**Item 1.01 Entry into a Material Definitive Agreement.**

Closing of a Subscription Agreement

On October 5, 2018, Tel-Instrument Electronics Corp. (the “Company”) entered into a definitive subscription agreement (the “Subscription Agreement”) with one (1) accredited investor (the “Investor”), pursuant to which the Investor purchased an aggregate of 166,667 shares of the Company’s Series B Convertible Preferred Stock (the “Series B Preferred”) for an aggregate of \$1,000,000.

The Company intends to use such proceeds for working capital purposes and for payment of fees and expenses associated with this transaction. The closing occurred following the satisfaction of customary closing conditions.

The above description of the Subscription Agreement does not purport to be complete and is qualified in its entirety by the full text of the Subscription Agreement, the form of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 3.02 Unregistered Sales of Equity Securities.**

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

The securities issued pursuant to the Subscription Agreement were not registered under the Securities Act of 1933, as amended (the “Securities Act”), but qualified for exemption under Section 4(a)(2) of the Securities Act. The securities were exempt from registration under Section 4(a)(2) of the Securities Act because the issuance of such securities by the Company did not involve a “public offering,” as defined in Section 4(a)(2) of the Securities Act, due to the insubstantial number of persons involved in the transaction, size of the offering, manner of the offering and number of securities offered. The Company did not undertake an offering in which it sold a high number of securities to a high number of investors. In addition, these shareholders had the necessary investment intent as required by Section 4(a)(2) of the Securities Act since they agreed to, and received, share certificates bearing a legend stating that such securities are restricted pursuant to Rule 144 of the Securities Act. This restriction ensures that these securities would not be immediately redistributed into the market and therefore not be part of a “public offering.” Based on an analysis of the above factors, the Company has met the requirements to qualify for exemption under Section 4(a)(2) of the Securities

Act.

**Item 3.03 Material Modification to Rights of Security Holders.**

The information set forth in Item 1.01 and Item 3.02 of this Current Report on Form 8-K is incorporated by reference into this Item 3.03.

The Secretary of State of the State of New Jersey delivered confirmation of the effective filing of the Company's Certificate of Amendment to its Certificate of Incorporation (the "Amendment to Certificate"), as of October 2, 2018, which established 166,667 shares of the Company's the Series B Preferred, having such designations, rights and preferences as set forth therein, as determined by the Company's Board of Directors in its sole discretion, in accordance with the Company's Certificate of Incorporation and bylaws.

The shares of Series B Preferred have a stated value of \$6.00 per share (the "Series B Stated Value") and are convertible into Common Stock at a price of \$2.00 per share, subject to adjustment (the "Conversion Price"). The holders of shares of the Series B Preferred shall be entitled to receive dividends out of any assets legally available, to the extent permitted by New Jersey law, at an annual rate equal to 8% of the Series B Stated Value of such shares of Series B Preferred, calculated on the basis of a 360 day year, consisting of twelve 30-day months, and shall accrue from the date of issuance of such shares of Series B Preferred, payable quarterly in cash.

---

The holders of Series B Preferred rank senior to the Company's Common Stock and Series A Convertible Preferred Stock and will vote together with the holders of the Company's Common Stock on an as-converted basis on each matter submitted to a vote of holders of Common Stock (whether at a meeting of shareholders or by written consent). In any such vote, the number of votes that may be cast by a holder shall be equal to one (1) vote for each share of Common Stock into which such holder's outstanding shares of Series B Preferred may be converted. Each holder shall be entitled to notice of all shareholder meetings (or requests for written consent) in accordance with the Company's bylaws. The holders, at their option, shall be entitled to designate one representative of the Holders to attend all meetings of the Board in a non-voting observer capacity, which observation right shall include the ability to participate in discussions of the Board.

The foregoing descriptions of the Amendment to Certificate and the Series B Preferred designations, rights and preferences do not purport to be complete and are subject to, and qualified in their entirety by, the Amendment to Certificate, a copy of which is attached as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.

#### **Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

The information set forth in Item 1.01, item 3.02 and Item 3.03 of this Current Report on Form 8-K is incorporated by reference into this Item 5.03.
