JOINT PROXY STATEMENT

This statement is furnished by the Board of Directors (each a **Board** and collectively, the **Boards**) of each of the Funds listed above (each a **Fund** and collectively, the **Funds**) in connection with the solicitation of Proxies by the Board of Directors for use at the Annual Meeting of Stockholders of each Fund (each a **Meeting** and collectively, the **Meetings**) to be held on Tuesday, June 22, 2004, at the principal executive office of the investment adviser for each Fund, Morgan Stanley Investment Management Inc. (hereinafter **MSIM** or the **Manager**), 1221 Avenue of the Americas, 22nd Floor, New York, New York 10020. It is expected that the Notice of Annual Meetings, Joint Proxy Statement and Proxy Card(s) will first be mailed to stockholders on or about May 13, 2004. The purpose of the Meetings, the matters to be acted upon and the commencement time of each Meeting are set forth in the accompanying Notice of Annual Meetings of Stockholders.

If the accompanying Proxy Card for a Fund is executed properly and returned, shares represented by it will be voted at the Meeting for that Fund in accordance with the instructions on the Proxy Card. A Proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund or by attendance and voting at the Meeting of such Fund. If no instructions are specified, shares will be voted FOR the election of the nominees for Directors of that Fund.

The Board has fixed the close of business on April 22, 2004 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meetings and at any adjournments thereof. On that date, the following number of shares of Common Stock of each Fund were outstanding and entitled to vote:

APF	35,791,686 shares
RNE	3,606,711 shares
MSD	22,046,681 shares
MGB	4,192,126 shares
MSY	11,700,448 shares
TTF	13,275,089 shares
TKF	5,619,406 shares
MF	9,687,235 shares
MSF	17,971,735 shares
IIF	15,997,623 shares

The expense of solicitation will be borne by the Funds and will include reimbursement to brokerage firms and others for reasonable expenses in forwarding proxy solicitation materials to beneficial owners. The

solicitation of Proxy Cards will be largely by mail, but may include, without cost to the Funds, telephonic, telegraphic or oral communications by regular employees of the Manager. The solicitation of Proxy Cards is also expected to include communications by employees of Georgeson Shareholder Communications Inc., a proxy solicitation firm expected to be engaged by the Funds to solicit Proxy Cards by mail or by telephonic, telegraphic or oral communications at a cost not expected to exceed \$2,500, plus out-of-pocket expenses, per Fund, except for \$35,000, \$35,000 and \$25,000 for MSF, IIF and MF, respectively.

Each Fund will furnish, without charge, a copy of its annual report for its fiscal year ended December 31, 2003 (October 31, 2003 for TKF) to any stockholder of such Fund requesting such report. Requests for annual and/or semi-annual reports should be made in writing to the respective Fund, c/o JPMorgan Investor Services Co., P.O. Box 2798, Boston, Massachusetts 02208-2798, or by calling 1-800-221-6726.

JPMorgan Investor Services Co. is an affiliate of the Funds' administrator, JPMorgan Chase Bank (JPMorgan Chase), and provides administrative services to the Funds. The business address of JPMorgan Chase and JPMorgan Investor Services Co. is 73 Tremont Street, Boston, Massachusetts 02108-2798.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund and, because stockholders may own shares of more than one Fund, to potentially avoid burdening stockholders with more than one proxy statement. Shares of a Fund are entitled to one vote each at the respective Fund's Meeting. To the extent information relating to common ownership is available to the Funds, a stockholder that owns record shares in two or more of the Funds will receive a package containing a Joint Proxy Statement and Proxy Cards for the Funds in which such stockholder is a record owner. If the information relating to common ownership is not available to the Funds, a stockholder that beneficially owns shares in two or more Funds may receive two or more packages each containing a Joint Proxy Statement and a Proxy Card for each Fund in which such stockholder is a beneficial owner. If the proposed election of Directors is approved by stockholders of one Fund and disapproved by stockholders of other Funds, the proposal will be implemented for the Fund that approved the proposal and will not be implemented for any Fund that did not approve the proposal. Thus, it is essential that stockholders complete, date, sign and return *each* enclosed Proxy Card or vote by telephone as indicated in each Fund's Proxy Card.

The Board of Directors of each Fund unanimously recommends that you vote FOR the election of the nominees as Directors as set forth in Proposal No. 1 of the Notice of Annual Meetings.

ELECTION OF DIRECTORS

(Proposal No. 1)

At the Meetings, stockholders will be asked to consider the election of Directors to hold office for a term stated below and until their successors are duly elected and qualified. It is the intention of the persons named in the accompanying Proxy Cards to vote, on behalf of the stockholders, for the election of:

(i) Wayne E. Hedien, James F. Higgins and Dr. Manuel H. Johnson as Class III Directors for a term expiring in 2007, for all Funds except for IIF; and

(ii) Fergus Reid and Ronald E. Robison as Class I Directors for a term expiring in 2007 and Hazareesing Ravindranath Santosh Kumar as a Class II Director for a term expiring in 2005 for IIF.

Pursuant to each Fund's By-Laws, the terms of office of the Directors are staggered. The Board of Directors of each Fund is divided into three classes, designated Class I, Class II and Class III, with each class having a term of three years. Each year the term of one class expires. With respect to all Funds other than IIF, Class I currently consists of Joseph J. Kearns, Michael Nugent and Fergus Reid. Class II currently consists of Michael Bozic, Charles A. Fiumefreddo and Edwin J. Garn. Class III currently consists of Wayne E. Hedien, James F. Higgins and Dr. Manuel H. Johnson. Only the Directors in Class III are being considered for election at this Meeting with respect to all Funds other than IIF. With respect to IIF, Class I currently consists of Fergus Reid and Ronald E. Robison. Class II currently consists of Gaetan Bouic and Hazareesing Ravindranath Santosh Kumar. Class III currently consists of Joseph J. Kearns and Marie Joseph Raymond La Musse. Only the Directors currently in Class I and Hazareesing Ravindranath Santosh Kumar in Class II are being considered for election at this Meeting with respect to IIF.

Pursuant to each Fund's By-Laws, each Director holds office until (i) the expiration of his term and until his successor has been elected and qualified, (ii) his death, (iii) his resignation or (iv) his removal as provided by statute or the Articles of Incorporation. Each officer of the Funds will hold such office until his or her death or resignation or a successor has been duly elected and qualified.

Board Meetings and Committees

The Board of Directors of each Fund has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee provides assistance to the full Board of Directors with respect to the engagement of independent accountants and the qualifications, independence and performance of the independent accountants. The Audit Committee also, among other things, reviews with the independent accountants the plan and results of the audit engagement and matters having a material effect on each Fund's financial operations. Each Fund has adopted a formal, written Audit Committee Charter, which is attached hereto as Appendix A. The Audit Committees of the Funds met three times during the fiscal year ended December 31, 2003 (October 31, 2003 for TKF).

The members of the Audit Committee of each Fund other than IIF are currently Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Dr. Manuel H. Johnson, Joseph J. Kearns, Michael Nugent and Fergus Reid. The members of IIF's Audit Committee are currently Gaetan Bouic, Joseph J. Kearns, Hazareesing Ravindranath Santosh Kumar, Marie Joseph Raymond La Musse and Fergus Reid. None of the members of the Funds Audit Committees is an interested person, as defined under the Investment Company Act of 1940, as amended (the 1940 Act), of any of the

Edgar Filing: MORGAN STANLEY DEAN WITTER INDIA INVESTMENT - Form DEF 14A

Funds (with such disinterested Directors being Independent Directors or individually, Independent Director). Each Independent Director is also independent from each Fund under the listing standards of the New York Stock Exchange, Inc. (NYSE). The current Chairman of the Audit Committee of all of the Funds other than IIF is Dr. Manuel H. Johnson. The current Chairman of the Audit Committee of IIF is Joseph J. Kearns.

The Board of Directors of each Fund also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Directors on each Fund s Board and on committees of

such Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises each Fund's Board with respect to Board composition, procedures and committees, develops and recommends to each Fund's Board a set of corporate governance principles applicable to the Funds, monitors and makes recommendations on corporate governance matters and policies and procedures of the Fund's Board of Directors and any Board committees and oversees periodic evaluations of the Fund's Board and its committees. A further description of, among other things, the goals and responsibilities of the Governance Committee with respect to Board candidates and nominees and Board composition, procedures and committees can be found in the Governance Committee Charter for each Fund, which is attached hereto as Appendix B. The members of the Governance Committee of each Fund other than IIF are currently Michael Bozic, Edwin J. Garn and Fergus Reid, each of whom is an Independent Director. The members of IIF's Governance Committee are currently Gaetan Bouic, Joseph J. Kearns, Marie Joseph Raymond La Musse and Fergus Reid, each of whom is an Independent Director. The current Chairman of each Governance Committee is Fergus Reid. No Fund's Governance Committee met during the fiscal year ended December 31, 2003 (October 31, 2003 for TKF).

None of the Funds has a separate nominating committee. While each Fund's Governance Committee recommends qualified candidates for nominations as Independent Directors, the Board of Directors of each Fund believes that the task of nominating prospective Independent Directors is important enough to require the participation of all current Independent Directors, rather than a separate committee consisting of only certain Independent Directors. Accordingly, each current Independent Director (Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Dr. Manuel H. Johnson, Joseph J. Kearns, Michael Nugent and Fergus Reid, for all Funds other than IIF and Gaetan Bouic, Joseph J. Kearns, Hazareesing Ravindranath Santosh Kumar, Marie Joseph Raymond La Musse and Fergus Reid for IIF) participates in the election and nomination of candidates for election as Independent Directors for the respective Funds for which the Independent Director serves. Persons recommended by each Fund's Governance Committee as candidates for nomination as Independent Directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Directors of each of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Fund's Board as they deem appropriate, they will consider nominations from stockholders to the Board. Nominations from stockholders should be in writing and sent to the Independent Directors as described below.

There were eleven meetings of the Board of Directors of each Fund (other than IIF and TKF) held during the fiscal year ended December 31, 2003. The Board of Directors of TKF met nine times during the fiscal year ended October 30, 2003. The Board of Directors of IIF met four times during the fiscal year ended December 31, 2003. The Independent Directors of each of the Funds (other than IIF) also met twice during that time, in addition to the meetings of the full Boards. For the 2003 fiscal year, each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he served held during the time such Director was a member of the Board. For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for each Fund's last annual stockholder meeting, no Directors attended the meeting.

Stockholder Communications

Stockholders may send communications to each Fund's Board of Directors. Stockholders should send communications intended for each Fund's Board by addressing the communication directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director below. Other stockholder communications received by the Funds not directly addressed and sent to the Boards will be reviewed and generally responded to by management, and will be forwarded to the Boards only at management's discretion based on the matters contained therein.

Each of the nominees for Director has consented to be named in this Joint Proxy Statement and to serve as a Director of the Funds if elected. The Board of Directors of each Fund has no reason to believe that any of the nominees named above will become unavailable for election as a Director, but if that should occur before the Meeting for that Fund, Proxy Cards will be voted for such persons as the Board of Directors of the Fund may recommend.

(1) Interested person of the Fund within the meaning of the 1940 Act.

(2) This information has been furnished by each Director and nominee. The dollar values in this table are based upon the market price of the Fund's shares as of April 22, 2004.

(3) The term Family of Investment Companies refers to certain registered investment companies, including the Funds, which are advised by the Manager or an affiliate and are held out to investors as related companies for purposes of investment and investor services.

(4) Includes the total amount of compensation deferred by the Director at his election pursuant to a deferred compensation plan. Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the Retail Funds or various U.S. registered investment companies managed by MSIM (or portfolios thereof) that are offered as investment options under the plan. As of December 31, 2003, Messrs. Kearns and Reid had deferred a total of \$430,361 and \$600,512, respectively, pursuant to the deferred compensation plan.

Compensation of Directors and Officers

Certain of the Independent Directors have entered into a deferred fee arrangement (the Fee Arrangement) with the Funds, pursuant to which such Director may defer to a later date the receipt of the Director's fees. The deferred fees owed by the Funds are credited to a bookkeeping account maintained by the Funds on behalf of such Director. Through December 31, 2003, such credited amounts accrued income from and after the date of credit in an amount equal to the amount that would have been earned had such fees (and all income earned thereon) been invested and reinvested either (i) in shares of the Funds or (ii) at a rate equal to the prevailing rate applicable to 90-day United States Treasury Bills at the beginning of each calendar quarter for which this rate is in effect, whichever method was elected by the Director. Effective April 1, 2004, the Fee Arrangement has been modified. As of such date, amounts deferred pursuant to the Fee Arrangement accrue income from and after such date (or after the date of credit, for amounts subsequently deferred) in an amount that would have been earned had such fees (and all income earned thereon) been invested and reinvested in the shares of one or more (up to a maximum of four) of 15 funds provided as investment options under the Fee Arrangement and selected by the Director.

Under the Fee Arrangement, deferred Director's fees (including the return accrued thereon) will become payable by the Funds in cash upon such Director's resignation from the Board of Directors of each Fund in a lump sum or in generally equal annual installments over a period of five years (unless the Fund has agreed to a longer or shorter payment period) beginning on the first day of the year following the year in which such

Director's resignation occurred. In the event of a Director's death, remaining amounts payable to him under the Fee Arrangement will thereafter be payable to his designated beneficiary; in all other events, a Director's right to receive payments is non-transferable. Under the Fee Arrangement, the Board of Directors of each Fund, in its sole discretion, has reserved the right, at the request of a Director or otherwise, to accelerate or extend the payment of amounts in the deferred fee account at any time after the termination of such Director's service as a director. In addition, in the event of liquidation, dissolution or winding up of the Fund or the distribution of all or substantially all of the Fund's assets and property to its stockholders (other than in connection with a reorganization or merger into another fund advised by MSIM), all unpaid amounts in the deferred fee account maintained by the Fund will be paid in a lump sum to the Directors participating in the Fee Arrangement on the effective date thereof.

Set forth below are tables showing the aggregate compensation paid by each Fund to each of its Directors, as well as the total compensation paid to each Director of each Fund by all of the Funds and by other U.S. registered investment companies advised by MSIM or any investment companies that have an investment adviser that is an affiliated person of MSIM (collectively, the Fund Complex) for their services as Directors of such investment companies for the fiscal year ended December 31, 2003 (October 31, 2003 for TKF). In all cases, there were no pension or retirement benefits accrued as part of any Fund's expenses.

The amounts reflected in the following tables include amounts paid by the Fund Complex for services rendered during the fiscal year ended in 2003 for each fund within the Fund Complex, regardless of whether such amounts were actually received by the Directors and nominees during such fiscal year.
