Item 1.01. Entry into a Material Definitive Agreement.

On January 26, 2005, Olin's Board of Directors authorized the company to enter into Executive Agreements and Executive Change in Control Agreements with each of the following officers:

Stephen Curley

John Fischer

Jeffrey Haferkamp

Richard Hammett

Dennis McGough

These agreements provide for payments of specified benefits if the employee is terminated without cause, and additional pay, benefits and pension credit if the employee is terminated after a change in control. This description is qualified by reference to the forms of both agreements, which are attached as Exhibits 99.1 and 99.2, and incorporated into this Item 1.01 by reference.

On January 26, 2005, Olin's Board of Directors also adopted a restatement of the Olin Corporation Amended and Restated 1997 Stock Plan for Non-Employee Directors. The revisions to the restated plan include several clarifying language changes, as well as certain substantive changes from the form of the plan currently in effect:

revised definition of "change in control" to comply with the definition required under Section 409A of the Internal Revenue Code, as amended (Section 409A),

new definitions of "disability," "gross fair market value" and "group" to tie to the requirements of Section 409A,

retainer and meeting fees credited two weeks after Board meeting (rather than the second Thursday after the meeting), to accommodate changes in board meeting dates,

revision of deferral provisions to comply with Section 409A requirements,

calculation of the number of annual retainer shares received by a director who joins the Board during the year based on one-twelfth of the total shares issued to the other directors (rather than taking one-twelfth of the monetary value of the shares received by other directors for the full year and converting that number into shares at the market value at the time the new director joins the Board),

250,000 share increase in the total shares available for issuance under the Directors Plan, and

clarification that shares paid out in cash do not count against total share number.

Edgar Filing: OLIN CORP - Form 8-K

The restated plan takes effect immediately, except that the provisions related to shares available for issuance under the plan are contingent upon shareholder approval. This description is qualified by reference to the form of the amended and restated plan, a copy of which is attached as Exhibit 99.3 and incorporated into this Item 1.01 by reference.
