**Item 8.01 Other Events.**

On May 17, 2016, U.S. Concrete, Inc. (the Company) issued a press release announcing its proposed offering (the Offering) of \$350 million aggregate principal amount of senior notes due 2024, subject to market conditions and other factors, to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to certain non-U.S. persons pursuant to Regulation S under the Securities Act. A copy of the press release is filed as Exhibit 99.1 hereto, and the information contained in Exhibit 99.1 is incorporated herein by reference.

On May 17, 2016, the Company sent a conditional notice of optional redemption to U.S. Bank National Association, as trustee (the Trustee), electing to effect an optional redemption of all of the Company's outstanding 8.500% Senior Secured Notes due 2018 (CUSIP No. 90333L AG6) (the 2018 Notes), at a cash redemption price equal to 104.25% of the principal amount thereof plus accrued and unpaid interest thereon to the redemption date of June 16, 2016 (such date, the Redemption Date) (such amount, the Redemption Amount). The redemption is subject to the satisfaction of the following condition precedent (the Condition Precedent): the consummation of a financing that provides net proceeds sufficient to pay the Redemption Amount in full and the irrevocable deposit by or on behalf of the Company with the Trustee of funds sufficient to pay and discharge the Redemption Amount (including all principal and accrued interest to the Redemption Date) on the 2018 Notes not theretofore delivered to the Trustee for cancellation and all other sums payable under the indenture governing the 2018 Notes (the Indenture) by the Company (other than contingent indemnification obligations, if any, that, pursuant to the terms of the Indenture and the related security documents, survive the termination thereof). If the Condition Precedent is not satisfied as of the Redemption Date, or if the Company provides written notice to the Trustee and the holders at any time prior to the Redemption Date that the Condition Precedent will not be satisfied as of the Redemption Date, then the notice of optional redemption will be rescinded and of no force or effect for any purpose and the 2018 Notes will be deemed not to have been called for redemption.

If the Condition Precedent has been satisfied, from and after the Redemption Date, (i) interest on the 2018 Notes will cease to accrue in accordance with the Indenture, unless the Company defaults in paying the Redemption Amount to the holders of the 2018 Notes, and (ii) the only remaining right of the holders of the 2018 Notes will be to receive payment of the Redemption Amount. The notice of optional redemption will be sent by the Trustee to the registered holders of the 2018 Notes on May 17, 2016 in accordance with the requirements of the Indenture. A copy of the notice of optional redemption is attached to this Current Report on Form 8-K as Exhibit 99.2 and is incorporated herein by reference. A copy of the form of the 2018 Notes is incorporated into this Current Report on Form 8-K by reference to Exhibit 4.1 hereto.
