holder (as defined in Material U.S. Federal Income Tax Consequences of the Merger beginning on page 54 of this Proxy Statement/Prospectus) exchanging Merchants common stock in the Merger will generally depend upon the form of consideration such U.S. holder receives in the Merger.

A U.S. holder exchanging all of its shares of Merchants common stock for solely Community Bank System common stock (and cash instead of fractional shares of Community Bank System common stock) pursuant to the Merger Agreement will generally not recognize gain or loss, except with respect to cash received instead of fractional shares of Community Bank System common stock.

A U.S. holder exchanging all of its shares of Merchants common stock for solely cash pursuant to the Merger Agreement will generally recognize gain or loss equal to the difference between the amount of cash it receives and its cost basis in its Merchants common stock.

A U.S. holder exchanging all of its shares of Merchants common stock for a combination of Community Bank System common stock and cash pursuant to the Merger Agreement will generally recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash treated as received in exchange for Merchants common stock in the Merger and (ii) the excess of the amount realized in the transaction (*i.e.*, the fair market value of the Community Bank System common stock at the effective time of the Merger plus the amount of cash treated as received in exchange for Merchants common stock in the Merger) over its tax basis in its surrendered Merchants common stock.

The U.S. federal income tax consequences described above may not apply to all holders of Merchants common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to

consult your own tax advisor to determine the particular tax consequences of the Merger to you.

(1) The tangible book value per share and the tangible equity to tangible asset ratio excludes goodwill and identifiable intangible assets, adjusted for deferred tax liabilities generated from tax deductible goodwill. The ratio is not a

financial measurement required by accounting principles generally accepted in the United States of America. However, management believes such information is useful in analyzing the relative strength of Community Bank System's capital position and in evaluating its performance.

- (2) Efficiency ratio provides a ratio of operating expenses to operating income. It excludes intangible amortization, goodwill impairment, acquisition expenses, litigation settlement and contract termination charges from expenses and gains and losses on investment securities and early retirement of long-term borrowings from income while adding a fully-taxable equivalent adjustment. The efficiency ratio is not a financial measurement required by accounting principles generally accepted in the United States of America. However, the efficiency ratio is used by management in assessing financial performance specifically as it relates to noninterest expense control. Management also believes such information is useful to investors in evaluating Community Bank System's performance.

SUMMARY UNAUDITED PRO FORMA COMBINED CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The following table shows unaudited pro forma financial information about the financial condition and results of operations, including per share data, after giving effect to the Merger and other pro forma adjustments. The unaudited pro forma financial information assumes that the Merger is accounted for under the acquisition method of accounting for business combinations, and that the assets and liabilities of Merchants will be recorded by Community Bank System at their respective fair values as of the date the Merger is completed. The unaudited pro forma condensed combined balance sheet gives effect to the transactions as if the transactions had occurred on September 30, 2016. The unaudited pro forma condensed combined income statements for the nine months ended September 30, 2016, and the year ended December 31, 2015, give effect to the transactions as if the transactions had become effective at January 1, 2015. The unaudited selected pro forma combined financial information has been derived from and should be read in conjunction with the consolidated financial statements and related notes of Community Bank System, which are incorporated in this Proxy Statement/Prospectus by reference, the consolidated financial statements and related notes of Merchants, which are incorporated in this Proxy Statement/Prospectus by reference, and the more detailed unaudited pro forma condensed combined financial information, including the notes thereto, appearing elsewhere in this Proxy Statement/Prospectus. See Where You Can Find More Information on page 104 of this Proxy Statement/Prospectus and Unaudited Pro Forma Combined Condensed Consolidated Financial Information beginning on page 81.

The unaudited pro forma condensed combined financial information is presented for illustrative purposes only and does not indicate the financial results of the combined company had the companies actually been combined at the beginning of each period presented, nor the impact of possible business model changes. The unaudited pro forma condensed combined financial information also does not consider any potential effects of changes in market conditions on revenues, expense efficiencies, asset dispositions, and share repurchases, among other factors, including those discussed in the section entitled Risk Factors beginning on page 15 of this Proxy Statement/Prospectus. In addition, as explained in more detail in the accompanying notes to the Unaudited Pro Forma Combined Condensed Consolidated Financial Information beginning on page 81 of this Proxy Statement/Prospectus, the preliminary allocation of the pro forma purchase price reflected in the unaudited pro forma condensed combined financial information is subject to adjustment and may vary significantly from the actual purchase price allocation that will be recorded upon completion of the Merger.

TABLE OF CONTENTS**COMPARATIVE UNAUDITED PER SHARE DATA**

The following table summarizes the per share information for Community Bank System and Merchants on a historical, pro forma and equivalent basis. The pro forma and pro forma per equivalent share information gives effect to the Merger as if the Merger had been effective on the date presented in the case of the book value data, and as if the Merger had been effective as of the beginning of each period presented in the case of the earnings per share and the cash dividends data. As described elsewhere in this Proxy Statement/Prospectus, the stock consideration may be adjusted in the event Merchants invokes its right to terminate the Merger Agreement if the average closing price of Community Bank System common stock for a specified period prior to closing is less than \$35.77 and Community Bank System common stock underperforms a specified peer-group index by more than 20%, and Community Bank System elects to increase the stock consideration, in order that the Merger Agreement will not be terminated.

The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the impact of factors that may result as a consequence of the Merger or consider any potential impacts of current market conditions or the Merger on revenues, expense efficiencies, asset dispositions, and share repurchases, among other factors, nor the impact of possible business model changes. As a result, the pro forma results are not necessarily indicative of what would have occurred had the Merger taken place on the assumed dates, nor do they represent an attempt to predict or suggest future results. You should read the information in the following table in conjunction with the historical financial information and related notes contained in the annual, quarterly and other reports filed by Community Bank System or Merchants with the SEC. See **Where You Can Find More Information** beginning on page 104 of this Proxy Statement/Prospectus. You should not rely on the pro forma information as being indicative of the results that Community Bank System will achieve in the Merger. The information below should be read in conjunction with **Unaudited Pro Forma Combined Condensed Consolidated Financial Information** beginning on page 81 of this Proxy Statement/Prospectus.

The pro forma combined book value of Community Bank System common stock is based on the pro forma combined common stockholders' equity of Community Bank System and Merchants divided by total pro forma common shares of the combined entities. The pro forma information does not include transactional costs or anticipated cost savings or adjustments related to the fair value of assets and liabilities.

- (3) Cash dividend amounts are the same as historical because no change in dividend policy is expected as a result of the Merger.

- The Merchants equivalent is calculated by multiplying the amounts in the Combined Company column times the (4) 0.9630 exchange ratio, which represents the number of shares of Community Bank System common stock

Merchants stockholders who make a stock election will receive for each share of Merchants common stock owned.

TABLE OF CONTENTS

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this Proxy Statement/Prospectus, including the matters addressed under the section titled Cautionary Statement Regarding Forward-Looking Statements, you should consider carefully the risk factors described below in deciding how to vote. You should also read and consider the risk factors associated with the businesses of Community Bank System and Merchants because these risk factors may affect the operations and financial results of the combined company. Community Bank System's risk factors may be found in Community Bank System's Annual Report on Form 10-K for the year ended December 31, 2015 and subsequent quarterly reports on Form 10-Q. Merchants' risk factors may be found in Merchants' Annual Report on Form 10-K for the year ended December 31, 2015 and subsequent quarterly reports on Form 10-Q. See Where You Can Find More Information.

Risks Related to the Merger

The value of the stock consideration will vary with changes in Community Bank System's stock price.

Upon completion of the Merger, each share of Merchants common stock will be converted into the right to receive the stock election consideration, the cash election consideration, or the mixed election consideration, subject to proration as set forth in the Merger Agreement. The exchange ratio for the stock portion of the merger consideration is fixed. Any change in the market price of Community Bank System common stock will affect the implied value of the merger consideration that Merchants stockholders will receive upon completion of the Merger. Accordingly, at the time of the special meeting and at the time that elections are due, you will not know or be able to determine the value of the stock election consideration or mixed election consideration. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in Community Bank System's and Merchants' respective businesses, operations and prospects, and regulatory considerations. Many of these factors are beyond the control of Community Bank System and Merchants.

You may not receive the form of merger consideration that you elect.

The consideration to be received by Merchants stockholders in the Merger is subject to proration and adjustment procedures that are designed to ensure, as nearly as practicable, that the total cash amount of consideration and the total number of shares of Community Bank System common stock issued, as a whole, will equal the total amount of cash and number of shares that would have been paid and issued if all of the Merchants stockholders received the mixed election consideration. Accordingly, unless you elect to receive a combination of 0.6741 shares of Community Bank System common stock and \$12.00 in cash per share for your Merchants shares, there is no assurance that you will receive the form of consideration that you elect with respect to all shares of Merchants common stock you hold.

There is a risk that you will receive a portion of the merger consideration in the form that you do not elect, which could result in, among other things, tax consequences that differ from those that would have resulted had you received the form of consideration you elected, including with respect to the recognition of taxable gain to the extent cash is received. For illustrative examples of how the proration procedures would work in the event there is an oversubscription of the cash election or stock election in the Merger, see The Merger Agreement Election and Proration Procedures beginning on page 63 of this Proxy Statement/Prospectus.

Community Bank System and Merchants will be subject to business uncertainties and contractual restrictions while the Merger and the NRS acquisition are pending.

Uncertainty about the effect of the Merger and the NRS acquisition on employees and customers may have an adverse effect on Merchants and Community Bank System. These uncertainties may impair Community Bank System's or Merchants' ability to attract, retain and motivate key personnel until the Merger is consummated, and could cause customers and others that deal with Merchants or Community Bank System to seek to change existing business relationships with Merchants or Community Bank System. Retention of certain employees by Merchants may be challenging while the Merger and the NRS acquisition are pending, as certain employees may experience uncertainty about their future roles with Community Bank System. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not

TABLE OF CONTENTS

to remain with Community Bank System, Community Bank System's business following the Merger could be harmed. In addition, the Merger Agreement restricts Merchants from operating its business other than in the ordinary course, and prohibits it from taking specified actions until the Merger occurs without the consent of Community Bank System. These restrictions may prevent Merchants from pursuing business opportunities that may arise prior to the completion of the Merger. Please see the section entitled "The Merger Agreement – Conduct of Business Pending the Merger" beginning on page 68 of this Proxy Statement/Prospectus for a description of the restrictive covenants applicable to Merchants.

There is no assurance when or even if the Merger will be completed.

Completion of the Merger is subject to satisfaction or waiver of a number of conditions, including among others the adoption of the Merger Agreement by Merchants stockholders and regulatory approvals. See the section entitled "The Merger Agreement" beginning on page 62 of this Proxy Statement/Prospectus. There can be no assurance that Community Bank System and Merchants will be able to satisfy the closing conditions or that closing conditions beyond their control will be satisfied or waived.

Community Bank System and Merchants can agree at any time to terminate the Merger Agreement, even if Merchants stockholders have already voted to adopt the Merger Agreement. Community Bank System and Merchants can also terminate the Merger Agreement under other specified circumstances.

The fairness opinion delivered to Merchants' board of directors does not reflect changes in circumstances subsequent to the date of the fairness opinion.

Piper Jaffray & Co., financial advisor to Merchants in connection with the Merger, delivered its opinion to the board of directors of Merchants on October 22, 2016. The opinion of Piper speaks only as of such date. Changes in the operations and prospects of Merchants or Community Bank System, general market and economic conditions and other factors beyond the control of Merchants or Community Bank System may significantly alter the value of Merchants or the price of shares of Community Bank System common stock or Merchants common stock by the time the Merger is completed. Piper's opinion does not speak as of the time the Merger will be completed or as of any date other than the date of such opinion. For a description of Piper's opinion, please see the section entitled "The Merger – Opinion of Merchants' Financial Advisor," beginning on page 38 of this Proxy Statement/Prospectus. For a description of the other factors considered by the Merchants board of directors in determining to approve the Merger and the other transactions contemplated in the Merger Agreement, please see the sections entitled "The Merger – Background of the Merger," and "The Merger – Merchants' Reasons for the Merger; Recommendation of Merchants' Board of Directors," beginning on pages 34 and 36, respectively, of this Proxy Statement/Prospectus.

Community Bank System may fail to implement the Merger and the NRS acquisition successfully, achieve savings and realize the other anticipated benefits from the Merger and the NRS acquisition, which would adversely affect Community Bank

System s financial condition and results of operations.

The Merger and the NRS acquisition involve the integration of three companies that have previously operated independently. The difficulties of combining the operations of the three companies include: integrating personnel with diverse business backgrounds; integrating core processing systems and converting customers to new systems; and retaining key employees. As a result, Community Bank System may not be able to operate the combined company as effectively as it expects. Community Bank System may also fail to achieve the anticipated potential benefits of the Merger and/or the NRS acquisition as quickly or as cost effectively as it anticipates or may not be able to achieve those benefits at all. The management of Community Bank System will have to dedicate substantial effort to integrating the three companies and, therefore, its focus and resources may be diverted from other strategic opportunities and from operational matters.

In addition, certain employees of Merchants or NRS may not be employed after the Merger. Employees of Merchants or NRS that Community Bank System wishes to retain may elect to terminate their employment as a result of the Merger or NRS acquisition, respectively, which could delay or disrupt the integration process. It is possible that the integration process could result in the disruption of the ongoing business of Community Bank System and its subsidiaries following the Merger and the NRS acquisition or cause inconsistencies in standards, controls, procedures and policies that adversely affect the ability of Community

Bank System and its subsidiaries to maintain relationships with Merchants or NRS's customers and employees or to achieve the anticipated benefits of the Merger and the NRS acquisition.

The unaudited pro forma condensed combined financial information included in this document is preliminary and the actual financial condition and results of operations of Community Bank System after the Merger may differ materially.

The unaudited pro forma condensed combined financial information in this document is presented for illustrative purposes only and is not necessarily indicative of what Community Bank System's actual financial condition or results of operations would have been had the Merger been completed on the dates indicated. The unaudited pro forma condensed combined financial information reflects adjustments, which are based upon preliminary estimates, to record the Merchants identifiable assets acquired and liabilities assumed at fair value and the resulting goodwill recognized. The purchase price allocation reflected in this document is preliminary, and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of Merchants as of the date of the completion of the Merger. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this document. For more information, see Unaudited Pro Forma Combined Condensed Consolidated Financial Statements beginning on page 81 of this Proxy Statement/Prospectus.

Additional growth will subject Community Bank System to additional regulation, increased supervision and increased costs.

The Dodd-Frank Act imposes additional regulatory requirements on institutions with \$10 billion or more in assets. Community Bank System had \$8.7 billion in assets as of September 30, 2016. If the pending Merger with Merchants is completed, then Community Bank System will have more than \$10 billion in assets and, as a result, will be subject to the additional regulatory requirements, increased supervision and increased costs, including but not limited to the following:

Regulatory stress testing requirements, whereby Community Bank System would be required to conduct an annual stress test;

The requirement to maintain an internal risk committee;

A modified methodology for calculating FDIC insurance assessments and potentially higher assessment rates as a result of institutions with \$10 billion or more in assets being required to bear a greater portion of the cost of raising the reserve ratio to 1.35% as required by the Dodd-Frank Act;

Supervision, examination and enforcement by the Consumer Financial Protection Bureau (CFPB) with respect to consumer financial protection laws; and

A cap on the interchange fees that may be charged in certain electronic debit and prepaid card transactions. The maximum permissible interchange fee for electronic debit transactions is the sum of 21 cents per transaction and five basis points multiplied by the value of the transaction. In addition, an issuer may charge up to one cent on each transaction as a fraud prevention adjustment if the issuer meets certain fraud prevention standards.

The imposition of these regulatory requirements and increased supervision may require additional commitment of financial resources to regulatory compliance and may increase Community Bank System's cost of operations. Further, the results of the stress testing process may lead Community Bank System to retain additional capital or alter the mix

The unaudited pro forma condensed combined financial information included in this document is preliminary and the

of its capital components.

Regulatory approvals may not be received, may take longer than expected or impose conditions that are not presently anticipated.

Before the Merger may be completed, Community Bank System must obtain various approvals or consents, including approvals or consents from the OCC and the Federal Reserve Board. These governmental entities, including the OCC, may impose conditions on the completion of the Merger or require changes to the terms of the Merger Agreement or the manner in which Merchants or Community Bank System conducts their respective businesses. Although Community Bank System and Merchants do not currently expect that any

TABLE OF CONTENTS

such conditions or changes would be imposed, there can be no assurance that they will not be. Such conditions or changes could have the effect of delaying completion of the Merger or imposing additional costs on or limiting the revenues of Community Bank System, any of which might have a material adverse effect on Community Bank System following the Merger.

There can be no assurance as to whether the regulatory approvals will be received, the timing of those approvals, or whether any conditions will be imposed.

Certain of Merchants officers and directors have interests that are different from, or in addition to, interests of Merchants stockholders generally.

Merchants stockholders should be aware that some of Merchants directors and executive officers have interests in the Merger and have arrangements that are different from, or in addition to, those of Merchants stockholders in general.

These interests include:

Election of two Merchants directors to the boards of directors of Community Bank System and Community Bank upon the consummation of the Merger.

The acceleration of vesting of all unvested equity awards, which will automatically vest in full, with any restrictions thereon to lapse, and will be cancelled in exchange for a cash payment.

Payment with respect to outstanding stock options held by a director.

Payment of retention incentives to executive officers.

Payment of severance benefits under existing employment agreements with Merchants executive officers, assuming each executive officer has a qualifying termination event in connection with the Merger.

New employment agreements between certain executive officers of Merchants and Community Bank System that will become effective upon the closing of the Merger, that, among other things, entitle each such executive to receive a cash bonus as of the effective time of the Merger and include a waiver of the executive's rights under his or her existing employment agreement with Merchants and an agreement to certain non-competition and non-solicitation covenants.

Payment of a pro-rata bonus to certain executive officers at the effective time of the Merger under the Merchants and Merchants Bank non-equity incentive plans.

Continued indemnification and liability insurance coverage for directors and executive officers with respect to acts or omissions occurring before the Merger.

For a more complete description of these interests, see The Merger Interests of Merchants Directors and Executive Officers in the Merger beginning on page 48 of this Proxy Statement/Prospectus.

The shares of Community Bank System common stock that may be received by Merchants stockholders as a result of the Merger will have different rights from the shares of Merchants common stock they currently hold.

Following completion of the Merger, Merchants stockholders who receive the stock consideration will no longer be stockholders of Merchants but will instead be stockholders of Community Bank System. There will be important differences between the current rights of Merchants stockholders and the rights of Community Bank System

Regulatory approvals may not be received, may take longer than expected or impose conditions that are not present

stockholders that may be important to Merchants stockholders. See the section of this Proxy Statement/Prospectus entitled "Comparison of Rights of Holders of Merchants Common Stock and Community Bank System Common Stock" commencing on page 26 for a detailed description of the stockholder rights of each corporation.

The price of Community Bank System common stock may be affected by factors different from those affecting the shares of Merchants common stock currently, and could decrease after the Merger.

Upon completion of the Merger, holders of Merchants common stock who receive stock consideration will become stockholders of Community Bank System. Community Bank System common stock could decline in value after the Merger. The market value of Community Bank System common stock fluctuates based upon

TABLE OF CONTENTS

various factors, including changes in the business, operations or prospects of Community Bank System, market assessments of the Merger and/or the NRS acquisition, regulatory considerations, market and economic considerations, and other factors. Further, the market price of Community Bank System common stock after the Merger may be affected by factors different from those currently affecting the common stock of Community Bank System or Merchants. The businesses of Community Bank System and Merchants differ and, accordingly, the results of operations of the combined company and the market price of Community Bank System's shares of common stock after the Merger may be affected by factors different from those currently affecting the independent results of operations and market price of each of Community Bank System or Merchants. For a discussion of the businesses of Community Bank System and Merchants and of certain factors to consider in connection with their businesses, see the documents incorporated by reference into this Proxy Statement/Prospectus and referred to under "Where You Can Find More Information" beginning on page 104.

Merchants stockholders will have limited ability to exercise influence over management of the combined organization.

Merchants stockholders currently have the right to vote in the election of the board of directors of Merchants and on other matters affecting Merchants. Upon the completion of the Merger, each Merchants stockholder who receives shares of Community Bank System common stock will become a stockholder of Community Bank System with a percentage ownership of the combined organization that is much smaller than the stockholder's percentage ownership of Merchants. It is expected that the former common stockholders of Merchants as a group will receive shares in the Merger constituting less than []% of the outstanding shares of Community Bank System common stock immediately after the Merger. Merchants stockholders will not have separate approval rights with respect to any actions or decisions of Community Bank System or have separate representation on Community Bank System's board of directors. Because of this, Merchants stockholders will have significantly less influence on the management and policies of Community Bank System than they now have on the management and policies of Merchants.

Merchants stockholders who hold their stock certificates and make elections will be unable to sell their shares in the market pending the Merger.

Merchants stockholders who wish to elect the form of merger consideration that they receive must complete an election form and deliver their Merchants stock certificates. This means that during the time between when the election is made and the date the Merger is completed, Merchants stockholders will be unable to sell their Merchants common stock. If the Merger is unexpectedly delayed, this period could extend for a significant period of time. Merchants stockholders can shorten the period during which they cannot sell their shares by delivering their election shortly before the election deadline. However, elections received after the election deadline will not be accepted or honored.

If the Merger is not completed, Merchants will have incurred substantial expenses without its stockholders recognizing the expected benefits.

Merchants has incurred substantial expenses in connection with the Merger. If the Merger is not completed,

The price of Community Bank System common stock may be affected by factors different from those affecting the price of Merchants common stock.

Merchants expects that it will have incurred approximately \$2.36 million in Merger-related expenses. These expenses would likely have a material adverse impact on the operating results of Merchants because it would not have realized the expected benefits of the Merger. Furthermore, if the Merger Agreement is terminated under certain circumstances, Merchants may be required to pay a termination fee of \$10.72 million to Community Bank System. The payment of the termination fee could have a material adverse effect on Merchants' financial condition. See The Merger Agreement Termination and The Merger Agreement Termination Fee beginning on pages 78 and 80, respectively, of this Proxy Statement/Prospectus.

The Merger Agreement limits Merchants' ability to pursue alternatives to the Merger.

The Merger Agreement limits Merchants' ability to initiate, solicit, encourage or knowingly facilitate any inquiries or competing third-party proposals, or knowingly engage in any negotiations, or provide any confidential information, or have any discussions with any person relating to a proposal to acquire all or a significant part of Merchants. In addition, Merchants has agreed to pay Community Bank System a

TABLE OF CONTENTS

termination fee in the amount of \$10.72 million in the event that the Merger Agreement is terminated for certain reasons. These provisions may discourage a potential competing acquirer that would have an interest in acquiring all or a significant part of Merchants from considering or proposing that acquisition, even if it were prepared to pay consideration with a higher per share market price than that proposed in the Merger, or may result in a potential competing acquirer proposing to pay a lower per share price to acquire Merchants than it might otherwise have proposed to pay.

Goodwill incurred in the Merger may negatively affect Community Bank System's financial condition.

To the extent that the merger consideration, consisting of cash plus the number of shares of Community Bank System common stock issued or to be issued in the Merger, exceeds the fair value of the net assets, including identifiable intangibles of Merchants, that amount will be reported as goodwill by Community Bank System. In accordance with current accounting guidance, goodwill will not be amortized but will be evaluated for impairment annually. A failure to realize expected benefits of the Merger could adversely impact the carrying value of the goodwill recognized in the Merger, and in turn negatively affect Community Bank System's financial condition.

If the Merger fails to qualify as a reorganization within the meaning of Section 368(a) of the Code, Merchants stockholders will be required to recognize gain or loss on the exchange of their shares of Merchants common stock in the Merger for U.S. federal income tax purposes.

It is a condition to the respective obligations of Merchants and Community Bank System to complete the Merger that each of Merchants and Community Bank System receives a legal opinion to the effect that the Merger qualifies as a reorganization within the meaning of Section 368(a) of the Code. None of these opinions will be binding on the Internal Revenue Service. Merchants and Community Bank System have not sought and will not seek any ruling from the Internal Revenue Service regarding any matters relating to the Merger, and as a result, there can be no assurance that the Internal Revenue Service will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth herein. If the Merger fails to qualify as a reorganization within the meaning of Section 368(a) of the Code, Merchants stockholders will be required to recognize gain or loss on the exchange of their shares of Merchants common stock in the Merger for U.S. federal income tax purposes. In addition, Merchants will be treated as having sold all of its assets to Community Bank System in a taxable transaction, and will recognize taxable gain to the extent the sum of the total consideration paid by Community Bank System to the Merchants stockholders, plus the liabilities of Merchants, exceeds the tax basis of Merchants in its assets, including its tax basis in its bank and other subsidiaries. Community Bank System would succeed to and become liable for any such Merchants corporate tax as a consequence of the Merger. For further information, see Material U.S. Federal Income Tax Consequences of the Merger beginning on page 54 of this Proxy Statement/Prospectus.

You can identify these statements from the use of the words may, will, should, could, would, plan, potential, estimate, project, believe, intend, anticipate, expect, target and similar.

These forward-looking statements are subject to significant risks, assumptions and uncertainties, including among other things, changes in general economic and business conditions and the risks and other factors set forth in the Risk Factors section beginning on page 15 of this Proxy Statement/Prospectus.

Additional factors that could cause the results of Community Bank System or Merchants to differ materially from those described in the forward-looking statements can be found in the filings made by Community Bank System and Merchants with the Securities and Exchange Commission, including the Community Bank System Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and subsequent quarterly reports on Form 10-Q, and the Merchants Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and subsequent quarterly reports on Form 10-Q.

Because of these and other uncertainties, Community Bank System's and Merchants' actual results, performance or achievements, or industry results, may be materially different from the results indicated by these forward-looking statements. In addition, Community Bank System's and Merchants' past results of operations do not necessarily indicate Community Bank System's and Merchants' combined future results. You should not place undue reliance on any of the forward-looking statements, which speak only as of the dates on which they were made. Community Bank System

Community Bank System is a Delaware corporation registered as a financial holding company under the Bank Holding Company Act of 1956, as amended. Community Bank System was incorporated in April 1983. At September 30, 2016, Community Bank System had on a consolidated basis approximately \$8.7 billion in total assets, \$7.1 billion in total deposits, \$4.9 billion in total loans and stockholders' equity of \$1.2 billion. Its common stock is publicly traded on the NYSE under the symbol CBU. Community Bank System, with its principal executive offices in DeWitt, New York, is the parent company of Community Bank, and is among the country's 150 largest financial institutions.

Community Bank is a commercial banking franchise with more than 200 customer facilities and 202 ATMs stretching diagonally from Northern New York to the Southern Tier and west to Lake Erie, and in Northern Pennsylvania. Community Bank is a national bank and a member of the Federal Reserve System and the Federal Home Loan Bank System, and its deposits are insured by the FDIC, up to applicable limits.

Community Bank System's business strategy is to operate as a profitable, diversified financial services company providing a variety of banking and other financial services, with an emphasis on consumer and residential mortgage lending and commercial business loans to small and medium-sized businesses. As a result of consolidation of small to medium-sized financial institutions and the de-emphasis on retail branch banking by larger bank holding companies in the markets Community Bank serves, it believes there is a significant opportunity for a community-focused bank to provide a full range of financial services to small and middle-market commercial and retail customers. Community Bank's branches are located in small towns and villages where competition is less intense. It emphasizes comprehensive retail and small business products and responsive, decentralized decision-making which reflect Community Bank's knowledge of its local markets and customers.

Through its subsidiaries, Community Bank System offers a wide range of commercial and retail banking and financial services to businesses, individuals, agricultural and government customers. Community Bank's account services include checking, interest-bearing checking, money market, savings, certificates of deposit and individual retirement accounts. It also offers residential and farm loans, business lines of credit, working capital facilities, inventory and dealer floor plans, as well as installment, commercial, term and student loans. Community Bank's lending focuses predominantly on consumer and small to medium-sized business borrowers, which enables its loan portfolio to be highly diversified. Because Community Bank believes that there is a significant potential market for financial services and products, it offers a full range of services to satisfy its customers' financial needs. In addition to traditional banking services and products, it offers personal trust, employee benefit trust, benefits administration and consulting, investment and insurance services to customers in our banking markets as well as in other parts of the country. Community Bank's subsidiary, OneGroup NY, Inc., is a regional insurance broker with headquarters in Syracuse, New York. Community Bank System's wholly-owned subsidiary, BPAS, is a leading provider of employee benefits administration and trust services, and actuarial and consulting services to customers on a national scale.

Community Bank System announced on December 5, 2016 that it has entered into an agreement to acquire NRS, a leading institutional provider of plan accounting, transfer agency, fund administration, trust and retirement plan services. Upon the closing of the transaction, NRS will become a subsidiary of BPAS. The cash and stock transaction is valued at approximately \$140 million and is expected to close in the first quarter of 2017, subject to certain shareholder and regulatory approvals.

For additional information concerning the business of Community Bank System and its financial condition, results of operations and prospects, you should refer to the documents incorporated in this document by reference. PROPOSAL I THE MERGER

The detailed terms of the Merger are contained in the Merger Agreement attached as Annex A to this document. The following discussion and the discussion under the caption The Merger Agreement describe the more important aspects of the Merger and material terms of the Merger Agreement. These descriptions are only a summary and are qualified in their entirety by reference to the Merger Agreement, which is attached as Annex A. You are urged to read the Merger Agreement carefully because it is the legal document that actually governs your rights in the Merger.

General

The Merger Agreement provides that, after approval by the stockholders of Merchants and the satisfaction or waiver of the other conditions to the Merger, Merchants will merge with and into Community Bank System, with Community Bank System as the surviving company. The certificate of incorporation and bylaws of Community Bank System will be the certificate of incorporation and bylaws of the surviving company. The directors and officers of Community Bank System immediately prior to the Merger will be the directors and officers of the surviving company. In addition, two current directors of Merchants will be appointed to the boards of directors of Community Bank System and Community Bank effective as of the closing date of the Merger.

At the effective time of the Merger, each share of Merchants common stock issued and outstanding immediately prior to the effective time of the Merger will be automatically converted into the right to receive, subject to the terms and conditions of the Merger Agreement (including proration procedures), at the election of the holder thereof, the following consideration: (i) the combination of \$12.00 in cash and 0.6741 shares of Community Bank System common stock, plus cash in lieu of fractional shares; (ii) \$40.00 in cash; or (iii) 0.9630 shares of Community Bank System common stock, plus cash in lieu of fractional shares.

Immediately following the Merger of Community Bank System and Merchants, Merchants Bank will merge with and into Community Bank, with Community Bank as the surviving entity. After the Bank Merger, branches of Merchants Bank will become branches of Community Bank.

The companies expect to complete the Merger in late second quarter or early third quarter of calendar year 2017, but they must first obtain the necessary regulatory approvals and the approval of Merchants stockholders at the special meeting, and satisfy other customary closing conditions. The companies cannot assure you as to when or if all the conditions to the Merger will be met or waived, and it is possible they will not complete the Merger at all.

Background of the Merger

The board of directors and management of Merchants periodically review various strategic alternatives as part of their on-going efforts to improve Merchants banking franchise and enhance stockholder value. These reviews have focused on assessing opportunities for growth and increasing earnings organically and through acquisitions of other banks, as well as the possibility of a strategic business combination with another banking institution. The board of directors and management of Merchants also regularly review the banking industry environment, including various interest rate scenarios, regulatory compliance and non-interest expenses, and the trend towards consolidation, and in light of these and other factors, potential strategies for enhancing Merchants competitive position in this environment.

Consistent with these goals and in the ordinary course of business, members of Merchants management have, from time to time, received inquiries from other banking institutions or their advisors regarding Merchants, and engaged in

conversations with members of management of other banking institutions regarding a possible business combination, including Community Bank System. In the course of these conversations, Community Bank System expressed a general interest in expanding into Vermont through a possible strategic transaction with Merchants. However, prior to 2016, the parties did not engage in more significant discussions.

On April 1, 2016, a director of Community Bank System had a conversation with one of Merchants' directors in Plattsburgh, New York, during which the Community Bank System director noted Community Bank System's potential interest in a business combination with Merchants at a price in the high \$30's range.

TABLE OF CONTENTS

On April 11, 2016, Geoffrey Hesslink, President and Chief Executive Officer of Merchants, and Mark Tryniski, President and Chief Executive Officer of Community Bank System, met in Burlington, Vermont to discuss their respective businesses and industry trends. Mr. Hesslink and Mr. Tryniski did not specifically discuss a potential business combination during this meeting.

On May 4, 2016, the Merchants board held a special meeting in Burlington, Vermont. At this meeting, the Merchants board discussed Community Bank System's potential interest in a business combination with Merchants. The Merchants board also reviewed summary historical financial data regarding Merchants and discussed Merchants strategic outlook in light of the current banking industry environment.

On May 26, 2016, the Merchants board held a regularly scheduled meeting in Burlington, Vermont. At this meeting, the Merchants board continued its discussion of Community Bank System's potential interest in a business combination with Merchants and determined that a subset of the Merchants board consisting of Jeffrey Davis, Chairman of the Board of Merchants (who we refer to in this section as Chairman Davis), Michael Furlong, a director of Merchants and Chairman of the Board of Merchants Bank, and Mr. Hesslink, should explore Community Bank System's level of interest.

On June 1, 2016, Chairman Davis, Mr. Furlong and Mr. Hesslink met with Mr. Tryniski and Scott Kingsley, Executive Vice President and Chief Financial Officer of Community Bank System, in Lake George, New York, to discuss a potential business combination between Merchants and Community Bank System. At this meeting, Mr. Tryniski noted Community Bank System's potential interest again at a price in the high \$30's range.

On June 8, 2016, Mr. Hesslink met with Piper Jaffray & Co., financial advisor to Merchants (Piper), to notify them of the potential business combination and discuss the assumptions underlying forecasted financial scenarios. Thereafter, Mr. Hesslink and representatives of Piper met periodically to refine those assumptions.

On June 13, 2016, Merchants and Community Bank System entered into a mutual confidentiality agreement pursuant to which each party agreed to keep confidential certain non-public information about the other party in connection with the consideration of a potential business combination. The confidentiality agreement also included customary standstill obligations of Community Bank System.

Also on June 13, 2016, Merchants entered into a confidentiality agreement with one of its major stockholders, Charles Davis, so that Merchants could obtain his views on a potential business combination with Community Bank System. Charles Davis is a former director of Merchants and the brother of Chairman Davis.

On June 14, 2016, Mr. Hesslink met with Mr. Tryniski and Mr. Kingsley in Lake George, New York, to discuss Merchants' second quarter earnings and other financial matters, as well as the potential structure of the combined company.

On June 15, 2016, Chairman Davis and Mr. Tryniski had a telephone conversation during which they discussed a potential business combination between Merchants and Community Bank System and the strategic advantages of such a combination. During this discussion, Mr. Tryniski noted Community Bank System's potential interest at a price of \$40.00.

On June 27, 2016, the Merchants board held a special meeting in Burlington, Vermont, at which members of management and representatives of Piper and Goodwin Procter LLP, counsel to Merchants (Goodwin Procter), were present. At this meeting, the Merchants board reviewed forecasted financial scenarios for Merchants prepared by management assuming different interest rate environments, as well as the risks, challenges and strategic opportunities

facing the company. The Merchants board also discussed other strategic alternatives available to the company, including a potential business combination transaction with parties other than Community Bank System, additional acquisitions in order to achieve scale, and the potential growth or acquisition of non-interest income businesses. The representatives of Goodwin Procter reviewed the fiduciary duties of the directors in the context of their consideration of a potential business combination. Piper also presented a situational analysis of Merchants, including an overview of the U.S. banking market and preliminary financial analyses with respect to a potential business combination with Community Bank System. The Board discussed with Piper a select number of other banking institutions that may have the capacity to

pay in the \$40.00 range being proposed by Community Bank System, and concluded that, based on knowledge of those institutions and current industry dynamics, it was unlikely that one of those banking institutions would be interested in engaging in a strategic transaction with Merchants at such a price range at this time.

On July 4, 2016, Chairman Davis and Mr. Hesslink met with Charles Davis in Burlington, Vermont, to obtain Mr. Davis' views on a potential business combination between Merchants and Community Bank System. At this meeting, Mr. Davis indicated his support in exploring a potential transaction with Community Bank System.

On July 7, 2016, the Merchants board held a special meeting in Burlington, Vermont, at which members of management and representatives of Goodwin Procter were present. At this meeting, the representatives of Goodwin Procter again reviewed the fiduciary duties of the directors, and the Merchants board discussed whether it was in the best interests of Merchants stockholders to explore a potential business combination with Community Bank System.

After considering current market conditions and the prospects of Merchants on a stand-alone basis, the Merchants board determined to engage in discussions with Community Bank System regarding a potential business combination between the two companies. The Merchants board also discussed whether it might be advisable to explore a potential strategic transaction with other third parties in addition to Community Bank System. In particular, the Merchants board discussed potential disruptions to Merchants' business, the risk of leaks that might arise from making contact with other parties in the industry (and the potential impact on Merchants' business and employees of such leaks), the potential loss of Community Bank System as a strategic partner if Community Bank System learned of Merchants' exploration of other alternatives, Merchants' own strong knowledge and understanding of its business prospects and value on a stand-alone basis, and the likelihood that Merchants would have already been contacted by another banking institution if it were interested in engaging in strategic discussions with Merchants. Based on the foregoing considerations, the Merchants board concluded not to approach other potential strategic partners. The Merchants board also formed a Special Committee consisting of Jeffrey Davis, Michael Furlong and Geoffrey Hesslink to (1) establish, monitor and direct the process and procedures related to the review of the strategic alternatives of Merchants, (2) invite Community Bank System to submit a written indication of interest, (3) participate in and direct the negotiation of the material terms and conditions of any such transaction, (4) recommend to the Board of Directors the advisability of accepting an indication of interest and negotiating a definitive agreement with respect to any such transaction, and (5) perform any other activities or responsibilities incidental to the foregoing.

Later on July 7, 2016, Chairman Davis and Mr. Hesslink each contacted Mr. Tryniski to report the decision of the Merchants board to engage in discussions with Community Bank System regarding a potential business combination and to invite Community Bank System to submit a written indication of interest.

On July 8, 2016, Mr. Tryniski sent a non-binding proposal to Mr. Hesslink with respect to a potential business combination between Merchants and Community Bank System. The proposal provided for, among other things: (1) a mix of stock and cash consideration, with approximately 65% of the consideration to be paid in the form of Community Bank System common stock in a tax-free exchange; (2) a \$40.00 per share price, consisting of an unspecified fixed exchange ratio for the stock component of the consideration and \$14.00 per share for the cash component of the consideration; (3) one seat on Community Bank System's combined bank/holding company board for an independent director of Merchants to be identified at a later date; (4) a customary termination provision if Community Bank System's stock price were to materially decrease both on an absolute basis and in relation to an appropriate index; (5) a 4% termination fee payable by Merchants; and (6) a requirement that Mr. Hesslink enter into an employment agreement with Community Bank System to serve as its New England Regional President (no specific terms of an employment arrangement were included). The proposal also referenced Community Bank System's commitment to honor the terms of existing employment, change-in-control, termination and retention agreements of Merchants, and the expected payment of severance benefits to displaced employees of Merchants in accordance with Community Bank System's policy and retention bonuses based on development of an integration plan. Community

Bank System's proposal remained subject to the completion of due diligence and the execution of a definitive merger agreement.

Later on September 30, 2016, the parties and their advisors held a conference call to discuss the remaining open issues in the merger agreement, the reverse due diligence process, timing considerations and employee matters.

On October 5, 2016, representatives of Merchants, Goodwin Procter and Piper met with representatives of Community Bank System and RBC Capital Markets in Lake George, New York, to discuss Community Bank System's business, finances and operations.

On October 7, 2016, Community Bank System provided initial drafts of the employment agreements for the members of Merchants' management team who would be continuing with the combined company, which included Mr. Hesslink, Bruce Bernier, Senior Vice President and Senior Lender of Merchants Bank, and Anita Bourgeois, Senior Vice President and Senior Director, Deposit Growth and Profitability of Merchants Bank. Thereafter, the parties and their counsel negotiated the terms of the employment agreements.

On October 20, 2016, the Merchants board held a special meeting in Essex, Vermont, at which representatives of management, Piper and Goodwin Procter were present. At this meeting, Chairman Davis provided an overview of the negotiation process to date, and the representatives of Goodwin Procter presented the terms of the proposed merger agreement and form of voting agreement. The representatives of Goodwin Procter again discussed the fiduciary duties of the directors in the context of their consideration of the proposed transaction with Community Bank System. Management updated the Board on the status of Community Bank System's due diligence regarding Merchants and the reverse due diligence process. Piper also reviewed with the Merchants board its preliminary analyses of the consideration offered in the proposed transaction from a financial point of view. The Merchants board considered the benefits and risks of the proposed business combination as described in the section entitled "Reasons for the Merger." Management also reviewed the proposed timing for signing and completing the proposed business combination with Community Bank System. Prior to the Merchants board meeting, the Special Committee held a special meeting at the same location to discuss employee retention matters.

On October 20 and 21, 2016, the parties and their counsel negotiated the final terms of the merger.

TABLE OF CONTENTS

On October 22, 2016, the Special Committee and the Merchants board held a joint special meeting in Essex, Vermont, at which representatives of management, Piper and Goodwin Procter were present. At this meeting, Goodwin Procter provided an update on the final negotiations with Community Bank System and its counsel, and Piper reviewed with the Merchants board its final analyses of the consideration offered in the proposed transaction from a financial point of view. Piper then provided its oral opinion, subsequently confirmed in writing, to the effect that, as of October 22, 2016 and subject to the assumptions, qualifications and limitations set forth in the opinion, the consideration to be received pursuant to the merger agreement is fair, from a financial point of view, to the holders of Merchants common stock. Based on the closing price of Community Bank System common stock on October 21, 2016 of \$47.50, the implied value of the merger consideration was \$44.02 per share. After discussion, and upon recommendation of the Special Committee, the Merchants board unanimously adopted resolutions (1) determining that the merger agreement and the transactions contemplated thereby, including the merger, are advisable and in the best interests of the Merchants stockholders, (2) adopting the merger agreement and approving the merger and the other transactions contemplated by the merger agreement, and (3) recommending to Merchants stockholders that they adopt the merger agreement.

Later on October 22, 2016, the merger agreement and voting agreements were executed. Community Bank System also entered into employment agreements with Mr. Hesslink and the other executives of Merchants who would be continuing with the combined company following the closing, and retention agreements with members of Merchants management whose employment would not be continuing.

On October 24, 2016, before the U.S. stock markets opened, Merchants and Community Bank System issued a joint press release announcing the transaction.

Merchants Reasons for the Merger

In the course of its evaluation of the Merger and the Merger Agreement, the Merchants board of directors held numerous meetings and consulted with Merchants senior management as well as its legal counsel and financial advisor. In reaching its decision to approve the Merger and the Merger Agreement and recommend the adoption of the Merger Agreement by its stockholders, the Merchants board considered a number of factors, including, among others, the following:

the Merchants board's and management's knowledge of Merchants' business, operations, properties, assets, financial condition, operating results, historical market prices and prospects, and its and their understanding of Community Bank System's business, operations, properties, assets, financial condition, operating results, historical market prices and prospects, including the information obtained through due diligence;

Merchants' business and financial prospects if it were to remain an independent banking institution, including local economic conditions, the interest rate environment, increasing operating costs resulting from regulatory initiatives and compliance mandates, and the competitive environment for financial institutions generally, all of which would likely impede Merchants' ability to develop the scale necessary to achieve the premium to Merchants' trading price that Community Bank System's offer price presented;

the availability of alternative transactions, including the fact that, in a consolidating industry, institutions with an interest in merging with another institution typically made that interest known; the attractiveness and strategic fit of Community Bank System as a potential merger partner; and the likelihood of an alternative transaction emerging;

the fact that a significant portion of the merger consideration consists of registered shares of Community Bank System common stock and the potential that the value of Community Bank System common stock will increase after the signing of the Merger Agreement;

the ability of Merchants stockholders to elect the form of merger consideration that they wish to receive in the Merger, subject to the proration procedures described in this Proxy Statement/Prospectus;

the October 22, 2016 financial presentation of Piper (including the assumptions and methodologies underlying the analyses in connection therewith) and the written opinion of Piper delivered to the Merchants board of directors on October 22, 2016, a copy of which is attached to this Proxy Statement/Prospectus as **Annex B**, to the effect that, as of October 22, 2016 and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken in preparing such opinion, the merger consideration was fair, from a financial point of view, to the holders of Merchants common stock, as more fully described under **Opinion of Merchants Financial Advisor** ;

the efforts made to negotiate a Merger Agreement favorable to Merchants and its stockholders and the terms and conditions of the Merger Agreement, including the termination fees and circumstances under which such fees are payable by Merchants;

the ability of Merchants under the terms of the Merger Agreement to negotiate with third parties concerning certain unsolicited competing acquisition proposals if Merchants were to receive such a proposal prior to the adoption of the Merger Agreement by Merchants stockholders, and to terminate the Merger Agreement upon the payment to Community Bank System of a termination fee of \$10.72 million;

the right of Merchants to terminate the Merger Agreement if, subject to Community Bank System's ability to make a compensating adjustment to the stock election consideration, the volume-weighted average trading price of Community Bank System common stock for a specified period prior to the date on which Merchants stockholder approval and all required regulatory approvals have been obtained or waived is less than \$35.77 per share and Community Bank System common stock underperforms a peer group index by more than 20%;

the fact that the Merger is expected to be tax-free to Merchants stockholders to the extent that they receive Community Bank System common stock in exchange for their shares of Merchants common stock; and

the fact that two representatives from the Merchants board will be directors of Community Bank System and Community Bank following the closing of the Merger.

The Merchants board of directors also weighed the factors described above against certain factors and potential risks associated with entering into the Merger Agreement, including, among others, the following:

the fact that the exchange ratio is fixed, which means that Merchants stockholders could be adversely affected by a decrease in the trading price of Community Bank System common stock following the signing of the Merger Agreement;

the possibility of costs and delays resulting from seeking the regulatory approvals necessary to complete the transactions contemplated by the Merger Agreement, the possibility that the Merger may not be completed if such approvals are not obtained, and the potential negative impacts on Merchants, its business and the price of Merchants common stock if such approvals are not obtained;

the fact that the integration of Merchants and Community Bank System may be complex and time consuming and may require substantial resources and effort, and the risk that if the combined bank is not successfully integrated, the anticipated benefits of the Merger may not be realized fully or at all or may take longer to realize than expected, due to the additional regulatory requirements that Community Bank System will be subject to as a result of it having more than \$10 billion in assets following the Merger;

the possibility that the anticipated strategic and other benefits to Merchants and the combined bank following the completion of the Merger will not be realized or will take longer to realize than expected;

35

the potential for diversion of management and employee attention and for increased employee attrition during the period prior to the completion of the Merger, and the potential effect of the Merger on Merchants' customers and business relationships;

the restrictions on the conduct of Merchants' business prior to the completion of the Merger, requiring Merchants to conduct its business only in the ordinary course, subject to specific limitations, which could delay or prevent Merchants from undertaking business opportunities that may arise pending completion of the Merger and could negatively impact Merchants' customers and business relationships;

the fact that the Merger Agreement contains certain restrictions on the ability of Merchants to solicit proposals for alternative transactions or engage in discussions regarding such proposals, including the requirement for Merchants to pay Community Bank System a termination fee of \$10.72 million in certain circumstances;

the transaction costs to be incurred by Merchants in connection with the Merger;

the fact that Merchants will lose the autonomy associated with being an independent financial institution; and the various other applicable risks associated with Merchants, Community Bank System and the Merger, including the risks described in "Cautionary Statement Regarding Forward-Looking Statements" and "Risk Factors" beginning on page 21 and 15, respectively.

In considering the recommendation of the Merchants board of directors with respect to the proposal to adopt the Merger Agreement, you should be aware that certain of Merchants' directors and executive officers may have interests in the Merger that are different from yours. The Merchants board was aware of and considered these interests, among other matters, in evaluating the Merger Agreement and the transactions contemplated by the Merger Agreement and in recommending that the Merger Agreement be adopted by the Merchants stockholders. Please see "Interests of Merchants Directors and Executive Officers in the Merger" beginning on page 48.

The foregoing discussion of the information and factors considered by the Merchants board of directors in reaching its conclusions and recommendations is not intended to be exhaustive, but includes the material factors considered by the Merchants board. In view of the wide variety of factors considered in connection with its evaluation of the Merger Agreement and the transactions contemplated by the Merger Agreement, and the complexity of these matters, the Merchants Board did not find it practicable to, and did not attempt to, quantify, rank or otherwise assign any relative or specific weights to the various specific factors considered in reaching its determination and making its recommendation. Moreover, in considering the factors described above and any other factors, individual members of the Merchants Board may have viewed factors differently or given different weight, merit or consideration to different factors. The Merchants board considered all of the foregoing factors as a whole and based its recommendation on the totality of the information presented.

Recommendation of the Merchants Board of Directors

At a meeting held on October 22, 2016, the Merchants board of directors unanimously (i) determined that the Merger Agreement and the Merger are advisable and in the best interests of Merchants and its stockholders, (ii) approved the Merger Agreement and recommended that the Merchants stockholders adopt the Merger Agreement, and (iii) directed that the Merger Agreement be submitted for consideration by the Merchants stockholders at the Merchants special meeting.

THE MERCHANTS BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT.

TABLE OF CONTENTS

Community Bank System's Reasons for the Merger

In reaching its determination to approve and adopt the Merger Agreement, the board of directors of Community Bank System considered a number of factors, including:

the opportunity to further diversify Community Bank System's geographical markets and customer base as a whole by expanding into Vermont and Western Massachusetts, which is a natural expansion of Community Bank's existing footprint in Upstate New York, and to do so in smaller markets similar to those in which it currently operates;

the opportunity to acquire the largest statewide independent bank in Vermont with 11% market share and ranked third in deposits;

the pricing of the transaction absorbs the cost of Community Bank System crossing the \$10 billion in asset threshold and the enhanced regulatory burdens and costs associated with operating a financial holding company of that size;

Community Bank System's past experience and success in the acquisition and integration of a bank holding company;

the fact that the Merger is expected to be accretive to operating earnings per share of Community Bank System in 2018, exclusive of one-time acquisition related charges and the impact of Community Bank System crossing the \$10 billion in asset threshold;

the potential for the combined company to enhance non-interest income growth by providing enhanced and additional financial products and services to the customers of Merchants in the areas of benefit plan administration, investment management, comprehensive cash management, brokerage services and insurance;

the business, operations, technology, asset quality, competitive position, stock price performance, financial condition and results of operations of Merchants on a historical and prospective basis;

the anticipated operating efficiencies, cost savings and opportunities for revenue enhancements of the combined company following the completion of the Merger, and the likelihood that they would be achieved after the Merger;

the exchange ratio for the Merger and the resulting relative interests of Community Bank System stockholders in the common stock of the combined company, and the amount of total cash consideration to be paid in the Merger;

the fact that the mixture of merger consideration includes a combination of cash and stock in which stockholders would have an election right, but no more than 30% of Merchants common stock would be exchanged for cash;

the deal protection provided by the termination fee of \$10.72 million, payable under certain circumstances in the event of the termination of the Merger Agreement due to a competing offer or certain other reasons;

the intended tax treatment of the Merger; and

the likelihood of receiving all of the regulatory approvals required for the Merger.

Based on these reasons, Community Bank System's board of directors unanimously approved the Merger Agreement and the Merger. This discussion of the factors considered by Community Bank System's board of directors does not list every factor considered by the board but includes all material factors considered by the board. In reaching its determination to approve and adopt the Merger Agreement, the board did not give relative or specific importance to each of the factors listed above, and individual directors may have given differing importance to different factors.

Please note that this explanation of the board's reasoning and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 21 of this Proxy Statement/Prospectus.

Opinion of Merchants Financial Advisor

Pursuant to an engagement letter dated July 19, 2016, the Merchants board engaged Piper as financial advisor to Merchants in connection with Merchants' consideration of a possible business combination with Community Bank System. Piper is a nationally recognized investment banking firm with substantial experience in transactions similar to the Merger and is familiar with Merchants and its business. As part of its investment banking business, Piper is routinely engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions. The Piper written opinion, dated October 22, 2016, is sometimes referred to in this section as the Piper opinion.

Piper acted as financial advisor to Merchants in connection with the proposed transaction and participated in certain of the negotiations leading to the execution of the Merger Agreement. At the meeting of the board of directors of Merchants held on October 22, 2016, Piper delivered to the board of directors its oral opinion, followed by delivery of its written opinion, that, as of such date, and based upon and subject to the various factors, assumptions and limitations set forth in its opinion, the consideration offered in the Merger was fair, from a financial point of view, to the holders of Merchants common stock.

The full text of Piper's written opinion dated October 22, 2016, which sets forth, among other things, the procedures followed, assumptions made, matters considered and qualifications and limitations on the scope of review undertaken in rendering its opinion, is attached as Annex B to this Proxy Statement/Prospectus and is incorporated herein by reference. Piper's opinion speaks only as of the date of the opinion. You are urged to read the opinion carefully and in its entirety. Piper's opinion was addressed to, and provided for the information and benefit of, the Merchants board of directors (in its capacity as such) in connection with its evaluation of the fairness of the merger consideration from a financial point of view, and did not address any other aspects or implications of the Merger. The opinion does not constitute a recommendation to the Merchants board of directors or to any other persons in respect of the Merger, including as to how any holder of Merchants common stock should vote at any stockholders' meeting held in connection with the Merger or take, or not to take, any action in respect of the Merger. Piper's opinion does not address the relative merits of the Merger as compared to any other business or financial strategies that might be available to Merchants, nor does it address the underlying business decision of Merchants to engage in the Merger. The issuance of the Piper opinion was approved by the fairness opinion committee of Piper. The summary of the opinion of Piper set forth below is qualified in its entirety by reference to the full text of the opinion. Piper has consented to the inclusion of this summary of its opinion in this Proxy Statement/Prospectus.

In rendering its opinion, Piper reviewed and analyzed, among other things:

the financial terms contained in a draft of the Merger Agreement dated as of October 22, 2016; certain financial and other data with respect to Merchants and Community Bank System, which was publicly available or made available to Piper by Merchants or Community Bank System; certain forward-looking information relating to Merchants and Community Bank System that was publicly available, as well as that which was furnished to Piper by Merchants or Community Bank System, including the Projections; materials detailing the Merger prepared by Merchants, Community Bank System and their affiliates and by their respective legal and accounting advisors including the estimated amount and timing of the cost savings and related expenses (which included (1) estimated synergies of approximately 22.7% of Merchants' non-interest expense base with 75% phased-in 2017 and 100% in 2018 and going forward and (2) an estimated \$10.0 million pre-tax annual negative impact to income for Community Bank System due to \$10 billion asset threshold beginning in the second half of 2018) and purchase accounting adjustments expected to result from the Merger (which included (1) 0.89%

gross credit mark (\$12.4 million or 1.0x reserves) on the acquired loan portfolio and (2) core deposit intangible assumed to equal 1.5% of Merchants' core deposits (deposits less all time deposits)) (which are collectively referred to in this section as the Synergies);

TABLE OF CONTENTS

current and historical reported prices and trading activity of Merchants and Community Bank System and similar information for certain other publicly traded companies deemed by Piper to be comparable to Merchants and Community Bank System;
the financial performance of Merchants and Community Bank System with that of certain other publicly traded companies that Piper deemed relevant;
certain financial analyses Piper performed for Merchants and Community Bank System on a pro forma combined basis giving effect to the Merger based on assumptions relating to the Synergies;
the merger consideration relative to the historical trading price of Merchants and Merchants tangible book value, core deposits (deposits less all jumbo time deposits and brokered deposits) and last twelve months earnings as of June 30, 2016 as well as analyst estimated earnings for 2017;

the current market environment generally and the commercial banking environment in particular;
the financial terms, to the extent publicly available, of certain business combination transactions in the depository banking industry that Piper deemed relevant; and

such other analyses, examinations and inquiries and considered such other financial, economic and market criteria as Piper deemed necessary in arriving at its opinion.

Piper also held several discussions with certain members of senior management and representatives of both Merchants and Community Bank System with respect to certain aspects of the Merger, and the past and current business operations of Merchants and Community Bank System, the financial condition and future prospects and operations of Merchants and Community Bank System, the effects of the Merger on the financial condition and future prospects of Community Bank System, and certain other matters Piper believed necessary or appropriate to its inquiry.

In arriving at its opinion, Piper relied upon and assumed, without assuming liability or responsibility for independent verification, the accuracy and completeness of all information that was publicly available or was furnished, or otherwise made available to, or discussed with or reviewed by Piper. Piper further relied upon the assurances of the management of Merchants and Community Bank System that the financial information provided has been prepared on a reasonable basis in accordance with industry practice, and that they are not aware of any information or facts that would make any information provided to Piper incomplete or misleading. Without limiting the generality of the foregoing, Piper assumed that with respect to financial forecasts, estimates and other forward-looking information (including the Synergies) reviewed by Piper, that such information was reasonably prepared based on assumptions reflecting the best currently available estimates and judgments of the management of Merchants and Community Bank System as to the expected future results of operations and financial condition of Merchants and Community Bank System, respectively, to which such financial forecasts, estimates and other forward-looking information (including the Synergies) relate and Piper assumed that such results would be achieved. Piper expressed no opinion as to any such financial forecasts, estimates or forward-looking information (including the Synergies) or the assumptions on which they were based. Piper further assumed that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, for United States federal income tax purposes. Piper also expressed no opinion as to any of the legal, accounting and tax matters relating to the Merger and any other transactions contemplated in connection therewith and with the consent of Merchants relied, on the advice of the outside legal counsel and the independent accountants to Merchants, and on the assumptions of the management of Merchants and Community Bank System, as to all accounting, legal, tax and financial reporting matters with respect to Merchants and Community Bank System and the Merger Agreement.

In arriving at its opinion, Piper assumed that the executed Merger Agreement would be in all material respects identical to the last draft reviewed by it. Piper relied upon and assumed, without independent verification, that:

the representations and warranties of all parties to the Merger Agreement and all other related documents and instruments that are referred to therein are true and correct;

TABLE OF CONTENTS

each party to such agreements will fully and timely perform all of the covenants and agreements required to be performed by such party;
the Merger will be consummated pursuant to the terms of the Merger Agreement without amendments thereto; and
all conditions to the consummation of the Merger will be satisfied without waiver by any party of any conditions or obligations thereunder.

Additionally, Piper assumed that all the necessary regulatory approvals and consents required for the Merger will be obtained in a manner that will not adversely affect Merchants and Community Bank System or the contemplated benefits of the Merger.

For purposes of rendering its opinion, Piper did not perform any appraisals or valuations of any specific assets or liabilities (fixed, contingent, derivative, off-balance sheet, or other) of Merchants or Community Bank System, and was not furnished or provided with any such appraisals or valuations, and did not evaluate the solvency of Merchants or Community Bank System under any state or federal law relating to bankruptcy, insolvency or similar matters. Accordingly, Piper expressed no opinion regarding the liquidation value of Merchants, Community Bank System or any other entity. Piper assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of Merchants or Community Bank System since the date of the most recent financial data made available to Piper. Piper also assumed in all respects material to its analysis that Merchants and Community Bank System would remain as a going concern for all periods relevant to its analysis. Without limiting the generality of the foregoing, Piper did not conduct a review of:

any individual credit files of Merchants or Community Bank System, nor evaluate the adequacy of the loan or lease reserves of Merchants or Community Bank System;
any credit mark that may be taken in connection with the Merger, nor evaluate the adequacy of any contemplated credit mark to be so taken; or

the collectability of any asset or the future performance of any loan of Merchants or Community Bank System.

Piper also assumed, with Merchants' consent, that the respective allowances for loan and lease losses for both Merchants and Community Bank System and the credit mark are adequate to cover any losses and will be adequate on a pro forma basis for the combined company. Accordingly, Piper expressed no opinion with respect to these matters.

In addition, Piper did not make any independent analysis of any pending or threatened litigation, regulatory action, possible unasserted claims or other contingent liabilities to which Merchants or Community Bank System is a party or may be subject, and at the direction of Merchants and with its consent, Piper's opinion makes no assumption concerning, and therefore does not consider, the possible assertion of claims, outcomes or damages arising out of any such matters. Piper also assumed that neither Merchants nor Community Bank System is party to any material pending transaction, including without limitation any financing, recapitalization, acquisition or merger, divestiture or spin-off, other than the Merger and the merger of the principal banking subsidiaries of Merchants and Community Bank System contemplated by the agreement.

The Piper opinion is necessarily based on economic, market and other conditions and upon the information made available to Piper and facts and circumstances as they exist and are subject to evaluation as of the date of the Piper opinion. It should be understood that events occurring after the date of the Piper opinion could materially affect the assumptions used in preparing the Piper opinion. Further, Piper expressed no opinion as to the price at which shares of the common stock of Merchants or Community Bank System may trade following announcement of the Merger or at any future time.

The Piper opinion addresses solely the fairness, from a financial point of view, to holders of Merchants common stock of the proposed merger consideration set forth in the Merger Agreement and does not address any other terms or agreement relating to the Merger or any other terms of the Merger Agreement. Piper was

TABLE OF CONTENTS

not requested to opine as to, and the Piper opinion does not address: (1) the basic business decision to proceed with or effect the Merger; (2) the merits of the Merger relative to any alternative transaction or business strategy that may be available to Merchants; (3) Community Bank System's ability to fund the cash portion of the merger consideration; (4) any other terms contemplated by the Merger Agreement; or (5) the fairness of the Merger, or any consideration received in connection therewith by, the holders of any other class of securities, any creditor or other constituency of Merchants. Furthermore, Piper expressed no opinion with respect to the amount or nature of compensation to any officer, director or employee of any party to the Merger, or any class of such persons, relative to the merger consideration to be received by holders of Merchants common stock in the Merger or with respect to the fairness of any such compensation, including whether such payments are reasonable in the context of the Merger.

In performing its analyses, Piper made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, which are beyond the control of Piper, Merchants and Community Bank System. Any estimates contained in the analyses performed by Piper are not necessarily indicative of actual values or future results, which may be more or less favorable than suggested by these analyses. Additionally, estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the Piper opinion was among several factors taken into consideration by the Merchants board in making its determination to approve the Merger Agreement. The type and amount of consideration payable in the Merger were determined solely through negotiation between Merchants and Community Bank System, and the decision to enter into the Merger Agreement was solely that of the Merchants board.

Piper's opinion was necessarily based upon conditions as they existed and could be evaluated on October 22, 2016, the date of such opinion, and the information made available to Piper through such date. Developments subsequent to the date of Piper's opinion may have affected, and may affect, the conclusion reached in Piper's opinion, and Piper did not and does not have an obligation to update, revise or reaffirm its opinion.

The following is a summary of the material financial analyses performed and presented by Piper to the Merchants board on October 22, 2016 in connection with its fairness opinion. Each analysis was provided to the Merchants board of directors. The following summary, however, does not purport to be a complete description of all the analyses performed and reviewed by Piper underlying the Piper opinion or the presentation made by Piper to the Merchants board on October 22, 2016, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. A fairness opinion is thus not susceptible to partial analysis or summary description. In arriving at its opinion, Piper did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor.

The financial analyses summarized below include information presented in tabular format. The tables alone do not constitute a complete description of the financial analyses. Accordingly, Piper believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a potentially misleading or incomplete view of the process underlying its analyses and opinion. Also no company or transaction used in Piper's analysis for purposes of comparison is identical to Merchants and Community Bank System or the Merger. Accordingly, an analysis of the results of the comparisons is not mathematical; rather, it involves complex considerations and judgments about differences in the companies and transactions to which Merchants and Community Bank System and the Merger were compared and other factors that could affect the public trading value or transaction value of the companies to which they are being compared. Except as otherwise noted, the

following quantitative information, to the extent that it is based on market data, is based on market data that existed on or before October 22, 2016 (the date of the Piper opinion), and is not necessarily indicative of current market conditions.

Summary of Proposal. Pursuant to the terms of the Merger Agreement, at the effective time of the Merger, each share of Merchants common stock will be converted, at the election of the holder, into the right to receive the following consideration: (i) the combination of \$12.00 in cash and 0.6741 shares of Community Bank System common stock; (ii) 0.9630 shares of Community Bank System common stock; or (iii) \$40.00 in cash, subject to an allocation process intended to result in approximately 70% of the shares of Merchants common stock being exchanged for shares of Community Bank System. Based on Community Bank System's closing price on October 21, 2016 of \$47.50, the merger consideration was equivalent to a price of \$44.02 per share of Merchants common stock. Based on this deemed value per share to Merchants stockholders and based on an aggregate of 6,883,644 shares of Merchants common stock outstanding, 27,020 options outstanding with a weighted average exercise price of \$22.49 per share and 77,999 warrants outstanding with a weighted average exercise price of \$29.81, the aggregate merger consideration to holders of Merchants common stock, options and warrants was approximately \$304.7 million.

Comparable Transaction Analysis. Piper reviewed certain publicly available information related to twelve selected acquisitions of banks and bank holding companies as well as thrifts and thrift holding companies with headquarters in the New England and Mid-Atlantic regions of the United States announced after January 1, 2013, where transaction value was available and the buyer was a bank or bank holding company or a thrift or thrift holding company, the seller had assets between \$1.0 billion and \$3.0 billion and last twelve months return on average assets between 0.25% and 1.25%. The transactions included in the group were:

Transaction multiples for the Merger were based on an offer price of \$44.02 per share for Merchants based on Community Bank System s October 21, 2016 closing price of \$47.50. For each precedent transaction, Piper derived and compared, among other things, the implied ratio of price per common share paid for the acquired company to:

tangible book value per share of the acquired company based on the latest financial statements of the company available prior to the announcement of the acquisition;

tangible equity premium to core deposits (total deposits less time deposits greater than \$100,000 and brokered deposits) based on the latest financial statements of the company available prior to the announcement of the acquisition;

the last twelve months earnings per share based on the latest financial statements of the company available prior to the announcement of the acquisition; and

analyst estimated earnings per share for the forward year at the announcement of the acquisition.

In addition, Piper derived and compared the price per share paid for the acquired company as a percentage of the closing price of the acquired company one day prior to the announcement of the acquisition.

The results of the analysis are set forth in the following table:

Discounted Cash Flow Analysis. Piper performed a discounted cash flow analysis to estimate a range of the present values of after-tax cash flows that Merchants could provide to equity holders through 2020 on a stand-alone basis. In performing this analysis, Piper used the Projections to derive projected after-tax cash flows. The analysis assumed discount rates ranging from 11.0% to 13.0%, which were assumed deviations, both up and down, as selected by Piper based on the Merchants discount rate of 11.8% as determined by Piper. The range of values for the discounted cash flow analysis was determined by adding (1) the present value of projected cash flows to Merchants stockholders from fiscal years 2016 to 2020 and (2) the present value of the terminal value of Merchants common stock. In determining cash flows available to Merchants stockholders, Piper assumed that Merchants would maintain a tangible common equity to tangible asset ratio of 7.00% and would retain sufficient earnings to maintain these levels. Any earnings in excess of what would need to be retained were assumed to be distributed as dividends to Merchants stockholders. In calculating the terminal value of Merchants, Piper applied multiples ranging from 13.0 times to 15.0 times fiscal year 2020 estimated earnings. These multiples were selected based on a review of trading multiples of common stocks of the selected bank holding companies headquartered in the New England and Mid-Atlantic regions of the United States with total assets between \$1.0 billion and \$3.0 billion specified above. Piper also assumed a pre-tax cost of cash of 1.50% and a marginal tax rate of 35.0%. This resulted in a range of values of Merchants from \$29.71 to \$35.34 per share.

Piper also performed a discounted cash flow analysis to estimate a range of the present values of after-tax cash flows that Community Bank System could provide to equity holders through fiscal year 2020 on a stand-alone basis and on a pro forma basis, which included the Synergies and the impact of crossing the \$10 billion threshold. In performing this analysis, Piper used publicly available earnings estimates by research analysts covering Community Bank System, which were discussed with senior management of Community Bank System, for fiscal years 2016 (EPS of \$2.32) and 2017 (EPS of \$2.40), and with respect to the fiscal years 2018 through 2020 applied an earnings growth rate of 5.0% to derive projected after-tax cash flows. The analysis assumed discount rates ranging from 10.0% to 12.0%, which were assumed deviations, both up and down, as selected by Piper based on the Community Bank System discount rate of 11.3% as determined by Piper. The analysis also assumed asset growth based on analyst estimates through 2017 and 3.0% growth thereafter. The range of values for the discounted cash flow analysis was determined by adding (1) the present value of projected cash flows to Community Bank System's stockholders from fiscal years 2016 to 2020 and (2) the present value of the terminal value of Community Bank System's common stock. In determining cash flows

available to stockholders, Piper assumed that Community Bank System would maintain a tangible common equity to tangible asset ratio of 7.00% and would retain sufficient earnings to maintain these levels. Any earnings in excess of what would need to be retained were assumed to be distributed as dividends to Community Bank System stockholders. In calculating the terminal value of

TABLE OF CONTENTS

Community Bank System, Piper applied multiples ranging from 17.0 times to 19.0 times fiscal year 2020 estimated earnings. These multiples were selected based on a review of trading multiples of the eight publicly traded bank holding companies headquartered in the Mid-Atlantic and New England regions of the United States with total assets between \$5.0 billion and \$12.0 billion specified above. Piper also assumed a pre-tax cost of cash of 1.50% and a marginal tax rate of 35.0%. This resulted in a range of values of Community Bank System on a stand-alone basis from \$41.72 to \$48.43 per share and on a pro forma basis from \$41.60 to \$48.58 per share.

Piper stated that the discounted cash flow present value analysis is a widely used valuation methodology but noted that it relies on numerous assumptions, including asset and earnings growth rates, terminal values and discount rates. The analysis did not purport to be indicative of the actual values or expected values of Merchants and Community Bank System.

Financial Impact Analysis. Piper performed pro forma merger analyses that combined projected income statement and balance sheet information of Merchants and Community Bank System. Assumptions regarding the Synergies were used to calculate the financial impact that the Merger would have on certain projected financial results of Community Bank System. In the course of this analysis, Piper used the Projections for Merchants and used assumptions provided by Community Bank System's management for the Synergies. For Community Bank System, Piper used publicly available earnings estimates by research analysts covering Community Bank System for 2016 and 2017 and applied an earnings growth rate of 5.0% thereafter. This analysis indicated that the Merger is expected to be accretive to Community Bank System's estimated earnings per share in 2017 and 2018. The analysis also indicated that the Merger is expected to be dilutive to tangible book value per share for Community Bank System with an earnback (using the Crossover method) of 4.7 years including the impact of crossing the \$10 billion asset threshold, 3.3 years excluding the impact of crossing the \$10 billion asset threshold and dilutive to Community Bank System's tangible common equity to tangible assets ratio, leverage ratio and total risk-based capital ratio. For all of the above analyses, the actual results achieved by Community Bank System following the Merger will vary from the projected results, and the variations may be material.

Other Analyses. Among other things, Piper also reviewed earnings estimates, balance sheet composition and other financial data for Merchants and Community Bank System. With respect to Merchants' public price, Piper reviewed the public price targets of the three research analysts covering Merchants as provided by SNL Financial, a nationally recognized research price target consolidator, of which the mean was \$33.50. With respect to Community Bank System's public price, Piper reviewed the public price targets of the five research analysts covering Community Bank System as provided by SNL, of which the mean was \$42.80. Piper also reviewed the historical trading performances of shares of Merchants and Community Bank System common stock during the 52-week period ended October 21, 2016. Merchants common stock traded as low as \$27.21 per share and as high as \$33.99 per share, and the closing price of Merchants common stock on October 21, 2016 was \$32.85 per share. Community Bank System common stock traded as low as \$34.47 per share and as high as \$48.67 per share, and the closing price of Community Bank System common stock on October 21, 2016 was \$47.50 per share.

Piper's Compensation and Other Relationships. Merchants and Piper entered into an engagement letter dated July 19, 2016 relating to the services to be provided by Piper in connection with the Merger. Pursuant to the engagement letter, Merchants agreed to pay Piper (a) a fee of \$250,000 upon the delivery to the Merchants board of the written Piper opinion, which fee will be credited against the transaction fee; and (b) contingent upon closing of the Merger, a transaction fee of \$1.9 million. Pursuant to the Piper engagement letter, Merchants also agreed to reimburse Piper for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention up to \$25,000 without Merchants prior written consent. Merchants has also agreed to indemnify Piper against certain liabilities, including liabilities under the federal securities laws, arising out of its engagement.

Other than Piper's engagement by Merchants in connection with the Merger, Piper has not provided any other material investment banking or financial advisory services to Merchants, Community Bank System or their affiliates during the past two years; however, Piper may do so in the future. In the ordinary course of

Certain Prospective Financial Information

Merchants does not, as a matter of course, publicly disclose forecasts or projections of its expected future financial performance, earnings or other results because of, among other things, the inherent difficulty of predicting financial performance for future periods and the likelihood that the underlying assumptions and estimates may not be realized.

However, Merchants is including in this Proxy Statement/Prospectus certain unaudited prospective financial information that was prepared based on publicly available earnings estimates (the "Projections"). The Projections were discussed with Piper and used by Piper in connection with its financial analyses and opinion to the Merchants board of directors as described above under the heading "Opinion of Merchants' Financial Advisor." The Projections also were provided to the Merchants board in its consideration of the Merger.

The Projections were not prepared with a view toward public disclosure and, accordingly, do not necessarily comply with published guidelines of the SEC or established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information or generally accepted accounting principles. Merchants' independent registered public accounting firm, which is listed as an expert in the section entitled "Experts," or any other independent accountants, did not compile, examine, audit, or perform any procedures with respect to such prospective financial information, and has not expressed any opinion or any other form of assurance on this information or its achievability.

The Projections, while presented with numerical specificity, necessarily were based on numerous variables and assumptions that are inherently uncertain and many of which are beyond the control of Merchants' management. Given that the Projections cover multiple years, by their nature, they become subject to greater uncertainty with each successive year. The assumptions upon which the Projections were based necessarily involve judgments with respect to, among other things, future economic, market, competitive and regulatory conditions, all of which are difficult or impossible to predict and many of which are beyond Merchants' control. Important factors that may affect actual results and the achievability of the Projections include, but are not limited to, the risks and uncertainties described in Merchants' annual report on Form 10-K for the fiscal year ended December 31, 2015, subsequent quarterly reports on Form 10-Q and current reports on Form 8-K. See "Where You Can Find More Information" beginning on page 104 of this Proxy Statement/Prospectus.

The Projections also reflect assumptions that are subject to change and are susceptible to multiple interpretations and periodic revisions based on actual results, revised prospects for Merchants' business, changes in general business or economic conditions, or any other transaction or event that has occurred or that may occur and that was not anticipated when the Projections were prepared. In addition, the Projections do not take into account any circumstances, transactions or events occurring after the dates on which the Projections were prepared. Accordingly, actual results will differ, and may differ materially, from those contained in the Projections. There can be no assurance that the financial results in the Projections will be realized, or that future actual financial results will not materially vary from those in the Projections.

The inclusion of a summary of the Projections should not be regarded as an indication that Community Bank System or Merchants or any of their respective affiliates, officers, directors, advisors or other representatives consider the Projections to be predictive of actual future events, and the Projections should not be relied upon as such. None of Community Bank System or Merchants or any of their respective affiliates, officers, directors, advisors or other representatives gives any stockholder of Merchants or any other person any assurance that actual results will not differ

materially from the Projections, and, except as otherwise required by law, Community Bank System, Merchants and their respective affiliates undertake no obligation to update or otherwise revise or reconcile the Projections to reflect circumstances existing after the dates on which the Projections were prepared or to reflect the occurrence of future events, even in the event that any or all of the assumptions and estimates underlying the Projections are shown to be in error.

In light of the foregoing factors and the uncertainties inherent in the Projections, Merchants stockholders are cautioned not to place undue, if any, reliance on such Projections.

TABLE OF CONTENTS

The following table presents a summary of the Projections, which has been included solely to give the Merchants stockholders access to certain prospective financial information that was made available to the Merchants board and used by Piper, and is not included in this Proxy Statement/Prospectus to influence any decision of Merchants stockholders as to whether to vote to adopt the Merger Agreement or for any other purpose. The Projections are based on publicly available earnings estimates by research analysts covering Merchants through 2017, with an earnings growth rate of 5.0% applied to derive fiscal years 2018 through 2020. The projected financial data provided in this table has not been updated to reflect Merchants' current views of its future financial performance, and should not be treated as guidance with respect to projected results for 2016 or any other period.

(1) Based on actual results for the first six months of calendar year 2016, and publicly available earnings estimates of research analysts for the remainder of the calendar year.

The Projections were used to derive projected after-tax cash flows based on assumptions provided by management, including (1) asset growth based on analyst estimates through 2017 and 4.0% asset growth thereafter, (2) a tangible common equity to tangible assets threshold of 7.0%, (3) pre-tax cost of cash of 1.5%, and (4) a marginal tax rate of 35.0%. Based on these assumptions, the projected after-tax cash flows were: \$5.8 million for the second half of 2016; \$11.8 million in 2017; \$12.3 million in 2018; \$12.8 million in 2019; and \$13.2 million in 2020. This information was not prepared with a view toward public disclosure, and actual results may differ materially from these projected amounts.

Stockholder Support Agreements with Directors and Another Principal Stockholder of Merchants

Community Bank System has entered into a stockholder support agreement with each director of Merchants and another principal stockholder of Merchants with voting power with respect to an aggregate of [] shares of Merchants common stock, or approximately []% of the shares of Merchants common stock outstanding as of the record date. Pursuant to the agreements, each director and the principal stockholder of Merchants have agreed to vote FOR the adoption of the Merger Agreement all of the shares of Merchants common stock that they are entitled to vote.

Interests of Merchants Directors and Executive Officers in the Merger

In considering the recommendation of the Merchants board of directors with respect to its approval of the Merger Agreement, Merchants stockholders should be aware that certain of Merchants' directors and executive officers have interests in the Merger that are different from, or in addition to, those of Merchants stockholders generally. These interests may create potential conflicts of interest. The Merchants board of directors was aware of and considered these interests, among other matters, in reaching its decision to approve, and declare advisable, the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. The material interests are summarized below.

Effect of the Merger Agreement on Equity Awards

In connection with the Merger, the Merchants' equity awards held by Merchants' directors and executive officers will be treated the same as all outstanding Merchants' equity awards, except as noted below under the header titled "Equity Awards of Certain Directors and Executive Officers".

Cash Payment for Outstanding Merchants Stock Options. Consistent with the terms of Merchants' 2008 Stock Incentive Plan, the Merger Agreement provides that, at the effective time of the Merger, each Merchants stock option outstanding and unexercised immediately prior to the effective time of the Merger, whether or not vested or exercisable, will be cancelled and automatically converted into the right to receive a cash amount equal to the aggregate number of shares of Merchants common stock subject to such option *multiplied by* the excess of the value of the mixed election consideration over the exercise price of such option.

Vesting of Merchants Restricted Stock Awards. Consistent with the terms of Merchants' 2008 Stock Incentive Plan, the Merger Agreement provides that, at the effective time of the Merger, each share of

TABLE OF CONTENTS

Merchants common stock subject to vesting or forfeiture restrictions and granted under any Merchants benefit plan that is outstanding immediately prior to the effective time, whether or not vested, will automatically vest in full, and any restrictions thereon will lapse, and such Merchants restricted share shall be canceled and converted into the right to receive an amount of cash equal to the value of the mixed election consideration plus dividends, if any, accrued but unpaid as of the effective time with respect to such restricted share.

Treatment of Merchants Warrants. Each organizers' warrant to purchase Merchants common stock outstanding as of the effective time will be converted at the effective time into a warrant to acquire, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, the number of shares of Community Bank System common stock determined by multiplying (i) the number of shares of Merchants common stock which may be acquired upon exercise of such organizers' warrant immediately prior to the effective time by (ii) the stock election consideration of 0.9630. As of January 15, 2017, Don Chase held organizers' warrants for 1,208 shares with an exercise price of \$41.39 per share.

Equity Awards of Certain Directors and Executive Officers

For certain executive officers, Merchants accelerated the vesting of outstanding equity awards that would otherwise have vested at the effective time of the Merger, so that such awards vested in December 2016 in order to mitigate the impact of Section 4999 of the Code, as discussed in more detail below. In connection with such acceleration, each executive officer agreed to (i) hold such accelerated shares through the earlier of his or her termination of employment with Merchants or the closing of the Merger and (ii) repay to Merchants an amount, in cash, equal to the compensation recognized by such executive officer, less applicable employment and income taxes, for the accelerated shares should he or she terminate employment prior to closing of the Merger.

Outstanding stock options held by Mr. Tuttle were scheduled to expire on December 31, 2016 if they had not been exercised as of such date. Due to the pendency of the Merger, Merchants extended the exercise period with respect to Mr. Tuttle's stock options until the earlier of (i) the closing of the Merger, and (ii) the original expiration date of the options. As of January 15, 2017, Mr. Tuttle held options to purchase 26,520 shares of Merchants stock with a weighted average exercise price of \$22.50.

Retention Incentives for Executive Officers

In order to incentivize and motivate certain executives who are not expected to be retained on a long-term basis following the closing of the Merger to provide critical services during the pendency of the Merger, Community Bank System has entered into retention agreements with each of Messrs. Cataldo and Watson and Ms. Thresher, Abbott, and Dragon. Under these retention agreements, an amount equal to 40% of the executive's 2016 base salary (or 50% of base salary, in the case of Ms. Thresher) will become payable upon the closing of the Merger, subject to the executive's continued service through the closing of the Merger and completion of certain activities and other items prior to the closing of the Merger related to the integration of Merchants with Community Bank System. In the event that the retention bonus (together with any other payments to the executive officers) would constitute a parachute payment and would be subject to the excise tax imposed by Section 4999 of Code, such amounts would be reduced to the largest payment possible without the imposition of an excise tax under Section 4999 of the Code.

In addition, for performance in 2016, Merchants granted restricted stock awards under the 2008 Stock Incentive Plan in early 2017 to these executive officers (the 2017 Restricted Stock Grants). The value of each restricted stock award was approximately 15% of each executive officer's respective 2017 base salary and has terms and conditions consistent with Merchants' past practice, which include three-year cliff vesting subject to acceleration upon a change in control of

Merchants, including as a result of the Merger.

TABLE OF CONTENTS**Quantification of Equity Acceleration and Retention Incentives**

The following table quantifies the payments and benefits that Merchants' executive officers may receive in connection with the Merger due to the accelerated vesting of unvested restricted shares held as of January 15, 2017 and the payment of retention incentives. As of January 15, 2017, none of Merchants' executive officers held any stock options and none of Merchants' directors held unvested restricted shares or unvested stock options or had received, or were expected to receive, any retention incentives.

Executive Officer	Restricted Stock Number of Shares	Estimated Value (\$) ⁽¹⁾⁽²⁾	Value of 2017 Restricted Stock Grant (\$) ⁽³⁾	Value of Retention Bonus (\$)	Total (\$)
Laura Abbott	879	37,621	24,000	62,000	123,621
Bruce Bernier	1,204	51,531			51,531
Anita Bourgeois					
Michael Cataldo	342	14,638	22,800	59,200	96,638
Richard Donovan					
Jacqueline Dragon	1,463	62,616	22,650	58,000	143,266
Geoffrey Hesslink	6,153	263,348			263,348
Marie Thresher	3,182	136,190	45,750	145,000	326,940
Jonathan Watson	879	37,621	25,650	65,200	128,471

Amounts based upon multiplying the number of shares of restricted stock held by the executive officer by \$42.80

(1) (the average closing price of a share of Merchants stock over the first five business days following the public announcement of the Merger).

As discussed above in "Equity Awards of Certain Directors and Executive Officers", Merchants accelerated the restricted stock held by certain executive officers as of December 27, 2016 in order to mitigate the impact of Section 4999 of the Code. Accordingly, the value of the stock recognized upon such acceleration by each such executive is as follows: Ms. Abbott \$47,862; Mr. Cataldo \$18,622; Ms. Dragon \$79,660; Ms.

(2) Thresher \$173,260; and Mr. Watson \$47,862. The value is based upon the closing price of a share of Merchants stock of \$54.45 as of December 27, 2016. In accordance with the terms of the applicable restricted stock agreements, Merchants withheld a number of shares upon vesting in order to satisfy the minimum tax withholding due. Accordingly, the actual number of shares to be exchanged in the merger by each executive is less than the number of shares set forth in the table above and the amount ultimately recognized in the merger by each executive may be more or less than the amount recognized upon the acceleration.

Amounts reflect the actual value of the 2017 Restricted Stock Award granted on January 18, 2017 (calculated as a percentage of each executive officer's current base salary). The number of shares subject to the 2017 Restricted Stock Awards granted to each executive is as follows: Ms. Abbott 474 shares; Mr. Cataldo 451 shares; Ms.

(3) Dragon 448 shares; Ms. Thresher 904 shares; and Mr. Watson 507 shares. The actual value the executive officers may receive in the Merger with respect to such 2017 Restricted Stock Award may be more or less than this amount depending upon the difference between the value of Merchants stock as of January 18, 2017 and the actual per share merger consideration.

Severance Arrangements with Merchants

Merchants has an existing employment agreement with each of its executive officers (other than Richard Donovan and Eric Segal), which provides that if, within 24 months following a change in control, an executive is terminated without cause or resigns for good reason, the executive will be paid a lump sum amount equal to the sum of (i) a prorated bonus and (ii) three times (for Mr. Hesslink) or two times (for the other executives) the executive's then-current base salary. Furthermore, Merchants will continue to pay its share of the cost of health insurance for the executive for up to 18 months following such termination. The prorated bonus portion of the cash severance shall be calculated as the amount payable under Merchants' annual incentive compensation plan based on the extent to which the applicable performance criteria for the year of termination of employment have been achieved, as measured through the end of the most recently

TABLE OF CONTENTS

completed calendar quarter, multiplied by a fraction, the numerator of which shall be the number of days the executive was employed by Merchants in the year of termination of employment and the denominator of which shall be 365.

In the event that any payments to the executive officers would constitute a parachute payment and would be subject to the excise tax imposed by Section 4999 of the Code, such amounts would be reduced to the largest payment possible without the imposition of an excise tax under Section 4999 of the Code. As noted above, Merchants has accelerated the vesting of certain equity awards that would otherwise have vested at the effective time of the Merger, so that such awards vested in December 2016 in order to mitigate the impact of Section 4999 of the Code.

In December 2016, Merchants entered into an employment agreement with Richard Donovan as interim Principal Accounting Officer, interim Principal Financial Officer, and interim Treasurer. The employment agreement provides that Mr. Donovan's employment will automatically terminate upon the closing of the Merger. If Mr. Donovan's employment is terminated without cause prior to the closing of the Merger, he shall receive the base salary he otherwise would have received had he remained employed until the earliest of (1) the end of the 90 day period following his termination date, (2) the closing of the Merger, or (3) the date that Merchants determines to be the end of the merger process. Mr. Donovan could receive severance in the form of base salary continuation for up to 90 days, or approximately \$56,250.

As described below, Community Bank System has entered into employment agreements with each of Messrs. Hesslink and Bernier, and Ms. Bourgeois, which agreements will become effective upon the closing of the Merger and will supersede the employment agreements each executive is currently party to with Merchants.

Community Bank System has confirmed its intention to honor the terms of the employment agreements with Messrs. Cataldo and Watson and Ms. Thresher, Abbott, and Dragon. Community Bank System further acknowledged that these executive officers would have good reason to resign following the closing of the Merger. The following table quantifies the potential payments and benefits that these executive officers may receive under their employment agreements, assuming a termination without cause or resignation for good reason following the Merger. As noted above, such amounts may be subject to reduction to the extent necessary to avoid the imposition of an excise tax under Section 4999 of the Code.

Executive Officer	Severance Payment (\$) ⁽¹⁾	Estimated Value of Benefits Continuation (\$)	Total (\$)
Laura Abbott	321,644	23,101	344,745
Michael Cataldo	305,562	22,930	328,491
Jacqueline Dragon	303,551	8,221	311,773
Marie Thresher	613,760		613,760
Jonathan Watson	343,757	22,763	366,519

For purposes of this table, the prorated bonus portion of the severance was calculated based upon target bonus opportunity, and assuming a termination of employment on January 15, 2017. Because the actual termination date ⁽¹⁾is expected to occur on or following the effective time of the Merger, which is expected to occur in late second quarter or early third quarter of 2017, the actual prorated bonus may be more than this amount.

New Employment Agreements with Community Bank System

Community Bank System entered into employment agreements with each of Messrs. Hesslink and Bernier, and Ms.

Bourgeois, which agreements will become effective upon the closing of the Merger and will supersede the employment agreements each executive is currently party to with Merchants. Mr. Hesslink has accepted a position with Community Bank System as Regional President, New England, Mr. Bernier has accepted a position with Community Bank System as Senior Lender for Vermont, and Ms. Bourgeois has accepted a position with Community Bank System as the Vice President of Retail and Municipal Banking for New England, in each case, effective upon and following the closing of the Merger.

TABLE OF CONTENTS

Under the new agreements, each executive will receive a signing bonus payable upon the first payroll date following the effective date of the Merger in the following amount: Mr. Hesslink, \$1,281,000; Mr. Bernier, \$500,000; and Ms. Bourgeois, \$360,000. Mr. Hesslink's base salary will be \$350,000 with target incentive compensation of 25% of base salary; Mr. Bernier's base salary will be \$160,000 with target incentive compensation of 25% of base salary; and Ms. Bourgeois' base salary will be \$160,000 with target incentive compensation of 20% of base salary. If the executive is terminated without cause or resigns for good reason during the term of the employment agreement (which is two years for Mr. Bernier and Ms. Bourgeois, and three years for Mr. Hesslink) or within 12 months after the term of the agreement expires (or 24 months for Mr. Hesslink), the executive will be entitled to accelerated vesting of equity awards and severance in an amount equal to the sum of the executive's base salary and most recent bonus amount (or target bonus if no payment has yet been made or if such bonus was for a partial year). Upon a termination for any reason other than for cause within two years after a change in control, Mr. Hesslink shall receive the greater of (i) two times the sum of his base salary and any payments made under the management incentive plan in the previous 12 months, or (ii) base salary plus expected payments to be made under the management incentive plan. The agreements contain restrictive covenants, including non-solicitation and non-competition covenants.

In the event that any payments to the executive officers under the employment agreements (together with any other payments) would constitute a parachute payment and would be subject to the excise tax imposed by Section 4999 of the Code, such amounts would be reduced to the largest payment possible without the imposition of an excise tax under Section 4999 of the Code unless payment of the full amount despite payment of the excise tax would be a greater net amount.

Regulatory Requirements

Notwithstanding the foregoing, all payments and benefits under the Merchants plans and arrangements are subject to any required regulatory approval or satisfaction of a condition in any regulatory approval, as applicable.

Director Deferred Compensation

Certain of Merchants' directors have deferred compensation under Merchants' director deferred compensation plans. All such deferred compensation is fully vested. Community Bank System will honor the terms and obligations of Merchants' director deferred compensation plans, unless such plans are terminated prior to the effective time of the Merger by mutual agreement of Merchants and Community Bank System.

Retained Directors

At the effective time of the Merger, Community Bank System will expand the size of its board of directors by two seats and appoint two directors of Merchants to the board of directors of Community Bank System and Community Bank. Each appointed director will qualify as an Independent Outside Director of Community Bank System under ISS Guidelines and will meet all legal and regulatory requirements for serving on the board of directors of Community Bank System. One appointed director will be appointed to the class of directors of Community Bank System with terms expiring at the second annual meeting of stockholders occurring after the effective time of the Merger and the other appointed director will be appointed to the class of directors of Community Bank System with terms expiring at the third annual meeting of stockholders occurring after the effective time of the Merger. It is currently expected that [] and [] will be the members of the Merchants board of directors who will be appointed to the board of directors Community Bank System.

Indemnification

Pursuant to the Merger Agreement, Community Bank System has agreed that it will, from and after the effective time of the Merger, indemnify and hold harmless the present and former directors, officers and employees of Merchants and its subsidiaries against any costs or expenses, judgments, settlements effected with the prior written consent of Community Bank System, fines, losses, taxes, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation arising before or after the effective time of the Merger, arising in whole or in part out of, or pertaining to the fact that such person is or was a director, officer or employee of Merchants or its subsidiaries, or otherwise in connection with any action taken or not

TABLE OF CONTENTS

taken at the request of Merchants or its subsidiaries or is or was serving at the request of Merchants or its subsidiaries as a director, officer employee, agent, trustee or fiduciary of another person and pertaining to matters, acts or omissions existing or occurring at or prior to the effective time of the Merger, including matters, acts or omissions occurring in connection with the approval of the Merger Agreement and the transactions contemplated thereby, to the fullest extent permitted by applicable law. Community Bank System has also agreed to advance expenses as incurred by any indemnified party to the fullest extent permitted by applicable law within thirty days after a written request setting forth such expenses in reasonable detail, provided that such indemnified party to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately decided that such indemnified party is not entitled to indemnification.

Directors and Officers Insurance

Community Bank System has further agreed that for a period of six years after the effective time of the Merger, it will cause to be maintained in effect the current policies of directors and officers liability insurance maintained by Merchants with respect to claims against them arising from matters, acts or omissions occurring at or before the effective time of the Merger (including the transactions contemplated by the Merger Agreement). Community Bank System will not be obligated to expend, on an annual basis, an amount in excess of three hundred percent of the current annual premium paid as of the date of the Merger Agreement by Merchants for such directors and officers liability insurance (the premium cap) and if such premiums at any time exceed the premium cap, then Community Bank System shall cause to be maintained policies of insurance which will provide the maximum coverage available at an annual premium equal to the premium cap. In lieu of the foregoing, Merchants in consultation with Community Bank System may obtain at or prior to the effective time a substitute policy for a price that in the aggregate does not exceed the premium cap.

Merger-Related Executive Compensation for Merchants Named Executive Officers

The table below sets forth the information required by Item 402(t) of Regulation S-K regarding the compensation that is based on or otherwise relates to the Merger for Merchants named executive officers who are receiving compensation relating to the Merger, assuming that (i) a change of control of Merchants occurred on January 15, 2017, the latest practicable date prior to the filing of this proxy/prospectus, (ii) the price per share of Merchants common stock is \$42.80 (the average closing market price of Merchants common stock on NASDAQ over the first five business days following the October 24, 2016 public announcement of the Merger Agreement), (iii) the named executive officer's base salary rates and annual target bonuses remain unchanged from those in place as of such date, and (iv) no named executive officer receives any additional equity grants on or prior to the effective time of the Merger other than the 2017 Restricted Stock Grant to Ms. Thresher as described above under Retention Incentives for Executive Officers. Amounts set forth in the table may be subject to reduction to the extent necessary to avoid the imposition of an excise tax under Section 4999 of the Code.

As described above, Merchants has entered into employment agreements with Mr. Hesslink and Ms. Thresher. At the time of the execution of the merger agreement, Mr. Hesslink entered into a new employment agreement with Community Bank System that will supersede his existing employment agreement with Merchants effective upon the closing of the Merger. Ms. Thresher remains subject to her employment agreement with Merchants. For Mr. Hesslink, the table presents the terms of his new employment agreement with Community Bank System and assumes he will not be terminated and will be employed by Community Bank System following the closing of the merger. For Ms. Thresher, it is assumed that she is terminated without cause or resigns for good reason immediately following the closing of the Merger.

TABLE OF CONTENTS

- Amount equals the total cash severance upon a qualifying termination of employment. The cash severance payment is double-trigger (*i.e.*, it is contingent upon a qualifying termination of employment following the effective time of the Merger). The severance amount will be paid in a lump sum. For purposes of this table, the prorated bonus (1) portion of the severance was calculated based upon target bonus opportunity, and assuming a termination of employment on January 15, 2017. Because the actual termination date is expected to occur on or following the effective time of the Merger, which is expected to occur in late second quarter or early third quarter of 2017, the actual prorated bonus may be less than this amount.
- Amount equals the value of the single-trigger vesting for the unvested equity held by the executive upon the consummation of the Merger. The value is based upon a price per share of \$42.80, which is the average closing price of Merchants stock on NASDAQ over the first five business days following the public announcement of the (2) Merger Agreement. For Ms. Thresher, the amount includes the value of the 2017 Restricted Stock Award awarded in 2017. For a discussion of the treatment of unvested equity and the assumptions with respect to such 2017 Restricted Stock Award, see *Change in Control Equity Acceleration for Executive Officers* and *Retention Incentives for Executive Officers* above.
- Amount equals the signing bonus that Mr. Hesslink will receive from Community Bank System and the cash (3) retention bonus that Ms. Thresher will receive from Community Bank System upon the closing of the Merger. Each such payment will be paid in a lump sum.

Material U.S. Federal Income Tax Consequences of the Merger

The following discussion, subject to the limitations and qualifications described herein, insofar as it presents legal conclusions with respect to matters of U.S. federal income tax law, constitutes the opinion of Goodwin Procter as to the material U.S. federal income tax consequences to U.S. holders of Merchants common stock that exchange their shares of Merchants common stock in the Merger, and is based on, and subject to, the Code, the Treasury regulations promulgated under the Code, existing interpretations, court decisions, and administrative rulings, all of which are in effect as of the date of this proxy statement/prospectus, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of the discussion.

This summary only addresses the material U.S. federal income tax consequences of the Merger to the Merchants stockholders that hold Merchants common stock as a capital asset within the meaning of Section 1221 of the Code.

This summary does not address all aspects of U.S. federal income taxation that may be applicable to Merchants stockholders in light of their particular circumstances or to Merchants stockholders subject to special treatment under U.S. federal income tax law, such as:

- stockholders who are not U.S. holders;
- pass-through entities or investors in pass-through entities;
- financial institutions;
- insurance companies;
- tax-exempt organizations;
- brokers, banks or dealers in securities or currencies;
- traders in securities that elect to use a mark-to-market method of accounting;
- persons whose functional currency is not the U.S. dollar;
- persons who purchased or sell their shares of Merchants common stock as part of a wash sale;
- stockholders who hold their shares of Merchants common stock as part of a hedge, straddle, constructive sale or conversion transaction; and
- stockholders who acquired their shares of Merchants common stock pursuant to the exercise of employee stock options or otherwise acquired shares as compensation or through a tax-qualified retirement plan.

TABLE OF CONTENTS

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the Merger, nor does it address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010.

U.S. Holders

For purposes of this summary, the term "U.S. holder" means a beneficial holder of Merchants common stock that is:

a citizen or resident of the U.S.; or
a corporation (including any entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the U.S. or any of its political subdivisions; or
an estate that is subject to U.S. federal income tax on its income regardless of its source.

If a partnership (including any entity or arrangement, domestic or foreign, that is treated as a partnership for U.S. federal income tax purposes) holds Merchants common stock, the tax treatment of a partner will generally depend on the status of the partners and the activities of the partnership. Partnerships and partners in such a partnership should consult their tax advisers about the tax consequences of the Merger to them.

The Merger

It is a condition to Merchants' obligation to complete the Merger that Merchants receive an opinion from Goodwin Procter, dated as of the closing date of the Merger, to the effect that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code. It is a condition to Community Bank System's obligation to complete the Merger that Community Bank System receive an opinion from Cadwalader, dated as of the closing date of the Merger, to the effect that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code. In addition, in connection with the filing of the registration statement of which this document is a part, Goodwin Procter has delivered an opinion to Merchants to the same effect as the opinion described above. These opinions will be based on representation letters provided by Merchants and Community Bank System and on customary factual assumptions. None of the opinions described above will be binding on the Internal Revenue Service. Merchants and Community Bank System have not sought and will not seek any ruling from the Internal Revenue Service regarding any matters relating to the Merger, and as a result, there can be no assurance that the Internal Revenue Service will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth below. In addition, if any of the representations or assumptions upon which those opinions are based are inconsistent with the actual facts, the United States federal income tax consequences of the Merger could be adversely affected. Based on factual representations contained in the representation letters provided by Merchants and Community Bank System, and on certain customary factual assumptions, all of which representations and assumptions must continue to be true and accurate as of the effective time of the Merger, in the opinion of Goodwin Procter, the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code.

The tax consequences of the Merger to a U.S. holder of Merchants common stock will generally depend upon the form of consideration such U.S. holder receives in the Merger.

Exchange for Solely Community Bank System Common Stock. Pursuant to the Merger Agreement, upon exchanging all of your shares of Merchants common stock for solely Community Bank System common stock (and cash instead of fractional shares of Community Bank System common stock), you will generally not recognize gain or loss, except with respect to cash received instead of fractional shares of Community Bank System common stock (see "Cash Instead of Fractional Shares" below).

Exchange for Solely Cash. Pursuant to the Merger Agreement, upon exchanging all of your shares of Merchants common stock for solely cash, you will generally recognize gain or loss equal to the difference between the amount of cash you receive and your cost basis in your Merchants common stock.

Exchange for Community Bank System Common Stock and Cash. Pursuant to the Merger Agreement, upon exchanging all of your shares of Merchants common stock for a combination of Community Bank System common stock and cash, you will generally recognize gain (but not loss) in an amount equal to the lesser of: (1) the amount of cash treated as received in exchange for Merchants common stock in the Merger

TABLE OF CONTENTS

(excluding any cash received in lieu of fractional shares of Community Bank System common stock); and (2) the excess, if any, of (a) the sum of the amount of cash treated as received in exchange for Merchants common stock in the Merger (excluding any cash received in lieu of fractional shares of Community Bank System common stock) plus the fair market value of Community Bank System common stock (including the fair market value of any fractional share) received in the Merger, over (b) your cost basis in the Merchants common stock exchanged. If you acquired different blocks of Merchants common stock at different times or at different prices, you should consult your individual tax advisor regarding the manner in which gain or loss should be determined.

Except as described in the section entitled Dividend Treatment below, any recognized gain will generally be long-term capital gain if, as of the effective date of the Merger, your holding period with respect to the surrendered Merchants common stock exceeds one year. The aggregate tax basis of the Community Bank System common stock you receive as a result of the Merger (including any fractional shares of Community Bank System common stock deemed received) will be the same as your aggregate tax basis in Merchants common stock you surrender in the Merger, decreased by the amount of cash you receive that is treated as received in exchange for Merchants common stock (excluding any cash received in lieu of a fractional share of Community Bank System common stock) and increased by the amount of gain, if any, you recognize in the exchange (excluding any gain resulting from cash received in lieu of a fractional share of Community Bank System common stock). The holding period of the Community Bank System common stock you receive as a result of the exchange will include the holding period of Merchants common stock you surrendered in the Merger.

Cash Instead of Fractional Shares. If you receive cash in the Merger instead of a fractional share interest in Community Bank System common stock, you will be treated as having received such fractional share in the Merger, and then as having received cash in exchange for such fractional share. Gain or loss would be recognized in an amount equal to the difference between the amount of cash received and your adjusted tax basis allocable to such fractional share. Except as described in the section entitled Dividend Treatment below, this gain or loss will generally be a capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the Merger, you have held your shares of Merchants common stock for more than one year.

Dividend Treatment. There are certain circumstances in which all or part of the gain you recognize will be treated as a dividend rather than as capital gains. In general, this determination depends upon whether, and to what extent, the Merger reduces your deemed percentage share ownership interest in Community Bank System. Because the possibility of dividend treatment depends primarily upon your particular circumstances, including the application of certain constructive ownership rules, you should consult your own tax advisor regarding the potential tax consequences of the Merger to you.

Backup Withholding and Information Reporting

In general, information reporting requirements may apply to the cash payments made to a U.S. holder in connection with the Merger, unless an exemption applies. Backup withholding may be imposed on the above payments if a U.S. holder (1) fails to provide a taxpayer identification number or appropriate certificates or (2) otherwise fails to comply with all applicable requirements of the backup withholding rules.

Any amounts withheld from payments to a U.S. holder under the backup withholding rules are not an additional tax and will be allowed as a refund or credit against the U.S. holder's applicable U.S. federal income tax liability, provided the required information is furnished to the IRS. U.S. holders should consult their own tax advisors regarding the application of backup withholding based on their particular circumstances and the availability and procedure for obtaining an exemption from backup withholding.

The foregoing discussion is for general information purposes only and is not intended to be a complete analysis or description of all potential U.S. federal income tax consequences of the Merger. The discussion does not address tax consequences which may vary with, or are contingent on, your individual circumstances. Moreover, the discussion does not address any non-income tax or any foreign, state or local tax consequences of the Merger. Accordingly, you are strongly encouraged to consult with your own tax advisor as to the tax consequences of the Merger in your particular circumstances, including the applicability and effect of the unearned income Medicare contribution tax pursuant to the

TABLE OF CONTENTS

Health Care and Education Reconciliation Act of 2010, the alternative minimum tax and any state, local or foreign and other tax laws and of changes in those laws.

Accounting Treatment of the Merger

The Merger will be accounted for as a business combination, as that term is used under generally accepted accounting principles, for accounting and financial reporting purposes, with Community Bank System treated as the acquirer.

Under the acquisition method of accounting, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Merchants as of the effective time of the Merger will be recorded at their respective fair values and added to those of Community Bank System. Any excess of purchase price over the fair values is recorded as goodwill. Consolidated financial statements of Community Bank System issued after the Merger would reflect these fair values and would not be restated retroactively to reflect the historical financial position or results of operations of Merchants.

Restrictions on Sales of Community Bank System Common Stock by Certain Affiliates

The shares of Community Bank System common stock to be issued in the Merger will be freely transferable under the Securities Act, except for shares issued to any stockholder who is an affiliate of Community Bank System as defined by Rule 144 under the Securities Act. Affiliates consist of individuals or entities that control, are controlled by, or are under common control with Community Bank System and include the executive officers and directors of Community Bank System and may include significant stockholders of Community Bank System.

New York Stock Exchange Listing

Community Bank System has agreed to make an application to list the shares of its common stock to be issued in the Merger on the NYSE. The stock must be authorized for listing on the NYSE, subject to official notice of issuance, for the Merger to be completed.

Regulatory Approvals and Notices for the Merger

Pursuant the Merger Agreement, Community Bank System will submit applications for all necessary regulatory approvals and will give all requisite notices to governmental agencies regarding both the Merger and the Bank Merger. Certain approvals must be obtained from, or other filings made with, various bank regulatory and other authorities, including the OCC, the Federal Reserve Board, and state banking regulators.

The closing of the Merger is conditioned upon the receipt of all approvals of regulatory authorities required for the Merger and the Bank Merger, the expiration of all notice periods and waiting periods after the grant of regulatory approvals, and the satisfaction of all conditions contained in any regulatory approvals or consents.

The Comptroller of the Currency. The Bank Merger is subject to approval by the OCC. Community Bank filed an application on December 7, 2016. Following the OCC approval, the Bank Merger Act imposes a waiting period of up to 30 days after the OCC approval in order to permit the United States Department of Justice to file any objections to the Bank Merger under the federal antitrust laws. This waiting period may be reduced to 15 days if the Department of Justice has not provided any adverse comments relating to the competitive factors of the transaction, which the parties

expect to occur.

Federal Reserve Board. The Federal Reserve Board is Community Bank System's primary federal banking regulator. The Merger is subject to approval by the Federal Reserve Board. Community Bank System filed an application with the Federal Reserve Board on December 7, 2016 requesting approval of the Merger. In determining whether to approve the proposed transaction, the Federal Reserve Board will consider factors such as financial and managerial resources, future prospects, the convenience and needs to the community and competitive factors.

You should be aware that any governmental agency approval issued:

reflects only the agency's views that the transaction does not contravene applicable competitive standards imposed by law and is consistent with regulatory requirements and policies; and

is not an endorsement of or recommendation for the transaction.

Appraisal or Dissenters Rights

Holders of shares of Merchants common stock who meet certain requirements are entitled to seek appraisal rights.

Under Section 262 of the Delaware General Corporation Law, or the DGCL, holders of shares of Merchants common stock who do not vote in favor of the adoption of the Merger Agreement and who otherwise follow the procedures set forth in Section 262 of the DGCL (which we refer to as Section 262) will be entitled to have their shares appraised by the Delaware Court of Chancery and to receive payment in cash for the fair value of the shares, exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, determined as described below.

Failure to follow precisely any of the statutory requirements could result in the loss of your appraisal rights.

The following discussion is not a complete statement of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262, which is attached to this Proxy Statement/Prospectus as **Annex C**. The following summary does not constitute any legal or other advice nor does it constitute a recommendation that

Merchants stockholders exercise their appraisal rights under Section 262. Only a holder of record of shares of Merchants common stock is entitled to demand appraisal of the shares registered in that holder's name. A person having a beneficial interest in shares of common stock of Merchants held of record in the name of another person, such as a broker, fiduciary, depositary or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights. If you hold your shares of Merchants common stock through a broker, bank or other nominee and you wish to exercise appraisal rights, you should consult with your broker, bank or other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.

Under Section 262, where a merger agreement is to be submitted for adoption at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders as of the record date that appraisal rights are available, and must include in the notice a copy of Section 262. This Proxy Statement/Prospectus shall constitute such notice, and the full text of Section 262 is attached to this Proxy Statement/Prospectus as **Annex C**. In connection with the Merger, any holder of shares of Merchants common stock who wishes to exercise appraisal rights, or who wishes to preserve such holder's right to do so, should review the following discussion and **Annex C** carefully because failure to timely and properly comply with the procedures specified may result in the loss of appraisal rights. In addition, because of the complexity of the procedures for exercising the right to seek appraisal of shares of common stock, Merchants believes that if a stockholder is considering exercising such rights such stockholder should consider seeking legal and financial advice.

Filing Written Demand

Any holder of shares of Merchants common stock wishing to exercise appraisal rights must deliver to Merchants, before the vote on the adoption of the Merger Agreement at the Merchants special meeting, a written demand for the appraisal of the stockholder's shares, and that stockholder must not vote in favor of the adoption of the Merger Agreement. A holder of shares of Merchants common stock wishing to exercise appraisal rights must hold the shares of record on the date the written demand for appraisal is made and must continue to hold the shares of record through the effective time of the Merger. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the adoption of the Merger Agreement, and will constitute a waiver of the stockholder's right of appraisal and nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must submit a proxy containing instructions to vote

against the adoption of the Merger Agreement or abstain from voting on the adoption of the Merger Agreement. Voting against the adoption of the Merger Agreement or abstaining from voting or failing to vote on the proposal to adopt the Merger Agreement will not by itself constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on the adoption of the Merger Agreement. The demand must reasonably inform Merchants of the identity of the holder, as well as the intention of the holder to demand an

TABLE OF CONTENTS

appraisal of the fair value of the shares held by the holder. A stockholder's failure to deliver the written demand prior to the taking of the vote on the adoption of the Merger Agreement at the Merchants special meeting will constitute a waiver of appraisal rights.

Only a holder of record of shares of Merchants common stock is entitled to demand appraisal rights for the shares registered in that holder's name. A demand for appraisal in respect of shares of Merchants common stock should be executed by or on behalf of the holder of record. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of the demand should be made in that capacity, and if the shares are owned of record by more than one person, as in a joint tenancy and tenancy in common, the demand should be executed by or on behalf of all joint owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder of record; however, the agent must identify the record owner or owners and expressly disclose that, in executing the demand, the agent is acting as agent for the record owner or owners.

Stockholders who hold their shares in bank, brokerage accounts or other nominee forms and who wish to exercise appraisal rights are urged to consult with their bank, broker or other nominee to determine the appropriate procedures for the making of a demand for appraisal by such nominee.

All written demands for appraisal pursuant to Section 262 should be delivered to the Corporate Secretary of Merchants at Merchants Bancshares, Inc., 275 Kennedy Drive, South Burlington, Vermont 05403.

Any holder of shares of Merchants common stock who has not commenced an appraisal proceeding or joined such proceeding as a named party may withdraw his, her or its demand for appraisal and accept the consideration offered pursuant to the Merger Agreement by delivering to the surviving corporation of the Merger a written withdrawal of the demand for appraisal and an acceptance of the Merger; however, any such attempt to withdraw the demand made more than 60 days after the effective date of the Merger will require written approval of the surviving corporation of the Merger. No appraisal proceeding in the Delaware Court of Chancery will be dismissed without the approval of the

Delaware Court of Chancery, and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just; provided, that this restriction will not affect the right of any former Merchants stockholder who has not commenced an appraisal proceeding or joined such proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the merger consideration within 60 days after the effective date of the Merger.

Notice by the Surviving Corporation

If the Merger is completed, within ten days after the effective time of the Merger, the surviving corporation of the Merger will notify each holder of shares of Merchants common stock who has made a written demand for appraisal pursuant to Section 262, and who has not voted in favor of or consented to the adoption of the Merger Agreement, that the Merger has become effective and the effective date thereof.

Filing a Petition for Appraisal

Within 120 days after the effective time of the Merger, but not thereafter, the surviving corporation of the Merger or any holder of shares of Merchants common stock who has so complied with Section 262 and is entitled to appraisal rights under Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all holders who have properly demanded appraisal of their shares. The surviving corporation of the Merger is under no obligation to file a petition or initiate any negotiations with respect to the fair value of shares of Merchants common stock. Community Bank System, which will be the surviving corporation of the Merger, has no present intention to, and holders of Merchants common stock should assume that Community Bank

System will not, file a petition or initiate any negotiations with respect to the fair value of shares of Merchants common stock. Accordingly, any holders of shares of Merchants common stock who desire to have their shares appraised should initiate all necessary action to perfect their appraisal rights in respect of shares of Merchants common stock within the time prescribed in Section 262.

Within 120 days after the effective time of the Merger, any holder of shares of Merchants common stock who has complied with the requirements for exercise of appraisal rights will be entitled, upon written request, to receive from the surviving corporation of the Merger a statement setting forth the aggregate number of shares of Merchants common stock not voted in favor of the adoption of the merger and with respect to which

TABLE OF CONTENTS

demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed to the stockholder within ten days after a written request therefor has been received by the surviving corporation of the Merger or within ten days after the expiration of the period for delivery of demands for appraisal, whichever is later. A beneficial owner of shares held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition seeking appraisal or request the foregoing statement. As noted above, however, the demand for appraisal can only be made by a stockholder of record.

If a petition for an appraisal is timely filed by a holder of shares of Merchants common stock and a copy thereof is served upon the surviving corporation of the Merger, the surviving corporation will then be obligated within 20 days of service to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded appraisal of their shares and with whom agreements as to the value of their shares have not been reached. After notice is provided to the stockholders as required by the court, the Delaware Court of Chancery is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. The Delaware Court of Chancery may require the stockholders who demanded appraisal of their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceeding, and if any stockholder fails to comply with the direction, the Delaware Court of Chancery may dismiss the proceedings as to such stockholder.

Judicial Determination of Fair Value

After determining the holders of shares of Merchants common stock entitled to appraisal, the Delaware Court of Chancery will appraise the fair value of their shares, exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value, the Delaware Court of Chancery will take into account all relevant factors.

Stockholders considering seeking appraisal should be aware that the fair value of their shares as so determined could be more than, the same as or less than the consideration they would receive pursuant to the Merger Agreement if they did not seek appraisal of their shares. Although the parties to the Merger Agreement believe that the merger consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery, and Merchants stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the value of the merger consideration. Stockholders should be aware that an investment banking opinion as to the fairness, from a financial point of view, of the consideration payable in a sale transaction, such as the Merger, is not an opinion as to, and does not otherwise address, fair value under Section 262. Neither Merchants nor Community Bank System anticipate offering more than the merger consideration to any Merchants stockholder exercising appraisal rights, and each of Merchants and Community Bank System reserves the right to assert, in any appraisal proceeding, that for purposes of Section 262, the fair value of a share of Merchants common stock is less than the value of the merger consideration, and that the methods that are generally considered acceptable in the financial community and otherwise admissible in court should be considered in the appraisal proceedings. If a petition for appraisal is not timely filed, then the right to an appraisal will cease. The costs of the action (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and taxed upon the parties as the Delaware Court of Chancery deems equitable under the circumstances. The Delaware Court of Chancery may also order that all or a portion of the expenses incurred by a stockholder in connection with an appraisal, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts utilized in the appraisal proceeding, be charged pro rata against the value of all the shares entitled to be appraised.

Unless the court in its discretion determines otherwise for good cause shown, interest from the effective date of the

Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the Merger and the date of payment of the judgment.

If any stockholder who demands appraisal of shares of Merchants common stock under Section 262 fails to perfect, or successfully withdraws or loses, such holder's right to appraisal, the stockholder's shares of

TABLE OF CONTENTS

Merchants common stock will be deemed to have been converted at the effective time of the Merger into the right to receive the merger consideration applicable to such shares. A stockholder will fail to perfect, or lose or withdraw, the holder's right to appraisal if no petition for appraisal is filed within 120 days after the effective time of the Merger or if the stockholder delivers to the surviving corporation of the Merger a written withdrawal of the holder's demand for appraisal and an acceptance of the merger consideration in accordance with Section 262.

From and after the effective time of the Merger, no dissenting stockholder shall have any rights of a stockholder of Merchants with respect to that holder's shares for any purpose, except to receive payment of fair value and to receive payment of dividends or other distributions on the holder's shares of Merchants common stock, if any, payable to Merchants stockholders of record as of a time prior to the effective time of the Merger; provided, however, that if a dissenting stockholder delivers to the surviving corporation of the Merger a written withdrawal of the demand for an appraisal within 60 days after the effective time of the Merger and acceptance of the Merger, or subsequently with the written approval of the surviving corporation of the Merger, then the right of that dissenting stockholder to an appraisal will cease and the dissenting stockholder will be entitled to receive the merger consideration in accordance with the terms of the Merger Agreement. Once a petition for appraisal is filed with the Delaware Court of Chancery, however, the appraisal proceeding may not be dismissed as to any former Merchants stockholder without the approval of the court, and such approval may be conditioned upon such terms as the court deems just; provided, that such restriction shall not affect the right of any former Merchants stockholder who has not commenced an appraisal proceeding or joined the proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the merger consideration within 60 days after the effective time of the Merger.

Failure to comply strictly with all of the procedures set forth in Section 262 may result in the loss of a stockholder's statutory appraisal rights. Consequently, any Merchants stockholder wishing to exercise appraisal rights is urged to consult legal and financial advisors before attempting to exercise those rights.

THE MERGER AGREEMENT

The following is a summary of the material provisions of the Merger Agreement. This summary is qualified in its entirety by reference to the Merger Agreement, a copy of which is included as Annex A to this Proxy Statement/Prospectus and is incorporated herein by reference. You should read the Merger Agreement carefully and in its entirety, as it is the legal document governing the Merger.

The Merger and the Bank Merger

The boards of directors of Community Bank System and Merchants have each unanimously approved and adopted the Merger Agreement, which provides for the merger of Merchants with and into Community Bank System, with Community Bank System as the surviving company in the Merger.

The Merger Agreement also provides that, unless otherwise determined by Community Bank System in its sole discretion, immediately after the effective time of the Merger, Merchants Bank, a Vermont-based commercial bank and wholly-owned subsidiary of Merchants, will merge with and into Community Bank, a national banking association and wholly-owned subsidiary of Community Bank System, with Community Bank as the surviving bank of such merger. The terms and conditions of the merger of Merchants Bank and Community Bank are set forth in a separate plan of merger and merger agreement, the form of which is attached as Exhibit A to the Merger Agreement, included as **Annex A** to this Proxy Statement/Prospectus. We refer to the merger of Merchants Bank and Community Bank as the Bank Merger.

Closing and Effective Time of the Merger

The closing of the Merger will take place at 10:00 a.m., New York City time, on a date which shall be no later than three business days after the satisfaction or waiver (subject to applicable law) of the latest to occur of the conditions to completion of the Merger (other than those conditions that by their nature can only be satisfied at the closing, but subject to the satisfaction or waiver thereof), unless another date, time or place is agreed to in writing by Community Bank System and Merchants. Simultaneously with the closing of the Merger, Community Bank System and Merchants will file a certificate of merger with the Secretary of State of the State of Delaware. The Merger will become effective at such time as the certificate of merger is filed or such other time as may be specified in the certificate of merger.

We currently expect that the Merger will be completed in late second quarter or early third quarter of 2017, subject to the adoption of the Merger Agreement by Merchants stockholders, regulatory approvals, and other conditions. However, completion of the Merger could be delayed if there is a delay in satisfying any other conditions to the Merger. No assurance is made as to whether, or when, Community Bank System and Merchants will complete the Merger. See Conditions to Completion of the Merger on page 78 of this Proxy Statement/Prospectus.

Board of Directors

At the effective time of the Merger, Community Bank System and Community Bank will each expand the size of its board of directors by two seats and appoint two directors of Merchants to serve on the boards of directors of Community Bank System and Community Bank. The two directors have not been determined yet, but will be mutually agreed upon by Community Bank System and Merchants. Each appointed director will qualify as an

Independent Outside Director under ISS Guidelines and will meet all legal and regulatory requirements for serving on the boards of directors of Community Bank System and Community Bank. With respect to the Community Bank System board of directors, one appointed director will be appointed to the class of directors with terms expiring at the second annual meeting of stockholders occurring after the effective time of the Merger and the other appointed director will be appointed to the class of directors with terms expiring at the third annual meeting of stockholders occurring after the effective time of the Merger.

Merger Consideration

Under the terms of the Merger Agreement, each share of Merchants common stock outstanding immediately prior to the effective time of the Merger (excluding certain shares held by Merchants, Community Bank System and their wholly-owned subsidiaries, which are referred to as excluded shares, and dissenting shares described below) will be converted into the right to receive, at the election of the holder thereof

TABLE OF CONTENTS

(subject to the proration procedures described below): (a) the mixed election consideration, which is a combination of \$12.00 in cash and 0.6741 shares of Community Bank System common stock; (b) the cash election consideration of \$40.00 in cash; or (c) the stock election consideration of 0.9630 shares of Community Bank System common stock.

No fractional shares of Community Bank System common stock will be issued in connection with the Merger.

Instead, each Merchants stockholder who would otherwise receive a fractional share of Community Bank System common stock will receive a cash payment, without interest, equal to: (i) the fractional share amount *multiplied by* (ii) the volume-weighted average trading price per share of Community Bank System common stock on the NYSE during the 20 trading day period ending on and including the third trading day immediately preceding the date of the closing of the Merger.

A Merchants stockholder also has the right to obtain the fair value of his or her shares of Merchants common stock in lieu of receiving the merger consideration by strictly following the appraisal procedures under Section 262 of the DGCL, attached as **Annex C**. Shares of Merchants common stock outstanding immediately prior to the effective time of the Merger and which are held by a stockholder who does not vote to adopt the Merger Agreement and who properly demands the fair value of such shares pursuant to, and who complies with, the appraisal procedures under the DGCL are referred to as dissenting shares. See Proposal I The Merger Appraisal or Dissenters Rights beginning on page 58 of this Proxy Statement/Prospectus.

If Community Bank System or Merchants changes the number of shares of Community Bank System common stock or Merchants common stock outstanding prior to the effective time of the Merger as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or similar recapitalization with respect to the Community Bank System common stock or Merchants common stock and the record date for such corporate action is prior to the effective time of the Merger, then the merger consideration shall be appropriately and proportionately adjusted.

Based upon the closing sale price of the Community Bank System common stock on the NYSE of \$[] on [], the last practicable trading date prior to the printing of this Proxy Statement/Prospectus, the value of the mixed election consideration was approximately \$[].

The value of the shares of Community Bank System common stock to be issued to Merchants stockholders in the Merger will fluctuate between now and the closing date of the Merger. We make no assurances as to whether or when the Merger will be completed, and you are advised to obtain current sale prices for the Community Bank System common stock. See Risk Factors The value of the stock consideration will vary with changes in Community Bank System's stock price on page 15 of this Proxy Statement/Prospectus.

Election and Proration Procedures

Election Materials and Procedures

An election form will be mailed to each holder of record of Merchants common stock as of the close of business on the fifth business day prior to such mailing date (the election form record date), on a date to be mutually agreed by Community Bank System and Merchants that is not more than 45 days nor less than 30 days prior to the anticipated closing date of the Merger or on such other date as Community Bank System and Merchants mutually agree (the mailing date). Community Bank System will make available one or more election forms as may reasonably be requested from time to time by all persons who become holders or beneficial owners of Merchants common stock between the election form record date and the close of business on the business day prior to the 25th day following the

mailing date (the election deadline).

Each election form will permit the holder (or the beneficial owner through appropriate and customary documentation and instructions) to specify (i) the number of shares of such holder's Merchants common stock with respect to which such holder makes a mixed election, (ii) the number of shares of such holder's Merchants common stock with respect to which such holder makes a cash election and (iii) the number of shares of such holder's Merchants common stock with respect to which such holder makes a stock election. Any shares of Merchants common stock with respect to which the exchange agent has not received an effective, properly completed election form accompanied by related stock certificates or book-entry shares on

TABLE OF CONTENTS

or before the election deadline will be deemed to be no election shares, and the holders of such no election shares will be deemed to have made a mixed election with respect to such no election shares.

Any election form may be revoked or changed by the authorized person properly submitting such election form, by written notice received by the exchange agent prior to the election deadline. In the event an election form is revoked prior to the election deadline, the shares of Merchants common stock represented by such election form will become no election shares, except to the extent a subsequent election is properly made with respect to any or all of such shares of Merchants common stock prior to the election deadline. Subject to the terms of the Merger Agreement and the election form, the exchange agent will have reasonable discretion to determine whether any election, revocation or change has been properly or timely made and to disregard immaterial defects in the election forms, and any good faith decisions of the exchange agent regarding such matters shall be binding and conclusive. None of Community Bank System, Merchants or the exchange agent shall be under any obligation to notify any person of any defect in an election form.

Proration Procedures

A stockholder's ability to elect to receive cash or shares of Community Bank System stock in exchange for shares of Merchants common stock in the Merger is subject to proration procedures set forth in the Merger Agreement. These procedures are designed to ensure that the total amount of cash paid, and the total number of shares of Community Bank System common stock issued, in the Merger to the holders of shares of Merchants common stock, as a whole, will equal as nearly as practicable the total amount of cash and number of shares that would have been paid and issued if all shares of Merchants common stock were converted into the mixed election consideration.

Whether you receive the amount of cash and/or stock you request in your election form will depend in part on the elections of other Merchants stockholders. You may not receive the form of consideration that you elect in the Merger, and you may instead receive a pro-rata amount of cash and/or Community Bank System common stock.

The greater the oversubscription of the stock election, the less stock and more cash a Merchants stockholder making the stock election will receive. Reciprocally, the greater the oversubscription of the cash election, the less cash and more stock a Merchants stockholder making the cash election will receive. However, in no event will a Merchants stockholder who makes the cash election or the stock election receive less cash and more shares of Community Bank System common stock, or fewer shares of Community Bank System common stock and more cash, respectively, than a stockholder who makes the mixed election.

Set forth below are illustrative examples of how the proration and adjustment procedures will work in the event there is an oversubscription of the cash election or the stock election.

Example A Proration if Too Many Merchants Stockholders Elect to Receive All Cash. For purposes of this example, assume the following:

There are 6,883,644 outstanding shares of Merchants common stock.

Merchants stockholders make a mixed election with respect to 688,364 shares (or 10%) of Merchants common stock. Merchants stockholders make a cash election with respect to 3,441,822 shares (or 50%) of Merchants common stock. Merchants stockholders make a stock election with respect to the remaining 2,753,458 shares (or 40%) of Merchants common stock.

There are no shares of Merchants common stock outstanding subject to vesting or forfeiture restrictions, and no dissenting shares.

You hold 1,000 shares of Merchants common stock and have made an effective cash election with respect to those shares. In this example, proration would be required with respect to the Merchants stockholders who made a cash election.

64

TABLE OF CONTENTS

Step 1. Derive the cash election amount. The cash election amount equals the number of shares with respect to which cash elections have been made *multiplied* by the cash election consideration of \$40.00.

In this example, the cash election amount is calculated as follows:

$$3,441,822 * \$40.00 = \$137,672,880.00$$

Step 2. Derive the available cash election amount. The available cash election amount equals (a) the product of \$12.00 *multiplied* by the total number of shares of Merchants common stock issued and outstanding immediately prior to the effective time of the Merger, *minus* (b) the product of the total number of shares with respect to which a mixed election has been made *multiplied* by \$12.00, *minus* (c) the product of the total number of dissenting shares and shares of Merchants common stock subject to vesting or forfeiture restrictions as of immediately prior to the effective time of the Merger *multiplied* by the value of the mixed election consideration. The value of the mixed election consideration is equal to the sum of (i) \$12.00 and (ii) the product of (a) 0.6741 and (b) the volume-weighted average trading price of Community Bank System common stock on the NYSE during the 20 trading day period ending on and including the third trading day immediately preceding the effective date of the Merger.

In this example, the available cash election amount is calculated as follows:

$$(6,883,644 * \$12.00) - (688,364 * \$12.00) = \$74,343,360.00$$

Step 3. Determine the pro rata cash consideration to be received by each share of Merchants common stock with respect to which a cash election is made. The pro rata cash consideration is calculated by multiplying \$40.00 by a fraction, the numerator of which is the available cash election amount and the denominator of which is the cash election amount (such fraction, the cash fraction).

In this example, the pro rata cash consideration is calculated as follows:

$$\begin{aligned} & \$40.00 * \\ & \$74,343,360.00 \\ & \$137,672,880.00 \\ & = \$40.00 * 0.54 = \$21.60 \end{aligned}$$

Step 4. Determine the pro rata stock consideration to be received by each share of Merchants common stock with respect to which a cash election is made. The pro rata stock consideration is a number of shares of Community Bank System common stock equal to the stock election consideration of 0.9630 *multiplied* by one minus the cash fraction.

In this example, the pro rata stock consideration is calculated as follows:

$$0.9630 * (1 - 0.54) = 0.4430$$

Thus, in this example, if you own 1,000 shares of Merchants common stock and make a cash election with respect to those shares, you would receive:

\$21,600 in cash; and

443 shares of Community Bank System common stock.

Example B Proration if Too Many Merchants Stockholders Elect to Receive All Stock. For purposes of this example, assume the following:

There are 6,883,644 outstanding shares of Merchants common stock.

Merchants stockholders make the mixed election with respect to 688,364 shares (or 10%) of Merchants common stock.

Merchants stockholders make the cash election with respect to 688,364 shares (or 10%) of Merchants common stock.

Merchants stockholders make the stock election with respect to the remaining 5,506,915 shares (or 80%) of Merchants common stock.

65

TABLE OF CONTENTS

There are no shares of Merchants common stock outstanding subject to vesting or forfeiture restrictions, and no dissenting shares.

You hold 1,000 shares of Merchants common stock and have made an effective stock election with respect to those shares. In this example, proration would be required with respect to the Merchants stockholders who made a stock election.

Step 1. Derive the cash election amount. In this example, the cash election amount is calculated as follows:

$$688,364 * \$40.00 = \$27,534,560.00$$

Step 2. Derive the available cash election amount. In this example, the available cash election amount is calculated as follows:

$$(6,883,644 * \$12.00) - (688,364 * \$12.00) = \$74,343,360.00$$

Step 3. Determine the pro rata cash consideration to be received by each share of Merchants common stock with respect to which a stock election is made. The pro rata cash consideration is calculated by dividing the difference between the available cash election amount and the cash election amount by the number of Merchants shares with respect to which a stock election was made.

In this example, the pro rata cash consideration is calculated as follows:

$$\$74,343,360.00 - \$27,534,560.00$$

$$5,506,915$$

$$= \$8.50$$

Step 4. Determine the pro rata stock consideration to be received by each share of Merchants common stock with respect to which a stock election is made. The pro rata stock consideration is a number of shares of Community Bank System common stock equal to the stock election consideration of 0.9630 *multiplied by* a fraction, the numerator of which is the difference between the cash election consideration of \$40.00, and \$8.50 (the cash amount calculated in Step 3), and the denominator of which is the cash election consideration of \$40.00.

In this example, the pro rata stock consideration is calculated as follows:

$$0.9630 * (\$40.00 - \$8.50)$$

$$\$40.00$$

$$= 0.7584$$

Thus, in this example, if you own 1,000 shares of Merchants common stock and make a stock election with respect to those shares, you would receive:

\$8,500 in cash; and

758 shares of Community Bank System common stock, plus cash in lieu of the additional 0.4 fractional share.

No Recommendation Regarding Elections

Neither Merchants nor Community Bank System is making any recommendation as to which merger consideration election a Merchants stockholder should make. If you are a Merchants stockholder, you must make your own decision with respect to these elections and may wish to seek the advice of your own attorneys or accountants.

Information About the Merger Consideration Elections

The mix of consideration payable to Merchants stockholders who make the cash election or the stock election will not be known until the results of the elections made by Merchants stockholders are tallied, which will not occur until near or after the closing of the Merger.

TABLE OF CONTENTS

Procedures for Converting Shares of Merchants Common Stock into Merger Consideration

Exchange Agent

Prior to the effective time of the Merger, Community Bank System will designate a bank or trust company that is reasonably acceptable to Merchants to act as the exchange agent in connection with the Merger (such agent is referred to in this Proxy Statement/Prospectus as the exchange agent). The exchange agent shall also act as the agent for Merchants stockholders for the purpose of receiving and holding their election forms and Merchants certificates and book-entry shares and shall obtain no rights or interests in the shares represented thereby. At or prior to the closing of the Merger, Community Bank System will deposit, or cause to be deposited, with the exchange agent the aggregate amount of cash and number of shares of Community Bank System common stock necessary to satisfy the aggregate merger consideration payable, and any dividends or other distributions with respect thereto.

Transmittal Materials and Procedures

Promptly (but not more than five business days) after the effective time of the Merger, Community Bank System will cause the exchange agent to send transmittal materials, which will include the appropriate form of letter of transmittal, to holders of record of shares of Merchants common stock (other than excluded shares and dissenting shares) providing instructions on how to effect the transfer and cancellation of shares of Merchants common stock in exchange for merger consideration.

After the effective time of the Merger, when a Merchants stockholder delivers a properly executed letter of transmittal and any other documents as may reasonably be required by the exchange agent, the holder of shares of Merchants common stock will be entitled to receive (i) the number of shares of Community Bank System common stock and an amount in cash that such holder is entitled to receive as a result of the Merger (after taking into account all of the shares of Merchants common stock held immediately prior to the Merger by such holder, and such holder's merger consideration election) and (ii) any cash in lieu of fractional shares and in respect of dividends or other distributions to which the holder is entitled.

No interest will be paid or accrued on any amount payable upon cancellation of shares of Merchants common stock. The shares of Community Bank System common stock issued and cash amount paid in accordance with the Merger Agreement upon conversion of the shares of Merchants common stock (including any cash paid in lieu of fractional shares) will be deemed to have been issued and paid in full satisfaction of all rights pertaining to the shares of Merchants common stock.

If any portion of the merger consideration is to be delivered to a person or entity other than the holder in whose name any surrendered certificate is registered, it will be a condition of such exchange that (i) the certificate surrendered must be properly endorsed or must be otherwise in proper form for transfer and (ii) the person or entity requesting such payment pays any transfer or other similar taxes required by reason of the payment of the merger consideration to a person or entity other than the registered holder of the certificate surrendered or will establish to the satisfaction of Community Bank System that such tax has been paid or is not required to be paid. Payment of the applicable merger consideration with respect to book-entry shares will only be made to the person or entity in whose name such book-entry shares are registered. The shares of Community Bank System common stock constituting the stock portion of the merger consideration may be in uncertificated book-entry form, unless a physical certificate is otherwise required by any applicable law.

Treatment of Merchants Equity Awards and Warrants

Each Merchants stock option outstanding and unexercised immediately prior to the effective time of the Merger, whether or not vested or exercisable, will be cancelled and automatically converted into the right to receive a cash amount equal to the aggregate number of Merchants shares subject to such option *multiplied by* the excess of the value of the mixed election consideration over the exercise price of such option. The value of the mixed election consideration is equal to the sum of (i) \$12.00 and (ii) the product of (a) 0.6741 and (b) the volume-weighted average trading price of Community Bank System common stock on the NYSE during the 20 trading day period ending on and including the third trading day immediately preceding the effective date of the Merger.

Each share of Merchants common stock subject to vesting or forfeiture restrictions and granted under any Merchants benefit plan that is outstanding immediately prior to the effective time, whether or not vested, will

TABLE OF CONTENTS

automatically vest in full, and any restrictions thereon will lapse, and such Merchants restricted share shall be canceled and converted into the right to receive an amount of cash equal to the value of the mixed election consideration plus dividends, if any, accrued but unpaid as of the effective time with respect to such restricted share.

Each organizers' warrant to purchase Merchants common stock outstanding as of the effective time will be converted at the effective time into a warrant to acquire, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, the number of shares of Community Bank System common stock determined by *multiplying* (i) the number of shares of Merchants common stock which may be acquired upon exercise of such organizers' warrant immediately prior to the effective time by (ii) the stock election consideration of 0.9630.

Each 2013 warrant to purchase Merchants common stock outstanding as of the effective time will be converted into the right to receive, at the holder's election, either (i) a cash payment in cancellation of such 2013 warrant equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant *multiplied* by the excess, if any, of the cash election consideration of \$40.00 over the per share 2013 warrant exercise price immediately prior to the effective time or (ii) a replacement 2013 warrant certificate issued by Community Bank System and representing the right to acquire prior to the expiration date of the original 2013 warrant, upon payment of the amount determined by dividing the per share exercise price immediately prior to the effective time by the stock election consideration of 0.9630, that number of shares of Community Bank System common stock equal to the number of shares of Merchants common stock which may be acquired upon exercise of such 2013 warrant immediately prior to the effective time *multiplied* by the stock election consideration of 0.9630.

Conduct of Business Pending the Merger

Pursuant to the Merger Agreement, Merchants agreed to certain restrictions on its activities until the effective time of the Merger. In general, Merchants has agreed that, except as otherwise permitted by the Merger Agreement, or as required by applicable law, it will:

- conduct its business in the ordinary course consistent with past practice;
- use commercially reasonable efforts to maintain and preserve intact its business organization, employees and advantageous business relationships; and
- maintain its books, accounts and records in the usual manner on a basis consistent with that previously employed.

Each of Merchants and Community Bank System have agreed to take no action that would adversely affect or materially delay the receipt of regulatory or governmental approvals required for the transactions contemplated by the Merger Agreement, the timing of the effectiveness of the Registration Statement of which this Proxy Statement/Prospectus is a part, or to perform its covenants and agreements or to consummate the transactions contemplated by the Merger Agreement.

Community Bank System has agreed that except as otherwise permitted by the Merger Agreement or as required by applicable law, it will not (i) amend any provision of its organizational documents in a manner that would adversely affect the economic benefits of the Merger to the stockholders of Merchants or the consummation of the transactions contemplated by the Merger Agreement or (ii) take any action or knowingly fail to take any action where such action or failure to act would reasonably be expected to prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

Merchants has also agreed that except as otherwise permitted by the Merger Agreement, as required by applicable law, or with the prior written consent of Community Bank System (not to be unreasonably withheld, conditioned or

delayed) it will not:

amend or propose to amend its organizational documents or any resolution or agreement concerning indemnification of its directors or officers;

adjust, split, combine, subdivide or reclassify any capital stock;

Regulatory Matters

This Proxy Statement/Prospectus forms part of a Registration Statement on Form S-4 which Community Bank System has filed with the SEC. Each of Community Bank System and Merchants has agreed to use reasonable best efforts to have the Registration Statement declared effective as promptly as practicable after its filing and to keep the Registration Statement effective for as long as necessary to consummate the transactions contemplated by the Merger Agreement. Each of Community Bank System and Merchants has agreed to furnish the other with all information concerning themselves, their subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with this Proxy Statement/Prospectus, the Registration Statement or any other statement, filing, notice or application made by or on behalf of either party or any of their respective subsidiaries to any governmental authority in connection with the Merger, the Bank Merger and the other transactions contemplated by the Merger Agreement.

Community Bank System has agreed to use its reasonable best efforts to obtain all necessary state securities law or blue sky permits and approvals required to carry out the transactions contemplated by the Merger Agreement, and Merchants has agreed to furnish all information concerning it and the holders of its capital stock as may be reasonably requested in connection with any such action.

Community Bank System and Merchants have agreed to use all respective reasonable best efforts to take, or cause to be taken, in good faith, all actions and to do, or cause to be done, all things necessary, proper, or advisable under applicable laws, to permit the consummation of the Merger as promptly as practicable.

Community Bank System and Merchants each have the right to review and consult in advance on all the information relating to such party which appears in any filing made with, or written materials submitted to, any third party or any governmental authority in connection with the transactions contemplated by the Merger Agreement, provided that each party has agreed to act reasonably and promptly in exercising the foregoing right. Community Bank System and

Merchants will consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties and governmental authorities necessary

or advisable to consummate the transactions contemplated by the Merger Agreement, and each party will keep the other apprised of the status of matters relating to the completion of the transactions contemplated by the Merger Agreement. Each of Community Bank System and Merchants has agreed to consult with the other in advance of any meeting or conference with any governmental authority with respect to the transactions contemplated by the Merger Agreement and, to the extent permitted by such governmental authority, Merchants will give Community Bank System and/or its counsel the opportunity to attend and participate in such meetings and conferences.

Additionally, each of Community Bank System and Merchants has agreed to cooperate fully with and furnish information to the other party, and obtain all consents of, and give all notices to and make all filings with, all governmental authorities and other third parties that may be or become necessary for the performance of its obligations under the Merger Agreement and the consummation of the other transactions contemplated by the Merger Agreement. Further, to the extent permitted by applicable law, each of Community Bank System and Merchants has agreed to promptly advise the other upon receiving any communication, whether in writing or oral, from any governmental authority whose consent is required for consummation of the transactions contemplated by the Merger Agreement that causes such party to believe that there is a reasonable likelihood that any required approval will not be obtained or that the receipt of any approval will be materially delayed.

Further, each of Community Bank System and Merchants has agreed to use its reasonable best efforts to avoid the entry of, or to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order by a governmental authority that would restrain, prevent or delay the closing of the Merger.

In connection with seeking regulatory approval for the Merger, neither Community Bank System nor any of its subsidiaries is required take, or agree to take, any actions, or to accept any restriction, requirement or condition, that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on Community Bank System, Merchants and their respective subsidiaries, taken as a whole, or prohibit or materially limit the ownership or operation by Merchants or any of its subsidiaries, or Community Bank System or any of its subsidiaries, of all or any material portion of the business or assets of Merchants and its subsidiaries or Community Bank System and its subsidiaries, in each case taken as a whole, or compel Community Bank System or any of its subsidiaries to dispose of or hold separate all or any material portion of the business or assets of Merchants and its subsidiaries or Community Bank System and its subsidiaries, in each case taken as a whole.

paid by continuing employees in the calendar year in which the effective time of the Merger occurs. Further, during the 12 months after the effective date of the Merger, Community Bank will make available to continuing employees and their dependents employer-provided health coverage under Merchants plans or on the same basis as Community Bank provides such coverage to similarly situated employees of Community Bank and its Subsidiaries, and Community Bank will provide COBRA coverage to former Merchants employees.

Community Bank will honor employment agreements and severance arrangements of Merchants specified in a disclosure schedule to the Merger Agreement, except to the extent such arrangements are superseded or terminated as of or following the effective time of the Merger. In the event the employment of a continuing employee without an individual agreement is terminated without cause during a specified period following the effective time of the Merger, Community Bank will provide certain severance benefits based on length of service. Community Bank will honor the terms and obligations of Merchants director deferred compensation plans, unless such plans are terminated prior to the effective time of the Merger by mutual agreement of Merchants and Community Bank. Upon the request of Community Bank, prior to the effective time of the Merger Merchants will terminate, continue or merge its benefit plans, other than employment agreements and severance arrangements specified in a disclosure schedule to the Merger Agreement and its director deferred compensation plans.

The Merger Agreement does not amend or modify any benefit plan or limit the rights of Community Bank to amend, terminate or otherwise modify any benefit plan.

Indemnification and Directors and Officers Insurance

From and after the effective time of the Merger, Community Bank System has agreed to indemnify and hold harmless the present and former directors, officers and employees of Merchants and its subsidiaries against any costs or expenses, judgments, settlements effected with the prior written consent of Community Bank System, fines, losses, taxes, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation arising before or after the effective time of the Merger, arising in whole or in part out of, or pertaining to the fact that such person is or was a director, officer or employee of Merchants or its subsidiaries, or otherwise in connection with any action taken or not taken at the request of Merchants or its subsidiaries or is or was serving at the request of Merchants or its subsidiaries as a director, officer employee, agent, trustee or fiduciary of another person and pertaining to matters, acts or omissions existing or occurring at or prior to the effective time of the Merger, including matters, acts or omissions occurring in connection with the approval of the Merger Agreement and the transactions contemplated thereby, to the fullest extent permitted by applicable law. Community Bank System has also agreed to advance expenses as incurred by any indemnified party to the fullest extent permitted by applicable law within 30 days after a written request setting forth such expenses in reasonable detail, provided that such indemnified party to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately decided that such indemnified party is not entitled to indemnification.

For a period of six years after the effective time of the Merger, Community Bank System will cause to be maintained in effect the current policies of directors and officers liability insurance maintained by Merchants with respect to claims against them arising from matters, acts or omissions occurring at or before the effective time of the Merger (including the transactions contemplated by the Merger Agreement). Community Bank System will not be obligated to expend, on an annual basis, an amount in excess of 300% of the current annual premium paid as of the date of the Merger Agreement by Merchants for such directors and officers liability insurance (the premium cap) and if such premiums at any time exceed the premium cap, then Community Bank System shall cause to be maintained policies of insurance which will provide the maximum coverage available at an annual premium equal to the premium cap. In lieu of the foregoing, Merchants in consultation with Community Bank System may obtain at or prior to the effective

time a substitute policy for a price that in the aggregate does not exceed the premium cap.

No Solicitation

Merchants has agreed that it will not, and will cause its subsidiaries and its subsidiaries directors, officers, employees and representatives and affiliates not to, directly or indirectly: (i) initiate, solicit, knowingly encourage or knowingly facilitate inquiries or proposals with respect to, (ii) continue, engage or

TABLE OF CONTENTS

participate in any negotiations concerning, (iii) provide to any person any confidential or nonpublic information or data or have or participate in any discussions with any person relating to, or (iv) approve, recommend, agree to or accept, any acquisition proposal.

An acquisition proposal is defined as any offer, proposal or inquiry relating to, or any third party indication of interest in, (i) any acquisition or purchase, direct or indirect, of 15% or more of the consolidated assets of Merchants and its subsidiaries or 15% or more of any class of equity or voting securities of Merchants or any of its subsidiaries whose assets, individually or in the aggregate, constitute more than 15% of the consolidated assets of Merchants, (ii) any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in a third party beneficially owning 15% or more of any class of equity or voting securities of Merchants or any of its subsidiaries whose assets, individually or in the aggregate, constitute more than 15% of the consolidated assets of Merchants, or (iii) any merger, consolidation, share exchange, business combination, reorganization, recapitalization, liquidation, dissolution or other similar transaction involving Merchants or any of its subsidiaries whose assets, individually or in the aggregate, constitute more than 15% of the consolidated assets of Merchants.

If Merchants receives an unsolicited bona fide acquisition proposal that was not received in violation of the provisions described above, and the Merchants board of directors concludes in good faith that such acquisition proposal constitutes or is reasonably likely to result in a superior proposal (as defined below) and that failure to take such actions would be inconsistent with its fiduciary duties under applicable law, then Merchants may, and may permit its directors, officers, employees and representatives to: (i) enter into a confidentiality agreement with the third party making the acquisition proposal with terms and conditions no less favorable to Merchants than the confidentiality agreement entered into by Merchants and Community Bank System prior to the execution of the Merger Agreement; (ii) furnish non-public information or data to the third party making the acquisition proposal pursuant to such confidentiality agreement (and provide to Community Bank System any information not previously provided to Community Bank System); and (iii) participate in such negotiations or discussions with the third party making the acquisition proposal regarding such proposal.

A superior proposal means any bona fide, unsolicited, written acquisition proposal for at least a majority of the outstanding shares of Merchants common stock on terms that the Merchants board of directors concludes in good faith to be more favorable from a financial point of view to its stockholders than the Merger and the other transactions contemplated by the Merger Agreement (including taking into account the terms, if any, proposed by Community Bank System to amend or modify the terms of the transactions contemplated by the Merger Agreement in response to such proposal), (i) after receiving the advice of its financial advisor, (ii) after taking into account the likelihood of consummation of such transaction on the terms set forth therein and (iii) after taking into account all legal (with the advice of outside counsel), financial (including the financing terms of any such proposal), regulatory and other aspects of the proposal and any other relevant factors permitted under applicable law.

Notwithstanding the above, Merchants (without any determination by its board of directors or consultation with outside counsel or its financial advisor) may, following receipt of an unsolicited bona fide acquisition proposal, contact such third party solely in order to clarify and understand the terms and conditions of such acquisition proposal and/or to direct such third party to the Merger Agreement.

Merchants must promptly advise Community Bank System within 24 hours following receipt of any acquisition proposal, any request for information, discussion or negotiation that is reasonably likely to lead to or that contemplates an acquisition proposal, or any inquiry, proposal or offer that is reasonably likely to lead to, an acquisition proposal. Merchants must furnish a copy of, or a description of the terms and conditions of such acquisition proposal and must keep Community Bank System informed of any related developments, discussions and negotiations within 24 hours of any such event or occurrence. Merchants must also promptly (within 24 hours) notify Community Bank System if it

determines to begin providing information or to engage in discussions or negotiations concerning an acquisition proposal and shall not provide such information or engage in such discussions prior to providing such notice to Community Bank System.

The Merger Agreement generally prohibits Merchants' board of directors from (i) withdrawing, modifying or qualifying in a manner adverse to Community Bank System the approval, recommendation or declaration

TABLE OF CONTENTS

of advisability by the Merchants board of directors set forth in this Proxy Statement/Prospectus that the Merchants stockholders vote to adopt the Merger Agreement, (ii) recommending, endorsing or otherwise declaring as advisable the adoption of any acquisition proposal, (iii) resolving, agreeing or proposing to take any such actions or (iv) submitting the Merger Agreement to Merchants stockholders without recommendation, in each case prior to the date of the special meeting of stockholders (any such action, an adverse recommendation change).

The Merchants board of directors may effect an adverse recommendation change in response to (i) an acquisition proposal that constitutes a superior proposal, or (ii) an intervening event (as defined below), if the board of directors concludes in good faith (after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor) that the failure to effect such adverse recommendation change would be inconsistent with its fiduciary duties to stockholders under applicable law.

An intervening event means any material event or development or material change in circumstance with respect to Merchants that arises or occurs after the date of the Merger Agreement and was neither known by nor reasonably foreseeable to the Merchants board of directors as of or prior to the date of the Merger Agreement and does not relate to any acquisition proposal or any required regulatory approval.

In addition, solely in the case of a superior proposal that did not result from a breach by Merchants of its nonsolicitation obligations under the Merger Agreement, the Merchants board of directors may cause Merchants to terminate the Merger Agreement and authorize Merchants to enter into a definitive agreement with respect to such superior proposal, if the board of directors concludes in good faith (after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor) that the failure to take such action would be inconsistent with its fiduciary duties to stockholders under applicable law, provided that no such termination will be effective until Merchants pays to Community Bank System the termination fee of \$10,720,000.00. See Termination, beginning on page 78 of this Proxy Statement/Prospectus and Termination Fee beginning on page 80 of this Proxy Statement/Prospectus.

The board of directors of Merchants may not effect an adverse recommendation change or terminate the Merger Agreement in response to a superior proposal without providing Community Bank System with at least four business days prior written notice of its intention to take such action and with a reasonably detailed description of the acquisition proposal or intervening event giving rise to its determination to take such action, and without taking into account in good faith, at the end of such notice period, any amendment or modification of the Merger Agreement proposed by Community Bank System and determining, after taking into account the advice of its outside counsel and, with respect to financial matters, its financial advisor, that failure to take such action would nevertheless be inconsistent with its fiduciary duties under applicable law. Merchants has further agreed to, and to cause its financial and legal advisors to, negotiate with Community Bank System in good faith (to the extent Community Bank System seeks to negotiate) regarding any revisions to the Merger Agreement proposed by Community Bank System during such four business day period. Any material amendment to any acquisition proposal or any material development with respect to any intervening event, as the case may be, will require a new notice period as referred to above, except that any reference to four business days shall instead be three business days.

If the Merchants board of directors effects an adverse recommendation change and Community Bank System determines to terminate the Merger Agreement, Merchants will be required to pay Community Bank System a termination fee of \$10,720,000 in cash. See Termination, beginning on page 78 of this Proxy Statement/Prospectus and Termination Fee beginning on page 80 of this Proxy Statement/Prospectus.

Notwithstanding any superior proposal, intervening event or anything contained in the Merger Agreement, unless the Merger Agreement has been terminated in accordance with its terms, the Merchants special meeting shall be convened

for the purpose of submitting the Merger Agreement to the Merchants stockholders to vote on the adoption of such and any other matters contemplated thereby.

the accuracy of the other party's representations and warranties in the Merger Agreement on the date of the Merger Agreement and as of the closing date of the Merger (or such other date specified in the Merger Agreement) other than, in most cases, inaccuracies that would not reasonably be expected to have a material adverse effect on such party;

by Community Bank System or Merchants if the Merger is not consummated by July 22, 2017; provided, that neither party has the right to terminate the Merger Agreement if such party was in breach of its obligations under the Merger Agreement and such breach was the cause of the failure of the Merger to be consummated by such date, and provided further that, if on the expiration date all conditions to the Merger have been satisfied or waived or are capable of being satisfied by the closing other than the condition relating to the receipt of required regulatory approvals, then either party has the right to extend the expiration date by an additional three month period;

- the volume-weighted average trading price of Community Bank System's common stock on the NYSE for the 20 trading days ending on the third trading day immediately preceding the determination date is *less than* \$35.77; and
- Community Bank System's common stock underperforms a peer group index (the SNL Midcap U.S. Bank Index) by more than 20%.

If the Merchants board of directors exercises the termination right described above, Community Bank System will have the option to increase the amount of Community Bank System common stock to be provided to Merchants stockholders such that the implied value of the exchange ratio would be equivalent to the minimum implied value that would have avoided triggering the termination right described above. If Community Bank System elects to increase the exchange ratio pursuant to the preceding sentence, no termination will occur.

Community Bank System and Subsidiaries

Notes to the Combined Condensed Financial Statements

Note 1 Basis of Presentation

The unaudited pro forma combined condensed consolidated financial information and notes have been prepared to illustrate the effects of the merger transaction involving Community Bank System and Merchants using the acquisition method of accounting with Community Bank System treated as the acquirer. The unaudited pro forma combined condensed consolidated financial information is presented for illustrative purposes only and does not necessarily indicate the financial results of the combined companies had the companies actually been combined at the beginning of each period presented, nor does it necessarily indicate the results of operations in future periods or the future financial position of the combined entities. Under the acquisition method of accounting, the assets and liabilities of Merchants, as of the effective date of the merger, will be recorded by Community Bank System at their respective fair values and the excess of the merger consideration over the fair value of the net assets will be allocated to goodwill and other intangible assets.

The Merchants merger is currently expected to close in late second quarter or early third quarter of 2017 and is subject to customary closing conditions, including the approval by the stockholders of Merchants and required regulatory approvals. The Merchants merger provides that the stockholders of Merchants will have the option to receive, at their election, consideration per share equal to (i) 0.9630 shares of Community Bank System common stock, (ii) \$40.00 in cash or (iii) the combination of 0.6741 shares of Community Bank System common stock and \$12.00 in cash, with both, (i) and (ii) subject to proration and adjustment procedures to ensure that the total amount of cash paid, and the total number of shares of Community Bank System common stock issued in the Merger to Merchants stockholders, as a whole, will equal as nearly as practicable to the total amount of cash and number of shares that would have been paid and issued if all of the Merchants stockholders received the consideration in (iii). The cash and stock consideration would be equivalent to \$44.02 for each share of Merchants common stock based upon the closing price of Community Bank System common stock as of October 21, 2016, the last trading day prior to the public announcement of the signing of the merger agreement. The transaction is intended to qualify as a reorganization within the meaning of Section 368(a) of the Code.

The pro forma allocation of purchase price reflected in the unaudited pro forma combined condensed consolidated financial information is subject to adjustment and may vary from the actual purchase price allocation that will be recorded at the time the merger transaction is completed. Adjustments may include, but not be limited to, changes in (i) Merchants balance sheet through the effective date of the merger; (ii) the aggregate value of merger consideration paid if the price of Community Bank System's shares vary from the estimated price per share, which represents the closing share price of Community Bank System common shares; (iii) total merger related expenses if consummation and/or implementation costs vary from currently estimated amounts; and (iv) the underlying values of assets and liabilities if market conditions differ from current assumptions.

The accounting policies of Community Bank System and Merchants are in the process of being reviewed in detail. Upon completion of such review, conforming adjustments or financial statement reclassification may be determined.

Note 2 Preliminary Purchase Price Allocation

The pro forma adjustments include the estimated accounting entries to record the merger transaction under the acquisition method of accounting for business combinations. The excess of the purchase price over the fair value of net assets acquired is allocated to goodwill and other intangible assets. Estimated fair value adjustments included in the pro forma financial statements are based upon available information and certain assumptions considered reasonable, and may be revised as additional information becomes available. The purchase price is contingent on the Community Bank System price per common share at the date of close of the transaction, which has not yet occurred.

O. Adjustment to eliminate Merchants treasury stock balance of \$13.4 million.

Adjustments to Community Bank System common shares outstanding to eliminate shares of Merchants common stock of 6.89 million and record Community Bank System share issues of 4.64 million for the Merchants transaction.

Net adjustments to interest and fees on loans of \$1.1 million for the nine months ended September 30, 2016 and \$1.5 million for the year ended December 31, 2015 to record estimated amortization of premiums and accretion of discounts on acquired loans of Merchants using a weighted average maturity of approximately 9.7 years. The Q. estimated amortization of premiums and accretion of discounts on acquired loans of Merchants is approximately \$1.5 million for the year ended December 31, 2015, \$1.4 million for the year ended December 31, 2016, \$1.3 million for the year ended December 31, 2017, \$0.9 million for the year ended December 31, 2018, \$0.9 million for the year ended December 31, 2019 and \$2.5 million thereafter.

On January 23, 2017, the closing price of Community Bank System common stock reported on the NYSE was \$58.55.

Community Bank System has historically paid regular quarterly cash dividends on its common stock, and the board of directors of Community Bank System presently intends to continue the payment of regular quarterly cash dividends, subject to the need for those funds for other purposes. However, because substantially all of the funds available for the payment of dividends by Community Bank System are derived from Community Bank, future dividends will depend upon the earnings of Community Bank, its financial condition, its need for funds and applicable governmental policies and regulations. In addition, the indentures pertaining to the subordinated junior debentures Community Bank System issued in connection with its trust preferred offerings would generally restrict its ability to pay cash dividends if Community Bank System defers interest payments on the subordinated junior debentures.

PROPOSAL II MERGER-RELATED EXECUTIVE COMPENSATION

As required by Regulation 14A of the Securities Exchange Act of 1934, as amended, Merchants is providing its stockholders with the opportunity to cast an advisory, non-binding vote on the compensation that may become payable to its named executive officers in connection with the completion of the Merger, as disclosed in the section of this Proxy Statement/Prospectus captioned The Merger Merger-Related Executive Compensation for Merchants Named Executive Officers, beginning on page 53, and the related table and narratives. Merchants board of directors encourages you to review this information carefully.

Your vote is requested. This vote is not intended to address any specific item of compensation, but rather the overall compensation that may become payable to Merchants named executive officers in connection with the completion of the Merger. In addition, this vote is separate and independent from the vote of stockholders to approve the completion of the Merger. Merchants asks that its stockholders vote **FOR** the following resolution:

RESOLVED, that the compensation that may become payable to Merchants named executive officers in connection with the completion of the Merger, as disclosed in the section captioned The Merger Interest of Merchants Directors and Executive Officers in the Merger (beginning on page 48 of the Proxy Statement/Prospectus dated []) and the related table and narratives, is hereby APPROVED.

Approval of this proposal is not a condition to the completion of the Merger. Additionally, this vote is advisory and, therefore, it will not be binding on Merchants, nor will it overrule any prior decision or require Merchants board of directors (or any committee thereof) to take any action. Merchants board of directors will consider the affirmative vote of a majority of the votes cast on the matter **FOR** the foregoing resolution as advisory approval of the compensation that may become payable to Merchants named executive officers in connection with the completion of the Merger.

**MERCHANTS BOARD OF DIRECTORS UNANIMOUSLY
RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE
ADVISORY, NON-BINDING PROPOSAL TO APPROVE THE
MERGER-RELATED EXECUTIVE COMPENSATION.**

PROPOSAL III ADJOURNMENT OF THE MEETING

Merchants is also submitting a proposal for consideration at the special meeting to authorize the named proxies to approve one or more adjournments of the special meeting if there are not sufficient votes to adopt the Merger Agreement at the time of the special meeting. Even though a quorum may be present at the special meeting, it is possible that Merchants may not have received sufficient votes to adopt the Merger Agreement by the time of the special meeting. In that event, Merchants would need to adjourn the special meeting in order to solicit additional proxies.

To allow the proxies that have been received by Merchants at the time of the special meeting to be voted for an adjournment, if necessary, Merchants is submitting a proposal to approve one or more adjournments, and only under those circumstances, to you for consideration. If the new date, time and place is announced at the special meeting before the adjournment, Merchants is not required to give notice of the time and place of the adjourned meeting, unless the board of directors fixes a new record date for the special meeting.

The adjournment proposal relates only to an adjournment of the special meeting occurring for purposes of soliciting additional proxies for adoption of the Merger Agreement proposal in the event that there are insufficient votes to approve that proposal. The Merchants board of directors retains full authority to the extent set forth in the Merchants bylaws and Delaware law to adjourn the special meeting for any other purpose, or to postpone the special meeting before it is convened, without the consent of any Merchants stockholders.

THE BOARD OF DIRECTORS OF MERCHANTS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE PROPOSAL TO ADJOURN THE SPECIAL MEETING, IF NECESSARY OR APPROPRIATE, INCLUDING TO SOLICIT ADDITIONAL PROXIES TO ADOPT THE MERGER AGREEMENT.

OTHER MATTERS

As of the date of this document, management of Merchants knows of no other matters which may be brought before the special stockholders meeting other than as described in this document. However, if any matter other than the Merger or related matters should properly come before the special meeting, the proxies will be deemed to confer authority to the individuals named as authorized therein to vote the shares represented by the proxy as to any matters that fall within the purposes set forth in the notices of special meeting.

DESCRIPTION OF CAPITAL STOCK OF COMMUNITY BANK SYSTEM

Merchants stockholders who receive shares of Community Bank System common stock in the Merger will become stockholders of Community Bank System. Community Bank System is a Delaware corporation subject to the provisions of Delaware law. Given below is a summary of the material features of the Community Bank System common stock. This summary is not a complete discussion of the charter documents and other instruments of Community Bank System that create the rights of the stockholders. You are urged to read carefully those documents and instruments, which have been incorporated by reference as exhibits to the registration statement of which this document is a part. Please see *Where You Can Find More Information* on page 104 of this Proxy Statement/Prospectus for information on how to obtain copies of those documents and instruments.

General

Community Bank System is authorized to issue 75,000,000 shares of common stock, par value \$1.00 per share. As of [], [] shares of common stock were issued and outstanding. Community Bank System's certificate of incorporation also authorizes the board of directors, without stockholder approval (subject to the rules of the NYSE, if applicable), to issue up to 500,000 shares of preferred stock, par value \$1.00 per share, and to establish the relative rights, designations, preferences and limitations or restrictions of the preferred stock. As of the date of this document, there were no shares of preferred stock issued and outstanding.

Common Stock

Voting Rights. The holders of common stock are entitled to one vote per share on all matters to be voted on by the stockholders. No stockholders have cumulative voting rights in the election of directors.

Dividends. Community Bank System may pay dividends as declared from time to time by the board of directors out of funds legally available for dividends, subject to certain restrictions. The holders of Community Bank System common stock will be entitled to receive any dividends on the common stock in proportion to their holdings.

Rights in Liquidation. In the event of a liquidation, dissolution or winding up of Community Bank System, each holder of Community Bank System common stock would be entitled to receive, after payment of all debts and liabilities of Community Bank System and after any required distribution to holders of any issued and outstanding preferred stock, a pro rata portion of all remaining assets of Community Bank System.

No Preemptive Rights; No Redemption. Holders of shares of Community Bank System common stock are not entitled to preemptive rights with respect to any shares of any capital stock of Community Bank System that may be issued. Community Bank System common stock is not subject to call or redemption.

Certain Certificate of Incorporation and Bylaws Provisions

There are provisions in Community Bank System's certificate of incorporation and bylaws which are intended to discourage non-negotiated takeover attempts. These provisions are intended to avoid costly takeover battles and lessen Community Bank System's exposure to coercive takeover attempts at an unfair price, and are designed to maximize

stockholder value in connection with unsolicited takeover attempts. These provisions, however, could reduce the premium that potential acquirers might be willing to pay in an acquisition, which may in turn reduce the market price that investors might be willing to pay in the future for shares of Community Bank System common stock.

Community Bank System's certificate of incorporation authorizes the board of directors to issue, without further stockholder approval, up to 500,000 shares of preferred stock with rights senior to those of its common stock, except as may be required with respect to a particular transaction by applicable law or by regulatory agencies having jurisdiction over Community Bank System. The board of directors of Community Bank System is permitted to establish from time to time the relative rights, designations, preferences and limitations or restrictions of the preferred stock. The preferred stock could be used to deter future attempts to gain control of Community Bank System.

Community Bank System has a classified board which provides for the board to be divided into three classes, as nearly equal in number as possible, with approximately one-third of the directors to be elected

TABLE OF CONTENTS

annually for three-year terms. A classified board helps to assure continuity and stability of corporate leadership and policy by extending the time required to elect a majority of the directors to at least two successive annual meetings. This extension of time may also discourage a tender offer or takeover bid by making it more difficult for a majority of stockholders to change the composition of the board of directors.

In addition, Community Bank System's certificate of incorporation contains a provision which requires that certain business combinations be approved by the affirmative vote of either (a) the holders of three-fourths of the outstanding shares of Community Bank System common stock and a majority of the board of directors; or (b) the holders of two-thirds of the outstanding shares of Community Bank System common stock and two-thirds of the continuing Directors. These supermajority requirements could result in Community Bank System's board exercising a stronger influence over any proposed takeover (subject to its fiduciary duties) by refusing to approve a proposed business combination and by obtaining sufficient additional votes, including votes obtained through the issuance of additional shares to parties friendly to their interests, to preclude the two-thirds or three-fourths stockholder approval requirement.

Community Bank System's certificate of incorporation also provides that the above described provisions designed to protect Community Bank System from unfriendly takeover attempts can only be amended by the affirmative vote of (a) holders of at least three-fourths of the outstanding shares of Community Bank System common stock and a majority of the board of directors, or (b) holders of at least two-thirds of the outstanding shares of Community Bank System common stock and two-thirds of the continuing directors.

Under the certificate of incorporation of Community Bank System, the stockholders of the company are prohibited from approving corporate actions by a written consent in lieu of a meeting. Instead, any corporate action to be approved by Community Bank System stockholders must be so approved at a stockholders' meeting.

within ten days following the mailing date of the Community Bank System notice). Each such notice must contain specified information concerning the nominee, the nominating stockholder and certain related interests of the nominating stockholder.

Community Bank System's bylaws provide that for business to be properly brought before an annual meeting by a stockholder, the stockholder must give timely written notice to the Secretary at least 45 days prior to the date of the annual meeting, provided, however, that if less than 60 days' notice of the annual meeting is given, then the stockholder's written notice of the business to be brought before the annual meeting must be so received not later than the close of business on the 15th day following the date on which such notice of the date of annual meeting was mailed. Each such notice must contain specified information concerning the proposed business, the proposing stockholder and certain related interests of the proposing stockholder.

Merchants. Merchants' bylaws provide that stockholders of Merchants may nominate one or more persons for election as director only if such nominations are delivered to the secretary of Merchants at the principal executive offices of the corporation not later than the close of business on the 90th day and not earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of the 90th day prior to the scheduled date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. Each such notice must contain specified information concerning the nominee, the nominating stockholder and certain related interests of the nominating stockholder.

Merchants' bylaws provide that a proposal by a stockholder for submission of a matter to a vote of stockholders at an annual meeting must be delivered to the secretary of Merchants within the same time frame as stockholder nominations for directors described above. Each such notice must contain specified information concerning the proposal, the proposing stockholder and certain related interests of the proposing stockholder.

In addition, the stockholder must provide specified updates or supplements to the foregoing information.

Election of Directors

Community Bank System. Community Bank System's bylaws provide that directors shall, except as otherwise required by law or by the certificate of incorporation, be elected by a plurality of the votes cast at a meeting of stockholders by the holders of shares entitled to vote in the election. No stockholder has the right of cumulative voting in the election of directors.

Merchants. Merchants' bylaws provide that any election of directors by stockholders shall be determined by a plurality of the votes properly cast on the election of directors. No stockholder has the right of cumulative voting in the election of directors.

Qualification of Directors

Community Bank System. Delaware law provides that a director need not be a stockholder unless so required by the certificate of incorporation or the bylaws. The Community Bank System certificate of incorporation and the Community Bank System bylaws do not contain further qualifications for directors. Currently, each director of Community Bank System also serves as a director of Community Bank, which is a national banking association. The

National Bank Act and the related regulations require that a director of a national banking association must be a citizen of the United States and must own shares of capital stock of the association or its parent company, the aggregate par value, stockholders' equity or fair market value of which shares is not less than \$1,000. Generally, at least a majority of the directors of a national banking association must have resided in the state in which the association is located, or within 100 miles of the location of the office of the association, for at least one year immediately before the election as a director and must continue to reside within those areas during the term of office. Community Bank System has a mandatory retirement policy and under its bylaws, directors must retire at December 31 of the year in which the director reaches age 70.

TABLE OF CONTENTS

Merchants. Delaware law provides that a director need not be a stockholder unless so required by the certificate of incorporation or the bylaws. The Merchants certificate of incorporation and the Merchants bylaws do not contain further qualifications for directors. There are no residency requirements to serve as a director of Merchants, nor do the Merchants certificate of incorporation or bylaws specify any disqualifications from serving as a director. Currently, Merchants' board of directors consists of 11 directors. Each Merchants director also serves as a director of Merchants Bank, a Vermont chartered commercial bank. Vermont law does not impose any stock ownership requirements on Merchants Bank directors. Merchants does not have a mandatory retirement policy for its directors.

Number of Directors

Community Bank System. The total number of directors on the board of directors may be changed from time to time by the board or the stockholders. Neither the certificate of incorporation nor the bylaws imposes any limitation on the total number of directors of Community Bank System. The Community Bank System board of directors is currently composed of 12 directors and divided into three classes. After consummation of the Merger, the board will be composed of 14 directors.

Merchants. The Merchants bylaws provide that the number of directors constituting the board of directors will be fixed solely and exclusively by resolution of the board of directors or by the stockholders at the annual meeting, subject to the limitation contained in the Merchants certificate of incorporation that the number of directors shall not be less than nine. The Merchants board of directors is currently composed of 11 directors and is divided into three classes as nearly equal in number as possible, with approximately one-third of the directors elected by the stockholders each year at the annual meeting of stockholders. Directors hold office until the third annual meeting following their election or until a successor has been duly elected and qualified or until a director's earlier death, resignation or removal.

Removal of Directors

Community Bank System. Under Delaware law, directors of a corporation with a classified board (like Community Bank System) may be removed by the holders of a majority of shares then entitled to vote at the election of directors, but only for cause, unless the certificate of incorporation of the corporation provides that they can also be removed without cause. The bylaws of Community Bank System permit the stockholders representing a majority of the shares then entitled to vote to remove directors with or without cause. The board of directors is not authorized to remove a director.

Merchants. Under Delaware law, directors of a corporation with a classified board (like Merchants) may be removed by the holders of a majority of shares then entitled to vote at the election of directors, but only for cause, unless the certificate of incorporation of the corporation provides that they can also be removed without cause. Under the Merchants bylaws, any director, or the entire board of directors, may be removed from office for cause by the affirmative vote of the holders of a majority of the shares then entitled to vote in the election of directors. The board of directors is not authorized to remove a director.

Vacancies on the Board of Directors

Community Bank System. Community Bank System's bylaws provide that all vacancies on the board of directors may be filled by vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director, or may be filled by a plurality of the votes cast by stockholders of Community Bank System entitled to vote

in the election at a special meeting of stockholders called for that purpose.

Merchants. Merchants certificate of incorporation provides that in case of any vacancy on the board of directors or any increase in the number of directors constituting the whole board, such vacancy shall be filled by the directors or by the stockholders at the time having voting power.

Community Bank System. Delaware law provides that dividends may be paid either out of a corporation's surplus or, in the event that no surplus exists, from its net profits, if any, from either the year the dividends were declared or the prior year. Capital surplus is the excess of the net assets of the corporation over the stated capital of the corporation. There are certain other regulatory and contractual restrictions on Community Bank System's ability to pay cash dividends.

Merchants. Delaware law provides that dividends may be paid either out of a corporation's surplus or, in the event that no surplus exists, from its net profits, if any, from either the year the dividends were declared or the prior year. Capital surplus is the excess of the net assets of the corporation over the stated capital of the corporation. There are certain other regulatory and contractual restrictions on Merchants' ability to pay cash dividends.

Special Meeting of Stockholders

Community Bank System. Under the DGCL, a special meeting of stockholders may be called by a corporation's board of directors or by the persons authorized to do so in the corporation's certificate of incorporation or bylaws. At any special meeting of stockholders, only such business may be transacted as is related to the purpose or purposes of such meeting set forth in the notice thereof given pursuant to the bylaws or in any waiver of notice thereof given pursuant to the bylaws.

Merchants. Under the DGCL, a special meeting of stockholders may be called by a corporation's board of directors or by the persons authorized to do so in the corporation's certificate of incorporation or bylaws. Merchants' bylaws provide that a special meeting of stockholders may be called by the board of directors pursuant to a resolution approved by the affirmative vote of a majority of the directors then in office, except as otherwise required by statute and subject to the rights of the holders of any series of undesignated preferred stock.

Only those matters set forth in the notice of the special meeting may be considered or acted upon at a special meeting of stockholders of Merchants.

Rights of Stockholders to Dissent

Community Bank System. Under Delaware law, appraisal rights are generally available for the shares of any class or series of stock of a corporation involved in a merger or consolidation. However, no appraisal rights are available for any stock, which on the record date of the stockholder meeting to approve the transaction, is listed on a national securities exchange or NASDAQ, or held of record by more than 2,000 stockholders. Also, no appraisal rights are available to stockholders of the surviving corporation in a merger if

their approval is not required. Notwithstanding the foregoing, appraisal rights are available for the class or series if the holders thereof receive in the merger or consolidation anything except:

shares of stock of the corporation surviving or resulting from such merger or consolidation;
shares of stock of any other corporation that, at the effective date of the merger or consolidation, are either listed on a national securities exchange or NASDAQ, or held of record by more than 2,000 stockholders;
cash in lieu of fractional shares; or
any combination of the foregoing.

Merchants. Holders of Merchants common stock are subject to the same appraisal rights under Delaware law described directly above.

Indemnification and Limitation of Liability

Community Bank System. The Community Bank System certificate of incorporation provides that a director shall not be personally liable to Community Bank System or its stockholders for monetary damages for a breach of fiduciary duty, except for liability:

for a breach of the duty of loyalty;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
under Section 174 of the Delaware General Corporation Law; or

for any transaction from which the director derived an improper personal benefit.

Community Bank System will indemnify to the fullest extent permitted by Delaware law any person against liabilities and expenses incurred by reason of the fact that he or she was acting as a director or officer of Community Bank System. Community Bank System may also provide indemnification to its employees and agents.

Merchants. The Merchants certificate of incorporation provides that no director of Merchants shall be personally liable to Merchants or to any of its stockholders for monetary damages for breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability; provided, however, that the liability of a director shall not be limited or eliminated for any of the following:

any breach of the director's duty of loyalty to Merchants or its stockholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
unlawful distributions under the DGCL; or

Certain Voting Rights and Restrictions with Respect to Mergers

Community Bank System. Under Delaware law, any merger, consolidation or sale of all or substantially all of the assets of a corporation requires approval by a majority of the outstanding shares, unless the corporation's certificate of incorporation requires a higher percentage. Where approval of stockholders is required by Delaware law, the Community Bank System certificate of incorporation requires a higher percentage with respect to business combinations with interested stockholders as discussed below.

An interested stockholder is the beneficial owner of common stock representing three percent or more of the votes entitled to be cast, an affiliate or associate of Community Bank System who was an interested stockholder at any time during the preceding two years, or an assignee or successor in interest of shares which were owned at any time during the preceding two years by an interested stockholder.

A business combination between Community Bank System and an interested stockholder requires the approval of a majority of the board of directors and at least three-fourths of the votes entitled to be cast, or at least two-thirds of the votes entitled to be cast and two-thirds of the continuing directors. A business combination includes:

any merger or consolidation with Community Bank System or any of its subsidiaries with (i) any interested stockholder or (ii) any other corporation (whether or not itself an interested stockholder) which is or after such merger or consolidation will be an affiliate or associate of an interested stockholder;

any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to or with any interested stockholder or any affiliate or associate of any interested stockholder involving any assets or securities of Community Bank System or any of its subsidiaries having an aggregate fair market value of \$3,000,000 or more;

the adoption of any plan or proposal for the liquidation or dissolution of Community Bank System proposed by or on behalf of an interested stockholder or any affiliate or associate of any interested stockholder;

any reclassification of securities (including any reverse stock split), or recapitalization, any merger or consolidation of Community Bank System with one of its subsidiaries, or any other transaction (whether or not with or otherwise involving an interested stockholder) which has the effect, directly or indirectly, of increasing the proportion of the outstanding shares of any class of equity or convertible securities which is beneficially owned by an interested stockholder or any affiliate or associate of any interested stockholder; and

any agreement, contract, or other arrangement providing for any one or more of the actions specified in the foregoing.

In addition, Section 203 of the DGCL applies to Delaware corporations with a class of voting stock listed on a national securities exchange, authorized for quotation on NASDAQ, or held of record by 2,000 or more persons, and restricts transactions which may be entered into by a corporation and certain of its stockholders. Community Bank System has not elected to opt out of Section 203, as permitted by that section.

Section 203 provides, in essence, that an interested stockholder, defined as a stockholder acquiring more than 15%, but less than 85%, of the outstanding voting stock of a corporation subject to the statute and its affiliates and associates, may not engage in certain business combinations with the corporation for a period of three years subsequent to the date on which the stockholder became an interested stockholder unless:

prior to that date, the corporation's board of directors approved either the business combination or the transaction in which the stockholder became an interested person, or

the business combination is approved by the corporation's board of directors and authorized at a stockholders' meeting by a vote of at least two-thirds of the outstanding voting stock of the corporation not owned by the interested person.

Section 203 defines the term "business combination" to include a wide variety of transactions with or caused by an interested person in which the interested person receives or could receive a benefit on other than

a pro rata basis with other stockholders, including mergers, certain asset sales, certain issuances of additional shares to the interested person, transactions with the corporation which increase the proportionate interest of the interested person or transactions in which the interested person receives certain other benefits.

Merchants. The Merchants certificate of incorporation generally requires that specified business combination transactions be approved by the affirmative vote of the holders of at least 80% of Merchants voting stock, unless the transaction is approved by the unanimous vote of all of Merchants directors then in office. This vote requirement applies to any of the following: (i) any plan of merger or consolidation to which Merchants is a party and which requires stockholder approval, or (ii) any sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all of Merchants assets not made in the usual and regular course of business, or (iii) a combination or majority share acquisition in which Merchants is the acquiring corporation and a majority of its voting shares is issued or transferred to another corporation or entity, or person, or to stockholders of another corporation or entity. If the business combination is unanimously approved by the directors, the required stockholder vote to approve the transaction is reduced to two-thirds (66 2/3%) of the outstanding shares of voting capital stock.

Merchants has not elected to opt out of Section 203 of the Delaware General Corporation Law, as permitted by that section (see description of Section 203 above).

Amendment to Certificate of Incorporation

Community Bank System. Under Delaware law, the Community Bank System certificate of incorporation may be amended only if the amendment is first proposed by the Community Bank System board of directors and is approved by a majority of outstanding shares entitled to vote thereon. Where the rights of a certain class of shares is affected by the amendment, a majority of that class of shares must also approve the amendment, regardless if such class is otherwise entitled to vote on the amendment. Under Community Bank System's certificate of incorporation, amendments to provisions relating to the election and classification of directors, the limitation of director's liability, a business combination with an interested stockholder or an amendment to the certificate require the approval of a majority of the board of directors and at least three-fourths of the votes entitled to be cast by the holders of Community Bank System common stock, or at least two-thirds of the votes entitled to be cast and two-thirds of the continuing directors.

Merchants. Under Delaware law, the Merchants certificate of incorporation may be amended only if the amendment is first proposed by the Merchants board of directors and is approved by a majority of outstanding shares entitled to vote thereon. Where the rights of a certain class of shares is affected by the amendment, a majority of that class of shares must also approve the amendment, regardless if such class is otherwise entitled to vote on the amendment. The Merchants certificate of incorporation provides that any amendment to the certificate of incorporation requires the vote of two-thirds (66 2/3%) of the outstanding shares entitled to vote. In addition, the Merchants certificate of incorporation provides that amendments to certain sections of the Merchants certificate of incorporation that have an antitakeover effect require the affirmative vote of 80% or more of the outstanding shares entitled to vote.

Amendment to Bylaws

Community Bank System. The board of directors of Community Bank System may adopt, amend or repeal Community Bank System's bylaws by a majority vote, provided that the bylaws may also be adopted, amended or repealed by the stockholders of Community Bank System by the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote on the subject matter.

Merchants. The Merchants bylaws authorize the board of directors to amend or repeal the bylaws by vote of a majority of the board of directors at a meeting. The Merchants bylaws also may be amended or repealed by the affirmative vote of the holders of at least 75% percent of the outstanding shares entitled to vote on such amendment or repeal, voting together as a single class; provided, however, that if the board of directors recommends that stockholders approve the amendment or repeal, its adoption will only require the affirmative vote of the majority of the outstanding shares entitled to vote on such amendment or repeal, voting together as a single class.

Section 1.3 Closing. Subject to the terms and conditions of this Agreement, the closing of the Merger (the Closing) shall take place at 10:00 a.m., New York City time, at the offices of Cadwalader, Wickersham & Taft LLP, 200 Liberty Street, New York, New York 10281, on a date which shall be no later than three (3) Business Days after the satisfaction or waiver (subject to applicable Law) of the latest to occur of the conditions set forth in Article 5 hereof (other than those conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver thereof), unless another date, time or place is agreed to in writing by Community and Merchants (the date on which the Closing occurs, the Closing Date).

Section 1.4 Effective Time. Subject to the terms and conditions of this Agreement, on the Closing Date, the Parties shall cause to be filed with the Secretary of State of the State of Delaware a certificate of merger (the Certificate of Merger) as provided in Section 251 of the DGCL. The Merger shall become effective as of the date and time that the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware, or such later time as is agreed upon by Community and Merchants and specified in the Certificate of Merger (such date and time when the Merger becomes effective, the Effective Time).

Section 1.5 Organizational Documents of Surviving Corporation; Directors and Officers. (a) The Organizational Documents of Community in effect immediately prior to the Effective Time shall be the Organizational Documents of the Surviving Corporation after the Effective Time until otherwise amended or repealed.

The Merchants Director Designees shall be appointed to the Board of Directors of the Surviving Corporation such that (x) one (1) Merchants Director Designee is appointed to the class of directors of the Surviving Corporation with terms expiring at the second annual meeting of stockholders occurring after the Effective Time and (y) one (1) Merchants Director Designee is appointed to the class of directors of the Surviving Corporation with terms expiring at the third annual meeting of stockholders occurring after the Effective Time. The officers of Community immediately prior to the Effective Time shall be the officers of the Surviving Corporation as of the Effective Time, until the earlier of their resignation or removal or otherwise ceasing to be an officer or until their respective successors are duly elected and qualified, as the case may be.

Section 1.6 Tax Consequences. It is intended that the Merger shall qualify as a reorganization within the meaning of Section 368(a) of the Code, and this Agreement is intended to be and is adopted as a plan of reorganization for the purposes of Sections 354 and 361 of the Code.

Section 1.7 Structure Change. Community may at any time change the method of effecting the Merger and the Bank Merger (including by providing for the merger of Merchants with a wholly-owned Subsidiary of Community) if and to the extent requested by Community, and Merchants agrees to enter into such amendments to this Agreement as Community may reasonably request in order to give effect to such restructuring; provided, however, that no such change or amendment shall (a) alter or change the amount or kind of the Merger Consideration provided for in this

Agreement, (b) adversely affect the Tax treatment of the Merger with respect to Merchants stockholders or prevent the rendering of the opinions contemplated in Sections 5.2(d) and 5.3(d), (c) be reasonably likely to cause the Closing to be prevented or materially delayed or the receipt of the Requisite Regulatory Approvals to be prevented or materially delayed or (d) require submission to or approval of the Merchants stockholders after the plan of merger set forth herein has been adopted by the Merchants stockholders.

TREATMENT OF SECURITIES

Section 2.1 Treatment of Common Stock. (a) Treatment of Merchants Common Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Parties or holders of any securities of Merchants or of Community, subject to Section 2.1(c) and any applicable withholding Tax, each share of Merchants Common Stock issued and outstanding immediately prior to the Effective Time (other than Merchants Shares to be cancelled in accordance with Section 2.1(b), Merchants Restricted Shares and other than any Proposed Dissenting Shares) shall be automatically converted into the right to receive, at the election of the holder thereof in accordance with, and subject to, the terms, conditions and procedures set forth in this Article 2 (including the proration procedures in Section 2.2(c)) and subject to potential adjustment as provided in Section 6.1(h), the following consideration (collectively, the Merger Consideration), in each case without interest: (i) the combination (such election, a Mixed Election) of (A) \$12.00 in cash (the Mixed Cash Consideration) and (B) 0.6741 validly issued, fully paid and non-assessable Community Shares (the Mixed Stock Consideration and, together with the Mixed Cash Consideration, the Mixed Election Consideration); (ii) (such election, a Cash Election) \$40.00 in cash (the Cash Election Consideration); or (iii) (such election, a Stock Election) 0.9630 validly issued, fully paid and nonassessable Community Shares (such number of Community Shares, the Stock Election Consideration), without interest. From and after the Effective Time, all such Merchants Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and each applicable holder of such Merchants Shares shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration therefor upon the surrender of such Merchants Shares in accordance with Section 2.2(c) or Section 2.3(b) or in accordance with Section 2.5, as applicable, including the right to receive, pursuant to Section 2.7, cash in lieu of fractional shares of Community Common Stock, if any, into which such Merchants Shares have been converted pursuant to this Section 2.1(a) (the Fractional Share Consideration), together with the amounts, if any, payable pursuant to Section 2.3(f).

(b) Cancellation of Merchants Common Stock. At the Effective Time, all Merchants Shares owned by any of the Parties or by any of their respective Subsidiaries (other than any such shares owned in a fiduciary capacity or as a result of debts previously contracted) shall be cancelled and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(c) Adjustment to Merger Consideration. The Merger Consideration shall be adjusted appropriately to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Merchants Common Stock or Community Common Stock, as applicable), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to the number of shares of Merchants Common Stock or Community Common Stock outstanding after the date hereof and prior to the Effective Time.

(d) Community Common Stock. At and after the Effective Time, each share of Community Common Stock issued and outstanding immediately prior to the Effective Time shall remain an issued and outstanding share of Community Common Stock and shall not be affected by the Merger.

Section 2.2 Election and Proration Procedures. (a) An election form in such form as Community shall reasonably specify and as shall be reasonably acceptable to Merchants (the Election Form) shall be mailed on a date to be mutually agreed by the Parties that is not more than forty-five (45) days nor less than thirty (30) days prior to the

anticipated Closing Date or on such other date as the Parties shall mutually agree (the Mailing Date) to each holder of record of Merchants Common Stock as of the close of business on the fifth (5th) Business Day prior to the Mailing Date (the Election Form Record Date).

- (b) Community shall make available one or more Election Forms as may reasonably be requested from time to time by all Persons who become holders (or beneficial owners) of Merchants Common Stock between the Election Form Record Date and the close of business on the Business Day prior to the Election Deadline, and Merchants shall provide to the Exchange Agent all information reasonably necessary for it to perform as specified herein.

(c) Each Election Form shall permit the holder (or the beneficial owner through appropriate and customary documentation and instructions) to specify (x) the number of shares of such holder's Merchants Common Stock with respect to which such holder makes a Mixed Election (each such share, a Mixed Election Share), (y) the number of shares of such holder's Merchants Common Stock with respect to which such holder makes a Cash Election (each such share, a Cash Election Share), and (z) the number of shares of such holder's Merchants Common Stock with respect to which such holder makes a Stock Election (each such share, a Stock Election Share). Any Merchants Shares with respect to which the Exchange Agent has not received an effective, properly completed Election Form (including duly executed transmittal materials included with the Election Form), accompanied by any Merchants Certificates or Book-Entry Shares to which such Election Form relates, or by an appropriate customary guaranty of delivery of the related Merchants Certificates from a member of any registered national securities exchange or a commercial bank or trust company in the United States, on or before 5:00 p.m., Eastern Time, on the twenty-fifth (25th) day following the Mailing Date (or such other time and date as the Parties shall agree) (the Election Deadline) (other than Merchants Shares to be cancelled in accordance with Section 2.1(b), Merchants Restricted Shares and Proposed Dissenting Shares) shall be deemed to be No Election Shares, and the holders of such No Election Shares shall be deemed to have made a Mixed Election with respect to such No Election Shares. The Parties shall cooperate to issue a press release reasonably satisfactory to each of them announcing the date of the Election Deadline not more than fifteen (15) Business Days before, and at least five (5) Business Days prior to, the Election Deadline. Not later than ten (10) Business Days after the Election Deadline, unless the Effective Time has not yet occurred, in which case as soon after the Effective Time as is reasonably practicable, Community shall cause the Exchange Agent to effect the following prorations to the Merger Consideration:

(i) If the Cash Election Amount is greater than the Available Cash Election Amount, then each Cash Election Share shall, instead of being converted into the Cash Election Consideration, be converted into the right to receive (A) an amount of cash (without interest) equal to the product of the Cash Election Consideration, *multiplied by* a fraction, (1) the numerator of which shall be the Available Cash Election Amount and (2) the denominator of which shall be the Cash Election Amount (such fraction, the Cash Fraction), and (B) a number of validly issued, fully paid and nonassessable Community Shares equal to the product of the Stock Election Consideration *multiplied by* a fraction equal to one (1) *minus* the Cash Fraction.

(ii) If the Available Cash Election Amount is greater than the Cash Election Amount, then each Stock Election Share shall, instead of being converted into the right to receive the Stock Election Consideration, be converted into the right to receive (A) an amount of cash (without interest) equal to the amount of such excess *divided by* the number of Stock Election Shares, and (B) a number of validly issued, fully paid and nonassessable Community Shares equal to the product of the Stock Election Consideration *multiplied by* a fraction, the numerator of which shall be the difference between (I) the Cash Election Consideration *minus* (II) the amount calculated in clause (A) of this paragraph, and the denominator of which shall be the Cash Election Consideration.

(d) Any election shall have been properly made only if the Exchange Agent shall have actually received a properly completed Election Form (including duly executed transmittal materials included with the Election Form), accompanied by any Merchants Certificates or Book-Entry Shares to which such Election Form relates, or by an appropriate customary guaranty of delivery of the related Merchants Certificates from a member of any registered national securities exchange or a commercial bank or trust company in the United States, by the Election Deadline. Any Election Form may be revoked or changed by the authorized Person properly submitting such Election Form, by written notice received by the Exchange Agent prior to the Election Deadline. In the event an Election Form is revoked prior to the Election Deadline, the shares of Merchants Common Stock represented by such Election Form shall become No Election Shares, except to the extent a subsequent election is properly made with respect to any or all of such shares of Merchants Common Stock prior to the Election Deadline. Subject to the terms of this Agreement and of the Election Form, the Exchange Agent shall have reasonable discretion to determine whether any election,

revocation or change has been properly or timely made and to disregard immaterial defects in the Election Forms, and
any good faith

decisions of the Exchange Agent regarding such matters shall be binding and conclusive. None of Community, Merchants, or the Exchange Agent shall be under any obligation to notify any Person of any defect in an Election Form.

Section 2.3 Payment for Securities; Surrender of Merchants Certificates.

(a) Exchange Fund. Prior to the Effective Time, Community shall designate a bank or trust company reasonably acceptable to Merchants to act as the exchange agent in connection with the Merger (the Exchange Agent). The Exchange Agent shall also act as the agent for Merchants stockholders (other than with respect to Merchants Restricted Shares) for the purpose of receiving and holding their Election Forms and Merchants Certificates and Book-Entry Shares and shall obtain no rights or interests in the shares represented thereby. At or prior to the Closing, Community shall deposit, or cause to be deposited, with the Exchange Agent (i) evidence of Community Common Stock issuable pursuant to Section 2.1(a) in book-entry form equal to the aggregate Community Common Stock portion of the Merger Consideration (excluding any Fractional Share Consideration), and (ii) cash in immediately available funds in an amount sufficient to pay the aggregate cash portion of the Merger Consideration, Fractional Share Consideration and any dividends under Section 2.3(f) (such evidence of book-entry shares of Community Common Stock and cash amounts, together with any dividends or other distributions with respect thereto, the Exchange Fund), in each case, for the sole benefit of the holders of shares of Merchants Common Stock. In the event the Exchange Fund shall be insufficient to pay the aggregate cash portion of the Merger Consideration, Fractional Share Consideration and any dividends under Section 2.3(f), Community shall promptly deposit additional funds with the Exchange Agent in an amount which is equal to the deficiency in the amount required to make such payment. Community shall cause the Exchange Agent to make, and the Exchange Agent shall make, delivery of the Merger Consideration, including payment of the Fractional Share Consideration, and any amounts payable in respect of dividends or other distributions on shares of Community Common Stock (other than with respect to Merchants Restricted Shares) in accordance with Section 2.3(f) out of the Exchange Fund in accordance with this Agreement. The Exchange Fund shall not be used for any purpose that is not expressly provided for in this Agreement. The cash portion of the Exchange Fund shall be invested by the Exchange Agent as reasonably directed by Community; provided, however, that (x) no such investment or loss thereon shall affect the amounts payable to holders of Merchants Certificates or Book-Entry Shares pursuant to this Article 2 and (y) no such investment shall have maturities that would reasonably be expected to prevent or delay payments to be made pursuant to this Agreement. Any interest and other income resulting from such investments shall be paid to Community on the earlier of (A) one (1) year after the Effective Time or (B) the full payment of the Exchange Fund.

(b) Procedures for Surrender. Promptly (but no more than five (5) Business Days) after the Effective Time, Community shall cause the Exchange Agent to mail (and make available for collection by hand) to each holder of record of a certificate or certificates which immediately prior to the Effective Time represented outstanding Merchants Shares (the Merchants Certificates) or non-certificated Merchants Shares represented by book-entry (Book-Entry Shares) and whose Merchants Shares were converted pursuant to Section 2.1 into the right to receive the Merger Consideration and who has not theretofore submitted its Merchants Certificates or Book-Entry Shares with an Election Form (i) a letter of transmittal, which shall specify that delivery shall be effected, and risk of loss and title to the Merchants Certificates shall pass, only upon delivery of the Merchants Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent and shall be in such form and have such other provisions as Community may reasonably specify and (ii) instructions for effecting the surrender of the Merchants Certificates (or affidavits of loss in lieu thereof) or Book-Entry Shares in exchange for payment of the Merger Consideration into which such Merchants Shares have been converted pursuant to Section 2.1, including any amount payable in respect of Fractional Share Consideration in accordance with Section 2.7, and any dividends or other distributions on shares of Community Common Stock in accordance with Section 2.3(f). Upon surrender of a Merchants Certificate (or an affidavit of loss in lieu thereof) or Book-Entry Share for cancellation to the Exchange Agent or to such other agent or agents as may be

appointed by Community, together with such letter of transmittal or Election Form duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Merchants Certificate or Book-Entry Share shall be entitled to receive in exchange therefor the applicable Merger Consideration pursuant to the provisions of this Article 2,

any Fractional Share Consideration that such holder has the right to receive pursuant to the provisions of Section 2.7, and any amounts that such holder has the right to receive in respect of dividends or other distributions on shares of Community Common Stock in accordance with Section 2.3(f) for each Merchants Share formerly represented by such Merchants Certificate or Book-Entry Share, to be mailed (or made available for collection by hand if so elected by the surrendering holder) within five (5) Business Days following the later to occur of (x) the completion of the prorations to the Merger Consideration as described in Section 2.2(c) and (y) the Exchange Agent's receipt of such Merchants Certificate (or affidavit of loss in lieu thereof) or Book-Entry Share, and the Merchants Certificate or Book-Entry Share so surrendered shall be forthwith cancelled. The Exchange Agent shall accept such Merchants Certificates (or affidavits of loss in lieu thereof) or Book-Entry Shares upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with normal exchange practices.

If payment of the Merger Consideration is to be made to a Person other than the Person in whose name the surrendered Merchants Certificate is registered, it shall be a condition precedent of payment that (A) the Merchants Certificate so surrendered shall be properly endorsed or shall be otherwise in proper form for transfer and (B) the Person requesting such payment shall have paid any transfer and other similar Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of the Merchants Certificate surrendered or shall have established to the satisfaction of Community that such Tax either has been paid or is not required to be paid. Payment of the applicable Merger Consideration with respect to Book-Entry Shares shall only be made to the Person in whose name such Book-Entry Shares are registered. Until surrendered as contemplated by this Section 2.3, each Merchants Certificate and Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive the applicable Merger Consideration as contemplated by this Article 2, including any amount payable in respect of Fractional Share Consideration in accordance with Section 2.7, and any dividends or other distributions on shares of Community Common Stock in accordance with Section 2.3(f), without interest thereon.

(c) Transfer Books; No Further Ownership Rights in Merchants Shares. At the Effective Time, the stock transfer books of Merchants shall be closed and thereafter there shall be no further registration of transfers of Merchants Shares on the records of Merchants. From and after the Effective Time, the holders of Merchants Certificates or Book-Entry Shares (including, for the avoidance of doubt, Merchants Restricted Shares) outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Merchants Shares except as otherwise provided for herein or by applicable Law. If, after the Effective Time, Merchants Certificates or Book-Entry Shares (including, for the avoidance of doubt, Merchants Restricted Shares) are presented to the Surviving Corporation for any reason, they shall be cancelled and exchanged as provided in this Agreement.

(d) Termination of Exchange Fund; No Liability. At any time following twelve (12) months after the Effective Time, Community shall be entitled to require the Exchange Agent to deliver to it any funds (including any interest received with respect thereto) remaining in the Exchange Fund that have not been disbursed, or for which disbursement is pending subject only to the Exchange Agent's routine administrative procedures, to holders of Merchants Certificates or Book-Entry Shares, and thereafter such holders shall be entitled to look only to Community (subject to abandoned property, escheat or other similar Laws) as general creditors thereof with respect to the applicable Merger Consideration, including any amount payable in respect of Fractional Share Consideration in accordance with Section 2.7, and any dividends or other distributions on shares of Community Common Stock in accordance with Section 2.3(f), payable upon due surrender of their Merchants Certificates or Book-Entry Shares and compliance with the procedures in Section 2.3(b), without any interest thereon. Notwithstanding the foregoing, neither Community nor the Exchange Agent shall be liable to any holder of a Merchants Certificate or Book-Entry Share for any Merger Consideration or other amounts delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(e) Lost, Stolen or Destroyed Merchants Certificates. In the event that any Merchants Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Merchants Certificates, upon the making of an affidavit of that fact by the holder thereof, the applicable Merger Consideration payable in respect thereof pursuant to Section 2.1 hereof, including any amount payable in respect of Fractional Share Consideration in accordance with Section 2.7, and any dividends or other distributions on shares of Community Common Stock in accordance with Section 2.3(f).

(f) Dividends or Distributions with Respect to Community Common Stock. No dividends or other distributions with respect to Community Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Merchants Certificate or Book-Entry Share with respect to the shares of Community Common Stock issuable hereunder, and all such dividends and other distributions shall be paid by Community to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Merchants Certificate or Book-Entry Share (or affidavit of loss in lieu thereof) in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Merchants Certificate or Book-Entry Share (or affidavit of loss in lieu thereof) there shall be paid to the holder thereof, without interest, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Community Common Stock to which such holder is entitled pursuant to this Agreement and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such shares of Community Common Stock.

Section 2.4 Dissenters' Rights. (a) Notwithstanding anything in this Agreement to the contrary, Merchants Shares issued and outstanding immediately prior to the Effective Time and held by a holder of record who did not vote in favor of the adoption of this Agreement (or consent thereto in writing) and is entitled to demand and properly demands appraisal of such Merchants Shares (Dissenting Shares) pursuant to, and who complies in all respects with, Section 262 of the DGCL (the Appraisal Rights) shall not be converted into the right to receive the Merger Consideration payable pursuant to Section 2.1, but instead at the Effective Time shall be converted into the right to receive payment of the fair value of such Merchants Shares in accordance with the Appraisal Rights (it being understood and acknowledged that at the Effective Time, such Dissenting Shares shall no longer be outstanding, shall automatically be cancelled and shall cease to exist, and such holder shall cease to have any rights with respect thereto other than the right to receive the appraised value of such Dissenting Shares to the extent afforded by the Appraisal Rights); provided, however, that if any such holder (including any holder of Proposed Dissenting Shares) shall fail to perfect or otherwise shall waive, withdraw or lose the right to payment of the fair value of such Dissenting Shares under the Appraisal Rights, then the right of such holder to be paid the fair value of such holder's Dissenting Shares shall cease and such Dissenting Shares shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for the right to receive, without interest or duplication, the Mixed Election Consideration. Proposed Dissenting Shares means shares of Merchants Common Stock whose holders provide demands for appraisal to Merchants prior to the Merchants Stockholder Meeting and do not vote in favor of the adoption of this Agreement, in each case in accordance with the Appraisal Rights.

(b) Merchants shall give prompt notice to Community of any demands received by Merchants for appraisal of any Merchants Shares, of any withdrawals of such demands and of any other instruments served pursuant to the DGCL and received by Merchants relating to Appraisal Rights, and Community shall have the opportunity to participate in and direct all negotiations and proceedings with respect to such demands. Prior to the Effective Time, Merchants shall not, without the prior written consent of Community, make any payment with respect to, or settle or compromise or offer to settle or compromise, any such demand, or agree to do any of the foregoing.

(a) As of the Effective Time, each option to purchase Merchants Common Stock granted under any Merchants Benefit Plan that is outstanding and unexercised immediately prior to the Effective Time (a Merchants Stock Option), whether or not then vested or exercisable, shall, automatically and without any action on behalf of the holder thereof, be cancelled and converted into a right of the former holder of such Merchants Stock Option to receive the applicable Merchants Stock Option Consideration. For purposes of this Agreement, the Merchants Stock Option Consideration means, with respect to a Merchants Stock Option, an amount of cash, without interest, equal to the product of (x) the number of shares of Merchants Common Stock underlying such Merchants Stock Option *multiplied by* (y) the excess, if any, of the Per Share Merger Consideration Value over the exercise price per share of such Merchants Stock Option. Per Share Merger Consideration Value means (i) the

Section 2.6 Withholding. Community shall be entitled to deduct and withhold, or cause the Exchange Agent or the Surviving Corporation or any of its Subsidiaries to deduct and withhold, from the consideration otherwise payable to a holder of Merchants Common Stock, Merchants Stock Options or Merchants Restricted Shares pursuant to this Agreement, any amounts as are required to be withheld or deducted with respect to such consideration under the Code, or any applicable provisions of state, local or foreign Tax Law. To the extent that amounts are so withheld and timely remitted to the appropriate Governmental Authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Merchants Common Stock, Merchants Stock Options or Merchants Restricted Shares in respect of which such deduction and withholding was made.

Section 2.7 Fractional Shares. No certificate or scrip representing fractional shares of Community Common Stock shall be issued upon the surrender for exchange of Merchants Certificates or Book-Entry Shares, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of Community. Notwithstanding any other provision of this Agreement, each holder of shares of Merchants Common Stock converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Community Common Stock shall receive, in lieu thereof, cash, without interest, in an amount equal to such fractional part of a share of Community Common Stock *multiplied by* the Average Trading Price (rounded to the nearest whole cent).

Section 2.8 Warrants. Each Party shall consult with the other in advance of any meeting or conference with any Governmental Authority in connection with the transactions contemplated by this Agreement and, to the extent permitted by such Governmental Authority, Merchants shall give Community and/or its counsel the opportunity to attend and participate in such meetings and conferences.

(d) In furtherance and not in limitation of the foregoing, each of Community and Merchants shall use its reasonable best efforts to avoid the entry of, or to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other Order, whether temporary, preliminary or permanent, that would restrain, prevent or delay the Closing.

(e) Community and Merchants shall, upon request, furnish each other with all information concerning themselves, their Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement, the Registration Statement or any other statement, filing, notice or application made by or on behalf of Community, Merchants or any of their

(h) Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require Community or its Subsidiaries to take, or agree to take, any actions, or to accept any restriction, requirement or condition, that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect on Community, Merchants and their respective Subsidiaries, taken as a whole, or prohibit or materially limit the ownership or operation by Merchants or any of its Subsidiaries, or Community or any of its Subsidiaries, of all or any material portion of the business or assets of Merchants and its Subsidiaries or Community and its Subsidiaries, in each case taken as a whole, or compel Community or any of its Subsidiaries to dispose of or hold separate all or any material portion of the business or assets of Merchants and its Subsidiaries or Community and its Subsidiaries, in each case taken as a whole (a Materially Burdensome Regulatory Condition).

Section 4.10 Investigation and Confidentiality. (c) Any singular term in this Agreement shall be deemed to include the plural, and any plural term the singular. Whenever the words include, includes, or including are used in this Agreement, they shall be deemed followed by the words without limitation. The words hereby, herein, hereof or hereunder, and similar terms are to be deemed to this Agreement as a whole and not to any specific section.

Section 7.2 Non-Survival of Representations and Covenants. The respective representations, warranties, obligations, covenants, and agreements of the Parties shall be deemed only to be conditions of the Merger and shall not survive the Effective Time, except for Section 4.16 and for those other covenants and agreements contained in this Agreement that by their terms apply or are to be performed in whole or in part after the Effective Time.

Section 7.3 Expenses. Each of the Parties shall bear and pay all direct costs and expenses incurred by it or on its behalf in connection with the transactions contemplated hereunder, whether or not such transactions are consummated, including filing, registration, and application fees, printing fees, and fees and expenses of its own financial or other consultants, investment bankers, accountants, and counsel, except that Community and Merchants shall bear and pay fifty percent (50%) of all printing and mailing costs associated with the Registration Statement and Proxy Statement and any amendment or supplement thereto.

Section 7.4 Entire Agreement. Except as otherwise expressly provided herein, this Agreement (including the Merchants Disclosure Letter, the Community Disclosure Letter and the Exhibits) constitutes the entire agreement between the Parties with respect to the transactions contemplated hereunder and supersedes all prior arrangements or understandings with respect thereto, written or oral, other than the Confidentiality Agreement, which shall remain in effect. The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance herewith without notice or Liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date. Notwithstanding any other provision hereof to the contrary, except for Section 4.16, no consent, approval, or agreement of any third party beneficiary will be required to amend, modify or waive any provision of this Agreement. Nothing in this Agreement, express or implied, is intended to confer upon any Person, other than the Parties or their respective successors, any rights, remedies, obligations, or liabilities under or by reason of this Agreement; provided that, notwithstanding the foregoing clause, following the Effective Time only (but not unless and until the Effective Time occurs), (i) the provisions of Section 4.16 shall be enforceable by each Indemnified Party described therein, and (ii) each holder of Merchants Common Stock, who properly surrenders his, her or its Merchants Common Stock in accordance with Article 2, shall have the right to receive the applicable Merger Consideration and such right shall be enforceable by such holder of Merchants Common Stock.

Section 7.5 Amendments. Before the Effective Time, this Agreement (including the Merchants Disclosure Letter, the Community Disclosure Letter and the Exhibits) may be amended by a subsequent writing signed by each of the Parties, whether before or after the Merchants Stockholder Approval has been obtained, except to the extent that any such amendment would require the approval of the stockholders of Merchants, unless such required approval is obtained.

Section 7.6 Waivers. (a) Prior to or at the Effective Time, either Party shall have the right to waive any Default in the performance of any term of this Agreement by the other Party, to waive or extend the time for the compliance or fulfillment by the other Party of any and all of such other Party's obligations under this Agreement, and to waive any or all of the conditions precedent to its obligations under this Agreement, except any condition which, if not satisfied, would result in the violation of any Law. No waiver by a Party shall be effective unless in writing signed by a duly

authorized officer of such Party.

(b) The failure of any Party at any time or times to require performance of any provision hereof shall in no manner affect the right of such Party at a later time to enforce the same or any other provision of this Agreement. No waiver of any condition or of the breach of any term contained in this Agreement in one or

Upon such determination, the Parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the Parties. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

Section 7.15 Specific Performance. The Parties agree that irreparable damage would occur and that the Parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, except as expressly provided in the following sentence. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement and, in any action for specific performance, each Party waives the defense of adequacy of a remedy at law and waives any requirement for the securing or posting of any bond in connection with such remedy, this being in addition to any other remedy to which they are entitled at law or in equity (subject to the limitations set forth in this Agreement). The Parties hereto further agree that (i) by seeking the remedies provided for in this Section 7.15, a Party shall not in any respect waive its right to seek any other form of relief that may be available to a Party under this Agreement (including monetary damages) for breach of any of the provisions of this Agreement or in the event that this Agreement has been terminated or in the event that the remedies provided for in this Section 7.15 are not available or otherwise are not granted, and (ii) nothing set forth in this Section 7.15 shall require any Party to institute any proceeding for (or limit any Party's right to institute any proceeding for) specific performance under this Section 7.15 prior or as a condition to exercising any termination right under Article 6 (and pursuing damages after such termination (subject to Section 6.3)).

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. **AGREEMENT TO VOTE, RESTRICTIONS ON VOTING AND DISPOSITIONS, REVOCATION OF PROXIES.**

(i) THE STOCKHOLDER HEREBY GRANTS TO, AND APPOINTS, COMMUNITY AND ANY DESIGNEE OF COMMUNITY, EACH OF THEM INDIVIDUALLY, THE STOCKHOLDER'S IRREVOCABLE (UNTIL THE TERMINATION OF THIS AGREEMENT) PROXY AND ATTORNEY-IN-FACT (WITH FULL POWER OF SUBSTITUTION) TO VOTE THE SHARES SOLELY AS INDICATED IN SECTION 1. THE STOCKHOLDER INTENDS THIS PROXY TO BE IRREVOCABLE (UNTIL THE TERMINATION OF THIS AGREEMENT) AND COUPLED WITH AN INTEREST AND WILL TAKE SUCH FURTHER ACTION OR EXECUTE SUCH OTHER INSTRUMENTS AS MAY BE NECESSARY TO EFFECTUATE THE INTENT OF THIS PROXY AND HEREBY REVOKES ANY PROXY PREVIOUSLY GRANTED BY THE STOCKHOLDER WITH RESPECT TO THE SHARES (THE STOCKHOLDER REPRESENTING TO COMMUNITY THAT ANY SUCH PROXY IS NOT IRREVOCABLE).

(ii) The proxy granted in this Section 1(e) shall automatically expire at the Expiration Time.

Section 2. **REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE STOCKHOLDER.**

(a) Representations and Warranties. The Stockholder represents and warrants to Community as follows:

(i) Capacity. The Stockholder is an individual and has all requisite capacity, power and authority to enter into and perform his or her obligations under this Agreement. No filing with, and no permit, authorization, consent or approval

of, any Governmental Authority is necessary on the part of the Stockholder for the execution, delivery and performance of this Agreement by the Stockholder or the consummation by the Stockholder of the transactions contemplated hereby.

(ii) Due Execution. This Agreement has been duly executed and delivered by the Stockholder.

(iii) Binding Agreement. Assuming the due authorization, execution and delivery of this Agreement by Community, this Agreement constitutes the valid and binding agreement of the Stockholder, enforceable against the Stockholder in accordance with its terms (except in all cases as such

enforceability may be limited by applicable bankruptcy, insolvency, reorganization, receivership, conservatorship, moratorium, or similar laws affecting the enforcement of creditors' rights generally and except that the availability of the equitable remedy of specific performance or injunctive relief is subject to the discretion of the court before which any proceeding may be brought).

(iv) Non-Contravention. The execution and delivery of this Agreement by the Stockholder does not, and the performance by the Stockholder of his or her obligations hereunder and the consummation by the Stockholder of the transactions contemplated hereby will not violate or conflict with, or constitute a default under, any agreement, instrument, contract or other obligation or any order, arbitration award, judgment or decree to which the Stockholder is a party or by which the Stockholder is bound, or to the knowledge of the Stockholder, any statute, rule or regulation to which the Stockholder is subject. Except as contemplated by this Agreement, the Stockholder (a) has not entered into any voting agreement or voting trust with respect to any Shares or entered into any other contract relating to the voting of the Shares and (b) has not appointed or granted a proxy or power of attorney with respect to any Shares, in either case, which is inconsistent with the Stockholder's obligations pursuant to this Agreement.

(v) Ownership of Shares. Except for restrictions in favor of Community pursuant to this Agreement and restrictions in favor of Merchants with respect to any Merchants Restricted Shares, and except for such transfer restrictions of general applicability as may be provided under the Securities Act, and the blue sky laws of the various States of the United States, the Stockholder owns, beneficially and of record, all of the Stockholder's Shares, as applicable, free and clear of any proxy, voting restriction, adverse claim, pledge, security interest, voting trust or agreement, understanding or arrangement, or other encumbrance or lien and has sole voting power and sole power of disposition with respect to the Stockholder's Shares with no restrictions on the Stockholder's rights of voting or disposition pertaining thereto and no Person other than the Stockholder has any right to direct or approve the voting or disposition of any of the Stockholder's Owned Shares. As of the date hereof, the number of Owned Shares equals the number of Shares set forth on the Stockholder's signature page hereto (inclusive of any Merchants Restricted Shares owned by the Stockholder as set forth on the Stockholder's signature page hereto), and would include, (i) if exercised, the number of shares of Merchants Common Stock issuable upon the exercise of Merchants Stock Options or Merchants Warrants as set forth on the Stockholder's signature page hereto and (ii) if settled in Merchants Common Stock, the number of shares of Merchants Common Stock issuable upon the settlement of Merchants Deferred Shares as set forth on the Stockholder's signature page hereto.

(vi) Legal Actions. As of the date hereof, there is no action, suit, investigation, complaint or other proceeding pending against the Stockholder or, to the knowledge of the Stockholder, threatened against the Stockholder that restricts or prohibits (or, if successful, would restrict or prohibit) the performance by the Stockholder of his or her obligations under this Agreement.

(vii) Reliance. The Stockholder understands and acknowledges that Community is entering into the Merger Agreement in reliance upon the Stockholder's execution and delivery of this Agreement and the representations and warranties of the Stockholder contained herein.

(b) Covenants. From the date hereof until the Expiration Time:

(i) the Stockholder agrees not to take any action that would make any representation or warranty of the Stockholder contained herein untrue or incorrect in any material respect or have the effect of preventing, impeding, or, in any material respect, interfering with or adversely affecting the performance by the Stockholder of his or her obligations under this Agreement;

- (ii) the Stockholder hereby agrees, while this Agreement is in effect, to promptly notify Community of the number of any new shares of Merchants Common Stock acquired by the Stockholder, if any, after the date hereof. Any such shares shall be subject to the terms of this Agreement as though owned by the Stockholder on the date hereof; and
- (iii) the Stockholder hereby authorizes Community and Merchants to publish and disclose in any announcement or disclosure required by the SEC and any proxy statement filed in connection with the

A-70

transactions contemplated by the Merger Agreement the Stockholder's identity and ownership of the Owned Shares and the nature of the Stockholder's obligations under this Agreement.

Section 3. **FURTHER ASSURANCES.** FROM TIME TO TIME, AT THE REQUEST OF COMMUNITY AND WITHOUT FURTHER CONSIDERATION, THE STOCKHOLDER SHALL EXECUTE AND DELIVER SUCH ADDITIONAL DOCUMENTS AND TAKE ALL SUCH FURTHER ACTION AS MAY BE NECESSARY TO CONSUMMATE AND MAKE EFFECTIVE THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

Section 4. **TERMINATION.** OTHER THAN WITH RESPECT TO THIS SECTION AND SECTION 6, WHICH SHALL SURVIVE ANY TERMINATION OF THIS AGREEMENT, THIS AGREEMENT WILL TERMINATE UPON THE EARLIER TO OCCUR OF (A) THE CONSUMMATION OF THE MERGER AND (B) THE DATE OF TERMINATION OF THE MERGER AGREEMENT IN ACCORDANCE WITH ITS TERMS (THE EXPIRATION TIME); PROVIDED THAT NO SUCH TERMINATION SHALL RELIEVE ANY PARTY HERETO FROM ANY LIABILITY FOR ANY UNCURED WILLFUL BREACH OF THIS AGREEMENT OCCURRING PRIOR TO SUCH TERMINATION.

Section 5. **APPRAISAL RIGHTS.** THE STOCKHOLDER HEREBY WAIVES ANY RIGHTS OF APPRAISAL OR RIGHTS TO DISSENT FROM THE MERGER THAT THE STOCKHOLDER MAY HAVE UNDER APPLICABLE LAW, INCLUDING SECTION 262 OF THE DGCL.

Section 6. **MISCELLANEOUS.**

(a) **Expenses.** All expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such expenses.

(b) **Notices.** All notices or other communications which are required or permitted hereunder shall be in writing and sufficient if delivered by hand, by facsimile or electronic transmission, by email, by registered or certified mail, postage pre-paid, or by courier or overnight carrier, to the Persons at the addresses set forth below (or at such other address as may be provided hereunder), and shall be deemed to have been delivered as of the date so delivered:

(c) Amendments, Waivers, Etc. This Agreement may not be amended, changed, supplemented, waived or otherwise modified or terminated except by an instrument in writing signed by Community and the Stockholder.

(d) Successors and Assigns. No party may assign any of its, his or her rights or delegate any of its, his or her obligations under this Agreement without the prior written consent of the other parties, except Community may, without the consent of the Stockholder, assign any of its rights and delegate any of its

obligations under this Agreement to any Affiliate of Community. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the parties and their respective successors and assigns, including without limitation any corporate successor by merger or otherwise. Notwithstanding any Transfer of Merchants Common Stock consistent with this Agreement, the transferor shall remain liable for the performance of all obligations of such transferor under this Agreement.

(e) No Third Party Beneficiaries. Nothing expressed or referred to in this Agreement will be construed to give any Person, other than the parties to this Agreement, any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement except for such rights as may inure to a successor or permitted assignee under Section 6(d).

(f) No Partnership, Agency, or Joint Venture. This Agreement is intended to create, and creates, a contractual relationship and is not intended to create, and does not create, any agency, partnership, joint venture or any like relationship between the parties hereto.

(g) Entire Agreement. This Agreement embodies the entire agreement and understanding among the parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter.

(h) Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

(i) Specific Performance; Remedies Cumulative. The parties hereto acknowledge that money damages are not an adequate remedy for violations of this Agreement and that any party, in addition to any other rights and remedies which the parties may have hereunder or at law or in equity, may, in his, her or its sole discretion, apply to a court of competent jurisdiction for specific performance or injunction or such other relief as such court may deem just and proper in order to enforce this Agreement or prevent any violation hereof and, to the extent permitted by applicable law, each party waives any objection to the imposition of such relief. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such rights, powers or remedies by such party.

(j) No Waiver. The failure of any party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party hereto with his, her or its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by such party of his, her or its right to exercise any such right, power or remedy or to demand such compliance.

(k) Governing Law; Jurisdiction.

(i) This Agreement and all disputes or controversies arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal Laws of the State of Delaware, without regard to any applicable conflicts of law principles that would result in the application of the Laws of another jurisdiction.

(ii) Each of the parties hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or, if under applicable Law, exclusive jurisdiction over such matters is vested in the Federal courts, any Federal court located in the State of Delaware, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby or for recognition or enforcement of any judgment relating thereto, and

A-72

TABLE OF CONTENTS

each of the Parties hereby irrevocably and unconditionally (i) agrees not to commence any such action or proceeding except in such courts, (ii) agrees that any claim in respect of any such action or proceeding may be heard and determined in such Court of Chancery or, to the extent required by Law, in such Federal court, (iii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding in any such court, and (iv) waives, to the fullest extent permitted by Law, (x) any claim that such party is not personally subject to the jurisdiction of any such court, (y) any claim that such party and such party's property is immune from any legal process issued by any such court and (z) the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each of the parties agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each party irrevocably consents to service of process in the manner provided for notices in Section 6(b). Nothing in this Agreement will affect the right of any party to serve process in any other manner permitted by Law.

(l) Waiver of Jury Trial. THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THAT ANY PARTY MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY PROCEEDING, LITIGATION OR COUNTERCLAIM BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY. IF THE SUBJECT MATTER OF ANY LAWSUIT IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY TO THIS AGREEMENT SHALL PRESENT AS A NONCOMPULSORY COUNTERCLAIM IN ANY SUCH LAWSUIT ANY CLAIM BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT. FURTHERMORE, NO PARTY TO THIS AGREEMENT SHALL SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY TRIAL CANNOT BE WAIVED.

(m) Drafting and Representation. The parties have participated jointly in the negotiation and drafting of this Agreement. No provision of this Agreement will be interpreted for or against any party because that party or his, her or its legal representative drafted the provision.

(n) Name, Captions, Gender. Section headings of this Agreement are for reference purposes only and are to be given no effect in the construction or interpretation of this Agreement. Whenever the context may require, any pronoun used herein shall include the corresponding masculine, feminine or neuter forms.

(o) Capacity. This Agreement shall only apply to actions taken by the Stockholder in his or her capacity as a stockholder of Merchants and, if applicable, shall not in any way limit or affect actions the Stockholder or any of his or her Representatives may take in such Person's capacity as a director, officer, or employee of Merchants, including in exercising rights under the Merger Agreement, and no such actions or omissions shall be deemed a breach of this Agreement or be construed to prohibit, limit or restrict the Stockholder from exercising the Stockholder's fiduciary duties as a director or officer of Merchants.

(p) Counterparts. This Agreement may be executed by facsimile or PDF and in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies each signed by less than all, but together signed by all, the parties hereto.

(q) Definitions. Capitalized terms used herein and not defined shall have the meanings specified in the Merger Agreement.

(r) No Agreement Until Executed. Irrespective of negotiations among the parties or the exchanging of drafts of this Agreement, this Agreement shall not constitute or be deemed to evidence a contract, agreement, arrangement or

understanding between the parties hereto unless and until (i) the Merger Agreement is validly approved by Merchants Board of Directors, (ii) the Merger Agreement is executed by all parties thereto, and (iii) this Agreement is executed by all parties hereto.

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of common stock, par value \$0.01 per share (the Company Common Stock), of Merchants Bancshares, Inc. (the Company), of the Merger Consideration (as defined below) to be received pursuant to an Agreement and Plan of Merger (the Agreement), to be entered into between the Company and Community Bank System, Inc. (the Acquiror). The Agreement provides for, among other things, the merger (the Merger) of the Company with and into the Acquiror, pursuant to which, upon the effective time of the Merger, each share of Company Common Stock, issued and outstanding immediately prior to the effective time of the Merger, except for certain shares of Company Common Stock as specified in the Agreement, will be converted into the right to receive, at the election of each holder of Company Common Stock, the following consideration: (i) the combination of \$12.00 in cash (the Mixed Cash Consideration) and 0.6741 shares (the Mixed Stock Consideration) and, together with the Mixed Cash Consideration, the Mixed Election Consideration) of common stock, par value \$1.00 per share, of the Acquiror (the Acquiror Common Stock); (ii) 0.963 shares of Acquiror Common Stock (the Stock Election Consideration); or (iii) \$40.00 in cash (the Cash Election Consideration) and together with the Mixed Election Consideration and the Stock Election Consideration, the Merger Consideration). Cash will be paid in lieu of any fractional shares. The holders of the Company Common Stock will be offered the opportunity to elect to receive the Merger Consideration in the form of the Mixed Election Consideration, the Stock Election Consideration or the Cash Election Consideration in exchange for each of their shares of Company Common Stock. All elections will be subject to allocation and proration procedures described in the Agreement that are intended to ensure that 70% of the shares of Company Common Stock at the time of the Merger are exchanged for Acquiror Common Stock and the remainder for cash. The terms and conditions of the Merger are more fully set forth in the Agreement. Capitalized terms not otherwise defined in this letter have the meanings set forth in the Agreement.

Piper Jaffray & Co., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In arriving at our opinion, we have: (i) reviewed and analyzed the financial terms of a draft of the Agreement dated October 22, 2016; (ii) reviewed and analyzed certain financial and other data with respect to the Company and the Acquiror that was publicly available or made available to us by the Company and by the Acquiror; (iii) reviewed and analyzed certain forward-looking information relating to the Company and the Acquiror that was publicly available, as well as that was furnished to us by the Company and the Acquiror, including internally prepared forecasts of the Company's expected operating results on a stand-alone basis; (iv) reviewed and analyzed materials detailing the Merger prepared by the Company, the Acquiror and their affiliates and by their respective legal and accounting advisors, including the estimated amount and timing of the cost savings and related expenses and purchase accounting adjustments expected to result from the Merger (the Synergies); (v) conducted discussions with members of senior management and representatives of the Company and the Acquiror concerning the matters described in clauses (i), (ii), (iii) and (iv) above, as well as their respective businesses and prospects before and after giving effect to the Merger and the Synergies; (vi) reviewed the current and historical reported prices and trading activity of Company Common Stock and the Acquiror Common Stock and similar information for certain other publicly traded companies deemed by us to be comparable to the Company and the Acquiror; (vii) compared the financial performance of the Company and the Acquiror with that of certain other publicly traded companies that we deemed relevant; (viii) performed certain financial analyses for the Company and the Acquiror on a pro forma combined basis giving effect to the Merger based on assumptions relating to the Synergies; (ix) analyzed the Merger Consideration relative to the historical trading price of Company Common Stock and the Company's tangible book value, core deposits (deposits less all jumbo time deposits and brokered deposits) and last twelve months earnings as of June 30, 2016 as well as analyst estimated earnings for 2017; (x) considered the current market environment generally and the commercial banking environment in particular; and (xi) reviewed the financial terms, to the extent publicly available, of certain business combination transactions in the depository banking industry that we deemed relevant. In addition, we have conducted such other analyses, examinations and inquiries and considered such other financial, economic and market criteria as we have deemed necessary in arriving at our opinion.

In arriving at our opinion, we have relied upon and assumed, without assuming liability or responsibility for independent verification, the accuracy and completeness of all information that was publicly available or was furnished, or otherwise made available, to us or discussed with or reviewed by us. We have further relied upon the assurances of the management of the Company and the Acquiror that the financial information provided has been prepared on a reasonable basis in accordance with industry practice, and that they are not aware of any information or facts that would make any information provided to us incomplete or misleading. Without limiting the generality of the foregoing, for the purpose of this opinion, we have assumed that with respect to financial forecasts, estimates and other forward-looking information (including the Synergies) reviewed by us, that such information has been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments of the management of the Company and the Acquiror as to the expected future results of operations and financial condition of the Company and the Acquiror, respectively, to which such financial forecasts, estimates and other forward-looking information (including the Synergies) relate and we have assumed that such results would be achieved. We express no opinion as to any such financial forecasts, estimates or forward-looking information (including the Synergies) or the assumptions on which they were based. We have further assumed that the Merger will qualify as a tax-free reorganization for United States federal income tax purposes. We express no opinion as to any of the legal, accounting and tax matters relating to the Merger and any other transactions contemplated in connection therewith and have

relied, with your consent, on advice of the outside legal counsel and the independent accountants to the Company, and on the assumptions of the management of the Company and the Acquiror, as to all accounting, legal, tax and financial reporting matters with respect to the Company, the Acquiror and the Agreement.

In arriving at our opinion, we have assumed that the executed Agreement will be in all material respects identical to the last draft reviewed by us. We have relied upon and assumed without independent verification, that (i) the representations and warranties of all parties to the Agreement and all other related documents and instruments that are referred to therein are true and correct, (ii) each party to such agreements will fully and timely perform all of the covenants and agreements required to be performed by such party, (iii) the Merger will be consummated pursuant to the terms of the Agreement without amendments thereto and (iv) all conditions to the consummation of the Merger will be satisfied without waiver by any party of any conditions or obligations thereunder. Additionally, we have assumed that all the necessary regulatory approvals and consents required for the Merger will be obtained in a manner that will not adversely affect the Company, the Acquiror or the contemplated benefits of the Merger.

In arriving at our opinion, we have not performed any appraisals or valuations of any specific assets or liabilities (fixed, contingent, derivative, off-balance sheet, or other) of the Company or the Acquiror, and have not been furnished or provided with any such appraisals or valuations, nor have we evaluated the solvency of the Company or the Acquiror under any state or federal law relating to bankruptcy, insolvency or similar matters. Accordingly, we express no opinion regarding the liquidation value of the Company, the Acquiror or any other entity. We have assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of the Company or the Acquiror since the date of the most recent financial data made available to us. We have also assumed in all respects material to our analysis that the Company and the Acquiror would remain as a going concern for all periods relevant to our analysis. Without limiting the generality of the foregoing, we have not: (i) conducted a review of any individual credit files of the Company or the Acquiror, nor have we evaluated the adequacy of the loan or lease reserves of the Company or the Acquiror, (ii) conducted a review of any credit mark that may be taken in connection with the Merger, nor have we evaluated the adequacy of any contemplated credit mark to be so taken, or (iii) conducted a review of the collectability of any asset or the future performance of any loan of the Company or the Acquiror. We have assumed, with your consent, that the respective allowances for loan and lease losses for the Company and the Acquiror, and the credit mark are adequate to cover such losses and will be adequate on a pro forma basis for the Acquiror. Accordingly, we express no opinion with respect to the foregoing. Again, without limiting the generality of the foregoing, we have undertaken no independent analysis of any pending or threatened litigation, regulatory action, possible unasserted claims or other contingent liabilities, to which the Company or the Acquiror is a party or may be subject, and at the direction of the Company and with your consent, our opinion makes no assumption concerning, and therefore does not consider, the possible assertion of claims, outcomes or damages arising out of any such matters. We have also assumed that neither the Company nor the Acquiror is party to any material pending transaction, including without limitation any financing, recapitalization, acquisition or merger, divestiture or spin-off, other than the Merger and the merger of the principal banking subsidiaries of the Company and Acquiror contemplated by the Agreement.

No company or transaction used in any analysis for purposes of comparison is identical to the Company, the Acquiror or the Merger. Accordingly, an analysis of the results of the comparisons is not solely mathematical; rather, it involves complex considerations and judgments about differences in the companies and transactions to which the Company, the Acquiror and the Merger were compared and other factors that could affect the public trading value or transaction value of the companies.

This opinion is necessarily based on economic, market and other conditions and upon the information available to us and facts and circumstances as they exist and are subject to evaluation on the date hereof. Events occurring after the

date hereof could materially affect the assumptions used in preparing this opinion. We are not expressing any opinion herein as to the price at which shares of Company Common Stock or Acquiror Common Stock may trade following announcement of the Merger or at any future time. We have not undertaken to reaffirm or revise this opinion or otherwise comment upon any events occurring after the date hereof and do not have any obligation to update, revise or reaffirm this opinion.

We have been engaged by the Company to act as its financial advisor in connection with the Merger and we will receive a transaction fee from the Company for providing our services, a significant portion of which is contingent upon the consummation of the Merger. We will also receive a fee for rendering this opinion, which opinion fee will be credited in full towards the transaction fee becoming payable to us upon closing of the Merger. Our opinion fee is not contingent upon the consummation of the Merger or the conclusions reached in our opinion. The Company has also agreed to indemnify us against certain liabilities and reimburse us for certain expenses in connection with our services. Other than our engagement by the Company in connection with the Merger, we have not provided investment banking services to the Company, the Acquiror or entities that are affiliated with the Company or the Acquiror over the past three years; however, we may do so in the future. In addition, in the ordinary course of our business, we and our affiliates may actively trade securities of the Company or the Acquiror for our own account or the account of our customers and, accordingly, may at any time hold a long or short position in such securities. We may also, in the future, provide investment banking and financial advisory services to the Acquiror or entities that are affiliated with the Acquiror, for which we would expect to receive compensation.

Consistent with applicable legal and regulatory requirements, Piper Jaffray has adopted policies and procedures to establish and maintain the independence of its Research Department and personnel. As a result, Piper Jaffray's research analysts may hold opinions, make statements or recommendations, and/or publish research reports with respect to the Acquiror and the Merger and other participants in the Merger that differ from the views of Piper Jaffray's investment banking personnel.

This opinion is provided to the Board of Directors of the Company in connection with its consideration of the Merger and is not intended to be and does not constitute a recommendation to any stockholder of the Company as to how such stockholder should act or vote with respect to the Merger or any other matter. Except with respect to the use of this opinion in connection with the proxy statement relating to the Merger in accordance with our engagement letter with the Company, this opinion shall not be disclosed, referred to, published or otherwise used (in whole or in part), nor shall any public references to us be made, without our prior written approval. This opinion has been approved for issuance by the Piper Jaffray Opinion Committee.

This opinion addresses solely the fairness, from a financial point of view, to holders of Company Common Stock of the proposed Merger Consideration set forth in the Agreement and does not address any other terms or agreement relating to the Merger or any other terms of the Agreement. We were not requested to opine as to, and this opinion does not address: (i) the basic business decision to proceed with or effect the Merger; (ii) the merits of the Merger relative to any alternative transaction or business strategy that may be available to the Company; (iii) the Acquiror's ability to fund the Mixed Cash Consideration and the Cash Consideration; (iv) any other terms contemplated by the Agreement; or (v) the fairness of the Merger, or any consideration received in connection therewith by, the holders of any other class of securities or any creditor or other constituency of the Company. Furthermore, we express no opinion with respect to the amount or nature of compensation to any officer, director or employee of any party to the Merger, or any class of such persons, relative to the Merger Consideration to be received by holders of Company Common Stock in the Merger or with respect to the fairness of any such compensation, including whether such payments are reasonable in the context of the Merger.

Based upon and subject to the foregoing and based upon such other factors as we consider relevant, it is our opinion that the Merger Consideration is fair, from a financial point of view, to the holders of Company Common Stock as of

the date hereof.

Sincerely,

PIPER JAFFRAY & CO.

ANNEX C

Provisions of the Delaware General Corporation Law relating to Appraisal Rights

Section 262 Appraisal rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to §228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to §251 (other than a merger effected pursuant to §251(g) of this title and, subject to paragraph (b)(3) of this section, §251(h) of this title), §252, §254, §255, §256, §257, §258, §263 or §264 of this title:

(1) Provided, however, that, except as expressly provided in §363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in §251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under §251(h), §253 or §267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by §363(a) of this title, appraisal rights shall be available as contemplated by §363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply

C-1

as nearly as practicable, with the word amendment substituted for the words merger or consolidation, and the word corporation substituted for the words constituent corporation and/or surviving or resulting corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d), (e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with §255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if one of the constituent corporations is a nonstock corporation, a copy of §114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within ten days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to §228, §251(h), §253, or §267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within ten days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if one of the constituent corporations is a nonstock corporation, a copy of §114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to §251(h) of this title, within the later of the consummation of the offer contemplated by §251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within ten days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to §251(h) of this title, later than the later of the consummation of the offer contemplated by §251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled

to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the

C-2

TABLE OF CONTENTS

secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than ten days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within ten days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within ten days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by one or more publications at least one week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless (1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the

consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to §253 or §267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings.

Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account

all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment

shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may

pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the

Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register

in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

- (l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

Item 22. Undertakings

(a) The registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or most recent post-effective amendment thereof) which individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent not more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment
- (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.
- The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall
- (b) be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (1)

The registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is

(c) deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

TABLE OF CONTENTS

The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement (2) and will not be used until such amendment is effective, and that, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for (d) indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and (e) to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information (f) concerning a transaction, and the company being acquired involved therein, that was not the subject of, and included in the registration statement when it became effective.
