Notice Regarding Revised Financial Forecasts of Subsidiary
(Tokki Corporation)

Canon Inc., announced today that Tokki Corporation (Securities code: 9813, listed on JASDAQ), a subsidiary, has revised its consolidated and non-consolidated financial forecast for fiscal year 2009 (July 1, 2008 to June 30, 2009), as summarized below.

There is no change to the consolidated financial forecasts for Canon Inc. due to this revision.

Tokki Corporation revised its consolidated and non-consolidated financial forecasts for fiscal year 2009 (July 1, 2008 to June 30, 2009), announced on July 23, 2008, as follows.

1. Revised consolidated financial forecast

Change (%)	--	107%	126%	--
(For reference)	6,610	-750	-799	-656
Previous year's results				
Fiscal 2008				

2. Revised non-consolidated financial forecast

1. First-half of fiscal year 2009 (July 1, 2008 to December 31, 2008)

(Units: millions of yen, %)

	Net sales	Operating income	Ordinary profit	Net income

(For reference)	2,971	-751	-804	-657
Previous year's results				
Fiscal 2008				

3. Reasons for revision to consolidated financial forecasts

1. First-half of fiscal year 2009 (July 1, 2008 to December 31, 2008)

Although the financial forecast for net sales was unchanged, Tokki Corporation expects a reduction in its cost of sales ratio, exceeding its previous forecast, due to VE design and additional cost reduction, especially for large equipment.

2. Fiscal year 2009 (July 1, 2008 to June 30, 2009)
Same reason as above.

This notice contains forward-looking statements with respect to future results, performance and achievements that are subject to risk and uncertainties and reflect management's views and assumptions formed by available information. All statements other than statements of historical fact are statements that could be considered forward-looking statements. When used in this document, words such as anticipate, believe, estimate, expect, intend, may, plan, and similar expressions, as they relate to Canon, are intended to identify forward-looking statements. Many factors could cause the actual results, performance or achievements of Canon to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, changes in general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products by other companies, lack of acceptance of new products or services by Canon's targeted customers, inability to meet efficiency and cost-reduction objectives, changes in business strategy and various other factors, both referenced and not referenced in this notice. A detailed description of these and other risk factors is included in Canon's annual report on Form 20-F, which is on file with the United States Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. Canon does not intend or assume any obligation to update these forward-looking statements.
