V. RENOMINATION OF AN EXTERNAL DIRECTOR AND FIXING THE COMPENSATION FOR EXTERNAL DIRECTORS

Under the Companies Law, companies incorporated under the laws of Israel whose shares have been offered to the public in or outside of Israel are required to appoint at least two external directors. The Companies Law provides that a person may not be appointed as an external director if he or his relative, partner, employer or any entity under his control has or had during the two years preceding the date of appointment any affiliation with:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

the company;
any entity controlling the company; or
any entity controlled by the company or by a controlling entity.

The term affiliation includes:

an employment relationship;
a business or professional relationship maintained on a regular basis;
control; and
service as an office holder, excluding service as a director that was appointed to serve as an external director of a company that makes its first public offering of shares.

No person can serve as an external director if the person's position or other business creates, or may create, conflicts of interest with the person's service as an external director, or, if his position or business might interfere with his ability to serve as a director.

The initial term of an external director is three years and may generally be extended for one additional period of three years. Each committee of a company's board of directors is required to include at least one external director.

The initial term of one of our external directors, Leora Meridor, expired on August 30, 2008. It is proposed to re-nominate Ms. Meridor to serve as an external director pursuant to the Companies Law. The second term of directorship of Ms. Meridor, if re-nominated, will begin on the date of the Meeting for a period of three years.

The Company has received a declaration from Ms. Meridor, confirming her qualification under the Companies Law to be elected as an external director of the Company. Under the Companies Law, an external director must have either accounting and financial expertise or professional qualifications (as such terms are defined in regulations promulgated under the Companies Law). The Board of Directors is required to determine (based in criteria set forth in regulations promulgated under the Companies Law) whether the external directors have accounting and financial expertise or professional qualifications. The Board of Directors of the Company has determined that Leora Meridor possesses professional qualifications.

The remuneration of external directors of an Israeli company is regulated by the Israeli Companies Law, the Companies Regulations (Rules Regarding Compensation and Expenses to Outside Directors), 2000, as amended, or the Regulations, and the Companies Regulations (Alleviation for Public Companies whose Shares are Traded on a Stock Exchange Outside of Israel), 2000, as amended. Under the Israeli Companies Law and pursuant to a recent amendment to the Regulations, a company is generally required to pay its external directors a minimum cash compensation in the form of an annual fee and a per meeting attendance fee (including for attendance at board committee meetings) in the manner set forth in the Regulations.

A nominee for external director must be informed of the compensation to be paid by the company (and in the case of a grant of securities, also the terms of grant) prior to the nominee's consent to serve in such capacity, and such compensation generally may not be modified during any three-year term of service. Also, the compensation paid to each of a company's external directors must be the same, regardless of the form of compensation, except that expert external directors may receive higher compensation than non-experts.

The Company's Audit Committee and Board have approved to pay to Ms. Meridor, effective as of her election as an external director and for the duration of her service in such capacity and in accordance with the Regulations, compensation in the form of an annual fee of NIS 80,000 (currently equivalent to approximately \$20,000) and a per meeting of board or of committee of the board attendance fee of NIS 1,600 (currently equivalent to approximately \$400), as well as compensation for telephonic participation in board and committee meetings in an amount of 60% of what is received for physical participation. Such amounts are subject to adjustment for changes in the Israeli consumer price index after December 2007 and changes in the amounts payable pursuant to Israeli law from time to time. This compensation is identical to the compensation provided to our other external director, Mr. Haim Binyamini.

In addition, the Company's Audit Committee and Board have approved to grant to each of the external directors a one-time grant of 50,000 options. The options will vest ratably, each quarter over a three-year period, commencing from the date of the meeting with respect to Leora Meridor and with respect to Haim Benjamini, commencing May 28, 2008, when he began his second three-year term as external director.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Provided that the requirements for payment of the minimum annual and per meeting attendance fees are met, a company may elect to also compensate its external directors in the form of a grant of securities. Such grant of securities must be made under a compensation plan that includes all of the company's office holders and must be in proportion to the securities granted to the company's other directors, within the meaning of the Regulations, provided that the company has at least two other directors, which the Company does. The term other director generally refers to a director who is not an external director, a controlling shareholder, an employee or service provider of the company, an entity that is a controlling shareholder of the company or an entity controlled by a controlling shareholder of the company, or a director who is not compensated by the company (compensation in the form of securities does not constitute compensation for these purposes except for purposes of determining the proportionate compensation offered to the external directors in the form of securities). The securities awarded to the external directors may not be less than the securities awarded to any other director nor may the award exceed the average securities awarded to all of the other directors, and shall be paid at the same time that compensation is awarded to the other directors.

As described above, according to the Regulations, the terms of compensation of an external director may not be modified during the three year term other than to conform to the terms of a newly appointed external director, provided that such modification is beneficial to the serving external director. Furthermore, all of the external directors must receive the same remuneration. The grant of additional compensation in the form of options, to Mr. Binyamini, our serving external director, as proposed to be provided to Ms. Meridor will be beneficial to him and therefore is permitted under the Regulations.

The following is a brief biography of Ms. Meridor, based upon the records of the Company and information furnished to it by her.

Dr. Leora (Rubin) Meridor has served on our board since August 2005. Dr. Meridor is a business and financial consultant and serves on the board of Teva Pharmaceutical Industries Ltd. Between 2001 and 2004, Dr. Meridor served as chair of the board of Poalim Capital Markets Ltd. and between 2001 and 2005, as chair of the boards of directors of Bezeq International Ltd. and Walla! Communications Ltd. Between 1996 and 2000 she served as Senior Vice President, Head of Credit & Risk Management Division of the First International Bank. From 1992 to 1996 she served as Head of Research at the Bank of Israel. Dr. Meridor has a Ph.D in Economics, an M.Sc in Mathematics and B.Sc. in Mathematics and Physics, all from the Hebrew University in Jerusalem. Her studies include a post doctoral year at Massachusetts Institute of Technology.

Required Vote:

The election of external directors requires the affirmative vote of a majority of the voting power in the Company present, in person or by proxy, and voting on the matter, including at least one third of the shares of non-controlling shareholders (as defined in the Companies Law) voted on the matter (unless the total number of non-controlling shareholders voted against the election of the external directors does not exceed one percent of the outstanding Ordinary Shares). For this purpose, all shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest by marking their vote in the appropriate line. Under the Companies Law, a personal interest of a shareholder (i) includes a personal interest of any members of the shareholder's immediate family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such family member) serves as a director or the CEO, owns at least 5% of the shares or has the right to appoint a director or the CEO and (ii) excludes an interest arising solely from the ownership of the Company's Ordinary Shares.

PROPOSAL NO. 5

It is proposed that at the Meeting the following resolution be adopted:

RESOLVED, that Leora Meridor is hereby appointed to serve for a second term as an external director of the Company in accordance with the Israeli Companies Law, for a period of three years to commence on the date of the Meeting, during which she and Haim Benjamini, the Company's additional external director, will be entitled to compensation as set forth in the Company's Proxy Statement dated November 25, 2008.

The Board of Directors recommends a vote FOR approval of the proposed resolution.

VI. APPROVAL OF THE INCREASE OF THE MINIMUM SHARE OWNERSHIP REQUIRED FOR THE APPOINTMENT OF A DIRECTOR FROM 7% TO 14% OF THE ISSUED AND OUTSTANDING ORDINARY SHARES OF THE COMPANY

Our articles of association currently provide that each beneficial owner of seven percent (7%) or more of the issued and outstanding ordinary shares of the Company is entitled to appoint one (1) director. Our board of directors recommends modifying the articles of association such that each beneficial owner of fourteen percent (14%) or more of the issued and outstanding ordinary shares of the Company shall be entitled to appoint one (1) director.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The board of directors believes that an increase in the minimum share ownership required for appointment of a director would be in the Company's interest and more accurately reflect representation on the board by virtue of share ownership.

PROPOSAL NO. 6

At the Meeting, the board of directors will propose that the following Ordinary Resolution be adopted:

RESOLVED, to replace Article 39 of the Company's Articles of Association, with the new Section 39, attached as **Exhibit A** to the Company's Proxy Statement dated November 25, 2008".

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the proposal.

VII. APPROVAL OF AN INCREASE IN THE AUTHORIZED SHARE CAPITAL OF THE COMPANY

Our authorized share capital is currently NIS 12 million, and is comprised of 60,000,000 ordinary shares, par value NIS 0.20 per share, out of which 40,048,591 ordinary shares were issued and outstanding as of October 31, 2008 and 4,599,145 shares were underlying outstanding options and convertible bonds as of October 31, 2008.

Our board of directors recommends that shareholders approve an increase of the authorized share capital of the Company in the amount of NIS 6 million, par value of NIS 0.20 per share to be divided into 30,000,000 ordinary shares, and to authorize the board of directors to implement such increase. Following this increase, if approved by the shareholders at the Meeting and unless otherwise determined by the Board, the total authorized capital of the Company will be NIS 18,000,000, divided into 90,000,000 ordinary shares, par value NIS 0.20 per share.

Our board of directors believes that the approval of the proposal is in the best interests of the Company. Specifically, the increase will ensure that the Company has sufficient authorized shares available for raising capital, issuance in connection with mergers and acquisitions and the adoption of additional stock incentive plans, if the Company decides to do so in the near future.

Israeli law and our articles of association require the affirmative vote of our shareholders to effect an increase in the authorized share capital of the Company.

PROPOSAL No. 7

At the Meeting, the board of directors will propose that the following Ordinary Resolution be adopted:

RESOLVED, to increase the authorized share capital of the Company to NIS 18 million and the number of authorized ordinary shares of the Company to 90,000,000 shares, NIS 0.20 par value per share. .

RESOLVED FURTHER, to replace Article 4(a) of the Company's Articles of Association such that Article 4(a) shall read as follows:

The authorized share capital of the Company is NIS 18,000,000 divided into 90,000,000 (eighty million) ordinary shares, par value NIS 0.20 per share.

RESOLVED FURTHER, to amend Section 4 of the Memorandum of Association to reflect the changes in share capital described above.

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the proposal.

EXHIBIT A

39. Election and Removal of Directors.

(a) Each beneficial owner (as defined below) of fourteen percent (14%) or more of the issued and outstanding ordinary shares of the Company (Appointing Shareholder) shall be entitled to appoint one (1) individual to the Company's board of directors (an Appointed Director). So long as the ordinary shares of the Company are listed for trading on the Nasdaq National Market or Nasdaq Small Cap Market, the Company's board of directors may at any time in its sole discretion determine that only a person who qualifies as an independent director as provided under the Nasdaq rules then in effect shall be eligible to serve as an Appointed Director. In addition, in no event may a person become an Appointed Director unless such person does not, at the time of appointment, and did not, within two years prior thereto, engage, directly or indirectly, in any activity which competes with the Company, whether as a director, officer, employee, contractor, consultant, partner or otherwise.

For the purposes of this sub-article 39(a) a beneficial owner of ordinary shares means any person or entity who, directly or indirectly, has the power to vote, or to direct the voting of, such ordinary shares. All ordinary shares beneficially owned by a person or entity, regardless of the form which such beneficial ownership takes, shall be aggregated in calculating the number of ordinary shares beneficially owned by such person or entity. All persons and entities that are affiliates (as defined below) of each other shall be deemed to be one person or entity for the purposes of this definition.

For the purposes of this sub-article 39(a) an affiliate means, with respect to any person or entity, any other person or entity controlling, controlled by, or under common control with such person or entity; control shall have the meaning ascribed to it in the Israeli Securities Law 1968.

(b) Not later than 60 days prior to the contemplated date of the Annual General Meeting of the Company, the Company shall send a notice to each beneficial owner of 14% or more of the issued and outstanding ordinary shares, who at such time has a Schedule 13D (or amendment thereto) on file with the United States Securities and Exchange Commission (SEC), informing such beneficial owner(s) of the contemplated date of such Annual General Meeting, any requirement for the Appointed Directors to qualify as independent directors and referring such beneficial owner(s) to the provisions of this Article 39. The appointment of the Appointed Directors shall be made by delivery to the Company, not later than 45 days prior to the contemplated date of the Annual General Meeting as set forth in the notice delivered by the Company, of a letter of appointment (Letter of Appointment) specifying the full legal name of the Appointing Shareholder, the number of ordinary shares beneficially owned by such Appointing Shareholder on the date which is 45 days prior to the contemplated date of the Annual General Meeting, the name, address and identity number or passport number of the Appointed Director and a written consent of the Appointed Director to serve as such. The Letter of Appointment shall be accompanied by evidence reasonably satisfactory to the Company of the number of ordinary shares beneficially owned by the Appointing Shareholder and by a written undertaking, in a form acceptable to the Company, to comply with the obligations set forth in sub-article 39(d) below. Notwithstanding anything to the contrary in these Articles, the board of directors shall not include more than four (4) Appointed Directors. Consequently, if more than four (4) Letters of Appointment have been received by the Company as specified above, only the four Appointing Shareholders that beneficially own the greatest number of ordinary shares, out of all Appointing Shareholders that delivered a Letter of Appointment, shall be entitled to appoint an Appointed Director.

(c) The appointment of any Appointed Director shall take effect at the adjournment of the first Annual General Meeting which takes place following delivery of the Letter of Appointment with regard to such Appointed Director.

(d) As a condition to the appointment of an Appointed Director, any Appointing Shareholder that delivers to the Company a Letter of Appointment shall, prior to such delivery, be required to file with the SEC a Schedule 13D, or an amendment to its Schedule 13D if there is any change in the facts set forth in its Schedule 13D already on file with the SEC disclosing any such change in its holdings of ordinary shares, regardless of whether any filing or amendment is required to be filed under the rules of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder. The delivery to the Company of a Letter of Appointment shall constitute a representation and warranty by the Appointing Shareholder that its percentage of beneficial ownership of the ordinary shares is as set forth in its Schedule 13D (or amendment thereto) on file with the SEC. In addition, any Appointing Shareholder shall be obligated to notify the Company in writing of any sale, transfer, assignment or other disposition of any kind of ordinary shares by such Appointing Shareholder that results in the reduction of its beneficial ownership to below the percentage indicated in sub-article 39(a) above, immediately after the occurrence of such disposition of shares but in any event not later than the earliest of (i) ten (10) days thereafter, or (ii) the next Annual General Meeting. Without derogating from the foregoing, so long as an Appointed Director serves on the board of directors, the Appointing Shareholder which appointed such Appointed Director shall provide the Company, upon its written request at any time and from time to time, with reasonable evidence of its beneficial ownership in the Company.

(e) The office of each Appointed Director will expire on the earliest to occur of any of the following events:

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

- (iii) When the Appointed Director ceases to qualify as an independent director as referenced in sub- article 39(a) above.
- (iv) Upon the occurrence of any of the events set forth in sub-article 39(g) or Article 42 below.

For the removal of doubt, the provisions of Article 41 shall apply to any vacancy created by the expiration of the office of an Appointed Director.

(f) In addition to the election of the Appointed Directors, the majority of the shareholders represented in person or by proxy at the Annual General Meeting will elect Directors, including Outside Directors as required by the Law, such that the total number of directors (including the Appointed Directors actually appointed shall be (i) nine, if four Appointed Directors are expected to be appointed at the adjournment of such Annual General Meeting; or (ii) seven, if fewer than four Appointed Directors are expected to be appointed at the adjournment of such Annual General Meeting. Notwithstanding the aforesaid, at any Annual General Meeting at the adjournment of which the appointment of one or more Appointed Directors becomes effective, ordinary shares constituting 14% of the issued and outstanding shares of the Company held by each Appointing Shareholder which actually appoints an Appointed Director shall not be taken into consideration in calculating such Appointing Shareholder's vote for the purposes of the election of directors under this Article 39(f).

(g) Each director shall serve, subject to Article 42 hereof, and, with respect to a director appointed pursuant to Article 41 hereof, subject to such Article, until the adjournment of the Annual General Meeting next following the Annual General Meeting or General Meeting at which such director was elected pursuant to this Article 39 or Article 41 hereof, or her/his earlier removal pursuant to this Article 39(g) below. The holders of a majority of the voting power represented at a General Meeting in person or by proxy and voting at such General Meeting shall be entitled to remove any director(s) other than Appointed Directors (unless pursuant to circumstances or events provided by the Law) from office, to elect directors instead of directors so removed or to fill any vacancy, however created, in the board of directors.

(h) Subject to the number of directors determined pursuant to Article 38 above, the directors may at any time and from time to time appoint any other person as a director, whether to fill a vacancy or whether in addition to those of their body. Any director so appointed shall hold office until the first General Meeting convened after such appointment and may be re-elected.

- (i) The election, qualification and removal of Outside Directors shall be governed by the applicable provisions of the Law.
