Message from John Varley: the Dutch Central Bank's declaration

Tuesday, 18 September 2007

Dear Colleague

The Dutch Central Bank has issued a so called "declaration of no objection" to the Consortium. It has conditions in it which appear to be more onerous than the conditions that have been imposed on us, but there is no doubt that this finding by the Dutch Central Bank and the Dutch Minister of Finance is very helpful to the Consortium.

I am trying to spare you the task of reading a letter from me every day on the subject of ABN AMRO! But I wanted to drop you this note because my undertaking to you is to keep you in the loop and to tell you what I am thinking.

I will be in touch again soon.

John
