PROXY STATEMENT

2006 ANNUAL MEETING OF SHAREHOLDERS

THE ANNUAL MEETING

This proxy statement is solicited by and on behalf of the Board of Directors of the Company for use at the 2006 Annual Meeting to be held on May 16, 2006 at the St. Regis Hotel, 1919 Briar Oaks Lane, Houston, Texas 77027, at 9:30 a.m. central daylight time, or at any adjournments thereof. The solicitation of proxies by the Board of Directors will be conducted primarily by mail. Additionally, officers, directors and employees of the Company may solicit proxies personally or by telephone, telegram or other forms of wire or facsimile communication. These officers, directors and employees will not receive any extra compensation for these services. The Company will reimburse brokers, custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of common stock of the Company (the "Common Stock"). The costs of the solicitation will be borne by the Company. This proxy statement and the form of proxy are first being mailed to shareholders of the Company on or about April 13, 2006.

Purpose of the 2006 Annual Meeting

The purpose of the 2006 Annual Meeting is to elect six candidates to the Board of Directors of the Company. Although the Board does not anticipate that any other issue will come before the 2006 Annual Meeting, your executed proxy gives the official proxies the right to vote your shares at their discretion on any other matter properly brought before the Annual Meeting.

Voting Rights and Solicitation

Only shareholders of record at the close of business on April 4, 2006 (the "Record Date") will be entitled to notice of and to vote at the 2006 Annual Meeting. As of the Record Date, there were 66,140,252 shares of Common Stock outstanding, each of which is entitled to one vote on any matter to come before the meeting. Common Stock is the only class of outstanding securities of the Company. The holders of issued and outstanding shares representing a majority of the outstanding shares of Common Stock, present in person or represented by proxy at the Annual Meeting, will constitute a quorum, and the act of the majority of the voting power of the quorum so represented at the Annual Meeting will constitute the act of the shareholders. The person who is appointed by the chairman of the meeting to be the judge of election will treat the holders of all shares of Common Stock represented by a returned, properly executed proxy, including shares that abstain from voting, as present for purposes of determining the existence of a quorum at the Annual Meeting.

Edgar Filing: W&T OFFSHORE INC - Form DEF 14A

Each share of Common Stock present or represented at the Annual Meeting will be entitled to one vote on any matter to come before the shareholders. In accordance with the Company's Restated Articles of Incorporation, cumulative voting will not be permitted, and all directors will be elected by a plurality of the votes cast at the Annual Meeting. Votes will be counted by the judge of election, who will be selected by the chair of the Annual Meeting.

The Board of Directors is soliciting your proxy on the enclosed proxy card to provide you with an opportunity to vote on the election of directors, whether or not you attend in person. If you execute and return the enclosed proxy card, your shares will be voted as you specify. If you make no specifications, your shares will be voted in accordance with the Board's recommendations. If you submit a proxy card, you may subsequently revoke it by submitting a revised proxy card or a written revocation at any time before your original proxy is voted. You may also attend the Annual Meeting in person and vote by ballot, which would effectively cancel any proxy you previously gave.

ELECTION OF DIRECTORS

Currently, the Company's Board of Directors is composed of six directors, Messrs. Krohn, Freel, Luikart, Nelson and Katz, and Ms. Boulet. At the Annual Meeting, six directors are to be elected, each of whom will serve until the 2007 Annual Meeting and until his or her successor is duly elected and qualified. The persons named as official proxies on the enclosed proxy card intend to vote FOR the election of each of the six nominees listed below, unless authority to vote is withheld or they are otherwise instructed.

The Board has nominated and the official proxy holders will vote to elect the following individuals as members of the Board of Directors: Tracy W. Krohn, Jerome F. Freel, James L. Luikart, Stuart B. Recommendation of the Board of Directors

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE SIX NOMINEES LISTED ABOVE.

CORPORATE GOVERNANCE

Corporate Governance Guidelines; Code of Business Conduct and Ethics

A complete copy of the Company's corporate governance guidelines, which the Board reviews at least annually, is posted on the Company's website at www.wtoffshore.com and is available in print to any shareholder who requests it. The Board of Directors has adopted a code of business conduct and ethics that applies to all employees, officers and directors. A complete copy of the code is posted on the Company's website at www.wtoffshore.com and is available in print to any shareholder who requests it. Because Tracy W. Krohn, the Company's Chairman and Chief Executive Officer, controls approximately 62% of the outstanding shares of Common Stock, the Company is a controlled company under New York Stock Exchange (NYSE) Corporate Governance Rules. Accordingly, the Company is not required to maintain a (i) majority of independent directors on the Board, (ii) Nominating and Corporate Governance Committee composed entirely of independent directors or (iii) Compensation Committee composed entirely of independent directors. Notwithstanding these exemptions, the Company requires that the Compensation Committee of the Board consist entirely of independent directors, as is more fully discussed under the heading *Standing Committees of the Board of Directors* on page 4.

Independence

The Board has determined that each nominee, other than Messrs. Krohn and Freel and Ms. Boulet, is independent as defined by the NYSE listing standards.

Standing Committees of the Board of Directors

The Board has three standing committees the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Because a single person controls the Company, the Company is a controlled company within the meaning of the rules of the NYSE, and, accordingly, the Company is not required to maintain an independent Compensation Committee or independent Nominating and Corporate Governance Committee. The Company believes, however, that it is in its best interests to have a Compensation Committee consisting entirely of independent directors. As such, the Company's Compensation Committee Charter adopted by the Board of Directors requires all members to be independent.

Audit Committee

Currently, Messrs. Luikart, Katz and Nelson sit on the Company's Audit Committee. The Board has determined that Messrs. Luikart, Katz and Nelson are independent under the standards of both the NYSE and Securities and Exchange Commission (the SEC) regulations. The Board considers both Messrs. Katz and Nelson to be audit committee financial experts, as defined under the Securities Act of 1933. In connection with his appointment, the Board of Directors considered the fact that Mr. Nelson is a member of the audit committees of three other public companies, and found that such simultaneous service will not, and does not, impair his ability to effectively serve on the Audit Committee of the Board of Directors of the Company.

The Audit Committee establishes the scope of and oversees the annual audit, including recommending the independent public accountants that audit the Company's financial statements and approving any other services provided by the accountants. The Audit Committee also assists the Board in fulfilling its oversight responsibilities by (1) overseeing the Company's system of financial reporting, auditing, controls and legal compliance, (2) monitoring the operation of such system and the integrity of the Company's financial statements, monitoring the qualifications, independence and performance of the outside auditors and any internal auditors who the Company may engage, and (3) reporting to the Board periodically concerning the activities of the Audit Committee. In performing its obligations, it is the responsibility of the Audit Committee to maintain free and open communication between it, the Company's independent auditors, the internal accounting function and the management of the Company. The Audit Committee's functions are further described under the heading *Audit Committee Report* on page 14. A copy of the Audit Committee's Charter is posted on the Company's website at www.wtoffshore.com and is available in print to any shareholder who requests it.

Nominating and Corporate Governance Committee

Mr. Krohn, Mr. Freel and Ms. Boulet serve as members of the Nominating and Corporate Governance Committee of the Board. None of these directors meets the NYSE standards for independence. The purpose of the committee is to nominate candidates to serve on the Board of Directors and to approve director compensation. The factors and processes used to select potential nominees are more fully described in the section entitled *Identifying and Evaluating Nominees for Directors* on page 5. The committee is also responsible for monitoring a process to assess Board effectiveness; developing and implementing corporate governance guidelines; and taking a leadership role in shaping the corporate governance of the Company. A copy of the Nominating and Corporate Governance Committee's Charter is posted on the Company's website at www.wtoffshore.com and is available in print to any shareholder who requests it.

Compensation Committee

Mr. Luikart and Mr. Katz, both independent under NYSE listing standards, serve as members of the Compensation Committee. The Compensation Committee reviews the compensation and benefits of the executive officers, establishes and reviews general policies related to

Edgar Filing: W&T OFFSHORE INC - Form DEF 14A

employee compensation and benefits and administers the Long-Term Incentive Compensation Plan, the Directors Compensation Plan and the 2005 Annual Incentive Plan. Under the terms of its charter, the Compensation Committee also determines the compensation for Mr. Krohn, the CEO of the Company.

None of the Company's executive officers serve as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee.

Meetings of the Board and the Committees of the Board

During 2005, the Board of Directors held eight regular and two special meetings. The Compensation Committee held one meeting in 2005, and the Nominating and Corporate Governance Committee held one meeting in 2005. In 2005, the Audit Committee met six times. All of the directors attended at least seventy-five percent of the meetings of the Board and of the committees on which they served during that period.

Legal Proceedings

Currently, no director or executive officer is a party to any material legal proceeding adverse to the interests of the Company. Additionally, no director or executive officer has a material interest in any material proceeding adverse to the Company.

Director Nomination Process

The Nominating and Corporate Governance Committee will consider all properly submitted shareholder recommendations of candidates for election to the Board of Directors. Pursuant to Section 12 of the Company's Bylaws, any shareholder may nominate candidates for election to the Board by giving timely notice of the nomination to the Secretary of the Corporation. The Company's Bylaws require that any such shareholder must be a shareholder of record at the time it gives notice of the nomination. To be considered a timely nomination, the shareholder's notice must be delivered to the Secretary at the Company's principal office no later than 90 days prior to the first anniversary of the preceding year's annual meeting and no earlier than 120 days prior to the first anniversary of the preceding year's annual meeting. In evaluating the recommendations of the shareholders for director nominees, as with all other possible director nominees, the Nominating and Corporate Governance Committee will address the criteria set forth below under the heading *Identifying and Evaluating Nominees for Directors*.

Any shareholder recommendations for director nominees should include the candidate's name, qualifications and written consent to being named in the proxy statement and to serving on the Board if elected. The shareholder must also include any other business that the shareholder proposes to bring before the meeting, the reasons for conducting such business at the meeting, any material interest in such business of such shareholder and the beneficial owner, if any, on whose behalf the proposal is made. Additionally, the shareholder must provide his name and address, the name and address of any beneficial owner on whose behalf the shareholder is acting, and the number of shares of Common Stock beneficially owned by the shareholder and any beneficial owner for whom the shareholder is acting. Such written notice should be sent to:

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee is responsible for leading the search for individuals qualified to serve as directors. The Nominating and Corporate Governance Committee evaluates candidates for nomination to the Board, including those recommended by shareholders, and conducts appropriate inquiries into the backgrounds and qualifications of possible candidates. The Nominating and Corporate Governance

Committee then recommends to the Board, nominees as directors to be presented for election at meetings of the shareholders or of the Board. As indicated above, shareholders may recommend possible director nominees for consideration to the Nominating and Corporate Governance Committee.

In evaluating nominees to serve as directors on the Board and in accordance with the Company's Corporate Governance Guidelines, the Nominating and Corporate Governance Committee selects candidates with the appropriate skills and characteristics required of Board members. Pertinent to this inquiry is the following non-exhaustive list of factors: independent business or professional experience; integrity and judgment; records of public service; ability to devote sufficient time to the affairs of the Company; diversity, age, skills, occupation, and understanding of financial statements and financial reporting systems. The Committee will also consider and weigh these factors in light of the current make-up of the Board and needs of the Board and the Company.

Director Compensation

Directors who are also employees of the Company receive no additional compensation for serving as directors or committee members. The Company's Board and shareholders adopted the 2004 Directors Compensation Plan, which provides that the Compensation Committee may grant stock options or restricted or unrestricted stock to non-employee directors. A total of 666,918 shares of Common Stock have been reserved for issuance under the 2004 Directors Compensation Plan. To date, no shares or options have been issued under this plan.

In January 2006, the Board of Directors revised the compensation paid to non-officer directors of the Company to provide that each would receive the following compensation: (i) an annual retainer of \$30,000, payable in equal quarterly installments; (ii) at each annual meeting of shareholders, a restricted stock grant pursuant to the Company's 2004 Director Compensation Plan covering shares of common stock of the Company having a fair market value (calculated as of the closing of trading on the NYSE on the date of the annual board meeting) equal to \$40,000; and (iii) compensation of \$1,250 for each meeting of the board or any board committee meeting attended. The terms of the restricted stock grant are as set forth in the Company's 2004 Director Compensation Plan, with restrictions lapsing with respect to 1/3 of the shares subject to the restricted stock grant on each of the first, second and third anniversary dates of the date of grant. Additionally, Mr. Nelson, as chairman of the Audit Committee, receives an annual retainer of \$15,000. Prior to the revision to the non-officer director compensation in 2006, each of the Company's non-employee directors was paid an annual retainer of \$24,000, payable in quarterly installments of \$6,000, and received a meeting fee of \$1,000 for each meeting attended. Additionally, each non-employee director of the Company who also served as a committee chairman received an additional \$500 for each committee meeting held outside a regular board meeting.

To the extent that any of the director's employers (or affiliates of their employer) require that a director pay or turn over any fees and stock compensation earned from service on the Company's Board, the Company will pay or deliver any fees and stock compensation related to the director's service on the Board as directed by the director's employer or its affiliate.

Communications with the Board of Directors

At each regular meeting of the Board of Directors, the outside directors meet in executive session. The outside directors elected Stuart B. Katz as the presiding director of those meetings. As set forth on the Company's website (www.wtoffshore.com), shareholders who would like to contact Mr. Katz on a confidential basis may do so by sending an email to Presiding_Director@wtoffshore.net or by mailing a written communication to Presiding Director, W&T Offshore, Inc., Eight Greenway Plaza, Suite 1330, Houston, Texas 77046.

Mr. Krohn's employment agreement provides for an annual base salary of \$500,000 and a nondiscretionary bonus of \$250,000, subject to review from time to time by the Compensation Committee for possible increases based on Mr. Krohn's performance. The Compensation Committee also has the authority to pay additional cash bonuses to Mr. Krohn in its discretion, during the term of his agreement.

If, during the term of his agreement, the Company terminates the employment of Mr. Krohn for any reason other than for cause, as defined in the agreement, he will be entitled to receive his base salary until the actual termination date of his agreement and a severance payment in the amount of 2.99 times his average annual income over the most recent five taxable years. If the Company should undergo a change in control while the agreement is in effect and Mr. Krohn is either constructively or actually terminated under the conditions set forth in his agreement within two years of a change of control, then he will be entitled to receive 2.99 times his average annual taxable income from the Company over the five taxable years that end before the change of control transaction.

Mr. Krohn has agreed that during the term of his agreement and for a period of two years thereafter, he will not compete with the Company or solicit any of our customers, employees, consultants or independent contractors with whom we do business.

W. Reid Lea serves under an employment agreement that expires on September 28, 2008 and that provides for a base salary of \$348,000. His agreement also provides for termination benefits, triggered in certain situations including a change in control, in an amount of three times his base salary less \$1.00.

Jeffery M. Durrant serves under an employment agreement that expires on September 28, 2008 and that provides for a base salary \$250,000 per year. His agreement also provides for termination benefits, triggered in certain situations including a change in control, in an amount of three times his base salary less \$1.00.

Joseph P. Slattery serves under an employment agreement that expires on September 28, 2008 and that provides for a base salary \$260,000 per year. His agreement also provides for termination benefits, triggered in certain situations including a change in control, in an amount of three times his base salary less \$1.00.

Long-Term Incentive Compensation Plan

The Company maintains a Long-Term Incentive Compensation Plan, the purpose of which is to provide incentives to the Company's employees, officers, consultants, and advisors to devote their abilities and energies to our success. The Long-Term Incentive Compensation Plan provides for the granting or awarding of incentive and nonqualified stock options, stock appreciation rights, restricted stock and performance shares. At December 31, 2005, the Company had reserved 1,637,442 shares for issuance pursuant to awards made under the Long-Term Incentive Compensation Plan and available for future grant.

The Compensation Committee of the Board administers the Long-Term Incentive Compensation Plan. Subject to the express provisions of the plan, the Compensation Committee has full authority, among other things:

to select the persons to whom stock, options and other awards will be granted;

to determine the type, size and terms and conditions of stock options and other awards; and

to establish the terms for treatment of stock options and other awards upon a termination of employment.

Edgar Filing: W&T OFFSHORE INC - Form DEF 14A

Under the Long-Term Incentive Compensation Plan, awards other than stock options and stock appreciation rights given to any of the Company's executive officers whose compensation must be disclosed in the Company's annual securities filings and who is subject to the limitations imposed by Section 162(m) of the tax code must be based on the attainment of certain performance goals established by the Board of Directors or the Compensation Committee. The performance measures are limited to earnings per share, return on assets, return on equity, return on capital, net profits after taxes, net profits before taxes, operating profits, stock price and sales or expenses. Additionally, the performance goals must include formulas for calculating the amount of compensation payable if the goals are met; and both the goals and the formulas must be sufficiently objective so that a third party with knowledge of the relevant performance results could assess that the goals were met and calculate the amount to be paid.

Consistent with certain provisions of the tax code, there are other restrictions providing for a maximum number of shares that may be granted in any one year to a named executive officer and a maximum amount of compensation payable as an award under the Long-Term Incentive Compensation Plan (other than stock options and stock appreciation rights) to a named executive officer.

2005 Annual Incentive Plan

In October 2005, the Board of Directors amended the Long-Term Incentive Compensation Plan with the 2005 Annual Incentive Compensation Plan (the Annual Plan). The purpose of the Annual Plan is to retain the Company's key employees, to attract talented and dedicated employees, to reward superior job performance and to encourage teamwork among the Company's employees by linking every employee's bonus opportunity with the overall annual performance of the Company.

Eligible employees will be able to earn bonuses in the form of cash compensation and restricted stock awards. All bonuses paid under the Annual Plan for any fiscal year will be limited generally to 5% of the Company's pre-tax net income for such year. Part of the bonus will be a general bonus that is paid to the extent that 5% of the Company's pre-tax income is sufficient for the payment. An additional bonus, referred to as the Extraordinary Performance Bonus, is to be paid only if the Company achieves a 5% growth in year-to-year production and a 5% growth in proved oil and natural gas reserves over the year for which the bonus is paid. If these financial targets are met, one-half of the Extraordinary Performance Bonus is paid. An additional one-quarter of the Extraordinary Performance Bonus is due if the Company's lease operating expenses, per Mcfe of production, do not grow by more than 5% in the fiscal year for which the bonus is paid, and another one-quarter of the Extraordinary Performance Bonus is due if the Company's general and administrative expenses, per Mcfe of production, do not grow by more than 5% in the fiscal year for which the bonus is paid.

The Annual Plan provides that, subject to the limitation that all bonuses paid annually under the Annual Plan are generally limited to 5% of the Company's pre-tax net income, each executive officer shall be entitled to receive a general bonus payable in (a) cash equal to 40% of his or her base salary and (b) restricted stock valued at 65% of his or her base salary. Each executive officer is also eligible to receive a maximum Extraordinary Performance Bonus payable in (a) cash in an amount of up to 20% of his or her base salary and (b) restricted stock valued at up to 32.5% of his or her base salary. Stock awarded under the Annual Plan is issued pursuant to the Long-Term Incentive Compensation Plan. Tracy W. Krohn and Jerome F. Freel were not participants in the Annual Plan in 2005.

The Compensation Committee of the Board of Directors, which administers the Plan, has the authority to adjust financial targets when unforeseen events affect the Company's results of operations.

In March 2006, our Board of Directors approved payment of a general bonus and an extraordinary bonus for 2005 under our incentive compensation plan. Although not all of the performance measures for the extraordinary bonus were met, our board determined that substantially all of the performance measures would have been met were it not for the effects of Hurricanes Katrina and Rita. The total cash portion of the 2005 general bonus is \$2.8 million. The total cash portion of the extraordinary bonus is \$1.4 million. The total restricted stock portion of the general bonus is \$4.0 million, and the total restricted stock portion of the extraordinary bonus is \$2.0 million. The restricted stock will vest in three equal increments on December 31 of 2006, 2007 and 2008. A total of 160,377 restricted shares were granted in connection with the 2005 bonuses. Messrs. Lea, Slattery and Durrant will receive bonuses under the plan for 2005.

We completed our initial public offering in January 2005. Our common stock began trading on the New York Stock Exchange on January 28, 2005. The following graph compares the cumulative total shareholder return for the Company's common stock to that of (i) the Standard & Poor's 500 Index, and (ii) a Company peer group, for the period indicated as prescribed by the SEC's rules. Cumulative total return is defined as the change in share price during the measurement period, plus cumulative dividends for the measurement period (assuming dividend reinvestment), divided by the share price at the beginning of the measurement period. COMPENSATION COMMITTEE REPORT

The Board's Compensation Committee monitors and approves the compensation of the Company's Chief Executive Officer, administers the Company's incentive compensation programs and performs other related tasks. The Committee is composed of two Board members who qualify as independent directors under the Company's corporate governance guidelines, non-employee directors under Rule 16b-3 promulgated under the Securities Exchange Act of 1934 and outside directors under Section 162(m) of the Internal Revenue Code. If you would like additional information on the responsibilities of the Compensation Committee, please refer to its charter, which is available on our website at www.wtoffshore.com and is available in print to any shareholder who requests it.

Prior to the Company's initial public offering effective January 28, 2005, the Compensation Committee of the Board did not take an active role in executive compensation. The Company paid the Chief Executive Officer in accordance with an employment agreement that was negotiated between Mr. Krohn and representatives of Jefferies Capital Partners at the time funds managed by Jefferies Capital Partners were initially invested in the Company. All other executive compensation was determined by our Chief Executive Officer. In contemplation of our initial public offering, the Compensation Committee adopted a charter and began to hold its first working meetings.

Currently, the Compensation Committee is responsible for establishing the compensation of the executive officers of the Company, including salary, bonuses and stock-related compensation. The Compensation Committee plans to establish metrics by which executive bonuses and stock-related incentives will be awarded. In that effort, the Committee plans to apply the following compensation objectives in connection with its deliberations:

compensating the Company's executives with salaries comparable to those of similarly-situated executives at comparable companies,

providing a substantial portion of the executives' compensation in the form of incentive compensation based upon (i) the Company's short and long-term performance and (ii) the individual, departmental or divisional achievements of the executives,

encouraging team orientation, and

providing sufficient benefit levels for executives and their families in the event of disability, illness or retirement.

In addition, to the extent that it is practicable and consistent with the Company's executive compensation objectives, the Committee seeks to comply with Section 162(m) of the Internal Revenue Code and any regulations promulgated thereunder (collectively, Section 162(m)) in order to preserve the tax deductibility of performance-based compensation in excess of \$1 million per taxable year to each of the named officers. If compliance with Section 162(m) conflicts with the Committee's compensation objectives or is contrary to the best interests of the shareholders, the Committee will pursue its objectives, regardless of the attendant tax implications.

AUDIT COMMITTEE REPORT

Activities of the Committee

The Audit Committee of the Board of Directors is currently composed of three directors, Messrs. Katz, Luikart and Nelson, all of whom qualify as independent directors under the rules and regulations of the NYSE, the Company's corporate governance guidelines and the federal laws and regulations governing the make-up of public company audit committees.

Edgar Filing: W&T OFFSHORE INC - Form DEF 14A

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with the Company's management and its independent auditor, Ernst & Young LLP (Ernst & Young). Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted U.S. accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with

management and Ernst & Young. The Committee discussed with Ernst & Young matters required to be discussed by Statements on Auditing Standards No. 61 and 90 (Communication with Audit Committees).

Ernst & Young also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Committee discussed with Ernst & Young that firm's independence, and considered the effects that the provision of non-audit services may have on Ernst & Young's independence.

Based on and in reliance upon the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Committee referred to in its charter, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

Other Information

Ernst & Young has acted as independent certified public auditor for the Company since 2000, and has been selected by the Audit Committee to serve again in that capacity for 2006. The following table lists the aggregate fees and costs billed by Ernst & Young and its affiliates to the Company and its subsidiaries for the 2005 and 2004 services identified below.

	2005	2004
Audit fees (1)	\$ 357,151	\$ 614,493
Audit related fees (2)		4,000
Tax fees (3)	157,840	217,375
All other fees	1,500	
	<u>\$ 516,491</u>	<u>\$ 835,868</u>

- (1) Includes fees for audit of our annual consolidated financial statements, fees related to our initial public offering, issuance of comfort letters and consents and reviews of various documents filed with the SEC.
- (2) Includes fees for consultations related to accounting, financial reporting or disclosure matters and review of proposed transactions not classified as Audit fees.
- (3) Includes fees for preparation of federal and state tax returns, assistance during an examination of our Louisiana tax returns in 2004, tax advice and planning and review of proposed transactions.
- (4) Includes an annual subscription fee for access to an accounting literature database.

The Audit Committee maintains written procedures that require it to annually pre-approve the scope of all auditing services to be performed by the Company's independent auditor. The Committee's procedures prohibit the independent auditor from providing any non-audit services unless the service is permitted under applicable law and is pre-approved by the Audit Committee or its Chairman. The Audit Committee has pre-approved the Company's independent auditor to provide up to \$5,000 per quarter of miscellaneous tax services that do not constitute discrete and separate projects. Although applicable regulations waive these pre-approval requirements in certain limited circumstances, the Audit Committee reviews and pre-approves all non-audit services provided by Ernst and Young. The Audit Committee has determined that the provision of Ernst & Young's non-audit services are compatible with maintaining Ernst & Young's independence.
