EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A is being filed for the purpose of amending Items 6 and 9A of Part II of the Annual Report on Form 10-K for the year ended December 31, 2013 of Prudential Financial, Inc. to correct certain of the selected consolidated financial information therein in respect of 2011, 2010 and 2009. Specifically, the columns in the consolidated balance sheet data table for 2011, 2010 and 2009 inadvertently presented the data for 2010, 2009 and 2008, respectively, without revision to reflect the impact of retrospective adoption of a discretionary change in accounting principle for recognition of performance based incentive fee revenue.

All other Items of the original filing on Form 10-K are unaffected by the changes to the selected consolidated financial information reflected herein and such Items have not been included in this Amendment No. 1 on Form 10-K/A. Information in this Amendment No. 1 on Form 10-K/A is generally stated as of December 31, 2013 and does not reflect any subsequent information or events other than the correction of such selected consolidated financial information. More current information with respect to the Company is contained within the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2014, and other filings with the Securities and Exchange Commission.

Table of Contents

Throughout this Amendment No. 1 on Form 10-K/A, Prudential Financial and the Registrant refer to Prudential Financial, Inc., the ultimate holding company for all of our companies. Prudential Insurance refers to The Prudential Insurance Company of America, before and after its demutualization on December 18, 2001. Prudential, the Company, we and our refer to our consolidated operations before and after demutualization.

Items 6 and 9A are hereby amended to read in their entirety as follows:

ITEM 6. SELECTED FINANCIAL DATA

We derived the selected consolidated income statement data for the years ended December 31, 2013, 2012 and 2011, and the selected consolidated balance sheet data as of December 31, 2013 and 2012, from our Consolidated Financial Statements included elsewhere herein. We derived the selected consolidated income statement data for the years ended December 31, 2010 and 2009, and the selected consolidated balance sheet data as of December 31, 2011, 2010 and 2009, from consolidated financial statements not included herein.

On January 2, 2013, we acquired The Hartford's individual life insurance business through a reinsurance transaction. Under the agreement, the Company paid The Hartford cash consideration of \$615 million, primarily in the form of a ceding commission to provide reinsurance for approximately 700,000 life insurance policies with net retained face amount in force of approximately \$141 billion. The acquisition increases the Company's scale in the U.S. individual life insurance market, particularly universal life products, and provides complementary distribution opportunities through expanded wirehouse and bank distribution channels.

Results for the year ended December 31, 2012, include approximately \$32 billion of premiums reflecting two significant pension risk transfer transactions. On November 1, 2012, we issued a non-participating group annuity contract to the General Motors Salaried Employees Pension Trust, and assumed responsibility for providing specified benefits to certain participants. On December 10, 2012, we issued a non-participating group annuity contract to the Verizon Management Pension Plan and assumed responsibility for providing specified benefits to certain participants. The premiums from these transactions were largely offset by a corresponding increase in policyholders' benefits, including the change in policy reserves.

On February 1, 2011, we acquired the Star and Edison Businesses from American International Group, Inc. The results of these companies are reported with the Gibraltar Life operations and are included in the results presented below from the date of acquisition. The Star and Edison companies were merged into Gibraltar Life on January 1, 2012.

On December 31, 2009, we completed the sale of our minority joint venture interest in Wachovia Securities. In 2009, Equity in earnings of operating joint ventures, net of taxes includes a pre-tax gain on the sale of \$2.247 billion. In addition, General and administrative expenses includes certain one-time costs related to the sale of the joint venture interest of \$104 million for pre-tax compensation costs and costs related to increased contributions to the Company's charitable foundation. The total of these items is an after-tax gain of \$1.389 billion, or \$2.95 per share of Common Stock.

On May 1, 2009, we acquired Yamato Life, a Japanese life insurance company that declared bankruptcy in October 2008, and renamed The Prudential Gibraltar Financial Life Insurance Company, Ltd. Results presented below include the results of this company from the date of acquisition.

The 2009 income tax provision includes a benefit of \$272 million from a reduction to the liability for unrecognized tax benefits and related interest, primarily related to tax years prior to 2002 as a result of the expiration of the statute of limitations for the 2002 and 2003 tax years.

Our Gibraltar Life operations use a November 30 fiscal year end. Consolidated balance sheet data as of December 31, 2013, 2012, 2011, 2010 and 2009, includes Gibraltar Life assets and liabilities as of November 30. Consolidated income statement data for 2013, 2012, 2011, 2010 and 2009, includes Gibraltar Life results for the twelve months ended November 30, 2013, 2012, 2011, 2010 and 2009, respectively.

(1) For purposes of this computation, earnings are defined as income from continuing operations before income taxes excluding undistributed income (loss) from equity method investments, fixed charges and interest capitalized. Also excludes earnings attributable to noncontrolling interests. Fixed charges are the sum of gross interest expense, interest credited to policyholders' account balances and an estimated interest component of rent expense. Due to the Company's loss for the year ended December 31, 2013, the ratio coverage was less than 1:1 and is therefore not presented. Additional earnings of \$1,935 million would have been required for the year ended December 31, 2013 to achieve a ratio of 1:1.

The historical information presented in the table above has been revised to reflect the impact of retrospective adoption of a discretionary change in accounting principle for recognition of performance based incentive fee revenue. For further information, see Accounting Policies and Pronouncements Adoption of New Accounting Pronouncements and Note 2 to the Consolidated Financial Statements.

ITEM 9A. CONTROLS AND PROCEDURES

Management's Annual Report on Internal Control Over Financial Reporting and the report of the Company's independent registered public accounting firm on the effectiveness of internal control over financial reporting as of December 31, 2013 are included in Part II, Item 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2013 filed on February 27, 2014.

In order to ensure that the information we must disclose in our filings with the SEC is recorded, processed, summarized, and reported on a timely basis, the Company's management, including our Chief Executive Officer and Chief Financial Officer, have reviewed and evaluated the effectiveness of our disclosure controls and procedures, as defined in Exchange Act Rule 13a-15(e), as of December 31, 2013. Based on such evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that, as of December 31, 2013, our disclosure controls and procedures were effective. No change in our internal control over financial reporting, as defined in Exchange Act Rule 13a-15(f), occurred during the quarter ended December 31, 2013, that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

These conclusions are not affected by the incorrect selected consolidated financial information in respect of balance sheet data for 2011, 2010 and 2009 included in the Company's Annual Report on Form 10-K and corrected in this Amendment No. 1 on Form 10-K/A. Such errors were limited in scope and did not result in any error in the Consolidated Financial Statements or other disclosures included in the Annual Report on Form 10-K. The Company has implemented enhancements in its disclosure controls and procedures with respect to the review of the balance sheet data included in the selected consolidated financial information.
