Item 1.01. Entry into a Material Definitive Agreement

On November 18, 2008, the Compensation Committee (the "Committee") of the Board of Directors of Costco Wholesale Corp. (the "Company") approved the fiscal 2009 performance criteria pursuant to which bonuses may be paid to executive officers. Under these criteria, executive officers (other than Jeffrey H Brotman, Chairman of the Board, and James D. Sinegal, President and Chief Executive Officer) are eligible to receive bonuses up to 20% of salary based on the achievement of specified targets relating to pre-tax income and operational characteristics relevant to the executive's area of responsibility. (See Exhibit 10.1) The amounts of the actual bonuses are determined by Mr. Sinegal, subject to further approval of the Committee. Mr. Sinegal's employment agreement for fiscal 2009 provides for a bonus amount of up to \$200,000 (representing an amount up to 57% of his base salary), at the discretion of the Board of Directors or the Committee. Mr. Brotman's bonus is at the discretion of the Board of Directors or the Committee.

On September 25 and November 18, the Committee established that it will grant restricted stock units ("RSUs") under its Second Restated Stock 2002 Incentive Plan to the following officers in the following share amounts: Mr. Sinegal 50,000 shares; Mr. Brotman 50,000 shares; Richard D. DiCerchio (senior executive vice president) 30,000 shares; and all other executive officers 25,000 shares. Each of these grants, which are intended to qualify as performance-based compensation under applicable tax law, is subject to specified performance criteria for fiscal 2009. The performance targets may be satisfied by the Company's achieving specified percentage increases, relative to fiscal 2008, in either total sales or pre-tax income for fiscal 2009. If the Committee determines that either or both of these targets have been met, then the RSUs will be granted following the end of the Company's fiscal year and will be subject to further vesting thereafter based on the executive's continued employment with the Company through October 2013, with 20% of the shares vesting in October of each year beginning in 2009.
