Item 1.01 Entry into a Material Definitive Agreement

On December 15, 2017, Assurant, Inc. (the Company) entered into (i) an amended and restated credit agreement (the New Revolving Credit Agreement) with certain lenders party thereto, JPMorgan Chase Bank, N.A., as administrative agent, and Wells Fargo Bank, National Association, as syndication agent, pursuant to which the Company established a \$450 million five-year senior unsecured revolving credit facility (the New Revolving Credit Facility), and (ii) a term loan agreement (the Term Loan Agreement) and, together with the New Revolving Credit Agreement, each a Credit Agreement and collectively the Credit Agreements) with certain lenders party thereto, JPMorgan Chase Bank, N.A., as administrative agent, and Morgan Stanley Senior Funding, Inc. and Wells Fargo Bank, National Association, as co-syndication agents, pursuant to which the Company established a \$350 million 364-day senior unsecured term loan credit facility (the Term Loan Facility).

The New Revolving Credit Facility replaces the Company's prior five-year \$400 million revolving credit facility, entered into on September 16, 2014, as previously disclosed in a Current Report on Form 8-K filed September 16, 2014. The prior revolving credit facility was scheduled to expire in September 2019, but terminated upon the effectiveness of the New Revolving Credit Facility. The New Revolving Credit Facility, which expires in December 2022, provides for revolving loans and the issuance of multi-bank, syndicated letters of credit and/or letters of credit from a sole issuing bank in an aggregate amount of \$450 million. The proceeds of these loans and the letters of credit issued under the New Revolving Credit Facility may be used for general corporate purposes. The Company may, subject to certain conditions, increase the total amount available under the New Revolving Credit Facility to \$575 million.

The Company may, subject to certain conditions, use the proceeds of loans made under the Term Loan Facility to finance the transactions contemplated by the Agreement and Plan of Merger, dated as of October 17, 2017 and previously disclosed in a Current Report on Form 8-K filed by the Company on October 18, 2017, among the Company, TWG Holdings Limited, a Bermuda limited company (Parent), TWG Re, Ltd., a corporation incorporated in the Cayman Islands, and Arbor Merger Sub, Inc., a Delaware corporation and a direct wholly owned subsidiary of Parent, the redemption of the Company's 2.50% senior notes due March 15, 2018, the transactions contemplated by or related to the foregoing and fees and expenses in connection therewith.

Each Credit Agreement contains customary affirmative, negative and financial covenants and customary events of default. In addition, the Term Loan Agreement contains certain customary mandatory commitment reduction and prepayment events triggered by receipt of proceeds of certain debt and equity issuances, in each case subject to customary exceptions. The occurrence of an event of default under either Credit Agreement may cause the unpaid principal and accrued interest and all other obligations under such Credit Agreement to become immediately due and payable.

The Company paid customary fees and expenses in connection with obtaining the New Revolving Credit Facility and the Term Loan Facility.

The foregoing description of the New Revolving Credit Facility and the Term Loan Facility does not purport to be complete and is qualified in its entirety by reference to the New Revolving Credit Agreement and the Term Loan Agreement, copies of which are attached hereto as Exhibit 10.1 and 10.2, respectively, and the terms of which are incorporated herein by reference.
