Item 8.01 Other Events

As previously reported, Geron Corporation (the Company or Geron) and certain of its officers have been named as defendants in a consolidated class action securities lawsuit pending in the United States District Court for the Northern District of California (the California District Court). The securities class action lawsuit, captioned *In re Geron Corporation Securities Litigation*, Case No. 3:14-cv-01224-CRB (the Securities Class Action), was initially filed in the California District Court on March 14, 2014 by certain stockholders of the Company on behalf of a class consisting of purchasers of the Company's common stock during the period from December 10, 2012, through and including March 11, 2014 (the Proposed Class Period).

On March 2, 2017, the parties to the Securities Class Action, through their respective counsel, executed a Stipulation and Agreement of Settlement (the Stipulation) and related documents formalizing an agreement to settle the Securities Class Action. Under the Stipulation, in exchange for the dismissal with prejudice of all claims against all defendants in connection with the Securities Class Action, the Company has agreed to settle the Securities Class Action for \$6.25 million in cash. The Company expects \$6.0 million of the settlement amount to be paid by the Company's insurance providers and the remaining \$250,000 to be paid by the Company. The settlement does not constitute any admission of fault or wrongdoing by the Company or any of the individual defendants.

On March 2, 2017, plaintiff's counsel filed a motion seeking preliminary approval of the terms and conditions of the settlement and the form of notice to all record holders and beneficial owners of the Company's common stock during the Proposed Class Period (the Notice), which included the Stipulation and related documents. The Notice filed by plaintiff's counsel includes, among other things, the general terms of the settlement, the proposed plan of allocation of the settlement amount, and the terms of the plaintiff's counsel fee application. The proposed settlement and the Stipulation remain subject to approval by the California District Court and certain other conditions.

The foregoing summary description of the Stipulation is qualified in its entirety by the Stipulation itself, a copy of which is attached hereto as Exhibit 99.1.
