Baker Hughes offices / facilities

Halliburton and Baker Hughes have dedicated considerable time and resources to analyzing the combination

Sean Boland, a nationally recognized antitrust attorney, and economic experts have analyzed the proposed transaction for Halliburton

Carefully evaluated potential divestitures needed to obtain regulatory approval  
Halliburton has identified businesses that might be divested, if

required by regulators

Halliburton believes that divestitures required will be less than \$7.5B threshold

Halliburton is confident that a combination is  
achievable from a regulatory standpoint

10

Anticipated divestitures will not diminish the compelling value  
created by the combination
