On January 9, 2018, Fabrinet (the Company) entered into amended and restated offer letters of employment with Harpal Gill, President and Chief Operating Officer, and Toh-Seng Ng, Executive Vice President and Chief Financial Officer, in order to provide for certain severance and retirement benefits.

Amended and Restated Gill Offer Letter

Dr. Gill's amended and restated offer letter (the Amended Gill Offer Letter) confirms Dr. Gill's (i) current annual base salary of \$950,000, (ii) current annual cash bonus opportunity of at least 95% of base salary, which will be earned based on the Compensation Committee's evaluation of performance objectives established for the applicable year, and (iii) continued car allowance of \$1,000 per month.

In the event Dr. Gill remains continuously employed with the Company through and on May 7, 2018, Dr. Gill will become 100% vested on such date in any then-outstanding and unvested equity-based awards granted to him by the Company prior to August 2016, as well as the award of restricted share units covering 42,613 ordinary shares that was granted to him by the Company on August 18, 2016 (collectively, the Gill Acceleration Eligible Awards).

Dr. Gill and the Company are each free to terminate Dr. Gill's employment with the Company at any time, effective (i) one year after providing written notice, or (ii) such lesser period ending on May 7, 2023 (the Gill Retirement Date) to the extent that the written notice is provided within the one year period prior to the Gill Retirement Date, provided that Dr. Gill's employment can be terminated at any time for cause without advance written notice.

Subject to certain conditions, in the event Dr. Gill's employment is terminated prior to, or within 10 days after, the Gill Retirement Date, either by the Company without good cause (as such term is defined in the Amended Gill Offer Letter) and other than due to his death or disability, or by Dr. Gill for any reason, Dr. Gill will receive the following severance benefits: (1) a lump sum payment equal to the sum of (a) his one month's base salary multiplied by the total number of full and fractional years of his employment with the Company; (b) any earned but unpaid bonus; and (c) two times his cost of COBRA coverage for twelve months; (2) any then-outstanding and unvested performance-based equity awards that remain subject to the achievement of any performance goals as of the date of termination of employment (the Gill Performance Awards) will remain outstanding and eligible to vest based on the extent that the applicable performance-based or other criteria are satisfied; and (3) continued tax equalization benefits under the Company's expatriate policy, as in effect on the date of termination, for the calendar year in which the termination date occurs, and the following calendar year.

In the event Dr. Gill's employment is terminated on account of Dr. Gill's death or disability on or prior to the Gill Retirement Date, (i) Dr. Gill will become 100% vested immediately prior to his termination date in any then outstanding and unvested Gill Acceleration Eligible Awards and (ii) any then-outstanding and unvested Gill Performance Awards will remain outstanding and eligible to vest based on the extent that the applicable performance-based or other criteria are satisfied. In addition, if Dr. Gill's employment is terminated on account of Dr. Gill's death or disability on or after May 7, 2018, Dr. Gill will also receive the severance benefits described in clause (1) of the immediately preceding paragraph.

Dr. Gill's severance benefits are conditioned upon the parties' entry into a separation agreement and release of claims in favor of the Company.
