

Edgar Filing: JAZZ PHARMACEUTICALS INC - Form 425

JAZZ PHARMACEUTICALS INC

Form 425

October 18, 2011

Filing under Rule 425 under the Securities
Act of 1933 and deemed filed under Rule 14a-12
of the Securities Exchange Act of 1934

Filing by: Jazz Pharmaceuticals, Inc.
Subject Company: Jazz Pharmaceuticals, Inc.
SEC File No. of Jazz Pharmaceuticals, Inc.: 001-33500

The following is a slide presentation relating to the proposed transactions described therein that was made available beginning on October 18, 2011.

Bruce Cozadd
Chairman and CEO
October 18, 2011
Introduction to Jazz Pharmaceuticals

2

Forward-Looking Statements

This presentation contains forward-looking statements, including, but not limited to, statements related to the anticipated consummation of the business combination transaction between Jazz Pharmaceuticals and Azur Pharma and the timing and benefits thereof, the combined company's, and each respective company's, strategy, plans, objectives, expectations (financial

or

otherwise)

and

intentions,

future

financial

results

and

growth

potential

(including

Jazz

Pharmaceuticals

2011

Financial Guidance), anticipated product portfolio, development programs, intellectual property and tax position, management structure, and other statements that are not historical facts. These forward-looking statements are based on Jazz Pharmaceuticals' current expectations and inherently involve significant risks and uncertainties. Actual results and the timing of events could differ materially from those anticipated in such forward looking statements as a result of these risks and

uncertainties,

which

include,

without

limitation,

risks

related

to

Jazz

Pharmaceuticals

ability

to

complete

the

transaction

on the proposed terms and schedule; risks associated with business combination transactions, such as the risk that the businesses will not be integrated successfully or that such integration may be more difficult, time-consuming or costly than expected; risks related to future opportunities and plans for the combined company, including uncertainty of the expected financial performance and results of the combined company following completion of the proposed transaction; disruption from the proposed transaction, making it more difficult to conduct business as usual or maintain relationships with customers, employees or suppliers; the calculations of, and factors that may impact the calculations of, the acquisition price in connection with the proposed merger and the allocation of such acquisition price to the net assets acquired in accordance with applicable accounting rules and methodologies; and the possibility that if the combined company does not achieve the perceived benefits of the proposed transaction as rapidly or to the extent anticipated by financial analysts or investors, the market price of the combined company's shares could decline, as well as other risks related to Jazz Pharmaceuticals business,

including

Jazz

Pharmaceuticals

dependence

on

sales

of
Xyrem
®
and its ability to increase sales of its Xyrem and
Luvox
CR
®
products;
competition,
including
potential
generic
competition;
Jazz
Pharmaceuticals
dependence
on
single
source suppliers and manufacturers; the ability of Jazz Pharmaceuticals to protect its intellectual property and defend its
patents; regulatory obligations and oversight; Jazz Pharmaceuticals cash flow; and those risks detailed from time-to-time
under
the
caption
Risk
Factors

Additional Information
In
connection
with
the
proposed

business
combination
transaction
described
in
this
presentation,
Jazz
Pharmaceuticals
and
Azur
Pharma
will
be
filing
documents
with
the
SEC,
including
the
filing
by
Jazz
Pharmaceuticals
of
a
preliminary
and
definitive proxy statement/prospectus relating to the proposed transaction and the filing by Azur Pharma of a registration statement on Form S-4 that will include the proxy statement/prospectus relating to the proposed transaction. After the registration statement has been declared effective by the SEC, a definitive proxy statement/prospectus will be mailed to Jazz Pharmaceuticals stockholders in connection with the proposed transaction. INVESTORS AND SECURITY HOLDERS ARE

URGED
TO
READ
THE
REGISTRATION
STATEMENT
ON
FORM
S-4

AND THE RELATED PRELIMINARY AND
DEFINITIVE PROXY/PROSPECTUS WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPOR
INFORMATION ABOUT JAZZ PHARMACEUTICALS, AZUR PHARMA AND THE PROPOSED TRANSACTION. Inve

and security holders may obtain free copies of these documents (when they are available) and other related documents filed
with

the
SEC

at
the
SEC's

web
site

at
www.sec.gov,

by
directing

a
request

to
Jazz

Pharmaceuticals

Investor

Relations

department at Jazz Pharmaceuticals, Inc., Attention: Investor Relations, 3180 Porter Drive, Palo Alto, California 94304, or to
Jazz

Pharmaceuticals

Investor

Relations

department

at

or

by
email

to
investorinfo@jazzpharma.com.

Investors and security holders may obtain free copies of the documents filed with the SEC on Jazz Pharmaceuticals
website

at
www.jazzpharmaceuticals.com
under

the
heading
Investors
and
then
under
the
heading
SEC
Filings.
Jazz

Pharmaceuticals and its directors and executive officers and Azur Pharma and its directors and executive officers may be deemed participants in the solicitation of proxies from the stockholders of Jazz Pharmaceuticals in connection with the

proposed transaction. Information regarding the special interests of these directors and executive officers in the proposed transaction will be included in the proxy statement/prospectus described above. Additional information regarding the directors and executive officers of Jazz

Pharmaceuticals is also included in Jazz Pharmaceuticals proxy statement for its

2011 Annual Meeting of Stockholders, which was filed with the SEC on April 12, 2011. These documents are available free of charge at the SEC's web

site
at
www.sec.gov
and
from
Investor
Relations
at
Jazz
Pharmaceuticals
as
described
above.

This communication does not constitute an offer to sell, or the solicitation of an offer to sell, or the solicitation of an offer to subscribe for or buy, any securities nor shall there be any sale, issuance or transfer of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

For full prescribing information refer to product websites.

Additional Information and Where to Find It

Building Shareholder Value by Focusing on Patient Needs

Jazz Pharmaceuticals

mission is to improve

patients

lives by identifying, developing and

commercializing valuable pharmaceutical

products in focused therapeutic areas

5

Pursue lower risk
development of
specialty products
Invest percentage
of sales longer-term

Strategy to Build Shareholder Value

Grow Xyrem sales in
current indications
Increased focus on
achieving full potential
Acquire additional
marketed or close to
approval products
Leverage our expertise
and infrastructure

2

Maintain entrepreneurial, ownership culture at the company
Make disciplined resource allocation decisions

Xyrem
(sodium oxybate)
Boxed Warning
Sodium
oxybate
is

GHB,

a

known

drug

of

abuse.

Abuse

has

been

associated

with

some

important

central

nervous

system

(CNS) adverse events (including death). Even at recommended doses, use has been associated with confusion, depression

and other neuropsychiatric

events.

Reports

of

respiratory

depression

occurred

in

clinical

trials.

Almost

all

of

the

patients

who

received sodium oxybate during clinical trials were receiving CNS stimulants.

Important CNS adverse events associated with abuse of GHB include seizure, respiratory depression and profound decreases

in level

of

consciousness,

with

instances

of

coma

and

death.

For

events

that

occurred

outside

of

clinical
trials,
in
people
taking
GHB for
recreational
purposes,
the
circumstances
surrounding
the
events
are
often
unclear
(e.g.,
dose
of
GHB
taken, the
nature and amount of alcohol or any concomitant drugs).
Xyrem is available
through
the
Xyrem
Success
Program,
using
a
centralized
pharmacy
1-866-XYREM88
®
(1-866-997-3688). The
Success
Program
provides
educational
materials
to
the
prescriber
and
the
patient
explaining
the
risks
and

proper
use of
sodium oxybate,
and
the
required
prescription
form.

Once
it
is
documented
that
the
patient
has
read
and/or
understood
the
materials,
the
drug
will
be
shipped
to
the
patient.

The
Xyrem
Success
Program
also
recommends
patient
follow-up
every 3

months. Physicians are expected to report all serious adverse events to the manufacturer. (See WARNINGS).

XYREM (sodium oxybate) PI

!WARNING:

Central
nervous
system
depressant
with
abuse
potential.
Should
not

be
used
with
alcohol
or
other
CNS
depressants.

Luvox CR
(fluvoxamine maleate)

Boxed Warning

LUVOX CR (fluvoxamine maleate) PI

Suicidality and Antidepressant Drugs

Antidepressants increased the risk compared to placebo of suicidal thinking and behavior (suicidality) in children, adolescents, and young adults in short-term

studies of major depressive disorder (MDD) and other psychiatric disorders.

Anyone
considering
the
use
of
LUVOX
CR
®

(fluvoxamine
maleate)

Extended-Release Capsules or any other antidepressant in a child, adolescent, or young adult must balance this risk with the clinical need. Short-term studies did not show

an
increase
in
the
risk
of

suicidality
with

antidepressants

compared to placebo in adults beyond age 24; there was a reduction in risk with antidepressants

compared
to

placebo
in

adults
aged
65

and
older.

Depression

and certain other psychiatric disorders are themselves associated with increases in the risk of suicide. Patients of all ages who are started on antidepressant therapy should be monitored appropriately and observed closely for clinical worsening, suicidality, or unusual changes in behavior. Families and caregivers should be advised of the need for close observation and communication with the prescriber. LUVOX CR Capsules are not approved for

use
in
pediatric
patients.

(See

WARNINGS:

Clinical
Worsening
and
Suicide
Risk,

PRECAUTIONS: Information for Patients, and PRECAUTIONS: Pediatric Use.)
