This merger transaction, or the Merger, and the other transactions contemplated by the Merger Agreement are referred to as the Merger Proposal. The Purchaser is an entity controlled by a group of investors consisting of affiliates of The Gores Group LLC, Mivtach Shamir Holdings Ltd., companies affiliated with Roy Ben-Yami, Ami Lustig and Eytan Stibbe and DGB Investments, Inc., or collectively the Investors.

Our Audit Committee and Board of Directors have (a) reviewed and considered the terms and conditions of the Merger Agreement, (b) determined that the Merger is in the best interests of our company and its shareholders, and (c) approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. ACCORDINGLY, YOU ARE REQUESTED TO PROMPTLY COMPLETE, SIGN AND DATE THE ENCLOSED PROXY CARD AND RETURN IT IN THE ENVELOPE PROVIDED, WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING. The full text of the Merger Agreement is included as Appendix A to this Proxy Statement and is incorporated herein by reference and we urge you to read it carefully in its entirety.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF ITEMS 1 THROUGH 3

Voting

Only holders of record of the Gilat Shares at the close of business on the record date, June 2, 2008, are entitled to notice of, and to vote at, the Meeting. We had 39,824,179 ordinary shares outstanding as of May 28, 2008. Each Gilat Share outstanding on the record date will entitle its holder to one vote upon each of the matters to be presented at the Meeting. A quorum must be present in order for the Meeting to be held. The presence in person or by proxy of at least two shareholders holding Gilat Shares that are entitled to vote in the aggregate at least 25% of the Gilat Shares outstanding on the record date will constitute a quorum for the transaction of business at the Meeting. If within half an hour from the time established for the commencement of the Meeting a quorum is not present, the Meeting shall stand adjourned to July 10, 2008, at the same time and place, unless determined otherwise by the Chairman of the Board with the consent of the majority of the voting power represented at the Meeting in person or by proxy at such time and voting on the question of adjournment at the Meeting. The presence in person or by proxy of any two shareholders of Gilat will constitute a quorum for the transaction of business at such adjourned Meeting.

Abstentions and broker non-votes are counted as shares present for determination of a quorum. For purposes of determining whether a matter is approved by the shareholders, abstentions and broker non-votes will not be treated as either votes for or against the matter.

Proxies

Shareholders may elect to vote their shares once, either by attending the Meeting in person, or by executing and delivering to Gilat a proxy as detailed below. If your shares are held in street name through a bank, broker or other nominee, you may either direct such bank, broker or other nominee on how to vote your shares or obtain a legal proxy from such bank, broker or other nominee to vote your shares at the Meeting.

Proxies will be solicited by our Board of Directors. Proxies will be solicited by mail and will be mailed to our shareholders on or about June 3, 2008. Certain of our officers, directors, employees and agents may solicit proxies by telephone, facsimile, electronic mail or other personal contact. However, such parties will not receive additional compensation therefor. We will bear the cost of the solicitation of proxies, including the cost of preparing, assembling and mailing the proxy materials, and will reimburse the reasonable expenses of brokerage firms and others for forwarding such proxy materials to the beneficial owners of our shares. In addition, we have retained Georgeson Inc., or Georgeson, to assist in the solicitation of proxies and will pay Georgeson approximately US\$12,500 plus reasonable out-of-pocket expenses for such assistance. In addition, we will indemnify Georgeson against any losses arising out of that firm's proxy soliciting services on our behalf.

All Gilat Shares represented by properly executed proxies received by us no later than forty-eight hours prior to the Meeting will, unless such proxies have been previously revoked or superseded, be voted at the Meeting in accordance with the directions on the proxies. If no direction is indicated on the properly executed proxy, the shares will be voted in favor of each of the matters described in Items 1 through 3 above. A shareholder returning a proxy may revoke it at any time prior to commencement of the Meeting by communicating such revocation in writing to us or by executing and delivering a later-dated proxy. In addition, any person who has executed a proxy and is present at the Meeting may vote in person instead of by proxy, thereby canceling any proxy previously given, whether or not written revocation of such proxy has been given. Any written notice revoking a proxy should be sent to Gilat Satellite Networks Ltd., Gilat House, 21 Yegia Kapayim Street, Kiryat Arye, Petah Tikva 49130, Israel, Attention: General Counsel.

ITEM 1 INCREASING THE COVERAGE AMOUNT PROVIDED UNDER OUR DIRECTORS AND OFFICERS INSURANCE POLICY

The Israeli Companies Law, 5759-1999, or the Companies Law, and our Articles of Association authorize us, subject to the requisite corporate approvals, to increase the insurance coverage under the insurance policy issued for the benefit of our officers and directors for liability by reason of acts or omissions committed while serving in their respective capacities as officers or directors. Specifically, the purchase of insurance and increase of coverage for directors is required to be approved by our Audit Committee, Board of Directors and shareholders.

The Companies Law provides that a company may not enter into an insurance policy which would provide coverage for the liability of an officer or director for: (a) a breach of his or her duty of loyalty, except if he or she acted in good faith and had a reasonable cause to assume that such act would not prejudice the interests of the Company; (b) a breach of his or her duty of care committed intentionally or recklessly, as opposed to negligently; (c) an act or omission done with the intent to unlawfully realize personal gain; or (d) a fine or monetary settlement imposed upon him or her.

We believe that it is in our best interest to increase the current directors' and officers' liability insurance coverage for the benefit of our directors and officers from \$15,000,000 to US\$20,000,000 for any one claim and in the aggregate for all claims during the policy period, and to approve additional coverage under a Side A Directors and Officers Liability Insurance Policy of up to US\$5,000,000 for any one claim and in the aggregate for all claims during the policy period, in order to enable us to attract and retain highly qualified directors and officers.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Under the Companies Law, directors and officers liability insurance is required to be approved by the audit committee which includes at least two external directors, board of directors and shareholders, in that order. Our Audit Committee and Board of Directors approved the increased directors and officers liability insurance coverage on May 28, 2008. You are now being asked to approve the increased directors and officers liability insurance coverage which will increase coverage of our company and our directors, officers and certain other employees up to a maximum of US\$20,000,000 for any one claim and in the aggregate for all claims during the policy period, and to approve additional coverage under a Side A Directors and Officers Liability Insurance Policy of up to US\$5,000,000 for any one claim and in the aggregate for all claims during the policy period. The total cost of the increase in the premium amount is expected to be \$12,000 annually.

Required Vote:

The affirmative vote of a majority of the voting power in our company present, in person or by proxy, and voting on the matter is required for the approval thereof.

It is proposed that the following resolution be adopted at the Meeting:

RESOLVED, that the increase in the coverage under the directors and officers liability insurance described in the Proxy Statement relating to the Meeting, be approved.

The Board of Directors recommends a vote FOR approval of the proposed resolution.

3

ITEM 2 EXTENSION OF THE EMPLOYMENT AGREEMENT OF OUR CHIEF EXECUTIVE OFFICER AND CHAIRMAN OF THE BOARD OF DIRECTORS, MR. AMIRAM LEVINBERG

Mr. Amiram Levinberg, our Chairman of the Board of Directors and Chief Executive Officer is party to a three year employment agreement with us which will expire in July 2008. Under this employment agreement, Mr. Levinberg is entitled to (a) a salary of NIS 100,000 per month; (b) options to purchase 915,000 of our ordinary shares; (c) a transaction bonus equal to 0.82% of our market value in a transaction or series of related transactions following which a company, person or a group of persons or companies acting together will purchase from our shareholders, in a bona fide arms length transaction, 50% or more of our then outstanding share capital, subject to Mr. Levinberg complying with certain prior conditions; and (d) participate in our annual bonus plan, subject to the specific approval of the shareholders.

Under the Companies Law, arrangements regarding the compensation of directors, including in their capacity as officers of the Company, are required to be approved by the audit committee, board of directors and shareholders, in that order. On May 28, 2008, our Audit Committee and Board of Directors, excluding Mr. Levinberg, who excused himself from the deliberations and voting due to his personal interest in the matter, approved the extension of the employment agreement of Mr. Levinberg, our Chairman of the Board of Directors and Chief Executive Officer, for one additional year, under the same terms as currently in effect (without any additional grant of options). You are now being asked to approve such extension of the employment agreement of Mr. Levinberg, under the same terms described in the foregoing paragraph.

Required Vote:

The affirmative vote of a majority of the voting power in our company present, in person or by proxy, and voting on the matter is required for the approval thereof.

It is proposed that the following resolution be adopted at the Meeting:

RESOLVED, that the extension of the term of the employment agreement between our company and our Chief Executive Officer and Chairman of the Board of Directors, Mr. Amiram Levinberg, which currently expires in July 2008, for one additional year under the same terms as currently in effect is hereby approved.

The Board of Directors recommends a vote FOR approval of the proposed resolution.

MERGER PROPOSAL**

Required Vote:

Approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the Gilat Shares present in person or by proxy at the Meeting and voting on the Merger Proposal, not including abstentions and broker non-votes. Approval of the Merger Proposal also requires that a majority of the voting power present, in person or by proxy, at the Meeting and voting, excluding abstentions and the Purchaser, Merger Sub, any person or entity holding, directly or indirectly, either 25% or more of the voting rights or the right to appoint 25% or more of the directors of the Purchaser or Merger Sub (each such person or entity is referred to throughout this Proxy Statement as a Purchaser Affiliate), or anyone acting on behalf of any of the foregoing, including their family members or entities under their control, shall not have voted against the Merger.

It is proposed that the following resolution be adopted at the Meeting:

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers are intended to briefly address certain commonly asked questions regarding the Merger, the Merger Agreement and the Meeting. These questions and answers may not address all the questions that may be important to you as a shareholder of our company. Please refer to the section of this Proxy Statement entitled Summary and more detailed information contained elsewhere in this Proxy Statement, the appendices to this Proxy Statement and the documents referred to or incorporated by reference in this Proxy Statement, which you should read carefully. See the section of this Proxy Statement entitled Where You Can Find More Information beginning on page 84.

Q: What is the proposed Merger?

A: The proposed Merger is the acquisition of our company by the Purchaser pursuant to the Merger Agreement. Following the completion of the Merger, our company will become a private company and a wholly owned subsidiary of the Purchaser.

Q: What will I receive in the Merger?

A: Upon completion of the Merger, you will be entitled to receive US\$11.40 in cash, without interest, less any applicable withholding taxes, for each of your Gilat Shares outstanding as of the effective time of the Merger (as defined in the section of this Proxy Statement entitled The Merger Agreement Effective Time of the Merger beginning on page 60 of this Proxy Statement). You will not receive any shares in the surviving corporation in connection with the Merger nor will you have any ownership interest in the surviving corporation following the completion of the Merger.

Q: When and where is the Meeting?

A: The Meeting will be held on Thursday, July 3, 2008, at 11:00 a.m. (Israel time), at our executive offices located at Gilat House, 21 Yegia Kapayim Street, Kiryat Arye, Petah Tikva 49130, Israel.

Q: What am I being asked to vote on?

A: You are being asked to approve the Merger Proposal, which is a proposal to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. Other than the approval of the Merger Proposal and the approval of Items 1 and 2 set forth in the section of this Proxy Statement entitled Introduction, we do not currently expect there to be any other matters on the agenda at the Meeting.

Q: What vote is required for our shareholders to approve the Merger Proposal?

A: The approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the Gilat Shares present in person or by proxy at the Meeting and voting on the Merger Proposal, not including abstentions and broker non-votes.

However, since, to our knowledge, certain Purchaser Affiliates hold shares in our company, approval of the Merger Proposal also requires that a majority of the shares that are present and voting at the Meeting, in person or by proxy, *excluding* abstentions, and the Purchaser, Merger Sub, any Purchaser Affiliate and anyone acting on their behalf, including their family members or entities under their control, shall not have voted against the Merger. By completing, signing and returning the enclosed proxy card you confirm, unless you indicate otherwise on the proxy card, that you are not: (a) a Purchaser Affiliate; (b) a person or entity acting on behalf of the Purchaser, Merger Sub or any Purchaser Affiliate; or (c) a family member of, or an entity controlled by Purchaser, Merger Sub or any Purchaser Affiliate.

Q: How does our Board of Directors recommend that I vote?

A:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Our Board of Directors has approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and recommends that you vote FOR the approval of the Merger Proposal, and FOR the approval of the other two proposals on the agenda for the Meeting.

Q: Why is our Board of Directors recommending that I vote for approval of the Merger Proposal?

A: Our Board of Directors has determined that the terms and provisions of the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, are fair to and in the best interests of our company and our shareholders. For additional information see the sections of this Proxy Statement entitled The Merger Background of the Merger beginning on page 36 and The Merger Our Reasons for the Merger; Recommendation and Determination of our Audit Committee and Board of Directors beginning on page 38.

Q: If the Merger is completed, when can I expect to receive the Merger consideration for my shares? Should I send my stock certificates now?

A: Once all conditions to closing of the Merger are satisfied, including receipt of all governmental approvals and tax pre-rulings and receipt of the merger certificate from the Companies Registrar, we will be able to effect the closing of the Merger. Payment should occur after the closing, as described in the following paragraph. You should be aware that since some of the closing conditions require third party consents and approvals, we cannot give an exact estimate as to when the closing will occur. In the event that all closing conditions are fulfilled other than obtaining the tax pre-rulings, we will apply to the Israeli Tax Authority for an extension of time with respect to the obligation to deduct or withhold Israeli Tax at source from the Merger consideration and proceed with the closing of the Merger, subject to the consent of the Purchaser, in which case the closing of the Merger will occur and payment will be made to the paying agent but the distribution to shareholders may be delayed until receipt of the required tax approvals. For additional information see the sections of this Proxy Statement entitled The Merger Material Tax Consequences of the Merger beginning on page 49.

Promptly after the Merger is completed, the paying agent will send you a letter of transmittal with detailed instructions regarding the surrender of your certificates representing Gilat Shares in exchange for the Merger consideration and any other documentation required to facilitate payment. You should not send your certificates representing Gilat Shares to us or anyone else until you receive such instructions. The paying agent will send the Merger consideration to you as promptly as practicable following its receipt of your certificates and other required documents, including a tax declaration form. If your shares are held in street name by your bank, broker or other nominee, you will receive instructions from your bank, broker or other nominee as to how to effect the surrender of your street name shares in exchange for the Merger consideration.

9

Q: When will the Merger be completed?

A: We are working to complete the Merger as soon as practicable and expect to complete the Merger during the third quarter of calendar year 2008, but because the Merger is subject to governmental and regulatory approvals and certain other conditions, some of which are beyond our and the Purchaser's control, the exact timing cannot be predicted nor can it be guaranteed that the Merger will ever be completed. The Merger Agreement may be terminated if the Merger is not completed by September 28, 2008, so long as the terminating party's breach of the Merger Agreement did not cause the failure to close. See the section of the Proxy Statement entitled The Merger Agreement-Conditions to the Merger for a summary description of these conditions.

Q: What effects will the proposed Merger have on our company?

A: As a result of the proposed Merger, we will cease to be a publicly traded company and will be a private wholly owned subsidiary of the Purchaser. You will no longer have any economic interest in our future earnings or growth. Following the completion of the proposed Merger, the registration of the Gilat Shares and our reporting obligations under the U.S. Securities Exchange Act of 1934, as amended, or the Exchange Act, and under the Israeli Securities Law 5728-1968, as amended, will be terminated upon application to the U.S. Securities and Exchange Commission, or SEC, and to the Tel Aviv Stock Exchange, respectively. In addition, upon completion of the proposed Merger, the Gilat Shares will no longer be listed on any stock exchange, including NASDAQ Global Market and the Tel Aviv Stock Exchange.

Q: What happens if the Merger is not completed?

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

A: If the Merger Agreement is not approved by our shareholders or if the Merger is not completed for any other reason, our shareholders will not receive any portion of the Merger consideration for their Gilat Shares. Instead, we will remain an independent public company and the Gilat Shares will continue to be listed on the NASDAQ Global Market and on the Tel Aviv Stock Exchange. Under circumstances specified in the Merger Agreement, we may be required to pay the Purchaser a termination fee or reimburse the Purchaser for its out-of-pocket expenses as described in the section of this Proxy Statement entitled "The Merger Agreement - Termination Fees and Expenses." In addition, if the Merger is not completed under other specified circumstances, the Purchaser will be required to pay us a termination fee. See the section of this Proxy Statement entitled "The Merger Agreement - Termination Fees and Expenses."

Q: What do I need to do now?

A: This Proxy Statement contains important information regarding the Merger as well as information about us. It also contains important information regarding the factors considered by our Board of Directors in evaluating the Merger. We urge you to read this Proxy Statement carefully in its entirety. You should also complete, sign and date the enclosed proxy card and return it in the enclosed envelope. You should also review the documents referenced under the section of this Proxy Statement entitled "Where You Can Find More Information" on page 84.

10

Q: How do I vote?

A: You should indicate on the enclosed proxy card how you want to vote, and date, sign and mail it in the enclosed envelope as soon as possible, so that your shares can be voted at the Meeting. The Meeting will take place on Thursday, July 3, 2008 at 11:00 a.m. (Israel time), at our executive offices. Whether or not you submit a proxy, you may attend the Meeting and vote your shares in person.

Q: What do I do if I want to change my vote?

A: You may send a written notice of revocation, or send a later-dated, completed and signed proxy card relating to the same shares, to our General Counsel so it is received prior to the Meeting. Gilat Shares represented by properly executed proxies received by us not later than forty-eight hours prior to the Meeting will be voted at the Meeting in accordance with the directions on the proxies, unless such proxies have been previously revoked or superseded. Alternatively, you may attend the Meeting and vote in person.

Q: If my shares are held in "street name" by my bank, broker or other nominee, will my bank, broker or other nominee vote my shares for me?

A: Your bank, broker or other nominee will vote your shares only if you provide instructions to your bank, broker or other nominee on how to vote. You should follow the procedures provided by your bank, broker or other nominee regarding the voting of your shares and be sure to provide your bank, broker or other nominee with instructions on how to vote your shares. If your shares are held in "street name" you must contact your bank, broker or other nominee to change or revoke your voting instructions.

Q: Who can vote at the Meeting?

A: Only those holders of record of outstanding Gilat Shares at the close of business (4:00 p.m. E.S.T.) on June 2, 2008, the record date for the Meeting, are entitled to notice of, and to vote at the Meeting. As of May 28, 2008, 39,824,179 Gilat Shares were outstanding.

Q: What happens if I sell my shares before the Meeting?

A: The record date for the Meeting is earlier than the Meeting and the date that the Merger is expected to be completed. If you transfer your Gilat Shares after the record date but before the Meeting, you will retain your right to vote at the Meeting, but will have transferred the right to receive the Merger consideration with respect to such Gilat Shares. In order to receive the Merger consideration of US\$11.40 per Gilat Share, you must hold your Gilat Shares through the completion of the Merger.

Q: Am I entitled to appraisal rights in connection with the Merger?

A: No. Under Israeli law, holders of Gilat Shares are not entitled to appraisal rights in connection with the Merger.

11

Q: Who can help answer my questions?

A: If you have additional questions about the Merger Agreement or the Merger, or would like additional copies of this Proxy Statement or the enclosed proxy card, you should contact Ayelet Shaked, at our executive offices located at Gilat House, 21 Yegia Kapayim Street, Petah Tikva 49130, Israel; telephone number: +972-3-925-2003; fax number: +972-3 925-2945. You may also contact Georgeson, our proxy solicitor, at 877-278-3835 (toll-free from the U.S. and Canada) or 201-356-3223 (from all other countries, call collect). Banks and brokerage firms can call collect at 212-440-9800.

The Parties to the Merger (Page 29)

Our company was formed and registered in 1987 under the laws of the State of Israel as a company with limited liability, and we became a publicly traded company in 1993. We are a leading global provider of Internet Protocol, or IP, based digital satellite communication and networking products and services. We design, produce and market VSATs, or very small aperture terminals, and related VSAT network equipment. VSATs are earth-based terminals that transmit and receive broadband, Internet, voice, data and video via satellite. VSAT networks combine a large central earth station, called a hub, with multiple remote sites (ranging from tens to thousands of sites), which communicate via satellite. We have a large installed customer base and have shipped more than 670,000 VSAT units to customers in over 85 countries on six continents since 1989. As of March 31, 2008, we had a total workforce of approximately 970 employees worldwide.

Galactic Holdings Ltd., or the Purchaser, is an Israeli company formed for the purpose of effecting the Merger and the transactions contemplated by the Merger Agreement. The Purchaser has not engaged in any business except activities incidental to its formation and in connection with the transactions contemplated by the Merger Agreement. The Purchaser is a private company wholly owned by affiliates of The Gores Group LLC, or The Gores Group, Mivtach Shamir Holdings Ltd., or Mivtach Shamir, companies affiliated with Roy Ben-Yami, Ami Lustig and Eytan Stibbe and DGB Investments, Inc., or DGB Investments, each, an Investor and collectively, the Investors. The Gores Group is a Los Angeles, California based private investment firm focused on acquiring controlling interests in mature and growing businesses. Mivtach Shamir is an Israel-based investment company listed on the Tel Aviv Stock Exchange (TASE: MISH) and invests principally in the fields of industry, technology and communications, and real estate. Roy Ben-Yami, Ami Lustig and Eytan Stibbe are the shareholders of LR Group Ltd., or the LR Group, and have interests in various fields including telecommunications, real estate, aviation and healthcare worldwide. DGB Investments is a wholly-owned investment vehicle of Douglas G. Bergeron.

Galactic Acquisition Company Ltd., or the Merger Sub, is an Israeli company and a wholly owned subsidiary of the Purchaser formed for the purpose of effecting the Merger and the transactions contemplated by the Merger Agreement. Merger Sub has not engaged in any business except activities incidental to its formation and in connection with the transactions contemplated by the Merger Agreement.

13

The Merger (Page 60)

The Merger Agreement provides that Merger Sub will merge with and into our company, or the Merger. We will be the surviving corporation in the Merger, or the Surviving Corporation. In the Merger, the Gilat Shares issued and outstanding as of the effective time of the Merger, other than Gilat Shares then held by the Purchaser, Merger Sub or certain of the Investors, which will be cancelled with no consideration delivered in exchange therefor, will be converted into the right to receive US\$11.40 in cash, without interest and less any applicable withholding taxes, which we refer to in this Proxy Statement as the Merger consideration.

Effects of the Merger (Page 60)

If the Merger is completed, you will be entitled to receive US\$11.40 in cash, without interest and less any applicable withholding taxes, for each Gilat Share owned by you as of the effective time of the Merger. As a result of the Merger, we will become a private wholly owned subsidiary of the Purchaser and will cease to be a publicly traded company. You will not receive any shares of the Surviving Corporation in connection with the Merger nor will you have any ownership interest in the Surviving Corporation following the completion of the Merger.

Treatment of Options (Page 61)

Under the terms of the Merger Agreement, each outstanding option to purchase Gilat Shares that is unexercised as of the effective time of the Merger, whether or not vested, will be cancelled and converted into the right to receive a cash payment equal to the number of Gilat Shares underlying the outstanding options multiplied by the amount, if any, by which US\$11.40 exceeds the option exercise price, without interest and less any applicable withholding taxes.

As of the effective time of the Merger, all options to purchase Gilat Shares shall no longer be outstanding and shall automatically cease to exist, and each holder of such options shall cease to have any rights with respect thereto, except the right to receive the consideration indicated in the preceding paragraph.

The Meeting (Page 31)

Time and Place (Page 31)

The Meeting will be held on Thursday, July 3, 2008, at 11:00 a.m. (Israel time), at our executive offices located at Gilat House, 21 Yegia Kapayim Street, Kiryat Arye, Petah Tikva 49130, Israel.

Purpose (Page 31)

At the Meeting, you will be asked to (a) approve an increase in the coverage amount under our directors and officers liability insurance policy from US\$15,000,000 to US\$20,000,000 for any one claim and in the aggregate for all claims during the policy period, and to approve additional coverage under a Side A Directors and Officers Liability Insurance Policy of up to US\$5,000,000 for any one claim and in the aggregate for all claims during the policy period, (b) extend the term of the employment agreement between us and our Chief Executive Officer and Chairman of the Board of Directors, Mr. Amiram Levinberg which currently expires in July 2008, for one additional year under the same terms as currently in effect, and (c) approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, or the Merger Proposal.

Record Date and Quorum Requirements (Page 32)

You are entitled to vote at the Meeting if you owned Gilat Shares at the close of business on June 2, 2008, the record date for the Meeting. As of May 28, 2008, there were 39,824,179 Gilat Shares outstanding and entitled to vote. The presence, in person or by proxy, of at least two Gilat shareholders who collectively hold at least 25% of the voting rights of Gilat Shares on the record date is necessary to constitute a quorum at the Meeting.

Voting Rights and Vote Required (Page 33)

You will have one vote for each Gilat Share that you owned on the record date.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The approval of Item 1 on the agenda requires the affirmative vote of the holders of a majority of the voting power in our company present, in person or by proxy, and voting on the matter.

The approval of Item 2 on the agenda requires the affirmative vote of the holders of a majority of the voting power in our company present, in person or by proxy, and voting on the matter.

The affirmative vote of the holders of a majority of the Gilat Shares present, in person or by proxy, at the Meeting and voting on the Merger Proposal (not including abstentions and broker non-votes) is required to approve Item 3 the Merger Proposal. The Merger cannot be completed unless the Merger Proposal is approved by our shareholders. However, since to our knowledge, certain Purchaser Affiliates hold shares in our company, approval of the Merger Proposal also requires that a majority of the shares that are present and voting at the Meeting, in person or by proxy, *excluding* the Purchaser, Merger Sub, any Purchaser Affiliate, or anyone acting on their behalf, including their family members or entities under their control, shall not have voted against the Merger. By completing, signing and returning the enclosed proxy card you confirm, unless you indicate otherwise on the proxy card, that you are not: (a) a Purchaser Affiliate; (b) a person or entity acting on behalf of the Purchaser, Merger Sub or any Purchaser Affiliate; or (c) a family member of, or an entity controlled by Purchaser, Merger Sub or any Purchaser Affiliate.

Certain of our shareholders holding, in the aggregate, approximately 20% of the outstanding Gilat Shares have executed an irrevocable proxy and unilateral undertaking in favor of the Purchaser under which those shareholders have agreed, among other things, to give the Purchaser a proxy to vote such Gilat Shares in favor of the Merger Proposal.

Voting and Proxies (Page 34)

Any shareholder of record entitled to vote at the Meeting may vote in person by attending the Meeting or by submitting the enclosed proxy card. If your Gilat Shares are held in street name by your bank, broker, or other nominee you should instruct your bank, broker, or other nominee on how to vote your Gilat Shares using the instructions provided by your bank, broker, or other nominee. If you do not provide your bank, broker, or other nominee with instructions, your Gilat Shares will not be voted. You may revoke your proxy by (a) delivering a notice of revocation to our General Counsel (b) submitting a later-dated proxy or (c) attending the Meeting and voting in person. Gilat Shares represented by properly executed proxies received by us forty-eight hours prior to the Meeting will, unless such proxies have been previously revoked or superceded, be voted at the Meeting in accordance with the directions on the proxies. If you have instructed your bank, broker, or other nominee to vote your Gilat Shares, you must follow the instructions of your bank, broker, or other nominee to change or revoke your instructions.

Our Reasons for the Merger; Recommendation and Determination of our Audit Committee and Board of Directors (Page 38)

Audit Committee. Our Audit Committee unanimously approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, determined that the Merger is in the best interests of our company and our shareholders and recommended that the Board of Directors (a) approve the execution, delivery and performance of the Merger Agreement and the completion of the Merger and the other transactions contemplated by the Merger Agreement and (b) recommend that our shareholders approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. For a discussion of the material factors considered by the Audit Committee in reaching its conclusions, see The Merger Our Reasons for the Merger; Recommendation and Determination of our Audit Committee and Board of Directors beginning on page 38.

Board of Directors. Our Board of Directors, acting upon the unanimous recommendation of the Audit Committee has, (a) determined that the Merger is in the best interests of our company and our shareholders, (b) approved the execution, delivery and performance of the Merger Agreement and the completion of the Merger and the other transactions contemplated by the Merger Agreement, (c) determined that no reasonable concern exists that as a result of the Merger we will be unable to fulfill our obligations to our creditors, (d) directed management to call the Meeting and to take such other actions as are necessary to complete the Merger and (e) resolved to recommend that our shareholders approve the Merger Agreement, Merger and the other transactions contemplated by the Merger Agreement. Mr. Amiram Levinberg, our Chairman of the Board, excluded himself from and did not participate in any of our Board of Directors discussions and vote on the Merger in order to avoid any doubt of a conflict of interest. For more information, please see the section of this Proxy Statement entitled The Merger Interests of our Officers and Directors in the Merger beginning on page 57.

The Board of Directors recommends that our shareholders vote FOR approval of the Merger Proposal and FOR approval of the other two proposals on the agenda for the Meeting.

Opinion of Our Financial Advisor (Page 42)

In connection with the Merger, our Board of Directors received a written opinion, dated March 30, 2008, from our financial advisor, UBS Securities LLC, or UBS, as to the fairness, from a financial point of view and as of the date of such opinion, of the US\$11.40 per share consideration to be received in the Merger by holders of Gilat Shares (other than excluded holders). For purposes of UBS' opinion, the term "excluded holders" refers to (i) shareholders of Gilat that have executed an irrevocable proxy and unilateral undertaking in favor of the Purchaser and their respective affiliates and (ii) holders of beneficial interests in the Purchaser and their respective affiliates to the extent they are holders of Gilat Shares. The full text of UBS' written opinion, dated March 30, 2008, is attached to this Proxy Statement as Appendix B and describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken. **UBS' opinion relates only to the fairness, from a financial point of view, of the US\$11.40 per share consideration to be received in the Merger and does not address any other aspect of the Merger. The opinion does not address the relative merits of the Merger as compared to other business strategies or transactions that might be available with respect to our company or our company's underlying business decision to effect the Merger, nor does the opinion constitute a recommendation to any shareholder as to how to vote or act with respect to the Merger. UBS' opinion was provided solely for the benefit of our Board of Directors in connection with, and for the purpose of, its evaluation of the Merger and may not be relied upon by any third party (including any shareholder of our company) or used for any other purpose.**

16

No Appraisal Rights (Page 47)

Under Israeli law, holders of Gilat Shares are not entitled to appraisal rights in connection with the Merger.

Financing (Page 48)

The estimated amount of funds necessary to complete the Merger and related transactions will be approximately US\$516,100,000, which amount will consist of (a) approximately US\$475,000,000 to be paid to our shareholders and option holders pursuant to the Merger Agreement, (b) approximately US\$7,400,000 in fees and expenses incurred in connection with the Merger and (c) approximately US\$33,700,000 for the repayment of our existing indebtedness in connection with the completion of the Merger. This amount does not include transaction bonuses to be paid by us to certain key employees in connection with the Merger which are contingent upon their continued employment with us for a period of between six to twelve months.

The foregoing amounts will be provided through a combination of (a) approximately US\$178,000,000 in equity contributions to the Purchaser by the Investors and/or their affiliates, as further described below, (b) up to US\$315,000,000 in debt financing to Purchaser and Merger Sub, as further described below and (c) our cash on hand. Funding of each of the equity contributions and the debt financing is subject to the satisfaction of the conditions set forth in the commitment letters under which the equity contributions and the financing will be provided. See the section of this Proxy Statement entitled "The Merger Financing of the Merger" beginning on page 48.

Equity Financing. The Purchaser has received an equity commitment letter from the Investors, pursuant to which, and subject to the conditions contained therein, the Investors have agreed, severally and not jointly, to make contributions to the Purchaser, which, together with the debt financing described below and our cash on hand, will provide the funds necessary to complete the Merger and related transactions.

Debt Financing. The Purchaser has received a commitment from Bank Hapoalim B.M. to provide, subject to the conditions contained therein, debt financing, which together with the equity financing described above and our cash on hand, will provide the funds necessary to complete the Merger and related transactions.

Material Tax Consequences of the Merger (Page 49)

United States Federal Income Tax Consequences

In general, if you are a U.S. Holder (as defined in the section of this Proxy Statement entitled "The Merger Material Tax Consequences of the Merger" beginning on page 49 of this Proxy Statement), the Merger will be a taxable transaction to you for U.S. federal income tax purposes pursuant to which you will recognize capital gain or loss in an amount equal to the difference between your tax basis in your Gilat Shares and the amount of cash received.

However, the tax consequences of the Merger to each Gilat shareholder will depend on such shareholder's particular facts and circumstances. If you are a U.S. Holder you are urged to consult your tax advisor as to the particular tax consequences of the Merger to you, including the effects of applicable state, local, foreign or other tax laws, withholding tax consequences and possible changes in the tax laws. See the section of this Proxy Statement entitled "The Merger Material Tax Consequences of the Merger" beginning on page 49 of this Proxy Statement.

Israeli Tax Consequences

Your receipt of cash in exchange for your Gilat Shares pursuant to the Merger will be a taxable transaction for Israeli tax purposes, unless a specific exemption is available under Israeli tax law or unless a double taxation prevention treaty between Israel and your country of residence provides otherwise. If you are a non-Israeli resident, you may be eligible for an exemption from such Israeli tax. You may be subject to the Israeli withholding tax (currently 20% for an individual and 25% for a corporation), unless an exemption or relief is provided from such withholding tax. If you are a U.S. Holder, any withheld amount may, subject to the limitations in U.S. tax laws applicable to foreign tax credits, be credited against your U.S. federal income tax liability. Our company and the Purchaser have agreed to request a pre-ruling from the Israeli Tax Authority that will provide an exemption from Israeli withholding tax with respect to holders of Gilat Shares that are non-Israeli residents. You should consult your tax advisor about the particular tax consequences of the Merger to you. See the section of this Proxy Statement entitled "The Merger – Material Tax Consequences of the Merger – Israeli Income Tax Consequences" beginning on page 51.

Regulatory Matters (Page 54)

We are required to obtain certain Israeli and foreign governmental and regulatory approvals in connection with the Merger, including the Investment Center of the Ministry of Industry, Trade and Labor, the Israeli Antitrust Commissioner, the United States Federal Communications Commission and the United States Committee on Foreign Investment. We received the provisional approval of the Investment Center on May 25, 2008. See the section of this Proxy Statement entitled "The Merger – Regulatory Matters – Israeli and Foreign Governmental Approvals and Notices" beginning on page 54. We do not currently anticipate that these approvals will delay completion of the Merger.

The Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or the HSR Act, and the rules and regulations thereunder, provide that certain merger transactions, including the Merger, may not be completed until required information and materials have been furnished to the U.S. Department of Justice and the Federal Trade Commission, and certain waiting periods have expired or been terminated. We received notice that the waiting period under the HSR Act was terminated early on May 12, 2008.

There can be no assurance that a challenge to the Merger on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

The Merger will become effective following the fulfillment (or waiver, to the extent permissible under applicable law) of all conditions precedent set forth in the Merger Agreement, the receipt of all of the required governmental and regulatory approvals and the issuance of the Merger Certificate by the Israeli Companies Registrar.

Interests of our Officers and Directors in the Merger (Page 57)

In considering the recommendation of our Board of Directors, you should be aware that our directors and executive officers may have personal interests in the Merger that are different from, or in addition to, your interests as a shareholder, and that those interests may present actual or potential conflicts of interest. Our Board of Directors was aware of these different or additional interests and considered them, among the other factors described in this Proxy Statement, in reaching its decision to approve the Merger Agreement and the Merger.

In particular, you should note that our Chairman of the Board and Chief Executive Officer, Amiram Levinberg, will be entitled to receive approximately US\$9,000,000 if the Merger is completed (which includes a special transaction bonus payable to him should he remain employed by us for a period of at least six months following the completion of the Merger).

Irrevocable Proxies and Unilateral Undertakings (Page 81)

In connection with the Merger, certain of our shareholders holding, in the aggregate, approximately 20% of the outstanding Gilat Shares have executed an irrevocable proxy and unilateral undertaking in favor of the Purchaser under which those shareholders have agreed, among other things, to give the Purchaser a proxy to vote such Gilat Shares in favor of the Merger Proposal and against any other Acquisition Proposal (as defined in the Merger Agreement attached to this Proxy Statement as Appendix A). A form of the irrevocable proxy executed by such shareholders is attached to this Proxy Statement as Appendix C and we urge you to read it carefully in its entirety.

Conditions to the Merger (Page 71)

Conditions to Each Party's Obligations. Each party's obligation to complete the Merger is subject to the satisfaction (or waiver, if permissible under applicable law) of the following conditions:

the approval of the Merger by our shareholders;

the following governmental approvals and/or notices shall have been obtained and/or provided (or the applicable waiting periods shall have expired or terminated):

notice to the Office of the Chief Scientist in Israel;

approval of the Investment Center of the Israeli Ministry of Industry, Trade and Labor;

obtaining the Israeli tax pre-rulings;

notice to the Israeli Ministry of Defense;

compliance with antitrust requirements;

approval of the United States Federal Communications Commission; and

receipt of notice from the Committee on Foreign Investment in the United States;

at least fifty days shall have elapsed after the filing of the merger proposals with the Israeli Companies Registrar by both us and Merger Sub and at least thirty days shall have elapsed from the approval of the Merger by the shareholders of each of our company and Merger Sub;

we and Merger Sub shall have received the merger certificate from the Israeli Companies Registrar, or the Merger Certificate; and

19

no injunction, judgment, order, decree, statute, law, ordinance, rule or regulation issued by any governmental authority of competent jurisdiction or other similar legal restraint or prohibition that prohibits, restrains or renders illegal the completion of the Merger shall be in effect.

Conditions to the Purchaser's and Merger Sub's Obligations. The obligation of the Purchaser and Merger Sub to complete the Merger is subject to the satisfaction or waiver, if permissible under applicable law, of the following additional conditions:

our representations and warranties set forth in the Merger Agreement shall be true and correct in the manner described in the section of this Proxy Statement entitled "The Merger Agreement-Conditions to the Merger;"

we must have performed in all material respects all obligations we are required to perform under the Merger Agreement at or prior to the closing date of the Merger and we must deliver to the Purchaser at the closing of the Merger a certificate to such effect; and

between the date of the Merger Agreement and the closing date of the Merger, there must not have been any Material Adverse Effect (as defined in the section of this Proxy Statement entitled "The Merger Agreement-Representations and Warranties" beginning on page 63) on our company.

Conditions to Our Obligations. Our obligation to complete the Merger is subject to the satisfaction or waiver, if permissible under applicable law of the following additional conditions:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

the representations and warranties of the Purchaser shall be true and correct in the manner described in the section of this Proxy Statement entitled "The Merger Agreement-Conditions to the Merger;" and

the Purchaser must have performed in all material respects all obligations they are required to perform under the Merger Agreement at or prior to the closing date of the Merger and the Purchaser must deliver to us at the closing of the Merger a certificate to such effect.

Restrictions on Solicitation of Other Offers (Page 73)

We have agreed that neither we nor any of our subsidiaries will, directly or indirectly:

solicit, initiate, propose or encourage or take any other action to facilitate any inquiry, discussion, offer or request that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, or make, submit or announce any Acquisition Proposal;

participate or otherwise engage in any negotiations regarding an Acquisition Proposal with, or furnish any nonpublic information to, or afford access to the property, books or records of our company or its subsidiaries to any person that has made or, to our knowledge, is considering making an Acquisition Proposal or grant any waiver or release under any standstill agreement;

20

engage in discussions regarding an Acquisition Proposal with any person that has made or, to our knowledge, is considering making an Acquisition Proposal, except to notify such Person as to the existence of these provisions relating to restrictions on solicitation;

approve, endorse or recommend any Acquisition Proposal; or

enter into any letter of intent or agreement in principle or any agreement or other arrangement providing for any Acquisition Proposal.

Notwithstanding these limitations, if at any time prior to obtaining the approval of our shareholders of the Merger Proposal, we receive an Acquisition Proposal which:

constitutes a Superior Proposal (as defined in the Merger Agreement attached to this Proxy Statement as Appendix A) or our Board of Directors determines in good faith could reasonably be expected to result in a Superior Proposal; and

our Board of Directors has concluded in good faith, after consultation with our outside legal advisors, that the failure of our Board of Directors to furnish such information or engage in such discussions or negotiations would be inconsistent with the directors' exercise of their fiduciary obligations to our shareholders under applicable law;

then we may take the following actions:

furnish nonpublic information to the third party making such Acquisition Proposal, if, and only if, prior to so furnishing such information, we receive from the third party an executed confidentiality agreement on terms no less favorable in any material respect to us than the terms of the confidentiality agreement executed between us and the Investors and provided that, any such information must be provided to the Purchaser as promptly as is reasonably practicable after its provision to such third party to the extent not previously made available to the Purchaser; and

engage in discussions or negotiations with the third party with respect to the Acquisition Proposal.

Change of Recommendation/Termination in Connection with a Superior Proposal (Page 75)

The Merger Agreement requires us to duly call, give notice of, convene and hold a meeting of our shareholders to approve the Merger Agreement. In this regard, our Board of Directors has resolved to take such actions with respect to the Meeting and recommend that our shareholders approve the Merger Agreement. However, our Board of Directors may, at any time prior to the approval of the Merger Agreement by our shareholders, make a change of recommendation or terminate the Merger Agreement and enter into a definitive agreement with respect to a Superior Proposal if the Board of Directors has concluded in good faith, after consultation with Gilat's outside legal advisors, that the failure of the Board of Directors to effect a change of recommendation or approve or recommend a Superior Proposal, as applicable, would be inconsistent with the Board of Directors' exercise of its fiduciary obligations to Gilat's shareholders under applicable law. The Board of Directors may not effect such change of recommendation or termination unless the following conditions have been met:

21

three business days shall have passed from the Purchaser's receipt of a written notice from us advising the Purchaser of our intent to take such action and describing the material terms and conditions of the Superior Proposal and as promptly as practicable thereafter we must provide a copy of the relevant proposed transaction agreements for such Superior Proposal, and state that we intend to effect a change in recommendation; and

during such three business day period, we must negotiate with the Purchaser and Merger Sub in good faith to make such adjustments in the terms and conditions of the Merger Agreement so that such Acquisition Proposal ceases to constitute a Superior Proposal.

Any material amendment to the financial terms of such Superior Proposal shall require a new notice of Superior Proposal and a new three business day period.

In addition, the Board of Directors shall not approve or recommend a Superior Proposal unless our company immediately terminates the Merger Agreement, subject to our payment to the Purchaser of the applicable termination fee, as described in further detail in the section of this Proxy Statement entitled "The Merger Agreement - Termination Fees and Expenses" beginning on page 77.

Termination of the Merger Agreement (Page 75)

We and the Purchaser may agree to terminate the Merger Agreement without completing the Merger at any time. The Merger Agreement may also be terminated in certain other circumstances, including:

by either us or the Purchaser if:

the Merger is not completed by September 28, 2008, or the End Date, so long as the terminating party's breach of the Merger Agreement did not cause the failure to close;

the Meeting shall have been convened and concluded and shareholder approval of the Merger shall not have been obtained; or

any legal restraint that prohibits the completion of the Merger is in effect and has become final and non-appealable, provided that the terminating party has used its reasonable best efforts to remove such restraint and that its failure to perform its obligations under the Merger Agreement is not the primary cause of such restraint;

22

by us if:

the Purchaser has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice of such breach or

failure;

the closing conditions have been satisfied and the Purchaser has failed to complete the Merger within ten business days (or such longer period specified by us in a notice to the Purchaser scheduling the closing of the Merger) after the later of (a) the first day that the closing conditions have been satisfied and (b) the date on which we provide such notice to the Purchaser undertaking to close the Merger; or

such termination is effected prior to obtaining shareholder approval in order to enter into an agreement with respect to a Superior Proposal, provided that such termination shall be conditioned on and subject to our paying the Purchaser the termination fee as required under the Merger Agreement;

by the Purchaser if:

we have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice of such breach or failure; or

our Board of Directors or any committee thereof has (a) changed or withdrawn its recommendation that our shareholders approve the Merger, (b) failed to recommend against a tender or exchange offer constituting an Acquisition Proposal, except to the extent permitted pursuant to the solicitation provisions set forth in the Merger Agreement, (c) recommended to our shareholders or approved any Acquisition Proposal or (d) failed to include its recommendation with respect to the Merger in any materials sent to our shareholders in connection with the Meeting;

Termination Fees and Expenses (Page 77)

Expenses

Each party has agreed to reimburse the other party's reasonable, actual and documented out-of-pocket fees and expenses incurred prior to termination up to an aggregate maximum amount of US\$5,000,000 if such party terminates the Merger Agreement because the breaching party has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and such breach or failure cannot be or has not been cured within thirty calendar days after receipt of written notice thereof. The Purchaser is required to pay such expenses and fees if such breach or failure to perform is not intentional. If the Purchaser's breach is intentional, other provisions apply, as detailed below.

Termination Fee Payable by Us

We have agreed to pay the Purchaser a termination fee in the amount of US\$14,239,000 if:

the Merger Agreement is terminated by us at any time prior the receipt of the approval of our shareholders because our Board of Directors has approved or recommended a Superior Proposal in which case we are required to pay the termination fee prior to or simultaneously with such termination;

the Merger Agreement is terminated by the Purchaser, because our Board of Directors or any committee thereof has (a) changed or withdrawn its recommendation that our shareholders approve the Merger, (b) failed to recommend against a tender or exchange offer constituting an Acquisition Proposal, except to the extent permitted pursuant to the solicitation provisions set forth in the Merger Agreement, (c) recommended to our shareholders or approved any Acquisition Proposal or (d) failed to include its recommendation with respect to the Merger in any materials sent to our shareholders in connection with the Meeting, in which case we are required to pay such termination fee no later than two business days after such termination; or

prior to the termination of the Merger Agreement:

a bona fide Acquisition Proposal (substituting for such purpose 50% for the 20% threshold set forth in the definition of Acquisition Proposal in the Merger Agreement attached hereto as Appendix A) is publicly proposed or

otherwise privately communicated to the Board of Directors;

24

the Merger Agreement is terminated by (a) us or the Purchaser as a result of reaching the End Date, (b) the Purchaser if the Meeting, or any adjournment or postponement thereof, has been convened and concluded and shareholder approval of the Merger has not been obtained or (c) the Purchaser because we have breached or failed to perform in any material respect any of our representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and such breach or failure cannot be or has not been cured within thirty calendar days after receipt of written notice thereof; and

no later than nine months after such termination, any definitive agreement providing for any Acquisition Proposal has been entered into or any Acquisition Proposal completed;

in which event we are required to pay the termination fee simultaneously with the completion of such Acquisition Proposal or any Acquisition Proposal relating thereto.

Termination Fee Payable by the Purchaser

The Purchaser has agreed to pay us a termination fee in the amount of US\$47,463,000 if:

we terminate the Merger Agreement because the Purchaser has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice thereof, if such breach or failure to perform is intentional (intentional breach to include, for this purpose, if the Purchaser obtains equity and debt financing that causes our Board of Directors to reasonably determine that such financing would prevent it from approving the Merger pursuant to applicable law such determination to be made after consultation with counsel and an internationally recognized investment bank regarding our company's ability to fulfill its financial obligations) and as of the date of such termination the closing conditions have been satisfied, in which case the Purchaser is required to pay such termination fee no later than ten business days after such termination; or

we terminate the Merger Agreement because the closing conditions have been satisfied and the Purchaser has failed to complete the Merger within ten business days (or such longer period specified by us in a notice to the Purchaser scheduling the closing of the Merger) after the later of (a) the first day that the closing conditions have been satisfied and (b) the date on which we provide such notice to the Purchaser undertaking to close the Merger, in which case the Purchaser is required to pay such termination fee no later than ten business days after such termination.

25

Limited Guaranty (Page 48)

In connection with the Merger Agreement, each Investor provided us with a separate limited guaranty, pursuant to which, each of the Investors or an affiliate of such Investor has agreed to provide us with a guaranty of (a) payment of the termination fee payable by the Purchaser, if any, and (b) payment of our expenses payable by the Purchaser, if any, in the case of each Investor, up to a maximum amount equal to its respective pro rata share of the aggregate amount of US\$47,463,000 in respect of the termination fee and US\$5,000,000 in respect of our expenses. Our sole recourse against each of the Investors is as set forth in each limited guaranty.

We are first mailing this Proxy Statement, the accompanying notice, letter to shareholders and proxy card on or about June 3, 2008 to all holders of Gilat Shares entitled to notice of, and to vote at, the Meeting.

Purposes of the Meeting; Proposed Resolutions

At the Meeting, other than Items 1 and 2 set forth in the section of this Proxy Statement entitled *Introduction* including, without limitation, the vote required for the approval of each of such Items 1 and 2, our shareholders will consider and vote on the Merger Proposal, which is a proposal to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. To approve the Merger Proposal, it is proposed that the following resolution be adopted at the Meeting:

RESOLVED, that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement be, and they hereby are, approved.

Our shareholders must approve the Merger Proposal in order for the Merger to be completed. A copy of the Merger Agreement is attached to this Proxy Statement as Appendix A, and we urge you to read it carefully in its entirety. See the section of the Proxy Statement entitled *The Merger* Our Reasons for the Merger.

31

Record Date, Method of Voting and Quorum Requirements

In accordance with the Companies Law and our Articles of Association, the Board of Directors has fixed June 2, 2008 as the record date for determining the shareholders entitled to notice of, and to vote at, the Meeting. Accordingly, you are entitled to notice of, and to vote at, the Meeting only if you were a record holder of Gilat Shares at the close of business (4:00 p.m. E.S.T.) on that date, irrespective of the amount of Gilat Shares in your possession on such date. As of May 28, 2008, there were 39,824,179 Gilat Shares outstanding. Your shares may be voted at the Meeting only if you are present or your shares are represented by a valid proxy.

You are being asked to vote the shares held directly in your name as a shareholder of record and any shares you hold in *street name* as beneficial owner. Shares held in *street name* are shares held on your behalf by a bank, a broker in a stock brokerage account or a nominee.

The method of voting differs for shares held as a record holder and shares held in *street name*. Record holders will receive proxy cards. Holders of shares in *street name* will receive voting instruction cards in order to instruct their banks, brokers or other nominees how to vote.

Proxy cards and voting instruction cards are being solicited on behalf of our Board of Directors from our shareholders in favor of the Merger Proposal as described in this document.

You may receive more than one set of voting materials, including multiple copies of this document and multiple proxy cards or voting instruction cards. For example, shareholders who hold shares in more than one brokerage account will receive a separate voting instruction card for each brokerage account in which shares are held.

Shareholders of record whose shares are registered in more than one name will receive more than one proxy card. You should complete, sign, date and return each proxy card and voting instruction card you receive.

A quorum of shareholders is necessary to have a valid meeting of our shareholders. The presence, in person or by proxy, of at least two of our shareholders who collectively hold at least 25% of the voting rights of Gilat Shares on the record date is necessary to constitute a quorum at the Meeting.

Abstentions and broker non-votes count as present for establishing a quorum. A broker non-vote occurs when a broker is not permitted to vote on an item without instructions from the beneficial owner of the shares and no instructions are given.

Voting Rights and Vote Required

Each Gilat Share outstanding as of the record date will be entitled to one vote at the Meeting.

The affirmative vote of the holders of a majority of the Gilat Shares present, in person or by proxy, at the Meeting and voting on the Merger Proposal, not including abstentions and broker non-votes, is required to approve the Merger Proposal. Under the Companies Law, the Merger Proposal will not be deemed approved if a majority of the Gilat Shares voted on the Merger Proposal, excluding those held by abstentions and by the Purchaser, Merger Sub, any Purchaser Affiliate and anyone acting on their behalf, including their family members or entities under their control, vote against the Merger Proposal. **By completing, signing and mailing the enclosed proxy card you confirm, unless you indicate otherwise on the proxy card, that you are not: (a) a Purchaser Affiliate; (b) a person or entity acting on behalf of the Purchaser, Merger Sub or any Purchaser Affiliate; or (c) a family member of, or an entity controlled by Purchaser, Merger Sub or any Purchaser Affiliate.** If you have any doubt about this matter, we urge you to consult with an Israeli lawyer or our General Counsel. The Merger cannot be completed unless the Merger Proposal is approved by our shareholders.

A proxy card of a record shareholder that is signed and returned that does not indicate a vote for or against a proposal will be counted as a vote for that proposal.

A bank, broker or nominee who holds shares for customers who are the beneficial owners of those shares has the authority to vote on routine proposals when it has not received instructions from the beneficial owners. However, such bank, broker or nominee is prohibited from giving a proxy to vote those customers' shares with respect to approving non-routine matters, such as the Merger Proposal, without instructions from the customer. Shares held by a bank, broker or nominee that are not voted at the Meeting because the customer has not provided instructions to the bank, broker or nominee will not be considered to be votes for or against the Merger Proposal or any other proposal and will have no effect on the result of the vote.

Certain of our shareholders holding, in the aggregate, approximately 20% of the outstanding Gilat Shares have executed an irrevocable proxy and unilateral undertaking in favor of the Purchaser under which those shareholders have agreed, among other things, to give the Purchaser a proxy to vote such Gilat Shares in favor of the Merger Proposal.

Adjournment and Postponement

Our shareholders may also be asked to vote to adjourn or postpone the Meeting for the purpose of soliciting additional proxies in favor of any proposals on the agenda of the Meeting. An adjournment or postponement of the Meeting may be made from time to time by the holders of Gilat Shares representing a majority of the votes present, in person or by proxy, at the Meeting.

In addition, if a quorum of our shareholders is not present within thirty minutes following the time that the Meeting is scheduled to commence, the Meeting will automatically be adjourned. In such event, the Meeting will be reconvened to the same day in the following week, at the same time and place, unless determined otherwise by the Chairman of the Board with the consent of the majority of the voting power represented at the Meeting in person or by proxy at such time and voting on the question of adjournment. The presence in person or by proxy of any two shareholders of Gilat will constitute a quorum for the transaction of business at such adjourned Meeting.

Voting Procedures; Revoking Proxies or Voting Instructions

Shareholders of Record

If you are a shareholder of record, meaning that your Gilat shares and your stock certificate(s) were registered in your name with us and our transfer agent as of the record date, you may vote (a) in person by attending the Meeting or (b) by marking, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided.

You may revoke your proxy at any time before the vote is taken at the Meeting by (a) delivering to our General Counsel or to our transfer agent a written notice of revocation, bearing a later date than the proxy, stating that the proxy is revoked, (b) by properly submitting a later-dated proxy relating to the same shares or (c) by attending the Meeting and voting in person (although attendance at the Meeting will not, by itself, revoke a proxy). Gilat Shares represented by properly executed proxies received by us no later than forty eight hours prior to the Meeting will, unless such proxies have been previously revoked or superceded, be voted at the Meeting in accordance with the directions on the proxies. Written notices of revocation and other communications concerning the revocation of a previously executed proxy should be addressed to: Gilat Satellite Networks Ltd., Gilat House, 21 Yegia Kapayim Street, Kiryat Arye, Petah Tikva 49130, Israel, Attention: General Counsel. Written notices of revocation may also be faxed to us at +972-3-925-2945 or to our transfer agent at (718) 921-8387.

You may also be represented by another person present at the Meeting by executing a proxy designating such person to act on your behalf.

If you sign, date and return your proxy card without indicating how you want to vote, your Gilat Shares will be voted in favor of all the proposals on the agenda of the Meeting and, in the discretion of the proxy holder, on any other business that may properly come before the Meeting or any adjournment or postponement thereof.

Shares Held in Street Name

If you hold your Gilat Shares in street name through a bank, broker or other nominee you should follow the instructions on the form you receive from your bank, broker or other nominee. If your Gilat Shares are held in street name and you wish to vote such shares by attending the Meeting in person, you will need to obtain a proxy from your bank, broker or other nominee. If your Gilat Shares are held in street name, you must contact your bank, broker or other nominee to change or revoke your voting instructions.

Voting of Proxies

All shares represented at the Meeting by valid proxies that we receive as a result of this solicitation (other than proxies that are revoked or superceded before they are voted) will be voted in the manner specified on such proxy. If you submit an executed proxy but do not specify how to vote your proxy, your Gilat Shares will be voted for the proposals on the agenda of the Meeting and, in the discretion of the proxy holder, on any other business that may properly come before the Meeting or any adjournment or postponement thereof.

Proxies submitted with instructions to abstain from voting and broker non-votes will not be considered to be votes for or against the Merger Proposal or any other proposal and will have no effect on the result of the vote.

Position Statements

Shareholders wishing to express their position on an agenda item for the Meeting may do so by submitting a written statement to us to the attention of our General Counsel at the above address no later than ten days following the record date. Reasonable costs incurred by our company in dealing with such a position statement shall be borne by the submitting shareholder.

Solicitation of Proxies

This Proxy Solicitation is being made and paid for by us on behalf of our Board of Directors. In addition to solicitation by mail, our directors, officers and employees of our company may solicit proxies for the Meeting from our shareholders personally or by telephone, facsimile and other electronic means without compensation other than reimbursement for their actual expenses.

Our company has also made arrangements with Georgeson Inc., or Georgeson, to assist us in soliciting proxies for the Meeting and has agreed to pay Georgeson approximately US\$12,500, plus reasonable out-of-pocket expenses, for these services, and to indemnify Georgeson against any losses arising out of that firm's proxy soliciting services on our behalf. Arrangements will also be made with brokerage firms and

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of Gilat Shares held of record by those persons, and we will, if requested, reimburse the record holders for their reasonable out-of-pocket expenses in so doing.

SHAREHOLDERS SHOULD NOT SEND ANY CERTIFICATES REPRESENTING GILAT SHARES WITH THEIR PROXY CARDS. IF THE MERGER PROPOSAL IS APPROVED AND THE MERGER IS SUBSEQUENTLY COMPLETED, YOU WILL RECEIVE INSTRUCTIONS FOR SURRENDERING YOUR CERTIFICATES IN EXCHANGE FOR THE MERGER CONSIDERATION.

SHAREHOLDERS ARE URGED TO COMPLETE, SIGN, DATE AND RETURN THE ENCLOSED PROXY IN THE ENVELOPE PROVIDED. IN ORDER TO AVOID UNNECESSARY EXPENSE, WE ASK YOUR COOPERATION IN RETURNING YOUR PROXY CARD PROMPTLY, NO MATTER HOW LARGE OR SMALL YOUR HOLDINGS MAY BE.

If you have questions about the Merger or how to submit your proxy, or if you need any additional copies of this Proxy Statement or the enclosed proxy card or voting instructions, please contact Ayelet Shaked, at our executive offices located at Gilat House, 21 Yegia Kapayim Street, Kiryat Arye, Petah Tikva 49130, Israel; telephone number: +972-3-925-2003; fax number: +972-3-925-2945. THE MERGER

The description in this Proxy Statement of the Merger is subject to, and is qualified in its entirety by reference to, the Merger Agreement, which is the legal document governing the Merger. We have attached a copy of the Merger Agreement to this Proxy Statement as Appendix A and we recommend that you read it carefully in its entirety.

Background of the Merger

On April 12, 2007, Mr. Meir Shamir, the Chairman of the Board of Mivtach Shamir, initiated a discussion with Mr. Amiram Levinberg, our Chief Executive Officer and Chairman of the Board, in which Mr. Shamir indicated his desire, together with DGB Investments, to acquire Gilat.

On April 25, 2007, Mr. Levinberg received a letter of interest from Mivtach Shamir and DGB Investments to acquire 100% of the outstanding Gilat Shares for US\$10.00 per share.

On April 30, 2007, our Board of Directors responded with a letter to each of Mivtach Shamir and DGB Investments confirming receipt of their proposal and indicating that our Board of Directors would discuss and evaluate the letter of interest and consider the proposal.

On May 9, 2007, in response to market rumors suggesting that Mivtach Shamir had submitted an offer to acquire all outstanding Gilat Shares, Mivtach Shamir issued an immediate report to the Tel Aviv Stock Exchange.

In May 2007, our company retained UBS as our financial advisor to assist us in evaluating our strategic alternatives, including a potential sale of our company, and in formulating a response to the proposal from Mivtach Shamir and DGB Investments.

On June 4, 2007, our Board of Directors met together with our legal and financial advisors. At this meeting, our Board of Directors reviewed with UBS certain strategic alternatives for our company. After extensive discussion, our Board of Directors directed our management, with the assistance of UBS, to evaluate a limited sale process of our company. The Board of Directors also instructed our management, with the assistance of UBS, to continue exploring other strategic alternatives, including potential acquisitions.

Approximately 27 potential buyers were contacted on behalf of our Board of Directors to explore sale opportunities for us, of which 13 parties showed an interest in the opportunity and 10 parties ultimately executed confidentiality agreements. Six parties subsequently submitted bids. One such final bid was from a strategic investor for a higher price per Gilat Share than that offered by the Investors. This bid was eventually rejected by our Board of Directors given the conclusion that the price was not sufficient to compensate shareholders for the high risk of us being unable to complete the transaction in a timely manner as a result of obtaining the required regulatory approvals, without harm to our business. The other bids were at prices lower than that offered by the Investors. Initially Mivtach Shamir and DGB Investments submitted a separate bid from The Gores Group, but they subsequently submitted a joint bid to which the LR Group joined.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

In the period beginning June 2007 and until the Merger Agreement was approved, our Board of Directors convened weekly in order to evaluate our strategic alternatives and review the progress and steps involved in evaluating potential bids to purchase our company. Concurrent with these evaluations, our Board of Directors also reviewed potential strategic acquisitions for us.

36

During the fourth quarter of 2007 and the beginning of 2008, we met with the Investors and our respective representatives numerous times to discuss and negotiate the terms of a possible Merger and the Merger Agreement, including the purchase price. In the course of these negotiations, the purchase price proposed by the Investors was US\$11.60 per outstanding Gilat Share, which would be funded by the Investors through both equity contributions and debt financings. During this time, the parties also negotiated the definitive terms of the Merger and exchanged drafts of the Merger Agreement.

On January 21, 2008, the Investors informed us that Bank Hapoalim B.M. had agreed to provide the debt financing for the acquisition of the Gilat Shares.

On February 16, 2008, our Board of Directors and Audit Committee met to discuss the Merger Agreement, together with our legal and financial advisors. At this meeting, our Board of Directors approved the Merger Agreement in principal, subject to approval of the final execution copy of the Merger Agreement.

Subsequently, in the course of further negotiations between the parties, the purchase price per Gilat Share was renegotiated to US\$11.40 per outstanding Gilat Share, which is the price per Gilat Share contemplated by the Merger Agreement.

On March 27, 2008, our Board of Directors received from the Investors executed documents related to the Merger, including copies of the equity commitment letter, pursuant to which the Investors agreed to make contributions to the Purchaser in an aggregate amount of US\$178,000,000, and a copy of the commitment letter from Bank Hapoalim B.M. to provide debt financing to the Purchaser and to Merger Sub up to an aggregate amount of US\$315,000,000, which, together with the equity financing described above, will provide the funds necessary to complete the Merger and related transactions.

On March 30, 2008, our Audit Committee and Board of Directors met to discuss the outstanding matters in the negotiations between the parties. All of the members of our Board of Directors present at the meeting (other than Mr. Amiram Levinberg who excluded himself from and did not participate in any of our Board of Directors' discussions and vote on the Merger in order to avoid any doubt of a conflict of interest) discussed the potential transaction and then voted for the adoption of the following resolutions:

approving the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement;

determining that the Merger is fair to, and in the best interests of Gilat and its shareholders;

determining that no reasonable concern exists that as a result of the Merger Gilat will be unable to fulfill its obligations to its creditors;

confirming the treatment of stock options in the Merger;

authorizing the filing of a merger proposal with the Israeli Companies Registrar;

directing management to call the Meeting, to seek to obtain the requisite approvals and consents and to take such other actions as may be necessary to complete the Merger; and

37

recommending that the shareholders of Gilat approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Also at this meeting, our legal counsel reviewed with our Board of Directors the Merger Agreement, the Merger and the Merger Proposal and UBS reviewed with our Board of Directors UBS financial analysis of the US\$11.40 per share consideration and delivered to our Board of Directors an oral opinion, which opinion was confirmed by delivery of a written opinion dated March 30, 2008, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in its opinion, the US\$11.40 per share consideration to be received in the Merger by holders of Gilat Shares (other than excluded holders) was fair, from a financial point of view, to such holders.

On March 31, 2008, we signed the Merger Agreement and issued a press release announcing the signing of the Merger Agreement and related documents.

Our Reasons for the Merger; Recommendation and Determination of our Audit Committee and Board of Directors

Audit Committee

Our Audit Committee which convened on March 30, 2008 and again on May 29, 2008, evaluated the terms of the Merger, including the terms and conditions of the Merger Agreement. Our Audit Committee approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, determined that the Merger is in the best interests of our company and our shareholders, approved the execution, delivery and performance of the Merger Agreement and the completion of the Merger and the other transactions contemplated by the Merger Agreement and resolved to recommend that our shareholders approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement.

In the course of reaching its determination, our Audit Committee considered the following factors and potential benefits of the Merger, each of which the members of the Audit Committee believe supported its decision:

our Audit Committee's familiarity with, and information provided by our management as to, the business, financial condition, results of operations, current business strategy and future prospects of our company, as well as the risks involved in achieving those prospects and objectives under current industry and market conditions, the nature of the markets in which our company operates and our position in such markets;

our Audit Committee's consideration of various strategic alternatives for our company, including discussions with a number of potential strategic and financial buyers, and the consideration to be paid by the Purchaser in the Merger (including its certainty);

the current and historical market prices for Gilat Shares and the fact that the consideration payable in the Merger represents a meaningful premium to those historical prices;

38

the possible alternatives to the Merger, including the prospects of continuing to operate our company as an independent public entity, and the risks and uncertainties associated with such alternatives, including the risks associated with our ability to meet our projections for future results of operations, compared to the certainty of realizing in cash a fair value for their investment provided to our shareholders by the Merger;

the fact that the Merger is with an entity that has conducted no activities prior to the Merger and which is well financed to perform its obligations under the Merger Agreement, so no reasonable concern exists that, as a result of the Merger, we will not be able to fulfill our obligations to our creditors;

the fact that we may terminate the Merger Agreement and receive a termination fee in the amount of US\$47,463,000, in the event that the ultimate debt financing obtained by the Purchaser is on terms different than those presented to the Board of Directors and causes the Board of Directors to reasonably determine that such financing would prevent it from approving the Merger, subject to the terms of the Merger Agreement;

the financial and other terms and conditions of the Merger Agreement as reviewed by our Board of Directors and the fact that they were the product of arm's-length negotiations between the parties;

certain terms of the Merger Agreement and related agreements, including:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

the limited number and nature of the conditions to the Purchaser's obligation to complete the Merger;

our ability to terminate the Merger Agreement in order to accept a Superior Proposal, subject to paying a fixed termination fee; and

the obligation of the Purchaser to pay us a termination fee if the Merger Agreement is terminated under certain circumstances;

the fact that the Merger consideration is all cash, allowing our shareholders to immediately realize a fair value for their investment, while also providing such shareholders certainty of value for their shares;

the fact that, for eighteen months from the effective time of the Merger, we will maintain for the benefit of our continuing employees the compensation and benefits (other than equity based compensation plans, and any transactional and change in control bonuses) that are, in the aggregate, substantially comparable to the compensation and benefits currently being provided;

recent developments in the industries in which we operate and the impact of such developments on the business and prospects of our company, including the continuing challenging business environment and the impact of consolidation among market participants;

the opinion of UBS, dated March 30, 2008, provided to our Board of Directors as to the fairness, from a financial point of view and as of the date of the opinion, of the US\$11.40 per share consideration to be received in the Merger by holders of Gilat Shares (other than excluded holders), as more fully described in the section of this Proxy Statement entitled "The Merger - Opinion of Our Financial Advisor;"

the financial resources and professional experience of the Investors and the ability of the Investors and their affiliates to help us access new markets for our products; and

the fact that the Merger Agreement is required to be submitted to our shareholders for approval, which allows for an informed vote by our shareholders on the merits of the Merger.

Our Audit Committee also considered a variety of risks and other potentially negative factors concerning the Merger Agreement and the Merger, including the following:

the risks and costs to us if the Merger does not close, including the diversion of management and employee attention, potential employee attrition and the potential effect on our business and our relationships with customers and suppliers;

the fact that our shareholders will not participate in any future earnings or growth of our company and will not benefit from any appreciation in value of our company, including any appreciation in value that could be realized as a result of improvements to our operations;

the requirement that we pay the Purchaser a termination fee of US\$14,239,000 or reimburse the Purchaser for up to US\$5,000,000 in expenses, depending on the timing and circumstances surrounding termination of the Merger Agreement;

the risk that some provisions of the Merger Agreement and related documents might have the effect of discouraging other persons potentially interested in acquiring our company from pursuing an acquisition of our company;

the restrictions on the conduct of our business prior to the completion of the Merger, requiring us to conduct our business only in the ordinary course, subject to specific limitations, which may delay or prevent us from undertaking business opportunities that may arise pending completion of the Merger;

the impact of the Merger on our employees; and

the possibility that the Merger will not be approved by the necessary governmental authorities.

We do not intend for the foregoing discussion of the information and factors considered by our Audit Committee to be exhaustive. We do believe, however, that the foregoing discussion summarizes the material factors considered by our Audit Committee in its consideration of the Merger. After considering these factors, our Audit Committee concluded that the positive factors relating to the Merger Agreement and the Merger outweighed any potential negative factors. In view of the number of factors considered by our Audit Committee, and the complexity of these matters, our Audit Committee did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of our Audit Committee may have assigned different weights to various factors. Our Audit Committee unanimously approved and recommended the Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Our Board of Directors

Our Board of Directors, acting upon the unanimous recommendation of the Audit Committee, (a) determined that the Merger is in the best interests of our company and our shareholders, (b) approved the execution, delivery and performance of the Merger Agreement and the completion of the Merger and the other transactions contemplated by the Merger Agreement, (c) determined that no reasonable concern exists that as a result of the Merger we will be unable to fulfill our obligations to our creditors, (d) directed management to call an extraordinary meeting of shareholders and to take such other actions as are necessary to complete the Merger and (e) resolved to recommend that our shareholders approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement and directed that such matter be submitted for consideration of our shareholders at the Meeting.

In reaching these determinations, our Board of Directors considered (a) a variety of business, financial and market factors, (b) each of the factors considered by the Audit Committee in its unanimous recommendation, as described above; and (c) the unanimous recommendation of the Audit Committee.

Mr. Amiram Levinberg, our Chief Executive Officer and Chairman of our Board of Directors, did not participate in the deliberations and voting on the approval of the Merger. See *The Merger* Interests of our Officers and Directors in the Merger on page 57. The foregoing discussion summarizes the material factors considered by our Board of Directors in its consideration of the Merger. In view of the wide variety of factors considered by our Board of Directors, and the complexity of these matters, our Board of Directors did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of our Board of Directors may have assigned different weights to various factors. Our Board of Directors approved and recommends the Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Our Audit Committee and Board of Directors recommend that you vote **FOR** the proposal to approve the Merger Agreement and the transactions contemplated thereby, including the Merger.

Opinion of Our Financial Advisor

On March 30, 2008, at a meeting of our Board of Directors held to evaluate the proposed Merger, UBS delivered to our Board of Directors an oral opinion, which opinion was confirmed by delivery of a written opinion dated March 30, 2008, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in its opinion, the US\$11.40 per share consideration to be received in the Merger by holders of Gilat Shares (other than excluded holders) was fair, from a financial point of view, to such holders.

The full text of UBS' opinion describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by UBS. This opinion is attached as Appendix B and is incorporated into this Proxy Statement by reference. **UBS' opinion relates only to the fairness, from a financial point of view, of the US\$11.40 per share consideration to be received in the Merger and does not address any other aspect of the Merger. The opinion does not address the relative merits of the Merger as compared to other business strategies or transactions that might be available with respect to our company or our company's underlying business decision to effect the Merger, nor does the opinion constitute a recommendation to any shareholder as to how to vote or act with respect to the Merger. UBS' opinion was provided solely for the benefit of our Board of Directors in connection with, and for the purpose of, its evaluation of the Merger and may not be relied upon by any third party (including any shareholder of our company) or used for any other purpose.**

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The following summary of UBS' opinion is qualified in its entirety by reference to the full text of UBS' opinion.

In arriving at its opinion, among other things, UBS:

reviewed certain publicly available business and financial information relating to our company, including certain publicly available earnings estimates for our company;

reviewed certain internal financial information and other data relating to our company's business and financial prospects that were provided to UBS by our company's management and not publicly available, including certain financial forecasts and estimates prepared by our company's management that our Board of Directors directed UBS to utilize for purposes of its analyses;

conducted discussions with members of our company's senior management concerning our company's business and financial prospects;

reviewed publicly available financial and stock market data with respect to certain other companies UBS believed to be generally relevant;

compared the financial terms of the Merger with the publicly available financial terms of certain other transactions UBS believed to be generally relevant;

reviewed current and historical market prices of Gilat Shares;

reviewed a draft of the Merger Agreement made available to UBS on March 28, 2008; and

42

conducted such other financial studies, analyses and investigations, and considered such other information, as UBS deemed necessary or appropriate.

In connection with its review, with the consent of our Board of Directors, UBS assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by UBS for the purpose of its opinion. In addition, with the consent of our Board of Directors, UBS did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of our company, and was not furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates prepared by our company's management referred to above, UBS assumed, at the direction of our Board of Directors, that such forecasts and estimates were reasonably prepared on a basis reflecting the best currently available estimates and judgments of our company's management as to our company's future financial performance. With respect to the publicly available earnings estimates referred to above, UBS assumed, at the direction of our Board of Directors, that such estimates represented reasonable estimates and judgments and were appropriate for UBS to utilize in its analyses. UBS' opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to UBS as of, the date of its opinion.

At the request of our Board of Directors, UBS contacted third parties to solicit indications of interest in a possible transaction with our company and held discussions with certain of these parties prior to the date of UBS' opinion. At the direction of our Board of Directors, UBS was not asked to, and it did not, offer any opinion as to the terms, other than the US\$11.40 per share Merger consideration to the extent expressly specified in UBS' opinion, of the Merger Agreement or the form of the Merger. In addition, UBS expressed no opinion as to the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger, or any class of such persons, relative to the US\$11.40 per share consideration. In rendering its opinion, UBS assumed, with the consent of our Board of Directors, that (a) the final executed form of the Merger Agreement would not differ in any material respect from the draft that UBS reviewed, (b) our company and the Purchaser would comply with all material terms of the Merger Agreement, and (c) the Merger would be consummated in accordance with the terms of the Merger Agreement without any adverse waiver or amendment of any material term or condition of the Merger Agreement. UBS also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Merger would be obtained without any material adverse effect on our company or the Merger. Except as described above, our Board of Directors imposed no other instructions or limitations on UBS with respect to the investigations made or the procedures followed by UBS in rendering its opinion. The issuance of UBS' opinion was approved by an authorized committee of UBS.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

In connection with rendering its opinion to our Board of Directors, UBS performed a variety of financial and comparative analyses which are summarized below. The following summary is not a complete description of all analyses performed and factors considered by UBS in connection with its opinion. The preparation of a financial opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. With respect to the selected companies analysis and the selected transactions analysis summarized below, no company or transaction used as a comparison was identical to our company or the Merger. These analyses necessarily involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or acquisition values of the companies concerned.

43

UBS believes that its analyses and the summary below must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying UBS' analyses and opinion. UBS did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion, but rather arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole.

The estimates of the future performance of our company provided by our company's management or derived from public sources in or underlying UBS' analyses are not necessarily indicative of future results or values, which may be significantly more or less favorable than those estimates. In performing its analyses, UBS considered industry performance, general business and economic conditions and other matters, many of which were beyond the control of our company. Estimates of the financial value of companies do not purport to be appraisals or necessarily reflect the prices at which companies actually may be sold.

The consideration payable in the Merger was determined through negotiation between our company and the Purchaser and the decision of our company to effect the Merger was solely that of our Board of Directors. UBS' opinion and financial analyses were only one of many factors considered by our Board of Directors in its evaluation of the Merger and should not be viewed as determinative of the views of our Board of Directors or management with respect to the Merger or the consideration payable in the Merger.

The following is a brief summary of the material financial analyses performed by UBS and reviewed with our Board of Directors on March 30, 2008 in connection with UBS' opinion relating to the proposed Merger. **The financial analyses summarized below include information presented in tabular format. In order to fully understand UBS' financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of UBS' financial analyses.** In the financial analyses summarized below, financial data for our company were based on certain financial forecasts and estimates prepared by our company's management that our Board of Directors directed UBS to utilize for purposes of its analyses (which, in the case of calendar year 2007, did not reflect, among other things, non-recurring expenses related to sales and uses tax provisions from prior periods that had not been recognized in those periods) and consensus earnings per share, or EPS, estimates as compiled by the Institutional Brokers' Estimate System.

UBS also reviewed closing stock prices of the selected companies on March 28, 2008 as a multiple of calendar year 2007 EPS and calendar years 2008 and 2009 estimated EPS. UBS then compared these multiples derived from the selected companies with corresponding multiples implied for our company based on the closing price of Gilat Shares on April 24, 2007 (which was the last trading day prior to Mivtach Shamir's submission of a letter of interest to acquire our company), the closing price of Gilat Shares on March 28, 2008 and the US\$11.40 per share Merger consideration. Discounted Cash Flow Analysis

UBS performed a discounted cash flow analysis of our company using certain financial forecasts and estimates prepared by our company's management for calendar year 2008 through calendar year 2012 that our Board of Directors directed UBS to utilize for purposes of its analyses. UBS also utilized internal estimates of our company's net operating losses as of December 31, 2007 prepared by our company's management. UBS calculated a range of implied present values of the stand-alone unlevered, after-tax free cash flows that our company was forecasted to generate from calendar year 2008 through calendar year 2012 using discount rates ranging from 13.5% to 16.5%. UBS also calculated a range of

implied terminal values for our company as of December 31, 2012 by applying a range of latest 12 months estimated adjusted EBITDA terminal value multiples of 6.0x to 8.0x to our company's calendar year 2012 estimated adjusted EBITDA. The implied terminal values were then discounted to present value using discount rates ranging from 13.5% to 16.5%. A range of implied present values of our company's net operating losses after giving effect to statutory limitations also was calculated using discount rates ranging from 13.5% to 16.5%. The discounted cash flow analysis resulted in a range of implied present values of approximately US\$10.00 to US\$12.60 per outstanding Gilat Share, as compared to the US\$11.40 per share consideration payable in the Merger.

Miscellaneous

Under the terms of UBS' engagement, we agreed to pay UBS for its financial advisory services in connection with the Merger an aggregate fee currently estimated to be approximately US\$4.5 million, a portion of which was payable in connection with UBS' opinion and a significant portion of which is contingent upon consummation of the Merger. In addition, we agreed to reimburse UBS for its reasonable expenses, including fees, disbursements and other charges of counsel, and to indemnify UBS and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement.

In the past, UBS and its affiliates have provided services to The Gores Group unrelated to the proposed Merger, for which UBS and its affiliates received compensation, including having acted as financial advisor to The Gores Group in connection with the sale of a portfolio company of The Gores Group in 2006. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of our company and certain affiliates of the Purchaser and, accordingly, may at any time hold a long or short position in such securities.

Our company selected UBS as our financial advisor in connection with the Merger because UBS is an internationally recognized investment banking firm with substantial experience in similar transactions. UBS is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities and private placements.

No Appraisal Rights; Objections by Creditors

Under Israeli law, holders of Gilat Shares are not entitled to appraisal rights in connection with the Merger. Under the Israeli Companies Law, objections to the Merger may be filed by our creditors with the Israeli district court. The court, in its discretion, may provide a remedy to any creditor who so objects if there is a reasonable concern that, as a result of the Merger, we will not be able to satisfy its obligations to its creditors following completion of the Merger.

Financing of the Merger

The estimated amount of funds necessary to complete the Merger and related transactions will be approximately US\$516,100,000, which amount will consist of (a) approximately US\$475,000,000 to be paid to our shareholders and option holders pursuant to the Merger Agreement, (b) approximately US\$7,400,000 in fees and expenses incurred in connection with the Merger and (c) approximately US\$33,700,000 for the repayment of our existing indebtedness in connection with the completion of the Merger. This amount does not include transaction bonuses to be paid by us to certain key employees in connection with the Merger which are contingent upon their continued employment with us for a period of between six to twelve months.

The foregoing amounts will be provided through a combination of (a) approximately US\$178,000,000 in equity contributions to the Purchaser by the Investors and/or their affiliates, as further described below, (b) up to US\$315,000,000 in debt financing, as further described below, and (c) our cash on hand. Funding of each of the equity contributions and the debt financing is subject to the satisfaction of the conditions set forth in the commitment letters under which the equity contributions and the debt financing will be provided.

Equity Financing. The Purchaser has received an equity commitment letter from the Investors pursuant to which, subject to the conditions contained therein, the Investors have agreed, severally and not jointly, to make contributions to the Purchaser in an aggregate amount of US\$178,000,000, or the Equity Commitment, which, together with the debt financing described below and our cash on hand, will provide the funds necessary to complete the Merger and related transactions. The Equity Commitment is subject to (a) the satisfaction or waiver of all of the conditions to the Purchaser's obligation to complete the Merger under the Merger Agreement and (b) the contemporaneous closing of the debt financing.

Debt Financing. The Purchaser and Merger Sub have received a commitment from Bank Hapoalim B.M. to provide, subject to the conditions contained therein, debt financing in an aggregate amount of up to US\$315,000,000, which, together with the equity financing

described above and our cash on hand, will provide the funds necessary to complete the Merger and related transactions. The availability of such debt financing is subject to, among other things, (a) completion of the Merger, (b) consummation of the Equity Commitment, (c) compliance with certain financial covenants and ratios, and (d) the delivery of definitive documentation.

Limited Guaranty

In connection with the Merger Agreement, each Investor provided us with a separate limited guaranty pursuant to which each of the Investors or an affiliate of such Investor has agreed to provide us with a guaranty of (a) payment of the termination fee, payable by the Purchaser, if any, and (b) payment of our expenses payable by the Purchaser, if any, in the case of each Investor, up to a maximum amount equal to its respective pro rata share of the aggregate amount of US\$47,463,000 in respect of the termination fee and US\$5,000,000 in respect of our expenses. Each guaranty will remain in full force and effect until the earlier of (a) the completion of the Merger and (b) one year after the termination of the Merger Agreement, provided that the limited guaranty will not terminate as to any claim for which notice has been given to the respective Investor prior to such termination. Our sole recourse against each of the Investors is as set forth in each limited guaranty.

an estate the income of which is subject to U.S. federal income taxation regardless of its source; or

a trust (a) if a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons have authority to control all of its substantial decisions, or (b) if, in general, it was in existence on August 20, 1996, was treated as a U.S. person under the Code on the previous day and made a valid election to continue to be so treated.

If a partnership is a beneficial owner of Gilat Shares, the U.S. federal income tax treatment of a partner in the partnership generally will depend upon the status of the partner and the activities of the partnership. Partnerships that are beneficial owners of Gilat Shares, and partners in such partnerships, are urged to consult their tax advisors regarding the U.S. federal, state, local and foreign tax consequences of the Merger.

SHAREHOLDERS WHO ARE U.S. HOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES OF THE MERGER TO THEM, INCLUDING THE EFFECTS OF APPLICABLE STATE, LOCAL, FOREIGN OR OTHER TAX LAWS AND POSSIBLE CHANGES IN THE TAX LAWS.

SHAREHOLDERS WHO ARE NOT U.S. HOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE U.S. FEDERAL INCOME AND WITHHOLDING TAX CONSEQUENCES AND ANY APPLICABLE NON-U.S. TAX CONSEQUENCES OF THE MERGER. FOR A DISCUSSION OF MATERIAL ISRAELI TAX CONSEQUENCES OF THE MERGER, PLEASE SEE THE SECTION OF THIS PROXY STATEMENT THE MERGER MATERIAL TAX CONSEQUENCES OF THE MERGER ISRAELI INCOME TAX CONSEQUENCES BEGINNING ON PAGE 51.

Sale of Gilat Shares

The receipt by a U.S. Holder of cash in exchange for Gilat Shares in connection with the Merger will be a taxable transaction for U.S. federal income tax purposes. Generally, subject to the discussion below regarding the possible status of Gilat as a passive foreign investment company, or PFIC, (see the section of this Proxy Statement entitled The Merger Certain Material Tax Consequences of the Merger Passive Foreign Investment Company , below) for U.S. federal income tax purposes, a U.S. Holder will recognize gain or loss equal to the difference between the amount of cash it receives in connection with the Merger and the aggregate adjusted tax basis of the Gilat Shares that it exchanges therefor. Gain or loss will be calculated separately for each block of Gilat Shares (i.e., shares acquired at the same cost in a single transaction) exchanged for cash in the Merger. A U.S. Holder's adjusted tax basis in its Gilat Shares generally will equal the purchase price that it paid for such shares.

Any gain or loss recognized by a U.S. Holder should be long-term capital gain or loss if the Gilat Shares surrendered were held for more than one year as of the effective time of the Merger and should be short-term capital gain or loss if the Gilat Shares surrendered were held for one year or less as of the effective time of the Merger. In the case of a non-corporate U.S. Holder, long-term capital gains are subject to a maximum U.S. federal income tax rate of 15%. Certain limitations apply to the use of capital losses.

50

Passive Foreign Investment Company

The foregoing summary assumes that we are not, nor have ever been, a PFIC for U.S. federal income tax purposes. We believe that we were not a PFIC for taxable years prior to 2008 and that we will not be a PFIC during 2008. However, because the determination of PFIC status is a factual determination that must be made annually at the close of each taxable year, we cannot provide assurance that we will not be a PFIC in 2008. In general, if we were characterized as a PFIC for any taxable year through and including 2008, any gain recognized by a U.S. Holder in connection with the Merger would be treated as ordinary income and would be subject to tax as if the gain had been realized ratably over the holding period of our ordinary shares. The amount allocated to the current taxable year, or to any year prior to the year in which we became a PFIC, would be taxed as ordinary income (rather than capital gain) earned in the current taxable year. The amount allocated to other taxable years would be taxed at the highest marginal rates applicable to ordinary income for such taxable years, and the U.S. Holder also would be liable for interest on such tax liability for such years. **U.S. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE POTENTIAL APPLICATION OF THE PFIC RULES TO THE RECEIPT OF CASH PURSUANT TO THE MERGER.**

Information Reporting and Withholding

Payments to certain U.S. Holders of the proceeds of the sale of Gilat Shares that are made pursuant to the transaction within the United States or through certain United States related financial intermediaries may be subject to information reporting and U.S. federal backup withholding tax, which currently is imposed at the rate of twenty-eight percent (28%). This tax will only apply if the U.S. Holder fails to supply a correct taxpayer identification number or otherwise fails to comply with applicable U.S. information reporting or certification requirements. Any amount withheld from a payment to a U.S. Holder under the backup withholding rules is treated as paid to the U.S. Holder for purposes of calculating the U.S. Holder's gain or loss on the transaction, but is allowable as a credit against the United States Shareholder's U.S. federal income tax liability, provided that the required information is furnished to the IRS.

Israeli Income Tax Consequences

The following is a summary discussion of certain Israeli tax considerations in connection with the Merger. The following summary is included for general information purposes only, is based upon current Israeli tax law and should not be conceived as tax advice to any particular holder of Gilat Shares. No assurance can be given that the analysis made and the views contained in this summary as well as the classification of the transaction for Israeli tax purposes as set forth below will be upheld by the tax authorities, nor that new or future legislation, regulations or interpretations will not significantly change the tax considerations described below, and any such change may apply retroactively. This summary does not discuss all material aspects of Israeli tax consequences that may apply to particular holders of Gilat Shares in light of their particular circumstances, such as investors subject to special tax rules or other investors referred to below.

Holders of Gilat Shares should consult their own tax advisors as to the Israeli tax consequences applicable to them.

Sale of Gilat Shares

In general, under the Israeli Income Tax Ordinance [New Version], 1961 and the rules and regulations promulgated thereunder, or the Tax Ordinance, the disposition of shares of an Israeli company is generally deemed to be a sale of capital assets, unless such shares are held for the purpose of trading. The Tax Ordinance generally imposes a capital gains tax on the sale of capital assets located in Israel, including shares in an Israeli resident company, by both residents and non-residents of Israel, unless a specific exemption is available or unless a double taxation prevention treaty between Israel and the seller's country of residence provides otherwise.

Under the Tax Ordinance, the tax rate applicable to capital gains derived from the disposition of Gilat Shares in the Merger is generally 20% for Israeli individuals, unless such shareholder claims a deduction for financing expenses in connection with such shares, in which case the gain will generally be taxed at a rate of 25%. Additionally, if such shareholder is considered a Significant Shareholder at any time during the twelve-month period preceding such disposition, i.e., such shareholder holds directly or indirectly, including with others, at least 10% of any means of control in our company, the tax rate will be 25%. Companies are subject to the corporate tax rate (currently 27%) on capital gains derived from the disposition of Gilat Shares, unless such companies were not subject to the Israeli Income Tax Law (Inflationary Adjustments), 1985 (or certain regulations), prior to August 10, 2005, in which case the applicable tax rate is 25%. However the foregoing tax rates will not apply to: (a) dealers in securities; or (b) shareholders who acquired their shares prior to an initial public offering (who may be subject to a different tax arrangement). The tax basis of shares acquired prior to January 1, 2003, will be determined in accordance with the average closing share price in the three trading days preceding January 1, 2003. However, a request may be made to the tax authorities to consider the actual adjusted cost of the shares as the tax basis if it is higher than such average price.

Notwithstanding the foregoing, according to the Tax Ordinance and the regulations promulgated thereunder, non-Israeli residents are generally exempt from Israeli capital gains tax on any gains derived from the disposition of shares of an Israeli company publicly traded on the TASE or on a recognized stock market outside of Israel (such as Gilat Shares), provided that such gains are not derived from a permanent establishment of such shareholders in Israel, and further provided that such shareholders did not acquire their shares prior to our initial public offering and that such capital gains are not subject to the Israeli Income Tax Law (Inflationary Adjustments), 5745-1985 or the rules promulgated under section 130A of the Tax Ordinance. However, non-Israeli corporations will not be entitled to such exemption if Israeli residents (a) have, directly or indirectly, a controlling interest of 25% or more in such non-Israeli corporation or (b) are the beneficiaries of or are entitled to 25% or more of the revenues or profits of such non-Israeli corporation, whether directly or indirectly.

In addition, under the Convention Between the Government of the United States of America and the Government of the State of Israel with Respect to Taxes on Income, or the U.S.-Israel Tax Treaty, Israeli capital gains tax generally will not apply to the disposition of shares by a U.S. Holder to which the U.S.-Israel Tax Treaty applies, or a U.S. Treaty Resident, who holds the shares as a capital asset. However, such exemption will not apply if (a) the U.S. Treaty Resident holds, directly or indirectly, shares representing 10% or more of our voting power during any part of the twelve-month period preceding the disposition, subject to specified conditions, or (b) the capital gains from such disposition can be allocated to a permanent establishment of such U.S. Treaty Resident in Israel. Under the U.S.-Israel Tax Treaty, such U.S. Treaty Resident would be permitted to claim a credit for Israeli income tax against the U.S. federal income tax imposed on the disposition, subject to the limitations in U.S. tax laws applicable to foreign tax credits.

Our shareholders who acquired their shares prior to our initial public offering in 1993 and who do not qualify for an exemption from Israeli capital gains tax under the Tax Ordinance or an applicable tax treaty to which the State of Israel is a party, including the U.S.-Israel Tax Treaty described above, may be subject to Israeli capital gains tax on the disposition of their Gilat Shares in the Merger. Such shareholders should consult their tax advisors regarding the tax consequences of the Merger to them.

Israeli Withholding Tax

In some instances where our shareholders may be liable for Israeli tax on the disposition of their Gilat Shares, the payment of the Merger consideration may be subject to the deduction of Israeli tax at source.

We and the Purchaser have agreed to request a pre-ruling from the Israeli Tax Authority that will (a) with respect to holders of Gilat Shares that are non-Israeli residents (as defined in the Tax Ordinance), provide that the Purchaser will be exempt from any obligation to withhold Israeli tax at source from any consideration payable or otherwise deliverable pursuant to the Merger Agreement including, without limitation, the Merger consideration, or clarify that no such obligation exists, and (b) with respect to holders of Gilat Shares that are Israeli residents (as defined in the Tax Ordinance), clearly instruct the Purchaser, in the absence of an exemption from tax withholding to be provided by any such holder, the way such withholding at source is to be effected, and in particular the rate or rates of withholding to be applied. Receipt of this tax pre-ruling is a condition to close the Merger. In the event that all closing conditions are fulfilled other than obtaining the tax pre-rulings, we will apply to the Israeli Tax Authority for an extension of time with respect to the obligation to deduct or withhold Israeli tax at source from the Merger consideration, in which case the parties may complete the Merger but the Merger consideration will be distributed to our shareholders only after such tax pre-ruling is obtained.

Shares Issued as Compensation for Employment or Service

Shareholders who received or acquired their Gilat Shares under one or more of our incentive plans, or otherwise as compensation for employment or services provided to our company or any of its affiliates, may be subject to different tax rates. Because individual circumstances may differ, any such holders of Gilat Shares should consult their own tax advisors as to the Israeli tax consequences applicable to them.

We and the Purchaser have agreed to request a pre-ruling from the Israeli Tax Authority that will provide that the cash-out of stock options granted pursuant to Section 102 of the Tax Ordinance in accordance with the Merger Agreement, prior to the lapse of the minimum trust period required by Section 102 of the Tax Ordinance, or the 102 Trust Period, will not be treated as a breach of the provisions of Section 102 of the Tax Ordinance, provided that the applicable consideration payable to the holders of such securities is deposited for the balance of the 102 Trust Period with the trustee appointed by us for purposes of Section 102 of the Tax Ordinance. In the event that such pre-ruling from the Israeli Tax Authority is not obtained prior to the closing of the Merger, the payment at the closing of the Merger of the consideration to such holders of options shall be subject to deduction of Israeli tax at the source, at the rate set under applicable law. In the event that all closing conditions are fulfilled other than obtaining the tax pre-rulings, we will apply to the Israeli Tax Authority for an extension of time with respect to the obligation to deduct or withhold Israeli tax at source from the Merger consideration, in which case the parties may complete the Merger but the Merger consideration will be distributed to our shareholders only after such tax pre-ruling is obtained.

Regulatory Matters

Israeli Governmental Approvals and Notices

Israeli Companies Registrar. Under the Companies Law, we and Merger Sub may not complete the Merger without first making the following filings and notifications to the Israeli Companies Registrar;

Merger Proposal. We and Merger Sub are required to jointly file with the Israeli Companies Registrar a merger proposal setting forth specified details with respect to the Merger, within three days of calling the Meeting. Both we and Merger Sub will file the required merger proposals with the Israeli Companies Registrar within three days after mailing this Proxy Statement.

Notice to Creditors. In addition, each merging company is required to notify its creditors of the proposed Merger. Pursuant to the Companies Law, a copy of the merger proposal must be sent to the secured creditors of each company within three days after the merger proposal was filed with the Israeli Companies Registrar, known substantial creditors must be informed individually by registered mail of the filing of the merger proposal with the Israeli Companies Registrar within four business days thereof, where it can be reviewed, and non-secured creditors must be informed of the merger proposal by publication in two daily Hebrew newspapers circulated in Israel on the day that the merger proposal is submitted to the Israeli Companies Registrar and, where necessary, elsewhere and by making the merger proposal available for review. Each of us and the Merger Sub will notify its creditors of the Merger in accordance with these requirements, to the extent applicable and, because our shares are traded on the NASDAQ Global Market, we will also publish an announcement of the Merger in The Wall Street Journal within three business days following the day on which the merger proposal was submitted to the Israeli Companies Registrar. After sending these notices, each of us and the Merger Sub will notify the Israeli Companies Registrar of the notices to its creditors. In addition, pursuant to the Companies Law, because we employ more than fifty employees, we must provide to the workers union a copy of

the publication placed in the newspapers or post a copy of the publication placed in the newspapers in a prominent location in the workplace within three business days after the merger proposal was filed with the Israeli Companies Registrar.

Shareholder Approval Notice. The Merger must then be approved by the shareholders of each merging company. After the shareholders vote, each of the merging companies must file a notice with the Israeli Companies Registrar regarding the decision of the shareholders.

54

Assuming that the shareholders of each of the merging companies approve the Merger Agreement and the Merger (and that all the other conditions set forth in the Merger Agreement have been satisfied or waived, if permissible under applicable law) and that all of the statutory procedures and requirements have been complied with, and so long as at least thirty days have passed from the date of the Meeting and at least fifty days have passed from the date of the filing of the merger proposal by both merging companies with the Israeli Companies Registrar, the Merger will become effective and the Israeli Companies Registrar will be required to register the Merger in the Surviving Corporation's register and to issue the Surviving Corporation a certificate regarding the Merger.

Investment Center. The change in the composition of our shareholders in connection with the Merger requires the approval of the Investment Center of the Ministry of Industry, Trade and Labor of the State of Israel, or the Investment Center, established under the Law for the Encouragement of Capital Investment, 5719-1959, as amended. This law provides that capital investments in eligible facilities may be designated upon application as an approved enterprise or benefited enterprise. Each certificate of approval relates to a specific investment program delineated both by its financial scope, including sources of funds, and by the physical characteristics of the facility or other assets. The benefits and obligations that apply to the enterprise are set out in the regulations promulgated under law and the specific approval with regard to each enterprise. The benefits include government grants, government guaranteed loans, tax holidays and combinations thereof. We have nine approved enterprises and have submitted an application for one benefited enterprise. The approval of the Investment Center in connection with the Merger is a condition to completion of the Merger. A letter requesting such approval was sent to the Investment Center on May 4, 2008 and we received the provisional approval of the Investment Center on May 25, 2008.

Office of the Chief Scientist. The acquisition of control of our company in connection with the Merger requires notice to the Office of the Chief Scientist of the Ministry of Industry, Trade and Labor of the State of Israel, or the OCS. Under the Law for the Encouragement of Industrial Research and Development, 5744-1984, and the regulations promulgated under this law, research and development programs approved by the OCS are eligible to receive grants if they meet specified criteria in exchange for the payment of royalties from the sale of the products developed in the course of research and development programs funded by the OCS. As of 2002 we entered into the large company category with the OCS and since then we no longer have any royalty obligations to the OCS. We have received OCS grants to fund some of our research and development activities and have notified the OCS of the Merger on May 4, 2008, and the OCS acknowledged such notice on May 28, 2008.

55

Israeli Tax Pre-Rulings. We and the Purchaser have agreed to request certain pre-rulings from the Israeli Tax Authority that will provide (a) with respect to holders of Gilat Shares that are non-Israeli residents (as defined in the Tax Ordinance), that the Purchaser will be exempt from any obligation to withhold Israeli Tax at source from any consideration payable or otherwise deliverable pursuant to the Merger Agreement including, without limitation, the Merger consideration, or clarify that no such obligation exists, (b) with respect to holders of Gilat Shares that are Israeli residents (as defined in the Tax Ordinance), clearly instruct the Purchaser, in the absence of an exemption from tax withholding to be provided by any such holder, the way such withholding at source is to be executed, and in particular the rate or rates of withholding to be applied and (c) clarify that the cash-out of stock options granted pursuant to Section 102 of the Tax Ordinance in accordance with the Merger Agreement, prior to the lapse of the 102 Trust Period, will not be treated as a breach of the provisions of Section 102 of the Tax Ordinance, provided that the applicable consideration payable to the holders of such securities is deposited for the balance of the 102 Trust Period with the trustee appointed by us for purposes of Section 102 of the Tax Ordinance. We have undertaken in the Merger Agreement to apply for the foregoing pre-rulings in connection with the Merger and obtaining such pre-rulings is a condition to completion of the Merger. In the event that all closing conditions are fulfilled other than obtaining the tax pre-rulings, we will apply to the Israeli Tax Authority for an extension of time with respect to the obligation to deduct or withhold Israeli tax at source from the Merger consideration.

Israeli Ministry of Defense. The completion of the Merger is conditioned on the provision of notice to the Israeli Ministry of Defense, which was sent on April 29, 2008.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Israeli Ministry of Communications. The completion of the Merger is conditioned on the provision of notice to the Israeli Ministry of Communications, which was sent on April 29, 2008.

Petah Tikva Municipality. Following completion of the Merger, the Surviving Corporation will have to apply to the Petah Tikva Municipality for the issuance of a new Business License.

Antitrust Approvals

The completion of the Merger is conditioned on the receipt of certain antitrust approvals, including, without limitation, the approval of the Israel Antitrust Commissioner. While there can be no assurance that the Merger will not be challenged by a governmental authority or private party on antitrust grounds, we do not anticipate that any requisite antitrust approvals will materially delay completion of the Merger.

The Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or the HSR Act, and the rules and regulations promulgated thereunder, provide that certain merger transactions, including the Merger, may not be completed until required information and materials have been furnished to the U.S. Department of Justice and the Federal Trade Commission, and certain waiting periods have expired or been terminated. We received notice that the waiting period under the HSR Act was terminated early on May 12, 2008.

There can be no assurance that a challenge to the Merger on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

Other Approvals

United States Federal Communications Commission. The completion of the Merger is conditioned on the receipt of approval of the United States Federal Communications Commission with respect to the communications licenses issued to our subsidiary, Spacenet Inc.

56

United States Committee on Foreign Investment. The completion of the Merger is conditioned on notice or other indication reasonably acceptable to the Purchaser from the Committee on Foreign Investment in the United States that (a) there are no issues of national security sufficient to warrant an investigation under Section 721 of the Defense Production Act, or that (b) the President of the United States, upon conclusion of an investigation, has not and will not exercise his authority under Section 721 to take further action to block or impair the transactions contemplated by the Merger Agreement.

Interests of our Officers and Directors in the Merger

In considering our Board of Directors' recommendation, you should be aware that certain of our directors and executive officers have personal interests in the transaction as employees or directors that are different from, or in addition to, your interests as shareholders. Our Board of Directors was aware of these different or additional interests and considered them, among the other factors described in this Proxy Statement, in reaching its decision to approve the Merger Agreement and the Merger.

Under the Companies Law, an extraordinary transaction in which an officer or director has a personal interest requires the approval of the audit committee and board of directors, in that order. Generally, the directors having a personal interest are not permitted to participate in the discussion or vote on the matters. However, the Companies Law provides that if a majority of the directors has a personal interest in a transaction, then all the directors may participate and vote on the transaction and the transaction requires shareholder approval. Because of one or more of the interests described below, the Merger was brought before our Audit Committee for approval. The Merger requires board and shareholder approval in any event pursuant to the provisions of the Companies Law that govern statutory mergers.

Treatment of Options

As described below under the section of this Proxy Statement entitled "The Merger Agreement Treatment of Options," each outstanding option to purchase Gilat Shares that is unexercised as of the effective time of the Merger, whether or not vested, shall be cancelled and converted into the right to receive a payment equal to the number of Gilat Shares underlying the outstanding options multiplied by the amount (if any) by which US\$11.40 exceeds the option exercise price thereof, without interest and less any applicable withholding taxes. Most of our officers and directors hold such options. Specifically, as of May 28, 2008, our directors and officers held in the aggregate vested options to purchase 2,528,506 Gilat Shares and unvested options to purchase 442,294 Gilat Shares.

As of the effective time of the Merger, all options to purchase Gilat Shares will no longer be outstanding and will automatically cease to exist, and each holder of such options will cease to have any rights with respect thereto, except the right to receive the consideration indicated in the preceding paragraph. We are required to take prior to the effective time of the Merger all actions necessary to effectuate the matters described in this paragraph and the preceding paragraph, including providing holders of options with notice of their rights as provided herein.

Management Arrangements

Pursuant to the terms of his employment agreement with us, as approved by a general meeting of our Shareholders on December 27, 2005, Mr. Amiram Levinberg, our Chief Executive Officer and Chairman of the Board of Directors, is entitled to a transaction bonus equal to 0.82% of our market value in the event of an arm's length transaction in which 50% or more of our then outstanding share capital is purchased. The closing of the Merger will trigger this provision in Mr. Levinberg's employment agreement and he will therefore be entitled to such a transaction bonus in the amount of approximately US\$4,000,000. This cash payment is contingent upon the completion of the Merger and the willingness of Mr. Levinberg to continue to be employed by us for a transition period of six months following the completion of the Merger. Upon completion of the Merger, Mr. Levinberg will also receive approximately US\$5,000,000 as compensation for options held by him as part of his employment terms.

Indemnification and Insurance

The Merger Agreement requires the Purchaser, following the Merger, to cause us to fulfill and honor all of our obligations pursuant to existing indemnification agreements with respect to claims arising from facts or events that existed prior to the Merger in favor of our current or former directors and officers or the directors and officers of any of our subsidiaries. The Purchaser has agreed that for a period of seven years following the Merger to cause our and our subsidiaries' Articles of Association, certificate of incorporation and bylaws, as applicable, to contain provisions with respect to exculpation and limitation of liability, insurance and indemnification that are at least as favorable as the provisions contained in such documents as of the date of the Merger Agreement.

In addition, for seven years following the Merger, we will maintain officers' and directors' liability insurance covering those persons currently covered by our officers' and directors' liability insurance policy with coverage at least as favorable as that provided by our policy as of the date of the Merger Agreement, to be increased, subject to the approval of Item 1 in the agenda for the Meeting, from US\$15,000,000 to US\$20,000,000 for any one claim and in the aggregate for all claims during the policy period, and to approve additional coverage under a Side A Directors' and Officers' Liability Insurance Policy of up to US\$5,000,000 for any one claim and in the aggregate for all claims during the policy period; provided however, that in no event shall the Purchaser be required to expend per year of coverage more than 200% of the amount currently expended by us per year of coverage as of the date of the Merger Agreement in order to maintain or procure such insurance coverage. If, notwithstanding the use of reasonable best efforts to do so, the Purchaser is unable to maintain or obtain such insurance, the Purchaser will obtain as much comparable insurance as available for 200% of the amount currently expended by us per year of coverage as of the date of the Merger Agreement. We will, after reasonable consultation with the Purchaser in good faith, satisfy the foregoing insurance obligations by purchasing a seven-year tail policy to the current policy of directors' and officers' liability insurance maintained by us at a cost not in excess of US\$1,200,000. See the section of this Proxy Statement entitled "The Merger Agreement - Indemnification and Insurance" on page 79.

Continued Benefits

The Merger Agreement provides that for a period of eighteen months following the Merger, we will provide each of our then current employees compensation and benefits (other than equity based compensation plans and transactional and change in control bonuses) that are, in the aggregate (to any such employee), substantially comparable to the compensation and benefits being provided to such employees immediately prior to the Merger. We will generally provide any such employee whose employment is terminated during the eighteen month period following the Merger with severance benefits equal to the severance benefits that such employee would have been entitled to prior to the Merger, pursuant to and under circumstances consistent with the terms of our severance plan applicable to such employee. See the section of this Proxy Statement entitled "The Merger Agreement - Employee Benefits" on page 80.

THE MERGER AGREEMENT

This section of the Proxy Statement describes the material provisions of the Merger Agreement but does not purport to describe all of the terms of the Merger Agreement. The following summary is qualified in its entirety by reference to the complete text of the Merger Agreement, which is attached as Appendix A to this Proxy Statement and incorporated into this Proxy Statement by reference. We urge you to read the full text of the Merger Agreement because it is the legal document that governs the Merger. It is not intended to provide you with any other factual information about us. Such information can be found elsewhere in this Proxy Statement and in the public filings we make with the SEC, as described in the section entitled "Where You Can Find More Information" beginning on page 84.

The Merger

The Merger Agreement provides for the Merger of Merger Sub with and into our company upon the terms, and subject to the conditions, of the Merger Agreement. As the Surviving Corporation, we will continue to exist following the Merger as a wholly owned subsidiary of the Purchaser. When we refer to the Surviving Corporation in this Proxy Statement, we mean our company, as it will exist after the Merger is completed. Following the Merger, all of our properties, rights, privileges and powers and those of Merger Sub will vest in the Surviving Corporation, and all our debts, liabilities and duties and those of the Merger Sub will become the debts, liabilities and duties of the Surviving Corporation. Upon completion of the Merger, the directors of Merger Sub will be the directors of the Surviving Corporation. Our officers prior to the completion of the Merger shall remain the officers of the Surviving Corporation until their successors are duly elected and qualified or until the earlier of their resignation or removal.

Following the Merger, the Gilat Shares, all of which will then be owned by the Purchaser, will be delisted from the NASDAQ Global Market and from the Tel Aviv Stock Exchange, deregistered under the Exchange Act and no longer be publicly traded.

We, the Purchaser or Merger Sub may terminate the Merger Agreement prior to the completion of the Merger in certain circumstances, whether before or after the approval of the Merger Proposal by our shareholders. Additional details on termination of the Merger Agreement are described in the section of this Proxy Statement entitled "The Merger Agreement - Termination of the Merger Agreement" beginning on page 75.

Effective Time of the Merger

The Merger will become effective upon the issuance of a certificate of merger by the Companies Registrar in Israel in accordance with the relevant provisions of the Companies Law. The certificate of merger will be issued by the Companies Registrar following the satisfaction of all requirements under the Companies Law if at least fifty days shall have elapsed after the filing of the merger proposals by both us and Merger Sub with the Israeli Companies Registrar and at least thirty days have elapsed after the approval of the Merger by our shareholders and those of Merger Sub. The Merger Agreement provides that the closing of the Merger will occur on the second business day after the conditions to the Merger have been satisfied or waived, unless we agree with the Purchaser to complete the transaction on another date. When we refer to the effective time of the Merger in this Proxy Statement, we mean the date and time when the Merger becomes effective, as described in this paragraph.

The parties are working to complete the Merger as soon as practicable. However, the Merger is subject to various closing conditions. No assurances can be given that the parties will obtain the necessary approvals to complete the Merger or that the parties will obtain them in a timely manner.

60

At the effective time of the Merger, our stock transfer books will be deemed closed and no further transfer of any Gilat Shares will be made. In addition, our former shareholders will cease to have any rights as shareholders of our company or the Surviving Corporation, except for the right to receive the Merger consideration.

Merger Consideration

At the effective time of the Merger, each issued and outstanding Gilat Share (other than Gilat Shares held by the Purchaser, certain of the Investors and Merger Sub) will be automatically converted into the right to receive US\$11.40 in cash, without interest and less any applicable withholding taxes.

If at any time during the period between March 31, 2008 and the effective time of the Merger, any change in the number of outstanding Gilat Shares occurs as a result of a reclassification, recapitalization, stock split (including a reverse stock split), or combination, exchange or readjustment of shares, or any stock dividend or distribution with a record date during such period, the Merger consideration will be appropriately adjusted to provide the holders of Gilat Shares (in the aggregate) the same economic effect as contemplated by the Merger

Agreement prior to such event.

Treatment of Options

As of May 28, 2008, there were approximately 4,001,323 Gilat Shares issuable pursuant to stock options granted under our equity incentive plans to our directors, officers, employees and certain sub-contractors. Under the terms of the Merger Agreement, each outstanding option that is unexercised as of the effective time of the Merger will be accelerated and cancelled and converted into the right to receive a payment equal to the number of Gilat Shares underlying the outstanding options multiplied by the amount, if any, by which US\$11.40 exceeds the option exercise price, without interest and less any applicable withholding taxes.

As of the effective time of the Merger, all options to purchase Gilat Shares shall no longer be outstanding and shall automatically cease to exist, and each holder of such options shall cease to have any rights with respect thereto, except the right to receive the consideration indicated in the preceding paragraph, without interest. We are required to take prior to the effective time of the Merger all actions necessary to effectuate the matters described in this paragraph and the preceding paragraph, including providing holders of options with notice of their rights as provided herein.

Payment Procedures

How to Receive Payment. Prior to the effective time of the Merger, the Purchaser will appoint a paying agent based in the United States and reasonably acceptable to us for the purpose of exchanging certificates representing Gilat Shares for the Merger consideration. At the closing of the Merger, the Purchaser will cause the Merger consideration (and any amounts required to be paid in exchange for the cancellation of options to purchase Gilat Shares) to be deposited with the paying agent. Promptly after the effective time of the Merger, the paying agent will mail a letter of transmittal and other instructional materials to the holders of Gilat Shares. The letter of transmittal and other materials will instruct you how to surrender your certificates representing Gilat Shares in exchange for the Merger consideration. Interest will not be paid or accrue in respect of the Merger consideration. You will not be entitled to receive the Merger consideration until you send your certificates to the paying agent, along with a properly completed and signed letter of transmittal and such other documents as the paying agent or the Purchaser may require, including a tax declaration form. If your shares are held in street name by your bank, broker or other nominee you will receive instructions from your bank, broker or other nominee as to how to effect the surrender of your street name shares in exchange for the Merger consideration.

61

Transfer of Shares. If your Gilat Shares are held in a name other than the name registered in our transfer records, you must provide the paying agent with evidence that such shares have been transferred and that any applicable transfer taxes have been paid.

Our transfer records will be deemed closed at the effective time of the Merger, and we will not register transfers of Gilat Shares on our books after such time. If any certificates formerly representing Gilat Shares are presented for transfer after that time, they will be cancelled and exchanged for the Merger consideration as described above.

If the paying agent is to pay some or all of your Merger consideration to a person other than you, as the registered owner of a stock certificate, you must have your certificates properly endorsed or otherwise in proper form for transfer, and you must pay any transfer or other taxes payable by reason of the transfer or establish to the paying agent's reasonable satisfaction that the taxes have been paid or are not required to be paid.

Lost, Stolen or Destroyed Certificates. If you have lost your certificate, or if your certificate has been stolen or destroyed, you will be required to sign an affidavit stating that your certificate was lost, stolen or destroyed, as the case may be. In addition, if the Surviving Corporation requires, you may be required to post a bond (in a reasonable amount directed by the Surviving Corporation) as indemnity against any claim that may be made against the Surviving Corporation with respect to such certificate in order to receive the Merger consideration payable in respect of the Gilat Shares represented by such lost, stolen or destroyed certificate.

Tax Withholding. The Purchaser (or any of its affiliates), the 102 Trustee (as defined in the Merger Agreement) and the paying agent are entitled to deduct and withhold from the Merger consideration otherwise payable under the Merger Agreement any amounts required to be deducted and withheld with respect to the making of such payment under applicable tax laws. All amounts so deducted or withheld will be treated for all purposes of the Merger Agreement as having been paid to the applicable former holder of Gilat Shares or options to purchase Gilat Shares.

Unclaimed Merger Consideration. Subject to any contrary provision of governing law, eighteen months after the effective time of the Merger, the paying agent will deliver to the Purchaser any Merger consideration (and any interest or other income earned thereon) deposited

with the paying agent that has not been paid to the former shareholders of Gilat. After that time, the former shareholders of our company will be entitled to look only to the Purchaser for payment of the Merger consideration in respect of certificates formerly representing Gilat Shares. Any Merger consideration remaining unclaimed two years after the effective time of the Merger (or such earlier date immediately prior to the time when the amounts would otherwise escheat to or become the property of any governmental entity) shall become, to the extent permitted by applicable law, the property of the Purchaser free and clear of any claims or interest of any person previously entitled thereto. Notwithstanding the foregoing, the Purchaser will not be liable to any of our former shareholders for any amount of the Merger consideration paid to a public official pursuant to applicable abandoned property, escheat or similar laws.

Representations and Warranties

The Merger Agreement has been included to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about Gilat. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of such agreement and as of the specific dates therein, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. Covenants Regarding Financing

We have agreed to, and have agreed to cause our subsidiaries to, at the Purchaser's sole expense, cooperate in connection with the arrangement of the debt and equity financing as may be reasonably requested by the Purchaser, provided that such requested cooperation (a) is not prohibited by applicable law and (b) does not unreasonably interfere with our ongoing operations and those of our subsidiaries. Such cooperation shall include:

using reasonable best efforts to provide any lenders with financial and other information regarding us, requested by the Purchaser or its lenders, including all financial statements and financial and other data of the type required by the applicable SEC rules for registered offerings of debt securities, and of the type and form customarily included in offering documents used in private placements, to consummate the offerings of any debt securities contemplated by such financing at the time during our fiscal year any such offerings will be made;

promptly notify us;

furnish executed copies of the agreements relating to such alternative financing promptly upon their execution and keep us reasonably informed of the status of its efforts to arrange such alternative financing.

The Purchaser acknowledged and agreed that we and our affiliates and our respective directors, officers, employees, agents and representatives will not have any responsibility for, or incur any liability to, any person under the financing or any cooperation provided pursuant to the above provisions and that the Purchaser and the Merger Sub will indemnify and hold harmless our company, our affiliates and their respective directors, officers and employees from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them as a result of any action carried out by them pursuant to the above prior to the effective time of the Merger.

Conditions to the Merger

Various conditions must be satisfied (or waived, if permissible under applicable law) before we, the Purchaser and Merger Sub complete the Merger.

Conditions to Each Party's Obligations. Each party's obligation to complete the Merger is subject to the satisfaction (or waiver, if permissible under applicable law) of the following conditions:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

We and Merger Sub will have received the Merger Certificate from the Israeli Companies Registrar; and

no injunction, judgment, order, decree, statute, law, ordinance, rule or regulation issued by any governmental authority of competent jurisdiction or other similar legal restraint or prohibition that prohibits, restrains or renders illegal the completion of the Merger shall be in effect.

Conditions to the Purchaser's and Merger Sub's Obligations. The obligation of the Purchaser and Merger Sub to complete the Merger is subject to the satisfaction (or waiver, if permissible under applicable law) of the following additional conditions:

our representations and warranties set forth in the Merger Agreement, disregarding for this purpose any Material Adverse Effect or materiality qualification, shall be true and correct at and as of the date of the Merger Agreement and at and as of the closing date of the Merger as though made at and as of the closing date of the Merger, except for such failures to be true and correct as would not have, individually or in the aggregate, a Material Adverse Effect (except that the representations and warranties with respect to capitalization and brokers shall be true and correct in all material respects); provided, however, that, with respect to representations and warranties that are made as of a particular date or period shall be true and correct (in the manner set forth above) only as of such date or period.

we must have performed in all material respects all obligations we are required to perform under the Merger Agreement at or prior to the closing date of the Merger and we must deliver to the Purchaser at the closing of the Merger a certificate to such effect; and

72

Conditions to Our Obligations. Our obligation to complete the Merger is subject to the satisfaction or waiver of the following additional conditions:

the Purchaser must have performed in all material respects all obligations they are required to perform under the Merger Agreement at or prior to the closing date of the Merger and the Purchaser must deliver to us at the closing of the Merger a certificate to such effect.

Each party to the Merger Agreement may, at its option and subject to applicable law, waive the satisfaction of any condition to its obligations under the Merger Agreement. If a failure to satisfy one of these conditions to the Merger is not considered by our Board of Directors to be material to our shareholders, the Board of Directors could waive compliance with that condition. Our Board of Directors is not aware of any condition to the Merger that cannot be satisfied but we cannot be certain when, or if, the conditions to the Merger will be met.

EVEN IF OUR SHAREHOLDERS APPROVE THE MERGER PROPOSAL, THERE CAN BE NO ASSURANCE THAT THE OTHER CONDITIONS WILL BE SATISFIED AND THE MERGER WILL BE COMPLETED IN A TIMELY MANNER OR AT ALL.

Restrictions on Solicitation of Other Offers

We have agreed that neither we nor any of our subsidiaries shall, directly or indirectly:

solicit, initiate, propose or encourage or take any other action to facilitate any inquiry, discussion, offer or request that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, or the making, submission or announcement of, any Acquisition Proposal;

participate or otherwise engage in any negotiations regarding an Acquisition Proposal with, or furnish any nonpublic information to, or afford access to the property, books or records of our company or our subsidiaries to, any person that has made or, to our knowledge, is considering making an Acquisition Proposal or grant any waiver or release under any standstill agreement;

engage in discussions regarding an Acquisition Proposal with any person that has made or, to our knowledge, is considering making an Acquisition Proposal, except to notify such Person as to the existence of these provisions relating to restrictions on solicitation;

73

approve, endorse or recommend any Acquisition Proposal; or

enter into any letter of intent or agreement in principle or any agreement or other arrangement providing for any Acquisition Proposal.

We must promptly (and in any event within twenty four (24) hours after receipt) notify the Purchaser of the receipt of any Acquisition Proposal, or of any inquiries, proposals or offers received by, any request for information from, or any negotiations sought to be initiated or continued with, either us or our representatives concerning an Acquisition Proposal or that would reasonably be expected to lead to an Acquisition Proposal and disclose the identity of the other party and the material terms of such inquiry, offer, proposal or request and provide the Purchaser with copies of any written materials provided to us as promptly as reasonably practicable. We must keep the Purchaser informed on a prompt basis of the status, terms and substance of any discussions or negotiations (including amendments and proposed amendments) of any such Acquisition Proposal or other inquiry, offer, proposal or request concerning an Acquisition Proposal.

Notwithstanding these limitations, if at any time prior to obtaining the approval of our shareholders for the Merger, we receive an Acquisition Proposal which:

constitutes a Superior Proposal or our Board of Directors determines in good faith could reasonably be expected to result in a Superior Proposal; and

our Board of Directors has concluded in good faith, after consultation with our outside legal advisors, that the failure of our Board of Directors to furnish such information or engage in such discussions or negotiations would be inconsistent with the directors' exercise of their fiduciary obligations to our shareholders under applicable law;

then we may take the following actions:

furnish nonpublic information to the third party making such Acquisition Proposal, if, and only if, prior to so furnishing such information, we receive from the third party an executed confidentiality agreement on terms no less favorable in any material respect to us than the terms of the confidentiality agreement executed between us and the Investors and provided that, any such information must be provided to the Purchaser as promptly as is reasonably practicable after its provision to such third party to the extent not previously made available to the Purchaser; and

engage in discussions or negotiations with the third party with respect to the Acquisition Proposal.

74

Change of Recommendation/Termination in Connection with a Superior Proposal

The Merger Agreement requires us to duly call, give notice of, convene and hold a meeting of our shareholders to approve the Merger Agreement. In this regard, our Board of Directors has resolved to take such actions with respect to the Meeting and recommend that our shareholders approve the Merger Agreement. However, our Board of Directors may, at any time prior to the approval of the Merger Agreement by our shareholders, make a change of recommendation or terminate the Merger Agreement and enter into a definitive agreement with respect to a Superior Proposal if our Board of Directors has concluded in good faith, after consultation with our outside legal advisors, that the failure of our Board of Directors to effect a change of recommendation or approve or recommend a Superior Proposal, as applicable, would be inconsistent with our Board of Directors' exercise of its fiduciary obligations to our shareholders under applicable law. Our Board of Directors may not effect such change of recommendation or termination unless the following conditions have been met:

three business days shall have passed from the Purchaser's receipt of a written notice from us advising the Purchaser of our intent to take such action and describing the material terms and conditions of the Superior Proposal and as promptly as practicable thereafter we must provide a copy of the relevant proposed transaction agreements for such Superior Proposal, and state that we intend to effect a change in recommendation; and

during such three business day period, we must negotiate with the Purchaser and Merger Sub in good faith to make such adjustments in the terms and conditions of the Merger Agreement so that such Acquisition Proposal ceases to constitute a Superior Proposal.

Any material amendment to the financial terms of such Superior Proposal shall require a new notice of Superior Proposal and a new three business day period.

In addition, our Board of Directors will not approve or recommend a Superior Proposal unless we immediately terminate the Merger Agreement, subject to our payment to the Purchaser of the applicable termination fee, as described in further detail in the section of this Proxy Statement entitled "The Merger Agreement - Termination Fees and Expenses" beginning on page 77.

Termination of the Merger Agreement

We and the Purchaser may agree to terminate the Merger Agreement without completing the Merger at any time. The Merger Agreement may also be terminated in certain other circumstances, including:

by either us or the Purchaser if:

the Merger is not completed by the End Date, so long as the terminating party's breach of the Merger Agreement did not cause the failure to close;

the Meeting shall have been convened and concluded and shareholder approval of the Merger shall not have been obtained; or

75

any legal restraint that prohibits the completion of the Merger shall be in effect and shall have become final and non-appealable, provided that the terminating party shall have used its reasonable best efforts to remove such restraint and that its failure to perform its obligations under the Merger Agreement is not the primary cause of such restraint;

by us if:

Purchaser has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice of such breach or failure;

the closing conditions have been satisfied and the Purchaser has failed to complete the Merger within ten business days (or such longer period specified by us in a notice to the Purchaser scheduling the closing of the Merger) after

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

the later of (a) the first day that the closing conditions have been satisfied and (b) the date on which we provide such notice to the Purchaser undertaking to close the Merger; or

such termination is effected prior to obtaining shareholder approval in order to enter into an agreement with respect to a Superior Proposal, provided that such termination shall be conditioned on and subject to our paying the Purchaser the termination fee as required under the Merger Agreement;

by the Purchaser if:

we have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice of such breach or failure; or

76

our Board of Directors or any committee thereof have (a) changed or withdrawn its recommendation that our shareholders approve the Merger, (b) failed to recommend against a tender or exchange offer constituting an Acquisition Proposal, except to the extent permitted pursuant to the solicitation provisions set forth in the Merger Agreement, (c) recommended to our shareholders or approved any Acquisition Proposal or (d) failed to include its recommendation with respect to the Merger in any materials sent to our shareholders in connection with the Meeting;

Termination Fees and Expenses

Expenses

Subject to certain exceptions set forth in the Merger Agreement and the expense reimbursement provisions described below, we, on the one hand, and the Purchaser and Merger Sub, on the other hand, will pay their own fees, costs and expenses incurred in connection with the Merger Agreement and the transactions contemplated thereby.

We have agreed to reimburse the Purchaser's reasonable, actual and documented out-of-pocket fees and expenses incurred prior to termination of the Merger Agreement, up to an aggregate maximum amount of US\$5,000,000 if the Purchaser terminates the Merger Agreement because we have breached or failed to perform in any material respect any of our representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and such breach or failure cannot be or has not been cured within thirty calendar days after receipt of written notice thereof. We are required to pay such fees and expenses no later than two business days after such termination.

The Purchaser has agreed to reimburse our reasonable, actual and documented out-of-pocket fees and expenses incurred prior to termination of the Merger Agreement up to an aggregate maximum amount of US\$5,000,000 if we terminate the Merger Agreement because the Purchaser shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice thereof, if such breach or failure to perform is not intentional. The Purchaser is required to pay such fees and expenses no later than ten business days after such termination.

Termination Fee Payable by Us

We have agreed to pay the Purchaser a termination fee in the amount of US\$14,239,000 if:

the Merger Agreement is terminated by us at any time prior the receipt of the approval of our shareholders, because our Board of Directors has approved or recommended a Superior Proposal, in which case we are required to pay the termination fee prior to or simultaneously with such termination;

77

the Merger Agreement is terminated by the Purchaser because our Board of Directors or any committee thereof has (a) changed or withdrawn its recommendation that our shareholders approve the Merger, (b) failed to recommend against a tender or exchange offer constituting an Acquisition Proposal, except to the extent permitted pursuant to the solicitation provisions set forth in the Merger Agreement, (c) recommended to our shareholders or approved any Acquisition Proposal or (d) failed to include its recommendation with respect to the Merger in any materials sent to our shareholders in connection with the Meeting, in which case we are required to pay such termination fee no later than two business days after such termination; or

prior to the termination of the Merger Agreement:

a bona fide Acquisition Proposal (substituting for such purpose 50% for the 20% threshold set forth in the definition of Acquisition Proposal) is publicly proposed or otherwise privately communicated to our Board of Directors;

the Merger Agreement is terminated by (a) us or the Purchaser as a result of reaching the End Date, (b) the Purchaser if the Meeting shall have been convened and concluded and shareholder approval of the Merger shall not have been obtained or (c) the Purchaser because we have breached or failed to perform in any material respect any of our representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and such breach or failure cannot be or has not been cured within thirty calendar days after receipt of written notice thereof; or

no later than nine months after such termination, any definitive agreement providing for any Acquisition Proposal has been entered into or any Acquisition Proposal completed;

in which event we are required to pay the termination fee simultaneously with the completion of such Acquisition Proposal or any Acquisition Proposal relating thereto.

78

Termination Fee Payable by the Purchaser

The Purchaser has agreed to pay us a termination fee in the amount of US\$47,463,000 if:

we terminate the Merger Agreement because the Purchaser has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements in the Merger Agreement that would give rise to the failure of a closing condition and cannot be or has not been cured within thirty calendar days after receipt of written notice thereof, if such breach or failure to perform is intentional (intentional breach to include, for this purpose, if the Purchaser obtains equity and debt financing that causes our Board of Directors to reasonably determine that such financing would prevent it from approving the Merger pursuant to applicable law such determination to be made after consultation with counsel and an internationally recognized investment bank regarding our company's ability to fulfill its financial obligations) and as of the date of such termination the closing conditions have been satisfied, in which case the Purchaser is required to pay such termination fee no later than ten business days after such termination; or

we terminate the Merger Agreement because the closing conditions have been satisfied and the Purchaser has failed to complete the Merger within ten business days (or such longer period specified by us in a notice to the Purchaser scheduling the closing of the Merger) after the later of (a) the first day that the closing conditions have been satisfied and (b) the date on which we provide such notice to the Purchaser undertaking to close the Merger, in which case the Purchaser is required to pay such termination fee no later than ten business days after such termination;

Exclusive Remedy

The expense reimbursement and termination fees set forth above are, if paid, the sole and exclusive remedy for the recipient of such fee.

Indemnification and Insurance

We and the Purchaser have agreed that the Purchaser will cause the Surviving Corporation to fulfill and honor all of our obligations pursuant to existing indemnification agreements in favor of our current or former directors and officers and those of any of our subsidiaries with respect to claims arising from facts or events that existed prior to the closing of the Merger. Without limiting the generality of the foregoing, the Purchaser has agreed that for a period of seven years following the Merger, it will cause the articles of association, certificate of incorporation and bylaws of the Surviving Corporation and its subsidiaries, as applicable, to contain provisions with respect to exculpation and limitation of liability, insurance and indemnification that are at least as favorable as the provisions contained in such instruments as of the date of the Merger Agreement, and not to amend such provisions in a manner that would adversely affect the rights of the indemnitees described above.

79

For seven years following the Merger, the Surviving Corporation will maintain officers and directors liability insurance covering those persons covered by our officers and directors liability insurance policy prior to the Merger with coverage at least as favorable as that provided by our policy as of the date of the Merger Agreement, to be increased, subject to the approval of Item 1 in the agenda for the Meeting, from US\$15,000,000 to US\$20,000,000 for any one claim and in the aggregate for all claims during the policy period, and to approve additional coverage under a Side A Directors and Officers Liability Insurance Policy of up to US\$5,000,000 for any one claim and in the aggregate for all claims during the policy period, provided that in no event shall the Purchaser be required to expend per year of coverage more than 200% of the amount currently expended by the Company per year of coverage as of the date of the Merger Agreement in order to maintain or procure such insurance coverage. If, notwithstanding the use of reasonable best efforts to do so, the Purchaser is unable to maintain or obtain such insurance, the Purchaser shall obtain as much comparable insurance as available for 200% of the amount currently expended by our company per year of coverage as of the date of the Merger Agreement.

We shall, after reasonable consultation with the Purchaser in good faith, satisfy the foregoing insurance obligations by purchasing a seven-year tail policy to the current policy of directors and officers liability insurance maintained by us at a cost not in excess of US\$1,200,000. This tail policy is required to remain active for a seven-year period after the Merger and to contain terms that are no less favorable than the coverage provided by the policy in place on the date of the Merger Agreement and on terms comparable to companies similarly situated in the industries in which we operate.

Employee Benefits

For a period of eighteen months following the Merger, we will provide each of our then current employees compensation and benefits (other than equity based compensation plans and transactional and change in control bonuses) that are, in the aggregate (to any such employee), substantially comparable to the compensation and benefits being provided to such employees immediately prior to the Merger. We will generally provide any such employees whose employment is terminated during the eighteen month period following the Merger with severance benefits equal to the severance benefits that such employee would have been entitled to prior to the Merger, pursuant to and under circumstances consistent with the terms of our severance plan applicable to such employee.

The Purchaser has agreed to cause the Surviving Corporation to recognize the service of such employees with us prior to the completion of the Merger for purposes of eligibility and accrual of vacation and other paid time off and severance benefits with respect to any benefit plan providing benefits to our employees following the Merger, or the New Plans. In addition, (a) with respect to any New Plans, each such employee will be immediately eligible to participate, without waiting time, to the extent coverage under the new benefit plan is intended to replace coverage under a comparable, in the aggregate, benefit plan of our company and (b) for each New Plan that provides medical, dental, pharmaceutical and/or vision benefits, the Purchaser has agreed to cause the Surviving Corporation to waive all limitations as to pre-existing conditions and actively-at-work requirements, and to give effect, in satisfying any deductible, coinsurance and maximum out-of-pocket requirements, to expenses incurred by employees and their dependents under similar plans maintained by us and our subsidiaries immediately prior to the effective time of the Merger.

80

Amendment, Extension and Waiver

The parties may amend the Merger Agreement at any time by a written instrument duly executed on behalf of each party to the Merger Agreement, except that after our shareholders have approved the Merger Agreement, if any amendment requires further approval by our shareholders by law or the rules of any stock exchange, the Merger Agreement may not be amended, supplemented or modified without such approval having been obtained.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

At any time before the completion of the Merger, each of the parties to the Merger Agreement may, by written instrument:

extend the time for the performance of any of the obligations or other acts of the other parties;

waive any inaccuracies in the representations and warranties of the other parties contained in the Merger Agreement or in any document delivered pursuant to the Merger Agreement; or

waive compliance with any of the agreements or conditions contained in the Merger Agreement.

The failure of either party to the Merger Agreement to assert any of its rights under the Merger Agreement will not constitute a waiver of such rights.

Irrevocable Proxies and Unilateral Undertakings

Certain of our shareholders holding, in the aggregate, approximately 20% of the outstanding Gilat Shares have executed an irrevocable proxy and unilateral undertaking in favor of the Purchaser under which those shareholders have agreed, among other things, to give the Purchaser a proxy to vote such Gilat Shares in favor of the Merger Proposal and against any other Acquisition Proposal. (a) From and after the Effective Time, the Purchaser shall cause the Surviving Company to fulfill and honor all the obligations of the Company pursuant to the indemnification agreements listed in Section 6.12(a) of the Company Disclosure Schedule, with each individual who at the Effective Time is, or at any time prior to the Effective Time was, a director or officer of the Company or of any current or former Subsidiary of the Company (each, an Indemnitee and, collectively, the Indemnitees), which agreements shall survive the Transactions and continue in full force and effect in accordance with their respective terms. Without limiting the foregoing, the Purchaser, from and after the Effective Time until seven (7) years from the Effective Time, shall cause, unless otherwise required by Law, the articles of association, certificate of incorporation and by-laws (as applicable) and comparable organizational documents of the Surviving Company and each of its Subsidiaries to contain provisions no less favorable to the Indemnitees with respect to exculpation and limitation of liabilities of directors and officers, insurance and indemnification than are set forth as of the date of this Agreement in the Company Charter Documents and comparable organizational documents of the relevant Subsidiaries, which provisions shall not be amended, repealed or otherwise modified in a manner that would adversely affect the rights thereunder of the Indemnitees with respect to exculpation and limitation of liabilities or insurance and indemnification.

(b) The Company shall, after reasonable consultation with the Purchaser in good faith, purchase at the Effective Time, a tail policy (the Tail Policy), which policy shall be exclusively A side, B side and C side coverage, from an insurer with a Standard & Poor's rating of at least A- or from a licensed insurance company registered in Israel, which (i) has an effective term of seven (7) years from the Effective Time, (ii) covers each Indemnitee, (iii) contains terms that are no less favorable than those of the Company's directors and officers' insurance policy in effect on the date of this Agreement and on terms comparable to companies similarly situated in the industries in which the Company operates and (iv) is at a cost not in excess of \$1,200,000. If and to the extent such a policy has been purchased prior to the Effective Time, the Purchaser shall, and shall cause the Surviving Company to, maintain such policy in effect and continue to honor the obligations thereunder.

(c) The Indemnitees to whom this Section 6.12 applies shall be intended third party beneficiaries of this Section 6.12. The provisions of this Section 6.12 are intended to be for the benefit of each Indemnitee, his or her successors, heirs or representatives. All reasonable expenses, including reasonable attorneys' fees, and all other obligations provided in this Section 6.11 that may be incurred by (i) any Indemnitee in enforcing the indemnity and (ii) the Purchaser, the Surviving Company or their respective successors and assigns, as the case may be, in defending the indemnity shall be the responsibility of the Party who does not prevail in such enforcement action.

A - 55

(d) This Section 6.12 shall be binding upon the Purchaser and the Surviving Company and their respective successors and assigns. In the event that the Purchaser, the Surviving Company or any of their respective successors or assigns consolidates with, or merges into, any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger, or transfers or conveys all or a majority of its properties and assets to any Person, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Purchaser or the Surviving Company, as applicable, shall succeed to the obligations set forth in this Section 6.12. If the Tail Policy is not purchased, for the seven-year period commencing immediately after the Effective Time, the Purchaser shall maintain in effect the Company's current directors and officers' liability insurance covering acts or omissions occurring at or prior to the Effective Time with respect to those Persons who are currently (and any additional persons who prior to the Effective Time become) covered by the Company's directors and officers' liability insurance policy on terms and scope with respect to such coverage, and in amount, not less favorable to such individuals than those of such policy in effect on the date hereof (or the Purchaser may substitute therefor policies, issued by reputable insurers, of at least the same coverage with respect to matters occurring prior to the Effective Time, including a tail policy); *provided, however*, that in no event shall the Purchaser be required to expend per year of coverage more than two hundred percent (200%) of the amount currently expended by the Company per year of coverage as of the date of this Agreement (the Maximum Amount) to maintain or procure insurance coverage pursuant hereto. If notwithstanding the use of reasonable best efforts to do so, the Purchaser is unable to maintain or obtain the insurance called for by this Section 6.12(d), the Purchaser shall obtain as much comparable insurance as available for the Maximum Amount.

(e) If Surviving Company or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Company or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this provision.

Section 6.13 The Merger Sub Obligations.

The Purchaser shall cause the Merger Sub to comply with all of its obligations under this Agreement. During the period from the date of this Agreement through the Effective Time, except as expressly provided in this Agreement, the Merger Sub shall not, and the Purchaser shall not permit the Merger Sub to, conduct any business or undertake any activities except as required in performing its express obligations hereunder.

(a) During the eighteen (18) month period commencing on the Closing Date, the Purchaser shall provide or shall cause the Surviving Company to provide to each then current Employee (Company Employees) compensation and benefits (other than equity based compensation plans and transactional and change in control bonuses) that are, in the aggregate, to any such employee, substantially comparable to the compensation and benefits being provided to Company Employees immediately prior to the Effective Time. Notwithstanding any other provision of this Agreement to the contrary, the Purchaser shall or shall cause the Surviving Company to provide Company Employees whose employment is terminated by the Company during the eighteen (18) month period following the Effective Time with severance benefits in an amount that is equal to the severance benefits that such Company Employee would have been entitled to pursuant to and under circumstances consistent with the terms of the Company's severance plan applicable to such Company Employee as set forth in Section 6.14(a) of the Company Disclosure Schedule; *provided* that, such severance benefits shall be determined without taking into account any reduction after the Effective Time in compensation and benefits paid to Company Employees and shall take into account the service crediting provisions set forth in Section 6.14(a) of the Company Disclosure Schedule.

A - 56

(b) For purposes of eligibility under any employee benefit plans established by the Purchaser, the Company, the Company Subsidiaries and their respective Affiliates providing benefits to any Company Employees after the Closing (the New Plans), and for purposes of accrual of vacation and other paid time off and severance benefits under the New Plans, in addition to such Company employees' years of service after the Closing, each Company Employee shall be credited with his or her years of service with the Company, the Company Subsidiaries and their respective Affiliates (and any additional service with any predecessor employer) before the Closing, to the same extent as such Company Employee was entitled, before the Closing, to credit for such service under any similar Company Employee Plan. In addition, and without limiting the generality of the foregoing (i) each Company Employee shall be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan replaces coverage under a comparable, in the aggregate, Company Employee Plan in which such Company Employee participated immediately before the replacement, and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical and/or vision benefits to any Company Employee, the Purchaser shall cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such employee and his or her covered dependents, and the Purchaser shall cause any eligible expenses incurred by such employee and his or her covered dependents under an Company Employee Plan during the portion of the plan year of the New Plan ending on the date such employee's participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(c) From and after the Effective Time, the Purchaser shall cause the Surviving Company and its Subsidiaries to honor all obligations under the Company Employee Plans and compensation and severance arrangements and agreements in accordance with their terms as in effect immediately prior to the Effective Time, *provided* that, subject to the requirements of Section 6.14(a), nothing herein shall prohibit the Surviving Company from amending or terminating any particular Company Employee Plan to the extent permitted by its terms or applicable Law.

(d) The provisions of this Section 6.14 are solely for the benefit of the parties to this Agreement, and no current or former employee or any other individual associate therewith shall be regarded for any purpose as a third-party beneficiary of the Agreement and nothing herein shall be construed as an amendment to any Company Employee Plan for any purpose.

Section 6.15 Property.

Prior to the Effective Time, the Company shall use its reasonable best efforts to obtain any and all approvals and permits (including all Tax approvals) which may be required in order to lawfully effect the registration of its rights in the Property. - (a) The representations and warranties of the Purchaser set forth in this Agreement, disregarding for this purpose any materiality qualification, shall be true and correct at and as of the date of this Agreement and at and as of the Closing Date as though made at and as of the Closing Date, except for such failures to be true and correct as would not have and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Purchaser; *provided, however*, that, with respect to representations and warranties that are made as of a particular date or period shall be true and correct (in the manner set forth above) only as of such date or period.
- (b) The Purchaser shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date, and the Company shall have received a certificate signed on behalf of the Purchaser by the chief executive officer of the Purchaser to such effect.

Section 7.4 Frustration of Closing Conditions.

None of the Company, the Purchaser or the Merger Sub may rely on the failure of any condition set forth in Section 7.1, 7.2 or 7.3, as the case may be, to be satisfied if such failure was caused by such Party's failure to use its reasonable best efforts to consummate the Merger and the other Transactions.

(b) Notwithstanding any provision in this Agreement to the contrary, if:

(i) this Agreement is terminated by the Company pursuant to Section 8.1(e)(i) and the Purchaser's breach or failure to perform is not intentional, the Purchaser shall pay the Company or an Affiliate of the Company designated by the Company the Company Expenses (as defined below) no later than ten (10) Business Days after such termination;

(d) Notwithstanding anything to the contrary in this Agreement, in the event of a termination of this Agreement in connection with which the Purchaser Termination Fee or the Company Expenses are payable to the Company, payment of such Purchaser Termination Fee or Company Expenses by the Purchaser pursuant to this Section 8.2 or the Sponsors pursuant to the Limited Guaranty shall be the sole and exclusive remedy of the Company, and its Subsidiaries and Affiliates against the Sponsors, the Purchaser, the Merger Sub, their Subsidiaries and any of their respective former, current, or future general or limited partners, shareholders, managers, members, directors, officers, Affiliates or agents for the loss suffered as a result of the failure of the Merger to be consummated, and upon payment of such amounts, none of the Sponsors, the Purchaser, the Merger Sub, their Subsidiaries or any of their respective former, current, or future general or limited partners, shareholders, managers, members, directors, officers, Affiliates or agents shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated by this Agreement.

(g) Each of the Company, the Purchaser and the Merger Sub acknowledges and agrees that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the Company, the Purchaser and the Merger Sub would not have entered into this Agreement, and that the Company Termination Fee and the Purchaser Termination Fee, as the case may be, do not constitute a penalty but rather are liquidated damages in a reasonable amount to compensate the receiving Party for efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby. Accordingly, if a Party fails to pay the Company Termination Fee, the Purchaser Expenses, the Purchaser Termination Fee or the Company Expenses, as the case may be, pursuant to this Section 8.2, and the receiving Party commences a suit to obtain such payments, which results in a judgment against the paying Party for the applicable amount due under this Section 8.2, such paying Party shall pay the receiving Party its costs and expenses (including reasonable attorneys' fees) in connection with such suit, together with interest on such amount at the prime rate of Citibank N.A. in effect on the date such payment was required to be made through the date of payment.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Amendment.

This Agreement may be amended, supplemented or modified only by a written instrument duly executed by or on behalf of each Party to this Agreement; *provided, however*, that, after the approval of the Merger by shareholders of the Company, any amendment that by Law or the rules of any stock exchange requires further approval by the shareholders of the Company, this Agreement may not be amended, supplemented or modified without such further approval of shareholders.

Section 9.2 Governing Law; Jurisdiction; Service of Process.

(a) This Agreement, and all claims of causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed, interpreted and enforced in accordance with, the Laws of the State of Israel, without regard to conflict of laws principles.

(b) Any legal action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be heard and determined in, and the sole and exclusive jurisdiction shall be of, the competent court for Tel Aviv-Jaffa district, and each of the parties hereby submits irrevocably to the jurisdiction of such court in respect of any legal action, suit or proceeding arising out of or relating to this Agreement and waives, and agrees not to assert, as a defense in any such action, suit or proceeding, any claim that it is not subject personally to the jurisdiction of such courts, that its property is exempt or immune from attachment or execution, that the action, suit or proceeding is brought in an inconvenient forum, that the venue of action, suit or proceeding is improper or that this Agreement or the transactions contemplated hereby may not be enforced in or by such courts.

(c) Each Party agrees that notice or the service of process in any action, suit or proceeding arising out of or relating to this Agreement shall be properly served or delivered if delivered in the manner contemplated by Section 9.4.

(d) The consents to jurisdiction set forth in this Section 9.2 shall not constitute general consents to service of process in the State of Israel and shall have no effect for any purpose except as provided in this Section 9.2 and shall not be deemed to confer rights on any Person other than the Parties. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

A - 64

Section 9.3 Extension; Waiver.

At any time prior to the Effective Time, a Party may (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracies in the representations and warranties of the other Parties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) waive compliance by the other Party with any of the agreements or conditions contained in this Agreement. Any agreement by a Party to such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

Section 9.5 Interpretation.

Any reference in this Agreement to \$ shall mean U.S. dollars. When a reference is made in this Agreement to a Section or Article, such reference shall be to a Section or Article of this Agreement, unless otherwise clearly indicated to the contrary. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The words hereof, herein and herewith and words of similar import shall, unless otherwise stated, be construed to refer to this Agreement as a whole and not to any particular provision of this Agreement, and annex, article, section, paragraph, exhibit and schedule references are references to the annex, articles, sections, paragraphs, exhibits and schedules of this Agreement, unless otherwise specified. The plural of any defined term shall have a meaning correlative to such defined term and words denoting any gender shall include all genders and the neuter. Where a word or phrase is defined herein, each of its other grammatical forms shall have a corresponding meaning. Any reference to a Party to this Agreement or any other agreement or document contemplated hereby shall include such Party's successors and permitted assigns. A reference to any legislation or to any provision of any legislation shall include any modification, amendment, re-enactment thereof, any legislative provision substituted therefore and all rules, regulations and statutory instruments issued or related to such legislation. The headings and captions in this Agreement are for reference only and shall not be used in the construction or interpretation of this Agreement. The Parties have participated jointly in the negotiation and drafting of this Agreement. If any ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement. No prior draft of this Agreement or any course of performance or course of dealing shall be used in the interpretation or construction of this Agreement. No parol evidence shall be introduced in the construction or interpretation of this Agreement unless the ambiguity or uncertainty in issue is plainly discernable from a reading of this Agreement without consideration of any extrinsic evidence.

Section 9.6 Counterparts.

This Agreement may be executed in multiple counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

Section 9.7 Entire Agreement: Third-Party Beneficiaries.

This Agreement and the documents and instruments and other agreements among the Parties hereto as contemplated by or referred to herein, including the Confidentiality Agreement, the Company Disclosure Schedule and the Purchaser Disclosure Schedule:

- (a) constitutes the entire agreement among the Parties with respect to the subject matter hereof, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter of this Agreement; and
- (b) except for the provisions of Section 6.12 hereof, this Agreement is not intended to, and shall not confer upon, any Person other than the Parties hereto any rights or remedies hereunder.

Section 9.8 Severability.

If any term or other provision of this Agreement or the application hereof is declared invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect as long as the economic or legal substance of the Merger is not affected in any manner materially adverse to any Party. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is invalid, void or unenforceable, the Parties agree that they shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Merger be consummated as originally contemplated to the fullest extent possible.

A - 67

Section 9.9 Other Remedies; Specific Performance.

Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any remedy will not preclude the exercise of any other remedy. The Company agrees that irreparable damage would occur to the Purchaser in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Purchaser (and not the Company) shall be entitled (without any requirement to post a bond or other security) to seek one or more injunction or other equitable remedies to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof against the Company, this being in addition to any other remedy to which they are entitled at Law or in equity.

Section 9.10 Assignment.

Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the Parties hereto without the prior written consent of the other Parties. No duties under this Agreement may be delegated, in whole or in part, by operation of Law or otherwise by any of the Parties hereto without the prior written consent of the other Parties. Any assignment or delegation in violation of this Section 9.10 shall be void. Subject to the aforesaid in this Section 9.10, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, the Purchaser may at the time of the Closing or thereafter, without the consent of the Company, collaterally assign its rights hereunder to one or more of its lenders (or any administrative or collateral agent for such lenders).

Section 9.11 Non-Survival of Representations, Warranties and Agreements.

Except as set forth in Section 8.2, the representations, warranties and agreements in this Agreement and any certificate delivered pursuant hereto by any Person shall terminate at the Effective Time or upon the termination of this Agreement pursuant to Article VIII of this Agreement, as the case may be, except that this Section 9.11 shall not limit any covenant or agreement of the Parties which by its terms contemplates performance after the Effective Time or after termination of this Agreement, including those contained in Section 6.12.

The Board of Directors
Gilat Satellite Networks Ltd.
Gilat House
21 Yegia Kapayim Street
Kiryat Arye, Petah Tikva, 49130
Israel

Dear Members of the Board:

We understand that Gilat Satellite Networks Ltd., an Israeli company (Gilat), is considering a transaction whereby Galactic Acquisition Company Ltd. (Merger Sub), an Israeli company and wholly owned subsidiary of Galactic Holdings Ltd. (Galactic Holdings), an Israeli company newly formed on behalf of a consortium consisting of The Gores Group, LLC (Gores Group), Mivtach Shamir Holdings Ltd. and certain other investors, will merge with and into Gilat (the Transaction). Pursuant to the terms of an Agreement and Plan of Merger, a draft of which was made available to us on March 28, 2008 (the Merger Agreement), among Gilat, Galactic Holdings and Merger Sub, each outstanding ordinary share, par value NIS 0.20 per share, of Gilat (Gilat Shares) will be converted into the right to receive U.S.\$11.40 in cash (the Consideration). Concurrently with the execution of the Merger Agreement, certain shareholders of Gilat are each executing a separate irrevocable proxy and unilateral undertaking in favor of Galactic Holdings (such shareholders of Gilat and their respective affiliates, together with holders of beneficial interests in Galactic Holdings and their respective affiliates to the extent they are holders of Gilat Shares, the Excluded Holders). The terms and conditions of the Transaction are more fully set forth in the Merger Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to the holders of Gilat Shares (other than the Excluded Holders) of the Consideration to be received by such holders in the Transaction.

UBS Securities LLC (UBS) has acted as financial advisor to Gilat in connection with the Transaction and will receive a fee for its services, a portion of which is payable in connection with this opinion and a significant portion of which is contingent upon consummation of the Transaction. In the past, UBS and its affiliates have provided services to Gores Group unrelated to the proposed Transaction, for which UBS and its affiliates received compensation, including having acted as financial advisor to Gores Group in connection with the sale of a portfolio company of Gores Group in 2006. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of Gilat and certain affiliates of Galactic Holdings and, accordingly, may at any time hold a long or short position in such securities. The issuance of this opinion was approved by an authorized committee of UBS.

Our opinion does not address the relative merits of the Transaction as compared to other business strategies or transactions that might be available with respect to Gilat or Gilat's underlying business decision to effect the Transaction. Our opinion does not constitute a recommendation to any shareholder of Gilat as to how such shareholder should vote or act with respect to the Transaction. At your direction, we have not been asked to, nor do we, offer any opinion as to the terms, other than the Consideration to the extent expressly specified herein, of the Merger Agreement or the form of the Transaction. In addition, we express no opinion as to the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Transaction, or any class of such persons, relative to the Consideration. In rendering this opinion, we have assumed, with your consent, that (i) the final executed form of the Merger Agreement will not differ in any material respect from the draft that we have reviewed, (ii) Gilat and Galactic Holdings will comply with all material terms of the Merger Agreement, and (iii) the Transaction will be consummated in accordance with the terms of the Merger Agreement without any adverse waiver or amendment of any material term or condition thereof. We have also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any material adverse

effect on Gilat or the Transaction.

B - 1

In arriving at our opinion, we have, among other things: (i) reviewed certain publicly available business and financial information relating to Gilat, including certain publicly available earnings estimates for Gilat; (ii) reviewed certain internal financial information and other data relating to the business and financial prospects of Gilat that were provided to us by the management of Gilat and not publicly available, including certain financial forecasts and estimates prepared by the management of Gilat that you have directed us to utilize for purposes of our analyses; (iii) conducted discussions with members of the senior management of Gilat concerning the business and financial prospects of Gilat; (iv) reviewed publicly available financial and stock market data with respect to certain other companies we believe to be generally relevant; (v) compared the financial terms of the Transaction with the publicly available financial terms of certain other transactions we believe to be generally relevant; (vi) reviewed current and historical market prices of Gilat Shares; (vii) reviewed the Merger Agreement; and (viii) conducted such other financial studies, analyses and investigations, and considered such other information, as we deemed necessary or appropriate. At your request, we have contacted third parties to solicit indications of interest in a possible transaction with Gilat and held discussions with certain of these parties prior to the date hereof.

In connection with our review, with your consent, we have assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by us for the purpose of this opinion. In addition, with your consent, we have not made any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of Gilat, nor have we been furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates prepared by the management of Gilat referred to above, we have assumed, at your direction, that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Gilat as to the future financial performance of Gilat. With respect to the publicly available earnings estimates referred to above, we have assumed, at your direction, that they represent reasonable estimates and judgments and are appropriate for us to utilize in our analyses. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to us as of, the date hereof.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be received by holders of Gilat Shares (other than the Excluded Holders) in the Transaction is fair, from a financial point of view, to such holders.

B - 2

This opinion is provided solely for the benefit of the Board of Directors in connection with, and for the purpose of, its evaluation of the Transaction and may not be relied upon by any third party (including any shareholder of Gilat) or used for any other purpose.

Very truly yours,

UBS SECURITIES LLC
