ITEM 1.01 Entry Into a Material Definitive Agreement.

On April 30, 2012, Newtek Business Services, Inc. (the Company) announced that it had entered into a Credit Agreement with a group of lenders led by Summit Partners Credit Advisers, L.P. of New York, NY (the Lenders), dated April 25, 2012, pursuant to which the Lenders provided initial funding of \$10 million and will provide a future loan of up to \$5 million based on certain contingencies (the Loan). The Company intends to use the funds to support its small business lending and for working capital.

The Loan bears interest at 12.5 percent per annum on the amount outstanding plus payment-in-kind interest of 2.5 percent which can either be paid quarterly in arrears or added to the outstanding loan amount. The Loan will mature in 5 and one-half years and may be prepaid at any time after 2 years. The Loan is a form of mezzanine financing and will have a second lien on the Company s assets as well as those of the Company s principal subsidiaries other than its U.S. SBA lender, Newtek Small Business Finance, Inc.

In addition, the Company has granted the Lenders penny warrants, for 1,696,810 common shares, representing 4.4 percent of the Company s outstanding common shares (the Warrant), which includes registration rights and will have limited anti-dilution protection related only to the issuance of additional shares to the Company s officers, directors or employees. The Lenders will be unable to sell any common shares acquired through exercise of the warrant for a period of two years following the date of the Loan, unless the Company s common shares trade over \$2.25 per share for 15 consecutive days, in which case they will be able to sell the shares, subject in all cases to a right of first refusal by the Company.

The above description is a summary and is qualified in its entirety by the terms of the Credit Agreement and the Warrant, which are filed as Exhibits 10.10.1 and 10.10.2, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.
