Converium Holding Ltd, Zug

Zug, Switzerland - October 17, 2006 - Converium agrees to sell its North American operations to Berkshire Hathaway

Converium today announces that it has signed a definitive agreement to sell its North American operations to National Indemnity Company, a Berkshire Hathaway company, for a total consideration of USD 295 million comprised of USD 95 million in cash and USD 200 million in assumption of debt. Converium has not provided any guarantee or indemnity in respect of the reserves of the North American operations. The transaction is subject to regulatory approvals and customary closing conditions.

Inga Beale, Converium's Chief Executive Officer, said: "With this transaction we have successfully delivered on our promise to achieve finality regarding Converium's US operations through a clean-cut sale. We can now fully concentrate on building Converium's future, with our business strategy focused on markets outside the US."

Inga Beale continued: "I would like to thank the North American team for an excellent job in running-off and commuting a major portion of Converium's North American liabilities prior to today's announcement. Our North American colleagues have exceeded expectations both in terms of the pace and the profitability of our run-off operations."

Upon the closing of the sale, Converium will reduce its exposure significantly as National Indemnity Company will assume all of the North American operations' reinsurance liabilities (USD 1.06 billion as of June 30, 2006) as well as USD 200 million of debt issued by Converium Holdings (North America) Inc. Converium estimates that the sale will result in a decrease in shareholders' equity of USD 135 million.

Paolo De Martin, Converium's Chief Financial Officer, said: "Even after adjusting the June 30, 2006 shareholders' equity to USD 1.66 billion to account for the sale, we maintain a strong financial position, while further de-risking our balance sheet. The clean-cut agreement to sell our North American operations meets a crucial condition for an improved financial strength rating."

Converium will provide further details on the transaction on November 7, 2006, when the Company reports on the financial results for the third quarter of 2006.
