**PROPOSAL 1: ELECTION OF DIRECTORS**

Our Restated Articles of Incorporation provide that our Board of Directors will be divided into three classes of directors of as nearly equal size as possible and the term of each class of directors is three years. Our articles further provide that the total number of directors will be determined exclusively by our Board of Directors. The term of one class expires each year in rotation. At our 2015 Annual Meeting of Shareholders, the terms of our three Class II directors will expire. Currently, we have nine directors, with two directors serving in Class I and four directors serving in Class III.

Bernard P. Aldrich, John T. Manning and Joseph F. Puishys have been nominated for re-election to our Board as Class II directors. The Class II directors elected at our 2015 Annual Meeting of Shareholders will serve until our Annual Meeting of Shareholders in 2018, or until their successors are elected and qualified. Each of the nominees has agreed to serve as a director if elected.

We have no reason to expect that any of the nominees will fail to be a candidate at our 2015 Annual Meeting of Shareholders and, therefore, do not have in mind any substitute or substitutes for any of the nominees. If any of the nominees should be unable to serve as a director, proxies will be voted for a substitute nominee or nominees in accordance with the best judgment of the person or persons acting under the proxies.

**Our Board of Directors recommends that you vote FOR the three Class II nominees for director. Unless authority for one or more of the nominees is withheld, proxies will be voted FOR the election of each of Messrs. Aldrich, Manning and Puishys as Class II directors for a three-year term expiring at our 2018 Annual Meeting of Shareholders.**

The nominees for election as directors and the directors whose terms of office will continue after the annual meeting have provided information about themselves in the following section. **Code of Business Ethics and Conduct**

Our Board of Directors has adopted our Code of Business Ethics and Conduct (our Code of Conduct), which is a statement of our high standards for ethical behavior and legal compliance. All of our employees and all members of our Board of Directors are required to comply with our Code of Conduct.

**Corporate Governance Guidelines**

Our Corporate Governance Guidelines outline the role, composition, qualifications, operation and other policies applicable to our Board of Directors and are revised as necessary to continue to reflect evolving corporate governance practices.

**Board Independence**

Under our Corporate Governance Guidelines, a substantial majority of the directors on our Board, and all members of our Audit, Compensation, and Nominating and Corporate Governance Committees must be independent. Each year, in accordance with NASDAQ rules, our Board of Directors affirmatively determines the independence of each director

and nominee for election as a director in accordance with guidelines it has adopted, which include all elements of independence set forth in the NASDAQ listing standards.

Our Nominating and Corporate Governance Committee reviewed the applicable legal standards for Board member and Board committee member independence and reported on its review to our Board of Directors. Based on this review, our Board of Directors has determined that the following non-employee directors are independent and have no material relationship with us except serving as a director and holding shares of our common stock: Bernard P. Aldrich, Jerome L. Davis, Sara L. Hays, John T. Manning, Robert J. Marzec, Donald A. Nolan, Richard V. Reynolds and David E. Weiss, as well as Stephen C. Mitchell, who retired from our Board of Directors effective as of our 2014 Annual Meeting of Shareholders. Our Board of Directors has determined that Joseph F. Puishys is not independent because he serves as our Chief Executive Officer and President.

## **Table of Contents**

### **Stock Ownership Guidelines for Non-Employee Directors**

Our Board of Directors believes that non-employee directors should have a significant equity interest in Apogee and established voluntary stock ownership guidelines for directors in 2002. The guidelines encourage share ownership by our directors in an amount having a market value of \$150,000 (three times the current annual Board retainer of \$50,000) to be achieved within five years of first being elected as a director. In calculating share ownership of our non-employee directors, we include shares of restricted stock issued pursuant to our Director Stock Plan and phantom stock units under our Director Deferred Compensation Plan, but do not include unexercised stock options. As of February 27, 2015, the last trading day of fiscal 2015, all our non-employee directors met our stock ownership guidelines.

### **Retirement Policy**

Our Board of Directors has established a policy that, unless otherwise approved by a majority of our directors, no individual who is over 72 years of age may be elected to serve as a director.

### **Procedures for Shareholder Recommendations or Nominations of Director Candidates**

Our Nominating and Corporate Governance Committee considers recommendations of director candidates. A shareholder who wishes to recommend a director candidate to our Board of Directors for nomination by our Board of Directors at our annual meeting or for vacancies on our Board of Directors that arise between meetings must provide our Nominating and Corporate Governance Committee with sufficient written documentation to permit a determination by our Board of Directors as to whether such candidate meets the required and desired director selection criteria set forth in our Corporate Governance Guidelines and the factors discussed on page 14 under the heading Criteria for Membership on Our Board of Directors. Such documentation and the name of the director candidate must be sent by U.S. mail to our Corporate Secretary at the address indicated on the Notice of Annual Meeting of Shareholders. Our Corporate Secretary will send properly submitted shareholder recommendations to the Chair of our Nominating and Corporate Governance Committee for consideration at a future committee meeting.

Alternatively, shareholders may directly nominate a person for election to our Board of Directors by complying with the procedures set forth in our Amended and Restated By-laws and the rules and regulations of the SEC. Our Amended and Restated By-laws are available on our website at [www.apog.com](http://www.apog.com) by clicking on Governance, then By-laws. Any shareholder nominations of director candidates for the 2016 election of directors should be submitted to our Corporate Secretary at the address indicated on the Notice of Annual Meeting of Shareholders no later than February 27, 2016.

Director candidates recommended by shareholders in compliance with these procedures and who meet the criteria outlined above will be evaluated by our Nominating and Corporate Governance Committee in the same manner as nominees proposed by other sources.

## **Table of Contents**

### **Criteria for Membership on Our Board of Directors**

Our Corporate Governance Guidelines outline our director qualification standards. Director candidates should possess the highest personal and professional ethics, integrity and values; be committed to representing the long-term interests of our stakeholders; have an inquisitive and objective perspective, practical wisdom and mature judgment; and be willing to challenge management in a constructive manner. Our Board of Directors strives for membership that is diverse in gender, ethnicity, age, geographic location, and business skills and experience at policy-making levels. In addition, director candidates must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serving on our Board of Directors for an extended period of time.

Our Nominating and Corporate Governance Committee's procedure for reviewing the qualifications of all nominees for membership on our Board of Directors includes making a preliminary assessment of each proposed nominee, based upon resume and biographical information, willingness to serve and other background information, business experience and leadership skills. All director candidates who continue in the process are then interviewed by members of our Nominating and Corporate Governance Committee and a majority of our other current directors. Our Nominating and Corporate Governance Committee makes recommendations to our Board of Directors for inclusion in the slate of director nominees at a meeting of shareholders, or for appointment by our Board of Directors to fill a vacancy. Prior to recommending a director to stand for re-election for another term, our Nominating and Corporate Governance Committee applies its director candidate selection criteria, including a director's past contributions to our Board of Directors, effectiveness as a director and desire to continue to serve as a director.

### **Director Election Vote Standard**

With respect to the election of directors, our Board of Directors has adopted a plurality plus standard. As provided in our Corporate Governance Guidelines, if a majority of our shares are designated to be withheld from a director nominee's election, then such nominee shall offer his or her resignation to our Nominating and Corporate Governance Committee for consideration. Our Nominating and Corporate Governance Committee will evaluate the best interests of Apogee and our shareholders, and recommend to our Board of Directors the action to be taken with respect to that director's offered resignation.

### **Board Meetings and 2014 Annual Meeting of Shareholders**

During fiscal 2015, our Board of Directors met four times and our non-employee directors met in executive session without our Chief Executive Officer or any other members of management being present four times. Each of our directors attended at least 75% of the regularly scheduled and special meetings of our Board of Directors and the Board committees on which he or she served that were held during the time he or she was a director during fiscal 2015.

All members of our Board of Directors are expected to attend our annual meetings of shareholders and all nine of the members of our Board of Directors attended our 2014 Annual Meeting of Shareholders.

### **Board Committee Responsibilities, Meetings and Membership**

We currently have three standing Board Committees: Audit, Compensation, and Nominating and Corporate Governance. Each Committee operates under a written charter which is available on our website at [www.apog.com](http://www.apog.com) ( Governance ).

### **Board Leadership Structure**

Our Board of Directors separated the roles of Chair of the Board and Chief Executive Officer. Mr. Aldrich has served in the capacity of Non-Executive Chair of our Board since January 2011. In this capacity, Mr. Aldrich has chaired the meetings of our Board of Directors and executive sessions of our independent directors. The Non-Executive Chair of our Board, in consultation with our Chief Executive Officer, establishes the agenda for each meeting of our Board of Directors.

### **Certain Relationships and Related Transactions**

We have established written policies and procedures (the Related Person Transaction Policy ) to assist us in reviewing transactions in excess of \$120,000 involving our Company and our subsidiaries and Related Persons ( Related Person Transactions ). A Related Person includes our Company's directors, director nominees, executive officers and beneficial owners of 5% or more of our Company's common stock and their respective Immediate Family Members (as defined in our Related Person Transaction Policy). Our Related Person Transaction Policy supplements our Code of Conduct Conflict of Interest Policy (the Conflict of Interest Policy ), which applies to all of our employees and directors.

Our Related Person Transaction Policy requires any Related Person Transaction to be promptly reported to the Chair of our Nominating and Corporate Governance Committee. In approving, ratifying or rejecting a Related Person Transaction, our Nominating and Corporate Governance Committee will consider such information as it deems important to determine if the Related Person Transaction is fair to our Company. Our Conflict of Interest Policy requires our employees and directors to report to our General Counsel any potential conflict of interest situations involving an employee or director, or their Immediate Family Members. During fiscal 2015, there were no Related Person Transactions.

## **NON-EMPLOYEE DIRECTOR COMPENSATION**

### **Non-Employee Director Compensation Arrangements During Fiscal 2015**

Our Board of Directors approves the compensation for members of our Board of Directors and Board Committees based on the recommendations of our Nominating and Corporate Governance Committee. We target compensation for service on our Board of Directors and Board committees generally at the median for board service at companies in our peer group of companies, using the same peer group used for executive compensation purposes described under the heading Peer Group on page 31. Generally, our Nominating and Corporate Governance Committee reviews and discusses the compensation data and analysis provided by management using a third-party compensation database. Our Chief Executive Officer participates in the discussions on compensation for members of our Board of Directors. Directors who are employees receive no additional compensation for serving on our Board of Directors.

**Table of Contents**

The following table describes the compensation arrangements with our non-employee directors during fiscal 2015.

<b>Compensation</b>	<b>Fiscal 2015</b>
Annual Cash Retainers:

Equity Grant	An annual time-based restricted stock award of 2,204 shares that vests over three years.
Charitable Matching Contributions Program for Non-Employee Directors	\$2,000 maximum aggregate annual match.

(1) We pay an annual cash retainer to our Non-Executive Chair of the Board and do not pay any other cash compensation to him for service on our Board of Directors.

(2) For fiscal 2016, we increased the annual retainer for the Chairs of our Compensation Committee and Nominating and Corporate Governance Committee by \$5,000 to \$25,000.

***Restricted Stock Awards***

Restricted stock awards to non-employee directors are issued pursuant to our Director Stock Plan. Each non-employee director receives a time-based restricted stock award on the date he or she is first elected to our Board and annually on the date of our annual meeting of shareholders if his or her term continues after such meeting. The number of shares of restricted stock subject to the award is determined by our Board of Directors, after recommendation by our Nominating and Corporate Governance Committee and in consideration of various factors, including market data and trends. We target the equity-based compensation received by non-employee directors at approximately the 50<sup>th</sup> percentile of our peer group of companies, using the same peer group of companies used for executive compensation purposes. The outstanding time-based restricted stock awards vest in three equal annual installments over the three-year vesting period. Upon issuance of the restricted stock, each holder is entitled to the rights of a shareholder, including the right to vote the shares of restricted stock and receive any cash dividends and any other distributions.

**Table of Contents*****Director Deferred Compensation Plan***

Our Director Deferred Compensation Plan was adopted by our Board of Directors to encourage our non-employee directors to increase their ownership of shares of our common stock, thereby aligning their interests in the long-term success of Apogee with that of our other shareholders. Under the plan, participants may elect to defer all or a portion of their annual cash retainer into deferred stock accounts. There is no Company match on amounts deferred by our non-employee directors under such plan. Each participating director receives a credit of shares of our common stock in an amount equal to the amount of annual cash retainer deferred divided by the fair market value of one share of our common stock as of the crediting date. These accounts also are credited, as of the crediting date, with an amount equal to the dividend paid on one share of our common stock multiplied by the number of shares credited to each account. Participating directors may elect to receive the amounts credited to their accounts at a fixed date, at age 70 or following death or retirement from our Board of Directors. The deferred amounts are paid out in the form of shares of our common stock (plus cash in lieu of fractional shares) either in a lump sum or in installments, at the participating director's election. This plan is an unfunded, book-entry, phantom stock unit plan, as no trust or other vehicle has been established to hold any shares of our common stock.

***Charitable Matching Contributions Program for Non-Employee Directors***

Under our Charitable Matching Contributions Program for Non-Employee Directors, we match cash or publicly-traded stock contributions made by our non-employee directors to charitable organizations that are exempt from federal income tax up to a maximum aggregate amount of \$2,000 per eligible non-employee director per calendar year.

At our Company's annual meeting of shareholders held on June 25, 2014, 96% of the votes cast on the Say on Pay Proposal were voted in favor of ratification of the proposal. The Committee will continue to take into account the outcome of our Company's Say on Pay Proposal when making future compensation decisions.

**Our Executive Compensation Program.** Total compensation includes a mix of short-term and long-term compensation and fixed and performance-based compensation.

Short-term compensation

- i Base salary (fixed)
- i Annual performance-based cash incentives (variable)

Long-term compensation

- i Time-based restricted stock award (variable)
- i Two-year cash-based performance awards on end-to-end cycles that are only earned upon achievement of certain two-year financial performance measures (variable).

**Highlights of Fiscal 2015 Compensation Actions.** The following highlights the Committee's key compensation decisions for fiscal 2015. These decisions were made after reviewing compensation data provided by the Committee's independent compensation consultant.

**Base Salaries.** In order to bring our Chief Executive Officer's base salary in line with competitive market practices, the Committee awarded a base salary increase of 14.9% to our Chief Executive Officer for fiscal 2015. The Committee also awarded base salary increases ranging from 2.5% to 4.5% to our Other Named Executive Officers for fiscal 2015. The fiscal 2015 base salary for our Chief Executive Officer was at the 55<sup>th</sup> percentile for chief executive officers in our Company's peer group, and the fiscal 2015 base salaries for our Other Named Executive Officers ranged from the 30<sup>th</sup> to 60<sup>th</sup> percentile for comparable positions in comparable markets.

**Annual Cash Incentives.** Our fiscal 2015 cash incentives paid out at an average of 178.67% of target. Our Chief Executive Officer earned an annual cash incentive equal to 194.80% of his fiscal 2015 base salary and our Other Named Executive Officers earned fiscal 2015 annual cash incentives ranging from 67.86% to 101.78% of their fiscal 2015 base salaries.

**Time-Based Restricted Stock Awards.** On April 29, 2014, the Committee awarded time-based restricted stock awards to our Named Executive Officers that vest over three years. Our Chief Executive Officer received an award valued at \$846,720 and our Other Named Executive Officers received awards with values ranging from \$64,758 to \$189,603.

**Fiscal 2015 – 2016 Cash-Based Performance Awards.** On April 29, 2014, the Committee awarded fiscal 2015 – 2016 cash-based performance awards to our Named Executive Officers. Our Chief Executive Officer received an award with a value of \$1,848,000 at target and our Other Named Executive Officers received awards with values ranging from \$194,229 to \$568,800 at target. These awards are end-to-end awards and will only be granted every other year. Our Company will not award additional two-year cash-based performance awards until completion of the current fiscal 2015 – 2016 award cycle.

**Chief Executive Officer Performance-Based Retention Incentive.** Taking into consideration the significant improvement in financial and operational performance of our Company since Mr. Puishys joined our Company as Chief Executive Officer on August 22, 2011, the Committee and our Board of Directors determined that it would be in the best interests of the Company and its shareholders to provide performance-based financial incentives for Mr. Puishys to remain with our Company until his retirement. On June 25, 2014, our Board, upon recommendation of the Committee, granted our Chief Executive Officer a long-term performance-based retention incentive that provides him with the opportunity to earn two cash retention incentives, both of which, if earned, will be deferred pursuant to our Deferred Compensation Plan and will be forfeited unless our Chief Executive Officer remains employed by our Company for at least an additional five years. The fiscal 2015 CEO evaluation-based retention incentive provides our Chief Executive Officer the opportunity to earn \$192,500 if our Board of Directors determines he has met or exceeded his fiscal 2015 individual business goals. The fiscal 2015 – 2016 CEO performance-based retention incentive provides our Chief Executive Officer the opportunity to earn \$385,000 at target if our Company

meets certain objective financial performance goals during the two-year performance period.

**Table of Contents*****Overview of Primary Compensation Elements***

The table below provides an overview of the three primary compensation elements used in our executive compensation program.

<b>Compensation</b>			<b>How Impacted by</b>	
<b>Element</b>	<b>Objective</b>	<b>How Determined</b>	<b>Market Positioning<sup>(1)</sup></b>	<b>Performance</b>
Base Salary	Attract and retain executives by offering pay programs that are competitive with the market.	Annual subjective assessment of executive leadership and individual performance, experience, tenure, competitive market data, internal equity among positions with similar responsibilities, and executive potential.	Targeted to be around the 50 <sup>th</sup> percentile relative to competitive market practices.	Based on individual performance.
Annual Cash Incentive Compensation	Create an incentive for achievement of pre-defined annual Company performance results.	For target bonus award opportunity percentages competitive market data and trends and internal equity among positions with similar responsibilities.  For actual bonus payouts performance against pre-established criteria in our annual cash incentive plan.	Target level performance results in target total cash compensation (base salary plus annual cash incentive compensation) that is generally slightly below the 50 <sup>th</sup> percentile.  Above target performance results in maximum total cash compensation that is generally slightly above the 50 <sup>th</sup> percentile.  Below target performance results in threshold total cash	Payout dependent on achievement of one-year Company financial performance goals.

compensation that is generally at or below the 25<sup>th</sup> percentile.

Long-Term Incentive Compensation:	Align the interests of executives with shareholders and to focus on long-term sustained performance.	Company performance, annual subjective assessment of achievement of individual business objectives, market data and trends, internal equity among positions with similar responsibilities and executive potential.	Targeted generally to be at or slightly above the 50 <sup>th</sup> percentile for target performance and up to the 75 <sup>th</sup> percentile for maximum performance.	Performance that increases our stock price increases the value of the time-based restricted stock awards.
Time-Based Restricted Stock and				
Cash-Based Performance Awards	Create appropriate retention incentives.			Payout of cash-based performance awards is dependent on achievement of two-year Company financial performance goals.

- (1) Actual pay levels may be above or below the targeted level depending on all of the factors outlined in the How Determined column of the table.

### ***Compensation Process***

Our compensation program is evaluated annually taking into consideration changes to our business strategy, the economy and our competitive marketplace.

Annually, during the first quarter of the fiscal year, the performance of each of our Named Executive Officers is evaluated based on a subjective assessment of (i) his or her executive leadership; and (ii) achievement of agreed-upon individual business objectives for the just-completed fiscal year. The annual performance evaluation of our Chief Executive Officer is administered by our Nominating and Corporate Governance Committee, with all non-employee directors participating in the performance evaluation, and the results of the Chief Executive Officer's annual performance evaluation are reviewed by the Committee and our full Board. Our Chief Executive Officer conducts or participates in the annual performance evaluation of our Other Named Executive Officers and reviews the results with members of the Committee.

In establishing the elements and levels of compensation for a fiscal year, the Committee considers the annual performance evaluations of our Named Executive Officers and reviews its compensation consultant's independent analyses of compensation for our Named Executive Officers and other executive officers based on comparable positions, using both published survey sources and company peer group data to determine our competitive positioning relative to the markets where we recruit. Our Chief Executive Officer makes recommendations to the Committee on compensation for our Other Named Executive Officers, but does not participate in the determination of his own compensation.

The Committee generally makes decisions with respect to base salary, annual cash incentive compensation and long-term incentive compensation, including the annual time-based restricted stock awards, at its regularly scheduled meeting held during our Company's first quarter of each fiscal year. The exact date of such meeting is generally established by the Committee more than a year in advance of the meeting. Base salary increases are generally effective in May of each year.

The Committee reviews a compensation tally sheet, which lists total direct compensation (base salary, annual cash incentive compensation and long-term incentive awards), perquisites, other elements of executive compensation, broad-based employee benefits and wealth accumulation through Company equity and retirement plans for our Named Executive Officers. The compensation tally sheet is reviewed annually to understand the total remuneration for our Named Executive Officers but the compensation tally sheets are not used to make actual pay decisions. The Committee assesses historical pay and performance to ensure continued alignment of our compensation programs. However, the Committee generally does not consider compensation earned in prior years in establishing the elements and levels of compensation for a Named Executive Officer in the current fiscal year.

### ***Consulting Assistance, Peer Group and Competitive Market***

**Compensation Consultant Independence.** In fiscal 2015, the Committee retained the services of Pearl Meyer & Partners (PM&P) to assist with the review of overall compensation for our executive officers. PM&P reports directly to the Committee, and the Committee can replace PM&P or hire additional consultants at any time. During fiscal 2015, PM&P attended four Committee meetings in person or by telephone, including executive sessions as requested, and consulted with the Chair of the Committee between meetings.

As required under the Dodd-Frank Act, the Committee has analyzed whether the work of PM&P as its compensation consultant raises any conflict of interest, taking into consideration the following factors under this rule: (i) PM&P does not provide any other services to our Company; (ii) the amount of fees from our Company paid to PM&P is less

than 1% of PM&P's total revenue; (iii) PM&P's policies and procedures were designed to ensure independence; (iv) PM&P does not have any business or personal relationship with an executive officer of our Company or any member of the Committee; and (v) neither PM&P, nor any member of its consulting team, owns any stock of our Company. The Committee has determined, based on its analysis of the above factors, that PM&P is independent of our Company and the work of PM&P (and the individual compensation advisors employed by PM&P) as compensation consultant to the Committee has not created any conflict of interest. The Committee will continue to monitor the independence of its compensation consultant on an annual basis.

**Table of Contents**

**Peer Group.** The selection criteria identified for determining and reviewing our Company's peer group generally include:

Companies with revenue within a similar range (0.33 to 3.0 multiple).

Companies with market capitalization within a similar range (0.33 to 3.0 multiple).

Companies with market capitalization to revenue ratio of greater than 0.5.

Companies in the same or similar industries.

Companies with business model similarity, which may include the following:

- i Coatings for special purposes (*e.g.*, protective, UV, etc.);
- i Construction materials, primarily for commercial or industrial application;
- i Specialized/customized product lines;
- i Heavy-duty manufacturing operations and project-directed manufacturing;
- i Project-based businesses;
- i Green product or service initiatives; and
- i Revenues generated primarily in the United States (greater than 60%).

Companies in the same geographic location (to a lesser degree).

Companies included in the prior-year peer group, to help ensure year-over-year consistency (where appropriate).

Using the selection criteria outlined above, the Committee, with the assistance of its independent compensation consultant, identified a peer group consisting of the 15 companies listed below. Each company selected met at least

three of the selection criteria. During the third quarter of fiscal 2015, the Committee reevaluated and confirmed this 15-company peer group remains appropriate for compensation purposes for fiscal 2016.

Aegion Corp.	Graco Inc.
Azz incorporated	Griffon Corporation
CLARCOR, Inc.	Lydall, Inc.
Columbus McKinnon Corporation	NCI Building Systems, Inc.
Daktronics, Inc.	Quaker Chemical Corporation
Eagle Materials Inc.	Quanex Building Products Corporation
EnPro Industries, Inc.	Tennant Company
H.B. Fuller Company	

**Competitive Market.** The Committee relies on its independent compensation consultant to help define the appropriate competitive market using a combination of peer group companies and compensation surveys. The information on the competitive market is used by the Committee:

As an input in designing our compensation plans and philosophy;

As an input in developing base salary adjustments, annual cash incentive targets and long-term incentive ranges;

To benchmark the form and mix of long-term awards;

To assess the competitiveness of total direct compensation awarded to our Named Executive Officers and certain of our other executives; and

To benchmark overhang levels (dilutive impact on our shareholders of equity compensation) and annual burn rate (the aggregate shares awarded as a percentage of total outstanding shares).

***Fiscal 2015 Individual Compensation Actions***

**Fiscal 2015 Annual Performance Evaluations.** The performance during fiscal 2015 of each of our Named Executive Officers was evaluated based on a subjective assessment of (i) his or her executive leadership; and (ii) achievement against his or her individual business objectives for fiscal 2015. Below is certain information regarding each Named Executive Officer's individual business objectives for fiscal 2015 and accomplishments against those objectives.

**Mr. Puishys.** Mr. Puishys' individual business objectives for fiscal 2015 were based on financial performance, a portfolio review and commercial building retrofit initiative. During fiscal 2015, our Company exceeded its fiscal 2015 operating plan with revenue growth of 21%, adjusted earnings per share growth of 58% (excluding the \$0.22 per share impact of a tax credit), and return on invested capital improvement of 280 basis points. All four of our segments had top and bottom line growth. In addition, Mr. Puishys led a continued emphasis on Lean initiatives that we estimate contributed approximately 75 basis points of margin expansion during fiscal 2015. During fiscal 2015, our Company made capital investments to increase capacity and improve product development capabilities to position our Company for continued growth in fiscal 2016 and beyond. Also, during fiscal 2015, Mr. Puishys led a comprehensive analysis of future growth opportunities for our three Architectural segments and provided support for our commercial building retrofit initiative that led to a significant increase in commercial building retrofit sales and development of an increased pipeline of future sales opportunities. We believe increasing the participation of our Architectural segment companies in the commercial building retrofit sector will make those segments less dependent on the cyclical new construction industry.

**Mr. Porter.** Mr. Porter's individual business objectives for fiscal 2015 were based on financial and operational performance, strategy and business development initiatives, and our commercial building retrofit initiative. During fiscal 2015, our revenues, earnings, cash flow and return on invested capital exceeded our fiscal 2015 operating plan with all four segments growing sales and earnings. During fiscal 2015, our Company improved operating margin by 160 basis points and return on invested capital by 280 basis points. Mr. Porter successfully led our strategy and business development efforts to increase geographic expansion within the U.S. for our Architectural segments and in Europe for our Large-Scale Optical segment and provided support to integrate and capture synergies from our Canadian storefront and entrance system company acquired during the third quarter of fiscal 2014. During fiscal 2015, Mr. Porter also led efforts to expand resources for commercial building retrofit sales, growing commercial building retrofit orders and developing a pipeline for commercial building retrofit opportunities.

**Ms. Beithon.** Ms. Beithon's individual business objectives for fiscal 2015 were based on compliance, corporate governance, litigation and claim management, and support for growth initiatives. During fiscal 2015, Ms. Beithon continued to lead our corporate governance initiatives; provided legal support of the integration of our Canadian storefront and entrance system company acquired during the third quarter of fiscal 2014; managed successful resolution of various claims and litigation matters; provided legal support for growth initiatives, including trademark and patent prosecution; and took various actions to strengthen our Company's legal and compliance systems.

Mr. Klein. Mr. Klein's individual business objectives for fiscal 2015 were based on cost productivity savings, continuous improvement and Lean initiatives, supply chain and procurement initiatives and safety. During fiscal 2015, Mr. Klein led cost productivity initiatives that resulted in estimated savings of \$13.2 million, exceeding our fiscal 2015 goal by 21% and led safety initiatives that resulted in our Company having a low accident injury rate for its industries and meeting our Company's fiscal 2015 safety goals. Mr. Klein also successfully introduced Lean initiatives in manufacturing operations, including maintenance, warehouse and shipping and receiving functions, and introduced new Lean tools at all business units. In addition, Mr. Klein implemented a supplier risk management system for key suppliers and led purchasing initiatives that resulted in over \$1.0 million in purchasing savings.

**Mr. Johnson.** Mr. Johnson's individual business objectives for fiscal 2015 were based on credit facility management, tax planning, enterprise risk management, real estate portfolio management and working capital management. During fiscal 2015, Mr. Johnson successfully negotiated an extension to our revolving credit facility, increasing the facility from \$100 million to \$125 million, extending the term to December 2019, removing the security interest provisions and improving other terms and conditions. He also worked to ensure the installation of our new state-of-the-art glass coater at our Minnesota architectural glass fabrication facility was completed on schedule, in order to earn a tax credit that had a \$0.22 per share impact. Mr. Johnson also led improvements in our enterprise risk management process and successful annual insurance renewal. He also led efforts to secure state and local incentives of approximately \$3 million in connection with facility and equipment investments and effectively managed working capital, resulting in days working capital of only 50.8 days despite significant revenue growth during the year.

**Base Salary.** Base salary reflects a fixed portion of the overall compensation package and is the base amount from which other compensation elements are determined, such as target annual cash incentive opportunities, long-term incentive compensation award opportunities, certain benefits and 401(k) Retirement Plan savings opportunities. Because base salary is used to determine the amount of certain other elements of compensation, the Committee is careful when setting appropriate base salaries.

In making salary adjustments, the Committee considers the executive's base salary relative to the market, our compensation philosophy and other factors, such as individual performance against business plans, leadership, initiatives, experience, knowledge and job criticality. After discussing these items, the Committee determined it was appropriate to provide merit increases to all of our Named Executive Officers.

Below is information on the base salaries of our Named Executive Officers for fiscal 2015 and fiscal 2016.

**Annual Cash Incentive Compensation.** Annual cash incentive awards are designed to reward short-term performance results. These results are based on achievement relative to objective financial goals set forth in the annual operating plan approved by our Board of Directors. For fiscal 2015, annual cash incentive awards to our Named Executive Officers were made pursuant to our shareholder-approved Apogee Enterprises, Inc. 2012 Executive Management Incentive Plan (the "Executive MIP"), as described below.

**Executive MIP.** Our Executive MIP was adopted to ensure the tax deductibility of the annual cash incentive compensation that may be earned by our Named Executive Officers. Our Executive MIP is designed to be an annual bonus pool plan. Each fiscal year, the Committee establishes a bonus pool equal to a percentage of one or more performance factors from a list of approved factors set forth in our Executive MIP. Our Company must meet or exceed

the selected performance factor in order for a bonus pool to be funded to allow for any actual payout under the plan.

**Table of Contents**

Each fiscal year, the Committee selects the executives of our Company who will participate in our Executive MIP for that year and assigns a percentage of the bonus pool to each participating executive, with the total percentage not to exceed 100% of the bonus pool for any given fiscal year. The percentage of the bonus pool assigned to each participating executive establishes the maximum annual cash incentive award payout for that individual participant for the current fiscal year; however, no one individual payout can exceed \$3,000,000 in any given fiscal year.

The actual annual cash incentive awards to be paid to participants after the annual bonus pool has been established may be adjusted downward based on the achievement of one or more additional predetermined, objective performance goals based on the annual operating plan approved by our Board of Directors. At least one of the additional predetermined, objective performance goals must be met at the threshold level in order for any annual cash incentive to be paid to an executive. In addition, if our Company is not profitable, no annual cash incentives will be paid even if the other goals are at or above threshold.

Generally, if the threshold performance level for all performance goals is achieved, 50% or less of the target award will be earned; if target performance level for all performance goals is achieved, 100% of the target award will be earned; and if maximum performance level for all performance goals is achieved, 200% of the target award will be earned. If the threshold performance level for only one performance goal is achieved and the threshold performance is not achieved for any of the other performance goals, less than 50% of the target award will be earned based on the weighting allocated to that specific performance goal. For any performance between these levels, awards will be interpolated. The Committee has the discretion to further reduce payouts under our Executive MIP as appropriate.

***Fiscal 2015 Annual Cash Incentive Payouts.*** The performance factor used to establish the fiscal 2015 bonus pool under our Executive MIP was 5% of Apogee operating income. In fiscal 2015, we had operating income of \$63.6 million, generating a bonus pool of \$3.2 million. The performance goals used to determine actual payouts for fiscal 2015 annual cash incentive awards made pursuant to our Executive MIP for our Named Executive Officers were a combination of Apogee net sales, earnings before taxes ( EBT ) and days working capital.

The tables below set forth certain information with respect to the fiscal 2015 annual cash incentive award payout ranges as a percentage of fiscal 2015 salary for our Named Executive Officers.

- (1) The individual approved payout amount for each of our Named Executive Officers is less than the maximum allocation of the bonus pool under our Executive MIP for such individual. Therefore, all approved payout amounts for our Named Executive Officers are fully deductible under Section 162(m) of the U.S. Internal Revenue Code of 1986.

**Long-Term Incentive Compensation.** We utilize two instruments to deliver long-term incentive compensation. The mix of long-term incentive instruments is determined annually by the Committee. Commencing in fiscal 2013, the mix of long-term incentive compensation for our Named Executive Officers was time-based restricted stock awards and two-year cash-based performance awards, which are issued only in the first year of the two-year performance cycle (granted every other year).

**Table of Contents**

**Time-Based Restricted Stock Awards.** Each year, the Committee determines a fixed dollar value of the time-based restricted stock award for each executive for the just-completed fiscal year. The Committee begins its deliberations with a targeted fixed dollar value, as a percentage of base salary, which is compared to competitive levels of long-term incentives for comparable positions in the competitive market, based on data provided by the Committee's independent compensation consultant. The Committee determines a final fixed dollar value for each of our Named Executive Officers after considering the subjective evaluation of each of our Named Executive Officers' performance against his or her individual business objectives for the just-completed fiscal year. The time-based restricted stock awards will generally vest in three equal annual installments commencing on the first anniversary date of the award. Upon issuance of the restricted stock, each holder is entitled to the rights of a shareholder, including the right to vote the shares of restricted stock and receive any dividends and any other distributions.

The Committee determined that Messrs. Puishys, Porter, Klein and Johnson and Ms. Beithon had substantially met his or her individual business objectives for fiscal 2014 and awarded our Named Executive Officers time-based restricted stock on April 29, 2014 as set forth below.

**Fiscal 2015 Restricted Stock Awards**

<b>Name</b>	<b>Time-Based Restricted Stock Awarded (#)</b>	<b>Value of Award (\$)<sup>(1)</sup></b>	<b>Percentage of Fiscal 2015 Salary (%)</b>	<b>Grant Price (\$)</b>

Gary R. Johnson <sup>(6)</sup>	2,065	64,758	30	31.36

- (1) The value of the award was calculated by multiplying the number of shares of restricted stock by \$31.36, the closing price of our common stock on the NASDAQ Global Select Market on April 29, 2014, the date of grant.
- (2) Mr. Puishys' individual business objectives for fiscal 2014 were based on: financial performance, geographic expansion, inorganic growth, commercial building retrofit initiative and new product introductions.
- (3) Mr. Porter's individual business objectives for fiscal 2014 were based on financial and operational performance, strategy and business development initiatives, commercial building retrofit initiative and organizational development.

**Two-Year Cash-Based Performance Awards.** In fiscal 2013, our Company introduced two-year cash-based performance awards, replacing three-year stock-based performance share unit awards. The Committee believes that two-year cash-based performance awards provide incentive to focus executives on achievement of specific two-year financial performance goals that are aligned with business fundamentals and are better instruments for delivering long-term incentive compensation than equity-based awards, as cash-based awards are not dilutive to our shareholders. The cash-based performance awards are designed to reward sustainable, profitable growth consistent with our strategic plan.

The two-year cash-based performance awards are end-to-end awards, have two-year performance periods and pay out in two equal annual installments after completion of the performance period. Generally, cash-based performance awards are made in the first quarter of the first fiscal year of the two-year performance period. The two-year performance periods do not overlap, therefore a grant of this award is made every other year.

The Committee believes that a two-year performance cycle provides the necessary line of sight to set realistic targets aligned with our Company's objectives. Non-overlapping cycles avoid the potential confusion associated with using different targets on the same metric or different metrics in the same year. The earned award is paid out in two equal installments, with 50% of the earned award paid in the first quarter of the year following completion of the performance cycle and the remaining 50% paid one year later (approximately three years after commencement of the performance cycle), with each payment contingent on the executive being employed by our Company on the date the payment is made. The Committee believes this deferred payment of the earned award promotes retention.

**Two-Year Cash-Based Performance Awards and Payout Cycle**

The Committee determines the dollar value of cash-based performance awards granted to each participating executive at the target performance level based on consideration of individual performance, our Company performance, market data and trends, internal equity, executive potential and input from our Chief Executive Officer with respect to our Other Named Executive Officers and other participating executives. The dollar value at the threshold performance level is determined as a percentage of base salary. Generally, if the threshold performance level for all performance goals is achieved, 50% or less of the target award will be earned; if target performance for all performance goals is achieved, 100% of the target award will be earned; and if maximum performance level for all performance goals is achieved, 200% of the target award will be earned. If threshold performance level for only one performance goal is achieved and the threshold performance is not achieved for any of the other performance goals, less than 50% of the target award will be earned based on the weighting allocated for that specific performance goal. For any performance between these levels, awards will be interpolated.

On April 29, 2014, after completion of the fiscal 2014 audit, the Committee determined the amount earned for the fiscal 2013 – 2014 cash-based performance awards, and the first and second installments of such awards were paid on May 2, 2014 and March 13, 2015, respectively. The payouts of the fiscal 2013 – 2014 cash-based performance awards were reported in our 2014 proxy statement.

**Table of Contents**

On April 29, 2014, the Committee established the fiscal 2015 – 2016 cash-based performance awards. The Committee determined the dollar value for the fiscal 2015 – 2016 cash-based performance awards as a percentage of fiscal 2015 base salary at the threshold, target and maximum award levels for each of our Named Executive Officers. The determination of the amounts earned, if any, of the fiscal 2015 – 2016 cash-based performance awards will not be made until the first quarter of fiscal 2017, after completion of the fiscal 2016 audit.

The table below sets forth certain information with respect to our fiscal 2015 – 2016 cash-based performance awards potential payout amounts at threshold, target and maximum performance and as a percentage of base salary.

**Fiscal 2015 – 2016 Cash-Based Performance Award Payout Ranges**

Gary R. Johnson	2015	2016	32,372	15	194,229	90	388,458	180

(1) Assumes threshold performance level is achieved for only one of the performance goals and is not achieved for any other performance goals. If actual results are below threshold performance level for all performance goals, the payout will be zero.

(2) Assumes target performance level is achieved for all performance goals.

(3) Assumes maximum performance level is achieved or exceeded for all performance goals.

**Chief Executive Officer Performance-Based Retention Incentive.** Taking into consideration the significant improvement in financial and operational performance of our Company since Mr. Puishys joined our Company as Chief Executive Officer on August 22, 2011, the Committee and our Board of Directors determined that it would be in the best interests of the Company and its shareholders to provide performance-based financial incentives for Mr. Puishys to remain with our Company until his retirement to continue to drive growth, operational improvement and successful implementation of our Company's strategic plan. As a result, on June 25, 2014, our Board of Directors, upon the recommendation of the Committee, granted Mr. Puishys the opportunity to earn two performance-based cash retention incentives: a one-year, evaluation-based retention incentive (the fiscal 2015 CEO evaluation-based retention

incentive ) and a two-year, performance-based retention incentive (the fiscal 2015 2016 CEO performance-based retention incentive ). Our Board may provide additional retention incentives to Mr. Puishys in the future.

Any amounts earned pursuant to the fiscal 2015 CEO evaluation-based retention incentive or fiscal 2015 2016 CEO performance-based retention incentive will be deferred into our Deferred Compensation Plan and will be forfeited unless our Chief Executive Officer remains employed by our Company until April 28, 2019 (the Retention Period ), in our fiscal 2020. In the event Mr. Puishys employment is terminated prior to the end of the Retention Period, the amount deferred will be immediately and irrevocably forfeited. In the case of death, disability or retirement, Mr. Puishys, or his estate, as applicable, will receive a pro-rata portion of the incentives. In the case of a change-in-control, as defined in the incentive agreements, the incentives will be adjusted by the Committee in its sole discretion. The incentives are subject to our Company s clawback policy. The terms of Mr. Puishys performance-based retention incentives were previously disclosed in our Current Report on Form 8-K filed with the SEC on July 1, 2014.

**Table of Contents**

**Fiscal 2015 CEO Evaluation-Based Retention Incentive.** This retention incentive is a one-year, evaluation-based, cash incentive under our Executive MIP. The amount of incentive earned, if any, will be based upon Mr. Puishys achievement against his fiscal 2015 individual business objectives, as determined by our Board of Directors in the annual performance evaluation completed by all non-employee directors. Our Chief Executive Officer's performance criteria for fiscal 2015 are based upon our Company achieving certain financial performance levels, a portfolio review and growth of our Company's commercial building retrofit initiative.

If our Board of Directors determines that Mr. Puishys has met or exceeded his individual business objectives, he will earn a retention incentive of \$192,500, which will then be deferred pursuant to our Deferred Compensation Plan. There is no threshold performance level for such retention incentive and the Compensation Committee may determine, in its sole discretion, to reduce the amount of incentive earned or to not award any incentive, depending upon actual performance achieved.

On April 30, 2015, our Board of Directors determined that Mr. Puishys exceeded his fiscal 2015 individual business objectives and awarded our Chief Executive Officer \$192,500, which was deferred pursuant to our Deferred Compensation Plan.

**Fiscal 2015 – 2016 CEO Performance-Based Retention Incentive.** This retention incentive is a two-year, performance-based, cash retention incentive under our Stock Incentive Plan. The amount of the incentive is based on the extent to which the threshold, target and maximum performance level of the performance goals are achieved. The amount earned, if any, will then be deferred into our Deferred Compensation Plan. The performance goals for the fiscal 2015 – 2016 CEO performance-based retention incentive are the same performance goals as the fiscal 2015 – 2016 cash-based performance awards. The fiscal 2015 – 2016 CEO performance-based retention incentive is an end-to-end award and the Committee does not intend to award another two-year CEO performance-based retention incentive until completion of the fiscal 2015 – 2016 performance period.

The table below sets forth certain information with respect to the fiscal 2015 – 2016 CEO performance-based retention incentive potential payout ranges at threshold, target and maximum performance.

**Fiscal 2015 – 2016 CEO Performance-Based Retention Incentive Payout Ranges**

<b>Performance Goal</b>	<b>Threshold<sup>(1)</sup></b>	<b>Target<sup>(2)</sup></b>	<b>Maximum<sup>(3)</sup></b>
Award Amount	\$64,167	\$385,000	\$770,000
Percentage of Fiscal 2015 Salary	8%	50%	100%

(1) Assumes threshold performance level is achieved for only one of the performance goals and is not achieved for any other performance goals. If actual results are below threshold performance level for all performance goals, the payout will be zero.

(2) Assumes target performance level is achieved for all performance goals.

(3) Assumes maximum performance level is achieved or exceeded for all performance goals.

**Other Benefit Programs.** Executive officers, including our Named Executive Officers, are eligible to participate in our current benefit plans listed below.

Deferred Compensation Plans. Our executive officers may participate in voluntary non-qualified deferred compensation plans that allow participants to defer compensation to assist in saving for retirement and certain short-term needs. These plans are described under the headings “Deferred Compensation Plan” and “Legacy Deferred Compensation Plan” on page 51.

---

**Table of Contents**

Legacy Supplemental Executive Retirement Plan. Prior to fiscal 2009, we provided a non-qualified defined benefit retirement compensation plan to certain executive officers. This legacy plan was frozen in October 2008. Only two current employees are participants. Our Chief Executive Officer does not participate in this plan. This plan is described under the heading Legacy Officers Supplemental Executive Retirement Plan on page 50.

401(k) Retirement Plan. Executive officers may participate on the same terms as all other employees in our 401(k) Retirement Plan, which is described under the heading 401(k) Retirement Plan on page 51.

Employee Stock Purchase Plan. Executive officers may participate on the same terms as all other employees in our Employee Stock Purchase Plan, which allows participants to purchase shares of our Company's common stock by contributing up to \$500 per week, with our Company contributing an amount equal to 15% of the participant's weekly contributions.

Health and Welfare Benefits. Executive officers also receive the same health and welfare benefits as those offered to all other full-time employees, with the exception that we offer enhanced long-term disability benefits to our executive officers.

Change-in-Control Program. Our Company has entered into change-in-control severance agreements with each of our Named Executive Officers. The Committee does not consider specific amounts payable under these arrangements when establishing annual compensation. See Change-in-Control Severance Agreements on page 54 and Executive Benefits and Payments Upon Termination and Change-in-Control on page 55 for more information on these arrangements.

Perquisites. Generally, the only perquisites we make available to our Named Executive Officers are reimbursement of financial and estate planning fees of up to \$2,000 annually, enhanced long-term disability benefits, payment of relocation expenses and reimbursement of spousal travel expenses for certain Company events. We also provide reimbursement of annual executive health physical costs to our Chief Executive Officer.

***Executive Stock Ownership Guidelines***

Stock ownership guidelines for executives have been in place since 2001. The Committee monitors compliance with our stock ownership guidelines annually. Each executive has five years from the date he or she becomes subject to the stock ownership guidelines to meet his or her ownership guideline. If an executive is promoted and the target is increased, an additional three-year period is provided to meet the ownership guideline. For purposes of calculating stock ownership, we include unvested shares of restricted stock.

The table below sets forth certain information on our Named Executive Officers' compliance with our stock ownership guidelines.

***Hedging Policy***

Our Board of Directors believes that the interests of our executive officers and employees and members of our Board of Directors should be aligned with the interests of our shareholders. As a result, we have adopted a hedging policy that prohibits all employees and members of our Board of Directors from engaging in the purchase or sale of financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds) that are designed to hedge or offset any decrease in the market value of our Company's securities.

***Clawback Policy***

Our Board of Directors has adopted a policy regarding clawbacks of Named Executive Officer and other key executives' performance-based short-term and long-term incentive compensation awards made on or after March 3, 2014. The policy provides the Board the discretion to clawback incentive compensation awarded or paid during the three-year period preceding the date of a restatement of the Company's financial statements due to material noncompliance with any financial reporting requirement under the U.S. federal securities laws.

***Section 162(m) Policy***

Under Section 162(m) of the U.S. Internal Revenue Code of 1986, we must meet specified requirements related to our performance and must obtain shareholder approval of certain compensation arrangements in order for us to fully deduct compensation in excess of \$1,000,000 paid to any of our Named Executive Officers, excluding our Chief Financial Officer. Our Executive MIP was approved by our shareholders in 2012 and includes specific performance criteria; therefore, annual incentive awards granted under our Executive MIP are deemed to meet the requirements of Section 162(m) and are not included in the \$1,000,000 cap.

Our Amended and Restated 2002 Omnibus Stock Incentive Plan (the "2002 Omnibus Stock Incentive Plan"), and our Stock Incentive Plan have been approved by our shareholders. Therefore, compensation attributable to certain equity awards and other awards granted under those plans may be excluded from the \$1,000,000 cap under Section 162(m) as well. Additionally, cash compensation voluntarily deferred by our executive officers under our Deferred Compensation Plan and Legacy Deferred Compensation Plan is not subject to the Section 162(m) cap until the year paid. Compensation paid in fiscal 2015 subject to the Section 162(m) cap is not expected to exceed \$1,000,000 for any of our Named Executive Officers other than Mr. Puishys, whose compensation exceeded the \$1,000,000 cap by \$1,423,768, primarily due to the vesting of shares of a one-time, new hire time-based restricted stock award that vests over a five-year period beginning on August 22, 2011.

The Committee intends to continue its practice of paying competitive compensation consistent with our philosophy to attract, motivate and retain executive officers to manage our business in the best interests of our shareholders. As a result, the Committee may choose to provide non-deductible compensation to our executive officers if it deems such compensation to be in the best interests of our Company and shareholders.

**Compensation Risk Analysis**

During fiscal 2015, the Committee, with the assistance of its independent compensation consultant, and management, assessed risk in our compensation plans, practices and policies, and all fiscal 2015 incentive compensation plans. In performing this risk assessment, the Committee considered: the mix of fixed and variable compensation; the mix of short-term and long-term incentive compensation; the retention awards to our Chief Executive Officer; the extent to which performance metrics are directly reflected in our audited financial statements or other objective reports; the relative weighting of the performance metrics; and the likelihood that achievement of performance metrics could have a material impact on our financial performance in succeeding fiscal periods. In addition, the Committee considered various compensation risk control mitigation features in our compensation plans, including balanced financial performance metrics, revenue, earnings and operational metrics; multiple financial performance metrics for our annual cash incentive and long-term cash-based incentive plans; different financial performance metrics for our annual cash incentive and long-term cash-based incentive plans; appropriate maximum caps on our annual cash incentive and long-term cash-based incentive plans; management stock ownership guidelines; and clawback and hedging policies. The Committee annually assesses the risk of our compensation programs, policies and practices. The Committee does not believe any of our Company's compensation programs create risks that are reasonably likely to have a material adverse effect on our Company.

Amounts shown in the **Threshold** column assume threshold performance level is achieved for only the performance goal with the lowest weighting and is not achieved for any other performance goals. Amounts shown in the **Target** and **Maximum** columns assume target and maximum performance levels, respectively, are achieved for all performance goals. - (2) For our Named Executive Officers, these time-based restricted stock awards were based on performance during fiscal 2014 and vest in equal annual installments on the first three anniversaries of the grant date. Dividends or other distributions (whether cash, stock or otherwise) with respect to the shares of time-based restricted stock will be paid during the vesting period. In the event of total disability or death prior to the end of the vesting period, the shares of time-based restricted stock will be distributed at the end of the vesting period to the participant, or in the event of death, to his or her estate. Our time-based restricted stock program is described under **Time-Based Restricted Stock Awards** on page 36.
- (3) The fair value of the restricted stock awards was calculated by multiplying the number of shares of our common stock by \$31.36, the closing price of our common stock on the NASDAQ Global Select Market on April 29, 2014, the date of the grant.
- (4) There is no threshold performance level for the fiscal 2015 CEO evaluation-based retention incentive.

**Table of Contents****Retirement Plan Compensation*****Legacy Officers Supplemental Executive Retirement Plan***

Our Legacy Officers Supplemental Executive Retirement Plan ( Legacy SERP ) is a non-qualified, defined benefit retirement plan in which only six current or former members of senior management participate, including Ms. Beithon, who is our only Named Executive Officer who is a participant in the plan. Our Legacy SERP was amended in October 2008 so that no benefits will accrue to participants after December 31, 2008.

Benefits under our Legacy SERP are based on a participant's highest average compensation for the five highest consecutive, completed calendar years of annual compensation during the last 10 years of employment. For purposes of calculating Legacy SERP benefits, compensation is divided into two categories: base salary and bonus compensation. Bonus compensation is the participant's annual cash incentive compensation but does not include equity or deferred compensation (when received).

Benefits under our Legacy SERP are calculated as an annuity equal to a participant's years of service to our Company multiplied by the sum of 2% of their average monthly base salary and 4% of their average monthly bonus compensation, offset by benefits to be received under social security, our 401(k) Retirement Plan and our other defined contribution pension plans from contributions made by our Company. The maximum number of years of service that will be credited to any participant is 20 years. Benefits payable are generally a single life annuity unless the participant has made an election to receive a joint and survivor annuity or 10-year term certain and life annuity (both of which would be a reduced monthly benefit). A lump-sum payment is not available.

Under our Legacy SERP, the normal retirement age is 65 and a participant must be at least 55 years old to be eligible for benefits. If a participant retires from or terminates his or her employment with our Company on or after age 55 and elects to receive benefits prior to age 65, the participant's monthly benefit will be reduced five-ninths of one percent for each of the first 60 months and five-eighteenth of one percent for each of the next 60 months by which the annuity starting date precedes the calendar month in which the participant would attain age 65.

***Fiscal 2015 Pension Benefits Table***

The following table shows the present value of accumulated benefits under our Legacy SERP as of February 28, 2015, the measurement date used in preparing our fiscal 2015 audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended February 28, 2015, years of service credit and payments during fiscal 2015 for Ms. Beithon, our only Named Executive Officer who participates in our Legacy SERP. Our Chief Executive Officer is not a participant in our Legacy SERP.

The present value of accumulated benefits is based on the assumptions used in determining our Legacy SERP benefit obligations and net periodic benefit cost for financial reporting purposes, except that no pre-retirement mortality assumption is used for these calculations. A complete description of the accounting policies and assumptions we used to calculate the present value of accumulated benefits can be found under Note 10 (Employee Benefit Plans – Officers’ Supplemental Executive Retirement Plan (SERP), Obligations and Funded Status of Defined-Benefit Pension Plans and Additional Information) to our fiscal 2015 audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended February 28, 2015.

**Table of Contents*****401(k) Retirement Plan***

We provide our tax-qualified 401(k) Retirement Plan to substantially all of our U.S.-based, non-union employees and union employees at two of our manufacturing facilities, who are scheduled to work more than 1,000 hours in a plan year. A participating employee may elect to contribute up to 60% of eligible earnings on a pre-tax basis into his or her 401(k) Retirement Plan account. We make a matching contribution for all of our eligible U.S.-based, non-union employees equal to 100% of the first 1% and 50% of the next 5% of the eligible compensation that the employee contributes to the plan, and matching contributions are made by our Company for union employees according to the terms of union contracts. Our employees are fully vested in their own contributions and become fully vested in our matching contributions after three years of vesting service.

**Non-Qualified Deferred Compensation*****Deferred Compensation Plan***

Our Deferred Compensation Plan is a non-qualified deferred compensation plan for a select group of management and other highly compensated employees of our Company and our subsidiaries. Approximately 160 of our employees, including our Named Executive Officers, were eligible to participate in our Deferred Compensation Plan for the 2013 calendar year, 165 were eligible for the 2014 calendar year and 188 are eligible for the 2015 calendar year. Our Deferred Compensation Plan allows for deferrals by participants of up to 75% of base salary and sales commissions, and up to 100% of bonuses and other cash or equity-based compensation approved by the Committee, and also provides that we may establish rules permitting a participant to defer performance-based compensation up to six months prior to the end of a performance period. There is no maximum dollar limit on the amount that may be deferred by a participant each year. A participant in our Deferred Compensation Plan may elect to have the participant's account credited with earnings and investment gains and losses by assuming that deferred amounts were invested in one or more of 18 hypothetical investment fund options selected by the participant, which had investment returns ranging from -7.22% to 30.11% for calendar 2014. An Apogee common stock fund is not one of the investment options available under our Deferred Compensation Plan. Participants are permitted to change their investment elections at any time. We may also make discretionary contributions to a participant's account under our Deferred Compensation Plan, and our Company will designate a vesting schedule for each such contribution. The participants are always 100% vested in the amount they defer and the earnings, gains and losses credited to their accounts. Participants are entitled to receive a distribution from their account upon: a separation from service, a specified date, death, disability, retirement (as defined in our Deferred Compensation Plan), or unforeseeable emergency that results in severe financial hardship that is consistent with the meaning of such term under section 409A of the Internal Revenue Code. Distributions are in a lump sum, installments or a combination of lump sum with installments based upon the participant's election as allowed under our Deferred Compensation Plan. Our Deferred Compensation Plan is an unfunded obligation of Apogee, and participants are unsecured creditors of Apogee.

***Legacy Deferred Compensation Plan***

Our Legacy Deferred Compensation Plan is a non-qualified deferred compensation plan for a select group of management or highly compensated employees of our Company and subsidiaries; however, in October 2010, the plan was amended to prohibit any future participant deferrals to the plan after our fiscal 2011. A participant in our Legacy Deferred Compensation Plan may choose to have his or her account credited with the applicable interest rate as set forth in the plan or credited with earnings and investment gains and losses by assuming the deferred amounts were invested in one or more of 18 hypothetical investment fund options selected by the participant, which had investment returns ranging from -7.22% to 30.11% for calendar 2014. For amounts deferred for plan years beginning on or after January 1, 2010, the applicable interest rate, which is not considered to be an above-market interest rate, is the

monthly average yield for the last calendar month of the prior fiscal year on U.S. Treasury securities adjusted to a constant maturity of 10 years. For amounts deferred for plan years beginning prior to January 1, 2010, the applicable interest rate, which may be considered to be an above-market interest rate, is the greater of the following rates: (i) the sum of one and one-half percent (1-1/2%) plus

**Table of Contents**

the monthly average yield for the last calendar month of the prior fiscal year on U.S. Treasury securities adjusted to a constant maturity of 10 years; or (ii) one-half of the rate of Apogee's after-tax return on beginning shareholders' equity for the prior fiscal year. Our Legacy Deferred Compensation Plan is an unfunded obligation of Apogee, and participants are unsecured creditors of Apogee. Distributions are in either a lump sum or installments.

During fiscal 2015, the interest paid on amounts deferred for plan years beginning prior to January 1, 2010 pursuant to our Legacy Deferred Compensation Plan was 4.21%. These amounts are reported in the Change in Pension Value and Non-Qualified Deferred Compensation Earnings column of the Summary Compensation Table on page 43.

<sup>(2)</sup> The amounts reported for Messrs. Puishys and Klein are reported in the Summary Compensation Table on page 43 in the Non-Equity Incentive Plan Compensation column.

- (3) The amount reported for Ms. Beithon is not reported in the Summary Compensation Table on page 43 because all of this amount was earned by her prior to fiscal 2013; however, all of this amount was reported in the Summary Compensation Table in the years earned.
- (4) The amounts reported for Mr. Johnson for our Deferred Compensation Plan and Legacy Deferred Compensation Plan are not reported in the Summary Compensation Table on page 43, as these amounts were earned by him prior to fiscal 2013; however, these amounts would have been reported in the Summary Compensation Table in the year earned, provided Mr. Johnson was a Named Executive Officer in such years.

**Potential Payments Upon Termination or Following a Change-in-Control**

***Transitional Employment Agreement with Our Chief Executive Officer***

In connection with Mr. Puishys joining our Company as Chief Executive Officer and President on August 22, 2011, we entered into a three-year transitional employment agreement that ended on August 22, 2014. The transitional employment agreement provides for a severance payment and certain other benefits if Mr. Puishys' employment is terminated prior to August 22, 2016 by us without Cause (as defined in the transitional employment agreement) or by him for Good Reason (as defined in the transitional employment agreement). Mr. Puishys shall be entitled to severance equal in amount to one times the sum of Mr. Puishys' annual base salary plus target annual bonus; a lump sum payment equal to an amount equivalent to the cost of insurance premiums sufficient to pay for the continuation of medical and dental insurance for 12 months; and automatic acceleration of any unvested signing bonus equity awards. The transitional employment agreement also prohibits Mr. Puishys from competing with our Company or soliciting our employees to leave their employment for a period of two years after termination of his employment with our Company.

***Payments Made Upon Termination***

Except for the transitional employment agreement entered into with Mr. Puishys, we do not have any employment agreements, employment arrangements or general severance plans covering our Named Executive Officers. Except as discussed below and under Executive Benefits and Payments Upon Termination and Change-in-Control on page 55 for Mr. Puishys, if the employment of any of our Other Named Executive Officers is voluntarily or involuntarily terminated, no additional payments or benefits will accrue or be owed to him or her, other than what the Named Executive Officer has accrued and is vested in under our benefit plans discussed above, including under the heading Retirement Plan Compensation on page 50. Any severance benefits payable to our Other Named Executive Officers not triggered by a change-in-control would be determined by the Compensation Committee at its discretion.

Except in connection with a change-in-control and as described under Transitional Employment Agreement with Our Chief Executive Officer above, a voluntary or involuntary termination will not trigger an acceleration of the vesting of any outstanding equity awards.

***Payments Made Upon Disability***

Under the terms of the Apogee Enterprises, Inc. Short-Term and Long-Term Disability Plans, each of our Named Executive Officers who participates in such plans is eligible for a disability benefit. The level of benefit depends upon the disability plan selected by our Named Executive Officer. All of our Named Executive Officers have elected to participate in our enhanced Long-Term Disability Plan and are eligible for a disability benefit that is equal to 100% of his or her monthly base salary during the first three months of disability and 60% of his or her monthly base salary up to a maximum of \$15,000 per month thereafter.

If the employment of any of our Named Executive Officers is terminated due to disability, the terms of our stock option and restricted stock agreements provide for the immediate vesting of such awards.

Pursuant to the terms of the fiscal 2015 CEO evaluation-based retention incentive and fiscal 2015 – 2016 CEO performance-based retention incentive, Mr. Puishys will receive a pro-rata portion of such awards if his employment is terminated due to disability prior to the end of the Retention Period (as defined in such retention incentive agreements).

***Payments Made Upon Death***

The terms of our stock option and restricted stock agreements provide for the immediate vesting of such awards in the event of the Named Executive Officer's death.

Pursuant to the terms of the fiscal 2015 CEO evaluation-based retention incentive and fiscal 2015 – 2016 CEO performance-based retention incentive, Mr. Puishys' estate will receive a pro-rata portion of the incentives in the event of his death prior to the end of the Retention Period (as defined in such retention incentive agreements).

***Change-in-Control Severance Agreements***

The Committee believes that offering a change-in-control program provides executive officers a degree of security in the event of a corporate transaction and allows for better alignment of executive officer and shareholder interests. We have entered into change-in-control severance agreements (the "CIC Severance Agreement") with each of our Named Executive Officers. Our CIC Severance Agreement is designed to retain our executive officers and provide for continuity of management in the event of an actual or threatened Change-in-Control of Apogee (as defined in the CIC Severance Agreement).

Our CIC Severance Agreement contains a "double trigger" for benefits, which means that there must be both a Change-in-Control of Apogee and a termination of the executive's employment for the provisions to apply. It provides that, in the event of a Change-in-Control of Apogee, each executive officer who is a party to an agreement will have specific rights and receive specified benefits if the executive officer is terminated without Cause (as defined in the CIC Severance Agreement) or the executive officer voluntarily terminates his or her employment for Good Reason (as defined in the CIC Severance Agreement) within two years after the Change-in-Control of Apogee. In these circumstances, Messrs. Puishys, Porter and Klein, and Ms. Beithon will each receive a severance payment equal to two times and Mr. Johnson at one time his or her annual base salary plus his or her annual cash incentive at target level performance for such fiscal year. In addition, all unvested options and restricted stock awards held by the executive officer that have not vested by the employment termination date will be immediately vested on such date. Our CIC Severance Agreement provides that, for a 12- or 24-month period following a Change-in-Control of Apogee, our Company will continue to provide medical and dental insurance coverage for the executive officer and the executive officer's dependents or will reimburse the executive officer for the cost of obtaining substantially similar benefits. No benefits will be paid to the executive officer pursuant to the CIC Severance Agreement unless the executive officer executes and delivers to Apogee a release of claims.

We do not provide for a tax gross-up payment with respect to excise tax liability, if any, under Internal Revenue Code Section 4999 related to Section 280G excess parachute payments.

Our CIC Severance Agreements contain a "best-net-benefit" provision which provides that, in the event that payments under the agreements trigger excise tax for the executive officer, the executive officer has the option of either reducing the severance payment, if the net benefit is greater than paying the excise tax, or paying the excise tax himself or herself. To receive these severance benefits, the executive officer shall not: (1) solicit, directly or indirectly, any of our existing or prospective customers, vendors or suppliers for a purpose competitive to our business or to encourage such customers, vendors or suppliers to terminate business with us; (2) solicit, directly or indirectly, any of our employees to terminate his or her employment; or (3) engage in or carry on, directly or indirectly, in certain geographic markets a business competitive with our business.

The CIC Severance Agreements continue through December 31 of each year and provide for automatic extension for one-year terms prior to a Change-in-Control unless we give prior notice of termination.

The terms of the agreements for cash-based performance units provide that in the event of a Change-in-Control prior to the end of a performance period, the performance period is deemed to end on the date of the Change-in-Control and our Named Executive Officers are entitled to retain cash-based performance units, to the extent earned, as adjusted for the truncated performance period. The terms of the restricted stock agreements for awards made pursuant to our Stock Incentive Plan contain a "double trigger" for acceleration of vesting upon a Change-in-Control, which means that there must be both a Change-in-Control and the Named Executive Officer's employment must be terminated by the Company without Cause (as defined in the restricted stock agreement) or by the Named Executive Officer for Good Reason (as defined in the restricted stock agreement) in order for all shares of restricted stock that have not vested by

the Employment Termination Date to vest. The terms of the agreements for the fiscal 2015 CEO evaluation-based retention incentive and fiscal 2015 – 2016 CEO performance-based retention incentive provide that in the event of a change-in-control prior to the end of the Retention Period (as defined in such retention incentive agreements), the Retention Period will end on the date of the change-in-control and the award amount will be adjusted by the Committee in its sole discretion.

**Table of Contents*****Executive Benefits and Payments Upon Termination and Change-in-Control***

The table below shows potential payments to our Named Executive Officers upon certain terminations pursuant to agreement, disability, death and a change-in-control of our Company. The table below assumes that termination of employment or the change-in-control was effective as of February 27, 2015, the last trading day of fiscal 2015. The amounts shown are estimates of the amounts that would be paid to the executives upon termination of employment or the change-in-control, in addition to the base salary and bonus earned by our Named Executive Officers for fiscal 2015. We have not included payments or benefits that are fully vested and disclosed in the Fiscal 2015 Pension Benefits table on page 50 or Fiscal 2015 Deferred Compensation table on page 52. The actual amounts to be paid can only be determined at the actual time of a Named Executive Officer's termination of employment.

**PROPOSAL 2: ADVISORY APPROVAL OF APOGEE S EXECUTIVE COMPENSATION**

Pursuant to Section 14A of the Exchange Act, we are providing shareholders with an advisory (non-binding) vote on the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the rules of the SEC.

We are asking our shareholders to indicate their support for the compensation of our Named Executive Officers as described in this proxy statement. We believe that our executive compensation program is structured in the best manner possible to support our Company and its business objectives. It has been designed to implement certain core compensation principles, which include:

Alignment of management s interests with our shareholders interests to support long-term value creation through our equity compensation programs and share ownership guidelines;

Pay-for-performance, which is demonstrated by linking annual cash incentives and long-term incentives to key financial measures;

Providing a flexible compensation package that reflects the cyclical nature of our business and fairly compensates our executives over our business cycle; and

Linking compensation to market levels of compensation paid to executive officers in the competitive market so that we can attract, motivate and retain executives who are able to drive the long-term success of Apogee. We believe our executive compensation program reflects a strong pay-for-performance philosophy and is well-aligned with our shareholders long-term interests. Our executive compensation program is designed to motivate our executives, drive desirable behaviors, be competitive, promote retention and reward successful performance. We ask for your support for the reasons listed below.

Our compensation programs are substantially tied to achievement of our key business objectives. A significant portion of each Named Executive Officer s potential total annual cash compensation and long-term compensation is at risk and linked to our operating performance.

Our compensation programs are designed to take into account the cyclical nature of our business and to fairly compensate our executives over the commercial construction cycle.

Our compensation programs for executive officers deliver a significant portion of potential total compensation in the form of equity. If the value we deliver to our shareholders declines, so does the compensation we deliver to our executive officers.

We have stock ownership guidelines for our executive officers.

We offer very limited perquisites to our executive officers and do not provide tax reimbursement or gross-ups on perquisites.

Each of our Named Executive Officers is expected to demonstrate exceptional individual performance in order to continue serving as a member of the executive team.

We continue to refine our executive compensation program to reflect evolving executive compensation practices.

**Table of Contents**

We believe that the information provided above and within the Executive Compensation section of this proxy statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our shareholders' interests to support long-term value creation. Accordingly, we are asking our shareholders to vote **FOR** the following resolution at the annual meeting:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of Apogee's Named Executive Officers, as disclosed in Apogee's Proxy Statement for the 2015 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and other related narrative disclosures.

This advisory vote on executive compensation is not binding on Apogee, our Compensation Committee or our Board of Directors. However, our Compensation Committee and our Board of Directors will take into account the result of the vote when determining future executive compensation arrangements. We currently conduct annual advisory votes on executive compensation, and we expect to conduct our next advisory vote at our 2016 Annual Meeting of Shareholders.

**Our Board of Directors recommends you vote FOR adoption of the resolution approving the compensation of our Named Executive Officers described in this proxy statement. Proxies will be voted FOR adoption of the resolution unless otherwise specified.**

In recognition of this responsibility, our Audit Committee established a policy to require pre-approval of all audit and permissible non-audit services provided by our independent registered public accounting firm. As permitted by regulations of the SEC, our Audit Committee delegated the authority to pre-approve services provided by our independent registered public accounting firm to the Chair of our Audit Committee, who reports any pre-approval decisions to our Audit Committee at its next regularly scheduled meeting.

All of the services provided by our independent registered public accounting firm in fiscal 2015 and 2014, including services related to the audit-related fees and tax fees described above, were approved by our Audit Committee under its pre-approval policy.

**PROPOSAL 3: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016, subject to a satisfactory performance evaluation of our fiscal 2015 audit. Deloitte & Touche LLP has served as our independent registered public accounting firm since fiscal 2003. Deloitte & Touche LLP reports to our Audit Committee.

While it is not required to do so, our Board of Directors is submitting the appointment of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending February 27, 2016 to our shareholders for ratification in order to ascertain the views of our shareholders on this appointment. If the appointment is not ratified, our Audit Committee may reconsider its appointment.

A representative of Deloitte & Touche LLP will be present at our 2015 Annual Meeting of Shareholders and will be afforded the opportunity to make a statement and to respond to questions.

**Our Audit Committee of our Board of Directors recommends that you vote FOR the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016. Proxies will be voted FOR the proposal unless otherwise specified.**

**FREQUENTLY ASKED QUESTIONS**

**What is the purpose of the meeting?**

At our annual meeting, shareholders will act upon matters outlined in the Notice of Annual Meeting of Shareholders. These matters include (i) election of three directors, (ii) non-binding advisory vote to approve Apogee's executive compensation, as disclosed in the proxy statement and (iii) ratification of the appointment of our independent registered public accounting firm. We will also consider any other business that may be properly presented at the meeting.

**How does the Board recommend that I vote?**

The Board of Directors recommends a vote:

**FOR** each of the nominees for director;

**FOR** the Say on Pay Proposal; and

**FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016, subject to a satisfactory performance evaluation on our fiscal 2015 audit.

**Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?**

In accordance with rules adopted by the SEC, we may furnish proxy materials, including this proxy statement and our fiscal 2015 Annual Report to Shareholders, to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. Most shareholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to most of our shareholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. By accessing and reviewing the proxy materials on the Internet, you will save us the cost of printing and mailing these materials to you and reduce the impact of such printing and mailing on the environment. If you would like to receive a paper copy of our proxy materials, you should follow the instructions for requesting such materials provided in the Notice.

**How can a shareholder get a copy of the Company's 2015 Annual Report on Form 10-K?**

We have sent to our shareholders the Notice containing instructions on how to access via the Internet our 2015 proxy statement and our Annual Report to Shareholders for the fiscal year ended February 28, 2015, which includes a copy of our Annual Report on Form 10-K filed with the SEC for the fiscal year ended February 28, 2015. Shareholders who received a paper copy of our 2015 proxy statement were also sent a copy of our Annual Report to Shareholders for the fiscal year ended February 28, 2015. Shareholders who wish to obtain additional copies of our Annual Report on Form 10-K may do so without charge by contacting us through one of the following methods:

### **How do I get electronic access to the proxy materials?**

The Notice provides you with instructions regarding how to view the proxy materials for our annual meeting on the Internet.

Our proxy statement and 2015 Annual Report to Shareholders, including our Annual Report on Form 10-K, are available at [www.proxyvote.com](http://www.proxyvote.com).

### **Who is entitled to vote at the meeting?**

Our Board of Directors has set May 4, 2015 as the record date for the annual meeting. If you were a shareholder of record at the close of business on May 4, 2015, you are entitled to notice of and to vote at the annual meeting.

As of the record date, 29,193,611 shares of common stock, par value \$0.33-1/3, were issued and outstanding and, therefore, eligible to vote at the annual meeting.

### **What are my voting rights?**

Holders of our common stock are entitled to one vote per share. Therefore, 29,193,611 votes are entitled to be cast at the meeting. There is no cumulative voting.

### **How many shares must be present to hold the meeting?**

In accordance with our Amended and Restated By-laws, shares equal to at least a majority of the voting power of the outstanding shares of our common stock as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Your shares are counted as present at the meeting if:

you are present and vote in person at the meeting;

you have properly submitted a proxy via the Internet or by mail, even if you abstain from voting on one or more matters; or

you hold your shares in street name (as discussed under "What is the difference between a shareholder of record and a street name holder?" on page 64) and you did not provide voting instructions to your broker and your broker uses its discretionary authority to vote your shares on the ratification of the appointment of our independent registered public accounting firm.

### **How do I vote my shares?**

**Your vote is important.** Because most shareholders do not attend the meeting in person, it is necessary that a large number be represented by proxy. If you are a shareholder of record, you can give a proxy to be voted at the meeting in either of the following ways:

electronically via the Internet by following the **Vote by Internet** instructions on the Notice or, if you received paper copies of our proxy materials, the enclosed proxy card; or

by completing, signing and mailing the proxy card (if you received paper copies of our proxy materials).

The Internet voting procedure has been set up for your convenience. The procedure has been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly. If you are a shareholder of record and you would like to submit your proxy via the Internet, please refer to the specific instructions provided on the Notice or, if you received paper copies of our proxy materials, the enclosed proxy card. If you received paper copies of our proxy materials and wish to submit your proxy by mail, please return your signed proxy card in the enclosed postage-paid envelope to us before the annual meeting. If you are an employee and received our 2015 proxy materials electronically via the Internet at your company email address, you will only be able to give a proxy to be voted at the meeting electronically via the Internet as described under **How do I vote if my shares are held in the 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee?** on page 64.

## **Table of Contents**

If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker or other nominee. Your broker or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the broker or other nominee how to vote your shares.

If you properly submit your proxy via the Internet or return your executed proxy by mail and do not revoke your proxy, it will be voted in the manner you specify.

### **What is a proxy?**

A proxy is your designation of another person to vote stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate someone a proxy, you may also direct the proxy how to vote your shares. We refer to this as your proxy vote. Three of our executive officers, Joseph F. Puishys, James S. Porter and Patricia A. Beithon, have been designated as the proxies to cast the votes of our shareholders at our 2015 annual meeting.

### **What is the difference between a shareholder of record and a street name holder?**

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. However, you still are considered the beneficial owner of those shares, and your shares are said to be held in street name. Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the voting instruction form provided by the broker, bank, trust or other nominee. Please refer to [How do I vote my shares?](#) on page 63.

### **How do I vote if my shares are held in the 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee?**

If you hold any shares in our 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee, your Internet proxy vote or completed proxy card will serve as voting instructions to the plan trustee. However, your voting instructions must be received at least one day prior to the annual meeting in order to count. In accordance with the terms of our 401(k) Retirement Plan, the trustee will vote all of the shares held in the plan in the same proportion as the actual proxy votes submitted by plan participants at least one day prior to the annual meeting. If you are a participant in our Employee Stock Purchase Plan, the plan custodian cannot vote your shares unless it receives timely instructions from you.

If you hold shares in our 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee and have a company email address, you will receive our 2015 proxy statement and 2015 Annual Report to Shareholders electronically at your company email address instead of receiving paper copies of these documents or the Notice in the mail. The email will provide instructions and a control number to use to provide voting instructions to the plan trustee via the Internet. If you receive our 2015 proxy statement and 2015 Annual Report to Shareholders electronically, you may only provide voting instructions to the plan trustee via the Internet and you will not receive a proxy card that can be returned by mail.

If you are an employee who received our 2015 proxy statement and 2015 Annual Report to Shareholders electronically and you wish to receive a paper copy of these materials, you should contact:

## **Table of Contents**

### **What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or proxy card?**

If you receive more than one Notice or proxy card, it means that you hold shares registered in more than one account in different names or variations of your name. To ensure that all of your shares are voted, if you submit your proxy vote via the Internet, vote once for each Notice or proxy card you receive, or sign and return each proxy card.

You may prefer to hold your shares in more than one account, and you are welcome to do so. However, some multiple accounts are unintentional and will occur if one stock purchase is made with a middle initial and a subsequent purchase is made without a middle initial. Please contact our Investor Relations Department at [IR@apog.com](mailto:IR@apog.com) or (877) 752-3432 (telephone) for information on how to merge your accounts.

### **Can I vote my shares in person at the meeting?**

If you are a shareholder of record, you may vote your shares in person at the meeting by completing a ballot at the meeting. Even if you currently plan to attend the meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting.

If you hold your shares in street name, you may vote your shares in person at the meeting only if you obtain a signed letter or other proxy from your broker, bank, trust or other nominee giving you the right to vote the shares at the meeting.

If you are a participant in our 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee, you may submit a proxy vote as described above, but you may not vote your plan shares in person at the meeting.

### **What vote is required for the election of directors or for a proposal to be approved?**

With respect to the election of directors, in accordance with Minnesota law, the nominees for election as Class II directors will be elected by a plurality of the votes cast at the annual meeting. This means that since shareholders will be electing three Class II directors, the three nominees for Class II director receiving the highest number of votes will be elected.

As provided in our Corporate Governance Guidelines, if a majority of our shares that are voted at the meeting are designated to be withheld from a director nominee's election, then such nominee shall offer his or her resignation to our Nominating and Corporate Governance Committee for consideration. Our Nominating and Corporate Governance Committee will evaluate the best interests of Apogee and our shareholders and recommend to our Board of Directors the action to be taken with respect to that director's offered resignation.

With respect to the Say on Pay Proposal and the ratification of the appointment of our independent registered public accounting firm, the affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote at the annual meeting is required for the approval of those proposals (provided that the total number of shares voted in favor of the proposal constitutes more than 25% of our outstanding shares).

### **How are votes counted?**

You may either vote **FOR** or **WITHHOLD** authority to vote for each nominee for our Board of Directors. You may vote **FOR**, **AGAINST** or **ABSTAIN** on the Say on Pay Proposal and the ratification of the appointment of our independent registered public accounting firm.

If you submit your proxy but ABSTAIN from voting or WITHHOLD authority to vote on one or more matters, your shares will be counted as present at the meeting for the purpose of determining a quorum. Your shares also will be counted as present at the meeting for the purpose of calculating the vote on the particular matter from which you abstained from voting or withheld authority to vote.

## **Table of Contents**

If you ABSTAIN from voting on a proposal, your abstention has the same effect as a vote against that proposal. We will not count WITHHOLD authority as either for or against a director nominee, so WITHHOLD authority has no effect on the election of a director; however, if a majority of our shares that are voted at the meeting are designated WITHHOLD authority from a director nominee's election, then such director nominee shall offer his or her resignation to our Nominating and Corporate Governance Committee for consideration, as described under "What vote is required for the election of directors or for a proposal to be approved?" on page 65.

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will be considered broker non-votes and will not be voted on any proposal on which your broker does not have discretionary authority to vote under the rules of the New York Stock Exchange. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum but will not be represented at the meeting for purposes of calculating the vote with respect to such matter or matters. This effectively reduces the number of shares needed to approve such matter or matters. Your broker or other nominee has discretionary authority to vote your shares on the ratification of our independent registered public accounting firm, even if your broker or other nominee does not receive voting instructions from you. Your broker or other nominee does not have discretionary authority to vote your shares on the election of directors or Say on Pay Proposal if your broker or other nominee does not receive voting instructions from you.

### **Who will count the vote?**

Representatives of Broadridge Financial Solutions, Inc., our tabulating agent, will tabulate the votes and act as independent inspector of election.

### **How does our Board of Directors recommend that I vote?**

Our Board of Directors recommends a vote:

**FOR** all of the director nominees;

**FOR** the Say on Pay Proposal; and

**FOR** ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016.

### **What if I do not specify how I want my shares voted?**

If you submit your proxy via the Internet or a signed proxy card and do not specify how you want to vote your shares, we will vote your shares:

**FOR** all of the director nominees;

**FOR** the Say on Pay Proposal;

**FOR** ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016; and

in the discretion of the persons named in the proxy on any other matters that properly come before the meeting and as to which we did not have knowledge prior to February 25, 2015.

**Can I change my vote after submitting my proxy or voting instructions?**

Yes. If you are a shareholder of record, you may revoke your proxy and change your vote at any time before your proxy is voted at the annual meeting, in any of the following ways:

by sending a written notice of revocation to our Corporate Secretary;

by submitting a later-dated proxy to our Corporate Secretary;

by submitting a later-dated proxy via the Internet; or

by voting in person at the meeting.

## **Table of Contents**

If you hold your shares in street name, you should contact your broker, bank, trust or other nominee for information on how to revoke your voting instructions and provide new voting instructions.

If you hold shares in our 401(k) Retirement Plan, Employee Stock Purchase Plan or other plans of Apogee, you may revoke your proxy and change your voting instructions at any time, but not less than one day before the annual meeting, in any of the following ways:

by sending a written notice of revocation to the plan trustee or plan custodian;

by submitting a later-dated voting instruction or proxy to the plan trustee or plan custodian; or

by submitting a later-dated voting instruction or proxy via the Internet.

### **Will my vote be kept confidential?**

Yes. We have procedures to ensure that, regardless of whether shareholders vote via the Internet, by mail or in person, (1) all proxies, ballots and voting tabulations that identify shareholders are kept permanently confidential, except as disclosure may be required by federal or state law or expressly permitted by a shareholder; and (2) voting tabulations are performed by an independent third party.

### **How can I attend the meeting?**

You may be asked to present valid government-issued picture identification, such as a driver's license or passport, and proof of stock ownership, before being admitted to the meeting. If you hold your shares in street name through a broker, bank, trust or other nominee, you may also be required to present a statement reflecting your stock ownership as of the record date.

### **Who pays for the cost of proxy preparation and solicitation?**

We pay for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokers and other nominees for forwarding proxy materials to the beneficial owners of our shares.

We are soliciting proxies primarily by mail and email. In addition, some of our officers and regular employees may solicit the return of proxies by telephone, facsimile, personal interview, email or telegram. These individuals will receive no additional compensation for these services.

### **Will any other business be considered at the meeting?**

Management does not intend to present any matters at the meeting other than those disclosed in this proxy statement. Our By-laws provide that a shareholder may present a proposal at the annual meeting that is not included in the proxy statement only if proper written notice is provided to us. No shareholder has given the timely notice required by our By-laws in order to present a proposal at the annual meeting. However, if other matters properly come before the meeting, it is the intention of the persons named as proxies to vote on those matters in the best interests of Apogee and its shareholders.

**How can a shareholder present a proposal at the 2016 Annual Meeting?**

Any shareholder wishing to have a proposal considered for inclusion in our proxy statement for our 2016 Annual Meeting of Shareholders must submit the proposal in writing to our Corporate Secretary at the address indicated on the Notice of Annual Meeting of Shareholders in accordance with all applicable rules and regulations of the SEC no later than January 15, 2016.

Under our Amended and Restated By-laws, a shareholder proposal not included in our proxy statement for the 2016 Annual Meeting of Shareholders is untimely and may not be presented in any manner at the 2016 Annual Meeting of Shareholders unless the shareholder wishing to make the proposal follows the notice procedures set forth in our Amended and Restated By-laws, including delivering notice of the proposal in writing to our Corporate Secretary at the address indicated on the Notice of Annual Meeting of Shareholders no later than February 27, 2016.

**How can I communicate with our Board of Directors?**

Subject to reasonable constraints of time, topics and rules of order, you may direct comments to or ask questions of our Chair of the Board or Chief Executive Officer during our 2015 Annual Meeting of Shareholders. In addition, you may communicate directly with any director by writing to:

Our Corporate Secretary will promptly forward to our Board of Directors or the individually named directors all relevant written communications, as specified in our Corporate Governance Guidelines, received at the above addresses.

**What is householding of proxy materials?**

The SEC rules allow a single copy of the Notice of Internet Availability of Proxy Materials or proxy statement and Annual Report to Shareholders for the fiscal year ended February 28, 2015 to be delivered to multiple shareholders sharing the same address and last name, or who we reasonably believe are members of the same family, and who consent to receive a single copy of these materials in a manner provided by these rules. This practice is referred to as householding and can result in significant savings of paper and mailing costs. Although we do not household for our registered shareholders, some brokers household Apogee notices, proxy statements and annual reports, delivering single copies of such documents to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of our Notice or proxy statement and annual report, or if you are receiving multiple copies of documents and wish to receive only one, please notify your broker. We will promptly deliver upon written or oral request a separate copy of our Notice, proxy statement and/or Annual Report to Shareholders for the fiscal year ended February 28, 2015 to a shareholder at a shared address to which a single copy of any such document was delivered. For copies of these documents, shareholders should write to our Investor Relations Department at the address listed above, or call (877) 752-3432.

By Order of the Board of Directors,

Patricia A. Beithon  
General Counsel and Corporate

Secretary
