Item 3.02. Unregistered Sales of Equity Securities.

On December 19, 2012, the Company consummated its IPO of 7,500,000 units (“Public Units”). Each Unit consists of one share of common stock, \$0.0001 par value per (“Common Stock”), and one warrant (“Warrant”), to purchase one share of Common Stock at an exercise price of \$11.50 per share. The Public Units were sold at an offering price of \$10.00 per Unit, generating gross proceeds of \$75,000,000.

Simultaneously with the consummation of the IPO, the Company consummated the private placement (“Private Placement”) of 375,000 units (“Placement Units”) at a price of \$10.00 per Placement Unit, generating total proceeds of \$3,750,000. Each Placement Unit is comprised one share of Common Stock and one Warrant (“Placement Warrant”). The Placement Warrants included in the Placement Units, which were purchased by Chart Acquisition Group, LLC, Joseph R. Wright and Cowen Overseas Investment LP, are substantially similar to the Warrants underlying the Public Units, except that if held by the original holder or their permitted assigns, they (i) may be exercised for cash or on a cashless basis, (ii) are not subject to being called for redemption and (iii) subject to certain limited exceptions, will be subject to transfer restrictions until 30 days following the consummation of the Company’s initial business combination. In addition, so long as the Placement Warrants are held by Cowen Overseas Investment LP or any of its related persons under FINRA rules, the Placement Warrants will expire five years from the effective date of the Registration Statement, instead of five years from the consummation of the Company’s initial business combination. Any Placement Units or securities underlying the Placement Units held by Cowen Overseas or any of its “related persons” under the rules of the Financial Industry Regulatory Authority may not be sold during this offering or sold, transferred, assigned, pledged, or hypothecated, or be the subject of any hedging, short sale, derivative, put, or call transaction that would result in the effective economic disposition of any such

A total of \$75,000,000 of the net proceeds from the IPO and the Private Placement were placed in a trust account established for the benefit of the Company's public stockholders.
