Further Implementation of the Policy Requirements and Work Deployment of the State Regarding Network Speed Upgrade and Tariff Reduction

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of the Securities on The Stock Exchange of Hong Kong Limited and Part XIV A of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

In order to further implement the policy requirements and work deployment of the State regarding network speed upgrade & tariff reduction, China Unicom (Hong Kong) Limited (the Company) announces that it will substantially reduce Internet private line access tariff for small and medium enterprises, reduce international long-distance call tariff, and, from 1 October 2017 onwards, stop charging mobile handset subscribers domestic long-distance and roaming fee. The Company expects that the aforementioned tariff reduction measures will impact the operating revenue and net profit of the Company to a certain extent. The Company will continue to deepen the implementation of Focus Strategy, accelerate innovative transformation and optimise business structure so as to achieve continuous healthy business development along with the implementation of speed upgrade and tariff reduction.
