Item 7.01. Regulation FD Disclosure.

On January 19, 2006, the Company issued a press release that IP Australia (the Australian Trademark Office) determined that the Company's Australian UGH-BOOT trademark registration should be removed from the Australian register for non-use. Deckers, which sells UGG(R) Australia luxury sheepskin footwear, outerwear and handbags, does not anticipate a material affect on sales because the UGH-BOOT trademark is not significant in Deckers' marketing. Deckers markets its products worldwide using the UGG and UGG AUSTRALIA trademarks. Deckers' UGG trademark is duly registered in the United States and more than 40 other countries. Deckers is considering appealing the IP Australia decision. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.
