**Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

As previously reported by Fellows Energy Ltd. (the "Company") on the Company's Form 8-K filed on November 16, 2007, the Company has categorized the entire balance of the Convertible Debentures due September 2007 and December 2007 held by Palisades Master Fund, Ltd. and PEF Advisors, LLC (collectively "Palisades") as immediately due and payable and such amounts appear in the Company's balance sheets as current liabilities. On January 22, the Company received a demand letter from Palisades with respect to the debentures, demanding immediate payment of the amounts claimed by Palisades to be due and advising that Palisades will pursue legal remedies in the event of non-payment. Prior to that time, the Company has been in ongoing discussions with Palisades concerning renegotiation or restructuring of those debentures in connection with its ongoing efforts to pursue the completion of its purchase of the Dolar Energy, LLC interests (as previously disclosed), joint venture financings, or other business combinations. The Company will continue in these efforts and attempt to satisfy any valid obligations under such Convertible Debentures and pursue the Dolar Energy, LLC transactions and other financing or acquisition transactions that it may be able to identify.
