**Notes to the condensed consolidated interim financial statements****1 Basis of preparation**

The financial information set out in this press release does not constitute statutory financial statements for the half years ended 31 December 2009 or 2008, for the purpose of the Companies Act 2006, and is unaudited. Statutory financial statements for the year ended 30 June 2009 have been filed with the Registrar of Companies. The financial information below for the year ended 30 June 2009 is derived from our audited financial statements. The Group's auditors have reported on those accounts; their reports were unqualified and did not contain statements under section 498(2) or (3) of the Companies Act 2006.

Whilst the financial information included in this press release has been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and as adopted by the European Union ("EU"), this announcement does not itself contain sufficient information to comply with IFRS.

To provide a more relevant presentation, management has chosen to re-analyse the revenue categories from those previously reported. Easynet revenue is shown separately and other revenue now principally includes income from Sky Bet, technical platform service revenue and our online portal.

Included within retail subscription revenue for the year ended 30 June 2009 is £36 million of additional revenue representing amounts invoiced in prior years, which did not meet revenue recognition criteria under IFRS until March 2009.

Included within administration for the year ended 30 June 2009 is £3 million (2009: half year £3 million) of expense relating to legal costs incurred on the Group's ongoing claim against EDS (the information and technology solutions provider (see note 8a)).

#### **4 Impairment of available-for-sale investment**

The Group's investment in ITV plc ("ITV") is carried at fair value. The fair value of ITV is determined with reference to its equity share price at the balance sheet date. An impairment was first recorded following a review of the carrying value of the investment in ITV at 31 December 2007, due to the significant and prolonged decline in the equity share price. In accordance with IFRS, the Group has continued to review the carrying value and recorded an impairment loss of £191 million in the year ended 30 June 2009 (2009: half year: £59 million). The impairment loss was determined with reference to ITV's closing equity share price of 20.0 pence at 27 March 2009, the last trading day of the Group's third fiscal quarter. In line with IFRS, all subsequent increases in the fair value of the ITV investment above the impaired value have been recorded in the available-for-sale reserve. At 24 December 2009, the last trading day of the Group's half year, ITV's closing equity share price was 53.9 pence.

Dilutive ordinary shares from share options	<b>9</b>	6	13
<b>Diluted shares</b>	<b>1,751</b>	1,746	1,753

The calculation of diluted earnings per share excludes 14 million share options (2009: half year 23 million; full year 21 million), which could potentially dilute earnings per share in the future, but which have been excluded from the calculation of diluted earnings per share as they are anti-dilutive in the period.

Basic and diluted earnings per share are calculated by dividing profit or loss for the period into the weighted average number of shares for the period.

## **8 Other matters**

### **a) Contingent assets**

On 26 January 2010, the Group announced that it had won a five-year legal action against EDS (an information and technology solutions provider which provided services to the Group as part of the Group's investment in customer management systems, software and infrastructure). The final amount of costs and damages which will be recovered by the Group will be determined by the Court in due course. However, based on the judgment, Sky anticipates that EDS will be liable to pay the Group an amount of at least £200 million. HP, the parent company of EDS, has announced it intends to seek permission to appeal the decision.

### **b) Contingent liabilities**

On 7 May 2008, the Nomenclature Committee of the European Commission issued an Explanatory Note "EN" (0590/2007) to the Combined Nomenclature setting out their view that set-top boxes with a hard drive should be classified under Customs Tariff heading 8521 90 00 and so subject to a 13.9% ad valorem duty on importation to the EU. As a consequence, the Group is exposed to potential retrospective Customs Duty liability in respect of such set-top boxes imported by Amstrad (acquired in September 2007) and for the reimbursement of certain suppliers in line with the terms of contractual supply agreements.

Management's opinion is that the retrospective application of the Explanatory Note would be wrong as a matter of law. In addition, management considers that the adoption of the EN puts the EU in breach of the Information Technology Agreement of 1996, a view which is shared by the US, Japan, Singapore and Taiwan, who have instigated WTO proceedings against the EU on this matter. The Group therefore is, in common with other affected importers, defending its position on this matter and consequently has lodged an appeal to the VAT & Duties Tribunal regarding classification of these products.

This matter has been referred by the Tribunal to the European Court of Justice. The Group has also lodged an appeal with HMRC against the assessment for retrospective duty.

As a result of the potential remedies available under the Community Customs Code, the Group considers that it is probable that no outflow of economic benefit would be required to discharge this obligation, and that as such at 31 December 2009 any liability should be considered contingent.

## **9 Events after the balance sheet date**

On 17 November 2006, the Group acquired 696 million shares in ITV amounting to 17.9% of its issued share capital. This investment has been the subject of a review by the Competition Commission ("CC") and the Secretary of State ("SoS") for Business, Enterprise and Regulatory Reform (now the Department for Business, Innovation and Skills) and the subject of appeals to the Competition Appeal Tribunal and to the Court of Appeal ("CoA").

On 21 January 2010 the CoA handed down its judgment, upholding the Group's appeal on the media plurality issue, thereby affirming the CC's interpretation of the media plurality provisions of the relevant legislation, and rejecting the Group's appeal with respect to the competition issues and the remedial direction that the Group divest the ITV shares such that the Group would hold less than 7.5% of ITV's issued share capital. As a result, the report of the CC and adverse public interest finding of the SoS (including the remedial direction) are upheld.

The Group's application to the CoA for permission to appeal the CoA judgment to the Supreme Court, was rejected on 21 January 2010. The Group has until 18 February 2010 to apply directly to the Supreme Court for permission to

appeal the CoA's judgment and is currently considering its position.

On 26 January 2010, the Group announced that it had won a five-year legal action against EDS (see note 8a for further details).
