**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On January 24, 2018, the Board of Directors (the “Board”) of The McClatchy Company (the “Company”) approved the adoption of The McClatchy Company Executive Supplemental Retirement Plan (the “Executive Supplemental Plan”), effective on the same day. The Executive Supplemental Plan provides a means for executives, including the Company’s named executive officers, to obtain additional retirement accumulation, thereby supporting the Company’s retention of key personnel.

The Compensation Committee of the Board (the “Committee”) may extend eligibility to participate in the Executive Supplemental Plan to any executive officer or other key employee of the Company or its affiliates. Prior to each calendar year, the Committee will approve a list of executive officers and/or other key employees who will remain as active participants under the Executive Supplemental Plan for the upcoming calendar year.

The Executive Supplemental Plan provides that, for each calendar year after the effective date of the plan, the Company will make a contribution of ten percent (10%) of a participant’s compensation for the calendar year to each participant who remains employed by the Company or its affiliates on the last day of such calendar year or who experiences a separation from service during the calendar year on account of retirement on or after age 55 with ten years of service, involuntary termination by the Company or its affiliate without cause, death, or disability.

Any Company contributions under the Executive Supplemental Plan will be credited to a participant’s bookkeeping account, which account will be adjusted to reflect increases or decreases based on the allocation of the account in one or more investment indexes or a credited interest rate based on a published benchmark index selected by the plan administrator. A participant’s benefits under the Executive Supplemental Plan vest over a ten-year vesting schedule, with fifty percent (50%) of the benefits vesting after five years of service and an additional ten percent (10%) of the benefits vesting for each additional year of service thereafter. A participant becomes fully vested immediately upon a separation from service on account of retirement on or after age 55 with ten years of service, involuntary termination by the Company or its affiliate without cause, death, or disability. Except in the case of termination of employment due to a participant’s death, a participant’s vested benefits under the Executive Supplemental Plan will be distributed in three equal annual installments commencing in January of the calendar year following his or her termination date or, if later, as of the first day of the seventh month following his or her termination date. In the case of a termination of employment due to a participant’s death, the full amount of the participant’s account will be paid to the participant’s beneficiary in a single lump sum.

The Company may, in its sole discretion, terminate the Executive Supplemental Plan at any time. The Company may partially or completely terminate the Executive Supplemental Plan.

The summary of the Executive Supplemental Plan set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Executive Supplemental Plan, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
