**Monsanto/Bayer Merger Agreement Investor Q&A**

**TERMINATION  
RIGHT**

**Q: Does Monsanto have right to terminate the agreement to take a better deal?**

Yes, subject to the terms and conditions set forth in the Merger Agreement. For additional information, please refer to the merger agreement.

**NO SHOP**

**Q: Does the merger agreement contain no-shop /non-solicitations provisions applicable to Monsanto?**

Yes, Monsanto is subject to no-shop provisions but, prior to the time stockholder approval is obtained, the Board of Directors may change its recommendation that shareowners adopt the merger agreement and/or cause Monsanto to enter into an alternative acquisition agreement providing for a superior proposal, subject to complying with notice and other specified conditions, including providing Bayer with a match period. For additional information, please refer to the merger agreement.

**TOPPING FEE**

**Q: What is the amount of the topping fee that Monsanto would have to pay if it terminates agreement to take a better deal?**

There is a topping fee of \$1.85 billion that Monsanto may be obligated to pay, subject to the terms and conditions of the merger agreement. For additional information, please refer to the merger agreement.

**EXPENSES/OTHER  
PAYMENTS**

**Q: Is Monsanto obligated to make any other payments to Bayer if the transaction is not successful?**

Yes, if the merger agreement is terminated due to failure to obtain Monsanto shareowner approval, Monsanto would be obligated to reimburse Bayer's reasonable expenses up to a maximum of \$150 million subject to the terms of the merger agreement, with such amount credited against any topping fee that might be payable. For additional information, please refer to the merger agreement.

**Q:**

**DIVIDENDS**

**Will Monsanto be able to continue paying its quarterly dividend while the transaction is pending?**

Monsanto may continue to pay quarterly cash dividends at the current rate of \$0.54 per quarter, which is consistent with the rate in fiscal 2016. Dividends are subject to approval of the Monsanto Board of Directors and, if declared, will be paid at times consistent with past practices.

**SHARE**

**REPURCHASES**

**Q: Will Monsanto be continuing its share repurchase program?**

No

**ANTI-TRUST**

**COMMITMENT**

**Q: What is the extent of Bayer's commitment to obtain antitrust approvals? Is there a specified level of divestitures Bayer is committed to take?**

Bayer is committed to make divestitures if required up to \$1.6 billion, measured by the net sales of divested business in Bayer's 2015 fiscal year or Monsanto's 2016 fiscal year. We are early in the process and it is too soon to comment on which portfolio areas may be divested, but we remain confident that the required regulatory approvals will be obtained. For additional information, please refer to the merger agreement.

**EXPIRATION OR**

**DROP DEAD DATE**

**Q: What is the outside/ drop-dead date after which either party could walk away from transaction if it hasn't closed?**

Closing is expected by end of 2017. The outside/drop-dead date is September 14, 2017, which is subject to automatic extension to June 14, 2018 if one or more of the closing conditions relating to antitrust approvals, CFIUS review and the absence of injunctions has not been satisfied (but all other conditions have been satisfied).

**BREAK UP FEE**

**Q: What prompts payment of the \$2B break-up fee?**

If the merger agreement is terminated because of an order imposed by a governmental antitrust entity, or as a result of the outside date having been reached if, at that time, the antitrust-related closing conditions have not been satisfied but all other closing conditions have been satisfied or are capable of being satisfied, then in each case, Bayer is obligated to pay a termination fee of \$2 Billion.

**DEBT/OTHER  
RESTRICTIONS**

**Q: Are there restrictions on Monsanto's interim operations, such as its ability to refinance or take on additional debt, or any cap ex or management restrictions?**
