PROXY STATEMENT FOR THE 2014 ANNUAL MEETING OF STOCKHOLDERS

May 29, 2014

Information About Solicitation and Voting

The accompanying proxy is solicited on behalf of Vocera Communication, Inc.'s Board of Directors for use at Vocera's 2014 Annual Meeting of Stockholders (the "meeting") to be held on May 29, 2014, at 10:00 am (Pacific Time), and any adjournment or postponement thereof.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies to each stockholder. On or about April 17, 2014, we expect to send to our stockholders a Notice of Internet Availability of Proxy Materials ("Notice of Internet Availability") containing instructions on how to access our proxy materials, including our proxy statement and our annual report on Form 10-K. The Notice of Internet Availability also provides instructions on how to vote through the Internet or by telephone and includes instructions on how to receive paper copies of the proxy materials by mail or an electronic copy of the proxy materials by email.

This process is designed to reduce our environmental impact and lower the costs of printing and distributing our proxy materials without impacting our stockholders' timely access to this important information. However, if you would

prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

General Information About the Meeting

Purpose of the Meeting

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, we will consider any other matters that are properly presented for a vote at the meeting. We are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly presented for a vote at the meeting, the persons named in the proxy, who are officers of the company, have the authority in their discretion to vote the shares represented by the proxy.

Record Date; Quorum

Only holders of record of common stock at the close of business on April 9, 2014, the record date, will be entitled to vote at the meeting. At the close of business on April 9, 2014, Vocera had 25,141,629 shares of common stock outstanding and entitled to vote.

The holders of a majority of the voting power of the shares of stock entitled to vote at the meeting as of the record date must be present or represented by proxy at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in person at the meeting or if you have properly submitted a proxy.

General Proxy Information

Voting Rights; Required Vote

Each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 9, 2014, the record date. You may vote all shares owned by you at such date, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee or other nominee.

Stockholder of Record: Shares Registered in Your Name. If on April 9, 2014, your shares were registered directly in your name with Vocera's transfer agent, Computershare Trust Company, N.A., then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting, or vote in advance through the Internet or by telephone, or if you request to receive paper proxy materials by mail, by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee. If on April 9, 2014, your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your broker on how to vote the shares held in your account, and your broker has enclosed or provided voting instructions for you to use in directing it on how to vote your shares. Because the brokerage firm, bank or other nominee that holds your shares is the stockholder of record, if you wish to attend the meeting and vote your shares you must obtain a valid proxy from the firm that holds your shares giving you the right to vote the shares at the meeting.

Each director will be elected by a plurality of the votes cast, which means that the three individuals nominated for election to the Board of Directors at the meeting receiving the highest number of "FOR" votes will be elected. You may either vote "FOR" one, two or all nominees or "WITHHOLD" your vote with respect to one, two or all nominees. You may not cumulate votes in the election of directors. Approval of the ratification of the appointment of our independent registered public accounting firm will be obtained if the number of votes cast "FOR" the proposal at the meeting exceeds the number of votes "AGAINST" the proposal.

Abstentions (shares present at the meeting and voted "abstain") are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Broker non-votes occur when shares held by a broker for a beneficial owner are represented at the meeting but not voted on the particular proposal either because (i) the broker did not receive voting instructions from the beneficial owner, or (ii) the broker lacked discretionary authority to vote the shares. Broker non-votes are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Note that if you are a beneficial holder and do not provide specific voting instructions to your broker, the broker that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the meeting.

Recommendations of the Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The Board of Directors recommends that you vote **FOR** each of the Class II directors named in this proxy statement (Proposal 1) and **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal 2).

Voting Instructions; Voting of Proxies

If you are a stockholder of record, you may:

- vote in person — we will provide a ballot to stockholders who attend the meeting and wish to vote in person;
- vote through the Internet or by telephone — in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or
- vote by mail — if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the proxy card and return it as soon as possible before the meeting in the envelope provided.

Votes submitted through the Internet or by telephone must be received by 11:59 p.m., Eastern Time, on May 28, 2014. Submitting your proxy, whether by telephone, through the Internet or by mail if you request or received a paper proxy card, will not affect your right to vote in person should you decide to attend the meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct it how to vote your shares. You may either vote “FOR” all of the nominees to the Board of Directors, or you may withhold your vote from any nominee you specify. For Proposal 2, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our Board of Directors stated above.

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute “broker non-votes” (as described above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the meeting.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

The expenses of soliciting proxies will be paid by Vocera. Following the original distribution and mailing of the solicitation materials, we or our agents may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. Following the original distribution and mailing of the solicitation materials, we will request brokers, custodians, nominees and other record holders to forward copies of those materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, we, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder who has given a proxy may revoke it at any time before the closing of the polls by the inspector of elections at the meeting by:

delivering to the Corporate Secretary (by any means, including facsimile) a written notice stating that the proxy is revoked;

signing and delivering a proxy bearing a later date;

voting again through the Internet or by telephone; or

attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke or change any prior voting instructions.

Electronic Access to the Proxy Materials

The Notice of Internet Availability will provide you with instructions regarding how to:

- view our proxy materials for the meeting through the Internet;
- instruct us to mail paper copies of our future proxy materials to you; and
- instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The preliminary voting results will be announced at the meeting and posted on our website at <http://investors.vocera.com>. The final results will be tallied by the inspector of elections and filed with the SEC in a current report on Form 8-K within four business days of the meeting.

Annual Meeting Location

We will hold the meeting at our offices located at 525 Race Street, San Jose, CA 95126 on Thursday, May 29, 2014, at 10:00am (Pacific Time).

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

We are strongly committed to good corporate governance practices. These practices provide an important framework within which our Board of Directors and management pursue our strategic objectives for the benefit of our stockholders.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions, stock ownership guidelines, and other policies for the governance of the company. Our Corporate Governance Guidelines are available without charge on the investor relations section of our website at www.vocera.com.

Stock Ownership Guidelines

Our Board of Directors has adopted stock ownership guidelines. For our directors, with the exception of our Chief Executive Officer, not later than five years from the later of (i) July 30, 2012 or (ii) the date that an individual is initially elected as a director, such individual should beneficially own a number of shares of our common stock and vested equity awards with a value of not less than five times the then annual cash retainer for general board service paid by us to such director. For our Chief Executive Officer, not later than five years from the later of (i) July 30, 2012 or (ii) the date that the individual is hired or promoted to serve as our Chief Executive Officer, such individual should beneficially own a number of shares of our common stock and vested equity awards with a value of not less than six times the then annual base salary paid to such individual. We measure compliance with these stock ownership guidelines at the end of each fiscal year.

Board Leadership Structure and Risk Oversight

Our Board of Directors does not have a policy on whether the roles of the Chairman and Chief Executive Officer should be separate. Our Governance and Nominating Committee periodically considers the board's leadership structure and makes recommendations to the board on what it believes is appropriate. The board currently believes that it should maintain flexibility in determining the board leadership structure appropriate for the company.

Since June 2013, our Board has been led by Robert J. Zollars as the Executive Chairman of the Board, with Brent D. Lang serving as the President, Chief Executive Officer and a Director. This leadership structure reflects the Board's determination that this structure best serves our company's needs at this time by allowing our Executive Chairman to lead our Board of Directors in its fundamental role of providing independent advice to and oversight of management and by allowing our Chief Executive Officer to focus on our day-to-day business and setting the strategic direction for our company. Because Mr. Zollars is not independent, the Board has maintained the position of Lead Independent Director and has appointed Mr. Brian D. Ascher to serve in that role. As Lead Independent Director, Mr. Ascher, among other responsibilities, attends and chairs most of the regularly scheduled meetings at which only our independent directors are present, serves as a liaison between the Chief Executive Officer and Executive Chairman and the independent directors, and performs such additional duties as our Board of Directors may otherwise determine and delegate.

Our Board of Directors is primarily responsible for overseeing our risk management processes. Our board exercises its risk oversight function both directly and indirectly through its various committees. Our board, as a whole, determines the appropriate level of risk for our company, assesses the specific risks that we face and reviews management's strategies for adequately mitigating and managing the identified risks. Our Audit Committee, Governance and Nominating Committee and Compensation Committee support our board in discharging its risk oversight duties and address risks inherent in their respective areas. We believe this division of responsibilities is an effective approach for addressing the risks we face and that our board leadership structure supports this approach.

Director Independence

Our common stock is listed on the New York Stock Exchange. The listing rules of the New York Stock Exchange require that a majority of the members of our Board of Directors be independent. In February 2014, our Board of Directors confirmed that a majority of the members of our Board of Directors are independent and that each of our non-employee directors is independent. Our non-employee directors are Brian D. Ascher, John B. Grotting, Jeffrey H. Hillebrand, Howard E. Janzen, John N. McMullen, Hany M. Nada and Sharon L. O'Keefe. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board of Directors determined that none of our non-employee directors has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the rules of the New York Stock Exchange and the Securities and Exchange Commission. In making this determination, our Board of Directors considered the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including certain contracts for products or services in place between Vocera and entities affiliated with our directors. The independence of our board committee members is discussed below.

Committees of Our Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Governance and Nominating Committee. The composition and responsibilities of each committee are described below. Copies of the charters for each committee are available without charge on the investor relations section of our website at www.vocera.com. Members serve on these committees until their resignations or until otherwise determined by the Board of Directors.

Audit committee. Our Audit Committee is comprised of John N. McMullen, who is the chair of the Committee, Howard E. Janzen and Hany M. Nada, each of whom, our Board of Directors has determined, meets the requirements for independence under the current New York Stock Exchange and SEC rules and regulations. Each member of our Audit Committee is financially literate. In addition, our Board of Directors has determined that Mr. McMullen is an Audit Committee financial expert within the meaning of Item 407(d) of Regulation S-K of the Securities Act.

All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm will be approved in advance by our Audit Committee. Our Audit Committee recommended, and our Board of Directors adopted, an amended and restated charter for our Audit Committee. Our Audit Committee, among other things:

- oversees the accounting and financial reporting processes of our company, the audits of our company's financial statements by our company's independent registered public accounting firm and our company's internal audit function

- monitors the periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by our company's independent registered public accounting firm and our company's financial and senior management, and internal audit function

- appoints our company's independent registered public accounting firm, determines and approves the fees paid to our independent accounting firm and reviews and evaluates the qualifications, independence and performance of our independent accounting firm

- reviews and evaluates the organization and performance of our company's internal audit function

- facilitates communications among our company's independent registered public accounting firm, financial and senior management, and internal audit function, and our Board of Directors

- assists our Board of Directors in oversight of our company's compliance with legal and regulatory requirements

Compensation Committee. Our Compensation Committee is comprised of Jeffrey H. Hillebrand, who is the chair of the Committee, and Brian D. Ascher and John B. Grotting. Our Board of Directors has determined that each member of our Compensation Committee meets the requirements for independence under the current New York Stock Exchange rules, a non-employee director within the meaning of Section 16 of the Securities Exchange Act of 1934, and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. Our Compensation Committee recommended, and our Board of Directors adopted, an amended and restated charter for our Compensation Committee. Our Compensation Committee, among other things:

- reviews and determines the compensation of our executive officers
- reviews and determines the compensation of our executive officers
- administers our cash-based and equity-based compensation plans, policies and programs
- reviews and makes recommendations to our board with respect to non-employee director compensation
- reviews general plans, policies and programs relating to compensation and benefits of our employees

Our executive compensation program is administered by our Compensation Committee. In determining the compensation of each of our named executive officers, other than our President and Chief Executive Officer, our Compensation Committee considers the performance evaluations and compensation recommendations of our President and Chief Executive Officer. In the case of our President and Chief Executive Officer, our Compensation Committee evaluates his performance and independently determines whether to make any adjustments to his compensation.

Our Compensation Committee retained an independent compensation consultant, Compensia, Inc., to assist in structuring our executive officer compensation for 2013. Compensia provided our Compensation Committee with market data and analyses from a peer group of similarly-sized technology companies with similar business and financial characteristics. Other than the services described above, Compensia has not provided our company or our Compensation Committee with any other services. No work performed by Compensia during fiscal year 2013 raised a conflict of interest.

The Compensation Committee has delegated in accordance with applicable law, rules and regulations, and our certificate of incorporation and bylaws, authority to an equity awards committee comprised of certain executive officers of our company the authority to make certain types of equity awards to any employee who is not an executive officer or director under our 2012 Equity Incentive Plan pursuant to the terms of such plan and the equity award guidelines approved by our Compensation Committee.

Governance and Nominating Committee. Our Governance and Nominating Committee is comprised of John B. Grotting, who is the chair of the Committee, and Sharon L. O’Keefe. Our Board of Directors has determined that each member of our Governance and Nominating Committee meets the requirements for independence under the current New York Stock Exchange rules and regulations. The Governance and Nominating Committee recommended, and our Board of Directors adopted, an amended and restated charter for our Governance and Nominating Committee. Our Governance and Nominating Committee, among other things:

- identifies, evaluates and recommends nominees to our Board of Directors and its committees
- oversees the evaluation of the performance of our Board of Directors and its committees
- reviews our corporate governance policies and proposed waivers of the policies
- reviews developments in corporate governance practices
- evaluates the adequacy of our corporate governance practices

· oversees continuing education for our directors

· makes recommendations to our Board of Directors concerning corporate governance matters

Codes of Business Conduct and Ethics and other Corporate Policies

Our Board of Directors has adopted codes of business conduct and ethics that apply to all of our employees, officers and directors. We intend to disclose any future amendments to certain provisions of our codes of business conduct and ethics, or waivers of these provisions, on our website and/or in public filings. Our employees, officers and directors are also subject to our Policy Prohibiting Insider Trading and our Related Person Transactions Policy. We provide training to our employees regarding our codes and various company policies, which all employees are required to complete. In addition, we have adopted a Whistleblower and Complaint Policy that is designed to provide a forum to which our employees, officers and directors may report violations or suspected violations of our company policies without fear of harassment, retaliation or adverse employment consequences. The full text of our policies is posted on the investor relations section of our website at www.vocera.com.

Compensation Committee Interlocks and Insider Participation

Since January 1, 2013, the following directors have been members of our Compensation Committee: Messrs. Ascher, Grotting and Hillebrand. None of them at any time has been one of our officers or employees. None of our executive officers serves or in the past has served as a member of the Board of Directors or Compensation Committee of any entity that has one or more of its executive officers serving on our Board of Directors or our Compensation Committee.

Board and Committee Meetings and Attendance

The Board of Directors and its committees meet throughout the year on a pre-determined schedule, and also hold special meetings and act by written consent from time to time. During 2013, the Board of Directors held six meetings, including telephonic meetings, the Audit Committee held 10 meetings, the Compensation Committee held nine meetings and the Governance and Nominating Committee held four meetings. During 2013, none of the directors attended fewer than 75% of the aggregate of the total number of meetings held by the Board of Directors during his or her tenure and the total number of meetings held by all committees of the Board of Directors on which such director served during his or her tenure.

Typically, in conjunction with the regularly scheduled meetings of the board, the independent directors meet in executive sessions outside the presence of management.

Board Attendance at Annual Stockholders' Meeting

We encourage each member of our Board of Directors to attend our annual meetings of stockholders. Three directors were in attendance at our 2013 annual meeting of stockholders. We do not have a formal policy regarding attendance of annual meetings by the members of our Board of Directors. We may consider in the future whether our company should adopt a more formal policy regarding director attendance at our annual meetings.

Presiding Director of Independent Director Meetings

The independent directors meet in regularly scheduled executive sessions without management. Our lead independent director is currently Mr. Ascher.

Communication with Directors

Stockholders and interested parties who wish to communicate with our Board of Directors, non-management members of our Board of Directors as a group, a committee of the Board of Directors, or a specific member of our Board of Directors (including our chairman or lead independent director) may do so by letters addressed to the attention of our Corporate Secretary.

All communications are reviewed by the Corporate Secretary and provided to the members of the Board of Directors consistent with a screening policy providing that unsolicited items, sales materials, and other routine items and items unrelated to the duties and responsibilities of the Board of Directors not be relayed on to directors. Any communication that is not relayed is recorded in a log and made available to our Board of Directors.

The address for these communications is:

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to the Board of Directors

Candidates for nomination to our Board of Directors are selected by our Board of Directors based on the recommendation of the Governance and Nominating Committee. In recommending candidates for nomination, the Governance and Nominating Committee considers candidates recommended by directors, officers, employees, stockholders and outside consultants, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate.

Additional information regarding the process for properly submitting stockholder nominations for candidates for membership on our Board of Directors is set forth below under “Stockholder Proposals to be Presented at Next Annual Meeting.”

Director Qualifications

With the goal of developing a diverse, experienced and highly-qualified Board of Directors, the Governance and Nominating Committee is responsible for developing and recommending to the Board of Directors the desired qualifications, expertise and characteristics of members of our Board of Directors.

Since the identification, evaluation and selection of qualified directors is a complex and subjective process that requires consideration of many factors, and will be significantly influenced by the particular needs of our Board of Directors that are likely to evolve and change over time, our Board of Directors has not adopted a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and New York Stock Exchange listing requirements; and the provisions of our certificate of incorporation, bylaws, Corporate Governance Guidelines, and charters of our board committees. In addition, neither our Board of Directors nor our Governance and Nominating Committee has a formal policy with regard to the consideration of diversity in identifying nominees. When considering nominees, our Governance and Nominating Committee may take into consideration many factors including, among other things, a candidate’s independence, integrity, skills, financial and other business expertise, breadth of experience, soundness of judgment, diversity of viewpoints and experience and knowledge about our business or industry, as well as ability to devote adequate time and effort to responsibilities of our Board of Directors in the context of its existing composition. Through the nomination process, the Governance and Nominating Committee seeks to promote board membership that reflects a diversity of business experience, expertise, viewpoints, personal backgrounds and other characteristics that are expected to contribute to the Board of Directors’ overall effectiveness.

PROPOSAL NO. 1**ELECTION OF CLASS II DIRECTORS**

Our Board of Directors is divided into three classes. Each class serves for three years, with the terms of office of the respective classes expiring in successive years. Directors and director nominees in Class II will stand for election at this meeting. The terms of office of directors in Class I and Class III do not expire until the annual meetings of stockholders to be held in 2016 and 2015, respectively. Our Governance and Nominating Committee nominated Mr. Ascher, Mr. Grotting and Mr. Janzen, all incumbent Class II directors, for election as Class II directors at the 2014 annual meeting. At the recommendation of our Governance and Nominating Committee, our Board of Directors proposes that each of the three Class II nominees be elected as a Class II director for a three-year term expiring at the 2017 Annual Meeting of Stockholders and until such director's successor is duly elected and qualified or until such director's earlier resignation or removal.

Shares represented by proxies will be voted "FOR" the election of each of the three Class II nominees, unless the proxy is marked to withhold authority to so vote. If any nominee for any reason is unable to serve the proxies may be voted for such substitute nominee as the proxy holders, who are officers of our company, might determine. Each nominee has consented to being named in this proxy statement and to serve if elected. Proxies may not be voted for more than three directors. Stockholders may not cumulate votes in the election of directors.

Our Corporate Governance Guidelines provide that if a nominee receives a greater number of votes against (which for this meeting would be votes withheld) than for election, such nominee will tender a resignation to our Governance and Nominating Committee, which will promptly make a recommendation regarding such resignation to our Board of Directors. The Board of Directors will decide whether to accept or reject such resignation.

Director Compensation

We compensate our independent directors with a combination of cash and equity. The form and amount of compensation paid to our independent directors for serving on our Board of Directors and its committees is designed to be competitive in light of industry practices and the obligations imposed by such service. In order to align the long-term interests of our directors with those of our stockholders, a portion of the director compensation is provided in equity-based compensation. The value of total annualized compensation of our independent directors is targeted to be at approximately the median of a peer group of similarly-sized technology companies with similar business and financial characteristics. The director compensation practices of this peer group of companies was the benchmark used when considering the competitiveness of our independent director compensation. In 2013, we continued to rely on information that our Compensation Committee's independent compensation consultant, Compensia, Inc., collected and developed regarding the competitive data and analyses for benchmarking independent director compensation in 2012.

Annual and Meeting Fees. Each director receives an annual base cash retainer of \$30,000 for such service, to be paid quarterly. Additionally, we compensate our Board of Directors for service on our committees and for service as our lead independent director as follows:

The chair of our Audit Committee receives an annual cash retainer of \$15,000 for such service, paid quarterly, and each of the other members of the Audit Committee receives an annual cash retainer of \$5,000, paid quarterly.

The chair of our Compensation Committee receives an annual cash retainer of \$10,000 for such service, paid quarterly, and each of the other members of the Compensation Committee receives an annual cash retainer of \$5,000, paid quarterly.

The chair of our Governance and Nominating Committee receives an annual cash retainer of \$7,500 for such service, paid quarterly, and the other member of the Governance and Nominating Committee receives an annual cash retainer of \$2,500, paid quarterly.

Our lead independent director receives an annual cash retainer of \$10,000 for such service, paid quarterly.

Equity Awards.

In April 2013, upon the recommendation of our Compensation Committee, our Board of Directors revised the guideline for the annual equity grants to non-employee directors to provide for an automatic grant to each non-employee director on May 31, 2013 of restricted stock units equal to \$100,000, calculated by dividing \$100,000 by the average daily closing price of our common stock as reported on the New York Stock Exchange during May

2013. In future years, an annual grant will be awarded on June 1 of each year thereafter of restricted stock units having a fair market value of \$75,000 on the date of grant. Each restricted stock unit will vest in full on June 1 of the next calendar year after the year of the award, subject to the director's continuous service through such vesting date, and will automatically vest in full upon a change of control of our company.

The following table provides information for the fiscal year ended December 31, 2013 regarding all compensation awarded to, earned by or paid to each person who served as an independent director for some portion or all of 2013. Mr. Lang, our current President and Chief Executive Officer, and Mr. Zollars, our Executive Chairman, did not receive any compensation for their services as directors during the fiscal year ended December 31, 2013.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Deloitte & Touche LLP as our principal independent registered public accounting firm to perform the audit of our consolidated financial statements for the fiscal year ending December 31, 2014. The Audit Committee conducted a competitive process to determine our independent registered public accounting firm for the fiscal year ending December 31, 2014. As a result of this process, on March 21, 2014, the Audit Committee approved the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 and dismissed PricewaterhouseCoopers LLP from that role. On March 31, 2014, we formally engaged Deloitte & Touche LLP as our independent registered public accounting firm.

PricewaterhouseCoopers' reports on our consolidated financial statements for the fiscal years ended December 31, 2012 and December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2012, and December 31, 2013, and the subsequent interim period through March 21, 2014, there were (i) no "disagreements" as that term is defined in Item 304(a)(1)(iv) and the related instructions of Regulation S-K, between us and PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to PricewaterhouseCoopers' satisfaction, would have caused PricewaterhouseCoopers to make reference to the subject matter of any such disagreement in connection with its reports for such years and (ii) except for a material weakness in our internal control over financial reporting as described below, no reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K. The material weakness in internal control over financial reporting as disclosed in the our report on Form 10-Q for the quarter ended June 30, 2012 was related to the design and operation of controls for the preparation of the statement of cash flows specifically associated with non-cash activity related to issuance costs from the completion of our initial public offering. This material weakness was subsequently remediated as of December 31, 2012. The Audit Committee has discussed these matters with PricewaterhouseCoopers LLP, and we have authorized PricewaterhouseCoopers LLP to respond fully to any inquiries by Deloitte & Touche LLP.

As a matter of good corporate governance, our Audit Committee has decided to submit its selection of the principal independent registered public accounting firm to our company's stockholders for ratification. In the event that Deloitte & Touche LLP is not ratified by our stockholders, our Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, our Audit Committee in its discretion may direct the selection of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company and stockholders.

Representatives of PricewaterhouseCoopers LLP are not expected to be present at the annual meeting. Representatives of Deloitte & Touche LLP, our principal independent registered public accounting firm for the fiscal year ending December 31, 2014, are expected to be present at the meeting, in which case they will be given an opportunity to make a statement at the meeting if they desire to do so, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

We regularly review the services and fees from our independent registered public accounting firm. These services and fees are also reviewed with our Audit Committee annually. In accordance with standard policy, PricewaterhouseCoopers LLP periodically rotated the individuals who were responsible for our audit.

In addition to performing the audit of our consolidated financial statements, PricewaterhouseCoopers LLP provided various other services during fiscal 2013 and 2012. Our Audit Committee has determined that PricewaterhouseCoopers LLP's provisioning of these services, which are described below, did not impair PricewaterhouseCoopers LLP's independence from us. The aggregate fees billed for fiscal 2013 and 2012 for each of the following categories of services are as follows:

Fees Billed to Vocera	Fiscal Year 2013	Fiscal Year 2012
Audit fees ⁽¹⁾ .	\$755,500,	\$1,380,000
Audit related fees ⁽²⁾	59,372	-
Tax fees ⁽³⁾	-	10,000
All other fees	1,800	-
Total fees	\$816,672	\$1,390,000

“*Audit fees*” include fees for audit services primarily related to the audit of the our annual consolidated financial statements; the review of our quarterly consolidated financial statements; registration statements, comfort letters, (1)consents, and assistance with and review of documents filed with the SEC; and other accounting and financial reporting consultation and research work billed as audit fees or necessary to comply with the standards of the Public Company Accounting Oversight Board (United States).

“*Audit related fees*” include fees billed for assurance and related services reasonably related to the performance of (2)the audit or review of our fiscal 2013 and 2012 consolidated financial statements. No such services were provided by PricewaterhouseCoopers LLP in 2012.

“*Tax fees*” include fees for tax compliance and advice. Tax advice fees encompass a variety of permissible services, (3)including technical tax advice related to federal and state income tax matters; assistance with sales tax; and assistance with tax audits.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. Our Audit Committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees described in the table above were approved by our Audit Committee.

Equity-Based Compensation

Equity-based compensation provides employees a common interest with our stockholders to increase the value of our common stock. Equity awards are granted to employees, including our executive officers, in the form of stock options with an exercise price equal to the fair market value on the date of grant and restricted stock units. Stock options have value only if the stock price increases over time. In addition, equity grants, including restricted stock units, help retain key employees because they typically cannot be fully exercised or settled for a specified vesting period, and if not exercised or vested are forfeited if the employee leaves the employ of our company. We believe that the vesting provision also helps focus our employees on long-term performance. In May 2013, we granted options to purchase 157,728, 59,148 and 47,318 shares of our common stock to Messrs. Lang, Zollars and Zerella, respectively, each at an exercise price of \$14.76 per share. Each of these stock options vests as to 1/48th of the shares of common stock underlying the option each month. In addition, in May 2013, we also granted 70,921, 26,595 and 21,276 restricted stock units to Messrs. Lang, Zollars and Zerella, respectively. Each of these restricted stock units vests in three equal annual installments commencing on May 31, 2014. On November 1, 2013, we granted options to purchase 60,000 shares of our common stock, with an exercise price of \$17.31 per share and 40,000 restricted stock units to Mr. Johnson in connection with the commencement of his employment with us. His option vests as to 1/4th of the shares of common stock underlying the option on the one year anniversary of the grant date and 1/36th of the remaining shares subject to the stock option vest and become exercisable each month thereafter. The restricted stock unit award vests in three equal annual installments commencing on November 1, 2014.

2013 Executive Incentive Compensation Plan and 2013 Commission Plan

The 2013 executive incentive compensation plan was based on the attainment of two company-wide performance measures, revenue and adjusted EBITDA, with the target bonus attributable to revenue accounting for 60% of an executive's target bonus and the target bonus attributable to adjusted EBITDA accounting for 40% of the executive's target bonus. If both the metrics were achieved at the target level, the named executive officer would receive the target level of bonus. For a bonus to be paid in respect of the revenue metric, that metric had to be achieved at least at the 90% level and for a bonus to be paid in respect of the adjusted EBITDA metric, that metric had to be achieved at least at the 80% level. In April 2013, our Compensation Committee approved the target bonuses for each of our named executive officers as follows: Mr. Lang—\$350,000; Mr. Zollars—\$300,000 and Mr. Zerella—\$200,000. In September 2013, in connection with our offer of employment to Mr. Johnson, our compensation committee approved a target commission for 2013 under our 2013 sales commission plan of \$90,000 on an annualized basis, and guaranteed a full commission for the fourth quarter of 2013 on a pro rata basis from the date Mr. Johnson commenced his employment with us. Mr. Johnson was not eligible for a target bonus under our 2013 executive incentive compensation plan.

In February 2014, based on our 2013 corporate performance, our Compensation Committee determined that we did not achieve the minimum revenue or adjusted EBITDA targets. As a result, no bonus payments were made pursuant to the 2013 executive incentive compensation plan.

“Householding” — Stockholders Sharing the Same Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report on Form 10-K and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided other instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

We expect that a number of brokers with account holders who are our stockholders will be “householding” our annual report on Form 10-K and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report on Form 10-K and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting your broker.

Upon written or oral request, we will undertake to promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report on Form 10-K and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability and, if applicable, annual report on Form 10-K and other proxy materials, you may write or call our Investor Relations department at 525 Race Street, San Jose, California 95126, Attn: Investor Relations, telephone number (408) 882-5737.

Any stockholders who share the same address and currently receive multiple copies of our Notice of Internet Availability or annual report on Form 10-K and other proxy materials who wish to receive only one copy in the future can contact their bank, broker or other holder of record to request information about householding or our Investor Relations department at the address or telephone number listed above.
